

Florida Housing Finance Corporation Quarterly Hardest Hit Fund: Quarter 2 - 2019 Exhibit C

	<p>Section 420.511 (1), F.S., specifies that as part of its strategic plan Corporation must provide performance measures and specific targets for the following:</p>	<p>Alignment with FL Strategic Plan for Economic Development</p>	<p>Explanation of Performance Measure & Performance Measure Targets</p>
<p>Number of Mortgage Loan Servicers Participating in Hardest Hit Fund (HHF) Programs</p>	<p>(a) The ability of low-income and moderate-income Floridians to access housing that is decent and affordable.</p>	<p>Goals 1, 3 Objs 3, 4 Strategies 1, 13, 24, 25, 27</p>	<p>Corporation must enter into contracts with private mortgage loan servicers to ensure that they will accept HHF funds on behalf of eligible applicants. Without an adequate number of servicers agreeing to participate in the HHF programs, HHF funds would not be credited toward the mortgages of Florida residents who otherwise qualify and many more would then face foreclosure. 484 Participating Loan Servicers (as of June 30, 2019).</p>
<p>Amount of funding disbursed through the Hardest Hit Fund (HHF) each quarter.</p>	<p>(a) The ability of low-income and moderate-income Floridians to access housing that is decent and affordable.</p>	<p>Goals 1, 3 Objs 3, 4 Strategies 4, 13, 24, 25, 27</p>	<p>Provides total amount of funding that has been disbursed to assist homeowners (total disbursed as of the end of the quarter). The number reported will be one quarter behind due to timing of Treasury report. \$4,284,518 (January-March 2019)</p>

The foregoing report is hereby submitted as of this 31st day of July, 2019, for the quarter ending June 30, 2019.
