**ORDER GRANTING VARIANCE OF PARAGRAPH 11  
OF THE 2005 QUALIFIED ALLOCATION PLAN**

THIS CAUSE came for consideration and final action before the Board of Directors of Florida Housing Finance Corporation on October 20, 2006, pursuant to an "Amended Petition for Waiver of Section 11 of the 2005 Qualified Allocation Plan" (the "Amended Petition"). Florida Housing Finance Corporation ("Florida Housing") received the Amended Petition on August 14, 2006, from Lafayette Square, Ltd., ("Petitioner"). On July 21, 2006, Florida Housing published the Notice of the original Petition in Volume 32, Number 29, of the Florida Administrative Weekly.<sup>1</sup> Florida Housing received no comments regarding the Petition or the Amended Petition. After careful review of the record and being otherwise fully advised in the premises, the Board of Directors (the "Board") of Florida Housing hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties hereto.

2. During the 2005 Universal Cycle, Florida Housing awarded an allocation of \$2,320,500 in Housing Credits to Petitioner, to finance the development of Lafayette Square Apartments, a 160 unit high rise apartment building to be located in Miami-Dade County, Florida ("the Development"). On December 21, 2005, Petitioner and Florida Housing entered

into a Carryover Allocation Agreement. Under the Carryover Allocation Agreement, the Development's placed-in-service Date is December 31, 2007.

3. Rule 67-48.025(1), Fla. Admin. Code (2005) requires that Florida Housing's allocation of Housing Credits "shall be in accordance with the Corporation's Qualified Allocation Plan."

4. Rule 67-48.002(83), Fla. Admin. Code (2005) defines the Qualified Allocation Plan as follows:

"QAP" or "Qualified Allocation Plan" means, with respect to the HC program, the 2005 Qualified Allocation Plan which is adopted and incorporated herein by reference, effective upon approval by the Governor of the state of Florida, pursuant to Section 42(m)(1)(B) of the IRC and sets forth the selection criteria and the preferences of the Corporation for Developments which will receive Housing Credits.

5. The 2005 QAP provides, in pertinent part:

[W]here a Development has not been placed in service by the date required or it is apparent that a Development will not be placed in service by the date required, such failure is due to circumstances beyond the Applicant's control, and the Applicant has returned its Housing Credit Allocation in the last calendar quarter of the year in which it was otherwise required to be placed in service, the Corporation may reserve allocation in an amount not to exceed the amount of Housing Credits returned, and may allocate such Housing Credits to the Applicant for the year after the year in which the Development was otherwise required to be placed in service, provided the following conditions have been met...

6. Petitioner requests a waiver of the above QAP provision (as incorporated by reference into Chapter 67-48, Fla. Admin. Code) to permit the return of its allocated tax credits at this time instead of within the last quarter of 2007, and to permit the immediate reallocation of 2007 Housing Credits in exchange for its 2005 allocation.

7. Petitioner cites substantial hardship and circumstances beyond its control to justify the granting of this waiver, including the effects of Hurricane Wilma (October 24, 2005) on Miami-Dade County, which was declared as major disaster area. Petitioner states that the

effects of Hurricanes Dennis, Katrina and Wilma and the increased cost of crude oil prices have resulted in an unforeseen increase in construction costs of 20-35% in the past 12 months. Petitioner has been unable to secure additional funding necessary to cover the increased development costs, in order to meet its placed-in-service date of December 31, 2007. Additionally, Petitioner demonstrated that a denial of its requested variance would result in its tax credit syndicator being unwilling to provide equity financing for the Development.

8. Section 120.542(2), Florida Statutes provides in pertinent part:

Variations and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

9. IRS Revenue Procedure 95-28 allows extensions of time for the placed-in-service date of a development only after a major disaster area has been declared, for which a carryover allocation for the development is already in place prior to the disaster area being declared. Hurricane Wilma struck shortly before this Development received its carryover allocation and Petitioner is not eligible for relief under IRS Procedure 95-28. Absent a waiver from Florida Housing, Petitioner will not receive a one-year extension of the placed in service date. It would violate the principles of fairness to not allow Petitioner to have an extension of time for the placed-in-service date because it did not have its carryover allocation at the time the area had been declared a major disaster area. Petitioner also demonstrated that it is necessary to waive the QAP requirement that such returns be made only in the last quarter of the year the project is to be placed in service, to allow sufficient lead time to complete construction of the project.

10. The Board finds that a *variance* from the above Rule is necessary and that denial thereof would create a substantial hardship for Petitioner or would violate the principles of

fairness, in that Petitioner may lose syndicator equity financing for its allocation of Housing Credits, and thus its ability to construct the Development, due to circumstances beyond its control.

11. For practical reasons, Florida Housing cannot “immediately” allocate 2007 Housing Credits to Petitioner, as the Internal Revenue Service has not yet issued allocation authority regarding 2007 Housing Credits. Therefore Florida Housing will instead provide to Petitioner a binding commitment for 2007 Housing Credits, in an amount not to exceed Petitioner’s 2005 allocation, with a placed-in- service date of December 31, 2008.

12. The granting of a variance of the aforementioned rule would serve the purpose of the underlying statute, Chapter 420, Part V, Fla. Stat., in that it would further the goal of facilitating the availability of decent, safe and sanitary housing in the State of Florida to low-income households and elderly persons.

**IT IS THEREFORE ORDERED:**

The relief requested in the “Amended Petition for Waiver of Section 11 of the 2005 Qualified Allocation Plan” is hereby **GRANTED**, in the form of a variance from the requirements of the 2005 QAP, as follows: Petitioner shall be permitted to immediately return its 2005 Housing Credit allocation, and to immediately receive a binding commitment for an allocation of 2007 Housing Credits in an amount not to exceed its 2005 allocation, with a placed-in- service date of December 31, 2008. All other relief requested in the Petition, if any, is denied.

DONE and ORDERED this 20th day of October, 2006.
