The Pennsylvania Gaming Control Board (“PGCB”) is pleased to present its thirteenth annual Diversity Report.

Pursuant to §1212 of the Pennsylvania Race Horse Development and Gaming Act (“Act”), the PGCB is charged with promoting and ensuring diversity and inclusiveness in all aspects of legalized gaming. The PGCB developed rules and regulations, 58 Pa. Code §481a, to accomplish its objectives. The diversity regulations established policies and procedures for promoting and ensuring that the regulated entities cultivate participation and equity in all aspects of their operations in the Commonwealth.

This report provides an update regarding the PGCB’s ongoing efforts to oversee the undertakings of Pennsylvania’s licensed gaming facilities (“casinos”) to ensure the Commonwealth’s goals of enhanced representation of diverse groups in the gaming industry and the creation of quality living wage jobs for its residents. Sections 13A04, 1325, and 1510 of the Act require that casinos maintain local preferences in their hiring practices. As Pennsylvania’s gaming industry has evolved over the years, diversity and inclusiveness have remained at the forefront of the PGCB’s persistence and mission. Notwithstanding changes to the Act, casino ownership, casino executive management, or within the PGCB, diversity and inclusiveness has been and continues to be an ongoing noteworthy accomplishment of the entire industry.

During March 2020, the COVID-19 Pandemic caused the closure of the twelve operating casinos in Pennsylvania. COVID-19 also interrupted nonoperating casino construction work at four locations. In June 2020, after the establishment and implementation of approved COVID-19 protocols and procedures, the casinos returned more than 60% of the furloughed employees to work under PGCB guided re-openings. COVID-19 restrictions and limitations significantly impacted the overall active employee total. On June 30, 2020, the licensed casinos/resorts employed a total of 9,883 individuals. Residents of the Commonwealth consisted of 92% of the casinos’ workforce. Approximately 43% of the employees were female while 36% of those employed at the casinos were racial minorities. Executive/ Management/ Professional Staff at the casinos were comprised of 1,614 individuals. Of this total, 36% were female and 21% were racial minorities. Unfortunately, COVID-19 restrictions resulted in the furlough of approximately 5,591 casino employees and layoffs of approximately 900 casino employees or 40% of the total pre COVID-19 workforce. Employees participating in the casinos’ benefit plans remained covered during the COVID-19 closures. Additionally, the casinos developed innovative policies and procedures to address the COVID-19 Pandemic and its unprecedented impact on the industry. After June 30, 2020, hundreds of additional casino employees returned to work as COVID-19 restrictions eased and approved operational protocols were established. Presently, all twelve casinos have reopened and are currently operating at reduced capacity with limited access to many amenities while most nonoperating casino construction has resumed.

Despite the challenges associated with COVID-19, the casinos’ training and retention efforts continued to result in internal promotions. Additionally, the casinos remain committed to achieving the Commonwealth’s goal regarding table games employment. Pennsylvania residents currently make up 87% of table games employees.

As COVID-19 continues to impact the industry, casinos remain committed to vendors and gaming service providers. The casinos and the service providers have joined forces to remain viable through contract modifications and/or temporary partial waivers of payments. Casinos continue to connect with organizations that promote supplier diversity and economic empowerment, such as the Minority Supplier Development Council, the Women’s Business Enterprise Council for Pennsylvania, Delaware and New Jersey, the Pennsylvania Department of Community & Economic Development, and the Pennsylvania Department of General Services’ Bureau of Diversity, Inclusion & Small Business Opportunities. Expenditures for each licensed facility are available in the pages that follow.

Community outreach and donations to charitable causes remain a priority for the casinos. The casinos support organizations that help vulnerable groups such as the elderly, the disabled, the homeless, the mentally ill, the economically disenfranchised, and those struggling with food insecurity. The casinos have donated hundreds of thousands of pounds of food to local charities and food banks. Leadership and staff at the casinos have consistently focused on working with community organizations. This support has led to greater economic success locally, regionally, and statewide, thereby creating revenue streams and income that benefit and strengthen everyone involved. The casinos have contributed well over \$127.1 million towards corporate social responsibility endeavors and philanthropic activities since 2006.

The PGCB is committed to monitoring the activities of the Commonwealth’s licensed casinos in promoting diversity and ensuring compliance with the Act.

Mozelle E. Daniels
Director of Diversity

Statewide

In addition to requirements in both the Gaming Act and the Board's regulatory policies and procedures, the PGCB requires each Licensee to execute a "Statement of Conditions" in which the Licensee agrees to submit an updated version of its diversity and hiring plans on an annual basis.
