Room Selection 2024 - Is Here!

UPDATE: February 1 ----- Information for Room Selection 2024 is available. Please read through the site to be ready to participate!

Room Selection is for continuing students with a housing guarantee to participate in the housing process for the 2024-25 academic year. Students with a housing guarantee are notified via email beginning February 2 of their status to participate and the steps needed to secure on-campus housing for the next academic year.

Continuing students with no-guarantee for housing also receive an email about available options. We normally can accommodate a small number of upper-division students each year as we receive contract cancellations, and we'd love to see if you are interested in coming back for 2024-25. Students can express interest and will be updated at a later date and time if there are available spaces.

We will continue to make updates to our website as the process moves forward. Please check your UC San Diego email account for reminders. Should you have a question, please reach out to us at:

2023 CONTINUING STUDENT HOUSING APPLICATION

Complete the steps below to submit a 2023 Continuing Student Housing Application. A confirmation email will be sent once completed. Submitting a housing application does not mean you have secured a space on campus for the 2023-2024 academic year. Based on space availability, a housing contract will be issued via email. We expect to start that process in March 2023.

Failure to submit an application by February 22, 2023 forfeits any potential eligibility for housing.

STAGE 2: HOUSING CONTRACT & ADDITIONAL HOUSING OPTIONS

Dates: March 5 – March 12 (housing contract)
March 6 – March 18 (additional housing options)

- Students who signed the contract and made the \$450 prepayment can apply for an additional housing option (not required):
 - Apply for an available Living Learning Community (LLC) 
 - Apply for I-House at ERC
 - Opt into Gender Inclusive Housing
- Host colleges for the LLC or I-House will contact students with a decision: Accepted, Waitlisted, or Declined.
- Students who are accepted into an LLC or I-House have until April 3 to opt of the LLC or I-House (can do so in the housing portal). Opting out does not negate your contract or guarantee.

Applying to an LLC doesn't guarantee you a space and doesn't guarantee you a single room.

Additional Housing Options

We have several **optional** housing communities for students who complete the 2024 Room Selection housing contract (including submitting the \$450 prepayment) for the 2024-25 academic year. Community descriptions may be found below. Continuing students will have the opportunity to apply for a Living-Learning Community or opt into Gender Inclusive Housing after we process the \$450 prepayment as part of the housing contract process. All applications or optional housing information are accessible via the Housing Portal. Continuing students accepted into these communities will receive further instructions at a later date.

Applying for a Living-Learning Community or Gender Inclusive Housing does not secure your housing for the 2024-25 academic year.

[Living-Learning Communities Webinar For Room Selection](#)

If you are interested in knowing more about our Living-Learning Communities (LLCs), you are invited to review our upcoming webinar video which will be posted by March 5, 2024. This is for current residents participating in Room Selection.

The Living-Learning Communities and Gender Inclusive Housing

Eligibility To Apply: Must have completed the 2024 Room Selection housing contract in full (including \$450 prepayment).

Application Dates: March 6 - March 18

UC San Diego is committed to creating more spaces where our diverse population of undergraduate students can connect with each other, with the university and with others within the community. Our Living-Learning Communities (LLCs) have been developed to strengthen learning by helping residents to connect academically and socially. The LLCs are each characterized by housing within the same residence location, shared co-curricular experiences, access to resources, and engaging in activities that reinforce common affinities such as aspects of culture.

Applying or being accepted into a Living-Learning Community does not guarantee you a single room.

- **Gender Inclusive Housing:** Housing*Dining*Hospitality is inclusive of all members of UC San Diego's community, including our transgender, non-binary, genderqueer, gender non-conforming and intersex students. We want to ensure all genders, gender identities and gender expressions are included in our housing, dining and hospitality effort.
 - Students will select into available space designated for Gender Inclusive Housing (GIH). Students can create roommate/apartment-mate groups from students also participating in GIH @ their Room Selection Community.
 - Students are not guaranteed a single room.
 - Students understand and agree that their gender is not a factor in selecting into available space.
- Students interested in Gender Inclusive Housing can opt in once they've signed the contract and made the \$450 prepayment. Students have until April 3 to opt out. Adjustments will not be available after that date for Room Selection Sign-Up. We will however work with those no longer interested in GIH after the completion of Room Selection Sign-Up on a case-by-case basis to room change to an available space when possible.
