19 Commissioner, welcome to the
20 Commission. We are very lucky to have you.

21 Moving on with the agenda, we have no
22 requests to speak today. I'm going to go straight on

1 to the Transportation agenda.

2 Under the Railroad items, Items RR-1
3 and RR-2 concern various public safety improvement
4 projects at railway crossings across Illinois. The
5 Orders extend the projects' completion deadlines.

6 Are there any objections to
7 considering these items together and approving the
8 Orders?

9 (No response.)

10 Hearing none, the Orders are approved.

11 Item RR-3 concerns the Illinois
12 Department of Transportation's petition for approval
13 to take certain property owned by a common
14 transportation carrier in Cook County. The Order
15 grants IDOT's petition to exercise its power of
16 eminent domain to acquire the subject property for
17 public highway purposes, finding it fair and
18 reasonable.

19 Are there any objections to approving
20 the Order?

21 (No response.)

22 Hearing none, the Order is approved.

1 Under Motor Carrier items, Items MC-1
2 and MC-2 concern applications for Operator Employment
3 Permits under the Illinois Commercial Relocation of
4 Trespassing Vehicles law. The Orders grant the
5 permits, finding that the applicants meet the
6 permitting requirements.

7 Are there any objections to considering
8 these items together and approving the Orders?

9 (No response.)

10 Hearing none, the Orders are approved.

11 That concludes our Transportation
12 agenda.
