The New Company Investment Portfolio selected by the Dividing Company must satisfy the following conditions, as determined by the Dividing Company: (i) the New Company Investment Portfolio will satisfy the investment asset criteria attached hereto as **Annex H** as of the 15th business day preceding the Division Effective Time; (ii) the aggregate Book Value of the New Company

Investment Portfolio as of the Reference Balance Sheet Date is no less than the corresponding amounts specified in the New Company Reference Balance Sheet for the line items for bonds, preferred stocks, common stocks and cash, cash equivalents and short term assets; and (iii) the ratio of the aggregate Fair Market Value to the aggregate Book Value of the New Company Investment Portfolio as of the 15th business day preceding the Division Effective Time will not be less than 90% of the ratio of the aggregate Fair Market Value to the aggregate Book Value of all of the Dividing Company's Investment Assets as of the 15th business day preceding the Division Effective Time.

3. ***Allocation of Liabilities.*** At the Division Effective Time, pursuant to Sections 35B-35(6) and 35B-40 of the Illinois Division Law, (a) the Liabilities of the Dividing Company set forth on ***Schedule 6*** to this Plan of Division shall be allocated to, and become the sole and exclusive responsibility of, the New Company as a successor of the Dividing Company, automatically, by operation of law, including all Liabilities arising out of, resulting from or relating to the Specified Policies (whether or not such Liabilities cease being contingent, mature, become known, are asserted or foreseen, or accrue, in each case before, at or after the Division Effective Time; and including all Personal Injury Claims, Property Claims, Extra-Contractual Obligations, recoupable or non-recoupable assessments from, or other obligations to, pools, syndicates and associations (including the MCCA), litigation expenses and all other loss adjustment expenses, in each case with respect to such Specified Policies) and (b) the Liabilities of the Dividing Company set forth on ***Schedule 7*** to this Plan of Division shall be allocated solely to, and remain the sole and exclusive responsibility of, the Surviving Company. By operation of law, at the Division Effective Time and henceforth forever, (x) the Surviving Company shall have no responsibility or obligation whatsoever, whether under law, contract or otherwise, for any Liabilities allocated to the New Company under this Plan of Division and (y) the New Company shall have no responsibility or obligation whatsoever, whether under law, contract or otherwise, for any Liabilities allocated to the Surviving Company under this Plan of Division.

4. ***Effect of Division.*** The consummation of the Division shall have all of the effects set forth in the Illinois Division Law. The provisions, terms and conditions of the Specified Policies shall be unchanged by the Division except as expressly set forth in this Plan of Division.

5. ***Future Liabilities and Assets.*** Without derogating from the allocation of Liabilities set forth in this Plan of Division, at and after the Division Effective Time, the Surviving Company and the New Company shall each thenceforth be responsible as separate and distinct companies only for the Liabilities that each company may undertake or incur in its own name. Moreover, without derogating from the allocation of Assets set forth in this Plan of Division, at and after the Division Effective Time, the Surviving Company and the New Company shall each thenceforth be entitled as separate and distinct companies only to the Assets that each company may own or otherwise possess in its own name.

6. **Indemnification.** To the fullest extent permitted by applicable law, and without derogating from the allocation of Assets and Liabilities set forth in this Plan of Division, from and after the Division Effective Time:

(a) the New Company shall indemnify and hold harmless the Surviving Company against all Liabilities, losses, damages and reasonable costs and expenses (provided that each of New Company and Surviving Company shall bear their own outside counsel fees and expenses, other than jointly incurred outside counsel fees and expenses, which shall be shared 50/50) (collectively, “**Indemnifiable Losses**”) incurred by the Surviving Company in connection with any threatened, pending, settled, adjudicated or otherwise completed claim, demand, action, suit, investigation or proceeding to which the Surviving Company is a party or is threatened to be made a party by any Third Party to the extent based upon, arising out of, resulting from or relating to (i) the Liabilities allocated to the New Company hereunder or (ii) the business, operations, activities or other actions conducted or taken by or on behalf of the New Company after the Division Effective Time; *provided, however,* that “Indemnifiable Losses” under this clause (a) shall not mean or include any Liabilities, losses, damages and costs and expenses to the extent, as determined by a court of competent jurisdiction in a final non-appealable judgment, resulting from (x) the fraud, intentional misrepresentation, intentional neglect, malfeasance, or willful and wanton misconduct by or on behalf of the Surviving Company, including any award of punitive or exemplary damages against the Surviving Company, or (y) the fraud, intentional misrepresentation, intentional neglect, malfeasance, or willful and wanton misconduct by AIC or any of its Affiliates in providing services to the New Company on or after the Division Effective Time pursuant to a services or other similar agreement;

(b) the Surviving Company shall indemnify and hold harmless the New Company against all Indemnifiable Losses (provided that each of New Company and Surviving Company shall bear their own outside counsel fees and expenses, other than jointly incurred outside counsel fees and expenses, which shall be shared 50/50) incurred by the New Company in connection with any threatened, pending, settled, adjudicated or otherwise completed claim, demand, action, suit, investigation or proceeding to which the New Company is a party or is threatened to be made a party by any Third Party to the extent based upon, arising out of, resulting from or relating to (i) the Liabilities allocated to the Surviving Company hereunder or (ii) the business, operations, activities or other actions conducted or taken by or on behalf of the Surviving Company after the Division Effective Time; and

(c) Any claim for Indemnifiable Losses shall be made in good faith. To the extent there is any conflict between the foregoing indemnification and the other terms of this Plan of Division, the other terms of this Plan of Division shall control. For purposes of the foregoing, “**Third Party**” means any Person, including any Governmental Authority, other than an Affiliate of either the New Company or the Surviving Company. The indemnified party shall promptly repay any amounts received pursuant to this Article VI.6 if it shall be finally determined by a court of competent jurisdiction that such indemnified party was not entitled to receive such amount pursuant to paragraph (a) or (b) above, as applicable.

7. ***Evidence of Allocation.*** At and after the Division Effective Time, the New Company shall hold all capital, surplus and other Assets allocated to the New Company pursuant to this Plan of Division as a successor to the Dividing Company, automatically, by operation of law and not by transfer, whether directly or indirectly. Nevertheless, in furtherance of the allocation of Assets and Liabilities in accordance with this Plan of Division, (a) each of the Surviving Company and the New Company shall execute and deliver such deeds, leases, financing statements, certificates of title and other instruments of transfer, conveyance and assignment as and to the extent necessary to evidence the allocation of all of the Dividing Company's right, title and interest in and to such Assets to the New Company or the Surviving Company, as applicable, pursuant to this Plan of Division and (b) each of the Surviving Company and the New Company shall execute and deliver such instruments as and to the extent necessary to evidence the valid and effective allocation of the Liabilities of the Dividing Company pursuant to this Plan of Division to the New Company or the Surviving Company, as applicable. In the event that either the New Company or the Surviving Company discovers after the Division Effective Time that the relevant deed, lease, financing statement, certificate of title or other instrument of transfer, conveyance or assignment necessary to evidence the allocation of the Dividing Company's right, title and interest in and to any Asset allocated to the New Company or the Surviving Company, as applicable, was not properly executed and delivered, the New Company and the Surviving Company shall work together to ensure the proper execution and delivery of such instrument as and to the extent necessary to evidence the allocation of the Dividing Company's right, title and interest in and to such Asset to the New Company or the Surviving Company, as applicable, pursuant to this Plan of Division promptly upon discovery of such Asset.

8. ***Continuation of Guaranty Fund Coverage.*** At and after the Division Effective Time, the Specified Policies shall be considered Policies of the New Company, for purposes of the MPCGA Act in effect at the Division Effective Time, as a successor of the Dividing Company automatically, by operation of law. At and after the Merger Effective Time, the Specified Policies shall be considered Policies of the Merger Company, for purposes of the MPCGA Act in effect at the Merger Effective Time. Pursuant to Article V.7, the Merger Company shall be a member of the MPCGA at the Merger Effective Time.

SCHEDULE 3

BALANCE SHEET METHODS¹

The Surviving Company Reference Balance Sheet and the New Company Reference Balance Sheet attached as *Schedule 2* to the Plan of Division (together, the “*Unaudited Pro Forma Balance Sheets*”) were prepared from the historical balance sheet of the Dividing Company as of the Reference Balance Sheet Date (*i.e.*, June 30, 2020). The historical balance sheet of the Dividing Company was contained in the Dividing Company’s Quarterly Statement for the quarter ended June 30, 2020, as filed with the Illinois Department of Insurance (“*IL DOI*”), and was prepared in accordance with accounting practices prescribed or permitted by the IL DOI. Prescribed statutory accounting practices include a variety of publications of the National Association of Insurance Commissioners (“*NAIC*”), as well as state laws, regulations and general administrative rules. Permitted statutory accounting practices encompass all accounting practices not so prescribed. The State of Illinois requires its domestic insurance companies to prepare financial statements in conformity with the NAIC Accounting Practices and Procedures Manual, which includes all Statements of Statutory Accounting Principles (SSAPs), subject to any deviations prescribed or permitted by the IL DOI. For further information regarding the significant accounting policies used to prepare the Dividing Company’s historical balance sheet upon which the Unaudited Pro Forma Balance Sheets are based, see the notes to financial statements contained in the Dividing Company’s Quarterly Statement for the quarter ended June 30, 2020, as filed with the IL DOI.

The Dividing Company issued certain automobile insurance policies in Michigan that are no longer in force as of December 31, 2019, which are referred to in the Plan of Division as the Specified Policies. In general, although certain exceptions may apply, in determining whether a Policy of the Dividing Company would be included in the Specified Policies allocated to the New Company under the Plan of Division, the Dividing Company selected its Michigan private passenger automobile Policies (the “*MI Auto Policies*”) that (a) were issued on or after July 1, 1978 (*i.e.*, date of establishment of the MCCA), (b) were no longer in force as of December 31, 2019 (and have not been reinstated as of June 30, 2020), (c) had an outstanding claim reserve as of December 31, 2019 on a Personal Injury Claim and (d) still retained a reserve on a Personal Injury Claim as of June 30, 2020. The MI Auto Policies were policies that provided coverage for a motor vehicle that was registered in the State of Michigan or whose owner held a valid license to operate a motor vehicle issued by the State of Michigan, as such information was reflected in the records of the Dividing Company as of the time the MI Auto Policy was issued.

The principal purpose of the Division is to separate the Specified Business from the Dividing Company’s other businesses. AIC also reinsures 100% of the insurance liabilities of the Dividing Company and certain other companies in the Allstate holding company group. AIC and the Dividing Company plan to commute AIC’s reinsurance of the Specified Policies immediately prior to the Division Effective Time pursuant to the Commutation Amendment

¹Capitalized terms used in this *Schedule 3* that are not defined herein shall have the respective meanings set forth in the Plan of Division.

(referred to herein as the “**Commutation**”). The Unaudited Pro Forma Balance Sheets give effect to, first, the Commutation, and then, the Division, as if each had occurred on June 30, 2020.

In preparing the Unaudited Pro Forma Balance Sheets, the Dividing Company identified the liabilities (as such term is defined in Section 35B-10 of the Illinois Division Law) and related assets relating to the Specified Policies in order to allocate those to the New Company Reference Balance Sheet. The Dividing Company also calculated the liability and related asset amounts related to the Personal Injury Protection amounts covered by the MCCA. The Dividing Company’s assets and liabilities were then separated into pro forma reference balance sheets for each of the Surviving Company and the New Company. The New Company Reference Balance Sheet is comprised of liabilities and assets relating to the Specified Policies, as identified by the Dividing Company to be allocated to the New Company in the Plan of Division. The Surviving Company Reference Balance Sheet is comprised of all liabilities and assets of the Dividing Company, other than the liabilities and assets that will be allocated to the New Company under the Plan of Division.

In connection with the formation of the Merger Company, AIH has provided \$2,000,000 of capital and surplus to the Merger Company and will provide an additional \$5,500,000 of capital and surplus to the Merger Company, for a total of \$7,500,000 (“**Initial Capital Adjustment**”) to satisfy the minimum capital requirements under Illinois and Michigan law. As a result, the combined total capital and surplus allocated by the Dividing Company and Esurance Property and Casualty Insurance Company (together, the “**Esurance Dividing Companies**”) to the new companies created by the divisions of the Esurance Dividing Companies (together, the “**Esurance New Companies**”) (*i.e.*, Michigan ESIC NewCo and Michigan ESPC NewCo), as reflected on the Esurance New Companies’ reference balance sheets, will be reduced by the Initial Capital Adjustment, with the total \$7,500,000 balance remaining in the two Esurance Dividing Companies that will be the surviving companies in the divisions. Accordingly, the Initial Capital Adjustment provided by AIH and reflected on the Esurance New Companies’ reference balance sheets shall not constitute assets nor capital and surplus of the Esurance Dividing Companies allocated to the Esurance New Companies under **Schedule 4** to the relevant plan of division. The proportionate reduction in invested assets and capital and surplus, to reflect the Initial Capital Adjustment, for each Esurance New Company will be based on the respective Esurance New Company’s pre-Division capital and surplus.

Case reserves for losses are established by the claim adjusters at the individual claim level. Incurred but not reported (“**IBNR**”) reserves are established at an aggregate level.

Gross Reserves Methodology

For IBNR reserves, the net and ceded portion of the loss reserves as of June 30, 2020 within each accident year were separately allocated to individual pending claims in proportion to their net and ceded case reserves, respectively, and based on Allstate’s judgment. The gross reserves allocated to pending claims associated with the Specified Policies are equal to the gross reserves for the New Company. The ALAE portion of IBNR reserves was allocated using gross case reserves as the primary allocation driver. The recorded unallocated loss adjustment expense (ULAE) reserves as of June 30, 2020, were allocated using gross case reserves as the primary allocation driver.

Ceded Reserves Methodology

Ceded IBNR reserves recorded as of June 30, 2020 within each accident year were allocated to all pending claims in proportion to their ceded case reserves. The ceded reserves allocated to pending claims associated with the Specified Policies are equal to the ceded reserves for the New Company. The Dividing Company does not carry ceded ALAE reserves because a limited portion can be recovered from the MCCA.

Total capital and surplus for the Surviving Company and the New Company was calculated using a variety of methodologies, including risk-based capital requirements, peer capital comparisons and rating agency requirements, as determined by the Dividing Company.

The categories of invested assets were selected for the New Company based on the investment asset criteria set forth in *Annex H* to the Plan of Division.

Within the Unaudited Pro Forma Balance Sheets, the column “Total” reflects the historical balance sheet of the Dividing Company as contained in the Dividing Company’s Quarterly Statement for the quarter ended June 30, 2020, as filed with the IL DOI.

The following pro forma adjustments to the column “Total” have been presented in the Unaudited Pro Forma Balance Sheets:

- (a) The column “Commute Specified Business” reflects the effect of the Commutation on the Dividing Company’s assets, as well as a corresponding adjustment to the Dividing Company’s liabilities. The “Commute Specified Business” column assumes that pursuant to the Commutation, AIC will pay or transfer to the Dividing Company an amount representing AIC’s outstanding case and supplemental reserves and incurred but not reported reserves for unpaid losses and loss adjustment expenses, less unearned premium, in each case relating to the reinsurance of the Specified Policies, as of June 30, 2020, and in turn, AIC will be discharged and released from its assumed reinsurance liabilities and obligations with respect to such Specified Policies.
- (b) The column “ESIC Pre-Division” reflects the Dividing Company’s historical balance sheet information as of June 30, 2020, after giving effect to the column described in Item (a) above.
- (c) The column “Michigan ESIC NewCo” reflects the allocation of assets and liabilities relating to the Specified Policies, net of the Dividing Company’s reimbursement receivables from the MCCA, as of June 30, 2020, after giving effect to the column described in Item (a) above.
- (d) The column “ESIC Surviving Company” reflects the Dividing Company’s historical balance sheet information as of June 30, 2020, after giving effect to the allocation of assets and liabilities allocated to the New Company under the column “Michigan ESIC NewCo.”

SCHEDULE 4

2. to the extent not specified in subclause (1) above, all Non-Investment Assets of the Dividing Company as of the Division Effective Time that are of a nature or type that would have resulted in such Non-Investment Assets being included as an asset or surplus of the New Company on a pro forma balance sheet of the New Company as of the Division Effective Time (as if such balance sheet was prepared in conformity with the Balance Sheet Methods and on a basis consistent with the determination of the Non-Investment Assets included on the New Company Reference Balance Sheet), it being understood that the New Company Reference Balance Sheet and the Balance Sheet Methods shall be used to determine the Non-Investment Assets of the Dividing Company that are allocated to the New Company pursuant to this subclause (2);

Notwithstanding the foregoing, the Assets allocated to the New Company shall not include any Asset allocated to the Surviving Company under this Plan of Division, and to the extent of any conflict or overlap between this *Schedule 4* and *Schedule 5*, *Schedule 5* shall control.

SCHEDULE 5

ASSETS ALLOCATED TO THE SURVIVING COMPANY

The following Assets and surplus of the Dividing Company shall remain Assets and surplus solely of the Surviving Company (without duplication for Assets described in more than one subclause set forth below):

1. all Non-Investment Assets of the Dividing Company included or reflected as an asset or surplus of the Surviving Company on the Surviving Company Reference Balance Sheet, subject to any dispositions of such Non-Investment Assets subsequent to the Reference Balance Sheet Date (in which case, the Surviving Company shall be allocated any cash or other Assets resulting from such disposition); *provided, however*, that the valuation of any such Assets reflected on the Surviving Company Reference Balance Sheet shall not necessarily be reflective of the value of any such Assets as of the Division Effective Time;

2. to the extent not specified in subclause (1) above, all Non-Investment Assets of the Dividing Company as of the Division Effective Time that are of a nature or type that would have resulted in such Non-Investment Assets being included as an asset or surplus of the Surviving Company on a pro forma balance sheet of the Surviving Company as of the Division Effective Time (as if such balance sheet was prepared in conformity with the Balance Sheet Methods and on a basis consistent with the determination of the Assets included on the Surviving Company Reference Balance Sheet), it being understood that the Surviving Company Reference Balance Sheet and the Balance Sheet Methods shall be used to determine the Assets of the Dividing Company that are allocated to the Surviving Company pursuant to this subclause (2);

3. all Investment Assets constituting the Surviving Company Investment Portfolio and any investment income due and accrued with respect to the Surviving Company Investment Portfolio;

4. all Dividing Company Books and Records other than the New Company Books and Records and all rights of attorney-client or other legal privilege with respect to such Dividing Company Books and Records allocated to the Surviving Company pursuant to the foregoing, including all rights of attorney-client or other legal privilege with respect to those matters specified in items (a) through (e) in the proviso to the definition of New Company Books and Records;

To the extent of any conflict or overlap between *Schedule 4* and this *Schedule 5*, this *Schedule 5* shall control.

SCHEDULE 6

LIABILITIES ALLOCATED TO THE NEW COMPANY

5. all Liabilities of the Dividing Company under or with respect to the MCCA to the extent arising out of, resulting from or relating to the Specified Policies (“*New Company MCCA Liabilities*”);

8. all other Liabilities of the Dividing Company to the extent such Liabilities arise out of, are based upon or otherwise relate to the Specified Business or the Assets allocated to the New Company under this Plan of Division.

To the extent of any conflict or overlap between this ***Schedule 6*** and ***Schedule 7***, this ***Schedule 6*** shall control.

The following Liabilities of the Dividing Company shall remain, and continue to be, the sole and exclusive responsibility of the Surviving Company, whether or not such Liabilities cease being contingent, mature, become known, are asserted or foreseen, or accrue, in each case before, at or after the Division Effective Time (without duplication for Liabilities described in more than one subclause set forth below):

1. all Liabilities of the Dividing Company included or reflected as liabilities of the Surviving Company on the Surviving Company Reference Balance Sheet, subject to any discharge of such Liabilities subsequent to the Reference Balance Sheet Date; *provided, however*, that the amount of any such Liabilities reflected on the Surviving Company Reference Balance Sheet shall not necessarily be reflective of the amount of any such Liabilities as of the Division Effective Time;

2. to the extent not specified in subclause (1) above, all Liabilities of the Dividing Company as of the Division Effective Time that are of a nature or type that would have resulted in such Liabilities being included as a liability of the Surviving Company on a pro forma balance sheet of the Surviving Company as of the Division Effective Time (as if such balance sheet was prepared in conformity with the Balance Sheet Methods and on a basis consistent with the determination of the Liabilities included on the Surviving Company Reference Balance Sheet), it being understood that the Surviving Company Reference Balance Sheet and the Balance Sheet Methods shall be used to determine the Liabilities of the Dividing Company that are allocated to the Surviving Company pursuant to this subclause (2);

3. all Liabilities of the Dividing Company under or with respect to the MCCA other than the New Company MCCA Liabilities;

4. all U.S. federal, U.S. state, local and non-U.S. tax liabilities of the Dividing Company other than the New Company Tax Liabilities;

5. all Liabilities arising out of claims made by any Third Party (including the Dividing Company's, the Surviving Company's or the New Company's respective directors, officers, shareholders, employees and agents) to the extent such Liabilities arise out of, are based upon or otherwise relate to the Surviving Company Business or the Assets allocated to the Surviving Company under this Plan of Division for any period prior to the Division Effective Time; and

6. all other Liabilities of the Dividing Company that are not allocated to the Surviving Company under *Schedule 6*.

Notwithstanding the foregoing, the Liabilities allocated to the Surviving Company hereunder shall not include any Liability allocated to the New Company under this Plan of Division, and to the extent of any conflict or overlap between *Schedule 6* and this *Schedule 7*, *Schedule 6* shall control.

Divisions of:

Allstate Insurance Company

Allstate Property and Casualty Insurance Company

Allstate Fire and Casualty Insurance Company

Encompass Indemnity Company

Encompass Property and Casualty Company

Esurance Insurance Company

Esurance Property and Casualty Insurance Company

(each a "Dividing Company" and collectively the "Dividing Companies")

Pursuant to 215 ILCS 5/35B-1 *et seq.* (the "Illinois Division Law"), and subsequent mergers pursuant to 215 ILCS 5/156 *et seq.* (the "Illinois Merger Law").

The Allstate Corporation (“Allstate”) has developed this Communication Plan at the request of the Illinois Director of Insurance (the “Director”) and the Illinois Department of Insurance (the “Department”) on behalf of the Dividing Companies in connection with certain proposed restructuring transactions (the “Proposed Restructuring”) by Allstate with respect to certain portions of the automobile insurance business written by the Dividing Companies in Michigan (the “MI Auto Business”).

Pursuant to the Illinois Division Law, the Dividing Companies will allocate their inactive MI Auto Business policies with outstanding claim reserves (the “Specified Policies”)¹ to newly created Illinois-domiciled stock insurance companies (the “Illinois NewCos”). The Illinois NewCos will then merge with and into three Illinois insurance companies created for purposes of the mergers (the “Merger Cos”). As a result of the Proposed Restructuring, the Merger Cos will hold, by operation of law, all of the assets, liabilities, and contracts associated with the Specified Policies.

Set forth below is a description of the persons or entities to which Allstate proposes to provide written notice of the Proposed Restructuring and the public hearing (“Hearing”)² on the Proposed Restructuring to be held pursuant to 215 ILCS 5/35B-25 and the method of Notice the Dividing Company will transmit to each person or entity.³ The parties will share with the hearing officer drafts of any notices, together with the proposed timing of publication or service thereof, and invite the hearing officer’s comments and suggestions thereon. The Director anticipates that the hearing officer will specify, *inter alia*, procedures, deadlines, and content requirements for the submission of written comments, public statements at the Hearing, or objections to the Proposed Restructuring.

A. Notice to Claimants and Policyholders

At least 25 days before the Hearing date, Allstate will send a written notice to each policyholder for the Specified Policies (a “Policyholder”) and to each person with an outstanding personal injury claim under the Specified Policies (a “Claimant”), whose claim will become a claim of a Merger Co as a result of the Proposed Restructuring. Such Notices will be sent by United States mail to the Policyholder’s and Claimant’s last-known address as indicated by the records of the Dividing Companies.⁴ The proposed form of such notice, consisting of a cover letter and hearing notice, is attached hereto as Ex. A. The notice will describe the Proposed

¹ “*Specified Policies*” are defined in Article I of the Plan of Division.

² Although each Dividing Company will submit a separate Plan of Division, Allstate will have a consolidated Hearing on all the plans of division because it is the same MI Auto Business involved for each company. *See* 50 Ill. Admin. Code 2402.110 (allowing for consolidation of Department hearings).

³ Because the shareholders of the Dividing Companies are within the Allstate group, the Plans of Division will be approved by unanimous written consent and the shareholders will waive the notice requirement under the Illinois Merger Law (*see* 215 ILCS 5/159).

⁴ Allstate will provide notice to policyholders using the last known address on file for each policyholder. Due to the passage of time and the inactive state of the policies, it is possible Allstate may not have current addresses for all of the impacted policyholders.

Restructuring, inform each Policyholder and Claimant that there will be a public Hearing on the Proposed Restructuring by the Department, and provide Policyholders and Claimants with the Department's website address. The date for the Hearing is currently scheduled for Wednesday, March 3, 2021, and, if necessary, Thursday, March 4, 2021.⁵ The notice will also be sent to any current attorney or guardian on Allstate's records for the Claimant or Policyholder.

Such notice constitutes "reasonable notice" as required under 215 ILCS 5/35B-25(a) and further satisfies the requirement under Section 2402.120 of the Illinois Administrative Code that written notice "be served upon all known parties to the Hearing."

Following the closing of the Proposed Restructuring, Allstate will notify the Policyholders and Claimants in writing that the Proposed Restructuring has been completed and provide them with information on their new insurance company's name and new claim number.

B. Publication Notice

Allstate will publish notice of the Proposed Restructuring and Hearing once weekly in two successive weeks, the first publication to be at least 25 days before the Hearing, in a newspaper of general circulation in the States of Illinois and Michigan, both in print and electronic or digital editions. Notice will also be posted on the websites of Allstate and the Department at least 25 days prior to the Hearing date.

C. Notice to Regulators

Because the Specified Policies impacted by the Proposed Restructuring were all issued in Michigan, Allstate proposes to issue written notice of the Proposed Restructuring to the Michigan Department of Insurance and Financial Services (the "MI DIFS"), including a copy of the Plan of Division filed with the Department. The MI DIFS will also be notified of the Proposed Restructuring via licensing applications that the Merger Cos will submit to become authorized to transact insurance in Michigan. In addition, Allstate will send a written notice of the Plan of Division and Hearing to the MI DIFS by email at least 25 days prior to the Hearing date.

D. Notice to Guaranty Associations

Because the Specified Policies are property casualty policies that were issued in Michigan, the Dividing Companies have been, and the Merger Cos will become members of the Michigan Property and Casualty Guaranty Association ("MPCGA") and the Illinois Insurance Guaranty Fund ("IIGF") upon their licensure in Michigan and Illinois, respectively. The MPCGA and IIGF are members of the National Conference of Insurance Guaranty Funds ("NCIGF"). The MPCGA, IIGF and NCIGF will be notified in writing of the Proposed Restructuring and Hearing at least 25 days prior to the Hearing date.

⁵ Allstate is not proposing to send individual notices to MI Auto Business policyholders who have active policies that will remain with the Dividing Companies, or to policyholders of the Dividing Companies that have other types of policies not impacted by the Proposed Restructuring. Because these policyholders are not being moved to the Merger Cos, Allstate believes public notice through the newspapers and the Allstate and Department websites is sufficient.

E. Notice to Michigan Catastrophic Claims Association (“MCCA”)

On or around the formal filing of a Plan of Division by each Dividing Company with the Department, Allstate will communicate with the MCCA to disclose the Proposed Restructuring and that it involves Allstate, the Dividing Companies, the Illinois NewCos, and the Merger Cos. Post-Division, Allstate will continue to deal on behalf of the MergerCos with the MCCA. As part of their licensing by MI DIFS, the Merger Cos will become members of the MCCA. MCCA will be notified in writing of the Plan of Division and Hearing date at least 25 days prior to such date.

F. Reinsurers

Pursuant to 215 ILCS 35B-30(b)(6), a Dividing Company is to provide written notice to each reinsurer that is party to a reinsurance contract that is applicable to the policies included in the Plan of Division within 10 days after the Plan of Division is filed with the Department. Each Dividing Company is a cedent to and reinsured by Allstate Insurance Company (“AIC”) under a Quota Share Reinsurance Agreement, that will be commuted with respect to the Specified Policies effective immediately before the effective date of the plans of division pursuant to 215 ILCS 5/35B-30. The Dividing Companies will provide written notice to AIC of the Proposed Restructuring and Hearing within 10 days after the Plan of Division is filed with the Department.

HEARING NO. 21-HR-0010

NOTICE OF HEARING

Pursuant to 215 ILCS 5/35B-1 *et seq.*, Allstate Insurance Company; Allstate Indemnity Company; Allstate Property and Casualty Insurance Company; Allstate Fire and Casualty Insurance Company; Encompass Indemnity Company; Encompass Property and Casualty Company; Esurance Insurance Company; and Esurance Property and Casualty Insurance Company (collectively, the “Applicants” or “Dividing Companies”) have submitted individual plans of division (the “Plans”) to the Director of Insurance (the “Director”) of the Illinois Department of Insurance (the “Department”). Pursuant to a power of attorney (“POA”) executed by the Director, the Department’s Chief Operating Officer, Kevin Fry, will act as the Director for purposes of this matter, and all subsequent references to “the Director” contained herein shall mean and refer to Kevin Fry.

The Plans seek to allocate to eight (8) newly created Allstate entities created by the divisions (each a “New Company” and collectively the “New Companies”) certain automobile insurance policies issued in Michigan that are no longer in force as of December 31, 2019. Each such policy is listed in the Plans and had an outstanding claim reserve as of such date on a personal

injury claim covered under such policy (“Claim”) for which a reserve remained as of June 30, 2020 (each a “Specified Policy” and collectively the “Specified Policies”). The New Companies thereafter will be merged into three newly created Allstate Illinois-domestic insurers (the “Merger Companies”).

The divisions and related transactions consist of two primary steps:

- Divisions: Under the Plans, each of the eight Dividing Companies will divide into two companies, resulting in a surviving company (the original Dividing Company insurer) and a New Company. The Dividing Company will retain all assets, liabilities and contracts that are not associated with the Specified Policies, as set forth in the Plans. The New Companies will have allocated to them the Specified Policies, the Claims and liabilities related to them, and the assets and capital set forth in the Plans. Once the divisions are effective, the Specified Policies, Claims, liabilities and assets allocated to the New Companies under the Plans will become obligations and assets of the New Companies by operation of law. The Dividing Companies will continue to issue new automobile insurance policies in Michigan.
- Mergers: Immediately following the divisions, the eight New Companies will be merged into the three Merger Companies, which will be associated with the Allstate, Esurance, and Encompass brands respectively and will be named: ASMI Auto Insurance Company (“ASMI”), ESMI Auto Insurance Company (“ESMI”), and ECMI Auto Insurance Company (“ECMI”). Following the mergers, each Specified Policy and Claim will continue with the associated brand under which it was issued. The Merger Companies will be licensed as insurance companies in Illinois and Michigan, will be members of the Michigan Catastrophic Claims Association (MCCA), and will be responsible for payments of any new claims arising under the Specified Policies after the divisions become effective. There are no current plans for the Merger Companies to write new insurance business.

NOTICE IS HEREBY GIVEN TO THE APPLICANTS AND TO THE PUBLIC that, pursuant to 215 ILCS 5/35B-25(a), 5/401, 5/402, 5/403 and 50 Ill. Admin. Code 2402.110, the Director, by and through the designated Hearing Officer, will hold a consolidated public hearing to determine whether to approve the Plans and related transactions. Each Director shall hold office for the term for which he or she was elected and until the election and qualification of his or her successor.

If the Company ceases to be ultimately controlled by a corporation whose equity securities are listed on the New York Stock Exchange, then, pursuant to Section 5/131.20b of the Illinois Insurance Code, not less than one-third of its Directors shall be persons who are not officers or employees of the Company or of any entity controlling, controlled by or under common control with the Company nor beneficial owners of a controlling interest in the voting stock of the Company or any such entity.

Section 2. Filling of Vacancies. In the event of a vacancy occurring in the Board, the shareholders of the Company shall, by a majority vote at a special meeting called for that purpose or at the next annual meeting of shareholders, elect a Director to fill such vacancy, who shall hold office during the unexpired portion of the term of the Director whose place he or she was elected to fill.

All officers of the Company shall hold office at the will of the Board.

Section 5. Designation of Depositories. Section 3. Advances. Expenses incurred in defending a Proceeding shall be paid by the Company to or on behalf of a Covered Person in advance of the final disposition of such Proceeding if the Company shall have received an undertaking by or on behalf of such person to repay such amounts if it shall ultimately be determined that he or she is not entitled to be indemnified by the Company as authorized in this Article and, with respect to Employee Indemnitees, the General Counsel of the Company does not disapprove counsel selected by the Employee Indemnitee.

PLAN OF OPERATIONS FOR THE MERGER COMPANY

ASMI AUTO INSURANCE COMPANY

ESMI AUTO INSURANCE COMPANY

ECMI AUTO INSURANCE COMPANY

NARRATIVE BUSINESS PLAN

Filed with the Illinois Department of Insurance

January 29, 2021

I. BACKGROUND

This Narrative Business Plan (this “Business Plan”) for ASMI Auto Insurance Company (“ASMI”), ESMI Auto Insurance Company (“ESMI”) and ECMI Auto Insurance Company (“ECMI” and together with ASMI and ESMI, the “Domestic Insurers”), each an Illinois-domiciled insurance company, is being submitted in connection with proposed restructuring transactions (the “Proposed Restructuring”) involving insurance subsidiaries of The Allstate Corporation (“Allstate”) that transact automobile insurance in Michigan (the “MI Auto Business”).

Currently, certain subsidiaries of Allstate write the MI Auto Business. These subsidiaries are: (i) Allstate Insurance Company (“AIC”); (ii) Allstate Indemnity Company; (iii) Allstate Property and Casualty Insurance Company; (iv) Allstate Fire and Casualty Insurance Company; (v) Encompass Indemnity Company; (vi) Encompass Property and Casualty Company; (vii) Esurance Insurance Company; and (viii) Esurance Property and Casualty Insurance Company (each, a “Dividing Company” and collectively, the “Dividing Companies”). Each of the Dividing Companies is an Illinois domestic insurer licensed as a foreign insurer in Michigan.

The first step of the Proposed Restructuring is for the Dividing Companies to divide under the Illinois Domestic Stock Company Division Law, 215 ILCS 5/35B-1 *et seq.* In particular, each Dividing Company is submitting a plan of division to the Illinois Department of Insurance (“IL DOI”) for approval to divide into two companies, resulting in a new company and a surviving company. The Dividing Company will be the surviving company in the division and retain all the assets, liabilities and contracts associated with the Dividing Company other than such assets, liabilities and contracts relating to the Dividing Company’s inactive MI Auto Business policies with outstanding claim reserves (the “Inactive Business”).¹ The Inactive Business will be allocated to a company newly formed as part of the division (each, an “IL Newco”). Upon the division, the IL Newco will have all the assets, liabilities and contracts associated with the Inactive Business.

Following the divisions, Allstate plans to merge the eight IL Newcos into the Domestic Insurers under the Illinois insurance laws so that there is one surviving insurer for each of the Allstate brands—*i.e.*, ASMI for the Allstate-brand Inactive Business, ECMI for the Encompass-brand Inactive Business, and ESMI for the Esurance-brand Inactive Business. Allstate plans to have the divisions and mergers occur as close in time as possible.²

¹ The policies that are being allocated to each IL Newco are set forth in *Schedule 1* of the respective Dividing Company’s plan of division.

² Immediately following the divisions of the Encompass and Esurance Dividing Companies, there will be one or more dividend steps that will occur, whereby the shares of the Encompass and Esurance IL Newcos will be transferred to Allstate Insurance Holdings, LLC (“AIH”), subject to any required regulatory approvals. As a result of these dividends, immediately prior to the mergers, the Encompass and Esurance IL Newcos will be wholly-owned subsidiaries of AIH, which will be the sole shareholder of ECMI and ESMI. Immediately following the mergers, AIH will contribute the shares of ECMI and ESMI to ASMI, subject to any required regulatory approvals. As a result of these contributions, ECMI and ESMI will be wholly-owned subsidiaries of ASMI, which, in turn, will be a wholly-owned subsidiary of AIH.

Following the mergers, the Domestic Insurers will continue to be licensed in Illinois and, subject to regulatory approval, will be licensed in Michigan to service claims for the Inactive Business. Currently, the Domestic Insurers do not intend to write new MI Auto Business. Instead, the Dividing Companies that will be the surviving companies in the divisions will write the MI Auto Business going forward. This Business Plan focuses on the Domestic Insurers' plans for claims administration, investment management, service agreements and reinsurance with respect to the Inactive Business.

II. SUMMARY OF OPERATIONS

A. Claims Administration

The Domestic Insurers will process claims in a manner consistent with the applicable laws, regulations and reporting requirements of all relevant regulatory agencies. Claims will be paid according to the terms of the applicable policy. Pursuant to the Service and Expense Agreement (as defined below) that the Domestic Insurers will become party to, claims will be serviced by AIC under the Service and Expense Agreement in the same manner as they are currently serviced. There will be no change to the high level of service currently provided to claimants with respect to the Inactive Business.

B. Management of Investments

The Domestic Insurers will invest their assets in accordance with requirements established by the applicable insurance laws regarding the nature and quality of investments and quantitative limits. Subject to any required regulatory approvals, effective at the time of the Proposed Restructuring, each of the Domestic Insurers will become a party to the Investment Management Agreement among Allstate Investments, LLC ("AILLC"), AIC, Allstate and certain insurance subsidiaries of Allstate, effective as of January 1, 2007 (the "Investment Management Agreement"). A Form D-1 will be filed with the IL DOI for approval to add each Domestic Insurer as a party to the Investment Management Agreement. Each Domestic Insurer's board of directors will establish investment limits and strategic allocations that reflect the company's risk tolerance and that are calibrated to achieve long-term risk and return objectives. Each Domestic Insurer expects that, through at least the five-year anniversary of the Merger Effective Time,³ its investment portfolio will be managed substantially consistent with the initial allocation of assets set forth in paragraphs 2 and 3 of *Annex H* to the relevant Dividing Company's plan of division, subject to changes based on market conditions or within the discretion of its board of directors. These include asset allocation limits, which ensure appropriate portfolio diversification by asset class. AILLC will manage the Domestic Insurers' investments in accordance with these limits and allocations and will ensure that the company's investments and investment practices are appropriate for its business, liquidity needs, and capital and surplus.

³ Capitalized terms not defined herein shall have the respective meanings set forth in the plan of division to which this *Annex G* is attached.

III. REINSURANCE

Currently, AIC reinsures 100% of the insurance liabilities of all of the Dividing Companies (other than AIC). AIC and the Dividing Companies plan to commute this reinsurance for the Inactive Business immediately prior to the effectiveness of the divisions pursuant to partial commutation and partial termination amendments entered into by AIC with each of the Dividing Companies.

Following the mergers, ECMI and ESMI plan to cede 100% of their insurance liabilities to ASMI, pursuant to reinsurance agreements to be entered into by ASMI with each of ECMI and ESMI. A Form D-1 will be filed with the IL DOI for approval of the Domestic Insurers to enter into each of these new reinsurance agreements.

IV. INTERCOMPANY AGREEMENTS

Subject to approval of the IL DOI as required, effective at the time of the Proposed Restructuring, each of the Domestic Insurers will become a party to the following existing Allstate intercompany agreements in addition to the Investment Management Agreement:

- i. Amended and Restated Service and Expense Agreement among AIC, Allstate and certain affiliates effective as of January 1, 2004, as amended (the "Service and Expense Agreement"). A Form D-1 will be filed with the IL DOI for approval to add each of the Domestic Insurers as a party to the Service and Expense Agreement.
- ii. Tax Sharing Agreement among Allstate and its affiliated group, of which Allstate is the common parent, dated as of November 12, 1996, and effective for consolidated federal income tax returns filed after June 30, 1996 (the "Tax Sharing Agreement"). A Form D-1 will be filed with the IL DOI for approval to add each of the Domestic Insurers as a party to the Tax Sharing Agreement.
- iii. Agreement for the Settlement of State and Local Tax Credits among AIC and certain affiliates of AIC effective as of January 1, 2007 (the "Tax Credit Agreement"). A Form D-1 will be filed with the IL DOI for approval to add each of the Domestic Insurers as a party to the Tax Credit Agreement.

V. CORPORATE STRUCTURE AND GOVERNANCE

Upon completion of the Proposed Restructuring, each of the Domestic Insurers will be a wholly-owned indirect subsidiary of The Allstate Corporation, which will be the ultimate controlling person of each of the Domestic Insurers. A simplified organizational chart showing the ownership of the Domestic Insurers upon completion of the Proposed Restructuring is attached as Exhibit 1 hereto.

A list of the current directors and executive officers of each of the Domestic Insurers is attached as Exhibit 2 hereto. NAIC Biographical Affidavits and third-party verification reports for these individuals are already on file with the IL DOI.

VI. FINANCIAL INFORMATION

Pro forma balance sheets for each of the Dividing Companies are attached as *Schedule 2* to the relevant Dividing Company's plan of division. Financial projections for each of the Domestic Insurers will be submitted to the IL DOI under separate confidential cover.
