Annual Report to the
Governor**

Illinois Department of Insurance

JB PRITZKER
Governor

ROBERT H. MURIEL
Director

Honorable JB Pritzker
Governor
State of Illinois
Springfield, Illinois

Dear Governor Pritzker,

I am pleased to submit the Annual Report on behalf of the Illinois Department of Insurance. The Department's mission is to protect consumers by providing assistance and information, efficiently regulate the industry's market behavior and financial solvency, and foster a competitive insurance marketplace.

Throughout 2019, the Department completed or continued a variety of initiatives in support of its strategic goals. Some highlights are below:

- * The Department remains very involved in the efforts of the National Association of Insurance Commissioners (NAIC) and has reclaimed its leadership role in important NAIC projects and initiatives. The NAIC is the U.S. standard-setting and regulatory support organization, created and governed by the chief insurance regulators from the 50 states, the District of Columbia and five U.S. territories. Through the NAIC, state insurance regulators establish standards and best practices, conduct peer reviews, and coordinate regulatory oversight. NAIC staff support these efforts and represent the collective views of state regulators, domestically and internationally.
- * Illinois is recognized as a national leader for our determined efforts to ensure that mental health parity benefits are appropriately administered. During 2019, Illinois demonstrated effective oversight by performing market conduct examinations of five major health insurance companies. As you are aware, the capstone of those efforts was the July 15, 2020 announcement of fines totaling \$2,083,000 for violations of the Mental Health Parity and Addiction Equity Act (MHPAEA). Market conduct examinations are an important tool the Department uses to ensure that health insurance companies are not imposing barriers to care and coverage for mental health services.
- * The Department's Life Policy Locator service assists consumers in identifying insurance companies with Illinois individual life insurance policies or annuity contracts naming a deceased family member in which a benefit is payable upon death. In 2019, the Department handled 1,298 requests and helped recover \$17,153,205 for Illinois consumers. Since its inception in 2016, this service has handled 4,219 requests and recovered \$38,011,663 for Illinois consumers.

I hereby submit the Illinois Department of Insurance Annual Report for 2019 which contains a summary of the Department's regulatory and administrative units, and fiscal operations.

Respectfully submitted,

Robert H. Muriel, Director
