Procedure for Testing and Approval

A. Scope

Before materials can be used for a Department project, the producer/supplier must be on the Approved List for Certified Sources of Reclaimed Asphalt Shingle (RAS) Source. The following guidelines are provided to clarify the submittal requirements and expedite the process.

B. Certified Producer/Materials by Policy Memorandum

Reclaimed Asphalt Shingle Sources are certified by the current Bureau of Materials and Physical Research [Policy Memorandum 28-10](#), "Reclaimed Asphalt Shingle (RAS) Sources [on the IDOT Internet website](#)". For questions concerning the Policy Memorandum please contact Mr. [Tom Zehr](#) at (217) [524-7268](#).
