ABOUT: Continued

HISTORY

Dolly Parton's Imagination Library is the flagship program of The Dollywood Foundation.

The Dollywood Foundation was created in 1988 by Dolly Parton to inspire the children in her home county to achieve educational success. Initial efforts focused on decreasing the dropout rate in the county's high school. In the early 1990's, Dolly promised every 7th grade and 8th grade student \$500 if they successfully graduated from high school. This effort, called the Buddy Program, reduced the dropout rate for these two classes from 35% to 6%. More importantly, the program catalyzed the community to provide additional resources to sustain this improvement in the dropout rate.

In 1995, The Foundation implemented Dolly Parton's Imagination Library in Sevier County, Tennessee. This monthly book gifting program for children under the age of five was designed to inspire a love of reading and learning for all preschool children in the county. What was founded as a local program became such a success that in 2000 a national replication effort was underway, and by 2003 Dolly Parton's Imagination Library had mailed one million books. It would prove to be the first of many millions of books sent to children around the world.

Dolly's home state of Tennessee pledged to pursue statewide coverage in 2004 and shortly after, global expansion was on the horizon. After the United States, the program launched in Canada in 2006 followed by the United Kingdom in 2007. Australia's program was launched in 2013 with the Republic of Ireland joining in 2019.

In 2022, 1 out of every 10 children under the age of five in the USA received an Imagination Library book from Dolly each month equating to over 2 million books being mailed per month to every state!

By early 2023, the total books gifted globally since inception reached its 200 million milestone! Through the unique partnerships among The Foundation, the publisher, the fulfillment centers and thousands of Local Program Partners, it continues to be the flagship program of The Dollywood Foundation.

LOCATION

The home of The Dollywood Foundation is located in downtown Sevierville, Tennessee. The main office is home to the Foundation's Leadership, Operations, Finance, Marketing, and Customer Service teams. OUR IDENTITY

IDENTITY

We believe passionately in keeping The Foundation a living, breathing representation of Dolly and her legacy, with a mission to inspire children (and families) to Dream More, Learn More, Care More, and Be More®. OUR MESSAGE & VOICE

MESSAGE & VOICE

Our brand message strives to inspire, educate and support. In keeping with a consistent voice and message, all language should be written with keywords and phrases that underpin these three core values. The Imagination Library's voice is guided by its personality which is an element of the overall brand identity.

MESSAGING TONE

We are passionate about gifting books to children and given that we work in the world of children's books, appreciate cultivating inspired and positive emotional responses from our messaging.

THE IMAGINATION LIBRARY'S VOICE

Our consistent, universal language is approachable and trustworthy. We speak as "Team Dolly" unless a message is from first-person Dolly herself. We may depict a light-hearted humor that is always respectful and inclusive, but focuses on being direct and clear.

- **Use vivid, purposeful language**, including active verbs. Use verbs tied to physical action, for example: uplift, build, capture.
- **Use verbs and adjectives** that include an emotional connotation or evoke a strong mental image.
- **Is clear and straightforward**, without jargon or wordiness. The most concise method of communication is the most powerful.
- **Prefers active voice to passive**. "We mail free books to children," instead of "free books are mailed to children."
- **Use first- and second-person language** ("we" and "you") and contractions when appropriate.
- **Engages the audience** in conversation, questioning and cooperation.
- **Promotes helpful, thoughtful and optimistic ideas**—For example, "We welcome anyone interested in starting a program in your community!"

The flagship program of The Dollywood Foundation, a 501(c)(3) non-profit organization, has gifted over 200 million free books in the United States, Canada, United Kingdom, Australia, and The Republic of Ireland. This is achieved through funding shared by The Dollywood Foundation and Local Program Partners. OUR DESIGN ELEMENTS

LOGOS: Primary and Secondary

Only use the official logos provided by Dolly Parton's Imagination Library's Marketing Department and do not recreate or alter the logos. Please contact the Marketing Department if you have any needs not addressed in this guide. Please see page 20 for help creating your Local Program Partner logo.

PRIMARY LOGO

Standard

Horizontal

SECONDARY LOGO - Single color black. Please use only in situations where printing restrictions won't allow for the use of more than one color.

You can access files referenced on this page here: <https://dollyslibrary.com/ask>

LOGOS: Treatments

Logo on solid background that uses a white pushback halo. This treatment is provided in logo file versions with the words "white_halo" within the file names.

Logo on solid background that uses a drop shadow. This treatment is provided in logo file versions with the words "drop_shadow" within the file names.

Below are some examples of things that you may not do to our logos. This is only a partial list, so please contact the Marketing Department if you have any questions or concerns not addressed in this guide.

Please don't warp or skew the logo in any way.

Please don't rotate the logo.

Please don't create or add any kinds of custom drop shadows, glows or any other effects to the logo.

Please avoid placing the logo on a visually busy or crowded portion of a photo or patterned background.

LOGOS: Clearance

Make sure our logo has sufficient clearance around it from other graphic elements such as typography, icons and other visual elements. This maintains the visual integrity of our logo.

Minimum clearance is established by the height of the initial capital “I” in “IMAGINATION”. Ideally, use at least **twice** the distance of the minimum (as shown above) , but never less than the **minimum** distance shown below.

LOGOS: Minimum Size

The minimum acceptable size for the logo is 1 inch (2.5 cm) in width. In extreme individually approved cases (such as business cards) the logo may be reduced, but never to less than 3/4 inch (1.9 cm) in width.

Ideally, use the logo at 1 inch (2.5 cm) wide or wider

Never use logo smaller than 3/4 inch (1.9 cm) wide.

Note that when the logo is used at less than 2 inches (5 cm) in size, the TM mark becomes illegible. In such cases, use logo files with the word "SMALL" in the file name. Example: DPIL_Logo_2C_SMALL.png

This is incorrect as the © is not legible.

Correct file used.

One Color version of "SMALL" files.

LOGOS: Local Program Partner Use

Below you will find the two approved templates for partners to identify themselves as associates of the Imagination Library using our official DPIL logo. When using the trademarked name 'Imagination Library' to identify the local program, the official DPIL logo is the only logo that may be used. There should not be a person's name or title (other than Dolly Parton's) before or after 'Imagination Library'. An organization name or covered geographical area name may be used with 'Imagination Library', however if the organization name or covered geographical area is used before 'Imagination Library', it may not be in the possessive form:

1. Examples that work: **Sevier County Imagination Library, Imagination Library of Sevier County** or **Dolly Parton's Imagination Library of Sevier County**.
2. Example that **does not** work: **Sevier County's Imagination Library**.

If using a local program partner organization's name and logo in addition to Dolly Parton's Imagination Library, the co-branding formula below may be used.

The DPIL logo should appear on the left side as pictured below.

OFFICIAL DPIL LOGO TEMPLATES: Area at the bottom allows for the program partner name to be entered into the secondary, outer ring or beneath the logo using the public domain font named Century Schoolbook Bold. In addition, a free online template is available on Canva.com. Please visit the [Partner Success Kit Logos & Usage folder](#) to learn more.

CO-BRANDING FORMULA: An existing program partner logo may be placed next to the Imagination Library's official logo using the below indicated line element, distances and proportions.

A: Use a gray stroke of 50% black and equal in weight to the black circular stroke in the Imagination Library's logo. The stroke should be as tall as the Imagination Library logo from the tallest point to the base.

B: The height of the initial capital "I" in "IMAGINATION" should be maintained between each logo and the gray line.

Both logos should have equal visual weight but the program partner logo should never be larger than that of the Imagination Library's logo.

LOGOS: State Program Partner Use

Below you will find the two approved templates for all the State Program Partners. The templates include the official DPIL logo, the name of the state, and a state color. After the color has been selected by the State Program Partner, The Dollywood Foundation will provide the final logo artwork prior to the official statewide launch. These State Program Partner logos, that includes the trademarked name 'Imagination Library', are the only logos that may be used when identifying the program.

1. Examples that work: **Imagination Library of Washington** or **Dolly Parton's Imagination Library of Washington**.
2. Example that **does not** work: **Washington's Imagination Library** or **Washington Imagination Library**.

OFFICIAL DPIL STATE PARTNER LOGO TEMPLATES: The first version (circle) contains the trademarked DPIL logo with the name of the state beneath, using the Google font named PT Sans Narrow. The second version (map) includes the state's 'map' graphic behind the trademarked DPIL logo, with the state name printed below. See examples below.

Circle

Map

CO-BRANDING FORMULA: Just like Local Program Partner logos, sometimes there is a need to include other Local Program Partner logos. In this case, follow the same guidelines as presented on Pg. 20. The State Program Partner logo should always appear on the left side.
