Welcome to the eco-friendly and integrated green campus located on the panoramic foothills of the Southern part of Western Ghats of Tamilnadu. The University houses in itself all that is essential for moulding the young children entrusted to her care into technically and ethically sound nation builders. It is a lovely sight to see the visitors from the Western Ghats—visitors like the Peacocks, the Peahens, batches of Deer, Bison, Wild Boars, Hedgehogs, to name a few. The presence of a sizable number of International communities on campus helps prevail a multicultural atmosphere.

FACILITIES @ KALASALINGAM

To provide a International exposure and meeting the future industry needs, several centers are establised for training and research.

- Nano-materials lab
- Bio Composite Laboratory
- Indian Spoken Language Processing Laboratory
- Condensed Matter Physics Laboratory
- Center for Supramolecular Chemistry
- Molecular Quantum Mechanics Laboratory
- Centre for Composite Material
- Center for Cardiovascular and Adverse Drug Reactions
- Multifunctional Materials Laboratory
- Centre for High Performance & Soft Computing Analysis
- Center for Research in Automatic Control Engineering (CRACE)
- Centre for BioTechnology
