Respected Sir,

Sub: Requisition for the approval as Research Supervisor-Regarding

I am Name of the applicant working as an Assistant Professor/Associate Professor/Professor/Senior Professor in the department of department name, KARE. Through this letter, I would like to place a request to consider my application for guideship in KARE. I have completed my Ph. D in Institution name, Year of Ph. D awarded and I have publications in reputed journals satisfying the required norms of our esteemed institution. With all these factors in favor, I wish to have an opportunity of being a recognized research supervisor based on your approval. I assure that I would be honest while guiding the scholars, concerning morality for publications. Kindly do the needful in this regard.
