

Kennebec Valley YMCA

**We hope this message finds you well and enjoying the many benefits of your membership at the Kennebec Valley YMCA. We appreciate your continued support and participation in our community.**

**As part of our commitment to providing high-quality programs and services, it is necessary for us to periodically review and adjust our membership rates. After careful consideration, we have made the decision to implement a rate increase, effective February 1st, 2024.**

**This decision was not made lightly, and we understand that any change in pricing may have an impact on our members. However, the adjustment is essential to ensure that we can continue to deliver the excellent programs, services, and facilities that you have come to expect from the Kennebec Valley YMCA.**

**The increased revenue will be reinvested into maintaining and improving our facilities, staff retention , and expanding our range of programs to better serve you. Our goal is to create an even more vibrant and inclusive community that promotes health, wellness, and personal growth.**

**We understand that financial circumstances may vary, and we are committed to working with any member who may face challenges due to this rate increase. If you have questions or concerns about the adjustment, please do not hesitate to reach out to our Membership Director Iman Poeraatmadja at [Iman@KVYMCA.COM](mailto:Iman@KVYMCA.COM) .**

**We sincerely appreciate your understanding and continued support. Thank you for being an integral part of the Kennebec Valley YMCA community. We look forward to continuing to serve you and enhancing your YMCA experience.**

**Wishing you health and wellness in the coming year.**

**Sincerely,**

**Ranae L'Italien**
