D. Alcoholic beverages at government stores shall be sold by employees of the Authority who shall carry out the provisions of this subtitle and Board regulations governing the operation of government stores and the sale of alcoholic beverages, except that the Board may appoint the holder of a distiller's license or its officers and employees as agents of the Board for the sale of spirits and low alcohol beverage coolers, manufactured by or for, or blended by such licensee on the licensed premises, at government stores established by the Board (i) on the distiller's licensed premises or (ii) at the site of an event licensed by the Board and conducted for the purpose of featuring and educating the consuming public about spirits products.

The Board may adopt regulations which provide for accepting a credit card or debit card as payment. Such regulations may provide for the collection, where appropriate, of related fees, penalties, and service charges for the use of a credit card or debit card by any consumer.

J. Before the Authority implements any increase in the markup on distilled spirits or any change to the markup formula for distilled spirits pursuant to § [4.1-235](#) that would result in an increase in the retail price of distilled spirits sold to the public, the Authority shall (i) provide at least 45 days' public notice before such a price increase takes effect; (ii) provide the opportunity for submission of written

comments regarding the proposed price increase; (iii) conduct a public meeting for the purpose of receiving verbal comment regarding the proposed price increase; and (iv) consider any written or verbal comments before implementing such a price increase.

§ 4.1-119. (Effective until July 1, 2024) Operation of government stores.

A. Subject to the provisions of §§ [4.1-121](#) and [4.1-122](#), the Board may establish, maintain, and operate government stores for the sale of spirits, nonalcoholic spirit alternatives, wine produced by farm wineries, low alcohol beverage coolers produced by licensed distillers, vermouth, mixers, products used in connection with distilled spirits, including any garnish or garnishment applied to the rim of a glass of distilled spirits, as may be approved by the Board from time to time, and products licensed by the Virginia Tourism Corporation as specified in § [4.1-103](#) in such counties, cities, and towns considered advisable by the Board. The Board may discontinue any such store.

B. With respect to the sale of wine or cider produced by farm wineries, the Board may give preference to farm wineries that produce 2,500 cases or less of wine or cider per year.

C. The Board shall fix the wholesale and retail prices at which the various classes, varieties and brands of alcoholic beverages and other Board-approved products that are sold in government stores. Differences in the cost of operating stores, and market competition and conditions may be reflected in the sale price of alcoholic beverages sold at government stores. The Board may sell alcoholic beverages to federal instrumentalities (i) authorized and operating under the laws of the United States and regulations of the United States Department of Defense and (ii) located within the boundaries of federal enclaves or reservations over which the United States has acquired jurisdiction, at prices which may be greater or less than the wholesale price charged other authorized purchasers. Nothing in this subsection shall be construed to limit the authority of the Board to fix the retail price of alcoholic beverages sold at government stores, which retail price may include promotional, volume, or other discounts deemed appropriate by the Board.

D. Alcoholic beverages at government stores shall be sold by employees of the Authority who shall carry out the provisions of this subtitle and Board regulations governing the operation of government stores and the sale of alcoholic beverages, except that the Board may appoint the holder of a distiller's license or its officers and employees as agents of the Board for the sale of spirits and low alcohol beverage coolers, manufactured by or for, or blended by such licensee on the licensed premises, at government stores established by the Board (i) on the distiller's licensed premises or (ii) at the site of an event licensed by the Board and conducted for the purpose of featuring and educating the consuming public about spirits products.

Such agents shall sell the spirits and low alcohol beverage coolers in accordance with the provisions of this subtitle, Board regulations, and the terms of the agency agreement between the Authority and the licensed distiller. The Authority shall pay a licensed distiller making sales pursuant to an agreement authorized by this subsection a commission of not less than 20 percent of the retail price of the goods sold. If the licensed distiller makes application and meets certain requirements established by the Board, such agreement shall allow monthly revenue transfers from the licensed distiller to the Board to be submitted electronically and, notwithstanding the provisions of §§ [2.2-1802](#) and [4.1-116](#), to be limited to the amount due to the Board in applicable taxes and markups.

For the purposes of this subsection, "blended" means the receipt by a licensed distiller of deliveries and shipments of alcoholic beverages, other than wine and beer, in accordance with subdivision A 6 of § [4.1-201](#) to be (a) (1) additionally aged by the receiving distillery in order to increase the quality and flavor of such alcoholic beverages or (2) used in a low alcohol beverage cooler and (b) bottled by the receiving distillery.

E. No Class 1 neutral grain spirit or alcohol, as defined by federal regulations, that is without distinctive character, aroma, taste or color shall be sold in government stores at a proof greater than 151 except upon permits issued by the Board for industrial, commercial, culinary, or medical use.

F. All alcoholic beverages sold in government stores, except for tasting samples pursuant to subsection G sold in government stores established by the Board on a distiller's licensed premises, shall be in closed containers, sealed and affixed with labels prescribed by the Board.

G. No alcoholic beverages shall be consumed in a government store by any person unless it is part of an organized tasting event conducted by (i) an employee of a manufacturer of distilled spirits or farm winery or (ii) an authorized representative of a manufacturer of distilled spirits or farm winery with a permit issued by the Board pursuant to subdivision A 14 of § [4.1-212](#), at which the samples of alcoholic beverages provided to any consumer do not exceed the limits for spirits or wine set forth in subdivision A 5 of § [4.1-201.1](#). No sample may be consumed by any individual to whom alcoholic beverages may not lawfully be sold pursuant to § [4.1-304](#).

Notwithstanding the provision of this subsection to the contrary, an agent of the Board appointed pursuant to subsection D may give samples of spirits, beer, wine, or cider to persons to whom alcoholic beverages may be lawfully sold for on-premises or off-premises consumption, provided that (i) the spirits, beer, wine, or cider samples are manufactured within the same licensed premises or on contiguous premises of such agent licensed as a distillery, brewery, or winery; (ii) no single sample shall exceed four ounces of beer, two ounces of wine or cider, or one-half ounce of spirits, unless served as a mixed beverage, in which case a single sample of spirits may contain up to one and one-half ounces of spirits; (iii) no more than 12 ounces of beer, five ounces of wine, or three ounces of spirits shall be given or sold to any person per day; and (iv) in the case of spirits samples, a method is used to track the consumption of each consumer. Nothing in this paragraph shall prohibit such agent from serving samples of spirits as part of a mixed beverage. Such mixed beverage samples may contain

spirits or vermouth not manufactured on the licensed premises or on contiguous premises of the licensed distillery, provided that at least 75 percent of the alcohol used in such samples is manufactured on the licensed premises or on contiguous premises of the licensed distillery. An agent of the Board appointed pursuant to subsection D may keep on the licensed premises no more than 10 varieties of spirits or vermouth not manufactured on the licensed premises or on contiguous premises of the licensed distillery. Any spirits or vermouth used in such samples that are not manufactured on the licensed premises or on contiguous premises of the licensed distillery shall be purchased from the Board.

The Board shall establish guidelines governing tasting events conducted pursuant to this subsection.

Any case fee charged to a licensed distiller by the Board for moving spirits from the production and bailment area to the tasting area of a government store established by the Board on the distiller's licensed premises shall be waived if such spirits are moved by employees of the licensed distiller.

H. With respect to purchases by licensees at government stores, the Authority shall (i) accept in payment for any purchase or series of purchases cash, electronic fund transfer, credit or debit card, or check payable to the Authority, in the exact amount of any such purchase or series of purchases and (ii) provide notice to licensees on Board policies relating to the assignment of government stores from which licensees may purchase products and any procedure for the licensee to elect to make purchases from an alternative government store.

I. With respect to purchases by consumers at government stores, the Authority shall accept cash in payment for any purchase or series of purchases. The Board may adopt regulations which provide for accepting a credit card or debit card as payment. Such regulations may provide for the collection, where appropriate, of related fees, penalties, and service charges for the use of a credit card or debit card by any consumer.

J. Before the Authority implements any increase in the markup on distilled spirits or any change to the markup formula for distilled spirits pursuant to § [4.1-235](#) that would result in an increase in the retail price of distilled spirits sold to the public, the Authority shall (i) provide at least 45 days' public notice before such a price increase takes effect; (ii) provide the opportunity for submission of written comments regarding the proposed price increase; (iii) conduct a public meeting for the purpose of receiving verbal comment regarding the proposed price increase; and (iv) consider any written or verbal comments before implementing such a price increase.

Within each government store, except for government stores established on a distiller's licensed premises pursuant to subsection D of § [4.1-119](#), the Authority shall post notice of the existence of a human trafficking hotline to alert possible witnesses or victims of human trafficking to the availability of a means to report crimes or gain assistance. The notice required by this section shall (i) be posted in a place readily visible and accessible to the public and (ii) meet the requirements specified in subsection C of § [40.1-11.3](#).

§ 4.1-120. When government stores closed.

A. Except as provided in subsection B, no sale or delivery of alcoholic beverages shall be made at any government store, nor shall any such store be kept open for the sale of alcoholic beverages:

1. On Sunday;
2. On Thanksgiving Day, Christmas Day and New Year's Day; or
3. During such other periods and on such other days as the Board may direct.

B. Certain government stores, as determined by the Board, may be open on Sunday for the sale of alcoholic beverages after 10:00 a.m.

§ 4.1-121. Referendum on establishment of government stores.

A. The qualified voters of any county, city, or town having a population of 1,000 or more may file a petition with the circuit court of the county or city, or of the county wherein the town or the greater part thereof is situated, asking that a referendum be held on the question of whether the sale by the Virginia Alcoholic Beverage Control Authority of alcoholic beverages, other than beer and wine not produced by farm wineries, should be prohibited within that jurisdiction. The petition shall be signed by qualified voters equal in number to at least 10 percent of the number registered in the jurisdiction on January 1 preceding its filing or by at least 100 qualified voters, whichever is greater. Upon the filing of a petition, the court shall order the election officials of the county, city, or town, on the date fixed in the order, to conduct a referendum on the question. The clerk of the circuit court shall publish notice of the referendum in a newspaper of general circulation in the county, city, or town once a week for three consecutive weeks prior to the referendum.

The question on the ballot shall be:

"Shall the sale by the Virginia Alcoholic Beverage Control Authority of alcoholic beverages, other than beer and wine not produced by farm wineries, be prohibited in (name of county, city, or town)?"

The referendum shall be ordered and held and the results certified as provided in § [24.2-684](#).

Thereupon the court shall enter of record an order certified by the clerk of the court to be transmitted to the Board and to the governing body of the county, city, or town.

B. Once a referendum has been held, no other referendum on the same question shall be held in the county, city, or town within four years of the date of the prior referendum. However, a town shall not be prescribed from holding a referendum within such period although an election has been held in the county in which the town or a part thereof is located less than four years prior thereto.

Code 1950, § 4-45; 1954, c. 221; 1974, c. 399; 1975, c. 517; 1977, c. 683; 1980, cc. 541, 543; 1984, c. 200; 1993, c. 866; 2015, cc. [38](#), [730](#); 2019, cc. [37](#), [178](#).

§ 4.1-122. Effect of local option referenda.

A. If in any referendum held under the provisions of § [4.1-121](#) in any county, city, or town a majority of the qualified voters vote "Yes" on the question, then on and after 60 days from the date on which the order of the court, setting forth the results of such referendum was entered of record, none of the alcoholic beverages voted against shall be sold in such county, city, or town except for delivery or shipment to persons outside of such county, city, or town authorized under this subtitle to acquire the alcoholic beverages for resale. This subsection shall not apply to common carriers of passengers by train, boat or airplane selling wine and beer to bona fide passengers.

B. If in any such referendum held in any county, city, or town in which a majority of the qualified voters have previously voted to prohibit the sale of alcoholic beverages by the Board and in a subsequent election a majority of the voters of the county, city, or town vote "No" on the question stated in § [4.1-121](#), then such alcoholic beverages may, in accordance with this subtitle, be sold within the county, city, or town on and after 60 days from the day on which the order of the court setting forth the results of such election is entered of record.

C. If any referendum is held under the provisions of § [4.1-124](#) in any county, town, or supervisor's election district of a county and the majority of voters voting in such referendum voted "Yes," the sale by the Board of alcoholic beverages, other than beer and wine not produced by farm wineries, shall be prohibited in such county, town, or supervisor's election district of a county. Notwithstanding this section and any referendum held under § [4.1-121](#) to the contrary, persons licensed to sell mixed beverages in such county, town, or supervisor's election district of a county shall also be permitted to sell wine and beer for on-premises consumption, provided the appropriate license fees are paid for the privilege.

D. The provisions of this section shall not prevent in any county, city, or town, the sale and delivery or shipment of alcoholic beverages specified in § [4.1-200](#) to and by persons therein authorized to sell alcoholic beverages, nor prevent the delivery or shipment of alcoholic beverages under Board regulations into any county, city, or town, except as otherwise prohibited by this subtitle.

E. For the purpose of this section, when any referendum is held in any town, separate and apart from the county in which such town or a part thereof is located, such town shall be treated as being separate and apart from such county.

Code 1950, § 4-46; 1954, c. 221; 1974, c. 460; 1975, c. 482; 1977, c. 683; 1980, cc. 541, 543; 1982, cc. 66, 204; 1984, c. 200; 1991, c. 690; 1993, c. 866; 2019, cc. [37](#), [178](#).

§ 4.1-123. Referendum on Sunday wine and beer sales; exception.

A. Either the qualified voters or the governing body of any county, city, town, or supervisor's election district of a county may file a petition with the circuit court of the county or city or of the county wherein the town or the greater part thereof is situated asking that a referendum be held on the question of whether the sale of beer and wine on Sunday should be permitted within that jurisdiction. The petition of voters shall be signed by qualified voters equal in number to at least ten percent of the number registered in the jurisdiction on January 1 preceding its filing or at least 100 qualified voters, whichever is greater. Upon the filing of a petition, the court shall order the election officials of the county, city, or town, on the date fixed in the order, to conduct a referendum on the question. The clerk of the circuit court shall publish notice of the referendum in a newspaper of general circulation in the county, city, or town once a week for three consecutive weeks prior to the referendum.

The question on the ballot shall be:

"Shall the sale of wine and beer between the hours of twelve o'clock p.m. on each Saturday and six o'clock a.m. on each Monday be permitted in _____ (name of county, city, town, or supervisor's election district of the county)?"

The referendum shall be ordered and held and the results certified as provided in § [24.2-684](#).

Thereupon the court shall enter of record an order certified by the clerk of the court to be transmitted to the Board and to the governing body of the county, city, or town.

Notwithstanding an ordinance adopted pursuant to § [4.1-129](#), an affirmative majority vote on the question shall be binding on the governing body of the county, city, or town, and the governing body shall take all actions required of it to legalize such Sunday sales.

B. Notwithstanding the provisions of subsection A or § [4.1-129](#), where property that constitutes a farm winery lies within, or abuts, the boundaries of Floyd and Patrick Counties, the retail sale of wine by the farm winery licensee in the county that restricts the sale of wine and beer shall be allowed at one fixed location on a parcel of land that contains all or part of the licensee's producing vineyard and the licensee's vinification facilities.

The Board may refuse to allow such licensee the exercise of his retail sales privilege in the county restricting the Sunday sale of wine and beer if the Board determines, after giving the licensee notice and a hearing, that (i) the owner of the farm winery had actual knowledge that the vinification facilities and all or part of the producing vineyard were going to be located in the county restricting the sale of wine and beer prior to construction of the vinification facilities or (ii) the primary business purpose of the farm winery licensee is to engage in the retail sale of wine in such county rather than the business of a farm winery.

Nothing in this subsection shall apply to a farm winery licensee that has a retail establishment for the sale of its wine in the county adjoining the county that restricts the Sunday sale of wine and beer if the retail establishment is within one-half mile of the farm winery's vinification facilities.

§ 4.1-124. Referendum on the sale of mixed beverages.

A. The provisions of this subtitle relating to the sale of mixed beverages shall be effective in any town, county, or supervisor's election district of a county unless a majority of the voters voting in a referendum vote "Yes" on the question of whether the sale of mixed alcoholic beverages by restaurants licensed under this subtitle should be prohibited. The qualified voters of a town, county, or supervisor's election district of a county may file a petition with the circuit court of the county asking that a referendum be held on the question of whether the sale of mixed beverages by restaurants licensed by the Board should be prohibited within that jurisdiction. The petition shall be signed by qualified voters equal in number to at least 10 percent of the number registered in the town, county, or supervisor's election district on January 1 preceding its filing or at least 100 qualified voters, whichever is greater.

Petition requirements for any county shall be based on the number of registered voters in the county, including the number of registered voters in any town having a population in excess of 1,000 located within such county. Upon the filing of a petition, and under no other circumstances, the court shall order the election officials of the county to conduct a referendum on the question.

The clerk of the circuit court of the county shall publish notice of the referendum in a newspaper of general circulation in the town, county, or supervisor's election district once a week for three consecutive weeks prior to the referendum.

The question on the ballot shall be:

"Shall the sale of mixed alcoholic beverages by restaurants licensed by the Virginia Alcoholic Beverage Control Authority be prohibited in _____ (name of town, county, or supervisor's election district of county)?"

The referendum shall be ordered and held and the results certified as provided in Article 5 (§ [24.2-681](#) et seq.) of Chapter 6 of Title 24.2. Thereupon the court shall enter of record an order certified by the clerk of the court to be transmitted to the Board and to the governing body of the town or county. Mixed beverages prohibited from sale by such referendum shall not be sold by restaurants within the town, county, or supervisor's election district of a county on or after 30 days following the entry of the order if a majority of the voters voting in the referendum have voted "Yes."

The provisions of this section shall be applicable to towns having a population in excess of 1,000 to the same extent and subject to the same conditions and limitations as are otherwise applicable to counties under this section. Such towns shall be treated as separate local option units, and only residents of any such town shall be eligible to vote in any referendum held pursuant to this section for any such town. Residents of towns having a population in excess of 1,000, however, shall also be eligible to vote in any referendum held pursuant to this section for any county in which the town is located.

Notwithstanding the provisions of this section, the sale of mixed beverages by restaurants shall be prohibited in any town created as a result of a city-to-town reversion pursuant to Chapter 41 (§ [15.2-4100](#) et seq.) of Title 15.2 if a referendum on the question of whether the sale of mixed beverages by res-

restaurants licensed under this subtitle should be prohibited was previously held in the former city and a majority of the voters voting in such referendum voted "Yes."

B. Once a referendum has been held, no other referendum on the same question shall be held in the town, county, or supervisor's election district of a county for a period of 23 months.

C. Notwithstanding the provisions of subsection A, the sale of mixed beverages shall be allowed on property dedicated for industrial or commercial development and controlled through the provision of public utilities and covenanting of the land by any multijurisdictional industrial development authority, as set forth under Chapter 49 (§ [15.2-4900](#) et seq.) of Title 15.2, provided that (i) such authority operates under a partnership agreement between three or more counties, cities, or towns and such jurisdictions participate administratively and financially in the authority and (ii) the sale of mixed beverages is permitted in one of the member counties, cities, towns, or a supervisor's election district of one of the counties and that the governing board of the authority authorizes an establishment located within the confines of such property to apply to the Board for such license. The appropriate license fees shall be paid for this privilege.

D. Notwithstanding the provisions of subsection A of this section and subsection C of § [4.1-122](#), the sale of mixed beverages by licensees, and the sale of alcoholic beverages other than beer and wine not produced by farm wineries by the Board, shall be allowed in any city in the Commonwealth.

E. Notwithstanding the provisions of subsection A, the Board may grant a mixed beverage restaurant license to a restaurant located on the premises of and operated by a private club exclusively for its members and their guests, subject to the qualifications and restrictions on the issuance of such license imposed by § [4.1-206.3](#). However, no license authorized by this subsection shall be granted if the private club restricts its membership on the basis of race, color, creed, national origin, or sex.

§ 4.1-127. Contests of local option referenda.

The regularity or legality of any referendum held pursuant to §§ [4.1-121](#), [4.1-123](#) and [4.1-124](#) shall be subject to the inquiry, determination, and judgment of the circuit court which ordered the referendum. The court shall proceed upon complaint of fifteen or more qualified voters of the county, city, or town, filed within thirty days after the date the results of the referendum are certified and setting out fully the

grounds of contest. The complaint and the proceedings shall conform as nearly as practicable to the provisions of § [15.2-1654](#), and the judgment of the court entered of record shall be a final determination of the regularity and legality of the referendum.

§ 4.1-128. Local ordinances or resolutions regulating or taxing alcoholic beverages.

A. No county, city, or town shall, except as provided in § [4.1-205](#) or [4.1-129](#), adopt any ordinance or resolution which regulates or prohibits the manufacture, bottling, possession, sale, wholesale distribution, handling, transportation, drinking, use, advertising or dispensing of alcoholic beverages in the Commonwealth. Nor shall any county, city, or town adopt an ordinance or resolution that prohibits or regulates the storage, warehousing, and wholesaling of wine in accordance with Title 4.1, regulations of the Board, and federal law at a licensed farm winery.

No provision of law, general or special, shall be construed to authorize any county, city or town to adopt any ordinance or resolution that imposes a sales or excise tax on alcoholic beverages, other than the taxes authorized by § [58.1-605](#), [58.1-3833](#) or [58.1-3840](#). The foregoing limitation shall not affect the authority of any county, city or town to impose a license or privilege tax or fee on a business engaged in whole or in part in the sale of alcoholic beverages if the license or privilege tax or fee (i) is based on an annual or per event flat fee specifically authorized by general law or (ii) is an annual license or privilege tax specifically authorized by general law, which includes alcoholic beverages in its taxable measure and treats alcoholic beverages the same as if they were nonalcoholic beverages.

B. However, the governing body of any county, city, or town may adopt an ordinance that (i) prohibits the acts described in subsection A of § [4.1-308](#) subject to the provisions of subsections B and E of § [4.1-308](#), or the acts described in § [4.1-309](#), and may provide a penalty for violation thereof and (ii) subject to subsection C of § [4.1-308](#), regulates or prohibits the possession of opened alcoholic beverage containers in its local public parks, playgrounds, public streets, and any sidewalk adjoining any public street.

C. Except as provided in this section, all local acts, including charter provisions and ordinances of cities and towns, inconsistent with any of the provisions of this subtitle, are repealed to the extent of such inconsistency.

A. The Board may grant the following mixed beverages licenses:

1. Mixed beverage restaurant licenses, which shall authorize the licensee to sell and serve mixed beverages for consumption in dining areas and other designated areas of such restaurant. Such license may be granted only to persons (i) who operate a restaurant and (ii) whose gross receipts from the sale of food cooked, or prepared, and consumed on the premises and nonalcoholic beverages served on the premises, after issuance of such license, amount to at least 45 percent of the gross receipts from the sale of mixed beverages and food. For the purposes of this subdivision, other designated areas shall include outdoor dining areas, whether or not contiguous to the licensed premises,

which outdoor dining areas may have more than one means of ingress and egress to an adjacent public thoroughfare, provided such areas are under the control of the licensee and approved by the Board. Such noncontiguous designated areas shall not be approved for any retail license issued pursuant to subdivision A 5 of § [4.1-201](#).

If the restaurant is located on the premises of a hotel or motel with no fewer than four permanent bedrooms where food and beverage service is customarily provided by the restaurant in designated areas, bedrooms, and other private rooms of such hotel or motel, such licensee may (a) sell and serve mixed beverages for consumption in such designated areas, bedrooms, and other private rooms and (b) sell spirits packaged in original closed containers purchased from the Board for on-premises consumption to registered guests and at scheduled functions of such hotel or motel only in such bedrooms or private rooms. The club's gross receipts from the sale of nonalcoholic beverages consumed on the premises and food resold to its members and guests and consumed on the premises shall amount to at least 45 percent of its gross receipts from the sale of mixed beverages and food. The food sales made by a restaurant to such a club shall be excluded in any consideration of the qualifications of such restaurant for a license from the Board.

If the restaurant is located on the premises of and operated by a municipal golf course, the Board shall recognize the seasonal nature of the business and waive any applicable monthly food sales requirements for those months when weather conditions may reduce patronage of the golf course, provided that prepared food, including meals, is available to patrons during the same months. The gross receipts from the sale of food cooked, or prepared, and consumed on the premises and nonalcoholic beverages served on the premises, after the issuance of such license, shall amount to at least 45 percent of the gross receipts from the sale of mixed beverages and food on an annualized basis.

Such limitations on the number of events that may be held shall not apply during the effective dates of any rule, regulation, or order that is issued by the Governor or State Health Commissioner to meet a public health emergency and that effectively reduces allowable restaurant seating capacity; however, designated outdoor refreshment area licensees shall be subject to all other applicable provisions of this subtitle and Board regulations and

§ 4.1-209.1. Direct shipment of wine and beer; shipper's license.

A. Holders of wine and beer shipper's licenses issued pursuant to subdivision F 1 of § [4.1-206.3](#) may sell and ship not more than two cases of wine per month nor more than two cases of beer per month to any person in Virginia to whom alcoholic beverages may be lawfully sold. All such sales and shipments shall be for personal consumption only and not for resale. A case of wine shall mean any combination of packages containing not more than nine liters of wine. A case of beer shall mean any combination of packages containing not more than 288 ounces of beer. Any winery or farm winery located within or outside the Commonwealth may apply to the Board for issuance of a wine and beer shipper's license that shall authorize the shipment of brands of wine and farm wine identified in such application. Any brewery located within or outside the Commonwealth may apply to the Board for issuance of a wine and beer shipper's license that shall authorize the shipment of brands of beer identified in such application. Any person located within or outside the Commonwealth who is authorized to sell wine or beer at retail in their state of domicile and who is not a winery, farm winery, or brewery may nevertheless apply for a wine and beer shipper's license if such person satisfies the requirements of this section. Any brewery, winery, or farm winery that applies for a shipper's license or authorizes any other person, other than a retail off-premises licensee, to apply for a license to ship such brewery's, winery's or farm winery's brands of wine or beer shall notify any wholesale licensees that have been

authorized to distribute such brands that an application has been filed for a shipper's license. The notice shall be in writing and in a form prescribed by the Board. The Board may adopt such regulations as it reasonably deems necessary to implement the provisions of this section, including regulations that permit the holder of a shipper's license to amend the same by, among other things, adding or deleting any brands of wine, farm wine, or beer identified in such shipper's license.

B. Any applicant for a wine and beer shipper's license that does not own or have the right to control the distribution of the brands of wine, farm wine, or beer identified in such person's application may be issued a shipper's license for wine and beer, if the applicant has obtained and filed with its application for a shipper's license, and with any subsequent application for renewal thereof, the written consent of either (i) the winery, farm winery, or brewery whose brands of wine, farm wine, or beer are identified therein or (ii) any wholesale distributor authorized to distribute the wine or beer produced by the winery, farm winery or brewery. Any winery, farm winery, or brewery, or its wholesale distributor, that has provided written authorization to a shipper licensed pursuant to this section to sell and ship its brand or brands of wine, farm wine, or beer shall not be restricted by any provision of this section from withdrawing such authorization at any time. If such authorization is withdrawn, the winery, farm winery, or brewery shall promptly notify such shipper licensee and the Board in writing of its decision to withdraw from such shipper licensee the authority to sell and ship any of its brands, whereupon such shipper licensee shall promptly file with the Board an amendment to its license eliminating any such withdrawn brand or brands from the shipper's license.

C. The direct shipment of beer and wine by holders of licenses issued pursuant to subdivision F 1 of § [4.1-206.3](#) shall be by approved common carrier only. The Board shall develop regulations pursuant to which common carriers may apply for approval to provide common carriage of wine or beer, shipped by holders of licenses issued pursuant to subdivision F 1 of § [4.1-206.3](#). Such regulations shall include provisions that require (i) the recipient to demonstrate, upon delivery, that he is at least 21 years of age; (ii) the recipient to sign an electronic or paper form or other acknowledgement of receipt as approved by the Board; and (iii) the Board-approved common carrier to submit to the Board such information as the Board may prescribe. The Board-approved common carrier shall refuse delivery when the proposed recipient appears to be under the age of 21 years and refuses to present valid identification. All licensees shipping wine or beer pursuant to this section shall affix a conspicuous notice in 16-point type or larger to the outside of each package of wine or beer shipped within or into the Commonwealth, in a conspicuous location stating: "CONTAINS ALCOHOLIC BEVERAGES; SIGNATURE OF PERSON AGED 21 YEARS OR OLDER REQUIRED FOR DELIVERY." Any delivery of alcoholic beverages to a minor by a common carrier shall constitute a violation by the common carrier. The common carrier and the shipper licensee shall be liable only for their independent acts.

D. For purposes of §§ [4.1-234](#) and [4.1-236](#) and Chapter 6 (§ [58.1-600](#) et seq.) of Title 58.1, each shipment of wine or beer by a wine and beer shipper licensee shall constitute a sale in Virginia. The licensee shall collect the taxes due to the Commonwealth and remit any excise taxes monthly to the Authority and any sales taxes to the Department of Taxation.

E. Notwithstanding the provisions of § [4.1-203](#), the holder of a wine and beer shipper license may solicit and receive applications for subscription to a wine-of-the-month or beer-of-the-month club at in-state or out-of-state locations for which a license for on-premises consumption has been issued, other than the place where the licensee carries on the business for which the license is granted. For the purposes of this subsection, "wine-of-the-month club" or "beer-of-the-month club" shall mean an agreement between an in-state or out-of-state holder of a wine and beer shipper license and a consumer in Virginia to whom alcoholic beverages may be lawfully sold that the shipper will sell and ship to the consumer and the consumer will purchase a lawful amount of wine or beer each month for an agreed term of months.

F. Notwithstanding the provisions of § [4.1-203](#), a wine and beer shipper licensee may ship wine or beer as authorized by this section through the use of the services of an approved fulfillment warehouse. For the purposes of this section, a "fulfillment warehouse" means a business operating a warehouse and providing storage, packaging, and shipping services to wineries or breweries. The Board shall develop regulations pursuant to which fulfillment warehouses may apply for approval to provide storage, packaging, and shipping services to holders of licenses issued pursuant to this section. Such regulations shall include provisions that require (i) the fulfillment warehouse to demonstrate that it is appropriately licensed for the services to be provided by the state in which its place of business is located, (ii) the Board-approved fulfillment warehouse to maintain such records and to submit to the Board such information as the Board may prescribe, and (iii) the fulfillment warehouse and each wine and beer shipper licensed under subdivision F 1 of § [4.1-206.3](#) to whom services are provided to enter into a contract designating the fulfillment warehouse as the agent of the shipper for purposes of complying with the provisions of this section.

G. Notwithstanding the provisions of § [4.1-203](#), a wine and beer shipper licensee may sell wine or beer as authorized by this section through the use of the services of an approved marketing portal. For the purposes of this section, a "marketing portal" means a business organized as an agricultural cooperative association under the laws of a state, soliciting and receiving orders for wine or beer and accepting and processing payment of such orders as the agent of a licensed wine and beer shipper. The Board shall develop regulations pursuant to which marketing portals may apply for approval to provide marketing services to holders of licenses issued pursuant to subdivision F 1 of § [4.1-206.3](#). Such regulations shall include provisions that require (i) the marketing portal to demonstrate that it is appropriately organized as an agricultural cooperative association and licensed for the services to be provided by the state in which its place of business is located, (ii) the Board-approved marketing portal to maintain such records and to submit to the Board such information as the Board may prescribe, and (iii) the marketing portal and each wine and beer shipper licensed under this section to whom services are provided to enter into a contract designating the marketing portal as the agent of the shipper for purposes of complying with the provisions of this section.

§ 4.1-210. Repealed.

Repealed by Acts 2020, cc. [1113](#) and [1114](#), as amended by Acts 2021, Sp. Sess. I, c. [82](#), effective January 1, 2022.

§ 4.1-211. Temporary licenses.

Notwithstanding subsection D of § [4.1-203](#), the Board may grant a temporary license to any of the licensed retail operations authorized by § [4.1-206.3](#). A temporary license may be granted only after an application has been filed in accordance with the provisions of § [4.1-230](#) and in cases where the sole objection to granting a license is that the establishment will not be qualified in terms of the sale of food. If a temporary license is not granted, the applicant is entitled to a hearing on the issue of qualifications. The decision to refuse to grant a temporary license shall not be subject to a hearing.

If a temporary license is granted, the Board shall conduct an audit of the business after a reasonable period of operation not to exceed 180 days. If the audit indicates that the business is qualified, the license applied for may be granted. If the audit indicates that the business is not qualified, the applicant is entitled to a hearing. No further temporary license shall be granted to the applicant or to any other person at that location for a period of one year from expiration and, once the application becomes the subject of a hearing, no temporary license may be granted.

A temporary license may be revoked summarily by the Board for any cause set forth in § [4.1-225](#) without complying with subsection A of § [4.1-227](#). Revocation of a temporary license shall be effective upon service of the order of revocation upon the licensee or upon the expiration of three business days after the order of the revocation has been mailed to the licensee at either his residence or the address given for the business in the license application. Notwithstanding any other provision of this subtitle, a manufacturer of wine or malt beverages, or two or more of such manufacturers together, whether licensed in the Commonwealth or not, may obtain a banquet license as provided in § [4.1-206.3](#) upon application to the Board, provided that the

event for which a banquet license is obtained is (i) at a place approved by the Board and (ii) conducted for the purposes of featuring and educating the consuming public about wine or malt beverage products. Such manufacturer shall be limited to eight banquet licenses, whether or not jointly obtained, for such events per year without regard to the number of wineries or breweries owned or operated by such manufacturer or by any parent, subsidiary, or company under common control with such manufacturer. Where the event occurs on no more than three consecutive days, a manufacturer need only obtain one such license for the event.

3. Notwithstanding any other provision of this subtitle, a manufacturer of distilled spirits, whether licensed in the Commonwealth or not, may obtain a banquet license for a special event as provided in subdivision D 1 b of § [4.1-206.3](#) upon application to the Board, provided that such event is (i) at a place approved by the Board and (ii) conducted for the purposes of featuring and educating the consuming public about the manufacturer's spirits products. Such manufacturer shall be limited to no more than eight banquet licenses for such special events per year. Where the event occurs on no more than three consecutive days, a manufacturer need only obtain one such license for the event. Such banquet license shall authorize the manufacturer to sell or give samples of spirits to any person to whom alcoholic beverages may be lawfully sold in designated areas at the special event, provided that (a) no single sample shall exceed one-half ounce per spirits product offered, unless served as a mixed beverage, in which case a single sample may contain up to one and one-half ounces of spirits, and (b) no more than three ounces of spirits may be offered to any patron per day. Nothing in this paragraph shall prohibit such manufacturer from serving such samples as part of a mixed beverage.

B. This section shall not apply to:

1. Corporations operating dining cars, buffet cars, club cars, or boats;
2. Brewery, distillery, or winery licensees engaging in conduct authorized by subdivision A 5 of § [4.1-201](#);
3. Farm winery licensees engaging in conduct authorized by subdivision 6 of § [4.1-206.1](#);
4. Manufacturers, bottlers, or wholesalers of alcoholic beverages who do not (i) sell or otherwise furnish, directly or indirectly, alcoholic beverages or other merchandise to persons holding a retail license or banquet license as described in subsection A and (ii) require, by agreement or otherwise, such person to exclude from sale at his establishment alcoholic beverages of other manufacturers, bottlers, or wholesalers;
5. Wineries, farm wineries, or breweries engaging in conduct authorized by subsection F of § [4.1-206.3](#) or § [4.1-209.1](#) or [4.1-212.1](#); or
6. One out-of-state winery, not under common control or ownership with any other winery, that is under common ownership or control with one restaurant licensed to sell wine at retail in Virginia, so long as any wine produced by that winery is purchased from a Virginia wholesale wine licensee by the restaurant before it is offered for sale to consumers.

C. The General Assembly finds that it is necessary and proper to require a separation between manufacturing interests, wholesale interests, and retail interests in the production and distribution of alcoholic beverages in order to prevent suppliers from dominating local markets through vertical integration and to prevent excessive sales of alcoholic beverages caused by overly aggressive marketing techniques. The exceptions established by this section to the general prohibition against tied interests shall be limited to their express terms so as not to undermine the general prohibition and shall therefore be construed accordingly.

§ 4.1-216. Further limitations on manufacturers, bottlers, importers, brokers or wholesalers; ownership interests prohibited; exceptions; prohibited trade practices.

A. As used in this section:

"Broker" means any person, other than a manufacturer or a licensed beer or wine importer, who regularly engages in the business of bringing together sellers and purchasers of alcoholic beverages for resale and arranges for or consummates such transactions with persons in the Commonwealth to whom such alcoholic beverages may lawfully be sold and shipped into the Commonwealth pursuant to the provisions of this subtitle.

"Manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages" includes any officers or directors of any such manufacturer, bottler, importer, broker or wholesaler.

B. Except as provided in this subtitle, no manufacturer, importer, bottler, broker or wholesaler of alcoholic beverages, whether licensed in the Commonwealth or not, shall acquire or hold any financial interest, direct or indirect, (i) in the business for which any retail license is issued or (ii) in the premises where the business of a retail licensee is conducted.

1. Subdivision B (ii) shall not apply so long as such manufacturer, bottler, importer, broker or wholesaler does not sell or otherwise furnish, directly or indirectly, alcoholic beverages or other merchandise to such retail licensee and such retailer is not required by agreement or otherwise to exclude from sale at his establishment alcoholic beverages of other manufacturers, bottlers, importers, brokers or wholesalers.

2. Service as a member of the board of directors of a corporation licensed as a retailer, the shares of stock of which are sold to the general public on any national or local stock exchange, shall not be deemed to be a financial interest, direct or indirect, in the business or the premises of the retail licensee.

3. A brewery, winery or subsidiary or affiliate thereof, hereinafter collectively referred to as a financing corporation, may participate in financing the business of a wholesale licensee in the Commonwealth

by providing debt or equity capital or both but only if done in accordance with the provisions of this subsection.

a. In order to assist a proposed new owner of an existing wholesale licensee, a financing corporation may provide debt or equity capital, or both, if prior approval of the Board has been obtained pursuant to subdivision 3 b of subsection B. A financing corporation which proposes to provide equity capital shall cause the proposed new owner to form a Virginia limited partnership in which the new owner is the general partner and the financing corporation is a limited partner. If the general partner defaults on any financial obligation to the limited partner, which default has been specifically defined in the partnership agreement, or, if the new owner defaults on its obligation to pay principal and interest when due to the financing corporation as specifically defined in the loan documents, then, and only then, shall such financing corporation be allowed to take title to the business of the wholesale licensee. Notwithstanding any other law to the contrary and provided written notice has been given to the Board within two business days after taking title, the wholesale licensee may be managed and operated by such financing corporation pursuant to the existing wholesale license for a period of time not to exceed 180 days as if the license had been issued in the name of the financing corporation. On or before the expiration of such 180-day period, the financing corporation shall cause ownership of the wholesale licensee's business to be transferred to a new owner. Otherwise, on the 181st day, the license shall be deemed terminated. The financing corporation may not participate in financing the transfer of ownership to the new owner or to any other subsequent owner for a period of twenty years following the effective date of the original financing transaction; except where a transfer takes place before the expiration of the eighth full year following the effective date of the original financing transaction in which case the financing corporation may finance such transfer as long as the new owner is required to return such debt or equity capital within the originally prescribed eight-year period. The financing corporation may exercise its right to take title to, manage and operate the business of, the wholesale licensee only once during such eight-year period.

b. In any case in which a financing corporation proposes to provide debt or equity capital in order to assist in a change of ownership of an existing wholesale licensee, the parties to the transaction shall first submit an application for a wholesale license in the name of the proposed new owner to the Board.

The Board shall be provided with all documents that pertain to the transaction at the time of the license application and shall ensure that the application complies with all requirements of law pertaining to the issuance of wholesale licenses except that if the financing corporation proposes to provide equity capital and thereby take a limited partnership interest in the applicant entity, the financing corporation shall not be required to comply with any Virginia residency requirement applicable to the issuance of wholesale licenses. In addition to the foregoing, the applicant entity shall certify to the Board and provide supporting documentation that the following requirements are met prior to issuance of the wholesale license: (i) the terms and conditions of any debt financing which the financing corporation proposes to provide are substantially the same as those available in the financial markets

to other wholesale licensees who will be in competition with the applicant, (ii) the terms of any proposed equity financing transaction are such that future profits of the applicant's business shall be distributed annually to the financing corporation in direct proportion to its percentage of ownership interest received in return for its investment of equity capital, (iii) if the financing corporation proposes to provide equity capital, it shall hold an ownership interest in the applicant entity through a limited partnership interest and no other arrangement and (iv) the applicant entity shall be contractually obligated to return such debt or equity capital to the financing corporation not later than the end of the eighth full year following the effective date of the transaction thereby terminating any ownership interest or right thereto of the financing corporation.

Once the Board has issued a wholesale license pursuant to an application filed in accordance with this subdivision 3 b, any subsequent change in the partnership agreement or the financing documents shall be subject to the prior approval of the Board. In accordance with the previous paragraph, the Board may require the licensee to resubmit certifications and documentation.

c. If a financing corporation wishes to provide debt financing, including inventory financing, but not equity financing, to an existing wholesale licensee or a proposed new owner of an existing wholesale licensee, it may do so without regard to the provisions of subdivisions 3 a and 3 b of subsection B under the following circumstances and subject to the following conditions: (i) in order to secure such debt financing, a wholesale licensee or a proposed new owner thereof may grant a security interest in any of its assets, including inventory, other than the wholesale license itself or corporate stock of the wholesale licensee; in the event of default, the financing corporation may take title to any assets pledged to secure such debt but may not take title to the business of the wholesale licensee and may not manage or operate such business; (ii) debt capital may be supplied by such financing corporation to an existing wholesale licensee or a proposed new owner of an existing wholesale licensee so long as debt capital is provided on terms and conditions which are substantially the same as those available in the financial markets to other wholesale licensees in competition with the wholesale licensee which is being so financed; and (iii) the licensee or proposed new owner shall certify to the Board and provide supporting documentation that the requirements of (i) and (ii) of this subdivision 3 c have been met.

Nothing in this section shall eliminate, affect or in any way modify the requirements of law pertaining to issuance and retention of a wholesale license as they may apply to existing wholesale licensees or new owners thereof which have received debt financing prior to the enactment of this subdivision 3 c.

4. Except for holders of retail licenses issued pursuant to subdivision A 5 of § [4.1-201](#), brewery licensees may sell beer to retail licensees for resale only under the following conditions: If such brewery or an affiliate or subsidiary thereof has taken title to the business of a wholesale licensee pursuant to the provisions of subdivision 3 a of subsection B, direct sale to retail licensees may be made during the 180-day period of operation allowed under that subdivision. Moreover, the holder of a brewery license may make sales of alcoholic beverages directly to retail licensees for a period not to exceed thirty days in the event that such retail licensees are normally serviced by a wholesale licensee

representing that brewery which has been forced to suspend wholesale operations as a result of a natural disaster or other act of God or which has been terminated by the brewery for fraud, loss of license or assignment of assets for the benefit of creditors not in the ordinary course of business.

5. Notwithstanding any provision of this section, including but not limited to those provisions whereby certain ownership or lease arrangements may be permissible, no manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages shall make an agreement, or attempt to make an agreement, with a retail licensee pursuant to which any products sold by a competitor are excluded in whole or in part from the premises on which the retail licensee's business is conducted.

6. Nothing in this section shall prohibit a winery, brewery, or distillery licensee from paying a royalty to a historical preservation entity pursuant to a bona fide intellectual property agreement that (i) authorizes the winery, brewery, or distillery licensee to manufacture wine, beer, or spirits based on authentic historical recipes and identified with brand names owned and trademarked by the historical preservation entity; (ii) provides for royalties to be paid based solely on the volume of wine, beer, or spirits manufactured using such recipes and trademarks, rather than on the sales revenues generated from such wine, beer, or spirits; and (iii) has been approved by the Board.

For purposes of this subdivision, "historical preservation entity" means an entity (a) that is exempt from income taxation under § 501(c)(3) of the Internal Revenue Code; (b) whose declared purposes include the preservation, restoration, and protection of a historic community in the Commonwealth that is the site of at least 50 historically significant houses, shops, and public buildings dating to the eighteenth century; and (c) that owns not more than 12 retail establishments in the Commonwealth for which retail licenses have been issued by the Board.

C. Subject to such exceptions as may be provided by statute or Board regulations, no manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages, whether licensed in the Commonwealth or not, shall sell, rent, lend, buy for or give to any retail licensee, or to the owner of the premises in which the business of any retail licensee is conducted, any (i) money, equipment, furniture, fixtures, property, services or anything of value with which the business of such retail licensee is or may be conducted, or for any other purpose; (ii) advertising materials; and (iii) business entertainment, provided that no transaction permitted under this section or by Board regulation shall be used to require the retail licensee to partially or totally exclude from sale at its establishment alcoholic beverages of other manufacturers or wholesalers.

The provisions of this subsection shall apply to manufacturers, bottlers, importers, brokers and wholesalers selling alcoholic beverages to any governmental instrumentality or employee thereof selling alcoholic beverages at retail within the exterior limits of the Commonwealth, including all territory within these limits owned by or ceded to the United States of America.

The provisions of this subsection shall not apply to any commercial lifestyle center licensee.

§ 4.1-216.1. Point-of-sale advertising materials authorized under certain conditions; civil penalties.

A. As used in this section:

"Alcoholic beverage advertising material" or "advertising material" means any item, other than an illuminated device, which contains one or more references to a brand of alcoholic beverage and which is used to promote the sale of alcoholic beverages within the interior of a licensed retail establishment and which otherwise complies with Board regulations.

"Authorized vendor" or "vendor" means any person, other than a wholesale wine or beer licensee, that a manufacturer has authorized to engage in a business consisting in whole or in part of the sale and distribution of any articles of tangible personal property bearing any of the manufacturer's alcoholic beverage trademarks.

"Manufacturer" means any brewery, winery, distillery, bottler, broker, importer and any person that a brewery, winery, or distiller has authorized to sell or arrange for the sale of its products to wholesale wine and beer licensees in Virginia or, in the case of spirits, to the Board.

B. Notwithstanding the provisions of § [4.1-215](#) or [4.1-216](#) and Board regulations adopted thereunder, a manufacturer or its authorized vendor and a wholesale wine and beer licensee may lend, buy for, or give to a retail licensee any alcoholic beverage advertising material made of paper, cardboard, canvas, rubber, foam, or plastic, provided the advertising materials have a wholesale value of \$40 or less per item.

C. Alcoholic beverage advertising materials, other than those authorized by subsection B to be given to a retailer, may be displayed by a retail licensee in the interior of its licensed establishment provided:

1. The wholesale value of the advertising material does not exceed \$250 per item, and
2. The advertising material is not obtained from a manufacturer, its authorized vendor, or any wholesale wine or beer licensee.

A retail licensee shall retain for at least two years a record of its procurement of, including any payments for, such advertising materials along with an invoice or sales ticket containing a description of the item so purchased or otherwise procured.

D. Except as otherwise provided in this subtitle, a retail licensee shall not display in the interior of its licensed establishment any alcoholic beverage advertising materials, other than those that may be lawfully obtained and displayed in accordance with this section or Board regulation.

E. Nothing in this section shall be construed to prohibit any advertising materials permitted under Board regulations in effect on January 1, 2007.

Wine importer licensees and beer importer licensees shall not sell and deliver or ship any brand of beer or wine to wholesale licensees for the purpose of resale until such importer has also complied with the provisions of this section and Board regulations for each such brand.

Any licensed importer, if not also the owner of the brand to be imported into the Commonwealth, shall provide to the Board written authorization from the brand owner entitling the importer to (i) sell and deliver or ship such brand into the Commonwealth and (ii) establish written agreements of a definite duration and within the meaning of the Wine Franchise Act (§ [4.1-400](#) et seq.) and the Beer Franchise Act (§ [4.1-500](#) et seq.), on behalf of the brand owner, as its authorized representative, with each wholesale licensee to whom the importer sells any brand of beer or wine owned by the brand owner. Class I farm winery licensees shall ferment on the licensed premises no less than 2,250 liters of wine per year, and all of the wine sold by such licensee shall be fermented on the licensed premises.

B. For Class II farm winery licensees, at least 51 percent of the fruits or agricultural products used by the licensee to manufacture wine shall be grown or produced on property in the Commonwealth that is owned or leased by the licensee and no more than 25 percent of the fruits or agricultural products used by the licensee to manufacture wine shall be grown or produced outside the Commonwealth. Class II farm winery licensees shall have on the licensed premises a growing area no smaller than three acres that produces fruits or agricultural products used to manufacture the wine of such farm winery.

For the purposes of this section, fruit or agricultural products traded or exchanged between farm winery licensees shall be considered grown or produced on the licensed premises of the receiving licensee for the purposes of meeting the fruit sourcing requirement in subsections A, B, C, and D, provided that verification is provided to the receiving licensee that the fruit or agricultural products traded or exchanged were grown or produced in the Commonwealth by the farm winery licensee engaging in such trade or exchange. Both licensees shall maintain complete and accurate records of the quantity and source of any fruit or agricultural products traded or exchanged. Such trades or exchanges shall be bona fide transactions based on the fair market value of the fruits or agricultural products traded or exchanged. F. Notwithstanding the provisions of subsections A, B, C, and D, upon petition by the Department of Agriculture and Consumer Services, the Board may permit the use (i) of a greater quantity of out-of-state products if supplies grown or produced in the Commonwealth are insufficient for a farm winery licensee, whether Class I, Class II, Class III, or Class IV, to achieve the level of production that otherwise could be anticipated during a given license year or (ii) by a Class I, Class II, or Class IV farm winery of a lesser percentage of products grown or produced on the licensed premises or on property in the Commonwealth that is owned or leased by the licensee, as applicable, if unusually severe weather or disease conditions cause a significant reduction in the availability of fruit or other agricultural products grown or produced on such property to manufacture wine during a given license year.

§ 4.1-226. Grounds for which Board shall suspend or revoke licenses.

The Board shall suspend or revoke any license, other than a brewery license, in which case the Board may impose penalties as provided in § [4.1-227](#), if it finds that:

1. A licensee has violated or permitted the violation of § [18.2-331](#), relating to the illegal possession of a gambling device, upon the premises for which the Board has granted a license for the sale of alcoholic beverages to the public.

2. In the licensed establishment of a mixed beverage licensee there (i) is entertainment of an obscene nature, entertainment commonly called stripteasing, topless entertaining, or entertainment that has

employees who are not clad both above and below the waist or (ii) are employees who solicit the sale of alcoholic beverages. The provisions of clause (i) shall not apply to persons operating theaters, concert halls, art centers, museums, or similar establishments that are devoted primarily to the arts or theatrical performances, when the performances that are presented are expressing matters of serious literary, artistic, scientific, or political value.

3. A licensee has defrauded or attempted to defraud the Board, or any federal, state, or local government or governmental agency or authority, by making or filing any report, document, or tax return required by statute or regulation that is fraudulent or contains a willful or knowing false representation of a material fact or has willfully deceived or attempted to deceive the Board, or any federal, state, or local government or governmental agency or authority, by making or maintaining business records required by statute or regulation that are false or fraudulent.

§ 4.1-227. Suspension or revocation of licenses; notice and hearings; imposition of penalties.

A. Except for temporary licenses, before the Board may impose a civil penalty against a brewery licensee or suspend or revoke any license, reasonable notice of such proposed or contemplated action shall be given to the licensee in accordance with the provisions of § [2.2-4020](#) of the Administrative Process Act (§ [2.2-4000](#) et seq.).

Notwithstanding the provisions of § [2.2-4022](#), the Board shall, upon written request by the licensee, permit the licensee to inspect and copy or photograph all (i) written or recorded statements made by the licensee or copies thereof or the substance of any oral statements made by the licensee or a previous or present employee of the licensee to any law-enforcement officer, the existence of which is known by the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this chapter against the licensee, and (ii) designated books, papers, documents, tangible objects, buildings, or places, or copies or portions thereof, that are within the possession, custody, or control of the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this chapter against the licensee. In addition, any subpoena for the production of documents issued to any person at the request of the licensee or the Board pursuant to § [4.1-103](#) shall provide for the production of the documents sought within ten working days, notwithstanding anything to the contrary in § [4.1-103](#).

If the Board fails to provide for inspection or copying under this section for the licensee after a written request, the Board shall be prohibited from introducing into evidence any items the licensee would have lawfully been entitled to inspect or copy under this section.

The action of the Board in suspending or revoking any license or in imposing a civil penalty against the holder of a brewery license shall be subject to judicial review in accordance with the Administrative Process Act. Such review shall extend to the entire evidential record of the proceedings provided by the Board in accordance with the Administrative Process Act. An appeal shall lie to the

Court of Appeals from any order of the court. Notwithstanding § [8.01-676.1](#), the final judgment or order of the circuit court shall not be suspended, stayed or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction shall lie in any such case.

B. In suspending any license the Board may impose, as a condition precedent to the removal of such suspension or any portion thereof, a requirement that the licensee pay the cost incurred by the Board in investigating the licensee and in holding the proceeding resulting in such suspension, or it may impose and collect such civil penalties as it deems appropriate. In no event shall the Board impose a civil penalty exceeding \$2,000 for the first violation occurring within five years immediately preceding the date of the violation or \$5,000 for the second violation occurring within five years immediately preceding the date of the second violation. However, if the violation involved selling alcoholic beverages to a person prohibited from purchasing alcoholic beverages or allowing consumption of alcoholic beverages by underage, intoxicated, or interdicted persons, the Board may impose a civil penalty not to exceed \$3,000 for the first violation occurring within five years immediately preceding the date of the violation and \$6,000 for a second violation occurring within five years immediately preceding the date of the second violation in lieu of such suspension or any portion thereof, or both. The Board may also impose a requirement that the licensee pay for the cost incurred by the Board not exceeding \$25,000 in investigating the licensee and in holding the proceeding resulting in the violation in addition to any suspension or civil penalty incurred.

C. Following notice to (i) the licensee of a hearing that may result in the suspension or revocation of his license or (ii) the applicant of a hearing to resolve a contested application, the Board may accept a consent agreement as authorized in subdivision 21 of § [4.1-103](#). The notice shall advise the licensee or applicant of the option to (a) admit the alleged violation or the validity of the objection; (b) waive any right to a hearing or an appeal under the Virginia Administrative Process Act (§ [2.2-4000](#) et seq.); and (c)(1) accept the proposed restrictions for operating under the license, (2) accept the period of suspension of the licensed privileges within the Board's parameters, (3) pay a civil penalty in lieu of the period of suspension, or any portion of the suspension as applicable, or (4) proceed to a hearing.

D. In case of an offense by the holder of a brewery license, the Board may (i) require that such holder pay the costs incurred by the Board in investigating the licensee, (ii) suspend or revoke the on-premises privileges of the brewery, and (iii) impose a civil penalty not to exceed \$25,000 for the first violation, \$50,000 for the second violation, and for the third or any subsequent violation, suspend or revoke such license or, in lieu of any suspension or portion thereof, impose a civil penalty not to exceed \$100,000. Such suspension or revocation shall not prohibit the licensee from manufacturing or selling beer manufactured by it to the owners of boats registered under the laws of the United States sailing for ports of call of a foreign country or another state, and to persons outside the Commonwealth.

E. The Board shall, by regulation or written order:

1. Designate those (i) objections to an application or (ii) alleged violations that will proceed to an initial hearing;
2. Designate the violations for which a waiver of a hearing and payment of a civil charge in lieu of suspension may be accepted for a first offense occurring within three years immediately preceding the date of the violation;
3. Provide for a reduction in the length of any suspension and a reduction in the amount of any civil penalty for any retail licensee where the licensee can demonstrate that it provided to its employees alcohol server or seller training certified in advance by the Board;
4. Establish a schedule of penalties for such offenses, prescribing the appropriate suspension of a license and the civil charge acceptable in lieu of such suspension; and
5. Establish a schedule of offenses for which any penalty may be waived upon a showing that the licensee has had no prior violations within five years immediately preceding the date of the violation. No waiver shall be granted by the Board, however, for a licensee's willful and knowing violation of this subtitle or Board regulations.

A. Every person intending to apply for any license authorized by this chapter shall file with the Board an application on forms provided by the Board and a statement in writing by the applicant swearing and affirming that all of the information contained therein is true.

Applicants for retail licenses for establishments that serve food or are otherwise required to obtain a food establishment permit from the Department of Health or an inspection by the Department of Agriculture and Consumer Services shall provide a copy of such permit, proof of inspection, proof of a pending application for such permit, or proof of a pending request for such inspection. If the applicant provides a copy of such permit, proof of inspection, proof of a pending application for a permit, or proof of a pending request for an inspection, a license may be issued to the applicant. If a license is issued on the basis of a pending application or inspection, such license shall authorize the licensee to purchase alcoholic beverages in accordance with the provisions of this subtitle; however, the licensee shall not sell or serve alcoholic beverages until a permit is issued or an inspection is completed.

B. In addition, each applicant for a license under the provisions of this chapter, except applicants for annual banquet, banquet, tasting, special events, club events, annual mixed beverage banquet, wine and beer shipper's, delivery permit, annual arts venue, or museum licenses issued under the provisions of Chapter 2 (§ [4.1-200](#) et seq.), or beer or wine importer's licenses, shall post a notice of his application with the Board on the front door of the building, place, or room where he proposes to

engage in such business for no more than 30 days and not less than 10 days. Such notice shall be of a size and contain such information as required by the Board, including a statement that any objections shall be submitted to the Board not more than 30 days following initial publication of the notice required pursuant to this subsection.

The applicant shall also cause notice to be published at least once a week for two consecutive weeks in a newspaper published in or having a general circulation in the county, city, or town wherein such applicant proposes to engage in such business. Such notice shall contain such information as required by the Board, including a statement that any objections to the issuance of the license be submitted to the Board not later than 30 days from the date of the initial newspaper publication. In the case of wine and beer shipper's licensees, third-party delivery licensees, delivery permittees, or operators of boats, dining cars, buffet cars, club cars, buses, and airplanes, the posting and publishing of notice shall not be required.

Except for applicants for annual banquet, banquet, tasting, mixed beverage special events, club events, annual mixed beverage banquet, wine and beer shipper's, beer or wine importer's, annual arts venue, or museum licenses, the Board shall conduct a background investigation, to include a criminal history records search, which may include a fingerprint-based national criminal history records search, on each applicant for a license. However, the Board may waive, for good cause shown, the requirement for a criminal history records search and completed personal data form for officers, directors, non-managing members, or limited partners of any applicant corporation, limited liability company, or limited partnership.

Except for applicants for wine and beer shipper's licenses and delivery permits, the Board shall notify the local governing body of each license application through the county or city attorney or the chief law-enforcement or administrative officer of the locality. Local governing bodies shall submit objections to the granting of a license within 30 days of the filing of the application.

C. Each applicant shall pay the required application fee at the time the application is filed. Each license application fee, including annual banquet and annual mixed beverage banquet, shall be \$195, plus the actual cost charged to the Department of State Police by the Federal Bureau of Investigation or the Central Criminal Records Exchange for processing any fingerprints through the Federal Bureau of Investigation or the Central Criminal Records Exchange for each criminal history records search required by the Board, except for banquet, tasting, or mixed beverage club events licenses, in which case the application fee shall be \$15. The application fee for banquet special event and mixed beverage special event licenses shall be \$45. Application fees shall be in addition to the state license fee required pursuant to [§ 4.1-231.1](#) and shall not be refunded.

D. Subsection A shall not apply to the continuance of licenses granted under this chapter; however, all licensees shall file and maintain with the Board a current, accurate record of the information required by the Board pursuant to subsection A and notify the Board of any changes to such information in accordance with Board regulations.

E. Every application for a permit granted pursuant to § [4.1-212](#) shall be on a form provided by the Board. Such permits shall confer upon their holders no authority to make solicitations in the Commonwealth as otherwise provided by law.

The fee for a temporary permit shall be one-twelfth of the combined fees required by this section for applicable licenses to sell wine, beer, or mixed beverages computed to the nearest cent and multiplied by the number of months for which the permit is granted.

F. The Board shall have the authority to increase state license fees from the amounts set forth in § [4.1-231.1](#) as it was in effect on January 1, 2022. The Board shall set the amount of such increases on the basis of the consumer price index and shall not increase fees more than once every three years. Prior to implementing any state license fee increase, the Board shall provide notice to all licensees and the general public of (i) the Board's intent to impose a fee increase and (ii) the new fee that would be required for any license affected by the Board's proposed fee increases. Such notice shall be provided on or before November 1 in any year in which the Board has decided to increase state license fees, and such increases shall become effective July 1 of the following year.

The four percent tax on vermouth and farm winery wines and ciders shall then be added for those products. In all cases the final price for each container may be established so as to be a multiple of five or rounded to end with a nine.

The counties, cities, and towns shall in no event receive from the taxes derived from the sale of wines less revenue than was received by such counties, cities, and towns for the year ending June 30, 1976.

The portion of wine liter tax and cider markup collected pursuant to §§ [4.1-213](#) and [4.1-234](#) that is attributable to the sale of wine and cider produced by a farm winery shall be deposited in the Virginia Wine Promotion Fund established pursuant to § [3.2-3005](#).

§ 4.1-333. Interdiction of intoxicated driver.

A. When after a hearing upon due notice it appears to the satisfaction of the circuit court of any county or city that any person, residing within such county or city, has been convicted of driving any automobile, truck, motorcycle, engine, or train while intoxicated, the court may enter an order of interdiction prohibiting the sale of alcoholic beverages to such person until further ordered. The court entering any such order shall file a copy of the order with the Board.

B. The court entering any order of interdiction may alter, amend, or cancel such order as it deems proper. A copy of any alteration, amendment, or cancellation shall be filed with the Board.

§ 4.1-334. Interdiction for illegal manufacture, possession, transportation or sale of alcoholic beverages.

When any person has been found guilty of the illegal manufacture, possession, transportation, or sale of alcoholic beverages or maintaining a common nuisance as defined in § [4.1-317](#), the court may without further notice or additional hearing enter an order of interdiction prohibiting the sale of alcoholic beverages to such person for one year from the date of the entry of the order, and thereafter if further ordered.

Code 1950, § 4-52; 1954, c. 484; 1982, c. 66; 1993, c. 866.

§ 4.1-335. Enjoining nuisances.

A. In addition to the penalties imposed by § [4.1-317](#), the Board, its special agents, the attorney for the Commonwealth, or any citizen of the county, city, or town where a common nuisance as defined in § [4.1-317](#) exists may maintain a suit in equity in the name of the Commonwealth to enjoin the common nuisance.

B. The courts of equity shall have jurisdiction, and in every case where the bill charges, on the knowledge or belief of the complainant, and is sworn to by two reputable citizens, that alcoholic beverages are manufactured, stored, sold, dispensed, given away, or used in such house, building or other place described in § [4.1-317](#) contrary to the laws of the Commonwealth, an injunction shall be granted as soon as the bill is presented to the court. The injunction shall enjoin and restrain the owners, tenants, their agents, employees, servants, and any person connected with such house, building or other place, and all persons whomsoever from manufacturing, storing, selling, dispensing, giving away, or using alcoholic beverages on such premises. The injunction shall also restrain all persons from removing any alcoholic beverage then on such premises until the further order of the court. If the court is satisfied that the material allegations of the bill are true, although the premises complained of may not then be unlawfully used, it shall continue the injunction against such place for a period of time as the court deems proper. The injunction may be dissolved if a proper case is shown for dissolution.

Code 1950, § 4-82; 1993, c. 866.

§ 4.1-336. Contraband beverages and other articles subject to forfeiture.

All stills and distilling apparatus and materials for the manufacture of alcoholic beverages, all alcoholic beverages and materials used in their manufacture, all containers in which alcoholic beverages may be found, which are kept, stored, possessed, or in any manner used in violation of the provisions of this subtitle, and any dangerous weapons as described in § [18.2-308](#), which may be used, or which may be found upon the person or in any vehicle which such person is using, to aid such person in the unlawful manufacture, transportation or sale of alcoholic beverages, or found in the possession of such person, or any horse, mule or other beast of burden, any wagon, automobile, truck or vehicle of any nature whatsoever which is found in the immediate vicinity of any place where alcoholic beverages are being unlawfully manufactured and which such animal or vehicle is being used to aid in the unlawful manufacture, shall be deemed contraband and shall be forfeited to the Commonwealth.

Proceedings for the confiscation of the above property shall be in accordance with § [4.1-338](#) for all such property except motor vehicles which proceedings shall be in accordance with Chapter 22.1 (§ [19.2-386.1](#) et seq.) of Title 19.2.

Code 1950, § 4-53; 1954, c. 484; 1993, c. 866; 2012, cc. [283](#), [756](#).

§ 4.1-337. Search warrants.

A. If complaint on oath is made that alcoholic beverages are being manufactured, sold, kept, stored, or in any manner held, used or concealed in a particular house, or other place, in violation of law, the judge, magistrate, or other person having authority to issue criminal warrants, to whom such complaint is made, if satisfied that there is a probable cause for such belief, shall issue a warrant to search such house or other place for alcoholic beverages. Such warrants, except as herein otherwise provided, shall be issued, directed and executed in accordance with the laws of the Commonwealth pertaining to search warrants.

B. Warrants issued under this subtitle for the search of any automobile, boat, conveyance or vehicle, whether of like kind or not, or for the search of any article of baggage, whether of like kind or not, for alcoholic beverages, may be executed in any part of the Commonwealth where they are overtaken and shall be made returnable before any judge within whose jurisdiction such automobile, boat, conveyance, vehicle, truck, or article of baggage, or any of them, was transported or attempted to be transported contrary to law.

Code 1950, § 4-54; 1993, c. 866.

§ 4.1-338. Confiscation proceedings; disposition of forfeited articles.

A. All proceedings for the confiscation of articles, except motor vehicles, declared contraband and forfeited to the Commonwealth under this chapter shall be as provided in this section.

B. Production of seized property. -- Whenever any article declared contraband under the provisions of this subtitle and required to be forfeited to the Commonwealth has been seized, with or without a warrant, by any officer charged with the enforcement of this subtitle, he shall produce the contraband article and any person in whose possession it was found. In those cases where no person is found in

possession of such articles the return shall so state and a copy of the warrant shall be posted on the door of the buildings or room where the articles were found, or if there is no door, then in any conspicuous place upon the premises.

In case of seizure of a still, doubler, worm, worm tub, mash tub, fermenting tub, or other distilling apparatus, for any offense involving their forfeiture, where it is impracticable to remove such distilling apparatus to a place of safe storage from the place where seized, the seizing officer may destroy such apparatus only as necessary to prevent use of all or any part thereof for the purpose of distilling. The destruction shall be in the presence of at least one credible witness, and such witness shall join the officer in a sworn report of the seizure and destruction, to be made to the Board. The report shall set forth the grounds of the claim of forfeiture, the reasons for seizure and destruction, an estimate of the fair cash value of the apparatus destroyed, and the materials remaining after such destruction. The report shall include a statement that, from facts within their own knowledge, the seizing officer and witness have no doubt whatever that the distilling apparatus was set up for use, or had been used in the unlawful distillation of spirits, and that it was impracticable to remove such apparatus to a place of safe storage.

In case of seizure of any quantity of mash, or of alcoholic beverages on which the tax imposed by the laws of the United States has not been paid, for any offense involving forfeiture of the same, the seizing officer may destroy them to prevent the use of all or any part thereof for the purpose of unlawful distillation of spirits or any other violation of this subtitle. The destruction shall be in the presence of at least one credible witness, and such witness shall join the officer in a sworn report of the seizure and destruction, to be made to the Board. The report shall set forth the grounds of the claim of forfeiture, the reasons for seizure and destruction, and a statement that, from facts within their own knowledge, the seizing officer and witness have no doubt whatever that the mash was intended for use in the unlawful distillation of spirits, or that the alcoholic beverages were intended for use in violation of this subtitle.

C. Hearing and determination. -- Upon the return of the warrant as provided in this section, the court shall fix a time not less than ten days, unless waived by the accused in writing, and not more than thirty days thereafter, for the hearing on such return to determine whether or not the articles seized, or any part thereof, were used or in any manner kept, stored or possessed in violation of this subtitle.

At such hearing if no claimant appears, the court shall declare the articles seized forfeited to the Commonwealth and, if such articles are not necessary as evidence in any pending prosecution, shall turn them over to the Board. Any person claiming an interest in any of the articles seized may appear at the hearing and file a written claim setting forth particularly the character and extent of his interest. The court shall certify the warrant and the articles seized along with any claim filed to the circuit court to hear and determine the validity of such claim.

If the evidence warrants, the court shall enter a judgment of forfeiture and order the articles seized to be turned over to the Board. Action under this section and the forfeiture of any articles hereunder shall not be a bar to any prosecution under any other provision of this subtitle.

D. Disposition of forfeited beverages and other articles. -- Any articles forfeited to the Commonwealth and turned over to the Board in accordance with this section shall be destroyed or sold by the Board as it deems proper. The net proceeds from such sales shall be paid into the Literary Fund. If the Board believes that any alcoholic beverages forfeited to the Commonwealth and turned over to the Board in accordance with this section cannot be sold and should not be destroyed, it may give such alcoholic beverages for medicinal purposes to any institution in the Commonwealth regularly conducted as a hospital, nursing home or sanatorium for the care of persons in ill health, or as a home devoted exclusively to the care of aged people, to supply the needs of such institution for alcoholic beverages for such purposes, provided that (i) the State Health Commissioner has issued a certificate stating that such institution has need for such alcoholic beverages and (ii) preference is accorded by the Board to institutions supported either in whole or in part by public funds. A record shall be made showing the amount issued in each case, to whom issued and the date when issued, and shall be kept in the offices of the State Health Commissioner and the Board. No charge shall be made to any patient for the alcoholic beverages supplied to him where they have been received from the Board pursuant to this section. Such alcoholic beverages shall be administered only upon approval of the patient's physician.

If the Board believes that any foodstuffs forfeited to the Commonwealth and turned over to the Board in accordance with this section are usable, should not be destroyed and cannot be sold or whose sale would be impractical, it may give such foodstuffs to any institution in the Commonwealth and shall prefer a gift to the local jail or other local correctional facility in the jurisdiction where seizure took place. A record shall be made showing the nature of the foodstuffs and amount given, to whom given and the date when given, and shall be kept in the offices of the Board.

§ 4.1-339. Search and seizure of conveyances or vehicles used in violation of law; arrests.

A. When any officer charged with the enforcement of the alcoholic beverage control laws of the Commonwealth has reason to believe that alcoholic beverages illegally acquired, or being illegally transported, are in any conveyance or vehicle of any kind, either on land or on water (except a conveyance or vehicle owned or operated by a railroad, express, sleeping or parlor car or steamboat company, other than barges, tugs or small craft), he shall obtain a search warrant and search such conveyance or vehicle. If illegally acquired alcoholic beverages or alcoholic beverages being illegally transported in amounts in excess of one quart or one liter if in a metric-sized container are found, the officer shall seize the alcoholic beverages, seize and take possession of such conveyance or vehicle, and deliver them to the chief law-enforcement officer of the locality in which such seizure was made, taking his receipt therefor in duplicate.

B. The officer making such seizure shall also arrest all persons found in charge of such conveyance or vehicle and shall forthwith report in writing such seizure and arrest to the attorney for the Commonwealth for the county or city in which seizure and arrest were made.

§§ 4.1-340 through 4.1-345. Repealed.

Repealed by Acts 2012, cc. [283](#) and [756](#), cl. 2.

§ 4.1-346. Contraband beverages.

Alcoholic beverages seized pursuant to § [4.1-339](#) shall be deemed contraband as provided in § [4.1-336](#) and disposed of accordingly. Failure to maintain on a conveyance or vehicle a permit or other indicia of permission issued by the Board authorizing the transportation of alcoholic beverages within, into or through the Commonwealth when other Board regulations applicable to such transportation have been complied with shall not be cause for deeming such alcoholic beverages contraband.

Code 1950, § 4-56; 1954, c. 504; 1968, c. 763; 1971, Ex. Sess., c. 155; 1973, c. 16; 1978, cc. 434, 436; 1981, c. 365; 1983, c. 271; 1984, c. 52; 1993, c. 866.

§ 4.1-347. Repealed.

Repealed by Acts 2012, cc. [283](#) and [756](#), cl. 2.

§ 4.1-348. Beverages not licensed under this subtitle.

The provisions of §§ [4.1-339](#) through [4.1-348](#) shall not apply to alcoholic beverages which may be manufactured and sold without any license under the provisions of this subtitle.

§ 4.1-349. Punishment for violations of title or regulations; bond.

A. Any person convicted of a misdemeanor under the provisions of this subtitle without specification as to the class of offense or penalty, or convicted of violating any other provision thereof, or convicted of violating any Board regulation, shall be guilty of a Class 1 misdemeanor.

B. In addition to the penalties imposed by this subtitle for violations, any court before whom any person is convicted of a violation of any provision of this subtitle may require such defendant to execute bond, with approved security, in the penalty of not more than \$1,000, with the condition that the defendant will not violate any of the provisions of this subtitle for the term of one year. If any such bond is required and is not given, the defendant shall be committed to jail until it is given, or until he is discharged by the court, provided he shall not be confined for a period longer than six months. If any such bond required by a court is not given during the term of the court by which conviction is had, it may be given before any judge or before the clerk of such court.

C. The provisions of this subtitle shall not prevent the Board from suspending, revoking or refusing to continue the license of any person convicted of a violation of any provision of this subtitle.

D. No court shall hear such a case unless the respective attorney for the Commonwealth or his assistant has been notified that such a case is pending.

§ 4.1-350. Witness not excused from testifying because of self-incrimination.

The testimony given by such person on behalf of the Commonwealth when called as a witness for the prosecution shall not be used against him and he shall not be prosecuted for the offense to which he testifies.

§ 4.1-352. Certificate of forensic scientist as evidence; requiring forensic scientist to appear.

The certificate of any forensic scientist employed by the Commonwealth on behalf of the Board or the Department of Forensic Science, when signed by him, shall be evidence in all prosecutions for violations of this subtitle and all controversies in any judicial proceedings touching the mixture analyzed by him. On motion of the accused or any party in interest, the court may require the forensic scientist making the analysis to appear as a witness and be subject to cross-examination, provided such motion is made within a reasonable time prior to the day on which the case is set for trial.

§ 4.1-353. Label on sealed container prima facie evidence of alcoholic content.

In any prosecution for violations of this subtitle, where a sealed container is labeled as containing an alcoholic beverage as defined herein, such labeling shall be prima facie evidence of the alcoholic content of the container. Chapter 4 - Wine Franchise Act

§ 4.1-400. Construction and purpose.

This chapter shall be liberally construed and applied to promote its underlying purposes and policies.

The underlying purposes and policies of the chapter are:

1. To promote the interests of the parties and the public in fair business relations between wine wholesalers and wineries, and in the continuation of wine wholesalerships on a fair basis;
2. To preserve and protect the existing three-tier system for the distribution of wine, which system is deemed material to the proper regulation by the Board of the distribution of alcoholic beverages;
3. To prohibit unfair treatment of wine wholesalers by wineries, promote compliance with valid franchise agreements, and define certain rights and remedies of wineries in regard to cancellation of franchise agreements with wholesalers;
4. To establish conditions for creation and continuation of all wholesale wine distributorships, including original agreements and any renewals or amendments thereto, to the full extent consistent with the laws and Constitutions of the Commonwealth and the United States; and
5. To provide for a system of designation and registration of franchise agreements between wineries and wholesalers with the Board as an aid to Board regulation of the distribution of wine by wholesalers.

Code 1950, § 4-118.22; 1985, c. 542, § 4-118.42; 1989, c. 10; 1993, c. 866.

§ 4.1-401. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Agreement" means a commercial relationship, not required to be evidenced in writing, of definite or indefinite duration, between a winery and wine wholesaler pursuant to which the wholesaler has been authorized to distribute one or more of the winery's brands of wine. The doing or accomplishment of any of the following acts shall constitute prima facie evidence of an agreement within the meaning of this definition:

1. The shipment, preparation for shipment or acceptance of any order by a winery for any wine to a wine wholesaler within the Commonwealth.
2. The payment by a wine wholesaler and the acceptance of payment by any winery for the shipment of an order of wine intended for sale in the Commonwealth.

"Brand" means any word, name, group of letters, symbol or combination thereof adopted and used by a winery to identify a specific wine product and to distinguish that product from other wine produced or marketed by that winery or other wineries. The use of general corporate logos or symbols or the use of advertising messages, whether appearing on the product packaging or elsewhere, shall not be considered to be a brand, brand extension, or part thereof as these terms are used in this chapter.

"Brand extension" and "extension of a brand" mean any brand which incorporates all or a substantial part of the unique features of a preexisting brand of the same winery and which relies to a significant extent on the good will associated with such preexisting brand.

"Dual distributorships" means the existence of agreements between a single winery and more than one wholesaler, each selling a different brand, in a given territory as the result of a purchase of another winery.

"Nonsurviving winery" means any winery which is purchased by another winery as provided in § [4.1-405](#) and, as a result, ceases to exist as an independent legal entity.

"Person" means a natural person, corporation, partnership, trust, agency or other entity as well as the individual officers, directors or other persons in active control of the activities of each such entity. Person also includes heirs, assigns, personal representatives and conservators.

"Purchase" includes, but is not limited to, the sale of stock, sale of assets, merger, lease, transfer or consolidation.

"Surviving winery" means the winery which purchases a nonsurviving winery as provided in § [4.1-405](#).

"Territory" or "sales territory" means the area of primary sales responsibility within the Commonwealth expressly or implicitly designated by any agreement between any wine wholesaler and winery for the brand or brands of any winery.

"Wine wholesaler" means any wholesale wine licensee offering wine for sale or resale to retailers or other wine wholesalers without regard to whether the business of the person is conducted under the terms of an agreement with a licensed winery.

"Winery" means every person, including any authorized representative of such person pursuant to § [4.1-218](#), which enters into an agreement with any Virginia wholesale wine licensee and (i) is licensed as a winery or is licensed as a Virginia farm winery, (ii) is licensed as a wine importer and is not simultaneously licensed as a wine wholesaler, (iii) manufactures or sells any wine products, whether licensed in the Commonwealth or not, or (iv) without regard to whether such person is licensed in the Commonwealth, has title to any wine products, excluding Virginia wholesale licensees and retail licensees, and has the manufacturer's authorization to market such products under its own brand or the manufacturer's brand.

Code 1950, §§ 4-118.21, 4-118.23; 1985, c. 542, § 4-118.43; 1986, c. 102; 1989, c. 10; 1991, c. 628; 1993, c. 866; 1997, c. [801](#).

§ 4.1-402. Applicability.

This chapter shall apply to all agreements in effect on or after February 18, 1989, and any renewal or amendment of such agreements. For the purposes of this chapter, an agreement shall be deemed to be in effect or renewed or continued in effect when any of the following acts occur after February 18, 1989:

1. The shipment, preparation for shipment or acceptance of any order by a winery or its agents for any wine to a wine wholesaler within the Commonwealth; and

2. The payment by a wine wholesaler and the acceptance of payment by any winery or its agents for the shipment of an order of wine intended for sale in the Commonwealth.

Code 1950, § 4-118.38; 1985, c. 542, § 4-118.58; 1989, c. 10; 1993, c. 866.

§ 4.1-403. No inducement or coercion.

No winery shall:

1. Induce or coerce, or attempt to induce or coerce, any wine wholesaler to accept delivery of any wine or any other commodity which has not been ordered by the wine wholesaler.

2. Induce or coerce, or attempt to induce or coerce, any wine wholesaler to do any illegal act by any means including, but not limited to, threatening to amend, cancel, terminate, or refuse to renew any agreement existing between a winery and wine wholesaler.

3. Require a wine wholesaler to assent to any condition, stipulation or provision limiting the wholesaler in his right to sell the product of any other winery anywhere in the Commonwealth.

Code 1950, § 4-118.24; 1985, c. 542, § 4-118.44; 1989, c. 10; 1993, c. 866.

§ 4.1-404. Sales territory.

Each winery which enters into an agreement with a wine wholesaler shall designate a sales territory as the primary area of responsibility of that wholesaler which is applicable to the agreement. No winery shall enter into any agreement with more than one wholesaler for the purpose of establishing more than one agreement for its brands of wine in any territory. However, the existence of more than one such agreement as a result of a sale of a winery as contemplated by § [4.1-405](#) shall not be prohibited. Notwithstanding any other provision in this chapter, a winery may enter into agreements with more than one wholesaler in a sales territory for new brands which are not clearly extensions of existing brands. Territories served by a wine wholesaler on February 18, 1989, shall be deemed designated sales territories within the meaning of this section. Each winery shall notify the Board in writing of all designations of sales territories, the identity of the wholesaler appointed to serve such territory and a statement of any variations which exist in the designated territory in regard to a particular brand. Redesignations shall be reported to the Board within 30 days.

Code 1950, § 4-118.25; 1985, c. 542, § 4-118.45; 1989, c. 10; 1993, c. 866; 2018, cc. [168](#), [169](#).

§ 4.1-405. Sale of winery.

A. Except for discontinuance of a brand or for good cause as provided in § [4.1-406](#), the purchaser of a winery shall become obligated to all of the terms and conditions of the selling winery's agreements with wholesalers in effect on the date of purchase. The purchaser of a brand from a winery shall become obligated to all of the terms and conditions of the selling winery's agreements with wholesalers concerning that brand. Whenever such a purchase of a brand results in the creation of a dual distributorship, the provisions of subdivisions 1 and 2 of subsection B will determine the distribution rights to such brand or any extension thereof. For the limited purpose of making such determination,

the winery selling the brand shall be a nonsurviving winery and the purchaser shall be a surviving winery.

B. For purposes of this section, when a purchase of a winery by or on behalf of another winery causes the selling winery to cease to exist as an independent legal entity, the selling winery shall be regarded as a nonsurviving winery, and the winery on whose behalf the purchase was made shall be regarded as a surviving winery. In any case in which such a purchase of a winery by or on behalf of another winery has created or will create a dual distributorship, the following rules shall apply in order to determine the allocation of any brands which are first marketed in the Commonwealth by the surviving winery after February 18, 1989:

1. If the surviving winery distributes in the Commonwealth brands of the nonsurviving winery which that winery marketed anywhere prior to the purchase, these brands shall be distributed through any wholesalers who were distributors in the Commonwealth for the nonsurviving winery. If the nonsurviving winery had no distributors in the Commonwealth, then the surviving winery's brands, as well as the brands of the surviving winery which were marketed anywhere prior to the purchase, shall be distributed through those wine wholesalers who were wholesalers of the surviving winery prior to the purchase.

2. If the surviving winery decides to market in the Commonwealth a new brand which was not marketed anywhere prior to the purchase, but which is clearly an extension of a brand which did exist prior to the purchase, the new brand shall be distributed through those wholesalers who distributed the brand of which the new brand is an extension.

3. If the surviving winery decides to introduce in the Commonwealth a new brand which was not marketed anywhere prior to the purchase and which is not a brand extension, the new brand may be distributed through any distributor.

Code 1950, § 4-118.26; 1985, c. 542, § 4-118.46; 1989, c. 10; 1993, c. 866.

§ 4.1-406. Cancellation.

Notwithstanding the terms, provisions or conditions of any agreement, no winery shall unilaterally amend, cancel, terminate or refuse to continue to renew any agreement, or unilaterally cause a wholesaler to resign from an agreement, unless the winery has first complied with § [4.1-407](#) and good cause exists for amendment, termination, cancellation, nonrenewal, noncontinuance or causing a resignation. Good cause shall not include the sale or purchase of a winery. Good cause shall include, but is not limited to the following:

1. Revocation of the wholesaler's license to do business in the Commonwealth;
2. Bankruptcy or receivership of the wholesaler;
3. Assignment for the benefit of creditors or similar disposition of the assets of the wholesaler, other than the creation of a security interest in the assets of a wholesaler for the purpose of securing financing in the ordinary course of business; or

4. Failure by the wholesaler to substantially comply, without reasonable cause or justification, with any reasonable and material requirement imposed upon him in writing by the winery including, but not limited to, a substantial failure by a wine wholesaler to (i) maintain a sales volume or trend of his winery's brand or brands comparable to that of other distributors of that brand in the Commonwealth similarly situated or (ii) render services comparable in quality, quantity or volume to the services rendered by other wholesalers of the same brand or brands within the Commonwealth similarly situated. In any determination as to whether a wholesaler has failed to substantially comply, without reasonable excuse or justification, with any reasonable and material requirement imposed upon him by the winery, consideration shall be given to the relative size, population, geographical location, number of retail outlets and demand for the products applicable to the territory of the wholesaler in question and to comparable territories.

Nothing in this section shall be construed to prohibit a winery from proposing or effecting an amendment to a contract with a wine wholesaler in the Commonwealth provided that such amendment is not inconsistent with this chapter.

Good cause shall not be construed to exist without a finding of a material deficiency for which the wholesaler is responsible in any case in which good cause is alleged to exist based on circumstances not specifically set forth in subdivisions 1 through 4 of this section.

Code 1950, § 4-118.27; 1985, c. 542, § 4-118.47; 1987, c. 246; 1989, c. 10; 1993, c. 866; 1996, c. [3](#).

§ 4.1-407. Notice of intent to terminate.

A. Except as provided in subsection F, a winery shall provide a wholesaler at least ninety days' prior written notice of any intention to amend, terminate, cancel or not renew any agreement. The notice, a copy of which shall be mailed at the same time to the Board, shall state all the reasons for the intended amendment, termination, cancellation or nonrenewal. After providing such notice, a winery may immediately apply to the Board for a determination that it is likely to incur substantial hardship if required to comply with the ninety-day notice requirement. If the Board makes such a determination, the ninety-day notice requirement shall be reduced to thirty days. In this event, the thirty-day notice period shall be included in the sixty-day opportunity to cure period provided in subsection B.

B. Where the reason relates to a condition which may be rectified by action of the wholesaler, he shall have sixty days in which to take such action and, within the sixty-day period, shall give written notice to the winery if and when such action is taken. A copy of the notice shall be mailed at the same time to the Board. If such condition has been rectified by action of the wholesaler, then the proposed amendment, termination, cancellation or nonrenewal shall be void and without legal effect. However, where the winery contends that action on the part of the wholesaler has not rectified one or more of such conditions, the winery must within fifteen days after the expiration of the sixty-day period request a hearing before the Board to determine if the condition has been rectified by action of the wholesaler.

C. Where the reason relates to a condition which may not be rectified by the wholesaler within the sixty-day period, the wholesaler may request a hearing before the Board to determine if there is good cause for the amendment, termination, cancellation or nonrenewal of the agreement.

D. Upon request in writing within the ninety-day period provided in subsection A from such winery or wholesaler for a hearing, the Board shall, after notice and hearing, determine if the action of the wholesaler has rectified the condition or, as the case may be, if good cause exists for the amendment, termination, cancellation or nonrenewal of the agreement.

E. In any proceeding brought pursuant to this section in which the existence of good cause is an issue, the winery shall have the burden of proving the existence of good cause. Where a petition is made to the Board for a determination, the agreement in question shall continue in effect pending the Board's decision and any judicial review thereof, except in any case in which the Board makes a finding that there is good cause, as defined in § [4.1-406](#), for the amendment, termination, cancellation, or nonrenewal, in which case the winery may, unless otherwise ordered by a court of record, discontinue the agreement in question. However, where a petition is made to the Board after the agreement has been terminated in accordance with the procedures set forth in this section, the filing of the petition shall not cause the terminated agreement to be reinstated unless the terminated wholesaler's failure to petition in a timely manner was based upon reasonable reliance on representation or other inducements made by the winery.

F. No notice shall be required and an agreement may be immediately amended, terminated, cancelled or allowed to expire if the reason for the amendment, termination, cancellation or nonrenewal is:

1. The bankruptcy or receivership of the wholesaler;
2. An assignment for the benefit of creditors or similar disposition of the assets of the business, other than the creation of a security interest in the assets of a wholesaler for the purpose of securing financing in the ordinary course of business; or
3. Revocation of the wholesaler's license.

Code 1950, § 4-118.28; 1985, c. 542, § 4-118.48; 1989, c. 10; 1993, c. 866; 1997, c. [183](#).

§ 4.1-408. Transfer of business.

A. No winery shall unreasonably withhold or delay consent to any transfer of the wholesaler's business or transfer of the stock or other interest in the wholesalership, whenever the wholesaler to be substituted meets the material and reasonable qualifications and standards required of its wholesalers. Whenever a transfer of a wholesaler's business occurs, the purchaser shall assume all the obligations imposed on and succeed to all the rights held by the selling wholesaler by virtue of any agreement between the selling wholesaler and one or more wineries entered into prior to the transfer.

B. Notwithstanding any provision in subsection A, no winery shall withhold consent to, or in any manner retain a right of prior approval of, the transfer of the wholesaler's business to a member or members of the wholesaler's family. However, subsequent to such transfer, the rights and obligations of the

wholesalership and its owners shall in all respects be governed by the provisions of this chapter. As used in this subsection, "family" means the wholesaler's spouse, parents, siblings, children, stepchildren, and lineal descendants, including those by adoption.

Code 1950, § 4-118.29; 1985, c. 542, § 4-118.49; 1989, c. 10; 1993, c. 866.

§ 4.1-409. Remedies.

A. In addition to any other sanctions which the Board is empowered by law to impose, it may order that any act or practice constituting a violation of this chapter be ceased and, where necessary, corrective measures implemented. In addition, in any case in which a winery is found to have attempted or accomplished an amendment, termination, cancellation, or refusal to continue or renew an agreement without good cause as defined in § [4.1-406](#), the Board shall, upon the request of the wholesaler involved, enter an order requiring that (i) the agreement remain in effect or be reinstated or (ii) the winery pay the wholesaler reasonable compensation for the value of this agreement as determined pursuant to subsection B. Reasonable compensation shall include, but is not limited to, the following:

1. The fair market value of the assets used by the wholesaler specifically for the purpose of distributing the winery's products;
2. The cost of the wholesaler's inventory of the winery's products calculated as the sum of the net price paid by the wholesaler for the inventory;
3. The amount of any taxes paid by the wholesaler in connection with purchasing the inventory;
4. The cost of transporting the inventory from the winery to the wholesaler's warehouse, plus any handling costs; and
5. The goodwill of the wholesaler's business representing a value over and above the fair market value of the foregoing tangible assets.

B. In the event the winery and the wholesaler are unable to agree on the reasonable compensation to be paid for the value of the agreement, the matter shall be submitted to a neutral arbitrator to be selected by the parties, or if they cannot agree, a person qualified by experience to appraise the value of existing businesses shall be appointed arbitrator by the Secretary of the Board. The decision of the arbitrator shall be rendered within ninety days from the time the matter is submitted to arbitration unless the Board, for good cause shown, allows for an extension of time not to exceed thirty days, or unless the parties agree to an extension of time. All of the costs of the arbitration shall be paid one-half by the wholesaler and one-half by the winery. By entering into an agreement, the parties are deemed to have agreed to arbitration as provided in this subsection and, further, that such arbitration shall be governed by the provisions of Chapter 21 (§ [8.01-577](#) et seq.) of Title 8.01.

C. In addition to the foregoing remedies, in any case in which a winery is found to have violated § [4.1-407](#), the Board may, upon request of the wholesaler involved, order the winery to compensate the wholesaler for any loss proximately resulting from such violation, including but not limited to lost profits. Such losses shall be determined in the manner provided in subsection B and shall be

calculated from the date of the violation by the winery to the date the winery initiates remedial action pursuant to Board order.

§ 4.1-410. Board proceedings and appellate review.

A. The Board, upon petition by any interested party, or upon its own motion if it has reasonable grounds to believe a violation has or may have occurred, shall have the responsibility of determining whether a violation of any provision of this chapter has occurred. The Board may, if it finds that the winery or wine wholesaler has acted in bad faith in violating any provision of this chapter or in seeking relief pursuant to this chapter, award reasonable costs and attorneys' fees to the prevailing party.

B. All proceedings under this chapter and any judicial review thereof shall be held in accordance with the Virginia Administrative Process Act (§ [2.2-4000](#) et seq.). Notwithstanding the foregoing, the Board may adopt regulations pertaining to proceedings under this chapter, including regulations authorizing or requiring the issuance of subpoenas for the production of documents, subpoenas for the attendance of witnesses, requests for admissions, interrogatories, and depositions, not inconsistent with Part 4 of the Rules of the Supreme Court of Virginia.

C. In all proceedings under this chapter, the Board or the circuit court reviewing a Board order, for good cause, shall enter an order requiring that information relating to the sale, marketing, or manufacturing practices or processes of the winery or the wholesaler be filed with the Board or the court, as the case may be, in sealed envelopes and that the information contained therein remain available only to the winery and wholesaler on condition that such information will not be disclosed by the Board, the winery or the wholesaler, or their respective agents and employees. Upon conclusion of the proceedings under this chapter, information supplied shall be returned to the party furnishing it or, in the alternative, the Board or the court may order that such information be sealed to be opened only by order of the Board or the court.

§ 4.1-411. Price of product.

No winery, whether by means of a term or condition of an agreement or otherwise, shall fix or maintain the prices at which the wholesaler shall sell any wine.

§ 4.1-412. Increase of prices.

No winery or wine importer shall increase the prices charged any wholesale wine licensee for wine except by written notice to the wholesaler signed by an authorized officer or agent of the winery or wine importer, which notice shall contain the amount and effective date of the increase. A copy of the notice shall be sent to the Board and shall be treated as confidential information, except in relation to enforcement proceedings for violation of this section. No increase shall take effect prior to thirty calendar days following the date on which the notice is postmarked. The Board may authorize such price

increases to take effect with less than the aforesaid thirty-calendar-day notice if a winery or wine importer so requests and demonstrates good cause therefor.

§ 4.1-413. Retaliatory action prohibited.

A winery shall not take retaliatory action against a wholesaler who files or manifests an intention to file a complaint of alleged violation of state or federal law or regulation by the winery with the appropriate state or federal regulatory or judicial authority. Retaliatory action shall include, but is not limited to, refusal without good cause to continue the agreement, or a material reduction in the amount and quality of services or quality of products available to the wholesaler under the agreement.

§ 4.1-414. Management.

No winery shall require or prohibit any change in management or personnel of any wholesaler unless the current or potential management or personnel fails to meet reasonable qualifications and standards required by the winery for its wholesalers.

§ 4.1-415. Discrimination prohibited.

No winery shall discriminate among its wholesalers in any business dealings including, but not limited to, the price of wine sold to the wholesaler, unless the classification among its wholesalers is based upon reasonable grounds.

Code 1950, § 4-118.36; 1985, c. 542, § 4-118.56; 1989, c. 10; 1993, c. 866.

§ 4.1-416. Waiver prohibited; conflicts of laws.

A. No winery shall require any wholesaler to waive compliance with any provision of this chapter. Any contract or agreement purporting to do so is void and unenforceable to the extent of the waiver or variance. Nothing in this chapter shall limit or prohibit good faith settlements of disputes voluntarily entered into between the parties.

B. Any contract between a winery and a wine wholesaler pursuant to which the wholesaler is to market the winery's products in the Commonwealth shall be governed by the laws of the Commonwealth as the place of performance, notwithstanding the fact that such contract may have been made in another state or the fact that such contract may provide that it is to be governed by the laws of another state.

§ 4.1-418. Reasonableness and good faith.

A. Every agreement entered into under this chapter shall impose on the parties the obligation to act in good faith.

B. This chapter shall impose on every term and provision of any agreement a requirement of reasonableness. Every term or provision shall be interpreted so that the requirements or obligations imposed therein are reasonable.

Chapter 5 - BEER FRANCHISE ACT

§ 4.1-500. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Agreement" means a commercial relationship, not required to be evidenced in writing, of definite or indefinite duration, between a brewery and beer wholesaler pursuant to which the wholesaler has been authorized to distribute one or more of the brewery's brands of beer. The doing or accomplishment of any of the following acts shall constitute prima facie evidence of an agreement within the meaning of this definition:

1. The shipment, preparation for shipment or acceptance of any order by any brewery for any beer to a beer wholesaler within the Commonwealth.
2. The payment by a beer wholesaler and the acceptance of payment by any brewery for the shipment of an order of beer intended for sale in the Commonwealth.

"Beer wholesaler," "wholesaler," "beer distributor," and "distributor" mean any wholesale beer licensee, including any successor-in-interest to such person, within the Commonwealth offering beer for sale or resale to retailers or other beer wholesalers without regard to whether the business of the person is conducted under the terms of an agreement with a licensed brewery.

"Brand" means any word, name, group of letters, symbol or combination thereof adopted and used by a brewery to identify a specific malt beverage product and to distinguish that product from other beers produced or marketed by that brewery or other breweries. The use of general corporate logos or symbols or the use of advertising messages, whether appearing on the product packaging or elsewhere, shall not be considered to be a brand, brand extension, or part thereof as these terms are used in this chapter.

"Brand extension" and "extension of a brand" mean any brand, which incorporates all or a substantial part of the unique features of a preexisting brand of the same brewery and which relies to a significant extent on the goodwill associated with such preexisting brand.

"Brewery" means every person, including any authorized representative of such person pursuant to [§ 4.1-218](#) which (i) is licensed as a brewery located within the Commonwealth, (ii) holds a beer importer's license and is not simultaneously licensed as a beer wholesaler, or (iii) manufactures any

malt beverage, has title to any malt beverage products excluding licensed Virginia wholesalers and retailers or has the contractual right to distribute under its own brand any malt beverage product whether licensed in the Commonwealth or not, who enters into an agreement with any beer wholesaler licensed to do business in the Commonwealth.

"Dual distributorships" means the existence of agreements between a single brewery and more than one wholesaler in a given territory as the result of a purchase of another brewery.

"Nonsurviving brewery" means any brewery which is purchased by another brewery as provided in § [4.1-504](#) and, as a result, ceases to exist as an independent legal entity.

"Person" means a natural person, corporation, partnership, trust, agency, or other entity as well as the individual officers, directors or other persons in active control of the activities of each such entity. "Person" also includes heirs, assigns, personal representatives and conservators.

"Purchase" includes, but is not limited to, the sale of stock, sale of assets, merger, lease, transfer or consolidation.

"Surviving brewery" means a brewery which purchases a nonsurviving brewery as provided in § [4.1-504](#).

"Territory" or "sales territory" means the area of sales responsibility within the Commonwealth expressly or impliedly designated by any agreement between any beer wholesaler and brewery for the brand or brands of any brewer.

1978, c. 579, § 4-118.4; 1985, c. 549; 1987, c. 247; 1991, c. 628; 1993, c. 866; 1997, c. [801](#).

§ 4.1-501. Applicability.

This chapter shall apply to all agreements in effect on or after January 1, 1978.

1978, c. 579, § 4-118.18; 1993, c. 866.

§ 4.1-502. No inducement or coercion.

No brewery shall:

1. Induce or coerce, or attempt to induce or coerce, any beer wholesaler to accept delivery of any beer or any other commodity which has not been ordered by the beer wholesaler.
2. Induce or coerce, or attempt to induce or coerce, any beer wholesaler to do any illegal act by any means including, but not limited to, threatening to amend, cancel, terminate, or refuse to renew any agreement existing between a brewery and beer wholesaler.
3. Require a beer wholesaler to assent to any condition, stipulation or provision limiting the wholesaler in his right to sell the product of any other brewery anywhere in the Commonwealth.

1978, c. 579, § 4-118.5; 1993, c. 866.

§ 4.1-503. Sales territory.

Each brewery which enters into an agreement with a beer wholesaler shall designate a sales territory for that wholesaler which is applicable to the agreement. No brewery shall enter into any agreement with more than one beer wholesaler for the purpose of establishing more than one agreement for its brands of beer in any territory. However, the existence of more than one such agreement as a result of a sale of a brewery as contemplated by § [4.1-504](#) shall not be prohibited. Each brewery shall notify the Board in writing of all designations of sales territories, the identity of the wholesaler appointed to serve such territory and a statement of any variations which exist in such designated territory with regard to a particular brand. Redesignations shall be reported to the Board within thirty days.

1978, c. 579, § 4-118.6; 1985, c. 536; 1993, c. 866.

§ 4.1-504. Sale of brewery.

A. Except for discontinuance of a brand or for good cause as provided in § [4.1-505](#), the purchaser of a brewery shall become obligated to all of the terms and conditions of the selling brewery's agreements with distributors in effect on the date of purchase. The purchaser of a brand from a brewery shall become obligated to all of the terms and conditions of the selling brewery's agreement with distributors concerning that brand. Whenever such a purchase of a brand results in the creation of a dual distributorship, the provisions of subdivisions 1 and 2 of subsection B will determine the distribution rights to such brand or any extension thereof. For the limited purpose of making such determination, the brewery selling such brand shall be a nonsurviving brewery and the purchaser shall be a surviving brewery.

B. For purposes of this section, when a purchase of a brewery by or on behalf of another brewery causes the selling brewery to cease to exist as an independent legal entity, the selling brewery shall be regarded as a nonsurviving brewery and the brewery on whose behalf the purchase was made shall be regarded as a surviving brewery. The following rules shall apply in order to determine (i) the distribution rights to any brands which are first marketed in the Commonwealth by the surviving brewery on or after July 1, 1985, with respect to a dual distributorship created prior to July 1, 1985, and (ii) the distribution rights to any brands, regardless of when they were first marketed in the Commonwealth, with respect to a dual distributorship created on or after July 1, 1985:

1. If the surviving brewery distributes in the Commonwealth any brand or brands of the nonsurviving brewery which that brewery marketed in the Commonwealth at any time during the one-year period ending on the day the purchase agreement was made, these brands shall be distributed through those beer wholesalers who were distributors in the Commonwealth for the nonsurviving brewery. Any brands which the surviving brewery had marketed in the Commonwealth prior to the purchase shall be distributed through those beer wholesalers who were wholesalers of the surviving brewery prior to the purchase.

2. If the surviving brewery decides to market in the Commonwealth a new brand which is clearly an extension of a brand already assigned to beer wholesalers in the Commonwealth, the new brand shall

be distributed through those wholesalers who distribute the brand of which the new brand is an extension.

3. If the surviving brewery decides to introduce in the Commonwealth a new brand which was not marketed in the Commonwealth at any time during the one-year period ending on the date the purchase agreement was made and which is not a brand extension, the surviving brewery shall market the new brand either through a distributor of the nonsurviving brewery or through a distributor who was a distributor of the surviving brewery prior to the purchase, as the brewery may see fit in any territory.

C. Subsection B shall not apply to determine distributorship rights to any brands or brand extensions which were marketed in the Commonwealth prior to July 1, 1985, with respect to any dual distributorship created prior to July 1, 1985.

1985, c. 549, § 4-118.6:1; 1993, c. 866.

§ 4.1-505. Cancellation.

Notwithstanding the terms, provisions or conditions of any agreement, no brewery shall unilaterally amend, cancel, terminate or refuse to continue to renew any agreement, or unilaterally cause a wholesaler to resign from an agreement, unless the brewery has first complied with § [4.1-506](#) and good cause exists for amendment, termination, cancellation, nonrenewal, noncontinuation or causing a resignation. Good cause shall not include the sale or purchase of a brewery. Good cause shall include, but is not limited to, the following:

1. Revocation of the wholesaler's license to do business in the Commonwealth;
2. Bankruptcy or receivership of the wholesaler;
3. Assignment for the benefit of creditors or similar disposition of the assets of the wholesaler other than the creation of a security interest in the assets of a wholesaler for the purpose of securing financing in the ordinary course of business; or
4. Failure by the wholesaler to substantially comply, without reasonable excuse or justification, with any reasonable and material requirement imposed upon him in writing by the brewery, including, but not limited to, a substantial failure by a beer wholesaler to (i) maintain a sales volume of his brewery's brand or brands, (ii) render services comparable in quality, quantity or volume to the sales volumes maintained and services rendered by other wholesalers of the same brand or brands within the Commonwealth, or (iii) failure to obtain the consent of the brewery to a transfer of a wholesaler's business unless a determination has been made by the Board pursuant to § [4.1-507](#) that such consent was unreasonably withheld by the brewery. In any determination as to whether a wholesaler has failed to substantially comply, without reasonable excuse or justification, with any reasonable and material requirement imposed upon him by the brewery, consideration shall be given to the relative size, population, geographical location, number of retail outlets and demand for the products applicable to the territory of the wholesaler in question and to comparable territories.

Good cause shall not be construed to exist without a finding of a material deficiency for which the wholesaler is responsible in any case in which good cause is alleged to exist based on circumstances not specifically set forth in subdivisions 1 through 4 of this section.

1978, c. 579, § 4-118.7; 1985, c. 549; 1987, c. 247; 1989, c. 272; 1993, c. 866; 1996, c. [3](#).

§ 4.1-506. Notice of intent to terminate.

A. Except as provided in subsection F, a brewery shall provide a wholesaler at least ninety days' prior written notice of any intent to amend, terminate, cancel or not renew any agreement. The notice, a copy of which shall be mailed at the same time to the Board, shall state all the reasons for the intended amendment, termination, cancellation or nonrenewal.

B. Where the reason relates to a condition or conditions which may be rectified by action of the wholesaler, he shall have sixty days in which to take such action and shall, within the sixty-day period, give written notice to the brewery if and when such action is taken. A copy of the notice shall be mailed at the same time to the Board. If such condition has been rectified by action of the wholesaler, then the proposed amendment, termination, cancellation or nonrenewal shall be void and without legal effect. However, where the brewery contends that action on the part of the wholesaler has not rectified one or more of such conditions the brewery shall within fifteen days after the expiration of such sixty-day period request a hearing before the Board to determine if the condition has been rectified by action of the wholesaler.

C. Where the reason relates to a condition which may not be rectified by the wholesaler within the sixty-day period, the wholesaler may request a hearing before the Board to determine if there is good cause for the amendment, termination, cancellation or nonrenewal of the agreement.

D. Upon request in writing within the ninety-day period provided in subsection A from such brewery or wholesaler for a hearing, the Board shall, after notice and hearing, determine if the action of the wholesaler has rectified the condition or, as the case may be, if good cause exists for the amendment, termination, cancellation or nonrenewal of the agreement.

E. In any proceeding brought pursuant to this section in which the existence of good cause is an issue, the brewery shall have the burden of proving the existence of good cause. Where a petition is made to the Board in a timely manner for a determination, the agreement in question shall continue in effect pending the Board's decision and any judicial review thereof, except in any case in which the Board makes a finding that there is good cause, as defined in § [4.1-505](#), for the amendment, termination, cancellation, or nonrenewal, in which case the brewery may, unless otherwise ordered by a court of record, discontinue the agreement in question.

F. No notice shall be required and an agreement may be immediately amended, terminated, cancelled or allowed to expire if the reason for the amendment, termination, cancellation or nonrenewal is:

1. The bankruptcy or receivership of the wholesaler;

2. An assignment for the benefit of creditors or similar disposition of the assets of the business other than the creation of a security interest in the assets of a wholesaler for the purpose of securing financing in the ordinary course of business; or

3. Revocation of the wholesaler's license.

1978, c. 579, § 4-118.8; 1985, c. 549; 1993, c. 866; 1997, c. [183](#).

§ 4.1-507. Transfer of business.

A. No brewery shall unreasonably withhold or delay consent to any transfer of the wholesaler's business, or transfer of the stock or other interest in the wholesalership, whenever the wholesaler to be substituted meets the material and reasonable qualifications and standards required of its wholesalers. Whenever a transfer of a wholesaler's business occurs, the purchaser shall assume all the obligations imposed on and succeed to all the rights held by the selling wholesaler by virtue of any agreement between the selling wholesaler and one or more breweries entered into prior to the transfer.

B. Notwithstanding any provision in subsection A, no brewery shall withhold consent to, or in any manner retain a right of prior approval of, the transfer of the wholesaler's business to a member or members of the wholesaler's family. However, subsequent to such transfer, the rights and obligations of the wholesalership and its owners shall in all other respects be governed by the provisions of this chapter. As used in this subsection, "family" means the wholesaler's spouse, parents, siblings, children, stepchildren, and lineal descendants, including those by adoption.

1978, c. 579, § 4-118.9; 1985, c. 549; 1993, c. 866.

§ 4.1-508. Remedies.

A. In addition to any other sanctions which the Board is empowered by law to impose, it may order that any act or practice constituting a violation of this chapter be ceased and, where necessary, corrective measures implemented. In addition, in any case in which a brewery is found to have attempted or accomplished an amendment, termination, cancellation, or refusal to continue or renew an agreement without good cause as defined in § [4.1-505](#), the Board shall, upon the request of the wholesaler involved, enter an order requiring that (i) the agreement remain in effect or be reinstated or (ii) the brewery pay the wholesaler reasonable compensation for the value of the agreement, which shall be determined in the manner provided for in subsection B. Reasonable compensation shall include, but is not limited to, the following:

1. The fair market value of the assets used by the wholesaler specifically for the purpose of distributing the brewery's products;

2. The cost of the wholesaler's inventory of the brewery's products calculated as the sum of the net price paid by the wholesaler for the inventory;

3. The amount of any taxes paid by the wholesaler in connection with purchasing the inventory;

4. The cost of transporting the inventory from the brewery to the wholesaler's warehouse, plus any handling costs; and
5. The goodwill of the wholesaler's business representing a value over and above the fair market value of the foregoing tangible assets.

The compensation for such assets shall be subject to offset for (i) any sums recovered by the wholesaler in liquidation of the assets and (ii) the value which the assets have to the wholesaler independent of their value for use in distributing the brewery's products.

B. In the event the brewery and the beer wholesaler are unable to agree on the reasonable compensation to be paid for the value of the agreement, the matter shall be submitted to a panel of three arbitrators. The brewery and the beer wholesaler shall each select one arbitrator and the two arbitrators selected shall appoint a third arbitrator who shall be a person qualified by experience to appraise the value of existing businesses. The decision of the arbitrators shall be rendered within ninety days from the time the matter is submitted to arbitration unless the Board, for good cause shown, allows for an extension of time not to exceed thirty days, or unless the parties agree to an extension of time. All of the costs of the arbitration shall be paid one-half by the wholesaler and one-half by the brewery. By entering into an agreement, the parties are deemed to have agreed to arbitration as provided in this subsection and, further, that such arbitration shall be governed by the provisions of Chapter 21 (§ [8.01-577](#) et seq.) of Title 8.01.

C. In addition to the foregoing remedies, in any case in which a brewery is found to have violated § [4.1-506](#), the Board may, upon request of the wholesaler involved, order the brewery to compensate the wholesaler for any losses proximately resulting from such violation, including but not limited to lost profits. Such losses shall be determined in the manner provided in subsection B and shall be calculated from the date of the violation by the brewery to the date the brewery initiates remedial action pursuant to Board order.

1978, c. 579, § 4-118.10; 1985, c. 549; 1987, c. 247; 1993, c. 866.

§ 4.1-509. Board proceedings and appellate review.

A. The Board, upon petition by any beer wholesaler or brewery, or upon its own motion if it has reasonable grounds to believe a violation has or may have occurred, shall have the responsibility of determining whether a violation of any provision of this chapter has occurred. The Board may, if it finds that a brewery or beer wholesaler has acted in bad faith in violating any provision of this chapter or in seeking relief pursuant to this chapter, award reasonable costs and attorneys' fees to the prevailing party.

B. All proceedings under this chapter and any judicial review thereof shall be held in accordance with and governed by the Virginia Administrative Process Act (§ [2.2-4000](#) et seq.). The Authority shall provide to the Comptroller any records and assistance necessary for the Comptroller to determine the locality to which tax revenues are attributable.

A. Whenever any person who has not previously been convicted of any offense under this subtitle pleads guilty to or enters a plea of not guilty to an offense under this subtitle, the court, upon such plea if the facts found by the court would justify a finding of guilt, without entering a judgment of guilt and with the consent of the accused, may defer further proceedings and place the accused on probation upon terms and conditions.

B. As a term or condition, the court shall require the accused to undergo a substance abuse assessment pursuant to § [19.2-299.2](#) and enter treatment or an education program or services, or any combination thereof, if available, such as, in the opinion of the court, may be best suited to the needs of the accused based upon consideration of the substance abuse assessment. The program or services may be located in the judicial district in which the charge is brought or in any other judicial district as the court may provide. treatment, based upon the accused's ability to pay, unless the person is determined by the court to be indigent.

D. As a condition of probation, the court shall require the accused (i) to successfully complete treatment or education programs or services, (ii) to remain drug-free and alcohol-free during the period of probation and submit to such tests during that period as may be necessary and appropriate to determine if the accused is drug-free and alcohol-free, (iii) to make reasonable efforts to secure and maintain employment, and (iv) to comply with a plan of up to 24 hours of community service. Such testing shall be conducted by personnel of the supervising probation agency or personnel of any program or agency approved by the supervising probation agency.

Upon fulfillment of the terms and conditions, the court shall discharge the person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without adjudication of guilt and is a conviction only for the purposes of applying this section in subsequent proceedings.

F. When any juvenile is found to have committed a violation of subsection A, the disposition of the case shall be handled according to the provisions of Article 9 (§ [16.1-278](#) et seq.) of Chapter 11 of Title 16.1.

§ 4.1-1402. Outdoor advertising restrictions; limitations; variances.

A. No outdoor advertising regarding marijuana, marijuana products, or any substance containing a synthetic tetrahydrocannabinol or synthetic derivative of tetrahydrocannabinol shall be placed within 500 linear feet on the same side of the road, and parallel to such road, measured from the nearest edge of the sign face upon which the advertisement is placed to the nearest edge of a building or structure located on the real property of (i) a church, synagogue, mosque, or other place of religious worship; (ii) a public, private, or parochial school or an institution of higher education; (iii) a public or private playground or similar recreational facility; (iv) a substance use disorder treatment center; or (v) a dwelling used for residential use.

D. The Board may grant a permit authorizing a variance from the distance requirements of this section upon a finding that the placement of the advertisement on a sign will not unduly expose children to advertising regarding marijuana, marijuana products, or any substance containing a synthetic tetrahydrocannabinol or synthetic derivative of tetrahydrocannabinol.

E. The distance and zoning restrictions contained in this section shall not apply to any sign that is included in the Integrated Directional Sign Program administered by the Virginia Department of Transportation or its agents.

F. Nothing in this section shall be construed to authorize billboard signs containing outdoor advertising regarding marijuana, marijuana products, or any substance containing a synthetic tetrahydrocannabinol or synthetic derivative of tetrahydrocannabinol on property zoned agricultural or residential, or on any unzoned property. Nor shall this section be construed to authorize the erection of new billboard signs containing outdoor advertising that would be prohibited under state law or local ordinance.

§ 4.1-1601. (Effective January 1, 2024) Certification for use of cannabis for treatment.

A. A practitioner in the course of his professional practice may issue a written certification for the use of cannabis products for treatment or to alleviate the symptoms of any diagnosed condition or disease determined by the practitioner to benefit from such use. The practitioner shall use his professional judgment to determine the manner and frequency of patient care and evaluation and may employ the use of telemedicine, provided that the use of telemedicine includes the delivery of patient care through

real-time interactive audiovisual technology. No practitioner may issue a written certification while such practitioner is on the premises of a pharmaceutical processor or cannabis dispensing facility. A pharmaceutical processor shall not endorse or promote any practitioner who issues certifications to patients. If a practitioner determines it is consistent with the standard of care to dispense botanical cannabis to a minor, the written certification shall specifically authorize such dispensing. If not specifically included on the initial written certification, authorization for botanical cannabis may be communicated verbally or in writing to the pharmacist at the time of dispensing. A practitioner who issues written certifications shall not directly or indirectly accept, solicit, or receive anything of value from a pharmaceutical processor, cannabis dispensing facility, or any person associated with a pharmaceutical processor, cannabis dispensing facility, or provider of paraphernalia, excluding information on products or educational materials on the benefits and risks of cannabis products.

B. The written certification shall be on a form provided by the Authority. Such written certification shall contain the name, address, and telephone number of the practitioner, the name and address of the patient issued the written certification, the date on which the written certification was made, and the signature or authentic electronic signature of the practitioner. Such written certification issued pursuant to subsection A shall expire one year after its issuance unless the practitioner provides in such written certification an earlier expiration. A written certification shall not be issued to a patient by more than one practitioner during any given time period.

C. No practitioner shall be prosecuted under § [18.2-248](#) or [18.2-248.1](#) for the issuance of a certification for the use of cannabis products for the treatment or to alleviate the symptoms of a patient's diagnosed condition or disease pursuant to a written certification issued pursuant to subsection A. Nothing in this section shall preclude a practitioner's professional licensing board from sanctioning the practitioner for failing to properly evaluate or treat a patient's medical condition or otherwise violating the applicable standard of care for evaluating or treating medical conditions.

D. A practitioner who issues a written certification to a patient pursuant to this section (i) shall hold sufficient education and training to exercise appropriate professional judgment in the certification of patients; (ii) shall not offer a discount or any other thing of value to a patient or a patient's parent, guardian, or registered agent that is contingent on or encourages the person's decision to use a particular pharmaceutical processor or cannabis product; (iii) shall not issue a certification to himself or his family members, employees, or coworkers; (iv) shall not provide product samples containing cannabis other than those approved by the U.S. Food and Drug Administration; and (v) shall not accept compensation from a pharmaceutical processor or cannabis dispensing facility. The Board shall not limit the number of patients to whom a practitioner may issue a written certification. The Board may report information to the applicable licensing board on unusual patterns of certifications issued by a practitioner.

E. No patient shall be required to physically present the written certification after the initial dispensing by any pharmaceutical processor or cannabis dispensing facility under each written certification, provided that the pharmaceutical processor or cannabis dispensing facility maintains an electronic

copy of the written certification. Pharmaceutical processors and cannabis dispensing facilities shall electronically transmit on a monthly basis all new written certifications received by the pharmaceutical processor or cannabis dispensing facility to the Authority.

Such designated individual shall register with the Board unless the individual's name listed on the patient's written certification. An individual may, on the basis of medical need and in the discretion of the patient's registered practitioner, be listed on the patient's written certification upon the patient's request. The Board may set a limit on the number of patients for whom any individual is authorized to act as a registered agent.

G. Upon delivery of a cannabis product by a pharmaceutical processor or cannabis dispensing facility to a designated caregiver facility, any employee or contractor of a designated caregiver facility who is licensed or registered by a health regulatory board and who is authorized to possess, distribute, or administer medications may accept delivery of the cannabis product on behalf of a patient or resident for subsequent delivery to the patient or resident and may assist in the administration of the cannabis product to the patient or resident as necessary.

H. 2023, cc. [740](#), [773](#).

§ 4.1-1602. (Effective January 1, 2024) Permit to operate pharmaceutical processor or cannabis dispensing facility.

A. No person shall operate a pharmaceutical processor or a cannabis dispensing facility without first obtaining a permit from the Board. The application for such permit shall be made on a form provided by the Authority and signed by a pharmacist who will be in full and actual charge of the pharmaceutical processor's dispensing area or cannabis dispensing facility. The Board shall establish an application fee and other general requirements for such application.

B. Each permit shall expire annually on a date determined by the Board in regulation. The number of permits that the Board may issue or renew in any year is limited to one pharmaceutical processor and up to five cannabis dispensing facilities for each health service area established by the Board of

Health. Permits shall be displayed in a conspicuous place on the premises of the pharmaceutical processor and cannabis dispensing facility.

C. The Board shall adopt regulations establishing health, safety, and security requirements for pharmaceutical processors and cannabis dispensing facilities. Such regulations shall include requirements for (i) physical standards; (ii) location restrictions; (iii) security systems and controls; (iv) minimum equipment and resources; (v) recordkeeping; (vi) labeling and packaging; (vii) routine inspections no more frequently than once annually; (viii) processes for safely and securely dispensing and delivering in person cannabis products to a patient, his registered agent, or, if such patient is a minor or a vulnerable adult as defined in § [18.2-369](#), such patient's parent or legal guardian; (ix) dosage limitations for cannabis products that provide that each dispensed dose of a cannabis product not exceed 10 milligrams of total tetrahydrocannabinol, except as permitted under § 4.1-1603.2; (x) a process for the wholesale distribution of and the transfer of usable cannabis, botanical cannabis, cannabis oil, and cannabis products between pharmaceutical processors, between a pharmaceutical processor and a cannabis dispensing facility, and between cannabis dispensing facilities; (xi) an allowance for the sale of devices for administration of dispensed cannabis products and hemp-based CBD products that meet the applicable standards set forth in state and federal law, including the laboratory testing standards set forth in subsection N; (xii) an allowance for the use and distribution of inert product samples containing no cannabinoids for patient demonstration exclusively at the pharmaceutical processor or cannabis dispensing facility, and not for further distribution or sale, without the need for a written certification; (xiii) a process for acquiring industrial hemp extracts and formulating such extracts into cannabis products; and (xiv) an allowance for the advertising and promotion of the pharmaceutical processor's products and operations, which shall not limit the pharmaceutical processor from the provision of educational material to practitioners who issue written certifications and patients. The Board shall also adopt regulations for pharmaceutical processors that include requirements for (a) processes for safely and securely cultivating cannabis plants intended for producing cannabis products, (b) the disposal of agricultural waste, and (c) a process for registering cannabis products.

D. The Board shall require pharmaceutical processors, after processing and before dispensing any cannabis products, to make a sample available from each batch of cannabis product for testing by an independent laboratory that is located in Commonwealth and meets Board requirements. A valid sample size for testing shall be determined by each laboratory and may vary due to sample matrix, analytical method, and laboratory-specific procedures. A minimum sample size of 0.5 percent of individual units for dispensing or distribution from each homogenized batch of cannabis oil is required to achieve a representative cannabis oil sample for analysis. A minimum sample size, to be determined by the certified testing laboratory, from each batch of botanical cannabis is required to achieve a representative botanical cannabis sample for analysis. Botanical cannabis products shall only be tested for the following: total cannabidiol (CBD), total tetrahydrocannabinol (THC), terpenes, pesticide chemical residue, heavy metals, mycotoxins, moisture, and microbiological contaminants. Testing thresholds shall be consistent with generally accepted cannabis industry thresholds. The

pharmaceutical processor may remediate botanical cannabis or cannabis oil that fails any quality testing standard except pesticides. Following remediation, all remediated botanical cannabis or cannabis oil shall be subject to laboratory testing which shall not be more stringent than initial testing prior to remediation. Remediated botanical cannabis or cannabis oil that passes such quality testing may be packaged and labeled. If a batch of botanical cannabis fails retesting after remediation, it shall be considered usable cannabis and may be processed into cannabis oil. Stability testing shall not be required for any cannabis product with an expiration date assigned by the pharmaceutical processor of six months or less from the date of the cannabis product registration approval. Stability testing required for assignment of an expiration date longer than six months shall be limited to microbial testing, on a pass/fail basis, and potency testing, on a 15 percent deviation basis, of total THC and total CBD. No cannabis product shall have an expiration date longer than six months from the date of the cannabis product registration approval unless supported by stability testing.

E. A laboratory testing samples for a pharmaceutical processor shall obtain a controlled substances registration certificate pursuant to § [54.1-3423](#) and shall comply with quality standards established by the Board of Pharmacy in regulation.

F. Every pharmaceutical processor's dispensing area or cannabis dispensing facility shall be under the personal supervision of a licensed pharmacist on the premises of the pharmaceutical processor or cannabis dispensing facility unless all cannabis products are contained in a vault or other similar container to which only the pharmacist has access controls. The pharmaceutical processor shall ensure that security measures are adequate to protect the cannabis from diversion at all times, and the pharmacist-in-charge shall have concurrent responsibility for preventing diversion from the dispensing area.

Every pharmaceutical processor shall designate a person who shall have oversight of the cultivation and production areas of the pharmaceutical processor and shall provide such information to the Board. The Board shall direct all communications related to enforcement of requirements related to cultivation and production of cannabis and cannabis products by the pharmaceutical processor to such designated person.

G. The Board shall require the material owners of an applicant for a pharmaceutical processor or cannabis dispensing facility permit to submit to fingerprinting and provide personal descriptive information to be forwarded along with his fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information regarding the applicant's material owners. The cost of fingerprinting and the criminal history record search shall be paid by the applicant. The Central Criminal Records Exchange shall forward the results of the criminal history background check to the Board or its designee, which shall be a governmental entity.

H. A pharmaceutical processor shall maintain evidence of criminal background checks for all employees and delivery agents of the pharmaceutical processor. Criminal background checks of employees

and delivery agents may be conducted by any service sufficient to disclose any federal and state criminal convictions.

I. In addition to other employees authorized by the Board, a pharmaceutical processor may employ individuals who may have less than two years of experience (i) to perform cultivation-related duties under the supervision of an individual who has received a degree in a field related to the cultivation of plants or a certification recognized by the Board or who has at least two years of experience cultivating plants, (ii) to perform extraction-related duties under the supervision of an individual who has a degree in chemistry or pharmacology or at least two years of experience extracting chemicals from plants, and (iii) to perform duties at the pharmaceutical processor and cannabis dispensing facility upon certification as a pharmacy technician.

J. A pharmaceutical processor to whom a permit has been issued by the Board may establish up to five cannabis dispensing facilities for the dispensing of cannabis products that have been cultivated and produced on the premises of a pharmaceutical processor permitted by the Board. Each cannabis dispensing facility shall be located within the same health service area as the pharmaceutical processor.

K. No person who has been convicted of a felony under the laws of the Commonwealth or another jurisdiction within the last five years shall be employed by or act as an agent of a pharmaceutical processor or cannabis dispensing facility.

L. Every pharmaceutical processor or cannabis dispensing facility shall adopt policies for pre-employment drug screening and regular, ongoing, random drug screening of employees.

M. A pharmacist at the pharmaceutical processor's dispensing area and the cannabis dispensing facility shall determine the number of pharmacy interns, pharmacy technicians, and pharmacy technician trainees who can be safely and competently supervised at one time; however, no pharmacist shall supervise more than six persons performing the duties of a pharmacy technician at one time in the pharmaceutical processor's dispensing area or cannabis dispensing facility.

N.
