Article 8 - LAW-ENFORCEMENT EXPENDITURES

§ 9.1-165. Definitions.

As used in this article, unless the context requires a different meaning:

"Adjusted crime index" means the potential crime rate for a locality multiplied by the base year population of the locality as estimated by the Center for Public Service.

"Average crime rate" for a city or eligible county means the annual average number of violent and property index crimes per 100,000 persons, as reported by the Superintendent of State Police, for the base year and the fiscal year immediately preceding, and the fiscal year immediately following, the base year. If the data are not available for the fiscal year immediately following the base year, the average shall be based on the base year and the two immediately preceding fiscal years.

"Base year" means the most recent fiscal year for which comparable data are available for: (i) population estimates by the Center for Public Service or the United States Bureau of the Census, adjusted for annexation as determined by the Department, (ii) actual state expenditures for salaries and expenses of sheriffs as reported by the Compensation Board, (iii) number of persons eligible for Temporary Assistance to Needy Families as defined in § [63.2-100](#), (iv) number of persons in foster care, as defined in § [63.2-100](#), and (v) the number of persons receiving maintenance payments in a general relief program as defined in § [63.2-100](#).

"Distribution formula" means that linear equation derived biennially by the Department, using standard statistical procedures, which best predicts average crime rates in all cities and eligible counties in the Commonwealth on the basis of the following factors in their simplest form:

1. The total base year number of (i) persons enrolled in Temporary Assistance to Needy Families, (ii) persons in foster care, and (iii) persons receiving maintenance payments in a general relief program, per 100,000 base year population; and
2. The local population density, based on the base year population estimates of the Center for Public Service, adjusted for annexation as determined by the Department, and the land area in square miles of the city or eligible county as reported by the United States Census Bureau, adjusted for annexation as determined by the Department.

"Eligible county" means any county which operates a police department.

"Police department" means that organization established by ordinance by a local governing body that is responsible for the prevention and detection of crime, the apprehension of criminals, the safeguard of life and property, the preservation of peace and the enforcement of state and local laws, regulations, and ordinances. Such department shall have a chief of police, which in the case of counties may be the sheriff, and such officers, privates, and other personnel as may be provided for in the ordinance, one sworn member of which shall be a full-time employee. All law-enforcement officers serving as members of such police department, whether full-time or part-time, and whether permanently or temporarily employed, shall meet the minimum training standards established pursuant to §§ [9.1-102](#) and

[9.1-114](#), unless such personnel are exempt from the minimum training standards as provided in §§ [9.1-113](#) and [9.1-116](#). Any police department established subsequent to July 1, 1981, shall also have, at a minimum, one officer on duty at all times for the purposes set forth above.

However, notwithstanding any contrary provision of this definition,

1. Any locality receiving funds under this article during the 1980-82 biennium shall be considered to have a valid police department eligible for funds as long as such police department continues in operation;

2. Any town receiving funds under this article during the 1986-1988 biennium shall be considered to have a valid police department eligible for funds even though police services for such town may thereafter be provided by the sheriff of the county in which the town is located by agreement made pursuant to § [15.2-1726](#). Eligibility for funds under this subdivision shall last as long as such agreement remains in effect. Police services for the town furnished by the sheriff shall be equal to or greater than the police services last furnished by the town's police department.

"Population served by police departments" means the total base year population of the Commonwealth less the population served by sheriffs only.

"Population served by sheriffs only" means the total base year population of those counties without a police department, less the latest available estimate from the United States Bureau of the Census of the total population of towns, or portions of towns, having police departments, located in such counties.

"Potential crime rate" means the number of crimes per 100,000 persons in the base year population for each city or eligible county, as derived from the distribution formula.

"State aid to localities with police" means that amount which bears the same relationship to the population served by police departments as state aid to sheriff-only localities bears to the population served by sheriffs only.

"State aid to sheriff-only localities" means the estimated total amount for salaries and expenses to be paid by the Commonwealth, pursuant to Article 3 (§ [15.2-1609](#) et seq.) of Chapter 16 of Title 15.2, to sheriffs' offices in those counties without a police department, based on the actual percentage of total state expenditures in the base year distributed to those counties without police departments.

§ 9.1-167. Calculation of adjusted crime index; use.

By January 1 of each even-numbered year, the Department, using the relevant base year data, shall calculate the adjusted crime index for each city and each eligible county. Such calculation shall be used for the succeeding fiscal biennium adjusted for annexation as determined by the Department.

§ 9.1-168. Eligibility for funds.

A. Any city, county, or town establishing a police department shall provide the Department written notice of its intent to seek state funds in accordance with the provisions of this article. Such city, county, or town shall become eligible to receive funds at the beginning of the next fiscal year which commences not sooner than twelve months after the filing of this notice.

B. No city, county, or town shall receive any funds in accordance with the terms of this article unless it notifies the Department prior to July 1 each year that its law-enforcement personnel, whether full-time or part-time and whether permanently or temporarily employed, have complied with the minimum training standards as provided in §§ [9.1-102](#) and [9.1-114](#), unless such personnel are exempt from the minimum training standards as provided in §§ [9.1-113](#) and [9.1-116](#) or that an effort will be made to have its law-enforcement personnel comply with such minimum training standards during the ensuing fiscal year. Any city, county, or town failing to make an effort to comply with the minimum training standards may be declared ineligible for funding in the succeeding fiscal year by the Department.

C. A change in the form of government from city to tier-city shall not preclude the successor tier-city which continues to provide a police department from eligibility for funds.

D. Any county consolidated under the provisions of Chapter 35 (§ [15.2-3500](#) et seq.) of Title 15.2 shall be eligible to receive financial assistance for law-enforcement expenditures subject to the provisions of this article. The consolidated county shall be eligible to receive, on behalf of the formerly incorporated towns that became shires, boroughs or special service tax districts within the consolidated county, law-enforcement assistance under the provisions of this article, provided that the consolidation agreement approved pursuant to Chapter 35 (§ [15.2-3500](#) et seq.) of Title 15.2 provides for the additional law-enforcement governmental services previously provided by the police department of such incorporated towns.

§ 9.1-169. Total amount and method of distribution of funds to counties and cities.

A. The total amount of funds to be distributed as determined by the Department shall be equal to the amount of state aid to localities with police, as defined in § [9.1-165](#), minus (i) the salaries and expenses of sheriffs' offices in such cities and counties as estimated pursuant to Article 3 (§ [15.2-1609](#) et seq.) of Chapter 16 of Title 15.2 and (ii) five percent of the remainder, which shall be placed in a discretionary fund to be administered as specified in § [9.1-171](#). However, the percentage change in the total amount of funds to be distributed for any fiscal year from the preceding fiscal year shall be equal

to the anticipated percentage change in total general fund revenue collections for the same time period as stated in the appropriation act.

B. Each city and eligible county shall receive a percentage of such total amount to be distributed equal to the percentage of the total adjusted crime index attributable to such city or county. Payments to the cities and eligible counties shall be made in equal quarterly installments by the State Treasurer on warrants issued by the Comptroller. Notwithstanding the foregoing provisions, the General Assembly, through the appropriation act, may appropriate specific dollar amounts to provide financial assistance to localities with police departments.

§ 9.1-170. Distribution of funds to towns.

A. Towns located in eligible counties and which have police departments shall receive a percentage of the funds distributed to the county in accordance with § [9.1-169](#), such percentage to be equal to the ratio of the town's population as determined by the Department to the total population of the county.

B. Towns located in noneligible counties shall be assigned an adjusted crime index based on their population and the average of the three lowest predicted crime rates for cities. Such towns shall receive funds based on such adjusted crime index in the same manner as cities and eligible counties as provided in § [9.1-169](#).

§ 9.1-171. Distribution of discretionary fund.

In the case of a city with a population of more than 200,000 receiving per capita aid for law enforcement in accordance with § [9.1-169](#) of less than sixty-five percent of the average per capita aid to law enforcement received by all other cities with a population of more than 200,000 under such provisions, exclusive of amounts payable by reason of this section, the discretionary fund established by § [9.1-169](#) shall first be used to pay such city an aggregate sum so as to make its per capita receipts for law enforcement under § [9.1-169](#) equal to sixty-five percent of the average per capita aid for law enforcement disbursed to all other cities with a population of more than 200,000. The remainder, if any, shall be distributed per capita among (i) cities with populations under 200,000, (ii) eligible counties, and (iii) towns having police departments.

§ 9.1-172. Periodic determination of weights and constants.

Prior to the convening of the General Assembly in each even-numbered year, the Department shall determine whether the variables incorporated in the equation used in the distribution formula are statistically acceptable for such computation, and to determine whether any other variables would be better predictors of crime. If, as a result of this research, the Department determines that the variables used in the equation should be changed, it shall recommend to the General Assembly appropriate legislation to accomplish this change.

Chapter 2.1 - REDUCED CIGARETTE IGNITION PROPENSITY

§ 9.1-209. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Cigarette" has the same meaning ascribed thereto in § [58.1-1031](#).

"Department" means the Department of Taxation.

"Director" means the Executive Director of the Department of Fire Programs.

"Importer" has the same meaning ascribed thereto in 26 U.S.C. § 5702 (k).

2014, cc. [370](#), [418](#).

§ 9.1-210. Testing and certification of cigarettes.

A. Except as provided in subsection N, no cigarettes may be sold or offered for sale in the Commonwealth or offered for sale or sold to persons located in the Commonwealth unless:

1. The cigarettes have been tested in accordance with the test method and meet the performance standard specified in this section;
2. The manufacturer has filed a written certification in accordance with § [9.1-211](#); and
3. The cigarettes have been marked in accordance with § [9.1-212](#).

B. The performance standard for cigarettes sold or offered for sale in the Commonwealth is stated in subdivision E 1.

C. Testing of cigarettes shall be conducted in accordance with the American Society of Testing and Materials (ASTM) Standard E2187-04 "Standard Test Method for Measuring the Ignition Strength of Cigarettes." The Director, in consultation with the State Fire Marshal, may adopt a subsequent ASTM Standard Test Method for Measuring the Ignition Strength of Cigarettes on a finding that the subsequent method does not result in a change in the percentage of full-length burns exhibited by any tested cigarette when compared to the percentage of full-length burns the same cigarette would exhibit when tested in accordance with ASTM standard E2187-04 and the performance standard of this section.

D. Testing of cigarettes shall be conducted on 10 layers of filter paper.

E. 1. No more than 25 percent of the cigarettes tested in a test trial shall exhibit full-length burns.

2. Forty replicate tests shall comprise a complete test trial for each cigarette tested.

- F. The performance standard required by this section shall only be applied to a complete test trial.
- G. Written certifications shall be based upon testing conducted by a laboratory that has been accredited pursuant to Standard ISO/IEC 17025 of the International Organization for Standardization or other comparable accreditation standard required by the Director.
- H. Each laboratory that conducts tests in accordance with this section shall implement a quality control and quality assurance program that includes a procedure to determine the repeatability of the testing results. The repeatability value shall be no greater than 0.19.
- I. Each cigarette listed in a certification that uses lowered permeability bands in the cigarette paper to achieve compliance with the performance standard of this section shall have at least two nominally identical bands on the paper surrounding the tobacco column. At least one complete band shall be located at least 15 millimeters from the lighting end of the cigarette. For a cigarette on which the bands are positioned by design, at least two bands shall be located at least 15 millimeters from the lighting end and 10 millimeters from the filter end of the tobacco column. For an unfiltered cigarette, the two complete bands shall be located at least 15 millimeters from the lighting end and 10 millimeters from the labeled end of the tobacco column.
- J. If the Director determines that a cigarette cannot be tested in accordance with the test method required by this section, the manufacturer of the cigarette shall propose to the Director a test method and performance standard for that cigarette. The Director, in consultation with the State Fire Marshal, may approve a test method and performance standard that the Director determines is equivalent to the requirements of this section, and the manufacturer may use that test method and performance standard for certification in accordance with [§ 9.1-211](#). If the Director determines that another state has enacted reduced cigarette ignition propensity standards that include a test method and performance standard that are the same as those contained in this chapter, and the Director finds that the officials responsible for implementing those requirements have approved the proposed alternative test method and performance standard for a particular cigarette proposed by a manufacturer as meeting the reduced cigarette ignition propensity standards of that state's law or regulation under a legal provision comparable to this section, then the Director shall authorize that manufacturer to employ the alternative test method and performance standard to certify that cigarette for sale in the Commonwealth, unless the Director demonstrates a reasonable basis why the alternative test should not be accepted under this chapter. All other applicable requirements of this section shall apply to the manufacturer.
- K. This section does not require additional testing for cigarettes that are tested in a manner consistent with the requirements of this section for any other purpose.
- L. Each manufacturer shall maintain copies of the reports of all tests conducted on all cigarettes offered for sale for a period of three years, and shall make copies of these reports available to the Director, State Fire Marshal, and Attorney General on written request. Any manufacturer who fails to make copies of these reports available within 60 days of receiving a written request shall be subject to

a civil penalty not to exceed \$10,000 for each day after the sixtieth day that the manufacturer does not make such copies available.

M. Testing performed or sponsored by the Director to determine a cigarette's compliance with the performance standard required by this section shall be conducted in accordance with this section.

N. The requirements of subsection A shall not prohibit the sale of cigarettes solely for the purpose of consumer testing. For purposes of this subdivision, the term "consumer testing" means an assessment of cigarettes that is conducted by a manufacturer, or under the control and direction of a manufacturer, for the purpose of evaluating consumer acceptance of such cigarettes, utilizing only the quantity of cigarettes that is reasonably necessary for such assessment.

2014, cc. [370](#), [418](#).

§ 9.1-211. Certification of cigarette testing.

A. Each manufacturer shall submit to the Director written certification attesting that each cigarette has been tested in accordance with and has met the performance standard required under § [9.1-210](#).

B. The description of each cigarette listed in the certification shall include:

1. The brand;
2. The style;
3. The length in millimeters;
4. The circumference in millimeters;
5. The flavor, if applicable;
6. Whether filter or nonfilter;
7. A package description, such as soft pack or box;
8. The mark approved in accordance with § [9.1-212](#);
9. The name, address, and telephone number of the laboratory, if different than the manufacturer that conducted the test; and
10. The date that the testing occurred.

C. On request, the certification shall be made available to the Attorney General, the Director, and the State Fire Marshal.

D. Each cigarette certified under this section shall be recertified every three years.

E. If a manufacturer has certified a cigarette pursuant to this section, and thereafter makes any change to such cigarette that is likely to alter its compliance with the reduced cigarette ignition propensity standards mandated by this chapter, then before such cigarette may be sold or offered for sale in the Commonwealth such manufacturer shall retest such cigarette in accordance with the testing standards prescribed in § [9.1-210](#) and maintain records of such retesting as required by § [9.1-210](#). Any such

altered cigarette that does not meet the performance standard set forth in § [9.1-210](#) shall not be sold in the Commonwealth.

F. For each brand style of cigarette listed in a certification, a manufacturer shall pay a fee in the amount of \$250; however, the Director in consultation with the State Fire Marshal is authorized to adjust the amount of the fee annually to ensure that the amount collected therefrom defrays the actual costs of the processing, testing, enforcement, and oversight activities required by this chapter. The fees assessed under the provisions of this chapter shall be paid into the state treasury and shall be deposited into a special fund designated "Cigarette Fire Safety Standard and Firefighter Protection Act Fund." Moneys deposited into the special fund and the unexpended balance thereof shall be appropriated to the Department of Fire Programs for use by the Director to conduct the processing, testing, enforcement, and oversight activities required by this chapter and performed by the State Fire Marshal pursuant to § [9.1-206](#) in carrying out the provisions of the Statewide Fire Prevention Code Act (§ [27-94](#) et seq.), and such expenditures from the special fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Director.

2014, cc. [370](#), [418](#).

§ 9.1-212. Marking of cigarettes.

A. Cigarettes that have been certified in accordance with § [9.1-211](#) shall be marked in accordance with the requirements of this section.

B. The marking shall:

1. Be in a font of at least eight-point type; and

2. Include one of the following:

a. Modification of the product UPC bar code to include a visible mark that is printed at or around the area of the UPC bar code and consists of one or more alphanumeric or symbolic characters permanently stamped, engraved, embossed, or printed in conjunction with the UPC bar code;

b. Any visible combination of alphanumeric or symbolic characters permanently stamped, engraved, embossed, or printed on the cigarette package or the cellophane wrap; or

c. Stamped, engraved, embossed, or printed text that indicates that the cigarettes meet the standards of this chapter.

C. The manufacturer shall request approval of a proposed marking from the Director.

D. The Director shall approve or disapprove the marking offered, except that the Director shall approve:

1. The letters "FSC," which signify Fire Standards Compliant, appearing in eight-point type or larger and permanently printed, stamped, engraved, or embossed on the package at or near the UPC code; and

2. Any marking in use and approved for sale in New York pursuant to the New York fire safety standards for cigarettes.

E. A marking is deemed approved if the Director fails to act within 10 days after receiving a request for approval.

F. A manufacturer may not use a modified marking unless the modification has been approved in accordance with this section.

G. A manufacturer shall use only one marking on all brands that the manufacturer markets.

H. A marking or modified marking approved by the Director shall be applied uniformly on all brands marketed and on all packages, including packs, cartons, and cases marketed by that manufacturer.

2014, cc. [370](#), [418](#).

§ 9.1-213. Provision of copies of certifications and illustration of the packaging markings; inspections.

A. Each manufacturer shall:

1. Provide a copy of each certification to each wholesaler to which the manufacturer sells cigarettes; and

2. Provide sufficient copies of an illustration of the packaging marking approved and used by the manufacturer in accordance with § [9.1-212](#) for each retailer and vending machine operator who purchases cigarettes from the wholesaler.

B. The wholesaler shall provide a copy of the illustration to each retailer and vending machine operator to whom the wholesaler sells cigarettes.

C. Each retailer, vending machine operator, and wholesaler shall allow the Director or designee of the Director to inspect the markings on cigarette packaging at any time.

2014, cc. [370](#), [418](#).

§ 9.1-214. Nonconforming cigarettes.

A. Any cigarettes that have been sold or offered for sale that do not comply with the performance standard required by § [9.1-210](#) shall be deemed contraband and subject to forfeiture and disposal by the Commonwealth; however, prior to the destruction of any cigarettes forfeited pursuant to this subsection, the true holder of the trademark rights in the cigarette brand shall be permitted to inspect such cigarettes.

B. The Department and the State Fire Marshal, in the regular course of conducting inspections of retailers and wholesalers, may inspect cigarettes to determine if the cigarettes are marked as required by § [9.1-212](#). If the cigarettes are not marked as required, the Department shall notify the Director.

C. Whenever law-enforcement personnel, the State Fire Marshal or local fire marshal appointed under § [27-30](#), or a duly authorized representative of the Director discovers any cigarettes that have not been marked in the manner required by § [9.1-212](#), such personnel are hereby authorized and

empowered to seize and take possession of such cigarettes. Such cigarettes shall be turned over to the Department and shall be forfeited to the Commonwealth. Cigarettes seized pursuant to this section shall be destroyed; however, prior to the destruction of any cigarette seized pursuant to this subsection, the true holder of the trademark rights in the cigarette brand shall be permitted to inspect the cigarette.

2014, cc. [370](#), [418](#).

§ 9.1-215. Powers of Director; regulation and implementation.

The Director:

1. In consultation with the State Fire Marshal, may adopt regulations necessary to carry out and administer this chapter;
2. In consultation with the State Fire Marshal, may adopt regulations for the conduct of random inspections of retailers, vending machine operators, and wholesalers to ensure compliance with this chapter; and
3. Shall ensure that the implementation and substance of this chapter is in accordance with the implementation and substance of the New York fire safety standards for cigarettes.

2014, cc. [370](#), [418](#).

§ 9.1-216. Enforcement; civil penalties.

A. A manufacturer or other person who knowingly sells or offers for sale cigarettes other than by retail sale in violation of § [9.1-210](#) shall be subject to a civil penalty not exceeding \$100 for each such pack of cigarettes sold or offered for sale, provided that in no case shall the civil penalty assessed against any such person exceed \$100,000 for sales or offers for sale during any 30-day period.

B. A retailer who knowingly sells cigarettes in violation of § [9.1-210](#) shall be subject to a civil penalty not exceeding \$100 for each pack of such cigarettes sold or offered for sale, provided that in no case shall the civil penalty assessed against any retailer exceed \$25,000 for sales or offers for sale during any 30-day period.

C. Any person who violates any other provision of this chapter shall be subject to a civil penalty of not more than \$1,000 for the first violation. The civil penalty for each subsequent violation shall not exceed \$5,000.

D. A manufacturer who knowingly makes a false certification under § [9.1-211](#) shall be subject to a civil penalty of at least \$75,000 and not exceeding \$250,000 for each false certification.

E. A civil penalty may be assessed by the Director only after the Director has consulted with the State Fire Marshal and has given the manufacturer charged with making such a false certification an opportunity for a public hearing. Where such a public hearing has been held, the Director shall make findings of fact and issue a written decision as to the occurrence of the violation and the amount of the penalty that is warranted, incorporating, when appropriate, an order therein requiring that the penalty be paid. Any hearing under this section shall be a formal adjudicatory hearing in accordance with the

Administrative Process Act (§ [2.2-4000](#) et seq.). When the person charged with such a violation fails to avail himself of the opportunity for a public hearing, a civil penalty shall be assessed by the Director after the Director determines that a violation has occurred and the amount of the penalty is warranted and issues an order requiring that the penalty be paid.

F. The Director may collect civil penalties that are owed in the same manner as provided by law in respect to judgment of a court of record. Such civil penalties shall be paid into the Cigarette Fire Safety Standard and Firefighter Protection Act Fund referenced in subsection F of § [9.1-211](#) and used in carrying out the purposes of this chapter.

2014, cc. [370](#), [418](#).

§ 9.1-217. Application of chapter to certain cigarettes; conflicting local ordinances preempted.

A. Nothing in this chapter shall be construed to prohibit any person from manufacturing or selling cigarettes that do not meet the requirements of this chapter if the cigarettes are or will be stamped for sale in another state or sold in North Carolina or South Carolina, or are packaged for sale outside the United States, and that person has taken reasonable steps to ensure that such cigarettes will not be sold or offered for sale to persons located in the Commonwealth.

B. Notwithstanding any other provision of law, a locality may neither enact nor enforce any ordinance or other local law or regulation that conflicts with, or is inconsistent with, any provision of this chapter.

§ 9.1-400.1. Line of Duty Death and Health Benefits Trust Fund.

A. There is hereby established a permanent and perpetual fund to be known as the Line of Duty Death and Health Benefits Trust Fund, consisting of such moneys as may be appropriated by the General Assembly, contributions or reimbursements from participating and nonparticipating employers, gifts, bequests, endowments, or grants from the United States government or its agencies or instrumentalities, net income from the investment of moneys held in the Fund, and any other available sources of funds, public and private. Any moneys remaining in the Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest and income earned from the investment of such moneys shall remain in the Fund and be credited to it. The moneys in the Fund shall be (i) deemed separate and independent trust funds, (ii) segregated and accounted for separately from all other funds of the Commonwealth, and (iii) administered solely in the interests of the persons who are covered under the benefits provided pursuant to this chapter. Deposits to and assets of the Fund shall not be subject to the claims of creditors.

B. The Virginia Retirement System shall invest, reinvest, and manage the assets of the Fund as provided in § [51.1-124.39](#) and shall be reimbursed from the Fund for such activities as provided in that section.

C. The Fund shall be used to provide the benefits under this chapter related to disabled persons, deceased persons, eligible dependents, and eligible spouses on behalf of participating employers and to pay related administrative costs.

D. Each participating employer shall make annual contributions to the Fund and provide information as determined by VRS. The amount of the contribution for each participating employer shall be determined on a current disbursement basis in accordance with the provisions of this section. For purposes of establishing contribution amounts for participating employers, a member of any fire company or department or rescue squad that has been recognized by an ordinance or a resolution of the governing body of any locality of the Commonwealth as an integral part of the official safety program of such locality shall be considered part of the locality served by the company, department, or rescue squad. If a company, department, or rescue squad serves more than one locality, the affected

localities shall determine the basis and apportionment of the required covered payroll and contributions for each company, department, or rescue squad.

If any participating employer fails to remit contributions or other fees or costs associated with the Fund, VRS shall inform the State Comptroller and the affected participating employer of the delinquent amount. In calculating the delinquent amount, VRS may impose an interest rate of one percent per month of delinquency. The State Comptroller shall forthwith transfer such delinquent amount, plus interest, from any moneys otherwise distributable to such participating employer.

2016, c. [677](#); 2017, c. [439](#).

§ 9.1-401. Continued health insurance coverage for disabled persons, eligible spouses, and eligible dependents.

A. Disabled persons, eligible spouses, and eligible dependents shall be afforded continued health insurance coverage as provided in this section, the cost of which shall be paid by the nonparticipating employer to the Department of Human Resource Management or from the Fund on behalf of a participating employer, as applicable. If any disabled person or eligible spouse is receiving the benefits described in this section and would otherwise qualify for the health insurance credit described in Chapter 14 (§ [51.1-1400](#) et seq.) of Title 51.1, the amount of such credit shall be deposited into the Line of Duty Death and Health Benefits Trust Fund or paid to the nonparticipating employer, as applicable, from the health insurance credit trust fund, in a manner prescribed by VRS.

B. 1. The continued health insurance coverage provided by this section for all disabled persons, eligible spouses, and eligible dependents shall be through separate plans, referred to as the LODA Health Benefits Plans (the Plans), administered by the Department of Human Resource Management. The Plans shall comply with all applicable federal and state laws and shall be modeled upon state employee health benefits program plans. Funding of the Plans' reserves and contingency shall be provided through a line of credit, the amount of which shall be based on an actuarially determined estimate of liabilities. The Department of Human Resource Management shall be reimbursed for health insurance premiums and all reasonable costs incurred and associated, directly and indirectly, in performing the duties pursuant to this section (i) from the Line of Duty Death and Health Benefits Trust Fund for costs related to disabled persons, deceased persons, eligible dependents, and eligible spouses on behalf of participating employers and (ii) from a nonparticipating employer for premiums and costs related to disabled persons, deceased persons, eligible dependents, and eligible spouses for which the nonparticipating employer is responsible. If any nonparticipating employer fails to remit such premiums and costs, the Department of Human Resource Management shall inform the State Comptroller and the affected nonparticipating employer of the delinquent amount. In calculating the delinquent amount, the Department of Human Resource Management may impose an interest rate of one percent per month of delinquency. The State Comptroller shall forthwith transfer such delinquent amount, plus interest, from any moneys otherwise distributable to such nonparticipating employer.

2. In the event that temporary health care insurance coverage is needed for disabled persons, eligible spouses, and eligible dependents during the period of transition into the LODA Health Benefits Plans, the Department of Human Resource Management is authorized to acquire and provide temporary transitional health insurance coverage. The type and source of the transitional health plans shall be within the sole discretion of the Department of Human Resource Management. Transitional coverage for eligible dependents shall comply with the eligibility criteria of the transitional plans until enrollment in the LODA Health Benefits Plan can be completed.

C. 1. a. Except as provided in subdivision 2 and any other law, continued health insurance coverage in any LODA Health Benefits Plans shall not be provided to any person (i) whose coverage under the Plan is based on a deceased person's death or a disabled person's disability occurring on or after July 1, 2017 and (ii) who is eligible for Medicare due to age.

b. Coverage in the LODA Health Benefits Plans shall also cease for any person upon his death.

2. The provisions of subdivision 1 a shall not apply to any disabled person who is eligible for Medicare due to disability under Social Security Disability Insurance or a Railroad Retirement Board Disability Annuity. The Department of Human Resource Management may provide such disabled person coverage under a LODA Health Benefits Plan that is separate from the plan for other persons.

3. Continued health insurance under this section shall also terminate upon the disabled person's return to full duty in any position listed in the definition of deceased person in § [9.1-400](#). Such disabled person shall promptly notify the participating or nonparticipating employer, VRS, and the Department of Human Resource Management upon his return to work.

4. Such continued health insurance shall be suspended for the Plan year following a calendar year in which the disabled person whose coverage under the Plan is based on a disability occurring on or after July 1, 2017, has earned income in an amount equal to or greater than the salary of the position held by the disabled person at the time of disability, indexed annually based upon the annual increases in the United States Average Consumer Price Index for all items, all urban consumers (CPI-U), as published by the Bureau of Labor Statistics of the U.S. Department of Labor. Such suspension shall cease the Plan year following a calendar year in which the disabled person has not earned such amount of income. The disabled person shall notify the participating or nonparticipating employer, VRS, and the Department of Human Resource Management no later than March 1 of the year following any year in which he earns income of such amount, and notify the participating or nonparticipating employer, VRS, and the Department of Human Resource Management when he no longer is earning such amount. Upon request, a disabled person shall provide VRS and the Department of Human Resource Management with documentation of earned income.

§ 9.1-401.1. Supplemental short-term disability benefit for state police officers.

A state police officer who is a participating employee, as defined in § [51.1-1100](#), and who incurs a work-related injury in the line of duty, shall receive supplemental short-term disability coverage,

pursuant to § [51.1-1121](#), that provides income replacement for 100 percent of the officer's creditable compensation for the first six months and, pursuant to a certification by the Superintendent of State Police, based on a medical evaluation, that the officer is likely to return to service within another six months, up to one calendar year, that the officer is disabled, without regard to the officer's number of months of state service. Except as provided in this section with regard to the rate of income replacement and the duration of supplemental short-term disability coverage, such state police officers shall be eligible for work-related, supplemental short-term disability benefits upon the same terms and conditions that apply to other participating employees pursuant to Article 4 (§ [51.1-1119](#) et seq.) of Chapter 11 of Title 51.1. Upon the expiration of the one-calendar-year period, such state police officers shall be eligible for supplemental long-term disability benefits as provided in § [51.1-1123](#).

2010, c. [654](#).

§ 9.1-402. Payments to beneficiaries of certain deceased law-enforcement officers, firefighters, etc., and retirees.

A. The beneficiary of a deceased person whose death occurred on or before December 31, 2005, while in the line of duty as the direct or proximate result of the performance of his duty shall be entitled to receive the sum of \$75,000, which shall be paid by the nonparticipating employer or from the Fund on behalf of a participating employer, as applicable, in gratitude for and in recognition of his sacrifice on behalf of the people of the Commonwealth.

B. The beneficiary of a deceased person whose death occurred on or after January 1, 2006, while in the line of duty as the direct or proximate result of the performance of his duty shall be entitled to receive the sum of \$100,000, which shall be paid by the nonparticipating employer or from the Fund on behalf of a participating employer, as applicable, in gratitude for and in recognition of his sacrifice on behalf of the people of the Commonwealth.

C. Subject to the provisions of § [27-40.1](#), [27-40.2](#), [51.1-813](#), or [65.2-402](#), if the deceased person's death (i) arose out of and in the course of his employment or (ii) was within five years from his date of retirement, his beneficiary shall be entitled to receive the sum of \$25,000, which shall be paid by the nonparticipating employer or from the Fund on behalf of a participating employer, as applicable.

1995, cc. [156](#), [597](#), § 2.1-133.7; 2000, c. [314](#); 2001, c. [844](#); 2006, c. [878](#); 2016, c. [677](#).

§ 9.1-402.1. Payments for burial expenses.

It is the intent of the General Assembly that expeditious payments for burial expenses be made for deceased persons whose death is determined to be a direct and proximate result of their performance in the line of duty as defined by the Line of Duty Act. Upon the approval of VRS, at the request of the family of a person who may be subject to the line of duty death benefits, payments shall be made to a funeral service provider for burial and transportation costs by the nonparticipating employer or from the Fund on behalf of a participating employer, as applicable. These payments would be advanced from the death benefit that would be due to the beneficiary of the deceased person if it is determined that the person qualifies for line of duty coverage. Expenses advanced under this provision shall not

exceed the coverage amounts outlined in § [65.2-512](#). In the event a determination is made that the death is not subject to the line of duty benefits, VRS or other Virginia governmental retirement fund of which the deceased is a member will deduct from benefit payments otherwise due to be paid to the beneficiaries of the deceased payments previously paid for burial and related transportation expenses and return such funds to the nonparticipating employer or to the Fund on behalf of a participating employer, as applicable. The Virginia Retirement System shall have the right to file a claim with the Virginia Workers' Compensation Commission against any employer to recover burial and related transportation expenses advanced under this provision.

2012, cc. [90](#), [576](#); 2016, c. [677](#).

§ 9.1-403. Claim for payment; costs.

A. Every beneficiary, disabled person or his spouse, or dependent of a deceased or disabled person shall present his claim to the chief officer, or his designee, of the employer for which the disabled or deceased person last worked on forms to be provided by VRS. Upon receipt of a claim, the chief officer or his designee shall forward the claim to VRS within seven days. The Virginia Retirement System shall determine eligibility for benefits under this chapter. The Virginia Retirement System may request assistance in obtaining information necessary to make an eligibility determination from the Department of State Police. The Department of State Police shall take action to conduct the investigation as expeditiously as possible. The Department of State Police shall be reimbursed from the Fund or the nonparticipating employer, as applicable, for the cost of searching for and obtaining information requested by VRS. The Virginia Retirement System shall be reimbursed for the reasonable costs incurred for making eligibility determinations by nonparticipating employers or from the Fund on behalf of participating employers, as applicable. If any nonparticipating employer fails to reimburse VRS for reasonable costs incurred in making an eligibility determination, VRS shall inform the State Comptroller and the affected nonparticipating employer of the delinquent amount. In calculating the delinquent amount, VRS may impose an interest rate of one percent per month of delinquency. The State Comptroller shall forthwith transfer such delinquent amount, plus interest, from any moneys otherwise distributable to such nonparticipating employer.

B. 1. Within 10 business days of being notified by an employee, or an employee's representative, that such employee is permanently and totally disabled due to a work-related injury suffered in the line of duty, the agency or department employing the employee shall provide him with information about the continued health insurance coverage provided under this chapter and the process for initiating a claim. The employer shall assist in filing a claim, unless such assistance is waived by the employee or the employee's representative.

2. Within 10 business days of having knowledge that a deceased person's surviving spouse, dependents, or beneficiaries may be entitled to benefits under this chapter, the employer for which the deceased person last worked shall provide the surviving spouse, dependents, or beneficiaries, as applicable, with information about the benefits provided under this chapter and the process for ini-

tiating a claim. The employer shall assist in filing a claim, unless such assistance is waived by the surviving spouse, dependents, or beneficiaries.

C. Within 30 days of receiving a claim pursuant to subsection A, an employer may submit to VRS any evidence that could assist in determining the eligibility of a claim. However, when the claim involves a presumption under § [65.2-402](#) or [65.2-402.1](#), VRS shall provide an employer additional time to submit evidence as is necessary not to exceed nine months from the date the employer received a claim pursuant to subsection A. Any such evidence submitted by the employer shall be included in the agency record for the claim.

1995, c. [156](#), § 2.1-133.8; 1998, c. [712](#); 2001, cc. [427](#), [844](#); 2007, c. [90](#); 2009, cc. [393](#), [580](#); 2016, c. [677](#).

§ 9.1-404. Order of the Virginia Retirement System.

A. 1. The Virginia Retirement System shall make an eligibility determination within 45 days of receiving all necessary information for determining eligibility for a claim filed under § [9.1-403](#). The Virginia Retirement System may use a medical board pursuant to § [51.1-124.23](#) in determining eligibility. If benefits under this chapter are due, VRS shall notify the nonparticipating employer, which shall provide the benefits within 15 days of such notice, or VRS shall pay the benefits from the Fund on behalf of the participating employer within 15 days of the determination, as applicable. The payments shall be retroactive to the first date that the disabled person was no longer eligible for health insurance coverage subsidized by his employer.

2. Two years after an individual has been determined to be a disabled person, VRS may require the disabled person to renew the determination through a process established by VRS. If a disabled person refuses to submit to the determination renewal process described in this subdivision, then benefits under this chapter shall cease for the individual, any eligible dependents, and an eligible spouse until the individual complies. If such individual does not comply within six months from the date of the initial request for a renewed determination, then benefits under this chapter shall permanently cease for the individual, any eligible dependents, and an eligible spouse. If VRS issues a renewed determination that an individual is no longer a disabled person, then benefits under this chapter shall permanently cease for the individual, any eligible dependents, and an eligible spouse. If VRS issues a renewed determination that an individual remains a disabled person, then VRS may require the disabled person to renew the determination five years after such renewed determination through a process established by VRS. The Virginia Retirement System may require the disabled person to renew the determination at any time if VRS has information indicating that the person may no longer be disabled.

3. For any medical review conducted for the purpose of making an eligibility determination pursuant to this section, VRS shall require such review to be conducted by a licensed health practitioner. For purposes of this section, "licensed health practitioner" means a person licensed to practice medicine or osteopathic medicine pursuant to the provisions of Chapter 29 (§ [54.1-2900](#) et seq.) of Title 54.1, a person licensed to practice nursing pursuant to the provisions of Chapter 30 (§ [54.1-3000](#) et seq.) of Title

54.1, or a person licensed to practice psychology pursuant to the provisions of Chapter 36 (§ [54.1-3600](#) et seq.) of Title 54.1. "Licensed health practitioner" includes a person issued a comparable license, as determined by VRS, by the District of Columbia or a state that is contiguous to the Commonwealth.

B. The Virginia Retirement System shall be reimbursed for all reasonable costs incurred and associated, directly and indirectly, in performing the duties pursuant to this chapter (i) from the Line of Duty Death and Health Benefits Trust Fund for costs related to disabled persons, deceased persons, eligible dependents, and eligible spouses on behalf of participating employers and (ii) from a non-participating employer for premiums and costs related to disabled persons, deceased persons, eligible dependents, and eligible spouses for which the nonparticipating employer is responsible.

C. The Virginia Retirement System may develop policies and procedures necessary to carry out the provisions of this chapter.

B. "Tier I offense" as defined in this section, "Tier II offense" as defined in this section, "Tier III offense" as defined in this section, and "murder" as defined in this section includes any similar offense under the laws of any foreign country or any political subdivision thereof or the United States or any political subdivision thereof.

Any offense under the laws of any foreign country or any political subdivision thereof or the United States or any political subdivision thereof that is similar to (i) any Tier I, II, or III offense or (ii) murder as defined in this section shall require registration and reregistration in accordance with this chapter in a manner consistent with the registration and reregistration obligations imposed by the similar offense listed or defined in this section, unless such offense requires more stringent registration and reregistration obligations under the laws of the jurisdiction where the offender was convicted. In instances where more stringent registration and reregistration obligations are required under the laws of the jurisdiction where the offender was convicted, the offender shall register and reregister as required by this chapter in a manner most similar with the registration obligations imposed under the laws of the jurisdiction where the offender was convicted.

2. Any offense for which registration in a sex offender and crimes against minors registry is required under the laws of the jurisdiction where the offender was convicted shall require registration and reregistration in accordance with this chapter in the manner most similar with the registration and

reregistration obligations imposed under the laws of the jurisdiction where the offender was convicted unless such offense is similar to (i) any Tier I, II, or III offense or (ii) murder as defined in this section and the registration and reregistration obligations imposed by the similar offense listed or defined in this section are more stringent than those registration and reregistration obligations imposed under the laws of the jurisdiction where the offender was convicted. In making its determination, the court shall consider all of the following factors that are relevant to the case: (i) the degree to which the delinquent act was committed with the use of force, threat, or intimidation, (ii) the age and maturity of the complaining witness, (iii) the age and maturity of the offender, (iv) the difference in the ages of the complaining witness and the offender, (v) the nature of the relationship between the complaining witness and the offender, (vi) the offender's prior criminal history, and (vii) any other aggravating or mitigating factors relevant to the case. The attorney for the Commonwealth may file such a motion at any time during which the offender is within the jurisdiction of the court for the offense that is the basis for such motion. Prior to any hearing on such motion, the court shall appoint a qualified and competent attorney-at-law to represent the offender unless an attorney has been retained and appears on behalf of the offender or counsel has already been appointed.

E. Prior to entering judgment of conviction of an offense for which registration is required if the victim of the offense was a minor, physically helpless, or mentally incapacitated, when the indictment, warrant, or information does not allege that the victim of the offense was a minor, physically helpless, or mentally incapacitated, the court shall determine by a preponderance of the evidence whether the victim of the offense was a minor, physically helpless, or mentally incapacitated, as defined in § [18.2-67.10](#), and shall also determine the age of the victim at the time of the offense if it determines the victim to be a minor. When such a determination is required, the court shall advise the defendant of its determination and of the defendant's right to make a motion to withdraw a plea of guilty or nolo contendere pursuant to § [19.2-296](#). If the court grants the defendant's motion to withdraw his plea of guilty or of nolo contendere, his case shall be heard by another judge, unless the parties agree otherwise. Failure to make such determination or so advise the defendant does not otherwise invalidate the underlying conviction.

The State Police shall also promptly notify the local law-enforcement agency of the jurisdiction of the person's last known residence as shown in the records of the State Police.

B. Nothing in this section shall prohibit a law-enforcement officer employed by a sheriff's office or police department of a locality from enforcing the provisions of this chapter, including obtaining a warrant, or assisting in obtaining an indictment for a violation of § [18.2-472.1](#). The local law-enforcement

agency shall notify the State Police forthwith of such actions taken pursuant to this chapter or under the authority granted pursuant to this section.

C. The State Police shall physically verify or cause to be physically verified the registration information within 30 days of the initial registration and semiannually each year thereafter and within 30 days of a change of address of those persons who are not under the control of the Department of Corrections or community supervision as defined by § [53.1-1](#), who are required to register pursuant to this chapter. Whenever it appears that a person has provided false registration information, the State Police shall promptly investigate and, if there is probable cause to believe that a violation has occurred, obtain a warrant or assist in obtaining an indictment charging a violation of § [18.2-472.1](#) in the jurisdiction in which the person last registered, reregistered, or verified his registration information. The State Police shall forward to the jurisdiction an affidavit signed by a custodian of the records that such person failed to comply with the provisions of this chapter. If such affidavit is admitted into evidence, it shall constitute prima facie evidence of the failure to comply with the provisions of this chapter in any trial or hearing for the violation of § [18.2-472.1](#), provided that in a trial or hearing other than a preliminary hearing, the requirements of subsection G of § [18.2-472.1](#) have been satisfied and the accused has not objected to the admission of the affidavit pursuant to subsection H of § [18.2-472.1](#). The State Police shall also promptly notify the local law-enforcement agency of the jurisdiction of the person's last known residence as shown in the records of the State Police.

D. The Department of Corrections or community supervision as defined by § [53.1-1](#) shall physically verify or cause to be physically verified by the State Police the registration information within 30 days of the original registration and semiannually each year thereafter and within 30 days of a change of address of all persons who are under the control of the Department of Corrections or community supervision, and those who are under supervision pursuant to § [37.2-919](#), who are required to register pursuant to this chapter. The Department of Corrections or community supervision, upon request, shall provide the State Police the verification information, in an electronic format approved by the State Police, regarding persons under their control who are required to register pursuant to the chapter. Whenever it appears that a person has provided false registration information, the Department of Corrections or community supervision shall promptly notify the State Police, who shall investigate and, if there is probable cause to believe that a violation has occurred, obtain a warrant or assist in obtaining an indictment charging a violation of § [18.2-472.1](#) in the jurisdiction in which the person last registered, reregistered, or verified his registration information. The State Police shall forward to the jurisdiction an affidavit signed by a custodian of the records that such person failed to comply with the provisions of this chapter. If such affidavit is admitted into evidence, it shall constitute prima facie evidence of the failure to comply with the provisions of this chapter in any trial or hearing for the violation of § [18.2-472.1](#), provided that in a trial or hearing other than a preliminary hearing, the requirements of subsection G of § [18.2-472.1](#) have been satisfied and the accused has not objected to the admission of the affidavit pursuant to subsection H of § [18.2-472.1](#). The State Police shall also promptly notify the

local law-enforcement agency of the jurisdiction of the person's last known residence as shown in the records of the State Police.

§ 9.1-908. Duration of registration requirement.

Any person required to register, reregister, or verify his registration information shall be required to register until the duty to register, reregister, or verify his registration information is terminated by a court order as set forth in § [9.1-910](#), except that any person who has been convicted of (i) any Tier III offense, (ii) murder or (iii) former § [18.2-67.2:1](#) shall have a continuing duty to reregister or verify his registration information for life.

Any period of confinement in a federal, state, or local correctional facility, hospital, or any other institution or facility during the otherwise applicable period shall toll the registration or verification period and the duty to reregister or verify his registration information shall be extended. Persons confined in a federal, state, or local correctional facility shall not be required to reregister or verify his registration information until released from custody. Persons civilly committed pursuant to Chapter 9 (§ [37.2-900](#) et seq.) of Title 37.2 shall not be required to reregister or verify his registration information until released from custody. Persons confined in a federal, state, or local correctional facility or civilly committed pursuant to Chapter 9 (§ [37.2-900](#) et seq.) of Title 37.2 shall notify the Registry within three days following any change of name.

§ 9.1-909. Relief from registration, reregistration, or verification.

A. Upon expiration of three years from the date upon which the duty to register as a Tier III offender or murderer is imposed, the person required to register may petition the court in which he was convicted or, if the conviction occurred outside of the Commonwealth, the circuit court in the jurisdiction where he currently resides, for relief from the requirement to verify his registration information four times each year at three-month intervals. After five years from the date of his last conviction for a violation of § [18.2-472.1](#), a Tier III offender or murderer may petition for relief from the requirement to verify his registration information every month. A person who is required to register may similarly petition the circuit court for relief from the requirement to verify his registration twice each year after five years from the date of his last conviction for a violation of § [18.2-472.1](#). The court shall hold a hearing on the petition, on notice to the attorney for the Commonwealth, to determine whether the person suffers from a mental abnormality or a personality disorder that makes the person a menace to the health and safety of others or significantly impairs his ability to control his sexual behavior. Prior to the hearing the court shall order a comprehensive assessment of the applicant by a panel of three certified sex offender treatment providers as defined in § [54.1-3600](#). A report of the assessment shall be filed with the court prior to the hearing. The costs of the assessment shall be taxed as costs of the proceeding.

If, after consideration of the report and such other evidence as may be presented at the hearing, the court finds by clear and convincing evidence that the person does not suffer from a mental abnormality or a personality disorder that makes the person a menace to the health and safety of others or significantly impairs his ability to control his sexual behavior, the petition shall be granted and the duty to verify his registration information more frequently than once a year shall be terminated. The court shall promptly notify the State Police upon entry of an order granting the petition. The person shall, however, be under a continuing duty to register annually for life. If the petition is denied, the duty to verify his registration information with the same frequency as before shall continue. A denial of a petition shall be appealable pursuant to § [17.1-405](#).

A petition for relief pursuant to this subsection may not be filed within three years from the date on which any previous petition for such relief was denied.

B. The duly appointed guardian of a person convicted of an offense requiring registration, reregistration, or verification of his registration information as either a Tier I, Tier II, or Tier III offender or murderer, who due to a physical condition is incapable of (i) reoffending and (ii) reregistering or verifying his registration information, may petition the court in which the person was convicted for relief from the requirement to reregister or verify his registration information. The court shall hold a hearing on the petition, on notice to the attorney for the Commonwealth, to determine whether the person suffers from a physical condition that makes the person (i) no longer a menace to the health and safety of others and (ii) incapable of reregistering or verifying his registration information. Prior to the hearing the court shall order a comprehensive assessment of the applicant by at least two licensed physicians other than the person's primary care physician. A report of the assessment shall be filed with the court prior to the hearing. The costs of the assessment shall be taxed as costs of the proceeding.

If, after consideration of the report and such other evidence as may be presented at the hearing, the court finds by clear and convincing evidence that due to his physical condition the person (i) no longer poses a menace to the health and safety of others and (ii) is incapable of reregistering or verifying his registration information, the petition shall be granted and the duty to reregister or verify his registration information shall be terminated. However, for a person whose duty to reregister or verify his registration information was terminated under this subsection, the Department of State Police shall, annually for Tier I or Tier II offenders and quarterly for persons convicted of Tier III offenses and murder, verify and report to the attorney for the Commonwealth in the jurisdiction in which the person resides that the person continues to suffer from the physical condition that resulted in such termination.

The court shall promptly notify the State Police upon entry of an order granting the petition to terminate the duty to reregister.

If the petition is denied, the duty to reregister shall continue. An appeal from the denial of a petition shall be to the Court of Appeals.

A petition for relief pursuant to this subsection may not be filed within three years from the date on which any previous petition for such relief was denied.

If, at any time, the person's physical condition changes so that he is capable of reoffending, reregistering, or verifying his registration information, the attorney for the Commonwealth shall file a petition with the circuit court in the jurisdiction where the person resides and the court shall hold a hearing on the petition, with notice to the person and his guardian, to determine whether the person still suffers from a physical condition that makes the person (i) no longer a menace to the health and safety of others and (ii) incapable of reregistering or verifying his registration information. If the petition is granted, the duty to reregister shall commence from the date of the court's order. An appeal from the denial or granting of a petition shall be to the Court of Appeals. Prior to the hearing the court shall order a comprehensive assessment of the applicant by at least two licensed physicians other than the person's primary care physician. A report of the assessment shall be filed with the court prior to the hearing. The costs of the assessment shall be taxed as costs of the proceeding.

A. Any person required to register, other than a person who has been convicted of any (i) Tier III offense, (ii) two or more offenses for which registration is required, (iii) a violation of former § [18.2-67.2:1](#), or (iv) murder, may petition the circuit court in which he was convicted or the circuit court in the jurisdiction where he then resides for removal of his name and all identifying information from the Registry. A person who is required to register for a single Tier I offense may petition the court no earlier than 15 years from the later of the date of initial registration or the date of his last conviction for (a) a violation of § [18.2-472.1](#) or (b) any felony. A person who is required to register for a single Tier II offense may petition the court no earlier than 25 years from the later of the date of initial registration or the date of his last conviction for (1) a violation of § [18.2-472.1](#) or (2) any felony.

B. A petition may not be filed until all court ordered treatment, counseling, and restitution has been completed. The court shall obtain a copy of the petitioner's complete criminal history and registration, reregistration, and verification of registration information history from the Registry and then hold a hearing on the petition at which the applicant and any interested persons may present witnesses and other evidence. The Commonwealth shall be made a party to any action under this section. If, after such hearing, the court is satisfied that such person no longer poses a risk to public safety, the court shall grant the petition. In the event the petition is not granted, the person shall wait at least 24 months from the date of the denial to file a new petition for removal from the Registry.

C. The State Police shall remove from the Registry the name of any person and all identifying information upon receipt of an order granting a petition pursuant to subsection B.

registration information received from persons required to do so. The Registry shall also include a separate indication that a person has been convicted of a Tier III offense. In order to obtain the information from the Department of State Police, the requesting business or organization that offers electronic communication or remote computing services shall agree to notify the Department of State Police forthwith when a comparison indicates that any such registered offender's electronic mail address information, any instant message, chat or other Internet communication name or identity information is being used on their system. The requesting business or organization shall also agree that the information will not be further disseminated.

The system shall be secure and not capable of being altered except by the State Police. The system shall be updated each business day with newly received registrations, reregistrations and verifications of registration information. Upon receipt thereof, the attorney for the

Commonwealth shall file the application in the circuit court of such county or city. A sworn analysis report signed by a person designated by the Director of the Department shall accompany the application for disposal and shall clearly identify and designate the material to be disposed of. The application shall state the nature of the hazardous materials, the quantity thereof, the location where seized, the person from whom the materials were seized, and the manner whereby the materials shall be destroyed.

Upon receipt of the analysis report and the application, the court may order the destruction of all, or a part of, the material. However, a sufficient and representative quantity of the material shall be retained to permit an independent analysis when a criminal prosecution may result from the seizure. A return under oath, reporting the time, place, and manner of destruction, shall be made to the courts. Copies of the analysis report, application, order, and return shall be made a part of the record of any criminal prosecution. The notice shall state the nature of the property, the quantity thereof, the location where seized, the name of the accused, if known, and the proposed method of disposing of the property.

When the ownership of the property is known, a copy of the notice shall be sent simultaneously with the notice to the court to the owner, or, if any criminal charge is pending in any court relating to the property, the copy shall be sent to the accused at his last known address. Notice shall be by certified mail. The court, within 30 days after receipt of the notice, may direct that the property be disposed of by the Department, by an alternative method designed to preserve the property, at the expense of the agency submitting the property to the Department. If the court does not so direct within the 30-day period, then the Department may dispose of the property by the method set out in the notice. Copies of the analysis report and notice shall be made a part of the record of any criminal prosecution. The report, if sworn to, shall be admissible as evidence to the same extent as the disposed-of property would have been admissible.

The application, under oath, shall list each item of property, the date of submission to the Department, the agency or individual submitting the property, any previous court orders entered regarding the storage of the property, and the proposed method of disposal. The application shall also state that written notice by first-class mail was given to each agency or individual submitting property listed at least 30 days prior to the application, and that no agency or individual objected to the disposal. A return, under oath, reporting the time, place, and manner of disposal, shall be made to the court.
