The Authority shall, following the close of each fiscal year, submit an annual report *on or before December 1* of its activities for the preceding year to the Governor *and General Assembly*. ~~The Clerk of each House of the General Assembly may receive a copy of the report by making a request for it to the chairman of the Authority.~~ Each report shall set forth a complete operating and financial statement for the Authority during the fiscal year it covers. An independent certified public accountant or the Auditor of Public Accounts shall perform an audit of the books and accounts of the Authority at least once in each fiscal year.

§ [63.2-1529](#). Evaluation of the child-protective services differential response system.

The Department shall evaluate and report on the impact and effectiveness of the implementation of the child-protective services differential response system in meeting the purposes set forth in this chapter. The evaluation shall include, but is not limited to, the following information: changes in the number of investigations, the number of families receiving services, the number of families rejecting services, the effectiveness of the initial assessment in determining the appropriate level of intervention, the impact on out-of-home placements, the availability of needed services, community cooperation, successes and problems encountered, the overall operation of the child-protective services differential response system and recommendations for improvement. The Department shall submit annual reports *on or before December 15* to the House Committee on Health, Welfare and Institutions and the Senate Committee on Rehabilitation and Social Services.

2. That §§ [23-101](#) and [23-102](#) of the Code of Virginia and the second enactment clause of Chapter 996 of the Acts of Assembly of 1996 are repealed.

### **Chapter 678 Prescription Monitoring Program; includes reporting by out-of-state dispensers.**

An Act to amend and reenact §§ [54.1-2519](#), [54.1-2520](#), [54.1-2523](#), and [54.1-3434.1](#) of the Code of Virginia, to amend the Code of Virginia by adding a section numbered [54.1-2523.1](#), and to repeal the fourth and fifth enactments of Chapter 481 of the 2002 Acts of Assembly, relating to the Prescription Monitoring Program.

[\[S 1098\]](#)

Approved March 23, 2005

Be it enacted by the General Assembly of Virginia:

1. That §§ [54.1-2519](#), [54.1-2520](#), [54.1-2523](#), and [54.1-3434.1](#) of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding a section numbered [54.1-2523.1](#) as follows:

§ [54.1-2519](#). Definitions.

As used in this article, unless the context requires a different meaning:

"Administer" means the direct application of a controlled substance, whether by injection, inhalation, ingestion or any other means, to the body of a patient or research subject

by (i) a practitioner or, under the practitioner's direction, his authorized agent or (ii) the patient or research subject at the direction and in the presence of the practitioner.

"Bureau" means the Virginia Department of State Police, Bureau of Criminal Investigation, Drug Diversion Unit.

"Controlled substance" means a drug, substance or immediate precursor in Schedules I through VI of the Drug Control Act, Chapter 34 (§ [54.1-3400](#) et seq.) of this title.

"Covered substance" means ~~a~~*all controlled substance substances included in Schedules II, III, and IV that is are* required to be reported to the Prescription Monitoring Program, pursuant to this chapter.

"Department" means the Virginia Department of Health Professions.

"Director" means the Director of the Virginia Department of Health Professions.

"Dispense" means to deliver a controlled substance to an ultimate user or research subject by or pursuant to the lawful order of a practitioner, including the prescribing and administering, packaging, labeling or compounding necessary to prepare the substance for that delivery.

"Dispenser" means a person or entity that (i) is authorized by law to dispense a covered substance or to maintain a stock of covered substances for the purpose of dispensing, and (ii) dispenses the covered substance to a citizen of the Commonwealth regardless of the location of the dispenser, or who dispenses such covered substance from a location in Virginia regardless of the location of the recipient.

"Prescriber" means a practitioner licensed in the Commonwealth who is authorized pursuant to §§ [54.1-3303](#) and [54.1-3408](#) to issue a prescription for a covered substance *or a practitioner licensed in another state to so issue a prescription for a covered substance.*

"Recipient" means a person who receives a covered substance from a dispenser.

"Relevant health regulatory board" means any such board that licenses persons or entities with the authority to prescribe or dispense covered substances, including, but not limited to, the Board of Dentistry, the Board of Medicine, and the Board of Pharmacy.

§ [54.1-2520](#). Program establishment; Director's regulatory authority.

A. The Director shall establish, maintain, and administer an electronic system to monitor the dispensing of covered substances to be known as the Prescription Monitoring Program. Covered substances shall include all Schedule II, III, and IV controlled substances, as defined in the Drug Control Act (§ [54.1-3400](#) et seq.).

B. The Director, after consultation with relevant health regulatory boards, shall promulgate, in accordance with the provisions of the Administrative Process Act (§ [2.2-4000](#) et seq.), such regulations as are necessary to implement the prescription monitoring pro-

gram as provided in this chapter, including, but not limited to, the establishment of criteria for granting waivers of the reporting requirements set forth in § [54.1-2521](#).

C. The Director may enter into contracts as may be necessary for the implementation and maintenance of the Prescription Monitoring Program.

D. The Director shall provide dispensers with a basic file layout to enable electronic transmission of the information required in this chapter. For those dispensers unable to transmit the required information electronically, the Director shall provide an alternative means of data transmission.

*E. The Director shall also establish an advisory committee within the Department to assist in the implementation and evaluation of the Prescription Monitoring Program.*

§ [54.1-2523](#). Confidentiality of data; disclosure of information; discretionary authority of Director.

A. All data, records, and reports relating to the prescribing and dispensing of covered substances to recipients and any abstracts from such data, records, and reports that are in the possession of the Prescription Monitoring program pursuant to this chapter and any material relating to the operation or security of the program shall be confidential and shall be exempt from the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.) pursuant to subdivision 15 of § [2.2-3705.5](#). Further, the Director shall only have discretion to disclose any such information as provided in subsections B and C.

B. Upon receiving a request for information in accordance with the Department's regulations and in compliance with applicable federal law and regulations, the Director shall disclose the following:

1. Information relevant to a specific investigation of a specific recipient or of a specific dispenser or prescriber to an agent designated by the superintendent of the Department of State Police to conduct drug diversion investigations pursuant to § [54.1-3405](#).

2. Information relevant to an investigation or inspection of or allegation of misconduct by a specific dispenser or prescriber *person licensed, certified, or registered by or an applicant for licensure, certification, or registration by a health regulatory board; or* information relevant to a disciplinary proceeding before a *health regulatory board* or in any subsequent trial or appeal of an action or board order to designated employees of the Department of Health Professions; *or to designated persons operating the Health Practitioners' Intervention Program pursuant to Chapter 25.1 (§ [54.1-2515](#) et seq.) of this title.*

3. Information relevant to the proceedings of any investigatory grand jury or special grand jury that has been properly impaneled in accordance with the provisions of Chapter 13 (§ [19.2-191](#) et seq.) of Title 19.2.

*4. Information relevant to a specific investigation of a specific dispenser or specific prescriber to an agent of the United States Drug Enforcement Administration with authority to conduct drug diversion investigations.*

C. In accordance with the Department's regulations and applicable federal law and regulations, the Director may, in his discretion, disclose:

1. Information in the possession of the program concerning a recipient who is over the age of 18 to that recipient.

2. Information on a specific recipient to a prescriber ~~licensed by the appropriate regulatory board in the Commonwealth~~, *as defined in this chapter*, for the purpose of establishing the treatment history of the specific recipient when such recipient is either under care and treatment by the prescriber or the prescriber is initiating treatment of such recipient, and the prescriber has obtained written consent to such disclosure from the recipient.

3. *Information on a specific recipient to a dispenser for the purpose of establishing a prescription history to assist the dispenser in determining the validity of a prescription in accordance with § [54.1-3303](#) when the recipient is seeking a covered substance from the dispenser or the facility in which the dispenser practices. Dispensers shall provide notice to patients, in a manner specified by the Director in regulation, that such information may be requested by them from the Prescription Monitoring Program.*

4. Information relevant to an investigation or regulatory proceeding of a specific dispenser or prescriber to other regulatory authorities concerned with granting, limiting or denying licenses, certificates or registrations to practice a health profession when such regulatory authority licenses such dispenser or prescriber or such dispenser or prescriber is seeking licensure by such other regulatory authority.

~~4~~ 5. Information relevant to an investigation relating to a specific dispenser or prescriber who is a participating provider in the Virginia Medicaid program or information relevant to an investigation relating to a specific recipient who is currently eligible for and receiving or who has been eligible for and has received medical assistance services to the Medicaid Fraud Control Unit of the Office of the Attorney General *or to designated employees of the Department of Medical Assistance Services, as appropriate.*

6. *Information relevant to determination of the cause of death of a specific recipient to the designated employees of the Office of the Chief Medical Examiner.*

7. *Information for the purpose of bona fide research or education to qualified personnel; however, data elements that would reasonably identify a specific recipient, prescriber, or dispenser shall be deleted or redacted from such information prior to disclosure. Further, release of the information shall only be made pursuant to a written agreement between*

*such qualified personnel and the Director in order to ensure compliance with this sub-division.*

D. This section shall not be construed to supersede the provisions of § [54.1-3406](#) concerning the divulging of confidential records relating to investigative information.

E. Confidential information that has been received, maintained or developed by any board or disclosed by the board pursuant to subsection A shall not, under any circumstances, be available for discovery or court subpoena or introduced into evidence in any medical malpractice suit or other action for damages arising out of the provision of or failure to provide services. However, this subsection shall not be construed to inhibit any investigation or prosecution conducted pursuant to Article 1 (§ [18.2-247](#) et seq.) of Chapter 7 of Title 18.2.

§ [54.1-2523.1](#). *Criteria for indicators of misuse; Director's authority to disclose information; intervention.*

*The Director shall develop, in consultation with an advisory panel, criteria for indicators of misuse and a method for analysis of data collected by the Prescription Monitoring Program using the criteria for indicators of misuse. Upon the development of such criteria and data analysis, the Director may, in addition to the discretionary disclosure of information pursuant to § [54.1-2523](#), disclose information using the criteria that indicates potential misuse by recipients of covered substances to their specific prescribers for the purpose of intervention to prevent such misuse.*

§ [54.1-3434.1](#). Nonresident pharmacies to register with Board.

A. Any pharmacy located outside ~~this~~ *the* Commonwealth which ships, mails, or delivers, in any manner, Schedule II through VI drugs or devices pursuant to a prescription into ~~this~~ *the* Commonwealth shall be considered a nonresident pharmacy, shall be registered with the Board, and shall disclose to the Board all of the following:

1. The location, names, and titles of all principal corporate officers and all pharmacists who are dispensing prescription drugs or devices to residents of ~~this~~ *the* Commonwealth. A report containing this information shall be made on an annual basis and within ~~thirty~~ 30 days after any change of office, corporate officer, or principal pharmacist.
2. That it complies with all lawful directions and requests for information from the regulatory or licensing agency of the Commonwealth in which it is licensed as well as with all requests for information made by the Board pursuant to this section. The nonresident pharmacy shall maintain, at all times, a valid unexpired license, permit, or registration to conduct the pharmacy in compliance with the laws of the state in which it is a resident.

As a prerequisite to registering with the Board, the nonresident pharmacy shall submit a

copy of the most recent inspection report resulting from an inspection conducted by the regulatory or licensing agency of the state in which it is located.

3. That it maintains its records of prescription drugs or dangerous drugs or devices dispensed to patients in ~~this~~ *the* Commonwealth so that the records are readily retrievable from the records of other drugs dispensed and provides a copy or report of such dispensing records to the Board, its authorized agents, or any agent designated by the Superintendent of the Department of State Police upon request within seven days of receipt of a request.

4. That its pharmacists do not knowingly fill or dispense a prescription for a patient in Virginia in violation of § [54.1-3303](#).

B. Any pharmacy subject to this section shall, during its regular hours of operation, but not less than six days per week, and for a minimum of ~~forty~~ 40 hours per week, provide a toll-free telephone service to facilitate communication between patients in ~~this~~ *the* Commonwealth and a pharmacist at the pharmacy who has access to the patient's records. This toll-free number shall be disclosed on a label affixed to each container of drugs dispensed to patients in ~~this~~ *the* Commonwealth.

C. *Pharmacies subject to this section shall comply with the reporting requirements of the Prescription Monitoring Program as set forth in § [54.1-2521](#).*

D. The registration fee shall be the fee specified for pharmacies within Virginia.

2. That the fourth and fifth enactment clauses of Chapter 481 of the 2002 Acts of Assembly are repealed.

3. That the Director of the Department of Health Professions shall promulgate regulations to implement the provisions of this act to be effective within 280 days of its enactment.

4. That, notwithstanding the in due course effective date of this act, the provisions of this act shall not be implemented or enforced until the regulations promulgated pursuant to the third enactment clause shall become effective.

5. That the Director of the Department of Health Professions shall notify all dispensers that will be newly subject to the reporting requirements of § [54.1-2521](#) pursuant to this act of such reporting requirements prior to the effective date of the regulations promulgated pursuant to the third enactment clause.

## **Chapter 680 Clarksville-Boydton Airport Commission; created.**

An Act to create the Clarksville-Boydton Airport Commission.

[\[S 1113\]](#)

Approved March 23, 2005

Be it enacted by the General Assembly of Virginia:

1.

*Clarksville-Boydton Airport Commission.*

*§ 1. If the governing bodies of the towns of Clarksville and Boydton shall by resolution declare that there is a need for an airport commission to be created for the purpose of establishing and operating one or more airports or landing fields for all such political subdivisions, an airport commission, to be known as "The Clarksville-Boydton Airport Commission," shall thereupon exist for the towns and shall exercise its powers and functions therein.*

*In any suit, action, or proceeding involving the validity or enforcement of or relating to any contract of The Clarksville-Boydton Airport Commission, the airport commission shall be conclusively deemed to have become created as a body corporate, and to have become established and authorized to transact business and exercise its powers hereunder upon proof of the adoption of a resolution by the governing body of each of the towns creating the airport commission declaring that there is need for an airport commission and that it unites with the other political subdivision in its creation. A copy of the resolution, duly certified by the clerk of the governing body of the town which adopted it, shall be admissible in evidence in any suit, action, or proceeding.*

*§ 2. The Clarksville-Boydton Airport Commission, hereinafter referred to as the "Commission," shall consist of members from the participating towns, the membership being composed of five members appointed by the Town of Clarksville and two members by the Town of Boydton. Each member shall be appointed by the governing bodies thereof. Original appointments of members shall be for terms as follows: from the Town of Clarksville, one member for two years, two members each for three and four years; from the Town of Boydton, one member for one year and one member for two years. Thereafter all appointments shall be for three-year terms, except appointments to fill vacancies which shall be for the unexpired terms.*

*The governing body appointing any member may remove that member at any time and appoint his successor. The Commission shall have power to elect its chairman and to adopt rules and regulations for its own procedures and government. The members of the Commission so appointed shall constitute the Commission, and the powers of such*

*Commission shall be vested in and exercised by the members in office from time to time. A majority of the members in office shall constitute a quorum.*

*§ 3. The Commission established hereunder shall have all powers necessary or convenient to carry out the general purposes of this act, including the following powers in addition to others herein granted:*

*A. To sue and be sued; to adopt a seal and alter the same at pleasure; to have perpetual succession; and to make and execute contracts and other instruments necessary or convenient to the exercise of its powers.*

*B. To employ technical experts and other officers, agents, and employees as it may require, and to fix their qualifications and duties, and to fix their compensation within the limits of available funds.*

*C. To accept gifts and make application for and receive grants from the Commonwealth of Virginia or any political subdivision thereof, and from the United States and any of its agencies.*

*D. To acquire within the territorial limits of the region for which it is formed, by purchase, lease, gift, condemnation or otherwise, whatever land may be reasonably necessary for the purpose of establishing, constructing, enlarging, maintaining, and operating one or more airports or landing fields.*

*E. To acquire, establish, construct, enlarge, improve, maintain, equip, operate, and regulate the use of any airports, air landing fields, structures, air navigation facilities, and other property incidental thereto, within the area for which it is created; provided, however, that no such airport shall be established or operated without the permission of the Virginia Department of Aviation.*

*F. To construct, install, maintain, and operate facilities for the servicing of aircraft, and for the accommodation of cargo, freight, mail, express, etc., and comfort of air travelers, and to purchase and sell equipment and supplies as an incident to the operation of its airport facilities.*

*G. To determine rates and charges for the use of its airport and other facilities.*

*H. To enforce all rules, regulations, and statutes relating to its airports, including airport zoning regulations.*

*I. To exercise within its area such powers and authority with respect to airports and air navigation facilities as may be conferred by law upon the governing bodies of the towns of the Commonwealth.*

*J. To make and enforce rules and regulations for the management and regulation of its business and affairs and for the use, maintenance, and operation of its facilities and properties.*

*K. To engage directly or through its agents or employees in the operation for profit of concessions in connection with its airports or other facilities, including the sale of airplanes and aircraft fuel, or to grant such privileges and concessions to others.*

*L. To comply with the provisions of the laws of the United States and the Commonwealth of Virginia and any rules and regulations made thereunder for the expenditure of state or federal moneys in connection with airports, landing fields, and air navigation facilities, and to accept, receive, and receipt for federal moneys granted the commission, or granted any of the political subdivisions by which it is formed, for airport purposes.*

*§ 4. The Commission established hereunder is hereby granted full power to exercise within its area the right of eminent domain in the acquisition of any lands, easements and privileges that are necessary for airport and landing field purposes, including the right to acquire, by eminent domain, aviation easements over lands or water outside the boundaries of its airport or landing fields where necessary or desirable in the interests of safety for aircraft to provide unobstructed air space for the landing and taking off of aircraft utilizing its airport and landing fields even though such aviation easement may be inconsistent with the continued use of such land for the same purposes for which it had been used prior to such acquisition, or inconsistent with the maintenance, preservation, and renewal of any structure or any tree or other vegetation standing or growing on the land at the time of acquisition; provided, however, that the power of eminent domain shall not extend to the taking of any radio or television towers or installation in existence on the effective date of this act. Proceedings for the acquisition of land, easements, and privileges by condemnation may be instituted and conducted in the name of the Commission, and the procedure shall be the same as in the acquisition of land by condemnation proceedings instituted by councils of towns; provided, that the provisions of [§ 25.1-102](#) of the Code of Virginia, shall apply to any property owned by a corporation possessing the power of eminent domain that may be sought to be taken by condemnation.*

*§ 5. The towns for which the Commission is formed are hereby authorized to appropriate to the Commission from available funds, or from funds provided for the purpose by bond issues, such funds as may be necessary for the acquisition, construction, maintenance, and operation of airports, air landing fields, and other air navigation facilities. The basis of financial participation by the towns shall be determined by agreement between their governing bodies.*

*§ 6. The Commission shall prepare annually and submit to the governing bodies of the respective towns for which it is formed for their approval, a budget showing the estimated revenues it may reasonably expect to receive for such year, and its estimated expenses for all purposes for such period. After the approval of such budget, the Commission shall*

*be limited in its expenditures for such year to the estimated expenses shown therein, and shall not commit the participating subdivisions beyond appropriations actually made. If the estimated expenditures exceed the estimated revenue from the operation of the Commission for such year the governing bodies of the participating local subdivisions may appropriate, in any amount the particular town determines it can contribute, the funds necessary to supply the deficiency. If the actual revenue received shall be less than the estimated revenue as approved in the budget, the governing bodies of the participating local subdivisions may appropriate, in the same manner, the funds necessary to supply the deficiency.*

*§ 7. If the funds received by the Commission in any year including money appropriated for its use by the participating subdivisions, shall exceed its expenditures for such year, the surplus shall be set aside in a separate fund for capital improvements and extensions. Such fund shall be used for this purpose only with the approval of both the participating subdivisions. Whenever such surplus fund shall amount to \$100,000, any additional revenue received in any year in excess of operating costs shall be applied towards repaying the participating towns' contributions to the Commission in amounts proportionate to each town's financial interest in the Commission. The financial interest of a town shall consist of the proportionate share of the total financial contributions, including those made for capital outlay and for any other reason whatsoever, each participating town has made to the Commission. Thereafter any profits derived from the operations of the Commission shall be distributed to the participating subdivisions in proportion to their financial interest in the Commission.*

*§ 8. The Commission shall be an independent body corporate, invested with the rights, powers, and authority and charged with the duties set forth in this act, and the political subdivisions which created it shall not be responsible for its acts. No pecuniary liability of any kind shall be imposed upon any town creating the Commission because of any act, agreement, contract, tort, malfeasance or misfeasance by or on the part of the Commission or any member thereof, or its agents, servants or employees, except as otherwise provided in this act with respect to contracts and agreements between the Commission and either such town.*

*§ 9. Except in cases of emergency, all contracts of more than \$5,000 that the Commission may let for construction or materials shall be let after public advertising for at least 30 days, stating the place where bidders may examine the plans and specifications and the time and place where bids for such work or materials will be opened. Reasonable deposits may be required of all bidders, and the contract shall be let to the lowest*

*responsible bidder, who shall give bond or other security for the faithful performance of the contract.*

*§ 10. No member, agent, or employee of the Commission shall contract with the Commission or be interested, either directly or indirectly, in any contract with the Commission, or in the sale of any property to the Commission.*

*§ 11. The Commission shall keep and preserve complete records of its operations, dealings, and transactions, which records shall be open to inspection by the participating political subdivisions at all times. It shall make reports to the subdivisions annually and at such other times as they may require.*

*§ 12. Either town creating the Commission may withdraw therefrom upon giving one year's notice to the action, due regard being had for existing contracts and obligations. Upon the cessation of its activities all of the assets of the Commission shall be distributed to the towns participating therein at the time of liquidation in the proportion equal to their financial interest in the Commission as defined in § 7 herein.*

*§ 13. If any provision of this act, or the application thereof to any person or circumstances, is held invalid, the remainder of this act and the application of such provision to other persons or circumstances shall not be affected thereby.*

*§ 14. The provisions of this act and all rules and regulations adopted hereunder shall not apply to any airport, air landing field, structure, air navigation facilities and other property incidental thereto, created or set aside for such purposes prior to the effective date of this act.*

## **Chapter 717 Newborn screening.**

An Act to amend and reenact §§ [32.1-65](#) through [32.1-67.1](#) of the Code of Virginia and to repeal the second enactment of Chapter 440 of the Acts of Assembly of 2002, relating to newborn screening services.

[\[S 1184\]](#)

Approved March 25, 2005

Be it enacted by the General Assembly of Virginia:

1. That §§ [32.1-65](#) through [32.1-67.1](#) of the Code of Virginia are amended and reenacted as follows:

Article 7.

~~Detection and Control of Phenylketonuria and Other Inborn Errors of Metabolism- Newborn Screening.~~

§ [32.1-65](#). Certain newborn screening required.

In order to prevent mental retardation; *and* permanent disability or death, every infant who is born in ~~this~~ *the* Commonwealth shall be subjected to a screening test for biotinidase deficiency, phenylketonuria, hypothyroidism, homocystinuria, galactosemia, congenital adrenal hyperplasia, medium-chain acyl-CoA dehydrogenase (MCAD or MCADH) deficiency, and Maple Syrup Urine Disease, and each infant determined at risk shall be subject to a screening test for sickle cell diseases *tests for various disorders consistent with, but not necessarily identical to, the uniform condition panel recommended by the American College of Medical Genetics in its report, Newborn Screening: Toward a Uniform Screening Panel and System, that was produced for the U.S. Department of Health and Human Services. Further, upon the issuance of guidance for states' newborn screening programs by the federal Department of Health and Human Services, every infant who is born in the Commonwealth shall be screened for a panel of disorders consistent with, but not necessarily identical to, the federal guidance document.*

Any infant whose parent or guardian objects thereto on the grounds that such test ~~conflicts~~ *tests conflict* with his religious practices or tenets shall not be required to receive a ~~such screening test~~ *tests*.

The physician or certified nurse midwife in charge of the infant's care after delivery shall cause such ~~test~~ *tests* to be performed. The screening tests shall be performed by the Division of Consolidated Laboratory Services or any other laboratory the Department of Health has contracted with to provide this service.

The program for screening infants for sickle cell diseases shall be conducted in addition to the programs provided for in Article 8 (§ [32.1-68](#) et seq.) of this chapter.

§ [32.1-66](#). Commissioner to notify physicians; reports to Commissioner.

Whenever a *newborn screening* test result indicates suspicion of ~~biotinidase deficiency, phenylketonuria, hypothyroidism, homocystinuria, galactosemia, Maple Syrup Urine Disease or any sickle cell disease~~ *any condition pursuant to § [32.1-65](#)*, the Commissioner shall notify forthwith the attending physician and shall perform or provide for any additional testing required to confirm or disprove the diagnosis of ~~biotinidase deficiency, phenylketonuria, hypothyroidism, homocystinuria, galactosemia, Maple Syrup Urine Disease or the sickle cell disease~~. All physicians, *certified nurse midwives*, public health nurses, *or any nurse receiving such test result*, and administrators of hospitals in ~~this~~ *the* Commonwealth, shall report the discovery of all cases of ~~biotinidase deficiency,~~

phenylketonuria, hypothyroidism, homocystinuria, galactosemia, Maple Syrup Urine Disease any condition for which newborn screening is conducted pursuant to § [32.1-65](#) to the Commissioner, as well as sickle cell diseases in infants less than one year of age for infants and children up to two years of age.

§ [32.1-67](#). Duty of Board for follow-up and referral protocols; regulations.

*Infants identified with any condition for which newborn screening is conducted pursuant to § [32.1-65](#) shall be eligible for the services of the Children with Special Health Care Needs Program administered by the Department of Health. The Board of Health shall promulgate such regulations as may be necessary to implement Newborn Screening Services and the Children with Special Health Care Needs Program. The Board's regulations shall include, but not be limited to, a list of newborn screening tests conducted pursuant to § [32.1-65](#), follow-up procedures, appropriate referral processes, and services available for infants and children who have a heritable disorder or genetic disease identified through Newborn Screening Services. The Board shall recommend procedures for the treatment of biotinidase deficiency, phenylketonuria, hypothyroidism, homocystinuria, galactosemia, Maple Syrup Urine Disease and sickle cell diseases, and shall provide such treatment for infants in medically indigent families. The Board shall create procedures to provide to (i) the parents or guardian of any child or (ii) any pregnant woman, who is a legal resident of the Commonwealth and who is diagnosed as requiring treatment for phenylketonuria, the special food products required in the management of phenylketonuria out of such funds as may be appropriated for this purpose. The special food products shall include medical formulas which are designed specifically for the treatment of phenylketonuria and low protein modified foods (not foods naturally low in protein) which are designed specifically for use in the treatment for inborn errors of metabolism. The parents or guardian of any such child, or the pregnant woman, shall, in the discretion of the Department, reimburse to the local health department the cost of such special medical formulas in an amount not to exceed two percent of their gross income. The parents or guardian of any such child, or the pregnant woman, shall, with such funds as are appropriated, receive reimbursement from the Department for the cost of such special low protein modified foods in an amount not to exceed \$2,000 per diagnosed person per year. The reimbursement required by this section shall be payable quarterly by the first day of January, April, July, and October.*

§ [32.1-67.1](#). Confidentiality of records; prohibition of discrimination.

The results of the *newborn* screening programs services conducted pursuant to this article may be used for research and collective statistical purposes. No publication of information, biomedical research, or medical data shall be made which ~~that~~ identifies

- any infant having a ~~genetic disease~~ *heritable or genetic disorder*. All medical records maintained as part of *newborn screening services* ~~the screening programs~~ shall be confidential and shall be accessible only to the Board, the Commissioner, or his agents.
2. That the second enactment of Chapter 440 of the 2002 Acts of Assembly is repealed.
  3. That the provisions of this act shall become effective on March 1, 2006.
  4. That, notwithstanding the provisions of the third enactment clause, the Board of Health shall promulgate regulations to implement the provisions of this act to be effective within 280 days of its enactment.

## **Chapter 721 Infants; screening tests required after delivery.**

An Act to amend and reenact §§ [32.1-65](#) through [32.1-67.1](#) of the Code of Virginia and to repeal the second enactment of Chapter 440 of the 2002 Acts of Assembly, relating to newborn screening services.

[\[H 1824\]](#)

Approved March 25, 2005

Be it enacted by the General Assembly of Virginia:

1. That §§ [32.1-65](#) through [32.1-67.1](#) of the Code of Virginia are amended and reenacted as follows:

Article 7.

~~Detection and Control of Phenylketonuria and Other Inborn Errors of Metabolism - Newborn Screening.~~

§ [32.1-65](#). Certain newborn screening required.

In order to prevent mental retardation; *and* permanent disability or death, every infant who is born in ~~this~~ *the* Commonwealth shall be subjected to a ~~screening test for biotinidase deficiency, phenylketonuria, hypothyroidism, homocystinuria, galactosemia, congenital adrenal hyperplasia, medium-chain acyl-CoA dehydrogenase (MCAD or MCADH) deficiency, and Maple Syrup Urine Disease,~~ and each infant determined at risk shall be subject to a ~~screening test for sickle cell diseases~~ *tests for various disorders consistent with, but not necessarily identical to, the uniform condition panel recommended by the American College of Medical Genetics in its report, Newborn Screening: Toward a Uniform Screening Panel and System, that was produced for the U.S. Department of*

*Health and Human Services. Further, upon the issuance of guidance for states' newborn screening programs by the federal Department of Health and Human Services, every infant who is born in the Commonwealth shall be screened for a panel of disorders consistent with, but not necessarily identical to, the federal guidance document.*

*Any infant whose parent or guardian objects thereto on the grounds that such ~~test con-~~  
~~flicts-tests conflict~~ with his religious practices or tenets shall not be required to receive a  
~~such screening-testtests.~~*

*The physician or certified nurse midwife in charge of the infant's care after delivery shall cause such ~~test-tests~~ to be performed. The screening tests shall be performed by the Division of Consolidated Laboratory Services or any other laboratory the Department of Health has contracted with to provide this service.*

*The program for screening infants for sickle cell diseases shall be conducted in addition to the programs provided for in Article 8 (§ [32.1-68](#) et seq.) of this chapter.*

§ [32.1-66](#). Commissioner to notify physicians; reports to Commissioner.

*Whenever a ~~newborn screening~~ test result indicates suspicion of ~~biotinidase deficiency,~~  
~~phenylketonuria, hypothyroidism, homocystinuria, galactosemia, Maple Syrup Urine~~  
~~Disease or any sickle cell disease~~ any condition pursuant to § [32.1-65](#), the Com-  
missioner shall notify forthwith the attending physician and shall perform or provide for  
any additional testing required to confirm or disprove the diagnosis of ~~biotinidase defi-~~  
~~ciency, phenylketonuria, hypothyroidism, homocystinuria, galactosemia, Maple Syrup~~  
~~Urine Disease or the sickle cell disease~~. All physicians, *certified nurse midwives*, public  
health nurses, *or any nurse receiving such test result*, and administrators of hospitals in  
~~this~~ *the* Commonwealth, shall report the discovery of all cases of ~~biotinidase deficiency,~~  
~~phenylketonuria, hypothyroidism, homocystinuria, galactosemia, Maple Syrup Urine~~  
~~Disease any condition for which newborn screening is conducted pursuant to §~~ [32.1-65](#)  
to the Commissioner, ~~as well as sickle cell diseases in infants less than one year of age~~  
*for infants and children up to two years of age.**

§ [32.1-67](#). Duty of Board for follow-up and referral protocols; regulations.

*Infants identified with any condition for which newborn screening is conducted pursuant to § [32.1-65](#) shall be eligible for the services of the Children with Special Health Care Needs Program administered by the Department of Health. The Board of Health shall promulgate such regulations as may be necessary to implement Newborn Screening Services and the Children with Special Health Care Needs Program. The Board's regulations shall include, but not be limited to, a list of newborn screening tests conducted pursuant to § [32.1-65](#), follow-up procedures, appropriate referral processes, and services available for infants and children who have a heritable disorder or genetic disease*

~~identified through Newborn Screening Services. The Board shall recommend procedures for the treatment of biotinidase deficiency, phenylketonuria, hypothyroidism, homocystinuria, galactosemia, Maple Syrup Urine Disease and sickle cell diseases, and shall provide such treatment for infants in medically indigent families. The Board shall create procedures to provide to (i) the parents or guardian of any child or (ii) any pregnant woman, who is a legal resident of the Commonwealth and who is diagnosed as requiring treatment for phenylketonuria, the special food products required in the management of phenylketonuria out of such funds as may be appropriated for this purpose. The special food products shall include medical formulas which are designed specifically for the treatment of phenylketonuria and low protein modified foods (not foods naturally low in protein) which are designed specifically for use in the treatment for inborn errors of metabolism. The parents or guardian of any such child, or the pregnant woman, shall, in the discretion of the Department, reimburse to the local health department the cost of such special medical formulas in an amount not to exceed two percent of their gross income. The parents or guardian of any such child, or the pregnant woman, shall, with such funds as are appropriated, receive reimbursement from the Department for the cost of such special low protein modified foods in an amount not to exceed \$2,000 per diagnosed person per year. The reimbursement required by this section shall be payable quarterly by the first day of January, April, July, and October.~~

§ [32.1-67.1](#). Confidentiality of records; prohibition of discrimination.

The results of the *newborn screening programs services* conducted pursuant to this article may be used for research and collective statistical purposes. No publication of information, biomedical research, or medical data shall be made ~~which~~ *that* identifies any infant having a ~~genetic disease~~ *heritable or genetic disorder*. All medical records maintained as part of *newborn screening services* ~~the screening programs~~ shall be confidential and shall be accessible only to the Board, the Commissioner, or his agents.

2. That the second enactment of Chapter 440 of the 2002 Acts of Assembly is repealed.
3. That the provisions of this act shall become effective on March 1, 2006.
4. That, notwithstanding the provisions of the third enactment clause, the Board of Health shall promulgate regulations to implement the provisions of this act to be effective within 280 days of its enactment.

## Chapter 841 Duck blinds; allows use in certain localities and waters.

An Act to amend and reenact Chapter 334 of the Acts of Assembly of 1928, as amended by Chapter 377 of the Acts of Assembly of 1977, and to amend and reenact Chapter 39 of the Acts of Assembly of 1942, as amended by Chapter 29 of the Acts of Assembly of 1959, Extra Session, and Chapter 305 of the Acts of Assembly of 1964, relating to duck blinds in certain localities; penalties.

[\[H 2689\]](#)

Approved March 26, 2005

Be it enacted by the General Assembly of Virginia:

1. That Chapter 334 of the Acts of Assembly of 1928, as amended by Chapter 377 of the Acts of Assembly of 1977, is amended and reenacted as follows:

§ 1. ~~That~~ The owners of land adjoining the *public* waters of the Counties of ~~King George~~, Stafford, Prince William, and Fairfax, their lessees, licensees or permittees shall have the *exclusive privilege of erecting stationary blinds, as defined in § 29.1-341 of the Code of Virginia, on their shoreline and the prior right to erect* ~~stob or brush~~ *stationary blinds in the public waters* in front of their property for the purpose of hunting waterfowl, except that it shall be unlawful to place ~~stob or brush~~ *stationary blinds* in such waters at a greater distance than ~~three hundred~~ 300 yards from the shore ~~at or~~ low water mark; provided, however, that such ~~stob or brush~~ *stationary blinds* may not be set or maintained at a greater distance from the shore than one-half of the width of the tributary where said tributary is less than ~~six hundred~~ 600 yards in width. *In any year, the owners of riparian rights, their lessees, or permittees shall forfeit the privilege of erecting stationary blinds on their shoreline and the prior right to erect stationary blinds in the public waters in front of their property if they have not erected the blind by November 1.*

§ 2. It shall be unlawful to shoot waterfowl from floating blinds, *as defined in § 29.1-342 of the Code of Virginia*, unless the same are anchored. No floating blind shall be set or shot from within ~~four hundred~~ 400 yards of any other person's blind ~~or shore~~ without the written consent of such other person.

§ 3. All floating blinds shall be taken in, one-half hour after sunset; and for the purposes of this act a blind shall be construed to be taken in when it is in tow leaving the hunting grounds.

§ 4. Any person violating the provisions of this act shall be deemed guilty of a *Class 2 misdemeanor* and upon conviction shall be fined not less than ten nor more than one hundred dollars or confined in jail not exceeding one month, or both, in the discretion of the court or jury trying the case.

2. That Chapter 39 of the Acts of Assembly of 1942, as amended by Chapter 29 of the Acts of Assembly of 1959, Extra Session, and Chapter 305 of the Acts of Assembly of 1964, are amended and reenacted as follows:

§ 1. It shall be unlawful to hunt any migratory waterfowl from floating blinds, as defined in ~~§ 29-83 of the Code of Virginia~~ § [29.1-342](#) of the Code of Virginia in the Counties of Caroline, King George, Essex, Westmoreland, and Richmond in any of the public marshes, guts, streams, branches, creeks, or bays, including among others Green Bay and Port Tobago Bay, flowing into the Rappahannock River or into any of its tributaries, or in Buckner's Creek, Nomini Creek, and Nomini Bay, flowing into the Potomac River or into any of its tributaries, *except from a licensed offshore blind stake site. For the purposes of this act, an "offshore blind stake site" means a specific location in the public waters where a stake is licensed for the purpose of hunting and shooting waterfowl from a floating blind.*

§ 2. *Unless a license for a stationary blind, as defined in § [29.1-341](#) of the Code of Virginia, has been obtained pursuant to § [29.1-344](#) or [29.1-345](#) of the Code of Virginia and a stationary blind has been erected by the required time, a nonriparian owner who has not already licensed and erected a stationary blind for the year in the areas enumerated in § 1 and who holds a valid hunting license may apply to the local license agent or clerk of the circuit court of the county in which an offshore blind stake site is to be located for a license for an offshore blind stake site.*

§ 3. *Except as provided in § 4, the license for an offshore blind stake site may be obtained from November 1 through November 10 of each year. Once obtained, a stake shall be erected on the site, and a license plate supplied with the license for that season shall be affixed thereto by November 10.*

§ 4. *From November 11 through November 15 of each year, any riparian owner and any other person who has already licensed and erected a stationary blind for the year in the areas enumerated in § 1 and who holds a valid hunting license may apply to the local license agent or clerk of the circuit court of the county in which an offshore blind stake site is to be located for a license for any remaining offshore blind stake sites. Once obtained, a stake shall be erected on the site, and a license plate supplied with the license for that season shall be affixed thereto by November 15.*

§ 5. *The clerk or local license agent shall be paid the fees charged for issuing hunting licenses. With each license, the clerk or local license agent shall deliver a license plate bearing the number of the license, which shall be affixed to the offshore blind site stake where it may be easily observed. The Department of Game and Inland Fisheries shall furnish the licenses and license plates provided for in this act. The proceeds from the sale of offshore blind stake site licenses shall be paid into the Game Protection Fund established pursuant to § [29.1-101](#) of the Code of Virginia.*

§ 6. *No offshore blind stake site shall be located closer than 500 yards to another licensed stationary blind or offshore blind stake site without the written consent of the affected stationary blind or blind stake site owner.*

§ 7. *The licensee shall hunt from a floating blind that is tied to or anchored within 25 yards of the offshore blind stake site.*

§ 8. *There shall be a limit of four offshore blind stake site licenses per license applicant. The fee for an offshore blind stake site license shall be \$5 for each such license. The purchase of an offshore blind stake site license shall be in addition to the requirement of obtaining a floating blind license under § [29.1-340](#) of the Code of Virginia.*

§ 9. *If any properly licensed offshore blind stake site is destroyed or removed in any manner, it may be replaced within 30 days without losing the position that it formerly occupied.*

§ 10. *It is unlawful for any person to destroy or remove another's properly licensed offshore blind site stake.*

§ 11. *Within 15 days of the close of the waterfowl season, blind stake site licensees shall remove from the public waters each licensed stake.*

§ 12. *Any person who violates this act is guilty of a Class 2 misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than fifty nor more than two hundred and fifty dollars or by confinement in jail for not more than thirty days, or by both such fine and imprisonment and, in addition to any penalties allowed by law, the court may revoke any license to hunt waterfowl in the areas described by this act.*

## **Chapter 577 Alternative, pilot project; VITA to study.**

An Act to authorize the Virginia Information Technologies Agency to conduct an alternative dispute resolution pilot project.

[\[H 2054\]](#)

Approved March 22, 2005

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Notwithstanding the provisions of the Virginia Public Procurement Act (§ [2.2-4300](#) et seq.), the Virginia Information Technologies Agency is authorized to promulgate administrative rules allowing the use of alternative dispute resolution in procurement protests involving its procurement of information technology and telecommunications goods and services pursuant to § [2.2-2012](#). Such rules shall provide that deadlines specified in the Virginia Public Procurement Act for filing procurement protests are tolled during the use of alternative dispute resolution.*

*§ 2. Such rules shall not require the protesting party to exhaust all available administrative remedies prior to seeking judicial review.*

*§ 3. On or before July 1, 2006, and every July 1 thereafter until the expiration of this act, the Chief Information Officer of the Commonwealth shall submit a report to the Interagency Dispute Resolution Advisory Council (the Council) on the implementation of the provisions of this act. Pursuant to the Virginia Administrative Dispute Resolution Act (§ [2.2-4115](#) et seq.), the Council shall report on this pilot project and other council alternative dispute resolution programs to the chairs of the House and Senate Committees on General Laws, the House Committee on Science and Technology, and the Joint Commission on Technology and Science.*

2. That the provisions of this act shall expire on July 1, 2008.

## **Chapter 609 Teachers; extends provision for Superintendent of Public Instruction surveying shortage in schools.**

An Act to amend and reenact the fifth enactment of Chapters 689 and 700 of the Acts of Assembly of 2001, as amended by the second enactment of Chapter 211 of the Acts of Assembly of 2003, relating to identification of critical teacher shortage areas by the Superintendent of Public Instruction.

[\[H 1782\]](#)

Approved March 22, 2005

Be it enacted by the General Assembly of Virginia:

1. That the fifth enactment of Chapters 689 and 700 of the Acts of Assembly of 2001, as amended by the second enactment of Chapter 211 of the Acts of Assembly of 2003, is amended and reenacted as follows:

5. That the provisions of this act shall expire on July 1, ~~2005~~-2010.

### **Chapter 615 Deputy Cliff Dicker Memorial Hwy.; designating as portion of Route 100 in Wythe County.**

An Act to designate that portion of the Virginia Route 100 located in Wythe County the "Deputy Cliff Dicker Memorial Highway."

[\[H 1893\]](#)

Approved March 23, 2005

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That portion of the Virginia Route 100 located in Wythe County is hereby designated the "Deputy Cliff Dicker Memorial Highway." The Department of Transportation shall place and maintain appropriate markers indicating the designation of this highway. This designation shall not affect any other designation heretofore or hereafter applied to this highway or any portions thereof.*

### **Chapter 660 Willard Owens Memorial Highway; designating as Route 609 in Buchanan County.**

An Act to designate Virginia Route 609 in Buchanan County the "Willard Owens Memorial Highway."

[\[H 2905\]](#)

Approved March 23, 2005

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That Virginia Route 609 in Buchanan County is hereby designated the "Willard Owens Memorial Highway." The Department of Transportation shall place and maintain*

*appropriate markers indicating the designation of this highway. This designation shall not affect any other designation heretofore or hereafter applied to this highway or any portions thereof.*

## **Chapter 752 Virginia Capital Trail.**

An Act to designate the bicycle and pedestrian transportation facilities within the Virginia Route 5 corridor between the City of Richmond and Jamestown the "Virginia Capital Trail."

[\[S 1033\]](#)

Approved March 26, 2005

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the bicycle and pedestrian transportation facilities within the Virginia Route 5 corridor between the City of Richmond and Jamestown are hereby designated the "Virginia Capital Trail." This designation shall not affect any other designation heretofore or hereafter applied to these facilities.*

## **Chapter 846 Land preservation tax credit; transfer to other taxpayers.**

An Act to authorize the Tax Commissioner to recognize the transfer of certain tax credits under the Virginia Land Conservation Incentives Act.

[\[H 2788\]](#)

Approved March 26, 2005

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Department of Taxation is authorized to recognize the transfer of unused tax credits under the Virginia Land Conservation Incentives Act of 1999 for a donation made prior to January 1, 2002, provided that (i) the transfer occurred on or before December 31, 2004, (ii) notification of at least one transfer attributable to such donation was*

*filed with the Department on forms prescribed for that purpose on or before December 31, 2004, and (iii) the credit holder who transferred the credit can establish that the transfer was made in reliance on erroneous advice from the Department of Taxation concerning the transferability of the credits.*

## **Chapter 623 Heritage Music Trail: The Crooked Road; designating as certain highways in Southwest Virginia.**

An Act to amend Chapter 624 of the Acts of Assembly of 2004 to designate additional portions of certain highways "Virginia's Heritage Music Trail: The Crooked Road."

[\[H 2013\]](#)

Approved March 23, 2005

Be it enacted by the General Assembly of Virginia:

1.

§ 1. The following route is hereby designated "Virginia's Heritage Music Trail: The Crooked Road": Beginning at the Blue Ridge Folklife Museum in Ferrum, thence west on U.S. Route 40 to Shooting Creek Road, thence along Shooting Creek Road to its intersection with U.S. Route 221, thence along U.S. 221 through the Town of Floyd and west on U.S. Route 221 to its intersection with U.S. Route 58 in the Town of Hillsville, thence west on U.S. 58/221 to the Town of Independence, thence west on U.S. Route 58 through the Town of Damascus to its intersection with U.S. Route 11, thence southeast on U.S. 11 through the Town of Abingdon where U.S. 11 joins with U.S. Route 19 to Interstate Route 81 (Exit 5) in the City of Bristol, thence west on U.S. 58 and Interstate Route 81 to the intersection of U.S. Route 421 (Exit 1), thence west on U.S. 58/421 to its intersection with U.S. Route 23 in the Town of Weber City, thence west and north on U.S. Route 23/58/421 to the Town of Duffield, thence north on U.S. Route 23 through the Town of Big Stone Gap and the City of Norton to the intersection of U.S. Route 23 (business) south of the Town of Pound, thence north on U.S. 23 (business) into the Town of Pound to the intersection of Virginia Route 83, thence east on Virginia Route 83 to the Town of Clintwood; *and, in addition, beginning in the Town of Floyd, south on Virginia Route 8 to the Town of Stuart, thence west on U.S. Route 58 from the Town of Stuart to the Town of Hillsville.* The Department of Transportation shall place and maintain appropriate markers indicating the designation of this route. This designation shall not affect

any other designation heretofore or hereafter applied to this route or any portions thereof.

## **Chapter 634 Heritage Music Trail: The Crooked Road; designating as certain highways in Southwest Virginia.**

An Act to amend and reenact Chapter 624 of the Acts of Assembly of 2004, relating to Virginia's Heritage Music Trail: The Crooked Road.

[\[H 2400\]](#)

Approved March 23, 2005

Be it enacted by the General Assembly of Virginia:

1. That Chapter 624 of the Acts of Assembly of 2004 is amended and reenacted as follows:

§ 1. The following route is hereby designated "Virginia's Heritage Music Trail: The Crooked Road": Beginning at the Blue Ridge Folklife Museum in Ferrum, thence west on U.S. Route 40 to Shooting Creek Road, thence along Shooting Creek Road to its intersection with U.S. Route 221, thence along U.S. 221 through the Town of Floyd and west on U.S. Route 221 to its intersection with U.S. Route 58 in the Town of Hillsville, thence west on U.S. 58/221 to the Town of Independence, thence west on U.S. Route 58 through the Town of Damascus to its intersection with U.S. Route 11, thence southeast on U.S. 11 through the Town of Abingdon where U.S. 11 joins with U.S. Route 19 to Interstate Route 81 (Exit 5) in the City of Bristol, thence west on U.S. 58 and Interstate Route 81 to the intersection of U.S. Route 421 (Exit 1), thence west on U.S. 58/421 to its intersection with U.S. Route 23 in the Town of Weber City, thence west and north on U.S. Route 23/58/421 to the Town of Duffield, thence north on U.S. Route 23 through the Town of Big Stone Gap and the City of Norton to the intersection of U.S. Route 23 (business) south of the Town of Pound, thence north on U.S. 23 (business) into the Town of Pound to the intersection of Virginia Route 83, thence east on Virginia Route 83 ~~to~~ *through the Town of Clintwood to the Town of Haysi, thence north on Virginia Route 80 to Breaks Interstate Park.* The Department of Transportation shall place and maintain appropriate markers indicating the designation of this route. This designation shall not affect any other designation heretofore or hereafter applied to this route or any portions thereof.

## **Chapter 852 Veterans' Care Center; Governor to request federal funds to expand capacity of beds.**

An Act to authorize funding for expanding the capacity of the Sitter-Barefoot Veterans' Care Center in Richmond, Virginia.

[\[H 2850\]](#)

Approved March 26, 2005

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Governor is authorized to request federal funds to expand the capacity of the Sitter-Barefoot Veterans' Care Center located in Richmond, Virginia, by an additional 80 beds. After the United States Department of Veterans Affairs has confirmed that it has officially accepted the application of the 80-bed expansion, the State Treasurer shall advance a loan of \$2,800,000 to the Department of Veterans Services for the state share of the expansion's construction in the form of a short-term treasury loan, with no interest. The purpose of these funds shall be to move Virginia forward on the priority list of the United States Department of Veterans Affairs for approval of the application.*

## **Chapter 874 Ronald Wilson Reagan Memorial Highway; designating a portion of Route 234 in Prince William County.**

An Act to designate a portion of Virginia Route 234 in Prince William County the "Ronald Wilson Reagan Memorial Highway."

[\[H 1656\]](#)

Approved March 28, 2005

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That portion of Virginia Route 234 between U.S. Route 1 and Interstate Route 66 in Prince William County is hereby designated the "Ronald Wilson Reagan Memorial Highway." The Department of Transportation shall place and maintain appropriate*

*markers indicating the designation of this highway. This designation shall not affect any other designation heretofore or hereafter applied to this highway or any portions thereof.*

## **Chapter 655 Transportation projects; removes certain designated as funded from Priority Transportation Fund.**

An Act to amend § 2 of the second enactments of Chapters 1019 and 1044 of the Acts of Assembly of 2000 and to repeal the third enactments of Chapters 1019 and 1044 of the Acts of Assembly of 2000, relating to transportation projects throughout the Commonwealth.

[\[H 2763\]](#)

Approved March 23, 2005

Be it enacted by the General Assembly of Virginia:

1. That § 2 of the second enactments of Chapters 1019 and 1044 of the Acts of Assembly of 2000 are amended and reenacted as follows:

§ 2. The Commonwealth Transportation Board is hereby authorized, by and with the consent of the Governor, to issue, pursuant to the provisions of §§ [33.1-267](#) through [33.1-295](#) of the Code of Virginia, as amended, from time to time revenue obligations of the Commonwealth to be designated "Commonwealth of Virginia Federal Highway Reimbursement Anticipation Notes, Series ...", provided that the aggregate principal amount outstanding at any time shall not exceed ~~\$800,000,000~~ *\$1.2 billion* (exclusive of any obligations that may be issued to refund such notes in accordance with § [33.1-293](#) of the Code of Virginia, as amended) plus an amount for financing expenses, (including, without limitation, any original issue discount) (the Notes). The net proceeds of the Notes shall be used exclusively for the purpose of providing funds, together with any other available funds, for paying the costs, incurred or to be incurred for construction or funding of such projects ~~to-listed in the Six-Year Improvement Program as may be designated adopted~~ from time to time by the General Assembly; provided, however, at the discretion of the Commonwealth Transportation Board, funds allocated to projects within a transportation district may be allocated among projects within the same transportation district as needed to meet construction cash-flow needs.

2. That the third enactments of Chapters 1019 and 1044 of the Acts of Assembly of 2000 are repealed.

## Chapter 659 Heritage Music Trail: The Crooked Road; designating as certain highways in Southwest Virginia.

An Act to amend Chapter 624 of the Acts of Assembly of 2004 to designate additional portions of certain highways "Virginia's Heritage Music Trail: The Crooked Road" of Southwest Virginia.

[\[H 2856\]](#)

Approved March 23, 2005

Be it enacted by the General Assembly of Virginia:

1.

§ 1. The following route is hereby designated "Virginia's Heritage Music Trail: The Crooked Road" of *Southwest Virginia*: Beginning at the *intersection of U.S. Route 220 and Virginia Route 40 in the Town of Rocky Mount, thence west on Virginia Route 40 to the Blue Ridge Folklife Museum in Ferrum, thence west on U.S. Route 40 to Shooting Creek Road (Virginia Route 860), thence along Shooting Creek Road to its intersection with U.S. Route 221, thence along U.S. 221 through the Town of Floyd and west on U.S. Route 221 to its intersection with U.S. Route 58 to its intersection with U.S. Route 8, thence south on Virginia Route 8 to the intersection of Virginia Route 8 and Virginia Route 57, thence south to the Town of Stuart and the intersection of U.S. Route 58, thence west on U.S. Route 58 to Meadows of Dan, continuing west to the intersection of U.S. Route 221 in the Town of Hillsville, thence west on U.S. 58/221 to the Town of Independence, thence west on U.S. Route 58 through the Town of Damascus to its intersection with U.S. Route 11, thence southeast on U.S. 11 through the Town of Abingdon where U.S. 11 joins with U.S. Route 19 to Interstate Route 81 (Exit 5) in the City of Bristol, thence west on U.S. 58 and Interstate Route 81 to the intersection of U.S. Route 421 (Exit 1), thence west on U.S. 58/421 to its intersection with U.S. Route 23 in the Town of Weber City, thence west and north on U.S. Route 23/58/421 to the Town of Duffield, thence north on U.S. Route 23 through the Town of Big Stone Gap and the City of Norton to the intersection of U.S. Route 23 (business) south of the Town of Pound, thence north on U.S. 23 (business) into the Town of Pound to the intersection of Virginia Route 83, thence east on Virginia Route 83 to the Town of Clintwood, thence east on Virginia Route 83 north of the Town of Haysi to the intersection of Virginia Route 80, thence north on Virginia Route 80 to The Breaks Interstate Park, where the trail shall terminate. The*

Department of Transportation shall place and maintain appropriate markers indicating the designation of this route. This designation shall not affect any other designation heretofore or hereafter applied to this route or any portions thereof.

## **Chapter 838 Medical care facilities certificate of public need; reissuance of request for new nursing home beds.**

An Act to provide for the authorization and acceptance of certain certificate of public need applications.

[\[H 2639\]](#)

Approved March 26, 2005

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Certain certificate of public need applications authorized.*

*A. Notwithstanding the provisions of § [32.1-102.3:2](#), any regulations of the Board of Health establishing standards for the approval and issuance of Requests for Applications, or the provisions of any current Request for Applications (RFAs) issued by the Commissioner of Health pursuant to § [32.1-102.3:2](#), the Commissioner of Health shall reissue a Request for Applications for 60 new nursing home or nursing facility beds in Planning District 12 when (i) pursuant to the 1997 determination of a 240-nursing home bed need in Planning District 12 and the issuance by the Commissioner of Health of the formal legal notice of Request for Certificate of Public Need Applications, a certificate of public need for 60 new nursing home or nursing facility beds was issued to an existing nursing home in Planning District 12; and (ii) the scheduled date for completion has passed for the previously issued certificate, the company awarded the 60-bed certificate of public need has not started construction, and, thus, the relevant certificate of public need has expired.*

*B. The Commissioner shall authorize and accept applications for such 60 nursing home or nursing facility beds and may issue a certificate of public need for an increase of such 60 new beds in which nursing facility or extended care services are to be provided to establish a new facility within Planning District 12. The Commissioner shall give preference in reissuing any certificate of public need for the 60 beds to an application that proposes to establish a new nursing facility located within three miles of the boundary of*

*the county seat or within the county seat of the county for which the now-expired certificate of public need authorized construction of 60 new nursing home or nursing facility beds.*

## **Chapter 936 Capitol restoration; sale of surplus property and transfer of proceeds.**

An Act to provide for the sale of surplus property from the Virginia Capitol restoration and expansion project and to transfer all net proceeds from the sale to the Virginia Capitol Preservation Foundation.

[\[S 905\]](#)

Approved April 6, 2005

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Notwithstanding any other provision of law, the Department of General Services shall conduct public sales or auctions of the surplus property from the Virginia Capitol restoration and expansion project. In addition, the Department shall provide for the sale of the chairs used in the chambers of the houses to current and former members of the General Assembly in accordance with guidelines established by the Clerk of the House of Delegates and the Clerk of the Senate. For purposes of this section, "surplus property" means any personal property including, but not limited to, any fixture, furnishing, material, supply, equipment, and recyclable item, that is determined to be salvageable surplus property as agreed to by the Clerk of the House of Delegates, the Clerk of the Senate, and the Secretary of Administration. There shall be appropriated to the Virginia Capitol Preservation Foundation a sum sufficient appropriation equal to all of the net proceeds, less actual direct costs, of the sales to support the restoration and ongoing preservation of Virginia's Capitol and Capitol Square.*

2. That an emergency exists and this act is in force from its passage.

## Uncodified Acts of Assembly - 2006

### Chapter 3 Douthat State Park; pilot program repealed.

An Act to repeal Chapter 45 of the Acts of Assembly of 1992, relating to a pilot program to keep Douthat State Park open throughout the year.

[\[H 47\]](#)

Approved February 14, 2006

Be it enacted by the General Assembly of Virginia:

1. That Chapter 45 of the Acts of Assembly of 1992 is repealed.

### Chapter 28 School board; referendum in Page County on question of whether should be elected biennially.

An Act to provide for a referendum in Page County on the election of the school board for staggered four-year terms.

[\[S 342\]](#)

Approved March 1, 2006

Whereas, the voters of Page County in a November 2002 election approved the biennial election of the board of supervisors for staggered four-year terms; and

Whereas, there has been confusion whether that election also reflected approval of the biennial election of the school board for staggered four-year terms, and an election on that issue is required to resolve this issue; now, therefore,

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. The officials conducting the November 7, 2006, election in Page County shall conduct a referendum on that date in the County to poll the voters on the question of whether they favor the biennial election of school board members for staggered four-year terms.*

*The question on the ballot shall be:*

*"Shall members of the County School Board be elected biennially for staggered four-year terms?"*

*The ballots shall be prepared and voted, the referendum shall be conducted, and the results shall be ascertained and certified as provided in Article 5 (§ [24.2-681](#) et seq.) of Chapter 6 of Title 24.2 of the Code of Virginia.*

*The electoral board shall cause notice of the election to be published in a newspaper of general circulation in the County at least once in the period 45 to 60 days before the election.*

*If the voters approve the election of the school board biennially for staggered four-year terms at the November 2006 election, the members from Districts 1 and 5 shall be elected at the November 2007 election for two-year terms and the members from Districts 2, 3, and 4 shall be elected for four-year terms. Thereafter all members shall be elected for four-year terms.*

## **Chapter 39 Occoneechee State Park; lease extended.**

An Act to amend and reenact § 6 of Chapter 809 of the Acts of Assembly of 2002, as amended by Chapter 825 of the Acts of Assembly of 2004, relating to authorizing the Department of Conservation and Recreation to amend a lease by and between the Secretary of the Army, Lessor, and the Commonwealth of Virginia, Department of Conservation and Recreation, Lessee, for Occoneechee State Park in Mecklenburg County.

[\[S 52\]](#)

Approved March 7, 2006

Be it enacted by the General Assembly of Virginia:

1.

That § 6 of Chapter 809 of the Acts of Assembly of 2002, as amended by Chapter 825 of the Acts of Assembly of 2004, is amended as follows:

§ 6. The provisions of this act shall expire on July 1, ~~2006~~ 2008, unless the amendment has been incorporated into the lease agreement by July 1, ~~2006~~ 2008.

## **Chapter 49 CHAMPS program; coordinated medical care in City of Chesapeake.**

An Act to repeal Chapter 598 of the Acts of Assembly of 1991, relating to the Chesapeake CHAMPS program.

[\[H 48\]](#)

Approved March 7, 2006

Be it enacted by the General Assembly of Virginia:

1. That Chapter 598 of the Acts of Assembly of 1991 is repealed.

## **Chapter 105 Private roads; Counties of Dickenson & Tazewell added to provision allowing maintenance thereof.**

An Act to amend and reenact Chapter 555 of the Acts of Assembly of 2005, relating to maintenance of certain private roads in Dickenson County and Tazewell County.

[\[H 643\]](#)

Approved March 23, 2006

Be it enacted by the General Assembly of Virginia:

1. That Chapter 555 of the Acts of Assembly of 2005 is amended and reenacted as follows:

§ 1. Buchanan County, *Dickenson County*, and *Tazewell County* may make appropriations in such sums and at such times as the governing body of the county deems proper, for maintenance of private roads that provide the sole access to private family cemeteries containing 10 or more graves. Appropriations shall be made for this purpose only when necessary to keep the roads passable by motor vehicle and only when such action is not in conflict with the provisions of § [57-27.1](#).

## **Chapter 124 Vendor's manual; DGS, et al to establish procedure for refunding relevant eVa transaction fees.**

An Act to require the Department of General Services to establish a procedure for refund of the eVa transaction fee in certain instances.

[\[H 930\]](#)

Approved March 23, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Department of General Services, in cooperation with the Virginia Information Technologies Agency, shall establish and publish in the vendor's manual a procedure for refunding the relevant eVa transaction fees in the event of a change order or cancellation of a contract by a vendor.*

## **Chapter 511 Higher Educational Institutions Bond Act of 2006; created.**

An Act to authorize the Treasury Board to issue bonds in an amount not to exceed \$395,428,570 pursuant to Article X, Section 9(c) of the Constitution of Virginia, for paying costs of acquiring, constructing, and equipping revenue-producing capital projects at institutions of higher education of the Commonwealth, and to repeal Chapters 2 and 813 of the Acts of Assembly of 2004 and Chapter 83 of the Acts of Assembly of 2005.

[\[S 28\]](#)

Approved April 4, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Title. This act shall be known and may be cited as the "Commonwealth of Virginia Higher Educational Institutions Bond Act of 2006."*

*§ 2. Authorization of bonds and bond anticipation notes (BANs). The Treasury Board is hereby authorized, by and with the consent of the Governor, to sell and issue, pursuant*

*to Article X, Section 9(c), of the Constitution of Virginia, at one time or from time to time, bonds of the Commonwealth, to be designated "Commonwealth of Virginia Higher Educational Institutions Bonds, Series . . . ," in an aggregate principal amount not exceeding \$395,428,570, plus amounts needed to fund issuance costs, reserve funds, construction period interest, and other financing expenses. The Treasury Board is further hereby authorized, by and with the consent of the Governor, to borrow money in anticipation of the issuance of bonds by the issuance of bond anticipation notes (BANs), including BANs issued as commercial paper. The proceeds of such bonds and BANs, excluding amounts needed to fund issuance costs, reserve funds, and other financing expenses, shall be used exclusively for the purpose of providing funds, with any other available funds, for paying all or a portion of the costs of acquiring, constructing, renovating, enlarging, improving, and equipping revenue-producing capital projects at institutions of higher learning of the Commonwealth as follows:*

**§ 3. Application of proceeds.** *The proceeds, including any premium, of bonds and BANs (except the proceeds of (i) bonds the issuance of which has been anticipated by BANs,*

*(ii) refunding bonds, and (iii) refunding BANs) shall be deposited in a special capital outlay fund in the state treasury and, together with the investment income thereon, shall be disbursed by the State Treasurer for paying costs of the acquisition, construction, renovation, enlargement, improvement, and equipping of the authorized capital projects, including financing costs. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs shall be used to pay such BANs, refunded bonds, and refunded BANs.*

*§ 4. Details, sale of bonds and BANs. Bonds and BANs shall be dated, and may be made redeemable before their maturity or maturities at such price or prices or within such price parameters, all as may be determined by the Treasury Board, by and with the consent of the Governor. Bonds and BANs shall be in such form, shall bear interest at such rate or rates, either at fixed rates or at rates established by formula or other method, and may contain such other provisions, all as determined by the Treasury Board or, when authorized by the Treasury Board, the State Treasurer. The principal of and premium, if any, and the interest on bonds and BANs shall be payable in lawful money of the United States of America. Bonds and BANs may be certificated or uncertificated as determined by the Treasury Board. The Treasury Board may contract for services of such registrars, transfer agents, or other authenticating agents as it deems appropriate to maintain a record of the persons entitled to the bonds and BANs. Bonds and BANs issued in certificated form may be issued under a system of book entry for recording the ownership and transfer of ownership of rights to receive payments on the bonds and BANs. The Treasury Board shall fix the authorized denomination or denominations of the bonds and the place or places of payment of certificated bonds and BANs, which may be at the Office of the State Treasurer or at any bank or trust company within or without the Commonwealth. Bonds shall mature at such time or times not exceeding 30 years from their date or dates, and BANs shall mature at such time or times not exceeding five years from their date or dates.*

*The Treasury Board may sell bonds and BANs in such manner, by competitive bidding, negotiated sale, or private placement and for such price or within such price parameters as it may determine, by and with the consent of the Governor, to be in the best interest of the Commonwealth.*

*In the discretion of the Treasury Board, bonds and BANs may be issued at one time or from time to time and may be sold and issued at the same time with other general obligation bonds and BANs, respectively, of the Commonwealth authorized pursuant to Article X, Section 9 (a)(3), (b), and (c) of the Constitution of Virginia, as separate issues*

*or as a combined issue, designated "Commonwealth of Virginia General Obligation Bonds Bond Anticipation Notes, Series . . . ."*

*§ 5. Execution of bonds and BANs. Certificated bonds and BANs shall be signed on behalf of the Commonwealth by the Governor and by the State Treasurer, or shall bear their facsimile signatures, and shall bear the lesser seal of the Commonwealth or a facsimile thereof. If the bonds or BANs bear the facsimile signature of the State Treasurer, they shall be signed by such administrative assistant as the State Treasurer shall determine or by such registrar or paying agent as may be designated to sign them by the Treasury Board. If any officer whose signature or facsimile signature appears on any bonds or BANs ceases to be such officer before delivery, such signature or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery, and any bond or BAN may bear the facsimile signature of, or may be signed by, such persons as at the actual time of execution are the proper officers to sign such bond or BAN although, at the date of such bond or BAN, such persons may not have been such officers.*

*§ 6. Sources for payment of expenses. All expenses incurred under this act shall be paid from the proceeds of bonds or BANs, from payments made by the institutions for which the capital projects were authorized in § 2 hereof, or from any other available funds as the Treasury Board shall determine.*

*§ 7. Revenues. Each institution of higher learning mentioned above is hereby authorized (i) to fix, revise, charge, and collect rates, fees, and charges for or in connection with the use, occupancy, and services of each capital project mentioned above or the system of which such capital project is a part and (ii) to pledge to the portion of the bonds or BANs issued for such capital project the net revenues resulting from such rates, fees, and charges and remaining after payment of the expenses of operating the project or system, as the case may be. Each such institution is further authorized to create debt service and sinking funds for the payments of the principal of, premium, if any, and interest on the bonds and other reserves required by any agency of the United States of America purchasing the bonds or any portion thereof.*

*§ 8. Investments and Contracts. A. Pending the application of the proceeds of the bonds or BANs (including refunding bonds and BANs) to the purpose for which they have been authorized and the application of funds set aside for the purpose of payment of bonds or BANs, they may be invested by the State Treasurer in securities that are legal investments under the laws of the Commonwealth for public funds and sinking funds, as the case may be. Whenever the State Treasurer receives interest from the investment of the proceeds of bonds or any BANs, such interest shall become a part of the principal of the*

*bonds or any BANs and shall be used in the same manner as required for principal of the bonds or BANs.*

*B. The Commonwealth may enter into any contract or other arrangement that is determined to be necessary or appropriate to place the obligation or investment of the Commonwealth, as represented by bonds, BANs or investments, in whole or in part, on the interest rate, cash flow, or other basis desired by the Commonwealth. Such contract or other arrangement may include, without limitation, contracts commonly known as interest rate swap agreements and futures or contracts providing for payments based on levels of, or changes in, interest rates. These contracts or arrangements may be entered into by the Commonwealth in connection with, or incidental to, entering into, or maintaining any (i) agreement which secures bonds or BANs or (ii) investment, or contract providing for investment, otherwise authorized by law. These contracts and arrangements may contain such payment, security, default, remedy, and other terms and conditions as determined by the Commonwealth, after giving due consideration to the creditworthiness of the counterparty or other obligated party, including any rating by any nationally recognized rating agency and any other criteria as may be appropriate. The determinations referred to in this paragraph may be made by the Treasury Board or any public funds manager with professional investment capabilities duly authorized by the Treasury Board to make such determinations.*

*C. Any money set aside and pledged to secure payments of bonds, BANs, or any of the contracts entered into pursuant to this section may be invested in accordance with subsection A of this section and may be pledged to and used to service any of the contracts or other arrangements entered into pursuant to subsection B of this section.*

*§ 9. Security for bonds and BANs. The net revenues of the capital projects set forth above and the full faith and credit of the Commonwealth are hereby irrevocably pledged for the payment of the principal of and the interest on bonds and BANs (unless the Treasury Board, by and with the consent of the Governor, shall provide otherwise) issued under this act. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs are hereby irrevocably pledged for the payment of principal of and interest and any premium on the BANs or bonds to be paid or redeemed thereby. In the event the net revenues pledged to the payment of the bonds or BANs are insufficient in any fiscal year for the timely payment of the principal of, premium, if any, and interest on the bonds or BANs, where the full faith and credit of the Commonwealth have been pledged, the General Assembly shall appropriate a sum sufficient therefor or the Governor shall direct payment therefor from the general fund revenues of the Commonwealth.*

*§ 10. Exemption of interest from tax. The bonds and BANs issued under the provisions of this Act, their transfer and the income therefrom, including any profit made on the sale thereof, shall at all times be free and exempt from taxation by the Commonwealth and by any county, city, town, or other political subdivision thereof. The Treasury Board is authorized to take or refrain from taking any and all actions and to covenant to such effect, and to require the participating institutions to do and to covenant likewise, to the extent that, in the judgment of the Treasury Board, it is appropriate in order that interest on the bonds and BANs may be exempt from federal income tax. Alternatively, interest on bonds and BANs may be made subject to inclusion in gross income of the holders thereof for federal income tax purposes.*

*§ 11. Refunding bonds and BANs. The Treasury Board is authorized, by and with the consent of the Governor, to sell and issue, at one time or from time to time, refunding bonds and BANs of the Commonwealth, to refund any or all of the bonds and BANs, respectively, issued under this Act or otherwise authorized pursuant to Article X, Section 9(c), of the Constitution of Virginia. Refunding bonds and BANs may be issued in a principal amount up to the amount necessary to pay at maturity or redeem the bonds and BANs to be refunded and pay all issuance costs and other financing expenses of the refunding. Such refunding bonds and BANs may be issued whether or not the obligations to be refunded are then subject to redemption.*

*§ 12. Defeasance. Any bond or BAN for which cash or direct obligations of the United States of America shall have been set aside in escrow with the State Treasurer or a bank or trust company, within or without the Commonwealth, shall be deemed no longer outstanding under the applicable authorizing instrument, this Act, and Article X, Section 9(c) or (b), as the case may be, of the Constitution of Virginia.*

*§ 13. Severability. The provisions of this Act or the application thereof to any person or circumstance that are held invalid shall not affect the validity of other provisions or applications of this Act which can be given effect without the invalid provisions or applications.*

2. That Chapters 2 and 813 of the Acts of Assembly of 2004 and Chapter 83 of the Acts of Assembly of 2005 are repealed; however, such repeal shall not operate to invalidate, alter the security, or prohibit the refunding of bonds heretofore issued pursuant to such acts.

3. That an emergency exists and this act is in force from its passage.

## Chapter 532 Higher Educational Institutions Bond Act of 2006; created.

An Act to authorize the Treasury Board to issue bonds in an amount not to exceed \$395,428,570 pursuant to Article X, Section 9(c) of the Constitution of Virginia, for paying costs of acquiring, constructing, and equipping revenue-producing capital projects at institutions of higher education of the Commonwealth, and to repeal Chapters 2 and 813 of the Acts of Assembly of 2004 and Chapter 83 of the Acts of Assembly of 2005.

[\[H 77\]](#)

Approved April 4, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Title. This act shall be known and may be cited as the "Commonwealth of Virginia Higher Educational Institutions Bond Act of 2006."*

*§ 2. Authorization of bonds and bond anticipation notes (BANs). The Treasury Board is hereby authorized, by and with the consent of the Governor, to sell and issue, pursuant to Article X, Section 9(c), of the Constitution of Virginia, at one time or from time to time, bonds of the Commonwealth, to be designated "Commonwealth of Virginia Higher Educational Institutions Bonds, Series . . . ," in an aggregate principal amount not exceeding \$395,428,570, plus amounts needed to fund issuance costs, reserve funds, construction period interest, and other financing expenses. The Treasury Board is further hereby authorized, by and with the consent of the Governor, to borrow money in anticipation of the issuance of bonds by the issuance of bond anticipation notes (BANs), including BANs issued as commercial paper. The proceeds of such bonds and BANs, excluding amounts needed to fund issuance costs, reserve funds, and other financing expenses, shall be used exclusively for the purpose of providing funds, with any other available funds, for paying all or a portion of the costs of acquiring, constructing, renovating, enlarging, improving, and equipping revenue-producing capital projects at institutions of higher learning of the Commonwealth as follows:*

*§ 4. Details, sale of bonds and BANs. Bonds and BANs shall be dated, and may be made redeemable before their maturity or maturities at such price or prices or within such price parameters, all as may be determined by the Treasury Board, by and with the consent of the Governor. Bonds and BANs shall be in such form, shall bear interest at such rate or rates, either at fixed rates or at rates established by formula or other method, and may contain such other provisions, all as determined by the Treasury Board or, when authorized by the Treasury Board, the State Treasurer. The principal of and premium, if any, and the interest on bonds and BANs shall be payable in lawful money of the United States of America. Bonds and BANs may be certificated or uncertificated as determined by the Treasury Board. The Treasury Board may contract for services of such registrars, transfer agents, or other authenticating agents as it deems appropriate to maintain a record of the persons entitled to the bonds and BANs. Bonds and BANs*

*issued in certificated form may be issued under a system of book entry for recording the ownership and transfer of ownership of rights to receive payments on the bonds and BANs. The Treasury Board shall fix the authorized denomination or denominations of the bonds and the place or places of payment of certificated bonds and BANs, which may be at the Office of the State Treasurer or at any bank or trust company within or without the Commonwealth. Bonds shall mature at such time or times not exceeding 30 years from their date or dates, and BANs shall mature at such time or times not exceeding five years from their date or dates.*

*The Treasury Board may sell bonds and BANs in such manner, by competitive bidding, negotiated sale, or private placement and for such price or within such price parameters as it may determine, by and with the consent of the Governor, to be in the best interest of the Commonwealth.*

*In the discretion of the Treasury Board, bonds and BANs may be issued at one time or from time to time and may be sold and issued at the same time with other general obligation bonds and BANs, respectively, of the Commonwealth authorized pursuant to Article X, Section 9 (a)(3), (b), and (c) of the Constitution of Virginia, as separate issues or as a combined issue, designated "Commonwealth of Virginia General Obligation Bonds Bond Anticipation Notes, Series . . . ."*

*§ 5. Execution of bonds and BANs. Certificated bonds and BANs shall be signed on behalf of the Commonwealth by the Governor and by the State Treasurer, or shall bear their facsimile signatures, and shall bear the lesser seal of the Commonwealth or a facsimile thereof. If the bonds or BANs bear the facsimile signature of the State Treasurer, they shall be signed by such administrative assistant as the State Treasurer shall determine or by such registrar or paying agent as may be designated to sign them by the Treasury Board. If any officer whose signature or facsimile signature appears on any bonds or BANs ceases to be such officer before delivery, such signature or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery, and any bond or BAN may bear the facsimile signature of, or may be signed by, such persons as at the actual time of execution are the proper officers to sign such bond or BAN although, at the date of such bond or BAN, such persons may not have been such officers.*

*§ 6. Sources for payment of expenses. All expenses incurred under this act shall be paid from the proceeds of bonds or BANs, from payments made by the institutions for which the capital projects were authorized in § 2 hereof, or from any other available funds as the Treasury Board shall determine.*

*§ 7. Revenues. Each institution of higher learning mentioned above is hereby authorized (i) to fix, revise, charge, and collect rates, fees, and charges for or in connection with the use, occupancy, and services of each capital project mentioned above or the system of which such capital project is a part and (ii) to pledge to the portion of the bonds or BANs issued for such capital project the net revenues resulting from such rates, fees, and charges and remaining after payment of the expenses of operating the project or system, as the case may be. Each such institution is further authorized to create debt service and sinking funds for the payments of the principal of, premium, if any, and interest on the bonds and other reserves required by any agency of the United States of America purchasing the bonds or any portion thereof.*

*§ 8. Investments and Contracts. A. Pending the application of the proceeds of the bonds or BANs (including refunding bonds and BANs) to the purpose for which they have been authorized and the application of funds set aside for the purpose of payment of bonds or BANs, they may be invested by the State Treasurer in securities that are legal investments under the laws of the Commonwealth for public funds and sinking funds, as the case may be. Whenever the State Treasurer receives interest from the investment of the proceeds of bonds or any BANs, such interest shall become a part of the principal of the bonds or any BANs and shall be used in the same manner as required for principal of the bonds or BANs.*

*B. The Commonwealth may enter into any contract or other arrangement that is determined to be necessary or appropriate to place the obligation or investment of the Commonwealth, as represented by bonds, BANs or investments, in whole or in part, on the interest rate, cash flow, or other basis desired by the Commonwealth. Such contract or other arrangement may include, without limitation, contracts commonly known as interest rate swap agreements and futures or contracts providing for payments based on levels of, or changes in, interest rates. These contracts or arrangements may be entered into by the Commonwealth in connection with, or incidental to, entering into, or maintaining any (i) agreement which secures bonds or BANs or (ii) investment, or contract providing for investment, otherwise authorized by law. These contracts and arrangements may contain such payment, security, default, remedy, and other terms and conditions as determined by the Commonwealth, after giving due consideration to the creditworthiness of the counterparty or other obligated party, including any rating by any nationally recognized rating agency and any other criteria as may be appropriate. The determinations referred to in this paragraph may be made by the Treasury Board or any public funds manager with professional investment capabilities duly authorized by the Treasury Board to make such determinations.*

*C. Any money set aside and pledged to secure payments of bonds, BANs, or any of the contracts entered into pursuant to this section may be invested in accordance with subsection A of this section and may be pledged to and used to service any of the contracts or other arrangements entered into pursuant to subsection B of this section.*

*§ 9. Security for bonds and BANs. The net revenues of the capital projects set forth above and the full faith and credit of the Commonwealth are hereby irrevocably pledged for the payment of the principal of and the interest on bonds and BANs (unless the Treasury Board, by and with the consent of the Governor, shall provide otherwise) issued under this act. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs are hereby irrevocably pledged for the payment of principal of and interest and any premium on the BANs or bonds to be paid or redeemed thereby. In the event the net revenues pledged to the payment of the bonds or BANs are insufficient in any fiscal year for the timely payment of the principal of, premium, if any, and interest on the bonds or BANs, where the full faith and credit of the Commonwealth have been pledged, the General Assembly shall appropriate a sum sufficient therefor or the Governor shall direct payment therefor from the general fund revenues of the Commonwealth.*

*§ 10. Exemption of interest from tax. The bonds and BANs issued under the provisions of this Act, their transfer and the income therefrom, including any profit made on the sale thereof, shall at all times be free and exempt from taxation by the Commonwealth and by any county, city, town, or other political subdivision thereof. The Treasury Board is authorized to take or refrain from taking any and all actions and to covenant to such effect, and to require the participating institutions to do and to covenant likewise, to the extent that, in the judgment of the Treasury Board, it is appropriate in order that interest on the bonds and BANs may be exempt from federal income tax. Alternatively, interest on bonds and BANs may be made subject to inclusion in gross income of the holders thereof for federal income tax purposes.*

*§ 11. Refunding bonds and BANs. The Treasury Board is authorized, by and with the consent of the Governor, to sell and issue, at one time or from time to time, refunding bonds and BANs of the Commonwealth, to refund any or all of the bonds and BANs, respectively, issued under this Act or otherwise authorized pursuant to Article X, Section 9(c), of the Constitution of Virginia. Refunding bonds and BANs may be issued in a principal amount up to the amount necessary to pay at maturity or redeem the bonds and BANs to be refunded and pay all issuance costs and other financing expenses of the refunding. Such refunding bonds and BANs may be issued whether or not the obligations to be refunded are then subject to redemption.*

*§ 12. Defeasance. Any bond or BAN for which cash or direct obligations of the United States of America shall have been set aside in escrow with the State Treasurer or a bank or trust company, within or without the Commonwealth, shall be deemed no longer outstanding under the applicable authorizing instrument, this Act, and Article X, Section 9(c) or (b), as the case may be, of the Constitution of Virginia.*

*§ 13. Severability. The provisions of this Act or the application thereof to any person or circumstance that are held invalid shall not affect the validity of other provisions or applications of this Act which can be given effect without the invalid provisions or applications.*

2. That Chapters 2 and 813 of the Acts of Assembly of 2004 and Chapter 83 of the Acts of Assembly of 2005 are repealed; however, such repeal shall not operate to invalidate, alter the security, or prohibit the refunding of bonds heretofore issued pursuant to such acts.

3. That an emergency exists and this act is in force from its passage.

## **Chapter 588 Treasurers' sales; relief for certain purchasers of property sold prior to designated date.**

An Act to provide authority for the issuance of deeds for real property purchased at treasurers' sales pursuant to the provisions of former §§ 58-1029 through 58-1117 of the Code of Virginia.

[\[H 214\]](#)

Approved April 5, 2006

Whereas, under the provisions of former §§ 58-1029 through 58-1117 of the Code of Virginia, real property as to which local property taxes were delinquent could be sold to satisfy such delinquent taxes at a "treasurer's sale" convened by the city or county treasurer annually in December; and

Whereas, pursuant to these provisions, the purchaser of property at a treasurer's sale was required to pay the delinquent taxes, and further to continue to pay future real estate taxes on the property as they came due for a period of years established by law; and

Whereas, upon payment of both the delinquent taxes and the annual real property taxes for the requisite period of years, the purchaser would become eligible to make application to the circuit court of the city or county to receive a deed, thereby conveying to him clear title to the property, subject to certain limited redemption rights of the owners of the tax-delinquent property prior to the treasurer's sale; and

Whereas, in 1973, the General Assembly repealed the statutory provisions establishing this procedure for the sale of tax-delinquent property, substituting for it the process of judicial sale of tax-delinquent property now codified in Article 4 of Chapter 39 of Title 58.1 of the Code of Virginia; and

Whereas, at the time of the repeal of the prior procedures for treasurers' sales, the General Assembly provided a savings provision in former § 58-1117.11 of the Code of Virginia to make clear the entitlement of persons who had purchased properties at treasurers' sales prior to June 1, 1973, to obtain deeds for the properties they had purchased under the prior procedures, notwithstanding the repeal of the former statutes; and

Whereas, in 1984, during the recodification of Title 58 of the Code of Virginia, the savings provision in former § 58-1117.11 of the Code of Virginia was repealed because it was considered "obsolete" according to the recodification report; and

Whereas, there remain a number of persons in various counties and cities of the Commonwealth who purchased properties at treasurers' sales in good faith, paid the taxes due with respect to such properties, and have not yet received deeds to the properties purchased; and

Whereas, but for the repeal of § 58-1117.11 of the Code of Virginia, such persons would have a clear statutory entitlement to obtain deeds to the properties they purchased; and

Whereas, the General Assembly passed, during its 2005 Session, a relief bill, Chapter 10 of the Acts of Assembly of 2005, to provide a clear legal right for one such purchaser of one parcel to obtain a deed, but it has become clear that there are other purchasers similarly situated; and

Whereas, it is appropriate to provide a general legal right for such purchasers to obtain the deeds to which they were entitled under prior law and would to this day remain entitled, but for the inadvertent repeal of the savings provision contained in former § 58-1117.11; now, therefore,

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Any person who, prior to June 1, 1973, purchased real property under the provisions of former §§ 58-1029 through 58-1117 of the Code of Virginia, regarding the disposition and sale of delinquent lands, and has not received a deed for the property so purchased, may institute a proceeding in the circuit court of the county or city within which such real property is located to obtain a deed to such property in accordance with the provisions of former § 58-1027 or former §§ 58-1029 through 58-1117.*

*§ 2. The provisions of this act shall apply to those parcels of real property described generally as follows:*

*a. Parcels in Northumberland County:*

*(1) Tax parcel number 27-(1)-52, consisting of approximately 9.25 acres lying within the Fairfield District and described generally as forested land, titled in the name of the Estate of Hiram D. Bee and purchased by Walter S. Lingeback at a treasurer's sale held on December 13, 1971;*

*(2) Tax parcel number 38-(1)-95, consisting of approximately one acre lying within the Fairfield District and described generally as lying on Cockrells Creek, titled in the name of John T. Brooks and purchased by Walter S. Lingeback at a treasurer's sale held on December 13, 1971;*

*(3) Tax parcel number 37-(1)-53, consisting of approximately 9.19 acres lying within the Fairfield District and described generally as lying on Warehouse Creek, titled in the name of the Estate of John P. Crowther and purchased by Walter S. Lingeback at a treasurer's sale held on December 13, 1971;*

*(4) Tax parcel number 37-(1)-242, consisting of approximately six acres lying with the Fairfield District and described generally as lying between Lilian and Fairport, titled in the name of Ada Forrest et al. and purchased by Walter S. Lingeback at a treasurer's sale held on December 13, 1971;*

*(5) Tax parcel number 27-(1)-77, consisting of approximately eight acres lying within the Fairfield District and described generally as lying near Morris Store, titled in the name of Moses Nutt and purchased by Walter S. Lingeback at a treasurer's sale held on December 13, 1971;*

*(6) Tax parcel number 27-(1)-158, consisting of approximately four acres lying within the Fairfield District and described generally as lying on Mob Neck Road, titled in the name of David Wesley and purchased by Walter S. Lingeback at a treasurer's sale held on December 13, 1971;*

*(7) Tax parcel number 51-(1)-31, consisting of approximately five acres lying within the Wicomico District and described generally as part of Clifton, titled in the name of Ryland Nutt and purchased by Walter S. Lingeback at a treasurer's sale held on December 13, 1971;*

*(8) Tax parcel number 51-(1)-111, consisting of approximately 6.12 acres lying within the Wicomico District and described generally as part of East Wingville, titled in the name of Daniel Pinckard and purchased by Walter S. Lingeback at a treasurer's sale held on December 13, 1971;*

(9) Tax parcel number 11-A(1)-270, consisting of approximately 0.11 acre lying within the Heathsville District and described generally as Lot 270, Pine Point Estates, titled in the name of Pine State Development Corporation and purchased by Walter S. Linge- bach at a treasurer's sale held on December 15, 1969;

(10) Tax parcel number 11-A(1)-272, consisting of approximately 0.11 acre lying within the Heathsville District and described generally as Lot 272, Pine Point Estates, titled in the name of Pine State Development Corporation and purchased by Walter S. Linge- bach at a treasurer's sale held on December 15, 1969;

(11) Tax parcel number 11-A(1)-274, consisting of approximately 0.11 acre lying within the Heathsville District and described generally as Lot 274, Pine Point Estates, titled in the name of Pine State Development Corporation and purchased by Walter S. Linge- bach at a treasurer's sale held on December 15, 1969;

(12) Tax parcel number 11-A(1)-223, consisting of approximately 0.11 acre lying within the Heathsville District and described generally as Lot 223, Pine Point Estates, titled in the name of Milburn M. Respass and purchased by Walter S. Lingebach at a treasurer's sale held on December 15, 1969;

(13) Tax parcel number 11-A(1)-224, consisting of approximately 0.11 acre lying within the Heathsville District and described generally as Lot 224, Pine Point Estates, titled in the name of Milburn M. Respass and purchased by Walter S. Lingebach at a treasurer's sale held on December 15, 1969;

(14) Tax parcel number 11-A(1)-226, consisting of approximately 0.11 acre lying within the Heathsville District and described generally as Lot 226, Pine Point Estates, titled in the name of Milburn M. Respass and purchased by Walter S. Lingebach at a treasurer's sale held on December 15, 1969;

(15) Tax parcel number 11-A(1)-229, consisting of approximately 0.11 acre lying within the Heathsville District and described generally as Lot 229, Pine Point Estates, titled in the name of Milburn M. Respass and purchased by Walter S. Lingebach at a treasurer's sale held on December 15, 1969;

(16) Tax parcel number 37-(1)-250, consisting of approximately three acres lying within the Fairfields District and described generally as lying on Raisins Creek, titled in the name of Carlos Rock and purchased by Walter S. Lingebach at a treasurer's sale held on December 15, 1969;

(17) Tax parcel number 11A-[1-214](#), consisting of approximately 0.15 acre lying within the Heathsville District and described generally as Lot 214, Pine Point Estates, titled in the name of Anne O. Gresham and purchased by Walter S. Lingebach at a treasurer's sale held on December 15, 1969;

(18) Tax parcel number 51-1-30, consisting of approximately five acres lying within the Wicomico District and described generally as part of Long Branch, titled in the name of William Nutt and purchased by Walter S. Lingeback at a treasurer's sale held on December 13, 1971;

(19) Tax parcel number 45B-3-1-11, consisting of approximately 0.12 acre lying within the Fairfields District and described generally as Fleeton Beach, [11-1-1](#), titled in the name of Katherine Davis and purchased by Linwood and Valorie Payne at a treasurer's sale held on December 15, 1969;

(20) Tax parcel number 51-1-24, consisting of 5 acres lying within the Wicomico District and described generally as Swamp Land, titled in the name of James S. Carter and purchased by T. W. Byrd at a treasurer's sale held on December 9, 1963.

*b. Parcels in Sussex County:*

(1) Tax parcel number 147-A-34, a lot lying in Henry Magisterial District and west of the Atlantic Coast Line Railroad, titled in the name of Mary Eppes and purchased by Alton Owen et al. at a treasurer's sale held on January 12, 1971;

(2) Tax parcel number 147-A-48, consisting of one acre lying in Henry Magisterial District and described generally as lying at Grizzard, titled in the name of Louvenia Best and purchased by C. F. and A. F. Owen at a treasurer's sale held on January 9, 1973;

(3) Tax parcel number 147-A-54, consisting of approximately 1.9 acres lying in Henry Magisterial District and described generally as lying adjacent to property now or formerly titled in the name of Willie Frazier and west of the ACL railroad, titled in the name of Louvenia Frazier and purchased by A. F. and C. F. Owen at treasurer's sale held January 11, 1972;

(4) Tax parcel number 147B[1-4](#)-16A, consisting of a lot lying in Henry Magisterial District and described generally as near Virginian Railroad, titled in the name of C. J. Patterson and purchased by A. F. and C. F. Owen at a treasurer's sale held on January 9, 1973;

(5) Tax parcel number 147-A-46, consisting of approximately 1.34 acres lying in Henry Magisterial District and described generally as lying on Atlantic Coast Line Railroad south of Jarratt, titled in the name of the Estate of Singer Woodley, and purchased by C. F. Owen et al., at a treasurer's sale held on January 13, 1970;

(6) Tax parcel number 147-A-33, consisting of a lot lying in Henry Magisterial District, described generally as lying west of the Atlantic Coast Line Railroad, titled in the name of Mary Eppes and purchased by Alton Owen et al. at treasurer's sale held January 12, 1971;

(7) Tax parcel number 66-A-22, consisting of approximately 2 acres lying in Stony Creek Magisterial District, described generally as the J. J. Mitchell property, lying adjacent to

*property now or formerly titled in the name of R. B. Mitchell, titled in the name of Robert H. Robinson and purchased by Edith G. Lewis at a treasurer's sale held January 13, 1970;*

*c. Parcels in Prince Edward County:*

- (1) Tax parcel number 23A4-13-16, described generally as Lot 10, JWW Estate, TM230316, lying within the Town of Farmville, titled in the name of R. N. White and purchased at treasurer's sale by P. F. Gay.*
- (2) Tax parcel number 23A81411-11, described generally as 12 B-11, TM281111, lying within the Town of Farmville, titled in the name of Bettie Mathews and purchased at treasurer's sale by P. F. Gay.*
- (3) Tax parcel number 23A5-16-3, described generally as 1-B-10, Serpell, TM300603, lying within the Town of Farmville, titled in the name of Junius Morton and purchased at treasurer's sale by P. F. Gay.*
- (4) Tax parcel number 23A81915-2, described generally as Lot 8, TM291502, lying within the Town of Farmville, titled in the name of Nannie Morton and purchased at treasurer's sale by P. F. Gay.*
- (5) Tax parcel number 23A4-17-4, described generally as 128, TJG, TM230704, lying within the Town of Farmville, titled in the name of Elvira Nash and purchased at treasurer's sale by P. F. Gay.*
- (6) Tax parcel number 23A81911-11, described generally as Pankey, TM291111, lying within the Town of Farmville, titled in the name of Tom Pankey and purchased at treasurer's sale by P. F. Gay.*
- (7) Tax parcel number 23A4-12-9, described generally as 131, TJG, TM230209, lying within the Town of Farmville, titled in the name of Simon Taylor and purchased at treasurer's sale by P. F. Gay.*
- (8) Tax parcel number 23A8149-16, described generally as 95, 96, 97, 98 and 123, HAS, TM280916, lying within the Town of Farmville, titled in the name of T. H. W. Ward and purchased at treasurer's sale by P. F. Gay.*
- (9) Tax parcel number 23A81410-6, described generally as Lot 8, B-10, TM281006, lying within the Town of Farmville, titled in the name of Evelyn Early and purchased at treasurer's sale by Phillip F. Gay.*

*d. Parcel in King William County:*

- (1) Tax parcel number 5-18, consisting of approximately one acre lying within the Mangohick Magisterial District and described generally as adjacent to property now or formerly titled in the name of Hill, titled in the name of Andrew Walker and purchased by John A. Walker at a treasurer's sale held in December, 1970.*

*e. Parcel in Frederick County:*

*(1) Tax parcel number 44-A-238, consisting of approximately two acres lying within Stonewall District, titled in the name of the Estate of Catherine Shreck and purchased by B. Blair Webber at a treasurer's sale held on December 11, 1967.*

2. That the provisions of this act shall expire on July 1, 2010, but such expiration date shall not in any way affect or nullify any court proceeding commenced prior to such date regardless of the date of final disposition of such proceeding.

3. That an emergency exists and this act is in effect from its passage.

## **Chapter 655 Medical assistance services; State Plan amendment or application for certain waiver.**

An Act relating to medical assistance services; State Plan amendment or application for certain waiver.

[\[H 758\]](#)

Approved April 5, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Medical assistance services; State Plan amendment or application for waiver.*

*A. By July 1, 2006, the Department of Medical Assistance Services (DMAS) shall convene a Medicaid Revitalization Committee (the Committee) to prepare recommendations for any State Plan amendments or waiver authority, including but not limited to a research and demonstration project waiver pursuant to Section 1115 of Title XIX of the Social Security Act, as amended, necessary to reform and revitalize Virginia's Medicaid program. The Committee shall consist of no less than eight and no more than 15 members and shall include representatives from the affected state agencies and from stakeholder and advocacy groups and from providers that serve Medicaid enrollees. Recommendations shall be developed that shall include fundamental elements to move toward emphasizing the state's role in purchasing healthcare services, leveraging the forces of the marketplace to customize services to meet the diverse needs of Virginia's Medicaid population, enhancing personal responsibility and empowering individuals who desire to manage their healthcare, bridging public and private coverage, max-*

*imizing access, and containing the growth of Medicaid expenditures in the Commonwealth.*

*By December 1, 2006, these recommendations developed by the Committee must be submitted by the Director of the Department of Medical Assistance Services to the House Committees on Appropriations and Health, Welfare and Institutions and the Senate Committees on Education and Health and Finance and include estimates of the costs and cost savings for implementation of the waiver or amendments to the State Plan.*

*B. Prior to convening the Committee, the Director of the Department of Medical Assistance Services shall:*

*1. Prepare a concise and precise statement of the concept of fundamental elements listed in subsection A that is focused on bridging public and private coverage through client-centered planning, individual budgeting, and self-directed quality assurance and improvement. He shall distribute the statement to all interested parties.*

*2. Consult with the Centers for Medicare and Medicaid Services concerning the concepts and options of any waiver application.*

*C. To address these fundamental elements, the options that the Committee must consider in developing its recommendations shall include:*

*1. Voluntary enhanced benefits accounts (which may be named health opportunity accounts) for (i) individuals with chronic diseases or at risk of having or developing one or more chronic diseases; (ii) individuals for whom healthcare costs are or may become high; and (iii) individuals whose current or future health may be improved through a disease management program focused on identification of chronic illnesses, incentives for healthy behavior, and training in effective and appropriate self-care; or (iv) individuals wishing to exercise the option to purchase private health insurance through their employer as described in subdivision 4.*

*2. Disease management programs or other behavior modification activities, including behavioral health, a system of monetary incentives for Medicaid recipients to make healthy decisions and to engage in self-management of their healthcare, and the deposit of incentive funds in enhanced benefits accounts to be accessed by enrollees to purchase healthcare services or items that are not covered under Virginia Medicaid and will assist enrollees in being personally responsible for their own healthcare.*

*3. Risk-adjusted premiums for Medicaid recipients enrolled in Medicaid managed care organizations (MCOs), calculated to be actuarially comparable to currently covered services under the Virginia State Plan for Medical Assistance. The actuarially developed risk-adjusted premiums shall be designed to reduce adverse selection and provide*

*incentives for cost containment through identification of chronic illness before the recipient becomes seriously ill because of lack of treatment.*

*4. Employer-sponsored insurance options, for recipients who have access to such insurance, that provides such individuals with enhanced benefits accounts having deposits of the actuarially prescribed amount referenced in subdivision 3 that may be used to purchase private health insurance through their employer, and requires these individuals to assume any costs of private health insurance that are not covered by the Medicaid premium.*

*5. A transitioning of all recipients remaining in the fee-for-service program to a disease management program, care coordination program, or enrollment in MCOs.*

*6. A requirement that all Medicaid MCOs take steps to phase in implementation of electronic funds transfer technology to add efficiencies to administrative procedures, reduce costs, and avoid mistakes and abuse.*

*7. The phased implementation of electronic benefits cards for enrollees to access voluntary enhanced benefits and services.*

*8. Criteria for determining eligibility for the various options being considered including enrollment in the waiver.*

*9. A process, amounts, and specific criteria for the award of incentive funds that can be earned by or awarded to enrollees.*

*10. A process for establishing voluntary enhanced benefits accounts into which the incentive funds may be deposited and from which enrollees may access the funds.*

*11. A determination of the services or items and insurance plans, where possible, for which the funds in the enhanced benefits accounts may be used by enrollees.*

*12. A mechanism by which (i) enrollees who lose Medicaid eligibility while enrolled in the voluntary program as identified in subdivision C 1 may retain access to the money in their enhanced benefits accounts but will only be eligible for the voluntary program for the purpose of depleting the funds in the enhanced benefits account and will not receive any other Medicaid services, and (ii) enrollees could access services in the event of a depletion of the voluntary program funding.*

*13. The contractor criteria (i) for the establishment and management of the voluntary enhanced benefits accounts; (ii) for the development of disease management plans, including training of enrollees; and (iii) for implementation of the electronic benefits funds transfer technology.*

*D. By May 15, 2007, the Department of Medical Assistance Services (DMAS) shall prepare, submit, and seek approval of any required State Plan amendments or waiver authority, including, but not limited to, a research and demonstration project waiver*

*pursuant to Section 1115 of Title XIX of the Social Security Act, as amended, to reform Virginia's Medicaid program that shall include fundamental elements to move toward greater emphasis on the state's role in purchasing healthcare services, leveraging the forces of the marketplace to customize services to meet the needs of Virginia's various Medicaid populations, enhancing personal responsibility and empowering individuals to manage their healthcare, bridging public and private coverage, and containing the growth of Medicaid expenditures in the Commonwealth.*

*E. Neither this act nor any new or revised project that may be, but is not required to be, implemented pursuant to this act shall be construed as creating any legally enforceable right or entitlement to enrollment in an enhanced benefit account program, the Virginia Plan for Medical Assistance Services, or Title XIX of the Social Security Act, as amended, on the part of any person or to create any legally enforceable right or entitlement to participation in any program by any person.*

2. That, upon the approval by the Centers for Medicare and Medicaid Services of any State Plan amendments or waiver authority pursuant to this act, expeditious implementation of the program modifications shall be deemed to be an emergency situation in accordance with § [2.2-4002](#) of the Administrative Process Act of the Code of Virginia; therefore, to meet this emergency situation, the Board of Medical Assistance Services or the Director, acting on the Board's behalf, shall promulgate emergency regulations to implement the waiver.

3. That, in order to avoid costs as much as possible during the regulatory process, the Board of Medical Assistance Services shall, when in compliance with the Administrative Process Act (§ [2.2-4000](#) et seq.) of the Code of Virginia, notify, distribute, and provide public access and opportunity for comment via electronic media, including but not limited to, posting documents to and receiving comments via the Department's website, by e-mail, and fax. The Board shall, however, continue to provide public notice and participation to those persons who do not have access to the Internet or other forms of electronic media.

4. That the provisions of this act shall not become effective unless an appropriation of general funds effectuating the purposes of this act is included in the general appropriations act passed by the 2006 Session of the General Assembly, which becomes law.

## Chapter 111 Transient occupancy tax; maximum amount Nelson County may charge.

An Act to amend and reenact Chapter 436 of the Acts of Assembly of 1990, as amended by Chapter 896 of the Acts of Assembly of 1994, and carried by reference in the Code of Virginia as § [58.1-3821](#); and to repeal the second enactment of Chapter 896 of the Acts of Assembly of 1994, relating to the transient occupancy tax on certain rentals.

[\[H 779\]](#)

Approved March 23, 2006

Be it enacted by the General Assembly of Virginia:

1. That Chapter 436 of the Acts of Assembly of 1990, as amended by Chapter 896 of the Acts of Assembly of 1994, and carried by reference in the Code of Virginia as § [58.1-3821](#), is amended and reenacted as follows:

§ [58.1-3821](#). Transient occupancy tax on certain rentals.

The County of Franklin and ~~any county with a population of at least 12,500 but no more than 12,800~~ *the County of Nelson* may, by ordinance, levy a transient occupancy tax on condominiums, apartments, townhouses, or like buildings when rooms or units in such buildings are rented for occupancy for fewer than thirty days at a time. The tax imposed hereunder shall not apply to rooms or units rented for continuous occupancy by the same individual or group for thirty or more days in condominiums, apartments, townhouses, or like buildings.

Such tax shall be in an amount and on such terms as the governing body, by ordinance, may prescribe; however, *in the County of Franklin* such tax shall not exceed two percent of the amount of charge for the occupancy of any room or space occupied *and in the County of Nelson such tax shall not exceed 5% of the amount of charge for the occupancy of any room or space occupied.* *Any revenue collected in Nelson County from that portion of the tax which exceeds 2%, shall be designated and spent for promoting tourism, travel, or business that generates tourism or travel in the county.* Any county which imposes the tax authorized in this section may allow the businesses collecting, accounting for, and remitting such consumer tax a commission for such service in the form of a deduction from the tax remitted. The commission amount shall be established by ordinance; however, the maximum commission payable shall not exceed five percent of the

amount of tax due and accounted for nor be less than a minimum of three percent of the amount of tax due. No commission shall be allowed if the amount due was delinquent.

2. That the second enactment of Chapter 896 of the Acts of Assembly of 1994 is repealed.

## **Chapter 112 School board; referendum in Page County on question of whether should be elected biennially.**

An Act to provide for a referendum in Page County on the election of the school board for staggered four-year terms.

[\[H 783\]](#)

Approved March 23, 2006

Whereas, the voters of Page County in a November 2002 election approved the biennial election of the board of supervisors for staggered four-year terms; and

Whereas, there has been confusion whether that election also reflected approval of the biennial election of the school board for staggered four-year terms, and an election on that issue is required to resolve this issue; now, therefore,

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. The officials conducting the November 7, 2006, election in Page County shall conduct a referendum on that date in the County to poll the voters on the question of whether they favor the biennial election of school board members for staggered four-year terms.*

*The question on the ballot shall be:*

*"Shall members of the County School Board be elected biennially for staggered four-year terms?"*

*The ballots shall be prepared and voted, the referendum shall be conducted, and the results shall be ascertained and certified as provided in Article 5 (§ [24.2-681](#) et seq.) of Chapter 6 of Title 24.2 of the Code of Virginia.*

*The electoral board shall cause notice of the election to be published in a newspaper of general circulation in the County at least once in the period 45 to 60 days before the election.*

*If the voters approve the election of the school board biennially for staggered four-year terms at the November 2006 election, the members from Districts 1 and 5 shall be*

*elected at the November 2007 election for two-year terms and the members from Districts 2, 3, and 4 shall be elected for four-year terms. Thereafter all members shall be elected for four-year terms.*

## **Chapter 164 SOL assessments; fire drills, etc. prohibited in schools during periods of mandatory testing.**

An Act to limit the frequency of school fire drills during Standards of Learning assessments.

[\[S 97\]](#)

Approved March 23, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. School fire drills during Standards of Learning assessments.*

*Notwithstanding any Statewide Fire Prevention Code regulation promulgated pursuant to Chapter 9 (§ [27-94](#) et seq.) of Title 27 of the Code of Virginia to the contrary, the Board of Housing and Community Development shall promulgate regulations in accordance with the Administrative Process Act (§ [2.2-4000](#) et seq. of the Code of Virginia) to prohibit fire and evacuation drills from being conducted in schools during periods of mandatory testing required by the Board of Education. In the development of the regulations, the Board of Housing and Community Development shall seek input from the Virginia Department of Education and local school divisions.*

2. That an emergency exists and this act is in force from its passage.

## **Chapter 125 T.C. Williams High School; City of Alexandria School Bd. to set school calendar prior to Labor Day.**

An Act to authorize T.C. Williams High School in Alexandria to be opened before Labor Day in 2006; sunset.

[\[H 971\]](#)

Approved March 23, 2006

Whereas, T.C. Williams High School in Alexandria, Virginia, was opened in 1971 and, at a time of racial turmoil, became famous for the role the Titans football team played in bringing the community together; and

Whereas, T.C. Williams continues to serve a uniquely integrated and united community with a diverse student population having many talents and many needs; and

Whereas, in 2007, 35-year-old T.C. Williams High School will be replaced with a new state-of-the-art building designed as a sustainable structure to be user-friendly for high school reform initiatives that is being constructed on the same property as the existing school; and

Whereas, beginning with demolition of one wing and a parking lot in December 2004, construction of the new T.C. Williams High School is scheduled to be completed in precise phases that accommodate the continuing and safe operation of the present school until the summer of 2007 when the old school will be demolished and final construction, clean-up, and relocation to the new high school will be completed; and

Whereas, § [22.1-79.1](#) of the Code of Virginia requires local school boards to set the school calendar so that the first day students are required to attend school will be after Labor Day, with waivers authorized by the Board of Education under narrow circumstances that do not address school construction; and

Whereas, a smooth, seamless, and safe relocation of the T.C. Williams students and programs to the new high school by the fall of 2007 will require that the old T.C. Williams High School begin its first day of the 2006-2007 school year prior to Labor Day 2006 in order to close its doors forever by the end of May 2007; now, therefore,

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Opening of the 2006 school year at T.C. Williams High School in Alexandria.*

*Notwithstanding the provisions of § [22.1-79.1](#), the School Board of the City of Alexandria may set the 2006-2007 school calendar for the old T.C. Williams High School so that the first day students are required to attend the old T.C. Williams High School for the 2006-2007 school year shall be prior to Labor Day of 2006 and the last day students shall be required to attend the old T.C. Williams High Schools shall be at the end of May 2007. In setting its 2006-2007 school calendar for all other Alexandria schools, the School Board of the City of Alexandria shall comply with the provisions of § [22.1-79.1](#).*

2. That the provisions of this act shall expire on January 1, 2007.

## Chapter 174 T.C. Williams High School; opening 2006 school year.

An Act to authorize T.C. Williams High School in Alexandria to be opened before Labor Day in 2006; sunset.

[\[S 366\]](#)

Approved March 23, 2006

Whereas, T.C. Williams High School in Alexandria, Virginia, was opened in 1971 and, at a time of racial turmoil, became famous for the role the Titans football team played in bringing the community together; and

Whereas, T.C. Williams continues to serve a uniquely integrated and united community with a diverse student population having many talents and many needs; and

Whereas, in 2007, 35-year-old T.C. Williams High School will be replaced with a new state-of-the-art building designed as a sustainable structure to be user-friendly for high school reform initiatives that is being constructed on the same property as the existing school; and

Whereas, beginning with demolition of one wing and a parking lot in December 2004, construction of the new T.C. Williams High School is scheduled to be completed in precise phases that accommodate the continuing and safe operation of the present school until the summer of 2007 when the old school will be demolished and final construction, clean-up, and relocation to the new high school will be completed; and

Whereas, § [22.1-79.1](#) of the Code of Virginia requires local school boards to set the school calendar so that the first day students are required to attend school will be after Labor Day, with waivers authorized by the Board of Education under narrow circumstances that do not address school construction; and

Whereas, a smooth, seamless, and safe relocation of the T.C. Williams students and programs to the new high school by the fall of 2007 will require that the old T.C. Williams High School begin its first day of the 2006-2007 school year prior to Labor Day 2006 in order to close its doors forever by the end of May 2007; now, therefore,

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Opening of the 2006 school year at T.C. Williams High School in Alexandria.*

*Notwithstanding the provisions of § [22.1-79.1](#), the School Board of the City of Alexandria may set the 2006-2007 school calendar for the old T.C. Williams High School so that the first day students are required to attend the old T.C. Williams High School for the 2006-2007 school year shall be prior to Labor Day of 2006 and the last day students shall be required to attend the old T.C. Williams High Schools shall be at the end of May 2007. In setting its 2006-2007 school calendar for all other Alexandria schools, the School Board of the City of Alexandria shall comply with the provisions of § [22.1-79.1](#).*

2. That the provisions of this act shall expire on January 1, 2007.

## **Chapter 180 Private roads; Counties of Dickenson & Tazewell added to provision allowing maintenance thereof.**

An Act to amend and reenact Chapter 555 of the Acts of Assembly of 2005, relating to maintenance of certain private roads in Dickenson County *and Tazewell County*.

[\[S 514\]](#)

Approved March 23, 2006

Be it enacted by the General Assembly of Virginia:

1. That Chapter 555 of the Acts of Assembly of 2005 is amended and reenacted as follows:

§ 1. Buchanan County, *Dickenson County, and Tazewell County* may make appropriations in such sums and at such times as the governing body of the county deems proper, for maintenance of private roads that provide the sole access to private family cemeteries containing 10 or more graves. Appropriations shall be made for this purpose only when necessary to keep the roads passable by motor vehicle and only when such action is not in conflict with the provisions of § [57-27.1](#).

## **Chapter 201 Rappahannock River; Marine Resources Commission to convey certain lands pertaining thereto.**

An Act authorizing the Marine Resources Commission to convey certain lands in and over the Rappahannock River.

[\[H 940\]](#)

Approved March 24, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Marine Resources Commission is hereby authorized to convey on behalf of the Commonwealth to Jerry W. Ferguson, and his successors and assigns, upon such terms and conditions as the Commission, with the approval of the Governor, shall deem proper, a causeway beginning at the termination point of a 40-foot-wide easement adjacent to the Rappahannock River leading northeasterly from State Route 600, and connecting a manmade island at the end of the causeway, in and over the submerged lands lying within the Rappahannock River at Butylo, in Jamaica Magisterial District, Middlesex County, subject, however, to any and all rights of the adjoining property owner, Effie H. Bozeman, surviving spouse of Joseph W. Bozeman, and her successors and assigns, as determined by a court of competent jurisdiction, and more particularly described as follows:*

Beginning at a point on the north side of causeway at low water said point being on the southern line of property standing in the name of Joseph W. Bozeman, said point being south 89° 11' 20" east for a distance of 127.05 feet from a bent pipe at the southwest corner of Route 600, thence the following courses and distances; north 89° 40' 04" east for a distance of 718.84 feet, north 35° 53' 32" east for a distance of 104.84 feet, north 04° 58' 58" east for a distance of 51.96 feet, north 76° 18' 17" east for a distance of 67.71 feet, south 51° 51' 27" east for a distance of 93.85 feet, south 24° 55' 39" east for a distance of 26.68 feet, south 09° 32' 18" east for a distance of 29.80 feet, south 03° 16' 27" west for a distance of 69.08 feet, north 86° 39' 47" west for a distance of 13.09 feet, south 65° 33' 30" west for a distance of 103.22 feet, north 28° 35' 00" west for a distance of 17.11 feet, north 23° 05' 08" west for a distance of 27.06 feet, south 89° 53' 06" west for a distance of 821.67 feet to low water of Rappahannock River, thence north 21° 41' 23" east for a distance of 29.38 feet to the point of beginning; containing 1.20 acres per aforesaid plat.

The deed of conveyance shall be in a form approved by the Attorney General.

## **Chapter 293 Southwest Va. Veterans Cemetery; Dept. of Veterans Services authorized to accept donated property.**

An Act to authorize the Department of Veterans Services to accept donated property in the southwestern region of Virginia for the purpose of constructing the Southwest Virginia Veterans Cemetery.

[\[H 1465\]](#)

Approved March 30, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Department of Veterans Services is authorized to accept donated property in the southwestern region of Virginia for the purpose of constructing the Southwest Virginia Veterans Cemetery. Upon the availability of federal funds, (i) the Director of the Department of Planning and Budget shall establish a capital project for the purpose of cemetery construction, and (ii) the Treasurer shall advance \$6,939,000 to the Department of Veterans Services in the form of a short-term, interest free treasury loan for the purpose of matching such federal funds. The loan shall be repaid by the Department of Veterans Services upon receipt of the federal funds.*

## **Chapter 315 Southwest Va. Veterans Cemetery; Dept. of Veterans Services authorized to accept donated property.**

An Act to authorize the Department of Veterans Services to accept donated property in the southwestern region of Virginia for the purpose of constructing the Southwest Virginia Veterans Cemetery.

[\[S 359\]](#)

Approved March 30, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Department of Veterans Services is authorized to accept donated property*

*in the southwestern region of Virginia for the purpose of constructing the Southwest Virginia Veterans Cemetery. Upon the availability of federal funds, (i) the Director of the Department of Planning and Budget shall establish a capital project for the purpose of cemetery construction, and (ii) the Treasurer shall advance \$6,939,000 to the Department of Veterans Services in the form of a short-term, interest free treasury loan for the purpose of matching such federal funds. The loan shall be repaid by the Department of Veterans Services upon receipt of the federal funds.*

## **Chapter 224 O. Winston Link Trail; established to highlight and celebrate railroad heritage.**

An Act to establish the O. Winston Link Trail.

[\[S 213\]](#)

Approved March 24, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. There is hereby established the O. Winston Link Trail, a heritage trail of sites photographed by O. Winston Link, to highlight and celebrate Virginia's railroad heritage. The O. Winston Link Trail shall consist of the following sites: the Ryan Farm at Shawsville, Virginia; the White House Church at Shawsville, Virginia; the Twin Tunnels at Montgomery, Virginia; the New River Bridge "Wurno" at Radford, Virginia; the Pope House at Max Meadow, Virginia; the Bank of Crockett at Crockett, Virginia; the Rural Retreat Station at Rural Retreat, Virginia; Silent Night at Seven Mile Ford, Virginia; the Presbyterian Church at Seven Mile Ford, Virginia; Abingdon Station at Abingdon, Virginia; the Bristol Roundhouse at Bristol, Virginia; the Lone Star Shifter at Cloverdale, Virginia; Hester's Home at Lithia, Virginia; the Fishing Hole at Lithia, Virginia; Bridge 425 at Arcadia, Virginia; the Sign at Solitude, Virginia; the Station at Natural Bridge, Virginia; Gooseneck Dam at Buffalo Forge, Virginia; the Double Tanks at Buena Vista, Virginia; the Gas Pump at Vesuvius, Virginia; the Store at Vesuvius, Virginia; the Station at Waynesboro, Virginia; the Fire Station at Grottoes, Virginia; the Boxley Quarry at Pembroke, Virginia; and the Station at Narrows, Virginia.*

## Chapter 245 Public Building Authority; issuance of bonds for State Agency Radio System for State Police.

An Act to authorize the Virginia Public Building Authority to issue bonds in an amount not to exceed \$201,900,000 to pay the costs of the State Agency Radio System for the Department of State Police.

[\[H 83\]](#)

Approved March 30, 2006

Be it enacted by the General Assembly of Virginia:

1.

§ 1. That pursuant to §§ [2.2-2261](#), [2.2-2263](#), and [2.2-2264](#) of the Code of Virginia, the General Assembly hereby authorizes the Virginia Public Building Authority to finance without limitation the development, acquisition, equipping and construction of the following project:

<i>Agency Amount</i>	<i>Project Description</i>	<i>-</i>
<i>Department of State  Police (STARS), Phase II</i>	<i>State Agency Radio System</i>	
	<i>\$201,900,000</i>	

*The STARS project may consist of but is not limited to land, mobile telecommunications equipment and towers, software, radio frequency rights and licenses, communications control buildings and facilities, related infrastructure, and other project costs necessary, incidental, or convenient to undertake, develop, acquire, and construct the integrated statewide shared land-mobile radio communications system for the Commonwealth and its localities and governmental units.*

§ 2. *The Virginia Public Building Authority is also authorized to exercise any and all powers granted to it by law in connection with the foregoing, including the power to finance the cost of the above project by the issuance of revenue bonds in a principal amount not to exceed \$201,900,000 plus amounts needed to fund issuance costs,*

*reserve funds, original issue discount, other financing expenses, and interest for up to one year after completion.*

§ 3. *The proceeds of the bonds are hereby appropriated for disbursement from the state treasury pursuant to Article X, Section 7 of the Constitution of Virginia, and § [2.2-1819](#) of the Code of Virginia. The general conditions and general provisions of the general appropriation act enacted pursuant to Chapter 15 (§ [2.2-1500](#) et seq.) of Title 2.2 of the Code of Virginia, in effect from time to time, and all of the terms and conditions contained therein shall apply to the capital projects listed in this act.*

### **Chapter 339 Health partnership authorities, local; repeals sunset provision.**

An Act to repeal the second enactment of Chapter 671 of the Acts of Assembly of 2001, as amended by the second enactment of Chapters 63 and 70 of the Acts of Assembly of 2003, relating to local health partnership authorities.

[\[H 714\]](#)

Approved March 30, 2006

Be it enacted by the General Assembly of Virginia:

1. That the second enactment of Chapter 671 of the Acts of Assembly of 2001, as amended by the second enactment of Chapters 63 and 70 of the Acts of Assembly of 2003, is repealed.

### **Chapter 368 Health partnership authorities, local; repeals sunset provision.**

An Act to repeal the second enactment of Chapter 671 of the Acts of Assembly of 2001, as amended by the second enactment of Chapters 63 and 70 of the Acts of Assembly of 2003, relating to local health partnership authorities.

[\[S 252\]](#)

Approved March 30, 2006

Be it enacted by the General Assembly of Virginia:

1. That the second enactment of Chapter 671 of the Acts of Assembly of 2001, as amended by the second enactment of Chapters 63 and 70 of the Acts of Assembly of 2003, is repealed.

## **Chapter 266 U.S. Navy Master Jet Base; land use adjacent to certain.**

An Act to establish certain land use requirements and eminent domain authority in localities containing certain jet bases and to amend the Code of Virginia by adding in Article 23.1 of Chapter 26 of Title 2.2 a section numbered [2.2-2666.3](#), relating to Ocean-  
a/Fentress Military Advisory Council.

[\[H 975\]](#)

Approved March 30, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Land use adjacent to certain jet bases.*

*A. The governing body of any locality in which a United States Navy Master Jet Base, or an auxiliary landing field used in connection with flight operations arising from such Master Jet Base, is located shall:*

- 1. Adopt zoning ordinances that require the governing body to follow Navy Air Installation Compatible Use Zone (AICUZ) guidelines in deciding discretionary applications for property in noise levels 70 dB DNL or greater;*
- 2. Undertake an evaluation of undeveloped properties located in noise zones 70 dB DNL or greater to determine the suitability of such properties for rezoning classifications that would prohibit uses incompatible under AICUZ guidelines;*
- 3. Adopt such ordinances or take such other actions as may be recommended in any Joint Land Use Study that has been officially approved by the governing body of the locality; and*
- 4. Establish programs to purchase land or development rights in the corridor of land underneath the flight path between the Master Jet Base and the auxiliary landing field known as an interfacility traffic area.*

*B. For the purpose of preventing further encroachment, the governing body of any locality in which a United States Navy Master Jet Base is located shall adopt ordinances to*

*establish a program to purchase or condemn pursuant to § 2, incompatible use property or otherwise seek to convert such property to an appropriate compatible use and to prohibit new uses or development deemed incompatible with air operations in the Accident Potential Zone 1 (APZ-1) and Clear Zone areas, as depicted in the Navy's 1999 AICUZ Pamphlet, and fund and expend no less than \$15 million annually in state and local funds in furtherance of the program, to the extent that properties or development rights are reasonably available for acquisition or their use reasonably may be converted. Such funding and expenditures shall be subject to annual appropriations from the state and locality, and shall continue until such time as all reasonably available properties or development rights have been acquired in the designated areas.*

*§ 2. Acquisition of property to prevent further encroachment in Accident Potential Zone 1 and Clear Zone areas of United States Master Jet Bases; limited power to exercise right of eminent domain.*

*A. For the purpose of preventing further encroachment, all localities in which a United States Navy Master Jet Base is located are hereby granted the power to exercise the limited right of eminent domain in acquisition of any lands, easements, and privileges for the purpose of protecting public safety by providing unobstructed airspace for the landing and takeoff of aircraft utilizing such Master Jet Base and preventing incompatible development within APZ-1 and Clear Zone areas surrounding such Master Jet Base.*

*The power to exercise the limited right of eminent domain may only be exercised where:*

- 1. The property is located wholly or partially within an APZ-1 or Clear Zone area as described in the United States Navy's 1999 AICUZ Pamphlet;*
- 2. The property is zoned for residential use, but is undeveloped, and use restrictions imposed by the locality to protect the APZ-1 or Clear Zone areas have left the property without a reasonable use;*
- 3. The locality has made a bona fide offer to purchase the property from the owner and the owner and the locality have not been able to agree on the terms thereof; and*
- 4. The owner of the property has made a written request to the locality that the property be acquired by the locality by eminent domain.*

*B. Condemnation proceedings authorized by subsection A shall be conducted under the provisions of Chapter 2 (§ [25.1-200](#) et seq.) of Title 25.1 of the Code of Virginia, mutatis mutandis.*

*C. Any property acquired by any locality pursuant to this section shall be valued as if any use restriction enacted by such locality prohibiting incompatible development in APZ-1 or Clear Zone areas surrounding the United States Master Jet Base does not apply.*

*D. With respect to any property acquired pursuant to this section, the locality (i) may use, lease, dispose, or convey the property to adjoining land owners where such disposition does not result in any incompatible use under AICUZ guidelines or increased density or intensity of use within the APZ-1 or Clear Zone areas; or (ii) may convert the use of any property to a compatible use as under the United States Navy's OPNAV Instruction 11010.36B (or any superseding Navy AICUZ program regulation) and use, lease, dispose, or convey the property for a use consistent with the AICUZ Pamphlet.*

2. That the Code of Virginia is amended by adding in Article 23.1 of Chapter 26 of Title 2.2 a section numbered [2.2-2666.3](#) as follows:

§ [2.2-2666.3](#). *Oceana/Fentress Military Advisory Council created; composition; duties; staff support.*

*A. The Oceana/Fentress Military Advisory Council (the Oceana/Fentress Council) is hereby created as a subunit of the Virginia Military Advisory Council. The Oceana/Fentress Council shall be composed of two members of the Chesapeake City Council, two members of the Virginia Beach City Council, those members of the Virginia General Assembly whose districts encompass Naval Air Station Oceana and Naval Auxiliary Landing Field Fentress, the Commander, Navy Mid-Atlantic Region or his representative, and the Commanding Officer of Naval Air Station Oceana or his representative.*

*B. The Oceana/Fentress Council shall identify and study and provide advice and comments to the Virginia Military Advisory Council on issues of mutual concern to the Commonwealth and the Navy concerning Naval Air Station Oceana and Naval Auxiliary Landing Field Fentress and address such other issues as the Governor or the Virginia Military Advisory Council may determine to be appropriate subjects of consideration.*

*C. Such staff support as is necessary for the conduct of the Oceana/Fentress Council's business shall be furnished by the Office of Commonwealth Preparedness.*

3. That the provisions of this act and all authority contained herein shall terminate in the event that the aircraft and activities necessary to support the operations of a Master Jet Base are designated for realignment outside of the locality.

## **Chapter 269 Grievance procedure; Albemarle County utilizing an administrative hearing officer rather than panel.**

An Act to allow the use of an administrative hearing officer to hear employee grievances in Albemarle County.

[\[H 999\]](#)

Approved March 30, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the County of Albemarle may adopt an employee grievance procedure that allows the County to utilize an administrative hearing officer in lieu of a panel to conduct an employee grievance hearing pursuant to § [15.2-1507](#) of the Code of Virginia. The administrative hearing officer shall be appointed by the Executive Secretary of the Supreme Court of Virginia. The appointment shall be made from the list of administrative hearing officers maintained by the Executive Secretary pursuant to § [2.2-4024](#) of the Code of Virginia and shall be made on a rotating basis from the geographical region in which the County of Albemarle is located. In the alternative, the County of Albemarle may request the appointment of an administrative hearing officer from the Department of Employment Dispute Resolution. The County of Albemarle shall bear all expenses associated with the administrative hearing officer's services.*

2. That if the County of Albemarle has not adopted a personnel policy pursuant to this act prior to July 1, 2007, the provisions of this act shall expire on July 1, 2007.

## **Chapter 382 Teacher education programs; Board of Education shall not condition full approval.**

An Act relating to approval of teacher education programs.

[\[S 687\]](#)

Approved March 30, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Approval of teacher education programs.*

*Notwithstanding any current or proposed regulation to the contrary, the Board of Education shall not condition full approval of teacher education programs provided by an institution of higher education on (i) the number of students in individual licensure programs, such as, but not limited to, prekindergarten-three, Spanish, music education, high*

*school physics, or other disciplines, or (ii) documented efforts to increase enrollment in such programs.-*

## **Chapter 420 VDOT; Commissioner to report on actions & initiatives that involve outsourcing & privatization.**

An Act to direct the Commonwealth Transportation Commissioner to report on certain *actions and initiatives* of the Virginia Department of Transportation.

[\[H 676\]](#)

Approved March 31, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. The Commonwealth Transportation Commissioner shall annually report in writing to the General Assembly, no later than November 30 of each year, on all actions and initiatives of the Virginia Department of Transportation in the preceding fiscal year that involved outsourcing, privatization, and downsizing. Further, the Commissioner shall provide, in writing to the General Assembly, detailed and specific plans for outsourcing, privatization, and downsizing in the current fiscal year.*

## **Chapter 478 Waste discharge permits; consent of local governing body required before Water Control Board issues.**

An Act to require local certification for waste discharge permits into local watershed protection districts.

[\[S 106\]](#)

Approved March 31, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That no application for a Virginia Pollutant Discharge Elimination System permit authorizing direct or indirect discharge of stormwater runoff from a new municipal solid waste landfill into a local watershed protection district established and designated as*

*such by city ordinance prior to January 1, 2006, shall be considered complete unless it contains certification from the local governing body of the city in which the discharge is to take place, that the discharge is consistent with the city's ordinance establishing and designating the local watershed protection district. This section shall apply to applications for new or modified individual Virginia Pollutant Discharge Elimination System permits and for new or modified coverage under general Virginia Pollutant Discharge Elimination System permits. Nothing in this section shall apply to any municipal solid waste landfill in operation on or before January 1, 2006.*

2. That the provisions of this act shall expire on July 1, 2026.

## **Chapter 520 Jimmy Maloney Memorial Highway; designating as portion of Route 60W.**

An Act to designate a portion of U.S. Route 60W the "Jimmy Maloney Memorial Highway."

[\[S 484\]](#)

Approved April 4, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That portion of U.S. Route 60W between Virginia Route 646 and Virginia Route 1611 is hereby designated the "Jimmy Maloney Memorial Highway." The Department of Transportation shall place and maintain appropriate signs indicating the designation of this highway. This designation shall not affect any other designation heretofore or hereafter applied to this highway or any portion thereof.*

## **Chapter 521 Jack L. Massie Memorial Bridge; designating as Route 199 twin bridges over College Creek.**

An Act to designate each of the Virginia Route 199 twin bridges over College Creek the "Jack L. Massie Memorial Bridge."

[\[S 485\]](#)

Approved April 4, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Virginia Route 199 twin bridges over College Creek are each hereby designated the "Jack L. Massie Memorial Bridge." The Department of Transportation shall place and maintain appropriate signs indicating the designation of these bridges. This designation shall not affect any other designation heretofore or hereafter applied to these bridges or any portion thereof.*

## **Chapter 522 License plates, special; issuance to members of State Defense Force.**

An Act to authorize the issuance of special license plates for members of the Virginia State Defense Force.

[\[S 518\]](#)

Approved April 4, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. On receipt of an application and written evidence that the applicant is a member of the Virginia State Defense Force and following the provisions of § [46.2-725](#) of the Code of Virginia, the Commissioner of the Department of Motor Vehicles shall issue to the applicant special license plates for members of the Virginia State Defense Force.*

## **Chapter 523 Blue Star Memorial Highway; designating as portion of Old Keene Mill Road in Fairfax County.**

An Act to amend and reenact § 1 of Chapter 453 of the Acts of Assembly of 1990, as amended by Chapter 254 of the Acts of Assembly of 2005, relating to the "Blue Star Memorial Highway."

[\[S 532\]](#)

Approved April 4, 2006

Be it enacted by the General Assembly of Virginia:

1. That § 1 of Chapter 453 of the Acts of Assembly of 1990, as amended by Chapter 254 of the Acts of Assembly of 2005, is amended and reenacted as follows:

§ 1. That entire length of U.S. Route 1 in Fairfax County ~~is and the length of Old Keene Mill Road from Accotink Creek to Interstate Route 95 in Fairfax County are hereby designated the given the designation of~~ "Blue Star Memorial Highway." Appropriate markers ~~signs~~ shall be placed and maintained by the Department of Transportation to indicate the designation of ~~this route these routes. This designation~~ *These designations* shall not affect any other designations heretofore given this portion of U.S. Route 1, nor shall it affect the designation, made pursuant to Senate Joint Resolution No. 14 of 1948, of U.S. Route 301 in Virginia from the North Carolina boundary to the Maryland boundary as "The Blue Star Memorial Highway."

## **Chapter 525 Nicely Memorial Bridge; designating as I-64 bridge over Cowpasture River in Alleghany County.**

An Act to designate the Interstate 64 bridge over the Cowpasture River in Alleghany County the "Nicely Memorial Bridge."

[\[S 650\]](#)

Approved April 4, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Interstate 64 bridge over the Cowpasture River in Alleghany County is hereby designated the "Nicely Memorial Bridge." The Department of Transportation shall place and maintain appropriate signs indicating the designation of this bridge. This designation shall not affect any other designation heretofore or hereafter applied to this bridge or any portion thereof.*

## **Chapter 544 VDOT; Transportation Commissioner to report on certain accomplishments, actions, and initiatives.**

An Act directing the Commonwealth Transportation Commissioner to report on certain accomplishments, actions, and initiatives of the Virginia Department of Transportation.

[\[H 677\]](#)

Approved April 4, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Commonwealth Transportation Commissioner shall annually report in writing to the General Assembly, no later than November 30 of each year, on all actions and initiatives of the Virginia Department of Transportation in the preceding fiscal year that involved outsourcing, privatization, and downsizing. Further, the Commissioner shall provide, in writing to the General Assembly, detailed and specific plans for outsourcing, privatization, and downsizing in the current fiscal year, including, but not limited to, appropriate asset management and intelligent transportation system functions and services.*

**Chapter 580 Physicians; extends sunset provision to purchase medical malpractice insurance.**

An Act to amend and reenact the third enactment of Chapter 822 of the Acts of Assembly of 2004, relating to state-operated risk management plans for physicians.

[\[S 610\]](#)

Approved April 5, 2006

Be it enacted by the General Assembly of Virginia:

1. That the third enactment of Chapter 822 of the Acts of Assembly of 2004 is amended and reenacted as follows:

3. That the provisions of this act establishing the authority and requirements for the purchase of general liability or medical malpractice insurance shall be effective July 1, ~~2006~~ 2008.

4. That the provisions of this act shall not become effective unless an appropriation of funds effectuating the purposes of this act is included in the general appropriation act for the period of July 1, 2008, through June 30, 2010, passed during the 2008 Session of the General Assembly and signed into law by the Governor.

## Chapter 526 High school diploma; Board of Education to establish requirements thereof for students with LEP.

An Act relating to the requirements for obtaining a high school diploma and students with limited English proficiency.

[\[S 683\]](#)

Approved April 4, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Certain data collection and analysis required.*

*A. The Board and Department of Education shall collect statewide data on Virginia's public school students with limited English proficiency (LEP) and school division programs for LEP students that shall include, but need not be limited to, (i) the demographics of Virginia's LEP students, including country of origin, first or native language, school attendance in the country of origin, and age and grade of first enrollment in a Virginia public school; standards of learning assessment scores; reasons for dropping out of high school; barriers to high school graduation; graduation rates; kinds of diplomas awarded to LEP students, class standing, and college aspirations and attendance; and (ii) school division programs designed to assist LEP students in academic achievement, such as exercising the option to allow LEP students to attend until attaining the age of 22, providing targeted remediation classes for students who have failed the English 11 standard of learning assessments, summer school English for Speakers of Other Languages (ESOL) classes, after-school and weekend tutoring, and other strategies to assist older high school LEP students in meeting graduation requirements.*

*B. The Board and Department shall (i) analyze the data required to be collected by subsection A in relationship to the requirements for obtaining a high school diploma as set forth in the Standards for Accrediting Public Schools in Virginia, the federal No Child Left Behind Act, and the needs of LEP students; and (ii) by December 1, 2006, recommend to the Senate Committee on Education and Health and the House Committee on Education steps to resolve the issues relating to the requirements for obtaining a high school diploma and students with limited English proficiency that will retain high academic standards and accountability, while assisting such students in their endeavors to obtain an education and to become productive Virginians.*

## **Chapter 542 Blue Star Memorial Highway; designating as portion of Old Keene Mill Road in Fairfax County.**

An Act to amend and reenact § 1 of Chapter 453 of the Acts of Assembly of 1990, as amended by Chapter 254 of the Acts of Assembly of 2005, relating to the "Blue Star Memorial Highway."

[\[H 589\]](#)

Approved April 4, 2006

Be it enacted by the General Assembly of Virginia:

1. That § 1 of Chapter 453 of the Acts of Assembly of 1990, as amended by Chapter 254 of the Acts of Assembly of 2005, is amended and reenacted as follows:

§ 1. That the entire length of U.S. Route 1 in Fairfax County ~~is and the length of Old Keene Mill Road from Accotink Creek to Interstate Route 95 in Fairfax County are hereby designated~~ *the given the designation of "Blue Star Memorial Highway."* Appropriate markers shall be placed and maintained by the Department of Transportation to indicate the designation of ~~this route~~ *these routes*. ~~This designation~~ *These designations* shall not affect any other designations heretofore given this portion of U.S. Route 1, nor shall it affect the designation, made pursuant to Senate Joint Resolution No. 14 of 1948, of U.S. Route 301 in Virginia from the North Carolina boundary to the Maryland boundary as "The Blue Star Memorial Highway."

## **Chapter 592 Worrell Family Memorial Bridge; designating as Route 662 bridge over Burks Fork Creek.**

An Act to designate the Virginia Route 662 bridge over Burks Fork Creek the "Worrell Family Memorial Bridge."

[\[H 511\]](#)

Approved April 5, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Virginia Route 662 bridge over Burks Fork Creek is hereby designated the*

*"Worrell Family Memorial Bridge." The Department of Transportation shall place and maintain appropriate signs indicating the designation of this bridge. This designation shall not affect any other designation heretofore or hereafter applied to this bridge or any portion thereof.*

## **Chapter 606 James B. Tabb Sr. Memorial Highway; designating as portion of Route 615.**

An Act to designate that portion of Virginia Route 615 the "James B. Tabb Sr. Memorial Highway."

[\[H 1219\]](#)

Approved April 5, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. A portion of Virginia Route 615, Ironbound Road, from the intersection with Virginia Route 616, Strawberry Plains Road, to the intersection with Virginia Route 5000, Monticello Avenue, in James City County is hereby designated the "James B. Tabb Sr. Memorial Highway." The Department of Transportation, at the request of the local governing body, shall place and maintain appropriate signs indicating the designation of this highway. This designation shall not affect any other designation heretofore or hereafter applied to this highway or any portion thereof.*

## **Chapter 614 Veterans care center; Governor to request federal funds to construct in Hampton Roads area.**

An Act to authorize the Governor to request federal funds and the State Treasurer to issue a loan to construct a new veterans' care center.

[\[H 1383\]](#)

Approved April 5, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Governor is authorized to request federal funds to construct a new 240-bed*

*veterans' care center located in the Hampton Roads area of Virginia. After the United States Department of Veterans Affairs has determined that federal funds will be allocated for the new center, the State Treasurer shall advance a loan of \$14.6 million to the Department of Veterans Services for the state share of the construction in the form of a short-term treasury loan, with no interest.*

## **Chapter 566 Rural Addition Program; funds allocated to any county.**

An Act to require that funds be allocated to counties for use under the Rural Addition Program.

[\[H 1543\]](#)

Approved April 4, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Notwithstanding any other provision of law, the Commonwealth Transportation Board and the Commonwealth Transportation Commissioner shall not diminish funds allocated or allocable to any county for use under the Rural Addition Program by reason of any county ordinance authorizing the use of private roads not built to standards set by the Department of Transportation or construction of subdivisions streets built to standards other than those established by the Department.*

*§ 2. In those counties where this Act is applicable, the ordinance shall also state that any and all streets that are not constructed to meet the standards necessary for inclusion in the system of state highways will be privately maintained and will not be eligible for acceptance into the system of state highways unless improved to current Department of Transportation standards with funds other than those appropriated by the General Assembly and allocated by the Commonwealth Transportation Board. For any street that is not constructed to Department of Transportation standards, the subdivision plat and all approved deeds of subdivision, or similar instruments, shall contain a statement advertising that the streets in the subdivision do not meet the standards necessary for inclusion in the system of state highways and will not be maintained by the Department of Transportation or the county approving the subdivision and are not eligible for rural addition*

*funds or any other funds appropriated by the General Assembly and allocated by the Commonwealth Transportation Board.*

## **Chapter 610 Virginia Retirement System; certain Fairfax County employees.**

An Act to amend and reenact Chapter 678 of the Acts of Assembly of 1994, relating to provisions of that Act concerning the retirement of employees transferred from state to local employment.

[\[H 1313\]](#)

Approved April 5, 2006

Be it enacted by the General Assembly of Virginia:

1. That Chapter 678 of the Acts of Assembly of 1994 is amended and reenacted as follows:

§ 1. Option of certain counties to operate local health department under contract with the State Board of Health. -- Notwithstanding any other provision of law to the contrary, the governing body of any county having the urban county executive form of government may enter into a contract with the State Board of Health to provide local health services in that county. The governing body may provide such health services either through a separate local department or through another organizational arrangement as authorized by ~~§ 15.1-765~~ [§ 15.2-823](#). The governing body shall not eliminate any service required by law or reduce the level of service below that required by law. In addition, the local governing body shall not eliminate or reduce the level of any service currently delivered in connection with the Virginia Medicaid program.

Any contract executed between the county and the Board shall set forth the rights and responsibilities of the local governing body for the delivery of health services and shall require that the governing body, with the concurrence of the State Health Commissioner, appoint the local health director of health service in accordance with local procedures, who shall be employed full time as an employee of the governing body and shall be responsible for directing all state mandated public health programs. All employees of the local health department operated by the governing body of the county shall be employees of the governing body.

The local governing body shall operate the local health department, pursuant to the terms of the contract, within local appropriations and any state funds which may be made available to it, pursuant to the appropriations act. State funds for the operation of health services and facilities shall continue to be allocated to any county which has elected to provide health services by contract pursuant to this section as if such services were provided in a county without such a contract.

The local governing body shall maintain and submit such financial and statistical records as may be required by the State Board of Health.

The county shall be the sole owner of all equipment and supplies, including all equipment and supplies used by the local health department at the time of execution of the contract, which were or are purchased for providing public health services regardless of the source of the funds for such purchases.

Notwithstanding any other provision of law to the contrary, any person who is transferred from state to local employment in accordance with a contract authorized by this section, and who is a member of the Virginia Retirement System at the time of the transfer, shall continue to be a member of the Virginia Retirement System during the period of local employment. Any such transferred employee shall remain a member of the Virginia Retirement System under the same terms and conditions as would apply if the transferred employee had remained a state employee, so long as the employee is employed with a local health department or returns to state employment. For purposes of any employment of the transferred employee as a state employee after local employment, the membership in the Virginia Retirement System during local employment shall be treated the same as any other membership in the Virginia Retirement System.

For any employee who is transferred to local employment in accordance with a contract authorized by this section, that employee's membership in the Virginia Retirement System during local employment shall be treated the same as any other membership in the Virginia Retirement System. The local governing body shall collect and pay all employee and employer contributions to the Virginia Retirement System for retirement and group life insurance in accordance with the provisions of Chapter 1 of Title 51.1 of the Code of Virginia, as amended.

Any city that is receiving local health services from a county that contracts with the Commonwealth to provide local health services pursuant to this section may continue to receive local health services from that county. State funds for the operation of health services and facilities to any such city shall continue to be allocated as if such services were provided in a county without such a contract. Any existing contracts between any

city and any county which contracts with the state pursuant to this section shall continue unless and until amended by the affected jurisdictions.

The power to contract conferred by this provision shall not be deemed to confer any additional authority for any county providing local health services to impose fees for local health services.

*§ 2. Provisions with respect to retirement concerning those employees transferred from state employment to local employment. -- Notwithstanding any other provision of law to the contrary, any employee transferred from state employment to local employment pursuant to the terms of this Act and the contract required under this Act between the board of supervisors of any such county and the State Board of Health, shall remain a member of the Virginia Retirement System so long as he or she shall remain employed by any such county, regardless of the position or department of county government in which he or she shall be employed.*

## **Chapter 619 Alma C. White Memorial Bridge; designating at Route 631 bridge at Little Creek Dam Road.**

An Act to designate the Virginia Route 631 bridge at Little Creek Dam Road the "Alma C. White Memorial Bridge."

[\[H 1547\]](#)

Approved April 5, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Virginia Route 631 bridge at Little Creek Dam Road is hereby designated the "Alma C. White Memorial Bridge." The Department of Transportation, at the request of the local governing body, shall place and maintain appropriate signs indicating the designation of this bridge. This designation shall not affect any other designation heretofore or hereafter applied to this bridge or any portion thereof.*

## **Chapter 664 Sam's Restaurant; Governor to convey to Ocean Properties, LLC in downtown section of Hampton.**

An Act to convey Sam's Restaurant in Hampton, Virginia.

[\[H 898\]](#)

Approved April 5, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Governor is hereby authorized to sell and convey, upon consultation with the Virginia Marine Resources Commission in regard to the terms and conditions of the sale and conveyance, and in consideration of the mutual promises of the parties and the payment of fair market value consideration, to Ocean Properties, LLC, an irregular-shaped lot, piece, or parcel of land of approximately .107 acres situate, lying and being in the downtown section of Hampton, Virginia, said parcel being known as Sam's Restaurant and further described as follows: commencing at a point on the eastern right-of-way line of Water Street at the northeast intersection of Water Street and East Mellon Street; thence departing East Mellon Street and running [S56-16](#)'08"E a distance of 116.50'; thence [S54-06](#)'08"E a distance of 66.11' to a point, this being the point of beginning; thence departing the point of beginning and running [N46-37](#)'54"E a distance of 4.91'; thence [N80-31](#)'06"E a distance of 41.74', thence [N51-35](#)'39"E a distance of 111.48'; thence [S47-45](#)'54"E a distance of 14.10'; thence [S42-25](#)'37"W a distance of 103.03'; thence [S46-20](#)'57"E a distance of 35.06'; thence [S43-38](#)'36"W a distance of 20.79'; thence [N46-31](#)'32"W a distance of 35.83'; thence [S43-10](#)'57"W a distance of 12.88'; thence [N58-38](#)'11"W a distance of 57.66' to the point of beginning. The property is delineated on the survey prepared by Jeffrey J. Vierrether, dated September 15, 2004.*

*§ 2. Such sale and conveyance shall be made in a form approved by the Attorney General. The appropriate officials of the Commonwealth are hereby authorized to prepare, execute, and deliver such deed and other documents as may be necessary to accomplish the sale and conveyance.*

## **Chapter 776 Certificate of public need; authorization of certain amendment.**

An Act to authorize an amendment to a certain certificate of public need.

[\[H 381\]](#)

Approved April 6, 2006

Be it enacted by the General Assembly of Virginia:

1

. § 1. *Amendment of certain certificate of public need authorized.*

*Notwithstanding the provisions of subdivision 10 of § [32.1-102.3:2](#) as in effect on June 30, 1996, or the provisions of Chapter 868 of the Acts of Assembly of 2000 and Chapter 486 of the Acts of Assembly of 2003, the Commissioner of Health may accept and approve a request, pursuant to this act, to amend the conditions of a certificate of need issued for an increase in beds in which nursing facility or extended care services are provided to allow such facility to continue to admit persons, other than residents of the cooperative units, to its nursing facility beds for three years from the date of issuance of a certificate of occupancy for the third mid-rise residential unit building associated with such facility or June 30, 2009, whichever shall occur first, when such facility (i) is operated by an association described in § [55-458](#); (ii) was created in connection with a real estate cooperative; (iii) offers its residents a level of nursing services consistent with the definition of continuing care in Chapter 49 (§ [38.2-4900](#) et seq.) of Title 38.2; and (iv) was issued a certificate of need prior to October 3, 1995.*

## **Chapter 816 Nursing home bed projects; conditions for issuance of certificate of public need.**

An Act to authorize certain certificate of public need applications; emergency.

[\[H 267\]](#)

Approved April 6, 2006

Be it enacted by the General Assembly of Virginia:

1.

§ 1. *Certain certificate of public need applications authorized.*

*Notwithstanding the provisions of § [32.1-102.3:2](#) of the Code of Virginia, any standards promulgated by the Board of Health in regulations pursuant thereto, or the provisions of any current Request for Applications (RFAs) issued by the Commissioner of Health pursuant to § [32.1-102.3:2](#), the Commissioner of Health shall accept applications and may approve certificates of public need authorizing an increase in nursing home beds, either on-site or through relocation within the same city or county, from any facility licensed for*

*less than 40 beds, provided that (1) the facility experienced operating losses in 2003 and 2004, (2) the facility is not part of a hospital or continuing care retirement community, (3) the total number of beds that would be licensed would not be more than 90, (4) the bed need forecast in that planning district exceeds the current inventory of beds in that planning district, and (5) the estimated average occupancy of all existing Medicaid-certified nursing facility beds in the planning district was at least 93% over the most recent two years reported by Virginia Health Information as of the date of enactment of this legislation (excluding the bed inventory and utilization of the Virginia Veterans Care Centers).*

2. That the provisions of this act shall expire on June 30, 2007.

3. That the approval of any beds under this act shall affect the number of beds for which Requests for Applications may be issued for planning districts in which such beds are approved but shall not affect whether Requests for Applications are issued before such beds have been operated for two years.

4. That an emergency exists and this act is in force from its passage.

## **Chapter 821 Local government & school divisions; cooperative transportation agreements between.**

An Act to authorize cooperative transportation agreements between local governments and local school divisions.

[\[H 1582\]](#)

Approved April 6, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Any local government or combination of governments within Planning District 16 is hereby authorized to enter into cooperative agreements with a local school division or divisions for the use of school vehicles for public transportation purposes during non-school hours. Such agreements may utilize public or private funds for addressing the costs of the program.*

2. If no agreements are entered into pursuant to this act by July 1, 2010, the provisions of this act shall expire on July 1, 2010.

## **Chapter 879 No Child Left Behind; Bd. of Education to develop plan to identify initiatives funded thereby.**

An Act to direct the Virginia Board of Education to develop a plan in relation to No Child Left Behind.

[\[H 1427\]](#)

Approved April 19, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. No Child Left Behind; identification plan.*

*A. That the Virginia Board of Education shall develop a plan to identify initiatives or conditions that are currently being funded by the federal act known as No Child Left Behind, that are not an integral or necessary component of the Commonwealth's own Standards of Quality, Standards of Accreditation, or Standards of Learning as authorized by the Virginia General Assembly and the Board of Education. Included in this plan will be information on the consequences (including any potential loss of Federal funding) if the Commonwealth elected to not comply with the identified components.*

*B. Upon the development of the plan required by subsection A, the Office of the Attorney General of Virginia shall provide the Board and the General Assembly an estimate of the costs for providing legal services in the event that the elimination of any initiatives or conditions results in withholding of Title I funds.*

*C. The Board of Education shall report its plan to the Senate Committee on Education and Health, the House Committee on Education, the Senate Committee on Finance, and the House Committee on Appropriations by October 1, 2006.*

## **Chapter 880 No Child Left Behind Act; Board of Education encouraged to request waivers and exemptions.**

An Act to request certain waivers and exemptions to the federal No Child Left Behind Act.

[\[H 1428\]](#)

Approved April 19, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. No Child Left Behind; waiver and exemption requests.*

*A. The President of the Board of Education is encouraged to request from the U.S. Department of Education, in calendar year 2006, the following waivers and exemptions of the statutory and regulatory requirements of the federal No Child Left Behind Act (Public Law 107-110):*

*1. Additional flexibility for the Commonwealth to apply sanctions regarding supplemental services and public school choice.*

*2. The identification of schools in improvement to consider those schools that fail to make adequate yearly progress for two consecutive years in the same subject and for the same subgroup.*

*3. The modification of adequate yearly progress calculation policies to accommodate appropriate measures of progress for students with disabilities and those students who are limited English proficient.*

*4. The ability to count the passing scores of students on retests in the calculation of adequate yearly progress in a manner that increases the validity of adequate yearly progress determinations across tested grade levels.*

*Nothing in this section shall be construed to prohibit the Board of Education from making additional requests as it deems necessary.*

*B. The President of the Board of Education shall make a report on the status of all requests provided in subsection A of this act to the Governor, the Chairmen of the Senate Education and Health and House Education Committees, and the Chairmen of the Senate Finance and House Appropriations Committees no later than the first day of the 2007 Session of the General Assembly. If such report indicates that the response from the U.S. Department of Education to the requests in subsection A of this act is unsatisfactory, then the President of the Board of Education shall make recommendations to the Governor and the General Assembly regarding additional actions. Such actions may include, but need not be limited to (i) the nullification and revocation of the Virginia Consolidated State Application submitted to the U.S. Department of Education; (ii) legal actions that may be taken by the Office of the Attorney General; and (iii) additional negotiations with the U.S. Department of Education.*

## **Chapter 887 Blue Star Memorial Highway.**

An Act to designate the entire portion of Route 236, Little River Turnpike, and a portion of Braddock Road the "Blue Star Memorial Highway."

[\[H 1597\]](#)

Approved April 19, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the entire portion of U.S. Route 236, Little River Turnpike, and that portion of Braddock Road between Route 123 and Route 28 is hereby designated the "Blue Star Memorial Highway." The Department of Transportation shall place and maintain appropriate signs indicating the designation of these highways. These designations shall not affect any other designations heretofore or hereafter applied to these highways or any portions thereof.*

## **Chapter 918 License plates, special; issuance to supporters of childhood cancer awareness, youth soccer, etc.**

An Act to authorize the issuance of certain special license plates; fees.

[\[S 617\]](#)

Approved April 19, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Special license plates for supporters of childhood cancer awareness; fees.*

*A. On receipt of an application and payment of the fee prescribed by this section, and following the provisions of [§ 46.2-725](#) of the Code of Virginia other than those relating to the fee for the plates and its disposition, the Commissioner of the Department of Motor Vehicles shall issue to the applicant special license plates for supporters of childhood cancer awareness.*

*B. The annual fee for plates issued pursuant to this section shall be \$25 in addition to the prescribed fee for state license plates. For each such \$25 fee collected in excess of*

*1,000 registrations pursuant to this section, \$15 shall be paid into the state treasury and credited to a special nonreverting fund known as the Childhood Cancer Awareness Fund established within the Department of Accounts. These funds shall be paid annually to CureSearch and used to promote childhood cancer awareness in Virginia. All other fees imposed under the provisions of this section shall be paid to, and received by, the Commissioner of the Department of Motor Vehicles, and paid by him into the state treasury and set aside as a special fund to be used to meet the necessary expenses incurred by the Department of Motor Vehicles.*

*§ 2. Special license plates for supporters of USO; fees.*

*A. On receipt of an application and payment of the fee prescribed by this section, and following the provisions of § [46.2-725](#) of the Code of Virginia other than those relating to the fee for the plates and its disposition, the Commissioner of the Department of Motor Vehicles shall issue to the applicant special license plates bearing the legend:*

*SUPPORT THE USO.*

*B. The annual fee for plates issued pursuant to this section shall be \$25 in addition to the prescribed fee for state license plates. For each such \$25 fee collected in excess of 1,000 registrations pursuant to this section, \$15 shall be paid into the state treasury and credited to a special nonreverting fund known as the United Service Organizations Fund, established within the Department of Accounts. These funds shall be paid annually to the United Service Organizations and used to support its programs and activities in Virginia. All other fees imposed under the provisions of this section shall be paid to, and received by, the Commissioner of the Department of Motor Vehicles, and paid by him into the state treasury and set aside as a special fund to be used to meet the necessary expenses incurred by the Department of Motor Vehicles.*

*§ 3. Special license plates; supporters of the National D-Day Memorial Foundation; fees.*

*A. On receipt of an application and payment of the fee prescribed by this section, and following the provisions of § [46.2-725](#) of the Code of Virginia other than those relating to the fee for the plates and its disposition, the Commissioner shall issue special license plates to supporters of the National D-Day Memorial Foundation.*

*B. The annual fee for plates issued pursuant to this section shall be \$25 in addition to the prescribed fee for state license plates. For each such \$25 fee collected in excess of 1,000 registrations pursuant to this section, \$15 shall be paid into the state treasury and credited to a special nonreverting fund known as the National D-Day Memorial Foundation Fund, established within the Department of Accounts. These funds shall be paid annually to the National D-Day Memorial Foundation and used to assist in its programs, activities, and operation. All other fees imposed under the provisions of this section shall*

*be paid to, and received by, the Commissioner of the Department of Motor Vehicles, and paid by him into the state treasury and set aside as a special fund to be used to meet the necessary expenses incurred by the Department of Motor Vehicles.*

*§ 4. Special license plates for supporters of the United States troops; fees.*

*A. On receipt of an application and payment of the fee prescribed by this section, and following the provisions of § [46.2-725](#) of the Code of Virginia other than those relating to the fee for the plates and its disposition, the Commissioner of the Department of Motor Vehicles shall issue to the applicant special license plates bearing the legend:*

*SUPPORT OUR TROOPS.*

*B. The annual fee for plates issued pursuant to this section shall be \$25 in addition to the prescribed fee for state license plates. For each such \$25 fee collected in excess of 1,000 registrations pursuant to this section, \$15 shall be paid into the state treasury and credited to a special nonreverting fund known as the Support Our Troops Fund established within the Department of Accounts. These funds shall be paid annually to Virginia Support Our Troops, Inc. and used to support its programs and activities in Virginia. All other fees imposed under the provisions of this section shall be paid to, and received by, the Commissioner of the Department of Motor Vehicles, and paid by him into the state treasury and set aside as a special fund to be used to meet the necessary expenses incurred by the Department of Motor Vehicles.*

*§ 5. Special license plates for supporters of the National Multiple Sclerosis Society; fees.*

*A. On receipt of an application and payment of the fee prescribed by this section, and following the provisions of § [46.2-725](#) of the Code of Virginia other than those relating to the fee for the plates and its disposition, the Commissioner of the Department of Motor Vehicles shall issue to the applicant special license plates for supporters of the National Multiple Sclerosis Society.*

*B. The annual fee for plates issued pursuant to this section shall be \$25 in addition to the prescribed fee for state license plates. For each such \$25 fee collected in excess of 1,000 registrations pursuant to this section, \$15 shall be paid into the state treasury and credited to a special nonreverting fund known as the National Multiple Sclerosis Society Fund established within the Department of Accounts. These funds shall be paid annually to the National Multiple Sclerosis Society and used to support its programs and activities in Virginia. All other fees imposed under the provisions of this section shall be paid to, and received by, the Commissioner of the Department of Motor Vehicles, and paid by him into the state treasury and set aside as a special fund to be used to meet the necessary expenses incurred by the Department of Motor Vehicles.*

*§ 6. Special license plates for immediate family members of persons who have died in military service to their country; fees.*

*The Commissioner of the Department of Motor Vehicles shall issue special license plates, as prescribed herein, on receipt of an application and written evidence that the applicant is the owner of a motor vehicle and is a member of the immediate family of a member of the armed forces of the United States who lost his or her life under any of the following conditions:*

- 1. During World War I, World War II, or any subsequent period of armed hostilities in which the United States was engaged before July 1, 1958;*
- 2. Anytime after June 30, 1958:*
  - a. While engaged in an action against an enemy of the United States;*
  - b. While engaged in military operations involving conflict with an opposing foreign force;*
  - c. While serving with friendly forces engaged in an armed conflict in which the United States is not a belligerent party against an opposing armed force; or*
- 3. Anytime after March 28, 1973, as a result of:*
  - a. An international terrorist attack against the United States or a foreign nation friendly to the United States, recognized as such an attack by the U.S. Secretary of Defense; or*
  - b. Military operations while serving outside the United States, including commonwealths, territories, and possessions of the United States, as part of a peacekeeping force.*

*For the purposes of this section, a member of the immediate family shall include (i) a widow or widower, remarried or not; (ii) a mother, father, stepmother, stepfather, mother through adoption, father through adoption, and foster parents who stood in loco parentis; (iii) each child, stepchild, and adopted child; and (iv) each brother, half-brother, sister, and half-sister.*

*For each set of license plates issued under this section, the Commissioner shall charge, in addition to the prescribed cost of state license plates, a one-time fee of \$10 at the time the plates are issued.*

*The provisions of subdivisions B 1 and B 2 of § [46.2-725](#) of the Code of Virginia shall not apply to license plates issued under this section.*

*§ 7. Special license plates for veterans of U.S. military operations since September 11, 2001, in Afghanistan and Iraq.*

*On receipt of an application and following the provisions of § [46.2-725](#) of the Code of Virginia and written evidence that the applicant is a veteran of U.S. military operations in Afghanistan or Iraq, the Commissioner of the Department of Motor Vehicles shall issue to the applicant special license plates to veterans of U.S. military operations in Afghanistan and Iraq.*

*§ 8. Special license plates for supporters of the Boy Scouts of America.*

*On receipt of an application and following the provisions of § [46.2-725](#) of the Code of Virginia, the Commissioner of the Department of Motor Vehicles shall issue to the applicant special license plates for supporters of the Boy Scouts of America.*

*§ 9. Special license plates for supporters of 9-1-1 communications professionals.*

*On receipt of an application and following the provisions of § [46.2-725](#) of the Code of Virginia, the Commissioner of the Department of Motor Vehicles shall issue special license plates to supporters of 9-1-1 communications professionals.*

*§ 10. Special license plates for supporters of youth soccer.*

*On receipt of an application and following the provisions of § [46.2-725](#) of the Code of Virginia, the Commissioner of the Department of Motor Vehicles shall issue to the applicant special license plates for supporters of youth soccer.*

*§ 11. Special license plates honoring Robert E. Lee.*

*On receipt of an application and following the provisions of § [46.2-725](#) of the Code of Virginia, the Commissioner of the Department of Motor Vehicles shall issue to the applicant special license plates honoring Robert E. Lee.*

*§ 12. Special license plates bearing the legend I VOTED.*

*On receipt of an application and following the provisions of § [46.2-725](#) of the Code of Virginia, the Commissioner of the Department of Motor Vehicles shall issue to the applicant special license plates bearing the legend: I VOTED.*

## **Chapter 933 Higher educational institutions; management agreements, report.**

An Act providing management agreements between the Commonwealth and Virginia Polytechnic Institute and State University, The College of William and Mary in Virginia, and the University of Virginia, respectively, pursuant to the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of the Code of Virginia.

[\[H 1502\]](#)

Approved May 18, 2006

Be it enacted by the General Assembly of Virginia:

1. That the following Chapter 1 shall hereafter be known as the "2006 Management Agreement Between the Commonwealth of Virginia and Virginia Polytechnic Institute and State University:"

CHAPTER 1.

MANAGEMENT AGREEMENT

BY AND BETWEEN

THE COMMONWEALTH OF VIRGINIA

AND

VIRGINIA POLYTECHNIC INSTITUTE AND STATE UNIVERSITY

*This MANAGEMENT AGREEMENT, executed this 15th day of November, 2005, by and between the Commonwealth of Virginia (hereafter, the Commonwealth) and Virginia Polytechnic Institute and State University (hereafter, Virginia Tech, to be abbreviated as the University) provides as follows:*

RECITALS

*WHEREAS, Virginia Tech has satisfied the conditions precedent set forth in subsections A and B of § [23-38.97](#) of the Code of Virginia to become a public institution of higher education of the Commonwealth governed by Subchapter 3 (§ [23-38.91](#) et seq.) of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia (Subchapter 3 and the Act, respectively), as evidenced by:*

- 1. Board of Visitors Approval. The minutes of a meeting of the Board of Visitors of Virginia Tech held on September 24, 2005, indicate that an absolute two-thirds or more of the members voted to approve the resolution required by subdivision A 1 of § [23-38.97](#) of the Act;*
- 2. Written Application to the Governor. Virginia Tech has submitted to the Governor a written Application dated October 27, 2005, with copies to the Chairmen of the House Committee on Appropriations, the House Committee on Education, the Senate Committee on Finance, and the Senate Committee on Education and Health, expressing the sense of its Board of Visitors that Virginia Tech is qualified to be, and should be, governed by Subchapter 3 of the Act, and substantiating that Virginia Tech has fulfilled the requirements of paragraph 2 of subsection A of § [23-38.97](#) of the Act; and*
- 3. Finding by the Governor. In accordance with subsection B of § [23-38.97](#) of the Act, the Governor has found that Virginia Tech has fulfilled the requirements of subdivision A 2 of*

§ [23-38.97](#) of the Act, and therefore has authorized Cabinet Secretaries to enter into this Management Agreement on behalf of the Commonwealth with Virginia Tech; and WHEREAS, Virginia Tech is therefore authorized to enter into this Management Agreement as provided in subsection D of § [23-38.88](#) and Subchapter 3 of the Act.

AGREEMENT

NOW THEREFORE, in accordance with the provisions of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in consideration of the foregoing premises, the Commonwealth and Virginia Tech do now agree as follows:

ARTICLE 1. DEFINITIONS.

As used in this Agreement, the following terms have the following meanings, unless the context requires otherwise:

"Act" means the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.

"Agreement" means "Management Agreement."

"Board of Visitors" means the Board of Visitors of Virginia Tech.

"Covered Employee" means any person who is employed by Virginia Tech on either a salaried or wage basis.

"Covered Institution" means, on and after the effective date of its initial management agreement with the Commonwealth, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by and in accordance with the provisions of subsection D of § [23-38.88](#) and Subchapter 3 of the Act.

"Enabling legislation" means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth.

"Management Agreement" means this agreement between the Commonwealth of Virginia and Virginia Tech as required by subsection D of § [23-38.88](#) and Subchapter 3 of the Act.

"Parties" means the parties to this Management Agreement, the Commonwealth of Virginia and Virginia Tech.

"Public institution of higher education" means those two-year and four-year institutions enumerated in § [23-14](#) of the Code of Virginia.

*"University" means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agricultural Experiment Station Division (State Agency 229).*

**ARTICLE 2. SCOPE OF MANAGEMENT AGREEMENT.**

**SECTION 2.1. Enhanced Authority Granted and Accompanying Accountability.**

*Subchapter 3 of the Act provides that, upon the execution of, and as of the effective date for, this Management Agreement, Virginia Tech shall become a Covered Institution entitled to be granted by the Commonwealth and to exercise the powers and authority provided in Subchapter 3 of the Act that are expressly contained in this Management Agreement. In general, subject to its management agreement with the Commonwealth, status as a Covered Institution governed by Subchapter 3 of the Act and this Management Agreement is intended to replace (i) the post-General Assembly authorization prior-approval system of reviews, approvals, policies and procedures carried out and implemented by a variety of central State agencies with (ii) a post-audit system of reviews and accountability under which a Covered Institution is fully responsible and fully accountable for managing itself pursuant to Subchapter 3 of the Act and its management agreement with the Commonwealth.*

**SECTION 2.1.1. Assessments and Accountability.** *Virginia Tech and its implementation of the enhanced authority granted by Subchapter 3 of the Act and this Management Agreement, and the Board of Visitors policies attached hereto as Exhibits A through F, shall be subject to the reviews, assessments, and audits (i) set forth in the Act that are to be conducted by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, or (ii) as may be conducted periodically by the Secretaries of Finance, Administration, Education, or Technology, or by some combination of these four Secretaries, or (iii) as otherwise may be required by law other than the Act.*

**SECTION 2.1.2. Express Grant of Powers and Authority.** *Subject to the specific conditions and limitations contained in Article 4 (Institutional Management), Article 5 (Capital Projects; Procurement; Property Generally), and Article 6 (Human Resources) of Subchapter 3 of the Act, the Commonwealth and Virginia Tech agree that the Commonwealth has expressly granted to Virginia Tech by this Management Agreement all the powers and authority contained in certain policies adopted by the Board of Visitors of Virginia Tech attached hereto as Exhibits A through F and governing (1) the undertaking and implementation of capital projects, and other acquisition and disposition of property (Exhibit A), (2) the leasing of property, including capital leases (Exhibit B), (3) information technology (Exhibit C), (4) the procurement of goods, services, including certain*

*professional services, insurance, and construction (Exhibit D), (5) human resources (Exhibit E), and (6) its system of financial management (Exhibit F), including, as provided in subsection B of § [23-38.104](#) of the Act, the sole authority to establish tuition, fees, room, board, and other charges consistent with sum sufficient appropriation authority for non-general funds as provided by the Governor and the General Assembly in the Commonwealth's biennial appropriations authorization. Subject to the specific conditions and limitations contained in Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act, in this Management Agreement, and in one or more of the Board of Visitors policies attached hereto as Exhibits A through F, the Commonwealth and Virginia Tech agree that the Commonwealth has expressly granted to Virginia Tech all the powers and authority permitted by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Management Agreement and the policies adopted by it and attached hereto as Exhibits A through F. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate the duties and responsibilities set forth in this Management Agreement to its officers, committees, and subcommittees, and, as set forth in the policies adopted by the Board and attached hereto as Exhibits A through F, to a person or persons within the University.*

**SECTION 2.1.3. Reimbursement by Virginia Tech of Certain Costs.**

*By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any health or other group insurance or risk management program made available to the University through any agency, body corporate, political subdivision, authority, or other entity of the Commonwealth, and in which the University is then participating, to enable the Commonwealth's actuaries to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the University proceeds to withdraw from such health or other group insurance or risk management program, the University shall, pursuant to subdivision D 2 c of § [23-38.88](#), reimburse the Commonwealth for all such additional costs attributable to such withdrawal as determined by the Commonwealth's actuaries.*

**SECTION 2.1.4. Potential Impact on Virginia College Savings Plan.** *As required by subdivision D 2 c of § [23-38.88](#) of the Act, Virginia Tech has given consideration to potential*

*future impacts of tuition increases on the Virginia College Savings Plan (§ [23-38.75](#) of the Code of Virginia) and has discussed those potential impacts with the Executive Director and staff of that Plan and with parties in the Administration who participated in the development of this Management Agreement. The Executive Director of the Plan has provided to Virginia Tech and the Commonwealth the Plan's assumptions underlying the contract pricing of the program.*

*SECTION 2.1.5. Justification for Deviations from the Virginia Public Procurement Act. Pursuant to § [23-38.110](#) of the Act and subject to the provisions of this Management Agreement, Virginia Tech may be exempt from the provisions of the Virginia Public Procurement Act (VPPA), Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2 of the Code of Virginia. Any procurement policies or rules that deviate from the VPPA must be uniform across all institutions governed by Subchapter 3 of the Act, and the Board of Visitors shall adopt and comply with procurement policies that are based upon competitive principles and seek competition to the maximum practical degree. The Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials and the Rules Governing Procurement of Goods, Services, Insurance, and Construction (the Procurement Rules) attached to that Policy as Attachment I constitute the policies and uniform deviations from the VPPA required by subsections A and B of § [23-38.110](#) of the Act.*

*Subsection D of § [23-38.110](#) of the Act requires that Virginia Tech identify the public, educational, and operational interests served by any procurement rule or rules that deviate from those in the VPPA. The adopted Board of Visitors policy on procurement and the Procurement Rules provide Virginia Tech with the autonomy to administer its procurement process while fully adhering to the principle that competition should be sought to the maximum extent feasible. This autonomy will better position Virginia Tech to support the requirements of its growing teaching, research and outreach missions. Greater autonomy in procurement will improve internal capacity to respond quickly to emergent material and service issues and, therefore, enable Virginia Tech to be more efficient and effective in meeting the Commonwealth's goals for institutions of higher education. In some instances, costs will be reduced. Taken collectively, Virginia Tech's procurement policies and rules that differ from those required by the VPPA will enhance procurement "best practices" as they currently are being observed within the higher education community nationally. Further, these changes will provide efficiencies to both Virginia Tech and public sector suppliers.*

*SECTION 2.1.6. Quantification of Cost Savings. Subsection C of § [23-38.104](#) of the Act requires that a Covered Institution include in its management agreement with the*

*Commonwealth the quantification of cost savings realized as a result of the additional operational flexibility provided pursuant to Subchapter 3 of the Act. Since this initial Management Agreement with the Commonwealth has not yet been implemented by Virginia Tech, the parties agree that Virginia Tech is not in a position to quantify any such cost savings at this time, although Virginia Tech expects that there will be cost savings resulting from the additional authority granted to Virginia Tech pursuant to Subchapter 3 of the Act and that such cost savings will be part of the determinations made during the reviews, assessments, and audits to be conducted pursuant to Subchapter 3 of the Act by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, and as otherwise described in Section 2.1.1 above.*

*SECTION 2.1.7. Participation in State Programs. The Commonwealth intends that Virginia Tech shall continue to fully participate in, and receive funding support from the many and varied programs established now or in the future by the Commonwealth to provide support for Virginia's public institutions of higher education and for Virginians attending such institutions, including but not limited to: the state capital outlay and bond financing initiatives undertaken from time to time by the Commonwealth; the Higher Education Equipment Trust Fund established pursuant to (§ [23-30.24](#) et seq.) of the Code of Virginia; the Maintenance Reserve Fund as provided in the Appropriation Act; the Eminent Scholars program as provided in the Appropriation Act; the Commonwealth's various student financial assistance programs; and other statewide programs or initiatives that exist, or may be established, in support of the Commonwealth's higher education institutions, programs, or activities.*

*SECTION 2.1.8. Implied Authority. Pursuant to subdivision D 1 of § [23-38.88](#) of the Act, the only implied authority granted to Virginia Tech by this Management Agreement is that implied authority that is actually necessary to carry out the expressed grant of financial or operational authority contained in this Agreement or in the policies adopted by Virginia Tech's Board of Visitors and attached hereto as Exhibits A through F.*

*SECTION 2.1.9. Exercise of Authority. Virginia Tech and the Commonwealth acknowledge and agree that the execution of this Management Agreement constitutes the conclusion of a process that, as of the effective date of this Agreement, confers upon Virginia Tech the enhanced authority and operating flexibility described above, all of which is in furtherance of the purposes of Subchapter 3 of the Act. Therefore, without any further conditions or requirements, Virginia Tech shall, on and after the effective date of this Management Agreement, be authorized to exercise the authority conferred upon it by this Management Agreement and the policies adopted by its Board of Visitors attached*

*hereto as Exhibits A through F, and by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act except to the extent that the powers and authority contained in Article 3 of Subchapter 3 of the Act have been limited by this Management Agreement or the Board of Visitors policies attached hereto as Exhibits A through F.*

*Virginia Tech and the Commonwealth also acknowledge and agree that, pursuant to subsection A of § [23-38.91](#) of the Act and consistent with the terms of this Management Agreement, the Board of Visitors of Virginia Tech shall assume full responsibility for management of Virginia Tech, subject to the requirements and conditions set forth in Subchapter 3 of the Act, the general requirements for this Management Agreement as provided in § [23-38.88](#) of the Act, and this Management Agreement. The Board of Visitors shall be fully accountable for (a) the management of Virginia Tech as provided in the Act, (b) meeting the requirements of §§ [2.2-5004](#), [23-9.2:3.02](#), and [23-9.6:1.01](#) of the Code of Virginia, and (c) meeting such other provisions as are set forth in this Management Agreement.*

*SECTION 2.2. State Goals.*

*SECTION 2.2.1. Furthering State Goals. As required for all public institutions of higher education of the Commonwealth by subsection B of § [23-38.88](#) of the Act, prior to August 1, 2005, the Board of Visitors of Virginia Tech adopted the resolution setting forth its commitment to the Governor and the General Assembly to meet the State goals specified in that subsection B.*

*In addition to the above commitments, the University commits to furthering these State goals by:*

*1. In addition to its six-year target of achieving \$227 million in external research by 2011-12 [which is the last year of the six-year plan], the University commits to match from institutional funds, other than general funds or tuition, on a dollar for dollar basis, any additional research funds provided by the State in the Appropriation Act above the amount provided from institutional funds for research in 2005-06.*

*2. In a concerted effort to provide educational opportunities to Virginia students attending institutions in the Virginia Community College System (VCCS) and Richard Bland College, the University commits to work with the University of Virginia and the College of William and Mary in Virginia to establish a program under which these three institutions will increase significantly the number of such students transferring to their institutions. Specifically, pursuant to this program, the University, the University of Virginia and the College of William and Mary in Virginia collectively commit to enroll as transfer students from VCCS institutions and Richard Bland College (i) by the 2007-08 fiscal year, not less than approximately 300 new such transfer students each year over the number*

enrolled in 2004-05, for a total of approximately 900 such transfer students each year, and (ii) by the end of the decade, not less than approximately 650 new such transfer students each year over the number enrolled in 2004-05, for a total of approximately 1,250 such transfer students each year. The three institutions have agreed that they will mutually determine how to divide the responsibility for these additional transfer students equitably among themselves.

3. As an institutional priority and obligation, the University commits to the Governor and General Assembly to work meaningfully and visibly with an economically distressed region or local area of the Commonwealth, not smaller in size than a city or county, which lags behind the Commonwealth in education, income, employment, and other factors. The University commits to establish a formal partnership with that area to develop jointly a specific action plan that builds on the University's programmatic strengths and uses the University's faculty, staff and, where appropriate, student expertise to stimulate economic development in the area to make the area more economically viable, and to improve student achievement and teacher and administrator skill sets in a school division in that area. The University shall submit the action plan to the Governor and General Assembly by no later than December 31, 2006, and shall report to the Governor and General Assembly by September 1 of each year on its progress in implementing the action plan during the prior fiscal year.

SECTION 2.2.2. Student Enrollment, Tuition, and Financial Aid. As required by § [23-9.2:3.02](#) of the Code of Virginia, Virginia Tech, along with all other public institutions of higher education of the Commonwealth, has developed and submitted to the State Council of Higher Education for Virginia (SCHEV) by October 1, 2005, an institution-specific Six-Year Plan addressing Virginia Tech's academic, financial, and enrollment plans for the six-year period of fiscal years 2006-07 through 2011-12. Subsection A of § [23-9.2:3.02](#) of the Code of Virginia, requires Virginia Tech to update this Six-Year Plan by October 1 of each odd-numbered year. Subsection B of § [23-38.97](#) of the Act requires that a management agreement address, among other issues, such matters as Virginia Tech's in-state undergraduate student enrollment, its financial aid requirements and capabilities, and its tuition policy for in-state undergraduate students. These matters are addressed below and in Virginia Tech's Six-Year Plan submitted to SCHEV, and the parties therefore agree that Virginia Tech's Six-Year Plan and the description below meet the requirement of subsection B of § [23-38.97](#) of the Act.

Subsection B of § [23-38.104](#) of the Act requires the Board of Visitors of Virginia Tech to include in this Management Agreement Virginia Tech's commitment to provide need-based grant aid for middle- and lower-income Virginia students in a manner that

*encourages student enrollment and progression without respect to potential increases in tuition and fees. Virginia Tech's commitment in this regard is clear. Virginia Tech recognizes that the cost of higher education as a percentage of family income has increased steadily in recent years for low and moderate income families. Since the University anticipates further increases in tuition and fees during the six year period of 2006-2012, the University developed its Funds for the Future program, which shall be substantially as described in the remainder of this Section 2.2.2, as may be amended from time to time by the Board of Visitors of Virginia Tech and reported to the Secretaries of Finance and Education and the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations. The Funds for the Future program was developed to increase institutional funds and other fund sources to moderate the impact of future tuition and fees increases for Virginia undergraduates from families with adjusted gross income of \$100,000 or less, as determined by federal financial aid regulations.*

*The Funds for the Future program works on a sliding scale of family responsibility for coverage of tuition and fees. For example, students with a family adjusted gross income of \$30,000 or less (approximately 150% of the poverty level for a family of four) will receive incremental grant aid sufficient to completely offset any increase in their tuition and mandatory fees during their four years of enrollment at Virginia Tech. For students with family adjusted gross income of \$30,001 to \$99,999, the University will provide varying levels of financial aid awards to reduce the impact of tuition and fee increases.*

*Virginia Tech serves a large number of students with financial need. Based on 2003-04 enrollment data, the University estimates that for the 2006-07 academic year approximately 5,636 students, representing over 36% of the Virginia Tech undergraduate student body, will receive incremental benefits under the Funds for the Future program. The institution will draw upon the full range of available resources to increase grant aid to these students and has established very aggressive goals for its institutional and private funds resources to create and sustain this program. As such, the University program is also based on the commitment of additional state General Fund support, consistent with the levels identified in its Six-Year Financial Plan; these amounts are based upon SCHEV calculations for incremental General Fund appropriations. Consistent with the current financial aid environment, the University also anticipates that existing federal, state, and University loan programs will be available, as needed, to assist students in addressing their annual costs of education not addressed by existing grant aid programs, the Funds for the Future program, or other available resources.*

*The Commonwealth and Virginia Tech agree that this commitment meets the requirements of subsection B of § [23-38.104](#) of the Act.*

*SECTION 2.3. Authority Granted to Virginia Cooperative Extension and the Agriculture Experiment Station Division. Virginia Cooperative Extension and the Agriculture Experiment Station Division shall receive the benefits of the additional financial and operational authority granted by this Management Agreement as it and the policies adopted by the Board of Visitors attached as Exhibits A through F are implemented by Virginia Tech on behalf of Virginia Cooperative Extension and the Agriculture Experiment Station Division, but Virginia Cooperative Extension and the Agriculture Experiment Station Division shall not receive any additional independent financial or operational authority as a result of this Management Agreement or the attached Board of Visitors policies beyond the independent financial and operational authority that it had prior to the effective date of this Management Agreement or that it may be granted by law in the future.*

*SECTION 2.4. Other Law. As provided in subsection B of § [23-38.91](#) of the Act, Virginia Tech shall be governed and administered in the manner provided not only in this Management Agreement, but also as provided in the Appropriation Act then in effect and Virginia Tech's Enabling Legislation.*

*SECTION 2.4.1. The Appropriation Act. The Commonwealth and Virginia Tech agree that, pursuant to the current terms of the Act and the terms of § 4-11.00 of the 2004-06 Appropriation Act, if there is a conflict between the provisions of the Appropriation Act and the provisions of Subchapter 3 of the Act, or this Management Agreement, or the Board of Visitors policies attached to this Management Agreement as Exhibits A through F, the provisions of the Appropriation Act shall control, and shall continue to control unless provided otherwise by law.*

*SECTION 2.4.2. Virginia Tech's Enabling Legislation. As provided in subsection C of § [23-38.91](#) of the Act, in the event of a conflict between any provision of Subchapter 3 of this Act and Virginia Tech's Enabling Legislation, the Enabling Legislation shall control.*

*SECTION 2.4.3. Title 2.2 of the Code of Virginia. As provided in subsection B of § [23-38.92](#) of the Act, except as specifically made inapplicable under Subchapter 3 of the Act and the express terms of this Management Agreement, the provisions of Title 2.2 relating generally to the operation, management, supervision, regulation, and control of public institutions of higher education shall be applicable to Virginia Tech as provided by the express terms of this Management Agreement. As further provided in subsection C of § [23-38.92](#) of the Act, in the event of conflict between any provision of Title 2.2 and any provision of Subchapter 3 of the Act as expressed in this Management Agreement, the provisions of this Management Agreement shall control.*

*SECTION 2.4.4. Educational Policies of the Commonwealth. As provided in subsection A of § [23-38.93](#) of the Act, for purposes of §§ [2.2-5004](#). [23-1.01](#). [23-1.1](#), [23-2](#), [23-2.1](#), [23-](#)*

[2.1:1](#), [23-3](#), [23-4.2](#), [23-4.3](#), [23-4.4](#), [23-7.1:02](#), [23-7.4](#), [23-7.4:1](#), [23-7.4:2](#), [23-7.4:3](#), [23-7.5](#), [23-8.2:1](#), [23-9.1](#), [23-9.2](#), [23-9.2:3](#), [23-9.2:3.02](#), [23-9.2:3.1](#) through [23-9.2:5](#), [23-9.6:1.01](#), and Chapter 4.9 (§ [23-38.75](#) et seq.) of the Code of Virginia, Virginia Tech shall remain a public institution of higher education of the Commonwealth following the effective date of this Management Agreement, and shall retain the authority granted and any obligations required by such provisions, unless and until provided otherwise by law other than the Act. In addition, Virginia Tech shall retain the authority, and any obligations related to the exercise of such authority, that is granted to institutions of higher education pursuant to Chapter 1.1 (§ [23-9.3](#) et seq.), Chapter 3 (§ [23-14](#) et seq.), Chapter 3.2 (§ [23-30.23](#) et seq.), Chapter 3.3 (§ [23-30.39](#) et seq.), Chapter 4 (§ [23-31](#) et seq.), Chapter 4.01 (§ [23-38.10:2](#) et seq.), Chapter 4.1 (§ [23-38.11](#) et seq.), Chapter 4.4 (§ [23-38.45](#) et seq.), Chapter 4.4:1 (§ [23-38.53:1](#) et seq.), Chapter 4.4:2 (§ [23-38.53:4](#) et seq.), Chapter 4.4:3 (§ [23-38.53:11](#)), Chapter 4.4:4 (§ [23-38.53:12](#) et seq.), Chapter 4.5 (§ [23-38.54](#) et seq.), Chapter 4.7 (§ [23-38.70](#) et seq.), Chapter 4.8 (§ [23-38.72](#) et seq.), and Chapter 4.9 (§ [23-38.75](#) et seq.), unless and until provided otherwise by law other than the Act.

SECTION 2.4.5. *Public Access to Information.* As provided in § [23-38.95](#) of the Act, Virginia Tech shall continue to be subject to § [2.2-4342](#) and to the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, but shall be entitled to conduct business pursuant to § [2.2-3709](#), if expressly named therein, and, in all cases, may conduct business as a "state public body" for purposes of subsection B of § [2.2-3708](#).

SECTION 2.4.6. *Conflicts of Interests.* As provided in § [23-38.96](#) of the Act, the provisions of the State and Local Government Conflict of Interests Act, Chapter 32 (§ [2.2-3100](#) et seq.) of the Code of Virginia, that are applicable to officers and employees of a state governmental agency shall continue to apply to the members of the Board of Visitors of Virginia Tech and to its Covered Employees.

SECTION 2.4.7. *Other Provisions of the Code of Virginia.* Other than as specified above, any other powers and authorities granted to Virginia Tech pursuant to any other sections of the Code of Virginia, including other provisions of the Act, are not affected by this Management Agreement or the Board policies attached hereto as Exhibits A through F.

## ARTICLE 3. AMENDMENTS TO, AND RIGHT AND POWER TO VOID OR REVOKE, MANAGEMENT AGREEMENT.

SECTION 3.1. *Amendments.* Any change to or deviation from this Management Agreement or the Board of Visitors policies attached hereto as Exhibits A through F shall be reported to the Secretaries of Finance, Administration, Education, and Technology and to the Chairmen of the Senate Committee on Finance and the House Committee on

*Appropriations and shall be posted on the University's website. The change or deviation shall become effective unless one of the above persons notifies the University in writing within 60 days that the change or deviation is substantial and material. Any substantial and material change or deviation shall require the execution by the parties of an amendment to this Management Agreement or a new Management Agreement pursuant to the provisions of subsection D of § [23-38.88](#) and may lead to the Governor declaring this Management Agreement to be void pursuant to subdivision D 4 of § [23-38.88](#) of the Act.*

*SECTION 3.2. Right and Power to Void, Revoke, or Reinstate Management Agreement.*

*SECTION 3.2.1. Governor. Pursuant to subdivision D 4 of § 23.38.88, and § [23-38.98](#), of the Act, if the Governor makes a written determination that Virginia Tech is not in substantial compliance with the terms of this Management Agreement or with the requirements of the Act in general, (i) the Governor shall provide a copy of that written determination to the Rector of the Board of Visitors of Virginia Tech and to the members of the General Assembly, and (ii) Virginia Tech shall develop and implement a plan of corrective action, satisfactory to the Governor, for purposes of coming into substantial compliance with the terms of this Management Agreement and with the requirements of the Act, as soon as practicable, and shall provide a copy of such corrective action plan to the members of the General Assembly. If after a reasonable period of time after the corrective action plan has been implemented by Virginia Tech, the Governor determines that the institution is not yet in substantial compliance with this Management Agreement or the requirements of the Act, the Governor may void this Management Agreement. Upon the Governor voiding this Management Agreement, Virginia Tech shall no longer be allowed to exercise any restructured financial or operational authority pursuant to the provisions of Subchapter 3 of the Act unless and until Virginia Tech has entered into a subsequent management agreement with the Secretary or Secretaries designated by the Governor or the voided Management Agreement is reinstated by the General Assembly.*

*SECTION 3.2.2. General Assembly. As provided in subdivision D 4 of § [23-38.88](#) of the Act, the General Assembly may reinstate a Management Agreement declared void by the Governor. Pursuant to § [23-38.98](#) of the Act, Virginia Tech's status as a Covered Institution governed by Subchapter 3 of the Act may be revoked by an act of the General Assembly (i) if Virginia Tech fails to meet the requirements of Subchapter 3 of the Act, or (ii) if Virginia Tech fails to meet the requirements of this Management Agreement.*

*ARTICLE 4. GENERAL PROVISIONS.*

*SECTION 4.1. No Third-Party Beneficiary Status. Nothing in this Agreement, express or implied, shall be construed as conferring any third-party beneficiary status on any person or entity.*

*SECTION 4.2. Sovereign Immunity. Pursuant to subsection E of § [23-38.88](#) of the Act, Virginia Tech and the members of its Board of Visitors, officers, directors, employees, and agents shall be entitled to the same sovereign immunity to which they would be entitled if Virginia Tech were not governed by the Act; provided that the Virginia Tort Claims Act, (§ 8.01.195.1 et seq.) of the Code of Virginia, and its limitations on recoveries shall remain applicable with respect to Virginia Tech.*

*SECTION 4.3. Term of Agreement. This Management Agreement shall expire at midnight on June 30, 2010.*

*WHEREFORE, the foregoing Management Agreement has been executed as of this 15th day of November, 2005, and shall become effective on the effective date of legislation enacted into law providing for the terms of such Agreement.*

## *POLICY GOVERNING CAPITAL PROJECTS*

### *I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, the University may be delegated the authority to establish its own system for undertaking the implementation of its capital projects. In general, status as a Covered Institution is designed to replace the post-authorization system of reviews, approvals, policies and procedures carried out by a variety of central State agencies, and also the traditional preauthorization approval process for projects funded entirely with non-general funds and without any proceeds from State Tax Supported Debt. The University's system for carrying out its capital outlay process as a Covered Institution is to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy, together with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy, constitute the adopted Board of Visitors policies regarding the University's capital projects, whether funded by a state general fund appropriation, State Tax Supported Debt, or funding from other sources. This Policy is intended to encompass and implement the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy.*

### *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Board of Visitors of Virginia Polytechnic Institute and State University.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“Capital Professional Services” means professional engineering, architecture, land surveying and landscape architecture services related to capital projects.*

*“Capital project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction, improvements or renovations, and Capital Leases.*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth.*

*“Major Capital Project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction of 5,000 square feet or greater or costing \$1 million or more, improvements or renovations of \$1 million or more, and Capital Leases.*

*“State Tax Supported Debt” means bonds, notes, or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 20, 2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

*“University” means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agricultural Experiment Station Division (State Agency 229).*

### *III. SCOPE OF POLICY.*

*This Policy applies to the planning and budget development for capital projects, capital project authorization, and the implementation of capital projects, whether funded by a general fund appropriation of the General Assembly, proceeds from State Tax Supported Debt, or funding from other sources.*

*This Policy provides guidance for 1) the process for developing one or more capital project programs for the University, 2) authorization of new capital projects, 3) procurement of Capital Professional Services and construction services, 4) design reviews and code approvals for capital projects, 5) environmental impact requirements, 6) building demolitions, 7) building and land acquisitions, 8) building and land dispositions, 9) project management systems, and 10) reporting requirements.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

#### **V. CAPITAL PROGRAM.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall adopt a system for developing one or more capital project programs that defines or define the capital needs of the University for a given period of time consistent with the University's published Master Plan. This process may or may not mirror the Commonwealth's requirements for capital plans. The Board of Visitors shall approve the program for Major Capital Projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt shall follow the Commonwealth's requirements for capital plans. The Board may approve amendments to the program for Major Capital Projects annually or more often if circumstances warrant. It shall be University policy that each capital project program shall meet the University's mission and institutional objectives, and be appropriately authorized by the University. Moreover, it shall be University policy that each capital project shall be of a size and scope to provide for the defined program needs, designed in accordance with all applicable building codes and handicapped accessibility standards as well as the University's design guidelines and standards, and costed to reflect current costs and escalated to the mid-point of anticipated construction.*

#### **VI. AUTHORIZATION OF CAPITAL PROJECTS.**

*The Board of Visitors shall authorize the initiation of each Major Capital Project by approving its size, scope, budget, and funding. The President, acting through the Executive Vice President and Chief Operating Officer, shall adopt procedures for approving the size, scope, budget and funding of all other capital projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and those preappropriation approvals of the State's governmental agencies then applicable, and shall follow the State's process for capital budget requests.*

*It shall be the policy of the University that the implementation of capital projects shall be carried out so that the capital project as completed is the capital project approved by the Board for Major Capital Projects and according to the procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer, for all other capital projects. The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure strict adherence to this requirement. Accordingly, the budget, size and scope of a capital project shall not be materially changed beyond the plans and justifications that were the basis for the capital project's approval, either before or during construction, unless approved in advance as described above. Minor changes shall be permissible if they are determined by the President, acting through the Executive Vice President and Chief Operating Officer, to be justified. Major Capital Projects may be submitted for Board of Visitors authorization at any time but must include a statement of urgency if not part of the approved Major Capital Project program.*

**VII. PROCUREMENT OF CAPITAL PROFESSIONAL SERVICES AND CONSTRUCTION SERVICES.**

*It shall be the policy of the University that procurements shall result in the purchase of high quality services and construction at reasonable prices and shall be consistent with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and with the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy. Specifically, the University is committed to:*

- A. Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*
- B. Conducting all procurements in a fair and impartial manner and avoiding any impropriety or the appearance of any impropriety prohibited by State law or University policy;*
- C. Making procurement rules clear in advance of any competition;*
- D. Providing access to the University's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;*
- E. Including in contracts of more than \$10,000 the contractor's agreement not to discriminate against employees or applicants because of race, religion, color, sex, national origin, age, disability or other basis prohibited by State law except where there is a bona fide occupational qualification reasonably necessary to the contractor's normal operations; and*

*F. Providing for a non-discriminatory procurement process, and including appropriate and lawful provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers.*

*The President, acting through the Executive Vice President and Chief Operating Officer, is authorized to develop implementing procedures for the procurement of Capital Professional Services and construction services at the University. The procedures shall implement this Policy and provide for:*

*A. A system of competitive negotiation for Capital Professional Services, including a procedure for expedited procurement of Capital Professional Services under \$50,000, pursuant to (i) subdivisions 1, 2, and 3 a of the defined term "competitive negotiation" in Rule 4 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction, and (ii) § 4-5.06 of the 2004-2006 Appropriation Act;*

*B. A prequalification procedure for contractors or products;*

*C. A procedure for special construction contracting methods, including but not limited to design-build and construction management contracts; and*

*D. A prompt payment procedure.*

*The University also may enter into cooperative arrangements with other private or public health or educational institutions, healthcare provider alliances, purchasing organizations or state agencies where, in the judgment of the University, the purposes of this Policy will be furthered.*

#### *VIII. DESIGN REVIEWS AND CODE APPROVALS.*

*The Board of Visitors shall review the design of all Major Capital Projects and shall provide final Major Capital Project authorization based on the size, scope and cost estimate provided with the design. Unless stipulated by the Board of Visitors at the design review, no further design reviews shall be required. For all capital projects other than Major Capital Projects, the President, acting through the Executive Vice President and Chief Operating Officer, shall adopt procedures for design review and project authorization based on the size, scope and cost estimate provided with the design. It shall be the University's policy that all capital projects shall be designed and constructed in accordance with applicable Virginia Uniform Statewide Building Code (VUSBC) standards and the applicable accessibility code.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall designate a Building Official responsible for building code compliance by either (i) hiring an individual to be the University Building Official, or (ii) continuing to use the services of the Department of General Services, Division of Engineering and Buildings, to*

*perform the Building Official function. If option (i) is selected, the individual hired as the University Building Official shall be a full-time employee, a registered professional architect or engineer, and certified by the Department of Housing and Community Development to perform this Building Official function. The University Building Official shall issue building permits for each capital project required by the VUSBC to have a building permit, and shall determine the suitability for occupancy of, and shall issue certifications for building occupancy for, all capital projects requiring such certification. Prior to issuing any such certification, this individual shall ensure that the VUSBC and accessibility requirements are met for that capital project and that such capital project has been inspected by the State Fire Marshal or his designee. When serving as the University Building Official, such individual shall organizationally report directly and exclusively to the Board of Visitors. If the University hires its own University Building Official, it shall fulfill the code review requirement by maintaining a review unit supported by resources and staff who are certified by the Department of Housing and Community Development in accordance with § [36-137](#) of the Code of Virginia, for such purpose and who shall review plans, specifications and documents for compliance with building codes and standards and perform required inspections of work in progress and the completed capital project. No individual licensed professional architect or engineer hired or contracted with to perform these functions shall also perform other building code-related design, construction, facilities-related project management or facilities management functions for the University on the same capital project.*

#### **IX. ENVIRONMENTAL IMPACT REPORTS.**

*It shall be the policy of the University to assess the environmental, historic preservation, and conservation impacts of all capital projects and to minimize and otherwise mitigate all adverse impacts to the extent practicable. The University shall develop a procedure for the preparation and approval of environmental impact reports for capital projects, in accordance with State environmental, historic preservation, and conservation requirements generally applicable to capital projects otherwise meeting the definition of Major Capital Projects but, pursuant to § [23-38.109](#) C 1 of the Act, with a cost of \$300,000 or more.*

#### **X. BUILDING DEMOLITIONS.**

*It shall be the policy of the University to consider the environmental and historical aspects of any proposed demolitions. The Board of Visitors shall be responsible for approving demolition requests. The University shall develop a procedure for the preparation and review of demolition requests, including any necessary reviews by the Department of Historic Resources and the Art and Architectural Review Board in*

*accordance with State historic preservation requirements generally applicable to capital projects in the Commonwealth. Further, for any property that was acquired or constructed with funding from a general fund appropriation of the General Assembly or from proceeds from State Tax Supported Debt, general laws applicable to State owned property shall apply.*

#### *XI. BUILDING OR LAND ACQUISITIONS.*

*It is the policy of the University that capital projects involving building or land acquisition shall be subjected to thorough inquiry and due diligence prior to closing on the acquisition of such real property. The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that the project management system implemented pursuant to Section XIII below provides for a review and analysis of all pertinent matters relating to the acquisition of buildings and land as any prudent purchaser would perform to the end that any building or land acquired by the University shall be suitable for its intended purpose, that the acquisition can be made without substantial risk of liability to the University and that the cost of the real property to be acquired, together with any contemplated development thereof, shall be such that compliance with the provisions of Section VI of this Policy is achieved. In addition, the President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that, where feasible and appropriate to do so, the following specific policies pertaining to the acquisition of buildings or land for capital projects are carried out.*

##### *A. Environmental and Land Use Considerations.*

*It is the policy of the University to reasonably cooperate with each locality affected by the acquisition. Such cooperation shall include but not be limited to furnishing any information that the locality may reasonably request and reviewing any requests by the locality with regard to any such acquisition. The University shall consider the zoning and comprehensive plan designation by the locality of the building or land and surrounding parcels, as well as any designation by State or federal agencies of historically or archeologically significant areas on the land. Nothing herein shall be construed as requiring the University to comply with local zoning laws and ordinances.*

##### *B. Infrastructure and Site Condition.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that, in the case of capital projects involving the acquisition of buildings or land, the project management systems implemented under Section XIII below provide for a review of the following matters prior to acquisition of the building or land: that any land can be developed for its intended purpose without extraordinary cost; that an environmental engineer has been engaged by the University to provide an assessment of any*

*environmental conditions on the land; that there is adequate vehicular ingress and egress to serve the contemplated use of the building or land; that utilities and other services to the land are adequate or can reasonably be provided or have been provided in the case of building acquisitions; and that the condition and grade of the soils have been examined to determine if any conditions exist that would require extraordinary site work or foundation systems.*

*C. Title and Survey.*

*A survey shall be prepared for any real property acquired, and an examination of title to the real property shall be conducted by a licensed attorney or, in the alternative, a commitment for title insurance shall be procured from a title insurance company authorized to do business in the Commonwealth. Based upon the survey and title examination or report, the President, acting through the Executive Vice President and Chief Operating Officer, shall conclude, prior to acquisition of the real property, that title thereto will be conveyed to the University in fee simple, free and clear of all liens, encumbrances, covenants, restrictions, easements or other matters that may have a significant adverse effect upon the University's ability to own, occupy, convey or develop the real property.*

*D. Appraisal.*

*An appraisal shall be conducted of the real property to be acquired to determine its fair market value and the consistency of the fair market value with the price agreed upon by the University.*

*XII. BUILDING OR LAND DISPOSITIONS.*

*The Board of Visitors shall approve the disposition of any building or land. Disposition of land or buildings, the acquisition or construction of which was funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and other approvals in accordance with general law applicable to State-owned property and with the University's Enabling Legislation.*

*XIII. PROJECT MANAGEMENT SYSTEMS.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall implement one or more systems for the management of capital projects for the University. The systems may include the delegation of project management authority to appropriate University officials, including a grant of authority to such officials to engage in further delegation of authority as the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate.*

*The project management systems for capital projects shall be designed to ensure that such projects comply with the provisions of this Policy and other Board of Visitors*

*policies applicable to closely related subjects such as selection of architects or policies applicable to University buildings and grounds.*

*The project management systems may include one or more reporting systems applicable to capital projects whereby University officials responsible for the management of such projects provide appropriate and timely reports to the President, acting through the Executive Vice President and Chief Operating Officer, on the status of such projects during construction.*

#### *XIV. REPORTING REQUIREMENTS.*

*In addition to complying with any internal reporting systems contained in the University's project management systems, as described in Section XIII above, the University shall comply with State reporting requirements for those Major Capital Projects funded entirely or in part by a general fund appropriation by the General Assembly or State Tax Supported Debt. Additionally, if any capital project constructs improvements on land, or renovates property, that originally was acquired or constructed in whole or in part with a general fund appropriation for that purpose or proceeds from State Tax Supported Debt, and such improvements or renovations are undertaken entirely with funds not appropriated by the General Assembly and, if the cost of such improvements or renovations is reasonably expected to exceed two million dollars, the decision to undertake such improvements or renovations shall be communicated as required by § [23-38.109](#) C 3 of the Act. As a matter of routine, the President, acting through the Executive Vice President and Chief Operating Officer, shall report to the Department of General Services on the status of such capital projects at the initiation of the project, prior to the commencement of construction, and at the time of acceptance of any such capital project.*

#### *EXHIBIT B*

#### *MANAGEMENT AGREEMENT*

#### *BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*VIRGINIA POLYTECHNIC INSTITUTE*

*AND STATE UNIVERSITY*

*PURSUANT TO*

*THE RESTRUCTURED HIGHER EDUCATION  
FINANCIAL AND ADMINISTRATIVE OPERATIONS  
ACT OF 2005*

*POLICY GOVERNING LEASES OF REAL PROPERTY*

*THE BOARD OF VISITORS OF VIRGINIA POLYTECHNIC INSTITUTE  
AND STATE UNIVERSITY  
POLICY GOVERNING LEASES OF REAL PROPERTY*

*I. PREAMBLE.*

*In 1996 the Board of Visitors adopted a Policy Statement Governing Exercise of Autonomy in Leases of Property for certain leases entered into by the University, which was amended in 2003 as the Policy Statement Governing Exercise of Autonomy in Operating and Capital Leases of Property. The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, Virginia Polytechnic Institute and State University may have the authority to establish its own system for the leasing of real property. The University's system for implementing this authority is to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy constitute the adopted Board of Visitors policies regarding Leases of real property entered into by the University.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, as defined in § [23-38.89](#) of the Act, are not affected by this Policy.*

*II. DEFINITIONS.*

*The following words and terms, when used in this Policy, shall have the following meaning unless the context clearly indicates otherwise:*

*"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*"Board of Visitors" means the Board of Visitors of Virginia Polytechnic Institute and State University.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“Covered Institution” means a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by Subchapter 3 of the Act.*

*“Expense Lease” means an Operating Lease of real property under the control of another entity to the University.*

*“Income Lease” means an Operating Lease of real property under the control of the University to another entity.*

*“Lease” or “Leases” means any type of lease involving real property.*

*“Operating Lease” means any lease involving real property, or improvements thereon that is not a Capital Lease.*

*“University” means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agriculture Experiment Station Division (State Agency 229).*

### *III. SCOPE OF POLICY.*

*This Policy provides guidance for the implementation of all University Leases.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University’s usual delegation policies and procedures.*

### *V. REQUIREMENTS FOR LEASES.*

#### *A. Factors to Be Considered When Entering into Leases.*

*All Leases shall be for a purpose consistent with the mission of the University. The decision to enter into a Lease shall be further based upon cost, demonstrated need, compliance with this Policy, consideration of all costs of occupancy, and a determination that the use of the property to be leased is necessary and is efficiently planned. Leases shall also conform to the space planning procedures that may be adopted by the President, acting through the Executive Vice President and Chief Operating Officer, to ensure that*

*the plan for the space to be leased is consistent with the purpose for which the space is intended.*

*B. Competition to Be Sought to Maximum Practicable Degree.*

*Competition shall be sought to the maximum practicable degree for all Leases. The President, acting through the Executive Vice President and Chief Operating Officer, is authorized to ensure that Leases are procured through competition to the maximum degree practicable and to determine when, under guidelines that may be developed and adopted by the President, acting through the Executive Vice President and Chief Operating Officer, it is impractical to procure Leases through competition.*

*C. Approval of Form of Lease Required.*

*The form of Leases entered into by the University shall be approved by the University's legal counsel.*

*D. Execution of Leases.*

*All Leases entered into by the University shall be executed only by those University officers or persons authorized by the President or the Executive Vice-President and Chief Operating Officer, or as may subsequently be authorized by the Board of Visitors, and subject to any such limits or conditions as may be prescribed in the delegation of authority. Subject to the University's Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the University, no other University approval shall be required for leases or leasing, nor state approval required except in the case of leases of real property as may be governed by general state law in accordance with § [23-38.109](#) and § 23- 38.112 of the Act.*

*E. Capital Leases.*

*The Board of Visitors shall authorize the initiation of Capital Leases pursuant to the authorization process included in the Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the University.*

*F. Compliance with Applicable Law.*

*All Leases of real property by the University shall be consistent with any requirements of law that are contained in the Act or are otherwise applicable.*

*G. Certification of Occupancy.*

*All real property covered by an Expense Lease or leased by the University under a Capital Lease shall be certified for occupancy by the appropriate public body or building official.*

EXHIBIT C

MANAGEMENT AGREEMENT  
BETWEEN  
THE COMMONWEALTH OF VIRGINIA  
AND  
VIRGINIA POLYTECHNIC INSTITUTE  
AND STATE UNIVERSITY  
PURSUANT TO  
THE RESTRUCTURED HIGHER EDUCATION  
FINANCIAL AND ADMINISTRATIVE OPERATIONS  
ACT OF 2005

POLICY GOVERNING  
INFORMATION TECHNOLOGY

THE BOARD OF VISITORS OF VIRGINIA POLYTECHNIC INSTITUTE  
AND STATE UNIVERSITY  
POLICY GOVERNING INFORMATION TECHNOLOGY

I. PREAMBLE.

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides, inter alia, that public institutions of higher education in the Commonwealth of Virginia that have entered into a Management Agreement with the Commonwealth “may be exempt from the provisions governing the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et seq.) of Title 2.2. of the Code of Virginia, and the provisions governing the Information Technologies [sic] Investment Board, Article 20 of Chapter 24 (§ [2.2-2457](#) et seq.) of Title 2.2; provided, however, that the governing body of . . . [such] institution shall adopt, and . . . [such] institution shall comply with, policies” that govern the exempted provisions. See § [23-38.111](#) of the Code of Virginia. This Information Technology Policy shall become effective upon the effective date of a Management*

Agreement authorized by subsection D of § [23-38.88](#) and § [23-38.97](#) of the Act between the Commonwealth and the University that incorporates this Policy.

The Board of Visitors of Virginia Polytechnic Institute and State University is authorized to adopt this Information Technology Policy pursuant to § [23-38.111](#) of the Code of Virginia.

## II. DEFINITIONS.

As used in this Information Technology Policy, the following terms have the following meanings, unless the context requires otherwise:

“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.

“Board of Visitors” or “Board” means the Board of Visitors of Virginia Polytechnic Institute and State University.

“Information Technology” or “IT” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia, as it currently exists and from time to time may be amended.

“Major information technology project” or “major IT project” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia, as it currently exists and from time to time may be amended.

“Policy” means this Information Technology Policy adopted by the Board of Visitors.

“State Chief Information Officer” or “State CIO” means the Chief Information Officer of the Commonwealth of Virginia.

“University” means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agriculture Experiment Station Division (State Agency 229).

## III. SCOPE OF POLICY.

This Policy is intended to cover and implement the authority that may be granted to Virginia Polytechnic Institute and State University pursuant to Subchapter 3 (§ [23-38.91](#) et seq.) of the Act. This Policy is not intended to affect any other powers and authorities granted to the University pursuant to the Appropriation Act and the Code of Virginia, including other provisions of the Act or the University’s enabling legislation as that term is defined in § [23-38.89](#) of the Act.

This Policy shall govern the University’s information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the University.

Upon the effective date of a Management Agreement between the Commonwealth and the University, as authorized by subsection D of § [23-38.88](#) and § [23-38.111](#) of the Code of Virginia, therefore, the University shall be exempt from those provisions of the Code of

*Virginia, including those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ 2.2- 2457 et seq.) (Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia, that otherwise would govern the University's information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the University; provided, however, that the University still shall be subject to those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ [2.2-2457](#) et seq.) (Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia that are applicable to public institutions of higher education of the Commonwealth and that do not govern information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits within, by, or on behalf of the University.*

*The procurement of information technology and telecommunications goods and services, including automated data processing hardware and software, shall be governed by the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials approved by the Board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction that are incorporated in and attached to that Policy.*

#### **IV. GENERAL PROVISIONS.**

##### **A. Board of Visitors Accountability and Delegation of Authority.**

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

##### **B. Strategic Planning.**

*The President, acting through the Vice President for Information Technology and Chief Information Officer, shall be responsible for overall IT strategic planning at the University, which shall be linked to and in support of the University's overall strategic plan. At least 45 days prior to each fiscal year, the President, acting through the Vice President for Information Technology and Chief Information Officer, shall make available the*

*University's IT strategic plan covering the next fiscal year to the State CIO for his review and comment with regard to the consistency of the University's plan with the intent of the currently published overall five-year IT strategic plan for the Commonwealth developed by the State CIO pursuant to § [2.2-2007](#) of the Code of Virginia and into which the University's plan is to be incorporated.*

*C. Expenditure Reporting and Budgeting.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall approve and be responsible for overall IT budgeting and investments at the University. The University's IT budget and investments shall be linked to and in support of the University's IT strategic plan, and shall be consistent with general University policies, the Board-approved annual operating budget, and other Board approvals for certain procurements. By October 1 of each year, the President, acting through the Executive Vice President and Chief Operating Officer, shall make available to the State CIO and the Information Technology Investment Board a report on the previous fiscal year's IT expenditures. The University shall be specifically exempt from:*

*Subdivision A 4 of § [2.2-2007](#) of the Code of Virginia (review by the State CIO of IT budget requests), as it currently exists and from time to time may be amended;*

*§§ [2.2-2022](#) through [2.2-2024](#) of the Code of Virginia (Virginia Technology Infrastructure Fund), as they currently exist and from time to time may be amended; and*

*Any other substantially similar provision of the Code of Virginia governing IT expenditure reporting and budgeting, as it currently exists and from time to time may be amended.*

*D. Project Management.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the project management policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project management as defined by leading IT consulting firms, leading software development firms, or a nationally-recognized project management association, appropriately tailored to the specific circumstances of the University. Copies of the Board's policies, standards, and guidelines shall be made available to the Information Technology Investment Board.*

*The President, acting through the appropriate designee, shall oversee the management of all University IT projects. IT projects may include, but are not limited to, upgrades to network infrastructure, provision of technology to support research, database development, implementation of new applications, and development of IT services for students, faculty, staff, and patients. Day-to-day management of projects shall be the responsibility of appointed project directors and shall be in accord with the project man-*

*agement policies, standards, and guidelines adopted by the Board, as amended and revised from time to time.*

*On a quarterly basis, the President, acting through the Vice President for Information Technology and Chief Information Officer, shall report to the Information Technology Investment Board on the budget, schedule, and overall status of the University's major IT projects. This requirement shall not apply to research projects, research initiatives, or instructional programs.*

*The President, acting through the Vice President for Information Technology and Chief Information Officer in cooperation with the Provost and Executive Vice President and Chief Operating Officer, shall be responsible for decisions to substantially alter a project's scope, budget, or schedule after initial approval.*

*The University shall be specifically exempt from:*

*§ [2.2-2008](#) of Title 2.2 of the Code of Virginia (additional duties of the State CIO relating to project management) as it currently exists and from time to time may be amended; §§ [2.2-2016](#) through [2.2-2021](#) of Title 2.2 of the Code of Virginia (Division of Project Management) as they currently exist and from time to time may be amended; and Any other substantially similar provision of the Code of Virginia governing IT project management, as it currently exists or from time to time may be amended.*

*The State CIO and the Information Technology Investment Board shall continue to have the authority regarding project suspension and termination as provided in § [2.2-2015](#) and in subdivision A 3 of § [2.2-2458](#), respectively, and the State CIO and the Information Technology Investment Board shall continue to provide the University with reasonable notice of, and a reasonable opportunity to correct, any identified problems before a project is terminated.*

*E. Infrastructure, Architecture, Ongoing Operations, and Security.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines related to IT infrastructure, architecture, ongoing operations, and security developed by the Commonwealth or those of nationally-recognized associations, appropriately tailored to the specific circumstances of the University. Copies of the policies shall be made available to the Information Technology Investment Board.*

*The President, acting through the Vice President for Information Technology and Chief Information Officer, in cooperation with the Provost and Executive Vice President and Chief Operating Officer, shall be responsible for implementing such policies, standards, and guidelines adopted by the Board, as amended and revised from time to time. For purposes of implementing this Policy, the President shall appoint an existing University employee to serve as a liaison between the University and the State CIO.*

*F. Audits.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project auditing as defined by leading IT experts, including consulting firms, or a nationally recognized project auditing association, appropriately tailored to the specific circumstances of the University, which provide for Independent Validation and Verification (IV&V) of the University's major IT projects. Copies of the policies, standards, and guidelines, as amended and revised from time to time, shall be made available to the Information Technology Investment Board.*

*Audits of IT strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, and security, shall also be the responsibility of the University's Internal Audit Department and the Auditor of Public Accounts.*

*EXHIBIT D*

*MANAGEMENT AGREEMENT*

*BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*VIRGINIA POLYTECHNIC INSTITUTE*

*AND STATE UNIVERSITY*

*PURSUANT TO*

*THE RESTRUCTURED HIGHER EDUCATION*

*FINANCIAL AND ADMINISTRATIVE OPERATIONS*

*ACT OF 2005*

*POLICY GOVERNING*

*THE PROCUREMENT OF GOODS, SERVICES,*

*INSURANCE, AND CONSTRUCTION AND*

*THE DISPOSITION OF SURPLUS MATERIALS*

*THE BOARD OF VISITORS OF VIRGINIA POLYTECHNIC INSTITUTE  
AND STATE UNIVERSITY  
POLICY GOVERNING THE PROCUREMENT OF  
GOODS, SERVICES, INSURANCE AND CONSTRUCTION  
AND THE DISPOSITION OF SURPLUS MATERIALS*

*I. PREAMBLE.*

*A. Subchapter 3 of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that Virginia Polytechnic Institute and State University, upon becoming a Covered Institution, shall be authorized to establish its own system for the procurement of goods, services, insurance, and construction, and for the independent disposition of surplus materials by public or private transaction.*

*B. The Act provides that a Covered Institution shall comply with policies adopted by its Board of Visitors for the procurement of goods, services, insurance, and construction, and the disposition of surplus materials. The provisions of this Policy set forth below, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, constitute the adopted Board of Visitors policies required by the Act regarding procurement of goods, services, insurance, and construction, and the disposition of surplus materials by the University.*

*C. This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to any other sections of the Code of Virginia, including other provisions of the Act, the Appropriation Act, and the University's Enabling Legislation are not affected by this Policy.*

*II. DEFINITIONS.*

*As used in this Policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Agreement” means “Management Agreement.”*

*“Board of Visitors” or “Board” means the Board of Visitors of Virginia Polytechnic Institute and State University.*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement with the Commonwealth, a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Effective Date” means the effective date of the Management Agreement.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth.*

*“Goods” means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) of the Code of Virginia, between the Commonwealth of Virginia and Virginia Polytechnic Institute and State University. “Rules” means the “Rules Governing Procurement of Goods, Services, Insurance, and Construction” attached to this Policy as Attachment 1.*

*“Services” as used in this Policy means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies, and shall include both professional services, which include the practice of accounting, actuarial services, law, dentistry, medicine, optometry, and pharmacy, and nonprofessional services, which include any service not specifically identified as professional services.*

*“Surplus materials” means personal property including, but not limited to, materials, supplies, equipment and recyclable items, that are determined to be surplus by the University.*

*“University” means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agricultural Experiment Station Division (State Agency 229).*

### *III. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further*

*delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

#### *IV. GENERAL PROVISIONS.*

##### *A. Adoption of This Policy and Continued Applicability of Other Board of Visitors' Procurement Policies.*

*The University has had decentralization and pilot program autonomy in many procurement functions and activities since the Appropriation Act of 1994. The Act extends and reinforces the autonomy previously granted to the University in Item 330 E of the 1994 Appropriation Act. This Policy therefore is adopted by the Board of Visitors to enable the University to develop a procurement system, as well as a surplus materials disposition system for the University as a whole. Any University electronic procurement system shall integrate or interface with the Commonwealth's electronic procurement system.*

*This Policy shall be effective on the Effective Date of the University's initial Management Agreement with the Commonwealth. The implementing policies and procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer or his designee, to implement this Policy shall continue to be subject to any other policies adopted by the Board of Visitors affecting procurements at the University, including policies regarding the nature and amounts of procurements that may be undertaken without the approval of the Board of Visitors, or of the President, acting through the Executive Vice President and Chief Operating Officer.*

##### *B. Scope and Purpose of University Procurement Policies.*

*This Policy shall apply to procurements of goods, services, insurance, and construction. It shall be the policy of the University that procurements conducted by the University result in the purchase of high quality goods and services at reasonable prices, and that the University be free, to the maximum extent permitted by law and this Policy, from constraining policies that hinder the ability of the University to do business in a competitive environment. This Policy, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, shall apply to all procurements undertaken by the University, regardless of the source of funds.*

##### *C. Collaboration, Communication, and Cooperation with the Commonwealth.*

*The University is committed to developing, maintaining, and sustaining collaboration, communication, and cooperation with the Commonwealth regarding the matters addressed in this Policy, particularly with the Offices of the Secretaries of Administration and Technology, the Department of General Services, and the Virginia Information Technologies Agency. Identifying business objectives and goals common to both the*

*University and the Commonwealth and the mechanisms by which such objectives and goals may be jointly pursued and achieved are among the desired outcomes of such collaboration, communication, and cooperation.*

*D. Commitment to Statewide Contracts, Electronic Procurement, and SWAM Participation and Use.*

*The University is committed to maximizing its internal operational efficiencies, economies of scale among institutions of higher education, and the leveraged buying power of the Commonwealth as a whole.*

*Consistent with this commitment, the University:*

- i) May purchase from and participate in all statewide contracts for goods and services, including information technology goods and services, except that the University shall purchase from and participate in contracts for communications services and telecommunications facilities entered into by the Virginia Information Technologies Agency pursuant to § [2.2-2011](#) of the Code of Virginia unless an exception is provided in the Appropriation Act or by other law, and provided that orders not placed through statewide contracts shall be processed directly or by integration or interface through the Commonwealth's electronic procurement system;*
- ii) Shall use directly or by integration or interface the Commonwealth's electronic procurement system and comply with the business plan for the Commonwealth's electronic procurement system, as modified by an agreement between the Commonwealth and the University, which agreement shall not be substantially different than the agreement attached to this Policy as Attachment 2; and*
- iii) Shall adopt a small, woman-owned, and minority-owned (SWAM) business program that is consistent with the Commonwealth's SWAM program.*

*E. Implementation.*

*To effect its implementation under the Act, and if the University remains in continued substantial compliance with the terms and conditions of this Management Agreement with the Commonwealth pursuant to § [23-38.88](#)(D)(4) and the requirements of Chapter 4.10 of the Act, the University's procurement of goods, services, insurance, and construction, and the disposition of surplus materials shall be exempt from the Virginia Public Procurement Act, Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2, except § [2.2-4342](#) and §§ [2.2-4367](#) through [2.2-4377](#); the oversight of the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et seq.) of Title 2.2, and the Information Technology Investment Board, Article 20 (§ [2.2-2457](#) et seq.) of Chapter 24 of Title 2.2; the state agency requirements regarding disposition of surplus materials and distribution of proceeds from the sale or recycling of surplus materials in §§ [2.2-1124](#) and [2.2-1125](#); the requirement to*

*purchase from the Department for the Blind and Vision Impaired (VIB) (§ [2.2-1117](#)); and any other state statutes, rules, regulations or requirements relating to the procurement of goods, services, insurance, and construction, including but not limited to Article 3 (§ [2.2-1109](#) et seq.) of Chapter 11 of Title 2.2, regarding the duties, responsibilities and authority of the Division of Purchases and Supply of the Virginia Department of General Services, and Article 4 (§ [2.2-1129](#) et seq.) of Chapter 11 of Title 2.2, regarding the review and the oversight by the Division of Engineering and Buildings of the Virginia Department of General Services of contracts for the construction of University capital projects and construction-related professional services (§ [2.2-1132](#)).*

#### *V. UNIVERSITY PROCUREMENT POLICIES.*

##### *A. General Competitive Principles.*

*In connection with University procurements and the processes leading to award of contracts for goods, services, insurance, and construction, the University is committed to:*

- 1. Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*
- 2. Conducting all procurements in an open, fair and impartial manner and avoiding any impropriety or the appearance of any impropriety;*
- 3. Making procurement rules clear in advance of any competition;*
- 4. Providing access to the University's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;*
- 5. Ensuring that specifications for purchases are fairly drawn so as not to favor unduly a particular vendor; and*
- 6. Providing for the free exchange of information between the University, vendors, firms or contractors concerning the goods or services sought and offered while preserving the confidentiality of proprietary information.*

##### *B. Access to Records.*

*Procurement records shall be available to citizens or to interested persons, firms or corporations in accordance with the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, except those records exempt from disclosure pursuant to § [2.2-3705.1](#) (7), [2.2-3705.1](#) (12), or [2.2-3705.4](#) (4), or other applicable exemptions of the Virginia Freedom of Information Act, and § [2.2-4342](#) of the Virginia Public Procurement Act.*

##### *C. Cooperative Procurements and Alliances.*

*In circumstances where the University determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the University that meet its business goals and objectives, the University is authorized to participate in cooperative procurements with other public or private organizations or entities, including other educational institutions, public-private partnerships, public bodies, charitable organizations, health care provider alliances and purchasing organizations, so long as the resulting contracts are procured competitively pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1 and the purposes of this Policy will be furthered. In the event the University engages in a cooperative contract with a private organization or public-private partnership and the contract was not competitively procured pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, use of the contract by other state agencies, institutions and public bodies shall be prohibited. Notwithstanding all of the above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. By October 1 of each year, the President, acting through the Executive Vice President and Chief Operating Officer, shall make available to the Secretaries of Administration and Technology, the Joint Legislative Audit and Review Commission, and the Auditor of Public Accounts a list of all cooperative contracts and alliances entered into or used during the prior fiscal year.*

*D. Training; Ethics in Contracting.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall take all necessary and reasonable steps to assure (i) that all University officials responsible for and engaged in procurements authorized by the Act and this Policy are knowledgeable regarding the requirements of the Act, this Policy, and the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) that only officials authorized by this Policy and any procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer, to implement this Policy are responsible for and engaged in such procurements, and (iii) that compliance with the Act and this Policy are achieved.*

*The University shall maintain an ongoing program to provide professional development opportunities to its buying staff and to provide methods training to internal staff who are engaged in placing decentralized small purchase transactions.*

*E. Ethics and University Procurements.*

*In implementing the authority conferred by this Policy, the personnel administering any procurement shall adhere to the following provisions of the Code of Virginia: the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, the State and Local Government Conflict of Interests Act, Chapter 31 (§ [2.2-3100](#) et seq.) of Title 2.2, and the Virginia Governmental Frauds Act, Article 1.1 (§ [18.2-498.1](#) et seq.) of Chapter 12 of Title 18.2 of the Code of Virginia.*

*VI. UNIVERSITY SURPLUS MATERIALS POLICY AND PROCEDURES.*

*The policy and procedures for disposal for surplus materials shall provide for the sale, environmentally-appropriate disposal, or recycling of surplus materials by the University and the retention of the resulting proceeds by the University.*

*VII. ADOPTION AND EFFECTIVE DATES OF RULES AND IMPLEMENTING POLICIES AND PROCEDURES.*

*A. The President, acting through the Executive Vice President and Chief Operating Officer or his designee, shall adopt one or more comprehensive sets of specific procurement policies and procedures for the University, which, in addition to the Rules, implement applicable provisions of law and this Policy. University procurements shall be carried out in accordance with this Policy, the Rules, and any implementing policies and procedures adopted by the University. The implementing policies and procedures (i) shall include the delegation of procurement authority by the Board to appropriate University officials who shall oversee University procurements of goods, services, insurance, and construction, including a grant of authority to such officials to engage in further delegation of authority as the President deems appropriate, and (ii) shall remain consistent with the competitive principles set forth in Part V above.*

*B. Any implementing policies and procedures adopted pursuant to Part VII A above and the Rules shall become effective on the Effective Date of the University's initial Management Agreement with the Commonwealth, and, as of their effective date, shall be applicable to all procurements undertaken by the University on behalf of the University for goods, services, insurance, and construction. This Policy, the Rules, and any implementing policies and procedures adopted by the University shall not affect existing contracts already in effect.*

*C. The Rules and University implementing policies and procedures for all University procurements of goods, services, insurance, and construction, and the disposition of surplus property shall be substantially consistent with the Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and their Vendors in their form as of the*

*effective date of this Policy and as amended or changed in the future, and with University procedures specific to the Acquisition of Goods and Services. The Rules and University implementing policies and procedures shall implement a system of competitive negotiation, and competitive sealed bidding when appropriate, for goods, services, including professional services as defined in the Rules, insurance, and construction.*

#### **VIII. REQUIREMENTS FOR RULES AND IMPLEMENTING POLICIES AND PROCEDURES.**

##### **A. Protests, Appeals and Debarment.**

*The Rules and University implementing policies and procedures for procurements other than capital outlay shall include a process or processes for an administrative appeal by vendors, firms or contractors. Protests and appeals may challenge determinations of vendor, firm or contractor non-responsibility or ineligibility, or the award of contracts, provided that such protests and appeals are filed within the times specified by the Rules. Remedies available shall be limited to reversal of the action challenged or, where a contract already being performed is declared void, compensation for the cost of performance up to the time of such declaration. The Rules and University implementing policies and procedures also may establish the basis and process for debarment of any vendor, firm or contractor.*

##### **B. Prompt Payment of Contractors and Subcontractors.**

*The Rules and University implementing policies and procedures shall include provisions related to prompt payment of outstanding invoices, which shall include payment of interest on properly-presented invoices outstanding more than seven (7) days beyond the payment date, at a rate no higher than the lowest prime rate charged by any commercial bank as published in the Wall Street Journal. The payment date shall be the later of thirty (30) days from the date of the receipt of goods or invoice, or the date established by the contract. All contracts also shall require prompt payment of subcontractors by the general contractor, upon receipt of payment by the University.*

##### **C. Types of Procurements.**

*The Rules and University implementing policies and procedures shall implement a system of competitive negotiation for professional services, as defined in the Rules, and shall implement purchasing procedures developed to maximize competition given the size and duration of the contract, and the needs of the University. Such policies and procedures may include special provisions for procurements such as emergency procurements, sole source procurements, brand name procurements, small purchases, procurements in which only one qualified vendor responds, and others.*

*D. Approval and Public Notice of Procurements.*

*The Rules and University implementing policies and procedures shall provide for approval of solicitation documents by an authorized individual and for reasonable public notice of procurements, given the size and nature of the need and the applicability of any Virginia Freedom of Information Act exemption.*

*E. Administration of Contracts.*

*The Rules and University implementing policies and procedures shall contain provisions related to the administration of contracts, including contract claims, modifications, extensions and assignments.*

*F. Non-Discrimination.*

*The Rules and University implementing policies and procedures shall provide for a nondiscriminatory procurement process that prohibits discrimination because of race, religion, color, sex or national origin of the bidder or offeror in the solicitation and award of contracts; and shall include appropriate provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers.*

**ATTACHMENT 1**

*Rules Governing Procurement of Goods, Services, Insurance, and Construction  
by a Public Institution of Higher Education of the Commonwealth of Virginia  
Governed by Subchapter 3 of the  
Restructured Higher Education Financial and Administrative Operations Act,  
Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia*

*In accordance with the provisions of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in particular § [23-38.110](#) of the Act, the governing body of a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth pursuant to Subchapter 3 of the Act has adopted the following Rules Governing Procurement of Goods, Services, Insurance, and Construction to govern the procurement of goods, services, insurance, and construction by the Institution, excluding the University of Virginia Medical Center:*

*§ 1. Purpose. -*

*The purpose of these Rules is to enunciate the public policies pertaining to procurement of good, services, insurance, and construction by the Institution from nongovernmental sources, to include governmental procurement that may or may not result in monetary consideration for either party. These Rules shall apply whether the consideration is monetary or nonmonetary and regardless of whether the Institution, the contractor, or some third party is providing the consideration.*

*§ 2. Scope of Procurement Authority. -*

*Subject to these Rules, and the Institution's continued substantial compliance with the terms and conditions of its Management Agreement with the Commonwealth pursuant to [§ 23-38.88\(D\)\(4\)](#) and the requirements of Chapter 4.10 of the Act, the Institution shall have and shall be authorized to have and exercise all of the authority relating to procurement of goods, services, insurance, and construction, including but not limited to capital outlay-related procurement and information technology-related procurement, that Institutions are authorized to exercise pursuant to Subchapter 3 of the Restructuring Act.*

*§ 3. Competition is the Priority. -*

*To the end that the Institution shall obtain high quality goods and services at reasonable cost, that all procurement procedures be conducted in an open, fair and impartial manner with avoidance of any impropriety or appearance of impropriety, that all qualified vendors have access to the Institution's business and that no offeror be arbitrarily or capriciously excluded, it is the intent of the governing body of the Institution that competition be sought to the maximum feasible degree, that procurement procedures involve openness and administrative efficiency, that individual public bodies enjoy broad flexibility in fashioning details of such competition, that the rules governing contract awards be made clear in advance of the competition, that specifications reflect the procurement needs of the purchasing body rather than being drawn to favor a particular vendor, and that the purchaser and vendor freely exchange information concerning what is sought to be procured and what is offered. The Institution may consider best value concepts when procuring goods and nonprofessional services, but not construction or professional services. Professional services will be procured using a qualification-based selection process. The criteria, factors, and basis for consideration of best value and the process for the consideration of best value shall be as stated in the procurement solicitation.*

*§ 4. Definitions. -*

*As used in these Rules:*

*"Affiliate" means an individual or business that controls, is controlled by, or is under common control with another individual or business. A person controls an entity if the person owns, directly or indirectly, more than 10% of the voting securities of the entity. For the*

*purposes of this definition “voting security” means a security that (i) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (ii) is convertible into, or entitles the holder to receive, upon its exercise, a security that confers such a right to vote. A general partnership interest shall be deemed to be a voting security.*

*“Best value,” as predetermined in the solicitation, means the overall combination of quality, price, and various elements of required services that in total are optimal relative to the Institution’s needs.*

*“Business” means any type of corporation, partnership, limited liability company, association, or sole proprietorship operated for profit.*

*“Competitive negotiation” is a method of contractor selection that includes the following elements:*

- 1. Issuance of a written Request for Proposal indicating in general terms that which is sought to be procured, specifying the factors that will be used in evaluating the proposal and containing or incorporating by reference the other applicable contractual terms and conditions, including any unique capabilities or qualifications that will be required of the contractor.*
- 2. Public notice of the Request for Proposal at least 10 days prior to the date set for receipt of proposals by publication in a newspaper or newspapers of general circulation in the area in which the contract is to be performed so as to provide reasonable notice to the maximum number of offerors that can be reasonably anticipated to submit proposals in response to the particular request. Public notice also shall be published on the Department of General Services’ central electronic procurement website and may be published on other appropriate websites. In addition, proposals may be solicited directly from potential contractors.*
- 3. a. Procurement of professional services. The procurement of professional services for capital projects shall be conducted using a qualification-based selection process. The Institution shall engage in individual discussions with two or more offerors deemed fully qualified, responsible and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. The offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. The Request for Proposal shall not, however, request that offerors furnish estimates of man-hours or cost for services. At the discussion stage, the Institution may discuss nonbinding estimates of total project costs, including, but not limited to, life-cycle costing, and where appropriate, nonbinding estimates of price for*

*services. Proprietary information from competing offerors shall not be disclosed to the public or to competitors. At the conclusion of discussion, outlined in this subdivision, on the basis of evaluation factors published in the Request for Proposal and all information developed in the selection process to this point, the Institution shall select in the order of preference two or more offerors whose professional qualifications and proposed services are deemed most meritorious. Negotiations shall then be conducted, beginning with the offeror ranked first. If a contract satisfactory and advantageous to the Institution can be negotiated at a price considered fair and reasonable, the award shall be made to that offeror. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price. Should the Institution determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror.*

*A contract for architectural or professional engineering services relating to construction projects may be negotiated by the Institution, for multiple projects provided (i) the projects require similar experience and expertise, and (ii) the nature of the projects is clearly identified in the Request for Proposal. Under such contract, (a) the fair and reasonable prices, as negotiated, shall be used in determining the cost of each project performed, (b) the sum of all projects performed in one contract term shall be as set in the Request for Proposal; and (c) the project fee of any single project shall not exceed the term limit as set in the Request for Proposal. Any unused amounts from any contract term may be carried forward. Competitive negotiations for such contracts may result in awards to more than one offeror provided the Request for Proposal stated the potential for a multi-vendor award.*

*Multiphase professional services contracts satisfactory and advantageous to the Institution for environmental, location, design and inspection work regarding construction of infrastructure projects may be negotiated and awarded based on qualifications at a fair and reasonable price for the first phase only, when completion of the earlier phases is necessary to provide information critical to the negotiation of a fair and reasonable price for succeeding phases. Prior to the procurement of any such contract, the Institution shall state the anticipated intended total scope of the project and determine in writing that the nature of the work is such that the best interests of such Institution require awarding the contract.*

*b. Procurement of other than professional services. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting*

*proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the Institution shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so provided in the Request for Proposal, awards may be made to more than one offeror. Should the Institution determine in writing and in its sole discretion that only one offeror has made the best proposal, a contract may be negotiated and awarded to that offeror.*

*“Competitive sealed bidding” is a method of contractor selection, other than for professional services, which includes the following elements:*

- 1. Issuance of a written Invitation to Bid containing or incorporating by reference the specifications and contractual terms and conditions applicable to the procurement. Unless the Institution has provided for prequalification of bidders, the Invitation to Bid shall include a statement of any requisite qualifications of potential contractors. When it is impractical to prepare initially a purchase description to support an award based on prices, an Invitation to Bid may be issued requesting the submission of unpriced offers to be followed by an Invitation to Bid limited to those bidders whose offers have been qualified under the criteria set forth in the first solicitation.*
- 2. Public notice of the Invitation to Bid at least 10 days prior to the date set for receipt of bids by publication on the Department of General Services’ central electronic procurement website. Public notice also may be published in a newspaper of general circulation or on other appropriate websites, or both. In addition, bids may be solicited directly from potential contractors. Any additional solicitations shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*
- 3. Public opening and announcement of all bids received.*
- 4. Evaluation of bids based upon the requirements set forth in the invitation, which may include special qualifications of potential contractors, life-cycle costing, value analysis, and any other criteria such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose, which are helpful in determining acceptability.*
- 5. Award to the lowest responsive and responsible bidder. When the terms and conditions of multiple awards are so provided in the Invitation to Bid, awards may be made to more than one bidder.*

*“Construction” means building, altering, repairing, improving or demolishing any structure, building or highway, and any draining, dredging, excavation, grading or similar work upon real property.*

*“Construction management contract” means a contract in which a party is retained by the owner to coordinate and administer contracts for construction services for the benefit of the owner, and may also include, if provided in the contract, the furnishing of construction services to the owner.*

*“Covered Institution” or “Institution” means, on and after the effective date of the initial management agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Restructuring Act. “Design-build contract” means a contract between the Institution and another party in which the party contracting with the Institution agrees to both design and build the structure, roadway or other item specified in the contract.*

*“Goods” means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software. “Informality” means a minor defect or variation of a bid or proposal from the exact requirements of the Invitation to Bid, or the Request for Proposal, which does not affect the price, quality, quantity or delivery schedule for the goods, services or construction being procured. “Multiphase professional services contract” means a contract for the providing of professional services where the total scope of work of the second or subsequent phase of the contract cannot be specified without the results of the first or prior phase of the contract.*

*“Nonprofessional services” means any services not specifically identified as professional services in the definition of professional services and includes small construction projects valued not over \$1 million; provided that subdivision 3a of the definition of “competitive negotiation” in this section shall still apply to professional services for such small construction projects.*

*“Potential bidder or offeror” for the purposes of §§ 50 and 54 of these Rules means a person who, at the time the Institution negotiates and awards or proposes to award a contract, is engaged in the sale or lease of goods, or the sale of services, insurance or construction, of the type to be procured under the contract, and who at such time is eligible and qualified in all respects to perform that contract, and who would have been eligible and qualified to submit a bid or proposal had the contract been procured through competitive sealed bidding or competitive negotiation.*

*“Professional services” means work performed by an independent contractor within the scope of the practice of accounting, actuarial services, architecture, land surveying, landscape architecture, law, dentistry, medicine, optometry, pharmacy or professional engineering.*

*“Public body” means any legislative, executive or judicial body, agency, office, department, authority, post, commission, committee, institution, board or political subdivision created by law to exercise some sovereign power or to perform some governmental duty, and empowered by law to undertake the activities described in these Rules.*

*“Public contract” means an agreement between the Institution and a nongovernmental source that is enforceable in a court of law.*

*“Responsible bidder” or “offeror” means a person who has the capability, in all respects, to perform fully the contract requirements and the moral and business integrity and reliability that will assure good faith performance, and who has been prequalified, if required.*

*“Responsive bidder” means a person who has submitted a bid that conforms in all material respects to the Invitation to Bid.*

*“Restructuring Act” or “Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Rules” means these Rules Governing Procurement of Goods, Services, Insurance, and Construction adopted by the governing body of the Covered Institution.*

*“Reverse auctioning” means a procurement method wherein bidders are invited to bid on specified goods or nonprofessional services through real-time electronic bidding, with the award being made to the lowest responsive and responsible bidder. During the bidding process, bidders’ prices are revealed and bidders shall have the opportunity to modify their bid prices for the duration of the time period established for bid opening.*

*“Services” means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies.*

*“Sheltered workshop” means a work-oriented rehabilitative facility with a controlled working environment and individual goals that utilizes work experience and related services for assisting the handicapped person to progress toward normal living and a productive vocational status.*

*§ 5. Methods of procurement. -*

*A. All public contracts with nongovernmental contractors for the purchase or lease of goods, or for the purchase of services, insurance, or construction, shall be awarded after*

*competitive sealed bidding, or competitive negotiation as provided in this section, unless otherwise authorized by law.*

*B. Professional services shall be procured by competitive negotiation. Qualification-based selection shall be used for design services.*

*C. Goods, services, or insurance may be procured by competitive negotiation.*

*D. Construction may be procured only by competitive sealed bidding, except that competitive negotiation may be used in the following instances upon a determination made in advance by the Institution and set forth in writing that competitive sealed bidding is either not practicable or not fiscally advantageous to the public, which writing shall document the basis for this determination:*

*1. By the Institution on a fixed price design-build basis or construction management basis under § 7;*

*2. By the Institution for the construction, alteration, repair, renovation or demolition of buildings; or*

*3. By the Institution for the construction of highways and any draining, dredging, excavation, grading or similar work upon real property.*

*E. Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. The writing shall document the basis for this determination. The Institution shall issue a written notice stating that only one source was determined to be practicably available, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first. Public notice shall also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and may be published on other appropriate websites.*

*F. In case of emergency, a contract may be awarded without competitive sealed bidding or competitive negotiation; however, such procurement shall be made with such competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file. The Institution shall issue a written notice stating that the contract is being awarded on an emergency basis, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This*

*notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first, or as soon thereafter as is practicable. Public notice may also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and other appropriate websites.*

*G. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for goods and services other than professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however, such small purchase procedures shall provide for competition wherever practicable.*

*H. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive negotiation for single or term contracts for professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however such small purchase procedures shall provide for competition wherever practicable.*

*I. Upon a determination made in advance by the Institution and set forth in writing that the purchase of goods, products or commodities from a public auction sale is in the best interests of the public, such items may be purchased at the auction, including online public auctions. The writing shall document the basis for this determination.*

*J. The purchase of goods or nonprofessional services, but not construction or professional services, may be made by reverse auctioning.*

*§ 6. Cooperative procurement. -*

*A. In circumstances where the Institution determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the Institution that meet its business goals and objectives, the Institution is authorized to participate in, sponsor, conduct, or administer a cooperative procurement arrangement on behalf of or in conjunction with public bodies, public or private health or educational institutions, other public or private organizations or entities, including public-private partnerships, charitable organizations, health care provider alliances or purchasing organizations or entities, or with public agencies or institutions or group purchasing organizations of the several states, territories of the United States, or the District of Columbia, for the purpose of combining requirements to effect cost savings or reduce administrative expense in any acquisition of goods and services, other than professional services. The Institution may purchase from any authority, department, agency, institution, city, county, town, or*

*other political subdivision of the Commonwealth's contract even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies. In such instances, deviation from the procurement procedures set forth in these Rules and the administrative policies and procedures established to implement these Rules shall be permitted. Notwithstanding all of the above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. Nothing herein shall prohibit the payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.*

*B. In circumstances where statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to meet the Institution's business goals and objectives, and as authorized by the United States Congress and consistent with applicable federal regulations, and provided the terms of the contract permit such purchases:*

- 1. The Institution may purchase goods and nonprofessional services, from a United States General Services Administration contract or a contract awarded by any other agency of the United States government; and*
- 2. The Institution may purchase telecommunications and information technology goods and nonprofessional services from a United States General Services Administration contract or a contract awarded by any other agency of the United States government.*

*§ 7. Design-build or construction management contracts authorized. -*

*A. Notwithstanding any other provisions of law, the Institution may enter into contracts on a fixed price design-build basis or construction management basis in accordance with the provisions of this section.*

*B. Procurement of construction by the design-build or construction management method shall be a two-step competitive negotiation process. In the first step, offerors shall be requested to submit their qualifications. Based upon the information submitted and any other relevant information which the Commonwealth may obtain, no more than five offerors deemed most suitable for the project shall be selected by the Commonwealth and requested to submit proposals.*

*§ 8. Modification of the contract. -*

*A. A contract awarded by the Institution may include provisions for modification of the contract during performance, but no fixed-price contract may be increased by more than 25% of the amount of the contract or \$50,000, whichever is greater, without the advance written approval of the Institution's president or his designee. In no event may the*

*amount of any contract, without adequate consideration, be increased for any purpose, including, but not limited to, relief of an offeror from the consequences of an error in its bid or offer.*

*B. The Institution may extend the term of an existing contract for services to allow completion of any work undertaken but not completed during the original term of the contract.*

*C. Nothing in this section shall prevent the Institution from placing greater restrictions on contract modifications.*

*§ 9. Discrimination prohibited; participation of small, women- and minority-owned business. -*

*A. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment.*

*Whenever solicitations are made, the Institution shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*

*B. The Institution shall establish programs consistent with this section to facilitate the participation of small businesses and businesses owned by women and minorities in procurement transactions. The programs established shall be in writing and shall include cooperation with the Department of Minority Business Enterprise, the United States Small Business Administration, and other public or private agencies. The Institution shall submit annual progress reports on minority business procurement to the Department of Minority Business Enterprise.*

*C. Whenever there exists (i) a rational basis for small business enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women- and minority-owned businesses, the Governor is by law authorized and encouraged to require the Institution to implement appropriate enhancement or remedial measures consistent with prevailing law.*

*D. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless it has made a written determination that employing ex-offenders on the specific contract is not in its best interest.*

*§ 10. Employment discrimination by contractor prohibited; required contract provisions. - The Institution shall include in every contract of more than \$10,000 the following provisions:*

*1. During the performance of this contract, the contractor agrees as follows:*

*a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis*

*prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.*

*b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.*

*c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.*

*2. The contractor will include the provisions of the foregoing paragraphs a, b and c in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*§ 11. Drug-free workplace to be maintained by contractor; required contract provisions. - The Institution shall include in every contract over \$10,000 the following provisions: During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*For the purposes of this section, "drug-free workplace" means a site for the "performance of work done in connection with a specific contract awarded to a contractor in accordance with these Rules, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.*

*§ 12. Use of brand names. -*

*Unless otherwise provided in the Invitation to Bid, the name of a certain brand, make or manufacturer shall not restrict bidders to the specific brand, make or manufacturer named and shall be deemed to convey the general style, type, character, and quality of the article desired. Any article that the Institution in its sole discretion determines to be*

*the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.*

*§ 13. Comments concerning specifications. -*

*The Institution shall establish procedures whereby comments concerning specifications or other provisions in Invitations to Bid or Requests for Proposal can be received and considered prior to the time set for receipt of bids or proposals or award of the contract.*

*§ 14. Prequalification generally; prequalification for construction. -*

*A. Prospective contractors may be prequalified for particular types of supplies, services, insurance or construction, and consideration of bids or proposals limited to prequalified contractors. Any prequalification procedure shall be established in writing and sufficiently in advance of its implementation to allow potential contractors a fair opportunity to complete the process.*

*B. Any prequalification of prospective contractors for construction by the Institution shall be pursuant to a prequalification process for construction projects adopted by the Institution. The process shall be consistent with the provisions of this section.*

*The application form used in such process shall set forth the criteria upon which the qualifications of prospective contractors will be evaluated. The application form shall request of prospective contractors only such information as is appropriate for an objective evaluation of all prospective contractors pursuant to such criteria. The form shall allow the prospective contractor seeking prequalification to request, by checking the appropriate box, that all information voluntarily submitted by the contractor pursuant to this subsection shall be considered a trade secret or proprietary information subject to the provisions of subsection D of § 34 of these Rules.*

*In all instances in which the Institution requires prequalification of potential contractors for construction projects, advance notice shall be given of the deadline for the submission of prequalification applications. The deadline for submission shall be sufficiently in advance of the date set for the submission of bids for such construction so as to allow the procedures set forth in this subsection to be accomplished.*

*At least 30 days prior to the date established for submission of bids or proposals under the procurement of the contract for which the prequalification applies, the Institution shall advise in writing each contractor who submitted an application whether that contractor has been prequalified. In the event that a contractor is denied prequalification, the written notification to the contractor shall state the reasons for the denial of prequalification and the factual basis of such reasons.*

*A decision by the Institution denying prequalification under the provisions of this subsection shall be final and conclusive unless the contractor appeals the decision as provided in § 54 of these Rules.*

*C. The Institution may deny prequalification to any contractor only if the Institution finds one of the following:*

*1. The contractor does not have sufficient financial ability to perform the contract that would result from such procurement. If a bond is required to ensure performance of a contract, evidence that the contractor can acquire a surety bond from a corporation included on the United States Treasury list of acceptable surety corporations in the amount and type required by the Institution shall be sufficient to establish the financial ability of the contractor to perform the contract resulting from such procurement;*

*2. The contractor does not have appropriate experience to perform the construction project in question;*

*3. The contractor or any officer, director or owner thereof has had judgments entered against him within the past 10 years for the breach of contracts for governmental or non-governmental construction, including, but not limited to, design-build or construction management;*

*4. The contractor has been in substantial noncompliance with the terms and conditions of prior construction contracts with the Institution without good cause. If the Institution has not contracted with a contractor in any prior construction contracts, the Institution may deny prequalification if the contractor has been in substantial noncompliance with the terms and conditions of comparable construction contracts with another public body without good cause.*

*The Institution may not utilize this provision to deny prequalification unless the facts underlying such substantial noncompliance were documented in writing in the prior construction project file and such information relating thereto given to the contractor at that time, with the opportunity to respond;*

*5. The contractor or any officer, director, owner, project manager, procurement manager or chief financial official thereof has been convicted within the past 10 years of a crime related to governmental or nongovernmental construction or contracting, including, but not limited to, a violation of (i) Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) the Virginia Governmental Frauds Act (§ [18.2-498.1](#) et seq.), (iii) Chapter 4.2 (§ [59.1-68.6](#) et seq.) of Title 59.1 of the Code of Virginia, or (iv) any substantially similar law of the United States or another state;*

6. The contractor or any officer, director or owner thereof is currently debarred pursuant to an established debarment procedure from bidding or contracting by any public body, agency of another state or agency of the federal government; and

7. The contractor failed to provide to the Institution in a timely manner any information requested by the Institution relevant to subdivisions 1 through 6 of this subsection.

§ 15. Negotiation with lowest responsible bidder. -

Unless canceled or rejected, a responsive bid from the lowest responsible bidder shall be accepted as submitted, except that if the bid from the lowest responsible bidder exceeds available funds, the Institution may negotiate with the apparent low bidder to obtain a contract price within available funds. However, the negotiation may be undertaken only under conditions and procedures described in writing and approved by the Institution prior to issuance of the Invitation to Bid and summarized therein.

§ 16. Cancellation, rejection of bids; waiver of informalities. -

A. An Invitation to Bid, a Request for Proposal, any other solicitation, or any and all bids or proposals, may be canceled or rejected. The reasons for cancellation or rejection shall be made part of the contract file. The Institution shall not cancel or reject an Invitation to Bid, a Request for Proposal, any other solicitation, bid or proposal pursuant to this section solely to avoid awarding a contract to a particular responsive and responsible bidder or offeror.

B. The Institution may waive informalities in bids.

§ 17. Exclusion of insurance bids prohibited. -

Notwithstanding any other provision of law, no insurer licensed to transact the business of insurance in the Commonwealth or approved to issue surplus lines insurance in the Commonwealth shall be excluded from presenting an insurance bid proposal to the Institution in response to a request for proposal or an invitation to bid. Nothing in this section shall preclude the Institution from debarring a prospective insurer pursuant to § 18.

§ 18. Debarment. -

Prospective contractors may be debarred from contracting for particular types of supplies, services, insurance or construction, for specified periods of time. Any debarment procedure shall be established in writing by the Institution. Any debarment procedure may provide for debarment on the basis of a contractor's unsatisfactory performance for the Institution.

§ 19. Purchase programs for recycled goods; Institution responsibilities. -

A. The Institution may implement a purchase program for recycled goods and may coordinate its efforts so as to achieve the goals and objectives set forth in §§ [10.1-](#)

[1425.6](#), [10.1-1425.7](#), and [10.1-1425.8](#) of the Code of Virginia, and §§ 20 and 22 of these Rules.

*B. The Department of Environmental Quality, with advice from the Virginia Recycling Markets Development Council, shall advise the Institution concerning the designation of recycled goods.*

*§ 20. Preference for Virginia products with recycled content and for Virginia firms. -*

*A. In the case of a tie bid, preference shall be given to goods produced in Virginia, goods or services or construction provided by Virginia persons, firms or corporations; otherwise the tie shall be decided by lot.*

*B. Whenever any bidder is a resident of any other state and such state under its laws allows a resident contractor of that state a preference, a like preference may be allowed by the Institution to the lowest responsive and responsible bidder who is a resident of Virginia.*

*C. Notwithstanding the provisions of subsections A and B, in the case of a tie bid in instances where goods are being offered, and existing price preferences have already been taken into account, preference shall be given to the bidder whose goods contain the greatest amount of recycled content.*

*§ 21. Preference for Virginia coal used in the Institution. -*

*In determining the award of any contract for coal to be purchased for use in the Institution with state funds, the Institution shall procure using competitive sealed bidding and shall award to the lowest responsive and responsible bidder offering coal mined in Virginia so long as its bid price is not more than 4% greater than the bid price of the low responsive and responsible bidder offering coal mined elsewhere.*

*§ 22. Preference for recycled paper and paper products used by the Institution. -*

*A. In determining the award of any contract for paper and paper products to be purchased for use by the Institution, it shall competitively procure recycled paper and paper products of a quality suitable for the purpose intended, so long as the price is not more than 10% greater than the price of the low responsive and responsible bidder or offeror offering a product that does not qualify under subsection B.*

*B. For purposes of this section, recycled paper and paper products means any paper or paper products meeting the EPA Recommended Content Standards as defined in 40 C.F.R. Part 247.*

*§ 23. Withdrawal of bid due to error. -*

*A. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided*

*the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*One of the following procedures for withdrawal of a bid shall be selected by the Institution and stated in the advertisement for bids: (i) the bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice; or (ii) the bidder shall submit to the Institution or designated official his original work papers, documents and materials used in the preparation of the bid within one day after the date fixed for submission of bids. The work papers shall be delivered by the bidder in person or by registered mail at or prior to the time fixed for the opening of bids. In either instance, the work papers, documents and materials may be considered as trade secrets or proprietary information subject to the conditions of subsection F of § 34 of these Rules. The bids shall be opened one day following the time fixed by the Institution for the submission of bids. Thereafter, the bidder shall have two hours after the opening of bids within which to claim in writing any mistake as defined herein and withdraw his bid. The contract shall not be awarded by the Institution until the two-hour period has elapsed. The mistake shall be proved only from the original work papers, documents and materials delivered as required herein.*

*B. The Institution may establish procedures for the withdrawal of bids for other than construction contracts.*

*C. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than 5%.*

*D. If a bid is withdrawn in accordance with this section, the lowest remaining bid shall be deemed to be the low bid.*

*E. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.*

*F. If the Institution denies the withdrawal of a bid under the provisions of this section, it shall notify the bidder in writing stating the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.*

*§ 24. Contract Pricing Arrangements. -*

*A. Public contracts may be awarded on a fixed price or cost reimbursement basis, or on any other basis that is not prohibited by these Rules.*

*B. Except in case of emergency affecting the public health, safety or welfare, no public contract shall be awarded on the basis of cost plus a percentage of cost.*

*C. A policy or contract of insurance or prepaid coverage having a premium computed on the basis of claims paid or incurred, plus the insurance carrier's administrative costs and retention stated in whole or part as a percentage of such claims, shall not be prohibited by this section.*

*§ 25. Workers' compensation requirements for construction contractors and subcontractors. -*

*A. No contractor shall perform any work on a construction project of the Institution unless he (i) has obtained, and continues to maintain for the duration of the work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the code of Virginia, and (ii) provides prior to the award of contract, on a form furnished by the Institution, evidence of such coverage.*

*B. The Department of General Services shall provide the form to the Institution. Failure of the Institution to provide the form prior to the award of contract shall waive the requirements of clause (ii) of subsection A.*

*C. No subcontractor shall perform any work on a construction project of the Institution unless he has obtained, and continues to maintain for the duration of such work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the Code of Virginia.*

*§ 26. Retainage on construction contracts. -*

*A. In any contract issued by the Institution for construction that provides for progress payments in installments based upon an estimated percentage of completion, the contractor shall be paid at least 95% of the earned sum when payment is due, with no more than*

*5% being retained to ensure faithful performance of the contract. All amounts withheld may be included in the final payment.*

*B. Any subcontract for a public project that provides for similar progress payments shall be subject to the provisions of this section.*

*§ 27. Public construction contract provisions barring damages for unreasonable delays declared void. -*

*A. Any provision contained in any public construction contract of the Institution that purports to waive, release, or extinguish the rights of a contractor to recover costs or damages for unreasonable delay in performing such contract, either on his behalf or on behalf of his subcontractor if and to the extent the delay is caused by acts or omissions of the Institution, its agents or employees and due to causes within their control shall be void and unenforceable as against public policy.*

*B. Subsection A shall not be construed to render void any provision of a public construction contract awarded by the Institution that:*

- 1. Allows the recovery of that portion of delay costs caused by the acts or omissions of the contractor, or its subcontractors, agents or employees;*
- 2. Requires notice of any delay by the party claiming the delay;*
- 3. Provides for liquidated damages for delay; or*
- 4. Provides for arbitration or any other procedure designed to settle contract disputes.*

*C. A contractor making a claim against the Institution for costs or damages due to the alleged delaying of the contractor in the performance of its work under any public construction contract of the Institution shall be liable to the Institution and shall pay it for a percentage of all costs incurred by the Institution in investigating, analyzing, negotiating, litigating and arbitrating the claim, which percentage shall be equal to the percentage of the contractor's total delay claim that is determined through litigation or arbitration to be false or to have no basis in law or in fact.*

*D. If the Institution denies a contractor's claim for costs or damages due to the alleged delaying of the contractor in the performance of work under any public construction contract for the Institution, it shall be liable to and shall pay such contractor a percentage of all costs incurred by the contractor to investigate, analyze, negotiate, litigate and arbitrate the claim. The percentage paid by the Institution shall be equal to the percentage of the contractor's total delay claim for which the Institution's denial is determined through litigation or arbitration to have been made in bad faith.*

*§ 28. Bid bonds. -*

*A. Except in cases of emergency, all bids or proposals for construction contracts in excess of \$1 million shall be accompanied by a bid bond from a surety company*

*selected by the bidder that is authorized to do business in Virginia, as a guarantee that if the contract is awarded to the bidder, he will enter into the contract for the work mentioned in the bid. The amount of the bid bond shall not exceed 5% of the amount bid.*

*B. No forfeiture under a bid bond shall exceed the lesser of (i) the difference between the bid for which the bond was written and the next low bid, or (ii) the face amount of the bid bond.*

*C. Nothing in this section shall preclude the Institution from requiring bid bonds to accompany bids or proposals for construction contracts anticipated to be less than \$1 million.*

*§ 29. Performance and payment bonds. -*

*A. Upon the award by the Institution of any (i) public construction contract exceeding \$1 million awarded to any prime contractor or (ii) public construction contract exceeding \$1 million awarded to any prime contractor requiring the performance of labor or the furnishing of materials for buildings, structures or other improvements to real property owned by the Institution, the contractor shall furnish to the Institution the following bonds:*

*1. Except for transportation-related projects, a performance bond in the sum of the contract amount conditioned upon the faithful performance of the contract in strict conformity with the plans, specifications and conditions of the contract. For transportation-related projects, such bond shall be in a form and amount satisfactory to the Institution.*

*2. A payment bond in the sum of the contract amount. The bond shall be for the protection of claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom the contract was awarded, or to any subcontractors, in furtherance of the work provided for in the contract, and shall be conditioned upon the prompt payment for all materials furnished or labor supplied or performed in the furtherance of the work.*

*"Labor or materials" shall include public utility services and reasonable rentals of equipment, but only for periods when the equipment rented is actually used at the site.*

*B. Each of the bonds shall be executed by one or more surety companies selected by the contractor that are authorized to do business in Virginia.*

*C. The bonds shall be payable to the Commonwealth of Virginia naming also the Institution.*

*D. Each of the bonds shall be filed with the Institution, or a designated office or official thereof.*

*E. Nothing in this section shall preclude the Institution from requiring payment or performance bonds for construction contracts below \$1 million.*

*F. Nothing in this section shall preclude the contractor from requiring each subcontractor to furnish a payment bond with surety thereon in the sum of the full amount of the*

*contract with such subcontractor conditioned upon the payment to all persons who have and fulfill contracts that are directly with the subcontractor for performing labor and furnishing materials in the prosecution of the work provided for in the subcontract.*

*§ 30. Alternative forms of security. -*

*A. In lieu of a bid, payment, or performance bond, a bidder may furnish a certified check or cash escrow in the face amount required for the bond.*

*B. If approved by the Institution's General Counsel or his equivalent, a bidder may furnish to the Institution a personal bond, property bond, or bank or savings institution's letter of credit on certain designated funds in the face amount required for the bid, payment or performance bond. Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the Institution equivalent to a corporate surety's bond.*

*§ 31. Bonds on other than construction contracts. -*

*The Institution may require bid, payment, or performance bonds for contracts for goods or services if provided in the Invitation to Bid or Request for Proposal.*

*§ 32. Action on performance bond. -*

*No action against the surety on a performance bond shall be brought by the Institution unless brought within one year after (i) completion of the contract, including the expiration of all warranties and guarantees, or (ii) discovery of the defect or breach of warranty that gave rise to the action.*

*§ 33. Actions on payment bonds; waiver of right to sue. -*

*A. Subject to the provisions of subsection B, any claimant who has performed labor or furnished material in accordance with the contract documents in furtherance of the work provided in any contract for which a payment bond has been given, and who has not been paid in full before the expiration of 90 days after the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, may bring an action on the payment bond to recover any amount due him for the labor or material. The obligee named in the bond need not be named a party to the action.*

*B. Any claimant who has a direct contractual relationship with any subcontractor but who has no contractual relationship, express or implied, with the contractor, may bring an action on the contractor's payment bond only if he has given written notice to the contractor within 180 days from the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, stating with substantial accuracy the amount claimed and the name of the person for whom the work was performed or to whom the material was furnished. Notice to the contractor shall be*

*served by registered or certified mail, postage prepaid, in an envelope addressed to such contractor at any place where his office is regularly maintained for the transaction of business. Claims for sums withheld as retainages with respect to labor performed or materials furnished, shall not be subject to the time limitations stated in this subsection.*

*C. Any action on a payment bond shall be brought within one year after the day on which the person bringing such action last performed labor or last furnished or supplied materials.*

*D. Any waiver of the right to sue on the payment bond required by this section shall be void unless it is in writing, signed by the person whose right is waived, and executed after such person has performed labor or furnished material in accordance with the contract documents.*

*§ 34. Public inspection of certain records. -*

*A. Except as provided in this section, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.).*

*B. Cost estimates relating to a proposed procurement transaction prepared by or for the Institution shall not be open to public inspection.*

*C. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of all bids but prior to award, except in the event that the Institution decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract.*

*D. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award, except in the event that the Institution decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to public inspection only after award of the contract.*

*E. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.*

*F. Trade secrets or proprietary information submitted by a bidder, offeror or contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection B of § 14 shall not be subject to the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.); however, the bidder, offeror or contractor shall (i) invoke the protections of this section prior to or upon submission of the data or other materials, (ii)*

*identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary.*

*§ 35. Exemption for certain transactions. -*

*A. The provisions of these Rules shall not apply to:*

*1. The selection of services related to the management and investment of the Institution's endowment funds, endowment income, or gifts pursuant to § [23-76.1](#). However, selection of these services shall be governed by the Uniform Management of Institutional Funds Act (§ [55-268.1](#) et seq.) as required by § [23-76.1](#).*

*2. The purchase of items for resale at retail bookstores and similar retail outlets operated by the Institution. However, such purchase procedures shall provide for competition where practicable.*

*3. Procurement of any construction or planning and design services for construction by the Institution when (i) the planning, design or construction is \$50,000 or less or (ii) the Institution is obligated to conform to procurement procedures that are established by federal statutes or regulations, whether or not those federal procedures are in conformance with the provisions of these Rules.*

*4. The University of Virginia Medical Center.*

*5. The purchase of goods and services by the Institution when such purchases are made under a remedial plan established by the Governor pursuant to subsection C of § 9 of these Rules.*

*B. Where a procurement transaction involves the expenditure of federal assistance or contract funds, the receipt of which is conditioned upon compliance with mandatory requirements in federal laws or regulations not in conformance with the provisions of these Rules, the Institution may comply with such federal requirements, notwithstanding the provisions of these Rules, only upon the written determination of the Institution's President or his designee that acceptance of the grant or contract funds under the applicable conditions is in the public interest. Such determination shall state the specific provision of these Rules in conflict with the conditions of the grant or contract.*

*§ 36. Permitted contracts with certain religious organizations; purpose; limitations. -*

*A. The Opportunity Reconciliation Act of 1996, P.L. 104-193, authorizes public bodies to enter into contracts with faith-based organizations for the purposes described in this section on the same basis as any other nongovernmental source without impairing the religious character of such organization, and without diminishing the religious freedom of the beneficiaries of assistance provided under this section.*

*B. For the purposes of this section, "faith-based organization" means a religious organization that is or applies to be a contractor to provide goods or services for programs*

*funded by the block grant provided pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193.*

*C. The Institution, in procuring goods or services, or in making disbursements pursuant to this section, shall not (i) discriminate against a faith-based organization on the basis of the organization's religious character or (ii) impose conditions that (a) restrict the religious character of the faith-based organization, except as provided in subsection F, or (b) impair, diminish, or discourage the exercise of religious freedom by the recipients of such goods, services, or disbursements.*

*D. The Institution shall ensure that all invitations to bid, requests for proposals, contracts, and purchase orders prominently display a nondiscrimination statement indicating that it does not discriminate against faith-based organizations.*

*E. A faith-based organization contracting with the Institution (i) shall not discriminate against any recipient of goods, services, or disbursements made pursuant to a contract authorized by this section on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and (ii) shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the Institution. Nothing in clause (ii) shall be construed to supersede or otherwise override any other applicable state law.*

*F. Consistent with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, funds provided for expenditure pursuant to contracts with public bodies shall not be spent for sectarian worship, instruction, or proselytizing; however, this prohibition shall not apply to expenditures pursuant to contracts, if any, for the services of chaplains.*

*G. Nothing in this section shall be construed as barring or prohibiting a faith-based organization from any opportunity to make a bid or proposal or contract on the grounds that the faith-based organization has exercised the right, as expressed in 42 U.S.C. (§ 2000e-1 et seq.), to employ persons of a particular religion.*

*H. If an individual, who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization, objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the Institution shall offer the individual, within a reasonable period of time after the date of his objec-*

*tion, access to equivalent goods, services, or disbursements from an alternative provider.*

*The Institution shall provide to each individual who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization a notice in bold face type that states: "Neither the Institution's selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider or notify the appropriate person as indicated in this form."*

*§ 37. Exemptions from competition for certain transactions. -*

*The Institution may enter into contracts without competition, as that term is described in subsections A through J of § 5 (Methods of procurement) of these Rules, for:*

- 1. The purchase of goods or services that are produced or performed by or related to:
  - a. Persons, or in schools or workshops, under the supervision of the Virginia Department for the Blind and Vision Impaired;*
  - b. Nonprofit sheltered workshops or other nonprofit organizations that offer transitional or supported employment services serving the handicapped;*
  - c. Private educational institutions; or*
  - d. Other public educational institutions.**
- 2. Speakers and performing artists;*
- 3. Memberships and Association dues;*
- 4. Sponsored research grant sub-awards and contract sub-awards, not to include the purchase of goods or services by the Institution;*
- 5. Group travel in foreign countries;*
- 6. Conference facilities and services;*
- 7. Participation in intercollegiate athletic tournaments and events including team travel and lodging, registration and tournament fees;*
- 8. Royalties; or*
- 9. The purchase of legal services, provided that the Office of the Attorney General has been consulted, or expert witnesses or other services associated with litigation or regulatory proceedings.*

*§ 38. Exemptions from competitive sealed bidding and competitive negotiation for certain transactions; limitations. -*

*The Institution may enter into contracts for insurance or electric utility service without competitive sealed bidding or competitive negotiation if purchased through an association of which the Institution is a member if the association was formed and is maintained for the purpose of promoting the interest and welfare of and developing close relationships with similar public bodies, provided such association has procured the insurance or electric utility services by use of competitive principles and provided that the Institution has made a determination in advance after reasonable notice to the public and set forth in writing that competitive sealed bidding and competitive negotiation are not fiscally advantageous to the public. The writing shall document the basis for this determination.*

*§ 39. Definitions. -*

*As used in §§ 39 through 46, unless the context requires a different meaning:*

*"Contractor" means the entity that has a direct contract with the Institution.*

*"Debtor" means any individual, business, or group having a delinquent debt or account with any state agency that obligation has not been satisfied or set aside by court order or discharged in bankruptcy.*

*"Payment date" means either (i) the date on which payment is due under the terms of a contract for provision of goods or services; or (ii) if such date has not been established by contract, (a) 30 days after receipt of a proper invoice by the Institution or its agent or (b) 30 days after receipt of the goods or services by the Institution..*

*"Subcontractor" means any entity that has a contract to supply labor or materials to the contractor to whom the contract was awarded or to any subcontractor in the performance of the work provided for in such contract.*

*§ 40. Exemptions. -*

*The provisions of §§ 39 through 46 shall not apply to the late payment provisions contained in any public utility tariffs prescribed by the State Corporation Commission.*

*§ 41. Retainage to remain valid. -*

*Notwithstanding the provisions of §§ 39 through 46, the provisions of § 26 relating to retainage shall remain valid.*

*§ 42. Prompt payment of bills by the Institution. -*

*A. The Institution shall promptly pay for the completely delivered goods or services by the required payment date.*

*Payment shall be deemed to have been made when offset proceedings have been instituted, as authorized under the Virginia Debt Collection Act (§ [2.2-4800](#) et seq.) of the Code of Virginia.*

*B. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial deliveries or executions to the extent that such contract provides for separate payment for such partial delivery or execution.*

*§ 43. Defect or impropriety in the invoice or goods and/or services received. -*

*In instances where there is a defect or impropriety in an invoice or in the goods or services received, the Institution shall notify the supplier of the defect or impropriety, if the defect or impropriety would prevent payment by the payment date. The notice shall be sent within 15 days after receipt of the invoice or the goods or services.*

*§ 44. Date of postmark deemed to be date payment is made. -*

*In those cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made for purposes of these Rules.*

*§ 45. Payment clauses to be included in contracts. -*

*Any contract awarded by the Institution shall include:*

*1. A payment clause that obligates the contractor to take one of the two following actions within seven days after receipt of amounts paid to the contractor by the Institution for work performed by the subcontractor under that contract:*

*a. Pay the subcontractor for the proportionate share of the total payment received from the Institution attributable to the work performed by the subcontractor under that contract;*  
*or*

*b. Notify the Institution and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.*

*2. A payment clause that requires (i) individual contractors to provide their social security numbers and (ii) proprietorships, partnerships, and corporations to provide their federal employer identification numbers.*

*3. An interest clause that obligates the contractor to pay interest to the subcontractor on all amounts owed by the contractor that remain unpaid after seven days following receipt by the contractor of payment from the Institution for work performed by the subcontractor under that contract, except for amounts withheld as allowed in subdivision 1.*

*4. An interest rate clause stating, "Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of 1% per month."*

*Any such contract awarded shall further require the contractor to include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject*

*to the same payment and interest requirements with respect to each lower-tier subcontractor.*

*A contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of the Institution. A contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.*

*§ 46. Interest penalty; exceptions. -*

*A. Interest shall accrue, at the rate determined pursuant to subsection B, on all amounts owed by the Institution to a vendor that remain unpaid after seven days following the payment date. However, nothing in this section shall affect any contract providing for a different rate of interest, or for the payment of interest in a different manner.*

*B. The rate of interest charged the Institution pursuant to subsection A shall be the base rate on corporate loans (prime rate) at large United States money center commercial banks as reported daily in the publication entitled *The Wall Street Journal*. Whenever a split prime rate is published, the lower of the two rates shall be used. However, in no event shall the rate of interest charged exceed the rate of interest established pursuant to [§ 58.1-1812](#) of the Code of Virginia.*

*C. Notwithstanding subsection A, no interest penalty shall be charged when payment is delayed because of disagreement between the Institution and a vendor regarding the quantity, quality or time of delivery of goods or services or the accuracy of any invoice received for the goods or services. The exception from the interest penalty provided by this subsection shall apply only to that portion of a delayed payment that is actually the subject of the disagreement and shall apply only for the duration of the disagreement.*

*D. This section shall not apply to § 26 pertaining to retainage on construction contracts, during the period of time prior to the date the final payment is due. Nothing contained herein shall prevent a contractor from receiving interest on such funds under an approved escrow agreement.*

*E. Notwithstanding subsection A, no interest penalty shall be paid to any debtor on any payment, or portion thereof, withheld pursuant to the Comptroller's Debt Setoff Program, as authorized by the Virginia Debt Collection Act ([§ 2.2-4800](#) et seq. of the Code of Virginia), commencing with the date the payment is withheld. If, as a result of an error, a payment or portion thereof is withheld, and it is determined that at the time of setoff no debt was owed to the Commonwealth, then interest shall accrue at the rate determined pursuant to subsection B on amounts withheld that remain unpaid after seven days following the payment date.*

*§ 47. Ineligibility. -*

*A. Any bidder, offeror or contractor refused permission to participate, or disqualified from participation, in public contracts to be issued by the Institution shall be notified in writing. Prior to the issuance of a written determination of disqualification or ineligibility, the Institution shall (i) notify the bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.*

*Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of disqualification or ineligibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received such rebuttal information.*

*If the evaluation reveals that the bidder, offeror or contractor should be allowed permission to participate in the public contract, the Institution shall cancel the proposed disqualification action. If the evaluation reveals that the bidder should be refused permission to participate, or disqualified from participation, in the public contract, the Institution shall so notify the bidder, offeror or contractor. The notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If, upon appeal, it is determined that the action taken was arbitrary or capricious, or not in accordance with the Constitution of Virginia, applicable state law or regulations, the sole relief shall be restoration of eligibility.*

*§ 48. Appeal of denial of withdrawal of bid. -*

*A. A decision denying withdrawal of bid under the provisions of § 23 of these Rules shall be final and conclusive unless the bidder appeals the decision within 10 days after receipt of the decision by invoking administrative procedures meeting the standards of § 55, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If no bid bond was posted, a bidder refused withdrawal of a bid under the provisions of § 23, prior to appealing, shall deliver to the Institution a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.*

*C. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, the sole relief shall be withdrawal of the bid.*

*§ 49. Determination of nonresponsibility. -*

*A. Following public opening and announcement of bids received on an Invitation to Bid, the Institution shall evaluate the bids in accordance with element 4 of the definition of "Competitive sealed bidding" in § 4 of these Rules. At the same time, the Institution shall determine whether the apparent low bidder is responsible. If the Institution so determines, then it may proceed with an award in accordance with element 5 of the definition of "Competitive sealed bidding" in § 4. If the Institution determines that the apparent low bidder is not responsible, it shall proceed as follows:*

*1. Prior to the issuance of a written determination of nonresponsibility, the Institution shall (i) notify the apparent low bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the apparent low bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.*

*2. Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of responsibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received the rebuttal information. At the same time, the Institution shall notify, with return receipt requested, the bidder in writing of its determination.*

*3. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*The provisions of this subsection shall not apply to procurements involving the pre-qualification of bidders and the rights of any potential bidders under such pre-qualification to appeal a decision that such bidders are not responsible.*

*B. If, upon appeal pursuant to § 54 or 55 of these Rules, it is determined that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and the award of the contract in question has not been made, the sole relief shall be a finding that the bidder is a*

*responsible bidder for the contract in question or directed award as provided in subsection A of § 54, or both.*

*If it is determined that the decision of the Institution was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and an award of the contract has been made, the relief shall be as set forth in subsection B of § 54 of these Rules.*

*C. A bidder contesting a determination that he is not a responsible bidder for a particular contract shall proceed under this section, and may not protest the award or proposed award under the provisions of § 50 of these Rules.*

*D. Nothing contained in this section shall be construed to require the Institution, when procuring by competitive negotiation, to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous.*

*§ 50. Protest of award or decision to award. -*

*A. Any bidder or offeror, who desires to protest the award or decision to award a contract shall submit the protest in writing to the Institution, or an official designated by the Institution, no later than 10 days after the award or the announcement of the decision to award, whichever occurs first. Public notice of the award or the announcement of the decision to award shall be given by the Institution in the manner prescribed in the terms or conditions of the Invitation to Bid or Request for Proposal. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit the protest in the same manner no later than 10 days after posting or publication of the notice of such contract as provided in § 5 of these Rules. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction that are subject to inspection under § 34 of these Rules, then the time within which the protest shall be submitted shall expire 10 days after those records are available for inspection by such bidder or offeror under § 34, or at such later time as provided in this section. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The Institution or designated official shall issue a decision in writing within 10 days stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within 10 days of receipt of the written decision by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54. Nothing in this subsection shall be construed to permit a bidder to*

*challenge the validity of the terms or conditions of the Invitation to Bid or Request for Proposal. The use of Alternative Dispute Resolution (ADR) shall constitute an administrative appeal procedure meeting the standards of § 55 of these Rules.*

*B. If prior to an award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The Institution shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided. Where the award has been made but performance has not begun, the performance of the contract may be enjoined. Where the award has been made and performance has begun, the Institution may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.*

*C. Where the Institution, an official designated by it, or an appeals board determines, after a hearing held following reasonable notice to all bidders, that there is probable cause to believe that a decision to award was based on fraud or corruption or on an act in violation of these Rules, the Institution, designated official or appeals board may enjoin the award of the contract to a particular bidder.*

*§ 51. Effect of appeal upon contract. -*

*Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with these Rules shall not be affected by the fact that a protest or appeal has been filed.*

*§ 52. Stay of award during protest. -*

*An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest as provided in § 50 of these Rules, or the filing of a timely legal action as provided in § 54, no further action to award the contract shall be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.*

*§ 53. Contractual disputes. -*

*A. Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment. However, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.*

*B. The Institution shall include in its contracts a procedure for consideration of contractual claims. Such procedure, which may be contained in the contract or may be specifically incorporated into the contract by reference and made available to the contractor, shall establish a time limit for a final decision in writing by the Institution. If the Institution has established administrative procedures meeting the standards of § 55 of these Rules, such procedures shall be contained in the contract or specifically incorporated in the contract by reference and made available to the contractor. The Institution may require the submission of contractual claims pursuant to any contract to Alternative Dispute Resolution (ADR) as an administrative procedure.*

*C. A contractor may not invoke administrative procedures meeting the standards of § 55 of these Rules, if available, or institute legal action as provided in § 54, prior to receipt of the Institution's decision on the claim, unless the Institution fails to render such decision within the time specified in the contract.*

*D. The decision of the Institution shall be final and conclusive unless the contractor appeals within six months of the date of the final decision on the claim by the Institution by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*§ 54. Legal actions. -*

*A. A bidder or offeror, actual or prospective, who is refused permission or disqualified from participation in bidding or competitive negotiation, or who is determined not to be a responsible bidder or offeror for a particular contract, may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the petitioner establishes that the decision was not (i) an honest exercise of discretion, but rather was arbitrary or capricious; (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid; or (iii) in the case of denial of prequalification, based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. In the event the apparent low bidder, having been previously determined by the Institution to be not responsible in accordance with § 4, is found by the court to be a responsible bidder, the court may direct the Institution to award the contract to such bidder in accordance with the requirements of this section and the Invitation to Bid.*

*B. A bidder denied withdrawal of a bid under § 23 of these Rules may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the bidder establishes that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of*

*Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid.*

*C. A bidder, offeror or contractor, or a potential bidder or offeror on a contract negotiated on a sole source or emergency basis in the manner provided in § 5 of these Rules, whose protest of an award or decision to award under § 50 of these Rules is denied, may bring an action in the appropriate circuit court challenging a proposed award or the award of a contract, which shall be reversed only if the petitioner establishes that the proposed award or the award is not (i) an honest exercise of discretion, but rather is arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms and conditions of the Invitation to Bid or Request for Proposal.*

*D. If injunctive relief is granted, the court, upon request of the Institution, shall require the posting of reasonable security to protect the Institution.*

*E. A contractor may bring an action involving a contract dispute with the Institution in the appropriate circuit court. Notwithstanding any other provision of law, the Comptroller shall not be named as a defendant in any action brought pursuant to these Rules or § [33.1-387](#) of the Code of Virginia, except for disputes involving contracts of the Office of the Comptroller or the Department of Accounts.*

*F. A bidder, offeror or contractor need not utilize administrative procedures meeting the standards of § 55 of these Rules, if available, but if those procedures are invoked by the bidder, offeror or contractor, the procedures shall be exhausted prior to instituting legal action concerning the same procurement transaction unless the Institution agrees otherwise.*

*G. Nothing herein shall be construed to prevent the Institution from instituting legal action against a contractor.*

*§ 55. Administrative appeals procedure. -*

*A. The Institution may establish an administrative procedure for hearing (i) protests of a decision to award or an award, (ii) appeals from refusals to allow withdrawal of bids, (iii) appeals from disqualifications and determinations of nonresponsibility, and (iv) appeals from decisions on disputes arising during the performance of a contract, or (v) any of these. Such administrative procedure may include the use of Alternative Dispute Resolution (ADR) or shall provide for a hearing before a disinterested person or panel, the opportunity to present pertinent information and the issuance of a written decision containing findings of fact. The disinterested person or panel shall not be an employee of the governmental entity against whom the claim has been filed. The findings of fact shall be final and conclusive and shall not be set aside unless the same are (a) fraudulent,*

*arbitrary or capricious; (b) so grossly erroneous as to imply bad faith; or (c) in the case of denial of prequalification, the findings were not based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. No determination on an issue of law shall be final if appropriate legal action is instituted in a timely manner. The Institution may seek advice and input from the Alternative Dispute Resolution Council in establishing an Alternative Dispute Resolution (ADR) procedure.*

*B. Any party to the administrative procedure, including the Institution, shall be entitled to institute judicial review if such action is brought within 30 days of receipt of the written decision.*

*§ 56. Alternative dispute resolution. -*

*The Institution may enter into agreements to submit disputes arising from contracts entered into pursuant to these Rules to arbitration and utilize mediation and other alternative dispute resolution procedures. However, such procedures shall be nonbinding and subject to § [2.2-514](#) of the Code of Virginia, as applicable.*

*§ 57. Ethics in public contracting. -*

*The Institution and its governing body, officers and employees shall be governed by the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia.*

## ATTACHMENT 2

### *Memorandum of Agreement*

*The Commonwealth of Virginia and Virginia Polytechnic Institute and State University  
ERP/SciQuest Implementation with eVA*

*The Commonwealth of Virginia (CoVA) and Virginia Polytechnic Institute and State University (University) agree to the following:*

*I. The University will use ERP/SciQuest integration as best fits its needs with its ERP system (Banner).*

*II. Initially, all nonexempt orders produced by the ERP/SciQuest integration will be transmitted to eVA through an ERP-to-eVA interface that conforms to the existing eVA interface standard format. Longer term a more real-time option may be mutually agreed by the Department of General Services/Division of Purchasing and Supply (DGS/DPS) and the University and implemented between the ERP and eVA systems.*

*III. The University may request that eVA contract vendors provide a version of their contract catalog for loading into ERP/SciQuest. Should the vendor indicate a preference to only provide its catalog through eVA, then the University will access these catalogs as described in item B8 of the Metrics section of this document. In any event, the University shall be responsible for payment of all eVA transaction fees for nonexempt orders to unregistered vendors and exempt orders the University chooses to issue to unregistered and registered vendors through eVA.*

*IV. eVA will load all nonexempt University orders into the eVA Data Warehouse. For clarity, it is understood that exempt orders are purchase transactions specifically exempted, in writing by DPS, from mandatory processing through eVA.*

*V. In lieu of processing individual orders for requirements through eVA, a more efficient administrative approach is to establish a blanket or standing order. The University is authorized to use such an approach where it makes good business sense.*

*The University will ensure vendors understand that eVA transaction fees will be invoiced at the time blanket or standing orders are issued, that the transaction fee will be based on the total order amount, and the vendor is required to pay the total transaction fee within 30 days of the invoice date regardless of the performance/delivery schedule specified in the order.*

*VI. eVA will deliver University nonexempt orders to vendors that are identified as accepting electronic orders (Fax, Email, EDI, cXML). The University or SciQuest will print/deliver all other orders to vendors. Whereas the University maintains a University specific electronic vendor record that identifies vendors that do not agree to the eVA terms and conditions, including payment of the eVA order transaction fee, the University may deviate from the policy/procedure set forth in Section 3 of the eVA Business Plan as follows:*

*A. For vendors that refuse to accept the eVA terms and conditions, the University will transmit the appropriate R02, S02, E02, or P02 Purchase Order Category and a Purchase Order Comment that includes the statement "Vendor refuses eVA terms and conditions." The University agrees that it will pay the eVA transaction fees for these orders.*

*B. For vendors that agree to accept the eVA terms and conditions, the University will transmit the appropriate R01, S01, E01, or P01 Purchase Order Category and a Purchase Order Comment that includes the statement "Vendor accepts eVA terms and conditions - University eVA Vendor Manager, e-mail address and phone number." The University agrees that, for these orders, it will resolve any vendor dispute related to payment of eVA transaction fees by working directly with the vendor whether such vendor*

*contacts the university directly or the dispute is referred to the university by DGS/DPS or CGI-AMS.*

*The University further agrees that:*

- 1. It will provide the DGS/DPS eVA Business Manager (or designee) email notification of the resolution agreed to by the University and the vendor within 10 business days, unless otherwise agreed on a case-by-case basis by the DGS/DPS eVA Business Manager (or designee);*
- 2. It will pay the eVA transaction fee unless it notifies the eVA Business Manager (or designee) within the specified time that the dispute has been resolved and the vendor agreed to pay the fee; and*
- 3. In the event the University does not provide resolution notification to the eVA Business Manager (or designee) within the specified timeframe, DGS/DPS will automatically execute a manual adjustment reversing disputed transaction fees from the vendor to the University and the University will pay the fee.*

*VII. The University will not require separate vendor registrations as a prerequisite for responding to University solicitations. The University will participate in an enterprise workgroup to determine the best means to capture W-9 information on behalf of the whole enterprise. The process for collecting W-9 information will be supported in eVA in such a way as to provide CoVA verified vendor information to entities. The University will have the option to receive a subset of vendor related data. Until an enterprise W-9 process is established, the University will be responsible for collection of W-9 information.*

*VIII. For major system changes, DGS/DPS will collaborate in advance (advance notice defined as at least six (6) months prior to change or as soon as any new plan is proposed) with the University regarding any proposed replacement to the CoVA's electronic procurement system and on changes that may affect the technical changes described herein.*

*IX. Integration of the University's electronic procurement solution with the University's ERP is the responsibility of the University. The solution must provide for orders, change orders and cancellations.*

#### *Guidelines*

- 1. The establishment of this agreement is intended to formulate the basis for a long-term solution for electronic procurement between the University and the CoVA.*
- 2. Orders may be batched and transmitted to eVA as often as needed except between the hours of 8 p.m. and 4 a.m. eVA will transmit registered vendor orders it receives within 15 minutes or less.*

3. *Nonexempt orders to unregistered vendors are to be transmitted to eVA for loading to the Data Warehouse. The University shall be responsible for payment of all eVA transaction fees for nonexempt orders to unregistered vendors and exempt orders the University chooses to issue to unregistered and registered vendors through eVA. See eVA Business Plan Section 3 for specific processing requirements for unregistered vendor orders.*

4. *Change Orders are to be transmitted to eVA as replacement orders complying with the eVA standard format.*

5. *Cancellations are to be transmitted to eVA complying with the eVA standard format.*

6. *eVA Interface standard does not currently support PCard orders; however these orders may be processed via the interface as (a) confirming orders or (b) orders for PCards on file with the vendor.*

#### *Schedule*

*The University shall implement this agreement no later than July 2006.*

#### *Metrics*

A. *The University shall comply with the following Governor's eVA Management Objective:*

*Ninety-five percent of all nonexempt orders to be processed by eVA. Includes nonexempt orders issued by end users (PCard & LPO) and the central purchasing office.*

*Nonexempt orders to unregistered vendors received into the eVA Data Warehouse are considered compliant orders. For clarity, it is understood that exempt orders are purchase transactions specifically exempted, in writing by DPS, from mandatory processing through eVA. All nonexempt orders not processed by eVA shall be reported on the eVA Dashboard and the corresponding non-use fee paid by the University.*

B. *The University shall meet the following management objectives for electronic procurement:*

1. *Provide end users, including purchase-card users, access to an electronic system for buying;*

2. *Conduct business with eVA registered vendors whenever possible;*

3. *Place nonexempt orders, including change orders and cancellations, to eVA suppliers electronically using eVA;*

4. *To the greatest extent possible, transmit real-time electronic purchase orders, regardless of dollar value, that include commodity codes, complete item descriptions, quantities, and unit prices;*

5. *To the greatest extent feasible, the University will transmit confirming orders to eVA within five (5) business days after placing the order. Commodity codes, complete item*

*descriptions, quantities, and unit prices will be provided for all confirming orders. DGS/DPS will provide periodic reports on the number and timeliness of confirming orders enabling the University and DGS/DPS to work together to monitor the usage of confirming orders with the objective of reducing their numbers to the extent possible. The University agrees that, for confirming orders, it will resolve any vendor dispute, including disputes related to payment of eVA transaction fees, by working directly with the vendor whether such vendor contacts the University directly or the dispute is referred to the University by DGS/DPS or CGI-AMS.*

*The University further agrees that:*

*a. It will provide the DGS/DPS eVA Business Manager (or designee) email notification of the resolution agreed to by the university and the vendor within 10 business days, unless otherwise agreed on a case-by-case basis by the DGS/DPS eVA Business Manager (or designee);*

*b. It will pay the eVA transaction fee unless it notifies the eVA Business Manager (or designee) within the specified time that the dispute has been resolved and the vendor agreed to pay the fee; and*

*c. In the event the University does not provide resolution notification to the eVA Business Manager (or designee) within the specified timeframe, DGS/DPS will automatically execute a manual adjustment reversing disputed transaction fees from the vendor to the University and the University will pay the fee.*

*6. Timely process electronic change orders and cancellations;*

*7. Post all solicitations and business opportunities greater than \$50,000 on the eVA website except as specifically exempted by DPS;*

*8. To the extent technically feasible, make eVA catalogs, especially contract catalogs, available to end users using the ERP/SciQuest Integration system. The University will be responsible for the accuracy of contract catalog pricing loaded into the ERP/SciQuest;*

*9. Use eVA electronic vendor notification for procurement opportunities (per plans to post solicitations specified in item 7 above and the use of Quick Quote/Reverse Auctions specified in item 10 below);*

*10. Use eVA on-line bidding functions of Quick Quote and Reverse Auction for appropriate commodities, when such are identified;*

*11. Complete and certify the monthly eVA Dashboard Report; and*

*12. Timely remit any eVA transaction and non-use fees incurred by the institution.*

*C. The University shall be subject to eVA fees assessed per the eVA Business Plan.*

*D. The University shall assure that payments to CGI-AMS are current.*

*EXHIBIT E*

*MANAGEMENT AGREEMENT*

*BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*VIRGINIA POLYTECHNIC INSTITUTE*

*AND STATE UNIVERSITY*

*PURSUANT TO*

*THE RESTRUCTURED HIGHER EDUCATION*

*FINANCIAL AND ADMINISTRATIVE OPERATIONS*

*ACT OF 2005*

*POLICY GOVERNING*

*HUMAN RESOURCES FOR*

*PARTICIPATING COVERED EMPLOYEES*

*AND OTHER UNIVERSITY EMPLOYEES*

*THE BOARD OF VISITORS OF VIRGINIA POLYTECHNIC INSTITUTE*

*AND STATE UNIVERSITY*

*POLICY GOVERNING HUMAN RESOURCES FOR*

*PARTICIPATING COVERED EMPLOYEES*

*AND OTHER UNIVERSITY EMPLOYEES*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, establishes a process for the restructuring of institutions of higher education of the Commonwealth of Virginia and*

*provides that upon becoming a Covered Institution, the University shall have responsibility and accountability for human resources management for all University employees, defined in the Act as "Covered Employees," who pursuant to subsection A of § [23-38.114](#) of the Act "are state employees of" the University. Specifically, the Act provides that, as of the Effective Date of its initial Management Agreement with the Commonwealth, all Classified Employees shall continue to be covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and shall be subject to the policies and procedures prescribed by the Virginia Department of Human Resource Management, provided that they may subsequently elect to become Participating Covered Employees. All Participating Covered Employees shall: (i) be exempt from the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2; (ii) remain subject to the state grievance procedure for employees subject to the Virginia Personnel Act, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2, provided they were subject to the state grievance procedure prior to that Effective Date; (iii) participate in a compensation plan that is subject to the review and approval of the Board of Visitors; (iv) be hired pursuant to procedures that are based on merit and fitness; and (v) may, subject to certain specified conditions, continue to participate in either state- or University-sponsored benefit plans as described by the Management Agreement.*

*The provisions of this Policy are adopted by the Board of Visitors to implement the Governing Law and constitute the human resources policies to be included in any human resources system adopted by the University for its employees.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy.*

## *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.*

*"Board of Visitors" or "Board" means the Board of Visitors of Virginia Polytechnic Institute and State University.*

*"Classified Employees" means employees who are covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and the policies*

*and procedures established by the Virginia Department of Human Resource Management and who are not Participating Covered Employees.*

*“Covered Employee” means any person who is employed by the University on either a salaried or nonsalaried (wage) basis.*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Employee” means Covered Employee unless the context clearly indicates otherwise.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the University.*

*“Effective Date” means the effective date of the initial Management Agreement between the University and the Commonwealth.*

*“Governing Law” means the Act and the University’s Enabling Legislation.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) of the Act between the University and the Commonwealth.*

*“Participating Covered Employee” means (i) all salaried nonfaculty University employees who were employed as of the day prior to the Effective Date of the University’s initial Management Agreement with the Commonwealth, and who elect pursuant to § [23-38.115](#) of the Act to participate in and be governed by such human resources program or programs, plans, policies, and procedures established by Virginia Polytechnic Institute and State University, (ii) all salaried nonfaculty University employees who are employed by the University on or after the Effective Date of the initial Management Agreement between the University and the Commonwealth, (iii) all nonsalaried nonfaculty University employees without regard to when they were hired, (iv) all faculty University employees without regard to when they were hired.*

*“University” means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agriculture Experiment Station Division (State Agency 229).*

*“University employee” means a Covered Employee.*

*“University Human Resources System” means the human resources system for University employees as provided for herein.*

### *III. SCOPE AND PURPOSE OF UNIVERSITY HUMAN RESOURCES POLICIES.*

*The University has had human resources system autonomy through decentralization for its employees for some time. For example, general faculty at the University are expressly*

*exempt from the Virginia Personnel Act. The University has had decentralization in most human resources functions and activities since the late 1980s and early 1990s, including, but not limited to, the running of payrolls; the administration of hiring, classification, and promotion practices; the administration of separate retirement plans.*

*The Act extends and reinforces the human resources autonomy previously granted to the University. This Policy therefore is adopted by the Board of Visitors to enable the University to develop, adopt, and have in place by or after the Effective Date of its initial Management Agreement with the Commonwealth, a human resources system or systems for all University employees. On that Effective Date, and until changed by the University or unless otherwise specified in this Policy, the systems for University employees shall be the same systems applicable to those employees in effect immediately prior to that Effective Date.*

#### **IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.**

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

#### **V. VIRGINIA POLYTECHNIC INSTITUTE AND STATE UNIVERSITY HUMAN RESOURCES SYSTEMS.**

*A. Adoption and Implementation of University Human Resources Systems. The President, acting through the Executive Vice President and Chief Operating Officer, is hereby authorized to adopt and implement human resources systems for University employees that implement and are consistent with the Governing Law, other applicable provisions of law, these University human resources policies, and any other human resources policies adopted by the Department of Human Resource Management or the Board of Visitors for University personnel, unless University employees are exempted from those other human resources policies by law or policy. The University Human Resources Systems shall include a delegation of personnel authority to appropriate University officials responsible for overseeing and implementing the University Human Resources Systems, including a grant of authority to such officials to engage in further delegation of authority as the President or his designee deems appropriate.*

*The University commits to regularly engage employees in appropriate discussions and to receive employee input as the new University Human Resources Systems are developed. The University will regularly communicate the details of new proposals to all employees who are eligible to participate in the new University Human Resources System through written communication, open meetings, and website postings as appropriate, so that employees will have full information that will help them evaluate the merits of the new human resource system compared to the then-current State human resource system.*

*Effective on the Effective Date of its initial Management Agreement with the Commonwealth, and until amended as described below, the University's human resources systems shall consist of the following:*

- 1. The current human resources system for faculty described in the Virginia Tech Faculty Handbook and Special Research Faculty Handbook as posted on the University's website, <http://www.policies.vt.edu/>, and periodically amended;*
- 2. The current human resources system for "Classified Employees" as posted on the Virginia Department of Human Resource Management website at <http://www.dhrm.state.va.us/hrpolicy/policy.html> and the University's website, <http://www.policies.vt.edu/>, and Human Resources' website, <http://www.hr.vt.edu/>, as periodically amended;*
- 3. The Human Resources System for salaried nonfaculty "Participating Covered Employees," as posted on the University's website, <http://www.policies.vt.edu/>, and Human Resources' website, <http://www.hr.vt.edu/>, as periodically amended; and*
- 4. The Human Resources System for wage employees as set forth in the current Virginia Tech policies, procedures, and guidelines, as posted on the University's website, <http://www.policies.vt.edu/>, and Human Resources' website, <http://www.hr.vt.edu/>, as periodically amended, and for graduate students employed on assistantships as set forth in the Virginia Tech Graduate School policies, as posted on the Graduate School website, <http://www.grads.vt.edu/>, as periodically amended.*

*All the systems described above, except the system described in paragraph 2, may be amended by the President, acting through the Executive Vice President and Chief Operating Officer, consistent with these human resources policies. The system described in paragraph 2 may be amended only by the State.*

*B. Training in and Compliance with Applicable Provisions of Law and Board of Visitors' Human Resources Policies.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall take all necessary and reasonable steps to assure (i) that the University officials*

*who develop, implement and administer the University Human Resources Systems authorized by Governing Law and these human resources policies are knowledgeable regarding the requirements of the Governing Law, other applicable provisions of law, these University human resources policies, and other applicable Board of Visitors' human resources policies affecting University employees, and (ii) that compliance with such laws and human resources policies is achieved.*

#### *VI. HUMAN RESOURCES POLICIES.*

*The Human Resources Systems adopted by the University pursuant to Governing Law and this Policy, as set forth in Section V above shall embody the following human resources policies and principles:*

##### *A. Election by Salaried Nonfaculty University Employees.*

*Upon the adoption by the University of a University Human Resources System, all salaried nonfaculty University employees who were in the employment of the University as of the day prior to the Effective Date of its initial Management Agreement with the Commonwealth, shall be given written notice of their right to elect to participate in and be governed by either (i) the State human resources program set forth in Chapters 28 (§ [2.2-2800](#) et seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia and administered by the Department of Human Resource Management, or (ii) the University Human Resources System. A salaried nonfaculty University employee who elects to continue to be governed by the State human resources program described above shall continue to be governed by all State human resources and benefit plans, programs, policies and procedures that apply to and govern State employees. A salaried nonfaculty University employee who elects in writing to participate in and be governed by the University Human Resources System, also, by that election, shall be deemed to have elected to be eligible to participate in and to be governed by the human resources, authorized alternative insurance, and severance plans, programs, policies and procedures that are or may be adopted by the University as part of that University Human Resources System.*

*Each such salaried nonfaculty University employee, shall be given at least 90 days to make the election required by the prior paragraph. Such 90 day period shall begin to run on the date on which the University Human Resources System becomes effective for that University employee's classification of employees. If such a salaried nonfaculty University employee does not make an election by the end of that specified election period, that University employee shall be deemed not to have elected to participate in the University Human Resources System. If such a salaried nonfaculty University employee elects to participate in the University Human Resources System, that election*

*shall be irrevocable. At least every two years, the University shall offer to salaried non-faculty University employees who have elected to continue to participate in the state human resources program set forth in Chapters 28 (§ 22.-2800 et seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, an opportunity to elect to participate in the University Human Resources System; provided that, each time prior to offering such opportunity to such salaried nonfaculty University employees, and at least once every two years after the effective date of the University Human Resources System, the University shall make available to each of its salaried nonfaculty University employees a comparison of its human resources program for that classification of salaried nonfaculty University employee with the State human resources program for comparable State employees, including but not limited to a comparability assessment of compensation and benefits. A copy of the human resources program comparison shall be provided to the Department of Human Resource Management.*

*B. Classification and Compensation.*

*1. General. The Systems shall include classification and compensation plans that are fair and reasonable, and are based on the availability of University financial resources. The plans adopted by the University for its faculty and other Participating Covered Employees shall be independent of, and need not be based on, the classification and compensation plans of the Commonwealth, do not require the approval of any State agency or officer, and shall be subject to the review and approval by the Board of Visitors as set forth in paragraph 3 below. The University shall provide information on its classification and compensation plans to all University employees. The plans applicable to Participating Covered Employees may or may not include changes in classification or compensation announced by the Commonwealth depending on such factors as the availability of necessary financial resources to fund any such changes, and subject to the review and approval by the Board of Visitors of any major changes in the University's compensation plans.*

*2. Classification Plan. The Systems shall include one or more classification plans for University employees that classify positions according to job responsibilities and qualifications. On the Effective Date of the University's initial Management Agreement with the Commonwealth, and until changed by the University, the classification plans shall be the same plans that are in effect for each group of employees immediately prior to that Effective Date.*

*3. Compensation Plan. The Systems shall include one or more compensation plans for each University employee classification or group. On the Effective Date of the University's initial Management Agreement with the Commonwealth, and until changed*

*by the Department of Human Resource Management, the compensation plan for Classified Employees shall be the compensation plan in effect immediately prior to that Effective Date, known as the Commonwealth's Classified Compensation Plan. On that Effective Date, and until changed by the University, the compensation plan or plans for all Participating Covered Employees shall be the compensation plan or plans in effect immediately prior to that Effective Date. The University may adopt one or more compensation plans for Participating Covered Employees that are non-graded plan(s) based on internal and external market data and other relevant factors to be determined annually. Any major change in compensation plans for Participating Covered Employees shall be reviewed and approved by the Board of Visitors before that change becomes effective. Any change recommended in the compensation plans may take into account the prevailing rates in the labor market for the jobs in question, or for similar positions, the relative value of jobs, the competency and skills of the individual employee, internal equity, and the availability of necessary financial resources to fund the proposed change. The compensation payable to University employees shall be authorized and approved only by designated University officers delegated such authority by the University, and shall be consistent with the approved compensation plan for the relevant position or classification. Further approval by any other State Agency, governmental body or officer is not required for setting, adjusting or approving the compensation payable to individual Participating Covered Employees.*

*4. Wages. The Systems shall include policies and procedures for the authorization, computation and payment of wages, where appropriate, for such premium pays as overtime, shift differential, on call, and call back, and for the payment of hourly employees.*

*5. Payment of Compensation. The Systems shall include policies and procedures for paying compensation to employees, including the establishment of one or more payday schedules.*

*6. Work Schedule and Workweek. The Systems shall include policies and procedures for the establishment of, and modifications to, work schedules and workweeks for all University employees, including alternative work schedules and sites, and telecommuting policies and procedures.*

*7. Other Classification and Compensation Policies and Procedures. The Systems may include any other reasonable classification and compensation policies and procedures the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate.*

*C. Benefits.*

*The Systems shall provide fringe benefits to all benefits eligible employees, including retirement benefits, health care insurance, life, disability, and accidental death and dismemberment insurance. The benefits provided shall include a basic plan of benefits for each benefits eligible employee, and may include an optional benefits plan for benefits eligible employees, including additional insurance coverage, long-term care, tax deferred annuities, flexible reimbursement accounts, employee assistance programs, employee intramural and recreational passes, and other wellness programs. As provided in subsections B and C of § [23-38.119](#) of the Act, the University may require Participating Covered Employees to pay all or a portion of the cost of group life, disability and accidental death and dismemberment insurance, which may be collected through a payroll deduction program. Participating Covered Employees shall not be required to present evidence of insurability for basic group life insurance coverage. The Board of Visitors may elect to provide benefits through Virginia Retirement System group insurance programs under the terms of and to the extent allowed by subsections B and D of § [23-38.119](#) of the Act or any other provision of law.*

*Notwithstanding the above, pursuant to subsection A of § [23-38.114](#) of the Act, and unless and until that section is amended, the state retirement system, state health insurance program, and state workers' compensation coverage program as they may be amended from time to time, shall continue to apply to and govern all eligible University employees. If, however, the University has been or is permitted by law other than the Act to establish an alternative health insurance plan or an alternative faculty retirement plan or plans, such alternative health insurance or faculty retirement plan or plans shall apply to and govern the University employees included in such plan or plans.*

*The Systems may provide different benefits plans for reasonably different groups or classifications of employees, and may provide benefits to part-time employees. On the Effective Date of the University's initial Management Agreement with the Commonwealth, and until changed by the appropriate governing authority, the benefits plans provided by the University to Classified Employees and Participating Covered Employees shall be the benefits plans provided to that group or classification as of the date immediately prior to that Effective Date. On or after that Effective Date, alternative University group life, accidental death and dismemberment, and short- and long-term disability plans may be provided to eligible Participating Covered Employees, or at the election of the Board of Visitors and subject to the execution of participation agreements as provided in subsections B and C of § [23-38.119](#) of the Act, they may be provided by the appropriate State programs, but no contributions to the State programs by the University shall be required for Participating Covered Employees who do not participate in the programs.*

*Subject to the provisions of the Act, any new plans, programs and material changes permitted under current law in University employee benefit plans, other than Classified Employee benefits plans, shall be approved by the Board of Visitors, including the authority to increase the Cash Match Contribution rate up to the limit permitted by the Code of Virginia based on available resources, and the authority to implement cafeteria-style benefits for University employees other than Classified Employees.*

*Insurance and all proceeds therefrom provided pursuant to § [23-38.119](#) of the Act shall be exempt from legal process and may be subject to assignment as provided in subsection A of § [23-38.119](#) of the Act.*

*D. Employee Relations.*

*1. General. The Systems shall contain provisions that protect the rights and privileges of University employees consistent with sound management principles and fair employment practice law.*

*2. Employee Safety and Health. The Systems shall contain provisions that promote workplace safety compliance with applicable law and regulations.*

*3. Employee Work Environment. The Systems shall promote a work environment that is conducive to the performance of job duties, and free from intimidation or coercion in violation of State or federal law, including sexual harassment or other discrimination.*

*4. Employee Recognition. The Systems may provide for the use of leave awards and bonuses specific to policies and procedures for awarding, honoring, or otherwise recognizing University employees, including but not limited to those who have performed particularly meritorious service for the University, have been employed by the University for specified periods of time, or have retired from the University after lengthy service.*

*5. Counseling Services. The Systems shall provide counseling services through the State's Employee Assistance Program or a University Employee Assistance Program to any eligible University employee experiencing job-related difficulties and seeking counseling for those difficulties, and shall establish the circumstances under which the time necessary to participate in such counseling may be granted.*

*6. Unemployment Compensation. The Systems shall ensure that University employees receive the full unemployment compensation benefits to which they are legally entitled, and that the University's liability is limited to legitimate claims for such benefits.*

*7. Workers' Compensation. The Systems shall ensure that University employees have workers' compensation benefits to which they are legally entitled pursuant to the State Employees' Workers Compensation Program administered by the Department of Human Resource Management.*

*8. Performance Planning and Evaluation. The Systems shall include one or more performance planning and evaluation processes for University employees that (i) establish and communicate the University's performance expectations, (ii) help develop productive working relationships, (iii) allow employees to present their views concerning their performance, (iv) identify areas for training or professional development, (v) establish the process by which evaluations shall be conducted, (vi) clarify how superlative or inadequate performance shall be addressed, and (vii) ensure that all University employees are provided relevant information on the evaluation process. The Systems may include separate performance and evaluation processes for reasonably distinguishable groups of University employees. On the Effective Date of the University's initial Management Agreement with the Commonwealth, the existing merit-based performance management system for faculty shall continue, until amended by the University. On or after that Effective Date, nonfaculty salaried Participating Covered Employees may be subject to a variable merit-based performance management system.*

*9. Standards of Conduct and Performance. In order to protect the well-being and rights of all employees and to ensure safe, efficient University operations and compliance with the law, the Systems shall establish rules of personal conduct and standards of acceptable work performance for University salaried nonfaculty employees and policies for corrective discipline. In general, the policies for corrective discipline shall serve to (i) establish a uniform and objective process for correcting or disciplining unacceptable conduct or work performance, (ii) distinguish between less serious and more serious actions of misconduct and provide corrective action accordingly, and (iii) limit corrective action to employee conduct occurring only when employees are at work or are otherwise representing the University in an official or work-related capacity, unless otherwise specifically provided by the policies of the Systems or other applicable law. The Systems may provide for a probationary period for new and re-employed University salaried nonfaculty employees, during which period the policies for corrective discipline shall not be applicable and the employee may not use the grievance procedure set forth in the next paragraph. The Systems may include separate rules of personal conduct and standards of acceptable work performance and policies for corrective discipline for reasonably distinguishable groups of University employees.*

*10. Grievance Procedure. As provided in the Governing Law, employees shall be encouraged to resolve employment-related problems and complaints informally, and shall be permitted to discuss their concerns freely and without fear of retaliation with immediate supervisors and management. In the event that such problems cannot be resolved informally, all salaried nonfaculty University employees, regardless of their date of hire,*

shall have access, as provided in subsection A of § [23-38.114](#) and in § [23-38.117](#) of the Act, to the State Grievance Procedure, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2 of the Code of Virginia, to the extent it was applicable to their classification of employees prior to the Effective Date of the University's initial Management Agreement with the Commonwealth. On that Effective Date, and until changed by the University, the faculty grievance procedures in effect immediately prior to the Effective Date shall continue.

11. *Discrimination Complaints.* If a Classified Employee believes discrimination has occurred, the Classified Employee may file a complaint with the Department of Human Resource Management, Office of Equal Employment Services, with the appropriate University office, or with the appropriate federal agencies. All Participating Covered Employees and applicants for employment after the Effective Date of the University's initial Management Agreement with the Commonwealth shall file a complaint with the appropriate University office or with the appropriate federal agencies.

12. *Layoff Policy.* The Systems shall include one or more layoff policies for salaried University employees who lose their jobs for reasons other than their job performance or conduct, such as a reduction in force or reorganization at the University. These University layoff policies shall govern such issues as (i) whether there is a need to effect a layoff, (ii) actions to be taken prior to a layoff, (iii) notice to employees affected by a layoff, (iv) placement options within the University or its respective major divisions and within other parts of the University, (v) the preferential employment rights, if any, of various University employees, (vi) the effect of layoff on leave and service, and (vii) the policy for recalling employees. In accordance with the terms of the Act, University employees who: (i) were employed prior to the Effective Date of the University's initial Management Agreement with the Commonwealth, (ii) would otherwise be eligible for severance benefits under the Workforce Transition Act, (iii) were covered by the Virginia Personnel Act prior to that Effective Date, and (iv) are separated because of a reduction in force shall have the same preferential hiring rights with State agencies and other executive branch institutions as Classified Employees have under § [2.2-3201](#) of the Code of Virginia.

Conversely, the University shall recognize the hiring preference conferred by § [2.2-3201](#) of the Code of Virginia, on State employees who were hired by a State agency or executive branch institution before the Effective Date of the University's initial Management Agreement with the Commonwealth and who were separated after that date by that State agency or executive branch institution because of a reduction in workforce. If the University has adopted a classification system pursuant to § [23-38.116](#) of the Act that differs from the classification system administered by the Department of Human Resource

*Management, the University shall classify the separated employee according to its classification system and shall place the separated employee appropriately. The University may include separate policies for reasonably distinguishable groups of University employees. On or after the Effective Date of the University's initial Management Agreement with the Commonwealth, all employees from other State agencies and executive branch institutions who are placed by the University under the provisions of the State Layoff Policy shall be Participating Covered Employees.*

*13. Severance Benefits. In accordance with the terms of the Act, the University shall adopt severance policies for salaried Participating Covered Employees who are involuntarily separated for reasons unrelated to performance or conduct. The terms and conditions of such policies shall be determined by the Board of Visitors. Classified Employees who otherwise would be eligible and were employed prior to the Effective Date of the University's initial Management Agreement with the Commonwealth shall be covered by the Workforce Transition Act, Chapter 32 (§ [2.2-3200](#) et seq.) of Title 2.2 of the Code of Virginia. The University and the Board of the Virginia Retirement System may negotiate a formula according to which cash severance benefits may be converted to years of age or creditable service for Participating Covered Employees who participate in the Virginia Retirement System. An employee becoming, on such Effective Date, a Covered Employee shall not constitute a severance or reduction in force to which severance or Workforce Transition Act policies would apply.*

*14. Use of Alcohol and Other Drugs. The Systems shall include policies and procedures that (i) establish and maintain a work environment at the University that is free from the adverse effect of alcohol and other drugs, (ii) are consistent with the federal Drug-Free Workplace Act of 1988 and with the Virginia Polytechnic Institute and State University Alcohol and Other Drugs Policy, (iii) describe the range of authorized disciplinary action, including termination where appropriate, for violations of such policies and procedures, and the process to be followed in taking such disciplinary action, (iv) provide University employees access to assistance and treatment for problems involving alcohol and other drugs, (v) provide for the circumstances under which employees are required to report certain violations of the policies and procedures to their supervisor, and the University is required to report those violations to a federal contracting or granting agency, (vi) describe the circumstances under which personnel records of actions taken under the University's alcohol and other drugs policy shall not be kept confidential, and (vii) provide notice to University employees of the scope and content of the University alcohol and other drugs policy. As part of this alcohol and other drugs policy, and in compliance with the federal Omnibus Transportation Employee Testing Act of 1991, the*

*Systems may provide for pre-employment, reasonable suspicion, random, post-accident, return-to-duty and follow-up alcohol and other drug testing for University positions that are particularly safety sensitive, such as those requiring a Commercial Driver's License or the provision of patient care.*

*15. Background Checks. The Systems shall include a process for conducting background checks, which may include but is not limited to reference checks, educational/professional credentialing checks, and conviction and driver's records checks on applicants for full-time or part-time positions at the University, and for addressing situations where employees do not disclose a conviction on their application or otherwise falsify their application with regard to information concerning their education/professional credential and/or prior convictions.*

*16. Other Employee Relations Policies and Procedures. The Systems shall include any other reasonable employee relations policies or procedures that the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate, which may include, but are not limited to, policies or procedures relating to orientation programs for new or re-employed University employees, an employee suggestion program, the responsibility of University employees for property placed in their charge, work breaks, inclement weather and emergencies, and employment outside the University.*

*E. Leave and Release Time.*

*The Systems shall include policies and procedures regarding leave for eligible employees. The Systems shall provide reasonable paid leave for purposes such as holidays, vacation, or other personal uses. The Systems may provide for release time for such matters as the donation of blood, participation in an employee assistance program and other appropriate employment-related matters. On or after the Effective Date of its initial Management Agreement with the Commonwealth, and until a new program is adopted by the appropriate authority, the University shall continue to provide leave and release time to Participating Covered Employees in accordance with the leave and release time policies and procedures applicable to each classification of employees prior to that Effective Date. On or after that Effective Date, the University may provide an alternative leave and release time system for salaried nonfaculty Participating Covered Employees.*

*F. Equal Employment Opportunity, Nondiscrimination, Employment, and Separation.*

*1. Equal Employment Opportunity and Nondiscrimination. The Systems shall contain policies and procedures to ensure that all aspects of human resources management, including the employment of University employees, meet all requirements of federal and state law, and of the relevant policies of the Board of Visitors, with regard to equal employment opportunity and nondiscrimination.*

*2. Employment. The Systems shall include policies and procedures for the recruitment, selection and hiring of University employees that are based on merit and fitness, including where appropriate a requirement for job posting, interviews, pre-employment testing, pre-employment drug testing, reference checks and conviction record checks. On and after the Effective Date of its initial Management Agreement with the Commonwealth, the University shall post all salaried nonfaculty position vacancies through the University's job posting system, the Commonwealth's job posting system, and other external media as appropriate. The Systems shall establish designated veterans' re-employment rights in accordance with applicable law. In order to encourage employees to attain the highest level positions for which they are qualified, and to compensate employees for accepting positions of increased value and responsibility, the Systems shall include policies and procedures governing the promotion of employees, including the effect of promotion on an employee's compensation.*

*On or after the Effective Date of the University's initial Management Agreement with the Commonwealth, all employees hired from other state agencies shall be Participating Covered Employees. University Classified Employees who change jobs within the University through a competitive employment process - i.e., promotion or transfer - shall have the choice of remaining a Classified Employee or becoming a Participating Covered Employee. If a Classified Employee elects to become a Participating Covered Employee, that decision shall be irrevocable.*

*3. Notice of Separation. The Systems shall include policies and procedures requiring reasonable notice, where appropriate, of a decision either by the employee or by the University to separate the employee from the University in accordance with policies governing performance, conduct, or layoff.*

*G. Information Systems.*

*The University shall provide an electronic file transfer of information on all salaried University employees and shall continue to provide the Employee Position Reports to meet the human resources reporting requirements specified by law or by request of the Governor or the General Assembly, unless the University is specifically exempted from those requirements. The University shall conduct assessments to demonstrate its accountability for human resources practices that comply with laws and regulations. The Department of Human Resource Management and the University have entered into a Memorandum of Understanding, attached hereto as Attachment 3, which may be amended from time to time by agreement of the parties, regarding the specific data and reporting requirements. The University shall be accountable for ensuring the timeliness*

*and integrity of the data transmitted to the Department of Human Resources Management.*

*VII. CONTINUED APPLICABILITY OF OTHER PROVISIONS OF THE CODE OF VIRGINIA AND OTHER BOARD OF VISITORS' POLICIES AFFECTING UNIVERSITY PERSONNEL.*

*On and after the Effective Date of its initial Management Agreement with the Commonwealth, University employees shall be subject to the terms and conditions of the Act and the Management Agreement between the Commonwealth and the University. Classified Employees shall continue to be subject to the human resources policies and exceptions to those policies adopted or approved by the Department of Human Resource Management.*

*In addition, all University employees also shall remain subject to any other human resources policies adopted by the Board of Visitors applicable to University personnel unless University employees or a subset thereof are specifically exempted from those other human resources policies either by those other policies or by this Policy.*

*ATTACHMENT 3*

*Memorandum of Understanding*

*Between Virginia Polytechnic Institute and State University and the*

*Department of Human Resources Management Regarding*

*The Reporting of Human Resources Management Data*

*This Memorandum of Understanding, which may be amended from time to time by the agreement of all parties, is an attachment to the Policy Governing Human Resources for Participating Covered Employees and Other University Employees pursuant to the Restructured Higher Education Financial and Administrative Operations Act of 2005, and is hereby entered into between Virginia Polytechnic Institute and State University and the Department of Human Resource Management (DHRM).*

*I. This document outlines the provisions for information management pertaining to human resources data, consistent with the objectives to enable DHRM to meet the Commonwealth's reporting requirements, to ensure compliance with relevant federal and state laws and regulations, and to do so through efficient and cost-effective methods.*

1. In lieu of data entry into the state's Personnel Management Information System (PMIS), data will be transmitted through an electronic file transfer to update DHRM's warehouse.

a. The University will provide a flat file of designated personnel data. For "Classified Employees," the data provided will match DHRM's data values for the designated fields. For salaried "Participating Covered Employees," the data provided will include the University's data values for the designated fields. The University will provide a data dictionary to DHRM. The file of designated data will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.

b. The University will provide a second flat file of salaried personnel actions for "Classified Employees" and salaried "Participating Covered Employees," such as promotions, separations, and salary adjustments. The file of relevant personnel actions and designated data to be provided for each action will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.

2. DHRM will accept the federal Affirmative Action Plan (AAP), including the adverse impact analyses of employment and compensation actions that are part of the AAP, as demonstration of the University's compliance with relevant federal and state employment laws and regulations.

3. The University may key data into the Benefits Enrollment System or provide a batch file, or employees may use Employee Direct (employee self-service).

4. Other reports to be provided by the University include the following:

a. Monthly Employee Position Report.

b. Annual report on salaried, wage, and contract employees.

The undersigned hereby agree to the provisions contained in the MOU.

*EXHIBIT F*

*MANAGEMENT AGREEMENT*

*BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*VIRGINIA POLYTECHNIC INSTITUTE*

*AND STATE UNIVERSITY*

*PURSUANT TO*

*THE RESTRUCTURED HIGHER EDUCATION*

*FINANCIAL AND ADMINISTRATIVE OPERATIONS*

*ACT OF 2005*

*POLICY GOVERNING*

*FINANCIAL OPERATIONS AND MANAGEMENT*

*THE BOARD OF VISITORS OF VIRGINIA POLYTECHNIC INSTITUTE*

*AND STATE UNIVERSITY*

*POLICY GOVERNING FINANCIAL OPERATIONS AND MANAGEMENT*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, establishes by law a process for granting additional authority to institutions of higher education for financial operations and management, subject to the adoption of policies by their governing boards and the approval of management agreements to be negotiated with the Commonwealth. The following provisions of this Policy constitute the adopted Board of Visitors policies regarding Virginia Polytechnic Institute and State University's financial operations and management.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy.*

## *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*"Board of Visitors" or "Board" means the Board of Visitors of Virginia Polytechnic Institute and State University.*

*"Covered Institution" means, on or after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*"Enabling Legislation" means those chapters, other than Chapter 4.10, of title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the University.*

*"Effective Date" means the effective date of the initial Management Agreement between the University and the Commonwealth.*

*"Management Agreement" means the agreement required by subsection D of § [23-38.88](#) of the Act between the University and the Commonwealth of Virginia.*

*"State Tax Supported Debt" means bonds, notes or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 20, 2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

*"University" means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agriculture Experiment Station Division (State Agency 229).*

## *III. SCOPE OF POLICY.*

*This Policy applies to the University's responsibility for management, investment and stewardship of all its financial resources, including but not limited to, general, non-general and private funds. This responsibility includes maintaining an independent uniform*

*system of accounting, financial reporting, and internal controls adequate to protect and account for the University's financial resources.*

*Virginia Cooperative Extension and the Agriculture Experiment Station Division shall receive the benefits of this Policy as it is implemented by the University on behalf of Virginia Cooperative Extension and the Agriculture Experiment Station Division, but Virginia Cooperative Extension and the Agriculture Experiment Station Division shall not receive any additional independent financial operations and management authority as a result of this Management Agreement beyond the independent financial operations and management authority that it had prior to the Effective Date of the University's initial Management Agreement with the Commonwealth or that it may be granted by law in the future.*

#### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

#### *V. FINANCIAL MANAGEMENT AND REPORTING SYSTEM.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized by the Board to maintain existing and implement new policies governing the management of University financial resources. These policies shall continue to (i) ensure compliance with Generally Accepted Accounting Principles, (ii) ensure consistency with the current accounting principles employed by the Commonwealth, including the use of fund accounting principles, with regard to the establishment of the underlying accounting records of the University and the allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific types of fund sources, (iii) provide adequate risk management and internal controls to protect and safeguard all financial resources, including moneys transferred to the University pursuant to a general fund appropriation, and ensure compliance with the requirements of the Appropriation Act.*

*The financial management system shall continue to include a financial reporting system to satisfy both the requirements for inclusion into the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's Directives, and the University's separately audited financial statements. To ensure observance of limitations and restrictions placed on the use of the resources available to the University, the accounting and bookkeeping system of the University shall continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards Board.*

*In addition, the financial management system shall continue to provide financial reporting for the President, acting through the Executive Vice President and Chief Operating Officer, and the Board of Visitors to enable them to provide adequate oversight of the financial operations of the University. Upon the Effective Date of the initial Management Agreement between the University and the Commonwealth, except for the recordation of daily revenue deposits of State funds as specified in Section VII below, the University shall not be required to record its financial transactions in the Commonwealth's Accounting and Reporting System (CARS), including the current monthly interfacing with CARS, or to record its financial transactions in any subsequent Commonwealth financial systems that replace CARS or are in addition to CARS, but shall have its own financial reporting system. The University's financial reporting system shall provide (i) summary monthly reports for State agencies including, but not limited to, the Department of Accounts, the Department of Planning and Budget, the Joint Legislative Audit and Review Commission, the Auditor of Public Accounts, and the State Council of Higher Education for Virginia, and for the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations at a sufficient level of detail, on such schedule, and using such format that is compatible with the Commonwealth's accounting system, as may be requested by the requesting State agency, and (ii) such other special reports as may be requested from time to time.*

#### **VI. FINANCIAL MANAGEMENT POLICIES.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall create and implement any and all financial management policies necessary to establish a financial management system with adequate risk management and internal control processes and procedures for the effective protection and management of all University financial resources. Such policies will not address the underlying accounting principles and policies employed by the Commonwealth and the University, but rather will focus on the internal operations of the University's financial management. These policies shall include, but need not be limited to, the development of a tailored set of*

*finance and accounting practices that seek to support the University's specific business and administrative operating environment in order to improve the efficiency and effectiveness of its business and administrative functions. In general, the system of independent financial management policies shall be guided by the general principles contained in the Commonwealth's Accounting Policies and Procedures such as establishing strong risk management and internal accounting controls to ensure University financial resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of University programs.*

*Upon the Effective Date of its initial Management Agreement with the Commonwealth, the University shall continue to follow the Commonwealth's accounting policies until such time as specific alternate policies can be developed, approved and implemented. Such alternate policies shall include applicable accountability measures and shall be submitted to the State Comptroller for review and comment before they are implemented by the University.*

#### **VII. FINANCIAL RESOURCE RETENTION AND MANAGEMENT.**

*Under § [23-38.104](#)(A)(i) of the Act, subject to applicable accountability measures and audits, the University shall have the power and authority to manage all monies received by it. All State general funds to be allocated to the University shall remain subject to the appropriations process.*

*Pursuant to subsection C of § [23-9.6:1.01](#) of the Code of Virginia, the State Council of Higher Education for Virginia (SCHEV) annually shall assess and certify to the Governor and General Assembly the degree to which each public institution of higher education of the Commonwealth has met the financial and administrative management and educational-related performance benchmarks called for by that subsection and approved as part of the Appropriation Act then in effect for the State goals and objectives set forth in subdivisions B 1 through B 11 of § [23-38.88](#) of the Act. Pursuant to § [2.2-5005](#) of the Code of Virginia, beginning with the fiscal year that immediately follows the first full fiscal year for which the financial and administrative management and educational-related performance benchmarks described in § [23-9.6:1.01](#) of the Code of Virginia, are effective, as provided in a general Appropriation Act, and for all fiscal years thereafter, each public institution of higher education of the Commonwealth that (i) has been certified during the fiscal year by SCHEV as having met such institutional performance benchmarks and (ii) meets the conditions prescribed in subsection B of § [23-38.88](#) of the Act, shall receive certain financial incentives, including the interest on the tuition and fees and other non-*

*general fund Educational and General Revenues deposited into the State Treasury by the public institution of higher education.*

*Consistent with the prior paragraph, beginning with the fiscal year following the first fiscal year for which it has received such certification from SCHEV, the University is authorized to hold and invest tuition, Educational and General (E&G) fees, research and sponsored program funds, auxiliary enterprise funds, and all other non-general fund revenues subject to the following requirements:*

*i) The University shall deposit such funds in the State Treasury pursuant to the State process in place at the time of such deposit;*

*ii) Such non-general funds deposited in the State Treasury shall be disbursed as provided in Section IX below;*

*iii) The University shall remit to the State Comptroller quarterly and the State Comptroller shall hold in escrow all interest earned on the University's tuition and fees and other non-general fund Educational and General Revenues. Upon receipt of the required State Council of Higher Education for Virginia certification that the University has met such institutional performance benchmarks and the conditions prescribed in subsection B of § [23-38.88](#) of the Act, the Governor shall include in the next budget bill a non-general fund appropriation, payable no later than July 1 of the immediately following fiscal year, equivalent to the amount deposited in the escrow account as the financial incentive provided in subdivision 1 of § [2.2-5005](#), after which time the University may expend the funds for purposes related to its mission. If public institutions of higher education of the Commonwealth are permitted, or the University in particular is permitted, by the Appropriation Act or other law to retain or be paid the interest the Commonwealth would have earned on sponsored programs and research funds, then this paragraph shall not apply to such interest on such funds, and such interest shall not be held in escrow.*

*iv) If in any given year the University does not receive the certification from the State Council of Higher Education for Virginia that it has met for that year the institutional benchmarks called for by subsection C of § [23-9.6:1.01](#) and approved in the then-current Appropriation Act, the Comptroller shall transfer to the general fund the balance in the escrow account as of June 30 of that year.*

*v) Beginning on the effective date of its initial Management Agreement with the University until the beginning of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the University shall continue to deposit tuition and all other non-general funds with the State Treasurer by the same process that it would have been required to use if it had not entered into a Management Agreement with the Commonwealth.*

vi) *On the first business day of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the University may draw down all cash balances held by the State Treasurer on behalf of the University related to tuition, E&G fees, research and sponsored programs, auxiliary enterprises, and all other non-general fund revenues.*

vii) *The Commonwealth shall retain all funds related to general fund appropriations, but shall pay these funds to the University as specified in Section IX below.*

*The University also shall have sum sufficient appropriation authority for all non-general funds as approved by the Governor and the General Assembly in the Commonwealth's biennial appropriations process, and shall report to the Department of Planning and Budget (i) its estimate of the non-general fund revenues for the sum sufficient appropriation to be included in the biennial Budget Bill for each of the two years in the next biennium by November 1 of each odd numbered year and the estimate to be included in the Budget Bill for the first and second year of the then-current biennium by November 1 of each even numbered year, and (ii) report its actual non-general fund revenues for each fiscal year to the Department of Planning and Budget by July 31 of the subsequent fiscal year.*

*The Board of Visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate commitment provided to need-based grant aid for middle- and lower-income undergraduate Virginians. Except as provided otherwise in the Appropriation Act then in effect, it is the intent of the Commonwealth and the University that the University shall be exempt from the revenue restrictions in the general provisions of the Appropriation Act related to non-general funds. In addition, unless prohibited by the Appropriation Act then in effect, it is the intent of the Commonwealth and the University that the University shall be entitled to retain non-general fund savings generated from changes in Commonwealth rates and charges, including but not limited to health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates, rather than reverting such savings back to the Commonwealth. This financial resource policy assists the University by providing the framework for retaining and managing non-general funds, for the receipt of general funds, and for the use and stewardship of all these funds.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to provide oversight of the University's cash management system which is the framework for the retention of non-general funds. The Internal Audit Department of the University shall periodically audit the University's cash management system in accordance with appropriate risk assessment models and make reports to the Audit and*

*Compliance Committee of the Board of Visitors. Additional oversight shall continue to be provided through the annual audit and assessment of internal controls performed by the Auditor of Public Accounts. For the receipt of general and non-general funds, the University shall conform to the Security for Public Deposits Act, Chapter 44 (§ [2.2-4400](#) et seq.) of Title 2.2 of the Code of Virginia as it currently exists and from time to time may be amended.*

**VIII. ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.**

*The President, through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all Accounts Receivable Management and Collection policies as part of a system for the management of University financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act, Chapter 48 (§ [2.2-4800](#) et seq.) of the Code of Virginia, such that the University shall take all appropriate and cost effective actions to aggressively collect accounts receivable in a timely manner.*

*These shall include, but not be limited to, establishing the criteria for granting credit to University customers; establishing the nature and timing of collection procedures within the above general principles; and the independent authority to select and contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and all collection activities for all University accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the University shall continue to utilize the Commonwealth's Debt Set-Off Collection Programs, shall develop procedures acceptable to the Tax Commissioner and the State Comptroller to implement such Programs, and shall provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt Collection Act.*

**IX. DISBURSEMENT MANAGEMENT.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all disbursement policies as part of a system for the management of University financial resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from whatever source derived, in the execution of the University's operations. These policies also shall continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or services relative to the University's mission,*

*including travel-related disbursements. Further, the University's disbursement policy shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and electronic payments. Since the University no longer will interface to the CARS system or any replacement for the CARS system for disbursements, the University shall establish its own mechanisms for electronic payments to vendors through Electronic Data Interchange (EDI) or similar process and payments to the Commonwealth's Debt Set-Off Collection Programs.*

*Beginning with the fiscal year after the first fiscal year for which it first receives the required certification from SCHEV, the University may draw down its general fund appropriations (subject to available cash) and tuition and E&G fees and other non-general fund revenues from the State Treasury. Such funds shall be available to the University for disbursement as provided in the then-current rules of the Automated Clearing House (ACH) Network. The draw down of funds may be initiated in accordance with the following schedule:*

*i) The University may draw down one-twenty-fourth (1/24) of its annual general fund appropriation for Educational and General programs on the first and fifteenth days of each month, and up to 50% of its annual general fund appropriation for Student Financial Assistance on or after September 1 of each year with the remaining 50% to be drawn on or after February 1 of each year in order to meet student obligations;*

*ii) The University may draw down the sum of all tuition and E&G fees and all other non-general revenues deposited to the State Treasury each day on the same business day they were deposited; and*

*iii) The University anticipates that expenditures could exceed available revenues from time to time during the year if the above disbursement schedule is used. When the University projects a cash deficit is likely in activities supported by general fund appropriations, the University may make a request to the State Comptroller for an early draw on its appropriated general funds deposited in the State Treasury, in a form and within a timeframe agreeable to the parties, in order to cover expenditures.*

*These disbursement policies shall authorize the President, acting through the Executive Vice President and Chief Operating Officer, to independently select, engage, and contract for such consultants, accountants, and financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The policies also shall continue to include the ability to locally manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those*

*programs, provided that the University shall submit the credit card and cost recovery aspects of its financial and operations policies to the State Comptroller for review and comment prior to implementing those aspects of those policies. The disbursement policies shall ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll disbursements. The University shall continue to provide summary quarterly prompt payment reports to the Department of Accounts in accordance with the reporting procedures established pursuant to the Prompt Payment Act.*

*The University's disbursement policies shall be guided by the principles of the Commonwealth's policies as included in the Commonwealth's Accounting Policy and Procedures Manual. Upon the Effective Date of its initial Management Agreement with the Commonwealth, the University shall continue to follow the Commonwealth's disbursement policies until such time as specific alternative policies can be developed, approved and implemented. Such alternate policies shall be submitted to the State Comptroller for review and comment prior to their implementation by the University.*

#### **X. DEBT MANAGEMENT.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all debt management policies as part of a system for the management of University financial resources.*

*Pursuant to § [23-38.108\(B\)](#) of the Act, the University shall have the authority to issue bonds, notes, or other obligations that do not constitute State Tax Supported Debt, as determined by the Treasury Board, and that are consistent with debt capacity and management policies and guidelines established by its Board of Visitors, without obtaining the consent of any legislative body, elected official, commission, board, bureau, or agency of the Commonwealth or of any political subdivision, and without any proceedings or conditions other than those specifically required by Subchapter 3 of the Act; provided that, the University shall notify the Treasurer of Virginia of its intention to issue bonds pursuant to this Policy at the time it adopts the bond issuance planning schedule for those bonds. Any new or revised debt capacity and management policy shall be submitted to the Treasurer of Virginia for review and comment prior to its adoption by the University.*

*The University recognizes that there are numerous types of financing structures and funding sources available each with specific benefits, risks, and costs. All potential funding sources shall be reviewed by the President, acting through the Executive Vice President and Chief Operating Officer, within the context of the overall portfolio to ensure that any financial product or structure is consistent with the University's objectives. Regardless of*

*the financing structure(s) utilized, the President, acting through the Executive Vice President and Chief Operating Officer, shall obtain sufficient documentation to gain a full understanding of the transaction, including (i) the identification of potential risks and benefits, and (ii) an analysis of the impact on University creditworthiness and debt capacity. All such debt or financial products issued pursuant to the provisions of §§ 23.38-107 and 23.38-108 of the Act shall be authorized by resolution of the Board, providing that they do not constitute State Tax Supported Debt.*

#### *XI. INVESTMENT POLICY.*

*It is the policy of the University to invest its operating and reserve funds solely in the interest of the University and in a manner that will provide the highest investment return with the maximum security while meeting daily cash flow demands and conforming to the Investment of Public Funds Act (§ [2.2-4500](#) et seq. of the Code of Virginia). Investments shall be made with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.*

*Endowment investments shall be invested and managed in accordance with the Uniform Management of Institutional Funds Act, §§ [55-268.1](#) through [55-268.10](#), and § [23-76.1](#) of the Code of Virginia.*

*The Board of Visitors shall periodically review and approve the investment guidelines governing the University's operating and reserve funds.*

#### *XII. INSURANCE AND RISK MANAGEMENT.*

*By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any insurance or risk management program made available to the University through the Commonwealth's Division of Risk Management and in which the University is then participating, to enable the Commonwealth to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the University proceeds to withdraw from the insurance or risk management program, the University shall reimburse the Commonwealth for all such additional costs attributable to such withdrawal as determined by the Commonwealth's actuaries. Such payment shall be made in a manner agreeable to both the University and the Commonwealth.*

2. That the following Chapter 2 shall hereafter be known as the "2006 Management Agreement Between the Commonwealth of Virginia and The College of William and Mary in Virginia:"

*CHAPTER 2.*

*MANAGEMENT AGREEMENT*

*BY AND BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA*

*This MANAGEMENT AGREEMENT, executed this 15th day of November, 2005, by and between the Commonwealth of Virginia (hereafter, the Commonwealth) and The College of William and Mary in Virginia (hereafter, the College) provides as follows:*

*RECITALS*

*WHEREAS, the College has satisfied the conditions precedent set forth in subsections A and B of § [23-38.97](#) of the Code of Virginia to become a public institution of higher education of the Commonwealth governed by Subchapter 3 (§ [23-38.91](#) et seq.) of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia (Subchapter 3 and the Act, respectively), as evidenced by:*

- 1. Board of Visitors Approval. The minutes of a meeting of the Board of Visitors of the College held on April 22, 2005, indicate that an absolute two-thirds or more of the members voted to approve the resolution required by subdivision A 1 of § [23-38.97](#) of the Act;*
- 2. Written Application to the Governor. The College has submitted to the Governor a written Application, dated November 2, 2005, with copies to the Chairmen of the House Committee on Appropriations, the House Committee on Education, the Senate Committee on Finance, and the Senate Committee on Education and Health, expressing the sense of its Board of Visitors that the College is qualified to be, and should be, governed by Subchapter 3 of the Act, and substantiating that the College has fulfilled the requirements of paragraph 2 of subsection A of § [23-38.97](#) of the Act; and*
- 3. Finding by the Governor. In accordance with subsection B of § [23-38.97](#) of the Act the Governor has found that the College has fulfilled the requirements of subdivision A 2 of § [23-38.97](#), and therefore has authorized Cabinet Secretaries to enter into this Management Agreement on behalf of the Commonwealth with the College; and*

*WHEREAS, the College is therefore authorized to enter into this Management Agreement as provided in subsection D of § [23-38.88](#) and Subchapter 3 of the Act.*

**AGREEMENT**

*NOW, THEREFORE, in accordance with the provisions of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in consideration of the foregoing premises, the Commonwealth and the College do now agree as follows:*

**ARTICLE 1. DEFINITIONS.**

*As used in this Agreement, the following terms have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Agreement” means “Management Agreement.”*

*“Board of Visitors” or “Board” means the Rector and Board of Visitors of the College of William and Mary in Virginia and the Virginia Institute of Marine Science.*

*“College” means the College of William and Mary in Virginia (State Agency 204) and the Virginia Institute of Marine Science (State Agency 268).*

*“Covered Employee” means any person who is employed by the College on either a salaried or wage basis.*

*“Covered Institution” means, on and after the effective date of its initial management agreement with the Commonwealth, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by and in accordance with the provisions of subsection D of § [23-38.88](#) and Subchapter 3 of the Act.*

*“Enabling legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth.*

*“Management Agreement” means this agreement between the Commonwealth of Virginia and the College as required by subsection D of § [23-38.88](#) and Subchapter 3 of the Act.*

*“Parties” means the parties to this Management Agreement, the Commonwealth of Virginia and the College.*

*“Public institution of higher education” means those two-year and four-year institutions enumerated in § [23-14](#) of the Code of Virginia.*

**ARTICLE 2. SCOPE OF MANAGEMENT AGREEMENT.**

*SECTION 2.1. Enhanced Authority Granted and Accompanying Accountability.*

*Subchapter 3 of the Act provides that, upon the execution of, and as of the effective date for, this Management Agreement, the College shall become a Covered Institution entitled to be granted by the Commonwealth and to exercise the powers and authority provided in Subchapter 3 of the Act that are expressly contained in this Management Agreement. In general, subject to its management agreement with the Commonwealth, status as a Covered Institution governed by Subchapter 3 of the Act and this Management Agreement is intended to replace (i) the post-General Assembly authorization prior-approval system of reviews, approvals, policies and procedures carried out and implemented by a variety of central State agencies with (ii) a post-audit system of reviews and accountability under which a Covered Institution is fully responsible and fully accountable for managing itself pursuant to Subchapter 3 of the Act and its management agreement with the Commonwealth.*

*SECTION 2.1.1. Assessments and Accountability. The College and its implementation of the enhanced authority granted by Subchapter 3 of the Act and this Management Agreement, and the Board of Visitors polices attached hereto as Exhibits G through L, shall be subject to the reviews, assessments, and audits (i) set forth in the Act that are to be conducted by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, or (ii) as may be conducted periodically by the Secretaries of Finance, Administration, Education, or Technology, or by some combination of these four Secretaries, or (iii) as otherwise may be required by law other than the Act.*

*SECTION 2.1.2. Express Grant of Powers and Authority. Subject to the specific conditions and limitations contained in Article 4 (Institutional Management), Article 5 (Capital Projects; Procurement; Property Generally), and Article 6 (Human Resources) of Subchapter 3 of the Act, the Commonwealth and the College agree that the Commonwealth has granted to the College by this Management agreement all the powers and authority contained in certain policies adopted by the Board of Visitors of the College attached hereto as Exhibits G through L and governing (1) the undertaking and implementation of capital projects, and other acquisition and disposition of property (Exhibit G), (2) the leasing of property, including capital leases (Exhibit H), (3) information technology (Exhibit I), (4) the procurement of goods, services, including certain professional services, insurance, and construction (Exhibit J), (5) human resources (Exhibit K), and (6) its system of financial management (Exhibit L), including, as provided in subsection B of § [23-38.104](#) of the Act, the sole authority to establish tuition, fees, room, board, and other charges consistent with sum sufficient appropriation authority for non-*

*general funds as provided by the Governor and the General Assembly in the Commonwealth's biennial appropriations authorization. Subject to the specific conditions and limitations contained in Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act, in this Management Agreement, and in one or more of the Board of Visitors policies attached hereto as Exhibits G through L, the Commonwealth and the College agree that the Commonwealth has expressly granted to the College all the powers and authority permitted by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Management Agreement and the policies adopted by it and attached as Exhibits G through L. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate the duties and responsibilities set forth in this Management Agreement to its officers, committees, and subcommittees, and, as set forth in the policies adopted by the Board and attached hereto as Exhibits G through L, to a person or persons within the College.*

*SECTION 2.1.3. Reimbursement by the College of Certain Costs. By July 1 of each odd-numbered year, the College shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any health or other group insurance or risk management program made available to the College through any agency, body corporate, political subdivision, authority, or other entity of the Commonwealth, and in which the College is then participating, to enable the Commonwealth's actuaries to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the College proceeds to withdraw from such health or other group insurance or risk management program, the College shall, pursuant to subdivision D 2 c of § [23-38.88](#), reimburse the Commonwealth for all such additional costs attributable to such withdrawal as determined by the Commonwealth's actuaries.*

*SECTION 2.1.4. Potential Impact on Virginia College Savings Plan. As required by subdivision D 2 c of § [23-38.88](#) of the Act, the College has given consideration to potential future impacts of tuition increases on the Virginia College Savings Plan (§ [23-38.75](#) of the Code of Virginia) and has discussed those potential impacts with the Executive Director and staff of that Plan and with parties in the Administration who participated in the development of this Management Agreement. The Executive Director of the Plan has*

*provided to the College and the Commonwealth the Plan's assumptions underlying the contract pricing of the program.*

*SECTION 2.1.5. Justification for Deviations from the Virginia Public Procurement Act. Pursuant to § [23-38.110](#) of the Act and subject to the provisions of this Management Agreement, the College may be exempt from the provisions of the Virginia Public Procurement Act (VPPA), Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2 of the Code of Virginia. Any procurement policies or rules that deviate from the VPPA must be uniform across all institutions governed by Subchapter 3 of the Act, and the Board of Visitors shall adopt and comply with procurement policies that are based upon competitive principles and seek competition to the maximum practical degree. The Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials and the Rules Governing Procurement of Goods, Services, Insurance, and Construction (the Procurement Rules) attached to that Policy as Attachment 1 constitute the policies and uniform deviations from the VPPA required by subsections A and B of § [23-38.110](#) of the Act.*

*Subsection D of § [23-38.110](#) of the Act requires that the College identify the public, educational, and operational interests served by any procurement rule or rules that deviate from those in the VPPA. The adopted Board of Visitors policy on procurement and the Procurement Rules provide the College with the autonomy to administer its procurement process while fully adhering to the principle that competition should be sought to the maximum extent feasible. This autonomy will better position the College to support the requirements of its growing teaching, research and outreach missions. Greater autonomy in procurement will improve internal capacity to respond quickly to emergent material and service issues and, therefore, enable the College to be more efficient and effective in meeting the Commonwealth's goals for institutions of higher education. In some instances, costs will be reduced. Taken collectively, the College's procurement policies and rules that differ from those required by the VPPA will enhance procurement "best practices" as they currently are being observed within the higher education community nationally. Further, these changes will provide efficiencies to both the College and public sector suppliers.*

*SECTION 2.1.6. Quantification of Cost Savings. Subsection C of § [23-38.104](#) of the Act requires that a Covered Institution include in its management agreement with the Commonwealth the quantification of cost savings realized as a result of the additional operational flexibility provided pursuant to Subchapter 3 of the Act. Since this initial Management Agreement with the Commonwealth has not yet been implemented by the College, the parties agree that the College is not in a position to quantify any such cost*

*savings at this time, although the College expects that there will be cost savings resulting from the additional authority granted to the College pursuant to Subchapter 3 of the Act and that such cost savings will be part of the determinations made during the reviews, assessments, and audits to be conducted pursuant to Subchapter 3 of the Act by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, and as otherwise described in Section 2.1.1 above.*

*SECTION 2.1.7. Participation in State Programs. The Commonwealth intends that the College shall continue to fully participate in, and receive funding support from the many and varied programs established now or in the future by the Commonwealth to provide support for Virginia's public institutions of higher education and for Virginians attending such institutions, including but not limited to: the state capital outlay and bond financing initiatives undertaken from time to time by the Commonwealth; the Higher Education Equipment Trust Fund established pursuant to (§ [23-30.24](#) et seq.) of the Code of Virginia; the Maintenance Reserve Fund as provided in the Appropriation Act; the Eminent Scholars program as provided in the Appropriation Act; the Commonwealth's various student financial assistance programs; and other statewide programs or initiatives that exist, or may be established, in support of the Commonwealth's higher education institutions, programs, or activities.*

*SECTION 2.1.8. Implied Authority. Pursuant to subdivision D 1 of § [23-38.88](#) of the Act, the only implied authority granted to the College by this Management Agreement is that implied authority that is actually necessary to carry out the expressed grant of financial or operational authority contained in this Agreement or in the policies adopted by the College's Board of Visitors and attached hereto as Exhibits G through L.*

*SECTION 2.1.9. Exercise of Authority. The College and the Commonwealth acknowledge and agree that the execution of this Management Agreement constitutes the conclusion of a process that, as of the effective date of this Agreement, confers upon the College the enhanced authority and operating flexibility described above, all of which is in furtherance of the purposes of Subchapter 3 of the Act. Therefore, without any further conditions or requirements, the College shall, on and after the effective date of this Management Agreement, be authorized to exercise the authority conferred upon it by this Management Agreement, the policies adopted by its Board of Visitors attached hereto as Exhibits G through L, and by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act except to the extent that the powers and authority contained in Article 3 of Subchapter 3 of the Act have been limited by this Management Agreement or the Board of Visitors policies attached hereto as Exhibits G through L.*

*The College and the Commonwealth also acknowledge and agree that, pursuant to subsection A of § [23-38.91](#) of the Act and consistent with the terms of this Management Agreement, the Board of Visitors of the College shall assume full responsibility for management of the College, subject to the requirements and conditions set forth in Subchapter 3 of the Act, the general requirements for this Management Agreement as provided in § [23-38.88](#) of the Act, and this Management Agreement. The Board of Visitors shall be fully accountable for (a) the management of the College as provided in the Act, (b) meeting the requirements of §§ [2.2-5004](#), [23-9.2:3.02](#), and [23-9.6:1.01](#) of the Code of Virginia, and (c) meeting such other provisions as are set forth in this Management Agreement.*

*SECTION 2.2. State Goals.*

*SECTION 2.2.1. Furthering State Goals. As required for all public institutions of higher education of the Commonwealth by subsection B of § [23-38.88](#) of the Act, prior to August 1, 2005, the Board of Visitors of the College adopted the resolution setting forth its commitment to the Governor and the General Assembly to meet the State goals specified in that subsection B. In addition to the above commitments, the College commits to furthering these State goals by:*

- 1. In addition to its six-year target of achieving \$68 million in external research by 2011-12, the College, including the Virginia Institute of Marine Science, commits to match from institutional funds, other than general funds or tuition, on a dollar for dollar basis, any additional research funds provided by the State in the Appropriation Act above the amount provided from institutional funds for research in 2005-06.*
- 2. In a concerted effort to provide educational opportunities to Virginia students attending institutions in the Virginia Community College System (VCCS) and Richard Bland College, the College commits to work with Virginia Polytechnic Institute and State University (Virginia Tech) and the University of Virginia to establish a program under which these three institutions will increase significantly the number of such students transferring to their institutions. Specifically, pursuant to this program, the College, Virginia Tech and the University of Virginia collectively commit to enroll as transfer students from VCCS institutions and Richard Bland College (i) by the 2007-08 fiscal year, not less than approximately 300 new such transfer students each year over the number enrolled in 2004-05, for a total of approximately 900 such transfer students each year, and (ii) by the end of the decade, not less than approximately 650 new such transfer students each year over the number enrolled in 2004-05, for a total of approximately 1,250 such transfer students each year. The three institutions have agreed that they will mutu-*

*ally determine how to divide the responsibility for these additional transfer students equitably among themselves.*

*3. As an institutional priority and obligation, the College commits to the Governor and General Assembly to work meaningfully and visibly with an economically distressed region or local area of the Commonwealth, not smaller in size than a city or county, which lags the Commonwealth in education, income, employment, and other factors. The College commits to establish a formal partnership with that area to develop jointly a specific action plan that builds on the College's programmatic strengths and uses the College's faculty, staff and, where appropriate, student expertise to stimulate economic development in the area to make the area more economically viable, and to improve student achievement and teacher and administrator skill sets in a school, schools, or the school system in that area. The College shall submit the action plan to the Governor and General Assembly by no later than December 31, 2006, and shall report to the Governor and General Assembly by September 1 of each year on its progress in implementing the action plan during the prior fiscal year.*

*SECTION 2.2.2. Student Enrollment, Tuition, and Financial Aid. As required by § [23-9.2:3.02](#) of the Code of Virginia, the College, along with all other public institutions of higher education of the Commonwealth, has developed and submitted to the State Council of Higher Education for Virginia (SCHEV) by October 1, 2005, an institution-specific Six-Year Plan addressing the College's academic, financial, and enrollment plans for the six-year period of fiscal years 2006-07 through 2011-12. Subsection A of § [23-9.2:3.02](#) requires the College to update this Six-Year Plan by October 1 of each odd-numbered year. Subsection B of § [23-38.97](#) of the Act requires that a management agreement address, among other issues, such matters as the College's in-state undergraduate student enrollment, its financial aid requirements and capabilities, and its tuition policy for in-state undergraduate students. These matters are addressed below and in the College's Six-Year Plan submitted to SCHEV, and the parties therefore agree that the College's Six-Year Plan and the description below meet the requirement of subsection B of § [23-38.97](#) of the Act.*

*Subsection B of § [23-38.104](#) of the Act requires the Board of Visitors of the College to include in this Management Agreement the College's commitment to provide need-based grant aid for middle- and lower-income Virginia students in a manner that encourages student enrollment and progression without respect to potential increases in tuition and fees. The College's commitment in this regard is clear.*

*The College of William and Mary, under the leadership of its new president, has set as a goal increasing the economic and social diversity of the student body at the College.*

*The College is absolutely committed to assuring access to any qualified and admitted Virginian regardless of family income. The primary initiative in this area is Gateway William and Mary, which shall be substantially as described in the remainder of this Section 2.2.2, as may amended from time to time by the Board of Visitors of the College and reported to the Secretaries of Finance and Education and the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations.*

*At the present time, any needy Virginian at the College receives a combination of grants and loans so that his or her indebtedness will not exceed one year's cost of education. This is as generous as any other public institution in the state or region. Nonetheless, this means that many needy Virginians, including those with low family incomes, will graduate with more than \$16,000 in indebtedness. This burdensome level of debt may discourage students from lower SES groups from applying to or accepting admission from the College. And, if they do attend, their legitimate concern with respect to debt repayment may discourage them from some career choices like K-12 education or from going on to graduate or professional school for fear of adding even more to their personal indebtedness. Hence, over the period of the six-year plan, the College of William and Mary is committed to seeking, from all sources - state-appropriated scholarship funds, federal, and private support -- sufficient funds to assure that 1) we meet 100% of financial need for in-state undergraduates and 2) any student whose family's annual income is less than \$40,000 can spend four years at the College and graduate debt-free. The Gateway William and Mary initiative is one of the highest priorities for our new president. In addition, both through our goal to increase the numbers of VCCS graduates who transfer to the College and aggressive efforts to recruit in-state students from lower SES groups, we hope to double the number of students who would receive assistance through the Gateway initiative from 280 students to 560 students by the end of the six-year planning period.*

*As noted, we will continue our commitment to providing additional financial aid through grants and loans to those Virginians whose families are not in the lower SES groups, but who still have demonstrable need. Currently approximately 900 in-state undergraduate students receive need-based aid. The College commits to meeting 100% of the need for these students consistent with the federal definition of unmet needs over the six year planning period. In addition, as tuition and fees increase over the period of the six-year plan, we will readjust the level of financial aid for all students to assure that insufficiency of family resources will not be a barrier to attending the College.*

*The Commonwealth and the College agree that this commitment meets the requirements of subsection B of § [23-38.104](#) of the Act.*

*SECTION 2.3. Authority Granted to the Virginia Institute of Marine Science. The Virginia Institute of Marine Science (hereafter, the Institute) shall receive the benefits of the additional financial and operational authority granted by this Management Agreement as it and the policies adopted by the Board of Visitors attached as Exhibits G through L are implemented by the College on behalf of the Institute, but the Institute shall not receive any additional independent financial or operational authority as a result of this Management Agreement or the attached Board of Visitors policies beyond the independent financial and operational authority that it had prior to the effective date of this Management Agreement or that it may be granted by law in the future.*

*SECTION 2.4. Other Law. As provided in subsection B of § [23-38.91](#) of the Act, the College shall be governed and administered in the manner provided not only in this Management Agreement, but also as provided in the Appropriation Act then in effect and the College's Enabling Legislation.*

*SECTION 2.4.1. The Appropriation Act. The Commonwealth and the College agree that, pursuant to the current terms of the Act and the terms of § 4-11.00 of the 2004-06 Appropriation Act, if there is a conflict between the provisions of the Appropriation Act and the provisions of Subchapter 3 of the Act, or this Management Agreement, or the Board of Visitors policies attached to this Management Agreement as Exhibits G through L, the provisions of the Appropriation Act shall control, and shall continue to control unless provided otherwise by law.*

*SECTION 2.4.2. The College's Enabling Legislation. As provided in subsection C of § [23-38.91](#) of the Act, in the event of a conflict between any provision of Subchapter 3 of this Act and the College's Enabling Legislation, the Enabling Legislation shall control.*

*SECTION 2.4.3. Title 2.2 of the Code of Virginia. As provided in subsection B of § [23-38.92](#) of the Act, except as specifically made inapplicable under Subchapter 3 of the Act and the express terms of this Management Agreement, the provisions of Title 2.2 relating generally to the operation, management, supervision, regulation, and control of public institutions of higher education shall be applicable to the College as provided by the express terms of this Management Agreement. As further provided in subsection C of § [23-38.92](#) of the Act, in the event of conflict between any provision of Title 2.2 and any provision of Subchapter 3 of the Act as expressed in this Management Agreement, the provisions of this Management Agreement shall control.*

*SECTION 2.4.4. Educational Policies of the Commonwealth. As provided in subsection A of § [23-38.93](#) of the Act, for purposes of §§ [2.2-5004](#), [23-1.01](#), [23-1.1](#), [23-2](#), [23-2.1](#), [23-2.2:1](#), [23-3](#), [23-4.2](#), [23-4.3](#), [23-4.4](#), [23-7.1:02](#), [23-7.4](#), [23-7.4:1](#), [23-7.4:2](#), [23-7.4:3](#), [23-7.5](#), [23-8.2:1](#), [23-9.1](#), [23-9.2](#), [23-9.2:3](#), [23-9.2:3.02](#), [23-9.2:3.1](#) through [23-9.2:5](#), [23-9.6:1.01](#),*

and Chapter 4.9 (§ [23-38.75](#) et seq.) of the Code of Virginia, the College shall remain a public institution of higher education of the Commonwealth following the effective date of this Management Agreement, and shall retain the authority granted and any obligations required by such provisions, unless and until provided otherwise by law other than the Act. In addition, the College shall retain the authority, and any obligations related to the exercise of such authority, that is granted to institutions of higher education pursuant to Chapter 1.1 (§ [23-9.3](#) et seq.), Chapter 3 (§ [23-14](#) et seq.), Chapter 3.2 (§ [23-30.23](#) et seq.), Chapter 3.3 (§ [23-30.39](#) et seq.), Chapter 4 (§ [23-31](#) et seq.), Chapter 4.01 (§ [23-38.10:2](#) et seq.), Chapter 4.1 (§ [23-38.11](#) et seq.), Chapter 4.4 (§ [23-38.45](#) et seq.), Chapter 4.4:1 (§ [23-38.53:1](#) et seq.), Chapter 4.4:2 (§ [23-38.53:4](#) et seq.), Chapter 4.4:3 (§ [23-38.53:11](#)), Chapter 4.4:4 (§ [23-38.53:12](#) et seq.), Chapter 4.5 (§ [23-38.54](#) et seq.), Chapter 4.7 (§ [23-38.70](#) et seq.), Chapter 4.8 (§ [23-38.72](#) et seq.), and Chapter 4.9 (§ [23-38.75](#) et seq.), unless and until provided otherwise by law other than the Act.

SECTION 2.4.5. *Public Access to Information.* As provided in § [23-38.95](#) of the Act, the College shall continue to be subject to § [2.2-4342](#) and to the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, but shall be entitled to conduct business pursuant to § [2.2-3709](#) if expressly named therein and, in all cases, may conduct business as a “state public body” for purposes of subsection B of § [2.2-3708](#).

SECTION 2.4.6. *Conflicts of Interests.* As provided in § [23-38.96](#) of the Act, the provisions of the State and Local Government Conflict of Interests Act, Chapter 32 (§ [2.2-3100](#) et seq.) that are applicable to officers and employees of a state governmental agency shall continue to apply to the members of the Board of Visitors of the College and to its Covered Employees.

SECTION 2.4.7. *Other Provisions of the Code of Virginia.* Other than as specified above, any other powers and authorities granted to the College pursuant to any other sections of the Code of Virginia, including other provisions of the Act, are not affected by this Management Agreement or the Board policies attached hereto as Exhibits G through L.

### ARTICLE 3. AMENDMENTS TO, AND RIGHT AND POWER TO VOID OR REVOKE, MANAGEMENT AGREEMENT.

SECTION 3.1. *Amendments.* Any change to or deviation from this Management Agreement or the Board of Visitors policies attached hereto as Exhibits G through L shall be reported to the Secretaries of Finance, Administration, Education, and Technology and to the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations and shall be posted on the College's website. The change or deviation

*shall become effective unless one of the above persons notifies the College in writing within 60 days that the change or deviation is substantial and material. Any substantial and material change or deviation shall require the execution by the parties of an amendment to this Management Agreement or a new Management Agreement pursuant to the provisions of subsection D of § [23-38.88](#) and may lead to the Governor declaring this Management Agreement to be void pursuant to subdivision D 4 of § [23-38.88](#) of the Act.*

**SECTION 3.2. Right and Power to Void, Revoke, or Reinstate Management Agreement.**

**SECTION 3.2.1. Governor.** Pursuant to subdivision D 4 of § [23-38.88](#), and § [23-38.98](#), of the Act, if the Governor makes a written determination that the College is not in substantial compliance with the terms of this Management Agreement or with the requirements of the Act in general, (i) the Governor shall provide a copy of that written determination to the Rector of the Board of Visitors of the College and to the members of the General Assembly, and (ii) the College shall develop and implement a plan of corrective action, satisfactory to the Governor, for purposes of coming into substantial compliance with the terms of this Management Agreement and with the requirements of the Act, as soon as practicable, and shall provide a copy of such corrective action plan to the members of the General Assembly. If after a reasonable period of time after the corrective action plan has been implemented by the College, the Governor determines that the institution is not yet in substantial compliance with this Management Agreement or the requirements of the Act, the Governor may void this Management Agreement. Upon the Governor voiding this Management Agreement, the College shall no longer be allowed to exercise any restructured financial or operational authority pursuant to the provisions of Subchapter 3 of the Act unless and until the College has entered into a subsequent management agreement with the Secretary or Secretaries designated by the Governor or the voided Management Agreement is reinstated by the General Assembly.

**SECTION 3.2.2. General Assembly.** As provided in subdivision D 4 of § [23-38.88](#) of the Act, the General Assembly may reinstate a Management Agreement declared void by the Governor. Pursuant to § [23-38.98](#) of the Act, the College's status as a Covered Institution governed by Subchapter 3 of the Act may be revoked by an act of the General Assembly (i) if the College fails to meet the requirements of Subchapter 3 of the Act, or (ii) if the College fails to meet the requirements of this Management Agreement.

**ARTICLE 4. GENERAL PROVISIONS.**

**SECTION 4.1. No Third-Party Beneficiary Status.** Nothing in this Agreement, express or implied, shall be construed as conferring any third-party beneficiary status on any person or entity.

*SECTION 4.2. Sovereign Immunity. Pursuant to subsection E of § [23-38.88](#) of the Act, the College and the members of its Board of Visitors, officers, directors, employees, and agents shall be entitled to the same sovereign immunity to which they would be entitled if the College were not governed by the Act; provided that the Virginia Tort Claims Act, § [8.01-195.1](#) et seq. of the Code of Virginia, and its limitations on recoveries shall remain applicable with respect to the College.*

*SECTION 4.3. Term of Agreement. This Management Agreement shall expire at midnight on June 30, 2010.*

*WHEREFORE, the foregoing Management Agreement has been executed as of this 15th day of November, 2005, and shall become effective on the effective date of the legislation enacted into law providing for the terms of such Agreement.*

*EXHIBIT G*

*MANAGEMENT AGREEMENT*

*BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA*

*PURSUANT TO*

*THE RESTRUCTURED HIGHER EDUCATION*

*FINANCIAL AND ADMINISTRATIVE OPERATIONS*

*ACT OF 2005*

*POLICY GOVERNING CAPITAL PROJECTS*

*THE RECTOR AND VISITORS OF*

*THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA*

*POLICY GOVERNING CAPITAL PROJECTS*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, the College of William and Mary in Virginia may be delegated the authority to establish its own system for undertaking the implementation of its capital projects. In general, status as a Covered Institution is designed to replace the post-authorization system of reviews, approvals, policies and procedures carried out by a variety of central State agencies, and also the traditional pre-authorization approval process for projects funded entirely with non-general funds and without any proceeds from State Tax Supported Debt. The College's system for carrying out its capital outlay process as a Covered Institution is to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy, together with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy, constitute the adopted Board of Visitors policies regarding the College's capital projects, whether funded by a state general fund appropriation, State Tax Supported Debt, or funding from other sources.*

*This Policy is intended to encompass and implement the authority that may be granted to the College pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the College pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the College's Enabling Legislation, are not affected by this Policy.*

## *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Visitors of the College of William and Mary in Virginia.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“Capital Professional Services” means professional engineering, architecture, land surveying and landscape architecture services related to capital projects.*

*“Capital project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction, improvements or renovations, and Capital Leases.*

*“College” means the College of William and Mary in Virginia, (State Agency 204), and the Virginia Institute of Marine Science, (State Agency 268).*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), and [51.1-126.3](#).*

*“Major Capital Project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction of 5,000 square feet or greater or costing \$1 million or more, improvements or renovations of \$1 million or more, and Capital Leases.*

*“State Tax Supported Debt” means bonds, notes or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debit service payments are made or ultimately are to be made from general government funds, as defined in the December 20, 2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

### *III. SCOPE OF POLICY.*

*This Policy applies to the planning and budget development for capital projects, capital project authorization, and the implementation of capital projects, whether funded by a general fund appropriation of the General Assembly, proceeds from State Tax Supported Debt, or funding from other sources.*

*This Policy provides guidance for 1) the process for developing one or more capital project programs for the College, 2) authorization of new capital projects, 3) procurement of Capital Professional Services and construction services, 4) design reviews and code approvals for capital projects, 5) environmental impact requirements, 6) building demolitions, 7) building and land acquisitions, 8) building and land dispositions, 9) project management systems, and 10) reporting requirements.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the*

*appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College's usual delegation policies and procedures.*

#### **V. CAPITAL PROGRAM.**

*The President shall adopt a system for developing one or more capital project programs that defines or define the capital needs of the College for a given period of time consistent with the College's published Master Plan. This process may or may not mirror the Commonwealth's requirements for capital plans. The Board of Visitors shall approve the program for Major Capital Projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt shall follow the Commonwealth's requirements for capital plans. The Board may approve amendments to the program for Major Capital Projects annually or more often if circumstances warrant.*

*It shall be College policy that each capital project program shall meet the College's mission and institutional objectives, and be appropriately authorized by the College.*

*Moreover, it shall be College policy that each capital project shall be of a size and scope to provide for the defined program needs, designed in accordance with all applicable building codes and handicapped accessibility standards as well as the College's design guidelines and standards, and costed to reflect current costs and escalated to the mid-point of anticipated construction.*

#### **VI. AUTHORIZATION OF CAPITAL PROJECTS**

*The Board of Visitors shall authorize the initiation of each Major Capital Project by approving its size, scope, budget, and funding. The President, acting through his designee, shall adopt procedures for approving the size, scope, budget and funding of all other capital projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and those pre-appropriation approvals of the State's governmental agencies then applicable, and shall follow the State's process for capital budget requests.*

*It shall be the policy of the College that the implementation of capital projects shall be carried out so that the capital project as completed is the capital project approved by the Board for Major Capital Projects and according to the procedures adopted by the*

*President, acting through his designee, for all other capital projects. The President shall ensure strict adherence to this requirement.*

*Accordingly, the budget, size and scope of a capital project shall not be materially changed beyond the plans and justifications that were the basis for the capital project's approval, either before or during construction, unless approved in advance as described above. Minor changes shall be permissible if they are determined by the President, acting through his designee, to be justified.*

*Major Capital Projects may be submitted for Board of Visitors authorization at any time but must include a statement of urgency if not part of the approved Major Capital Project program.*

#### **VII. PROCUREMENT OF CAPITAL PROFESSIONAL SERVICES AND CONSTRUCTION SERVICES.**

*It shall be the policy of the College that procurements shall result in the purchase of high quality services and construction at reasonable prices and shall be consistent with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and with the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy. Specifically, the College is committed to:*

*Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*

*Conducting all procurements in a fair and impartial manner and avoiding any impropriety or the appearance of any impropriety prohibited by State law or College policy;*

*Making procurement rules clear in advance of any competition;*

*Providing access to the College's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the College;*

*Including in contracts of more than \$10,000 the contractor's agreement not to discriminate against employees or applicants because of race, religion, color, sex, national origin, age, disability or other basis prohibited by State law except where there is a bona fide occupational qualification reasonably necessary to the contractor's normal operations;*

*Providing for a non-discriminatory procurement process, and including appropriate and lawful provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers.*

*The President, acting through his designee, is authorized to develop implementing procedures for the procurement of Capital Professional Services and construction services at the College. The procedures shall implement this Policy and provide for:*

*A system of competitive negotiation for Capital Professional Services, including a procedure for expedited procurement of Capital Professional Services under \$50,000, pursuant to (i) subdivisions 1, 2, and 3 a of the defined term "competitive negotiation" in Rule 4 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction, and (ii) § 4-5.06 of the 2004-2006 Appropriation Act;*

*A prequalification procedure for contractors or products;*

*A procedure for special construction contracting methods, including but not limited to design-build and construction management contracts; and*

*A prompt payment procedure.*

*The College also may enter into cooperative arrangements with other private or public health or educational institutions, healthcare provider alliances, purchasing organizations or state agencies where, in the judgment of the College, the purposes of this Policy will be furthered.*

#### *VIII. DESIGN REVIEWS AND CODE APPROVALS.*

*The Board of Visitors shall review the design of all Major Capital Projects and shall provide final Major Capital Project authorization based on the size, scope and cost estimate provided with the design. Unless stipulated by the Board of Visitors at the design review, no further design reviews shall be required. For all capital projects other than Major Capital Projects, the President, acting through his designee, shall adopt procedures for design review and project authorization based on the size, scope and cost estimate provided with the design. It shall be the College's policy that all capital projects shall be designed and constructed in accordance with applicable Virginia Uniform Statewide Building Code (VUSBC) standards and the applicable accessibility code. The President shall designate a Building Official responsible for building code compliance by either (i) hiring an individual to be the College Building Official, or (ii) continuing to use the services of the Department of General Services, Division of Engineering and Buildings, to perform the Building Official function. If option (i) is selected, the individual hired as the College Building Official shall be a full-time employee, a registered professional architect or engineer, and certified by the Department of Housing and Community Development to perform this Building Official function. The College Building Official shall issue building permits for each capital project required by the VUSBC to have a building permit, and shall determine the suitability for occupancy of, and shall issue certifications for building occupancy for, all capital projects requiring*

*such certification. Prior to issuing any such certification, this individual shall ensure that the VUSBC and accessibility requirements are met for that capital project and that such capital project has been inspected by the State Fire Marshal or his designee. When serving as the College Building Official, such individual shall organizationally report directly and exclusively to the Board of Visitors. If the College hires its own College Building Official, it shall fulfill the code review requirement by maintaining a review unit supported by resources and staff who are certified by the Department of Housing and Community Development in accordance with § [36-137](#) of the Code of Virginia for such purpose and who shall review plans, specifications and documents for compliance with building codes and standards and perform required inspections of work in progress and the completed capital project. No individual licensed professional architect or engineer hired or contracted with to perform these functions shall also perform other building code-related design, construction, facilities-related project management or facilities management functions for the College on the same capital project.*

**IX. ENVIRONMENTAL IMPACT REPORTS.**

*It shall be the policy of the College to assess the environmental, historic preservation, and conservation impacts of all capital projects and to minimize and otherwise mitigate all adverse impacts to the extent practicable. The College shall develop a procedure for the preparation and approval of environmental impact reports for capital projects, in accordance with State environmental, historic preservation, and conservation requirements generally applicable to capital projects otherwise meeting the definition of Major Capital Projects but, pursuant to § [23-38.109](#) C 1 of the Act, with a cost of \$300,000 or more.*

**X. BUILDING DEMOLITIONS.**

*It shall be the policy of the College to consider the environmental and historical aspects of any proposed demolitions. The Board of Visitors shall be responsible for approving demolition requests. The College shall develop a procedure for the preparation and review of demolition requests, including any necessary reviews by the Department of Historic Resources and the Art and Architectural Review Board in accordance with State historic preservation requirements generally applicable to capital projects in the Commonwealth. Further, for any property that was acquired or constructed with funding from a general fund appropriation of the General Assembly or from proceeds from State Tax Supported Debt, general laws applicable to State owned property shall apply.*

**XI. BUILDING OR LAND ACQUISITIONS.**

*It is the policy of the College that capital projects involving building or land acquisition shall be subjected to thorough inquiry and due diligence prior to closing on the*

*acquisition of such real property. The President, acting through his designee, shall ensure that the project management system implemented pursuant to Section XIII below provides for a review and analysis of all pertinent matters relating to the acquisition of buildings and land as any prudent purchaser would perform to the end that any building or land acquired by the College shall be suitable for its intended purpose, that the acquisition can be made without substantial risk of liability to the College and that the cost of the real property to be acquired, together with any contemplated development thereof, shall be such that compliance with the provisions of Section VI of this Policy is achieved. In addition, the President, acting through his designee, shall ensure that, where feasible and appropriate to do so, the following specific policies pertaining to the acquisition of buildings or land for capital projects are carried out.*

*A. Environmental and Land Use Considerations.*

*It is the policy of the College to reasonably cooperate with each locality affected by the acquisition. Such cooperation shall include but not be limited to furnishing any information that the locality may reasonably request and reviewing any requests by the locality with regard to any such acquisition. The College shall consider the zoning and comprehensive plan designation by the locality of the building or land and surrounding parcels, as well as any designation by State or federal agencies of historically or archeologically significant areas on the land. Nothing herein shall be construed as requiring the College to comply with local zoning laws and ordinances.*

*B. Infrastructure and Site Condition.*

*The President, acting through his designee, shall ensure that, in the case of capital projects involving the acquisition of buildings or land, the project management systems implemented under Section XIII below provide for a review of the following matters prior to acquisition of the building or land: that any land can be developed for its intended purpose without extraordinary cost; that an environmental engineer has been engaged by the College to provide an assessment of any environmental conditions on the land; that there is adequate vehicular ingress and egress to serve the contemplated use of the building or land; that utilities and other services to the land are adequate or can reasonably be provided or have been provided in the case of building acquisitions; and that the condition and grade of the soils have been examined to determine if any conditions exist that would require extraordinary site work or foundation systems.*

*C. Title and Survey.*

*A survey shall be prepared for any real property acquired, and an examination of title to the real property shall be conducted by a licensed attorney or, in the alternative, a commitment for title insurance shall be procured from a title insurance company authorized to*

*do business in the Commonwealth. Based upon the survey and title examination or report, the President, acting through his designee, shall conclude, prior to acquisition of the real property, that title thereto will be conveyed to the College in fee simple, free and clear of all liens, encumbrances, covenants, restrictions, easements or other matters that may have a significant adverse effect upon the College's ability to own, occupy, convey or develop the real property.*

*D. Appraisal.*

*An appraisal shall be conducted of the real property to be acquired to determine its fair market value and the consistency of the fair market value with the price agreed upon by the College.*

*XII. BUILDING OR LAND DISPOSITIONS.*

*The Board of Visitors shall approve the disposition of any building or land. Disposition of land or buildings, the acquisition or construction of which was funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and other approvals in accordance with general law applicable to State-owned property and with the College's Enabling Legislation.*

*XIII. PROJECT MANAGEMENT SYSTEMS.*

*The President, acting through his designee, shall implement one or more systems for the management of capital projects for the College. The systems may include the delegation of project management authority to appropriate College officials, including a grant of authority to such officials to engage in further delegation of authority as the President deems appropriate.*

*The project management systems for capital projects shall be designed to ensure that such projects comply with the provisions of this Policy and other Board of Visitors policies applicable to closely related subjects such as selection of architects or policies applicable to College buildings and grounds.*

*The project management systems may include one or more reporting systems applicable to capital projects whereby College officials responsible for the management of such projects provide appropriate and timely reports to the President on the status of such projects during construction.*

*XIV. REPORTING REQUIREMENTS.*

*In addition to complying with any internal reporting systems contained in the College's project management systems, as described in Section XIII above, the College shall comply with State reporting requirements for those Major Capital Projects funded entirely or in part by a general fund appropriation by the General Assembly or State Tax Supported*

*Debt. Additionally, if any capital project constructs improvements on land, or renovates property, that originally was acquired or constructed in whole or in part with a general fund appropriation for that purpose or proceeds from State Tax Supported Debt, and such improvements or renovations are undertaken entirely with funds not appropriated by the General Assembly and, if the cost of such improvements or renovations is reasonably expected to exceed \$2 million dollars, the decision to undertake such improvements or renovations shall be communicated as required by § [23-38.109](#) C 3 of the Act. As a matter of routine, the President, acting through his designee, shall report to the Department of General Services on the status of such capital projects at the initiation of the project, prior to the commencement of construction, and at the time of acceptance of any such capital project.*

*THE RECTOR AND VISITORS OF*

*THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA*

*POLICY GOVERNING LEASES OF REAL PROPERTY*

*I. PREAMBLE.*

*In 1996 the Board of Visitors adopted a Policy Statement Governing Exercise of Autonomy in Leases of Property for certain leases entered into by the College of William and Mary in Virginia, which was amended in 2003 as the Policy Statement Governing Exercise of Autonomy in Operating and Capital Leases of Property. The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, the College may have the authority to establish its own system for the leasing of real property. The College's system for implementing this authority is to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy constitute the adopted Board of Visitors policies regarding Leases of real property entered into by the College.*

*This Policy is intended to cover the authority that may be granted to the College pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the College pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the College's Enabling Legislation, as defined in § [23-38.89](#) of the Act, are not affected by this Policy.*

*II. DEFINITIONS.*

*The following words and terms, when used in this Policy, shall have the following meaning unless the context clearly indicates otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Board of Visitors” means the Rector and Visitors of the College of William and Mary in Virginia.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“College” means the College of William and Mary in Virginia, (State Agency 204), and the Virginia Institute of Marine Science, (State Agency 268).*

*“Covered Institution” means a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by Subchapter 3 of the Act.*

*“Expense Lease” means an Operating Lease of real property under the control of another entity to the College.*

*“Income Lease” means an Operating Lease of real property under the control of the College to another entity.*

*“Lease” or “Leases” means any type of lease involving real property.*

*“Operating Lease” means any lease involving real property, or improvements thereon, that is not a Capital Lease.*

### *III. SCOPE OF POLICY.*

*This Policy provides guidance for the implementation of all College Leases.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College’s usual delegation policies and procedures.*

### *V. REQUIREMENTS FOR LEASES.*

#### *A. Factors to Be Considered When Entering into Leases.*

*All Leases shall be for a purpose consistent with the mission of the College. The decision to enter into a Lease shall be further based upon cost, demonstrated need, compliance with this Policy, consideration of all costs of occupancy, and a determination that the use of the property to be leased is necessary and is efficiently planned. Leases shall also conform to the space planning procedures that may be adopted by the President, acting through his designee, to ensure that the plan for the space to be leased is consistent with the purpose for which the space is intended.*

#### *B. Competition to Be Sought to Maximum Practicable Degree.*

*Competition shall be sought to the maximum practicable degree for all Leases. The President, acting through his designee, is authorized to ensure that Leases are procured through competition to the maximum degree practicable and to determine when, under guidelines that may be developed and adopted by the President, acting through his designee, it is impractical to procure Leases through competition.*

#### *C. Approval of Form of Lease Required.*

*The form of Leases entered into by the College shall be approved by the College’s legal counsel.*

#### *D. Execution of Leases.*

*All Leases entered into by the College shall be executed only by those College officers or persons authorized by the President or as may subsequently be authorized by the*

*Board of Visitors, and subject to any such limits or conditions as may be prescribed in the delegation of authority. Subject to the College's Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the College, no other College approval shall be required for leases or leasing, nor state approval required except in the case of leases of real property as may be governed by general state law in accordance with §§ [23-38.109](#) and [23-38.112](#) of the Act.*

*E. Capital Leases.*

*The Board of Visitors shall authorize the initiation of Capital Leases pursuant to the authorization process included in the Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the College.*

*F. Compliance with Applicable Law.*

*All Leases of real property by the College shall be consistent with any requirements of law that are contained in the Act or are otherwise applicable.*

*G. Certification of Occupancy.*

*All real property covered by an Expense Lease or leased by the College under a Capital Lease shall be certified for occupancy by the appropriate public body or building official.*

THE RECTOR AND VISITORS OF  
THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA  
POLICY GOVERNING INFORMATION TECHNOLOGY

I. PREAMBLE.

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides, inter alia, that public institutions of higher education in the Commonwealth of Virginia that have entered into a Management Agreement with the Commonwealth “may be exempt from the provisions governing the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et seq.) of Title 2.2., and the provisions governing the Information Technologies [sic] Investment Board, Article 20 of Chapter 24 (§ [2.2-2457](#) et seq.) of Title 2.2; provided, however, that the governing body of . . . [such] institution shall adopt, and . . . [such] institution shall comply with, policies” that govern the exempted provisions. See § [23-38.111](#) of the Code of Virginia. This Information Technology Policy shall become effective upon the effective date of a Management Agreement authorized by subsection D of § [23-38.88](#) and § [23-38.97](#) of the Act between the Commonwealth and the College of William and Mary in Virginia that incorporates this Policy.*

*The Board of Visitors of the College is authorized to adopt this Information Technology Policy pursuant to § [23-38.111](#) of the Code of Virginia.*

II. DEFINITIONS.

*As used in this Information Technology Policy, the following terms have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Board of Visitors of the College of William and Mary in Virginia.*

*“College” means the College of William and Mary in Virginia, (State Agency 204), and the Virginia Institute of Marine Science, (State Agency 268).*

*“Information Technology” or “IT” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia as it currently exists and from time to time may be amended.*

*“Major information technology project” or “major IT project” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia as it currently exists and from time to time may be amended.*

*“Policy” means this Information Technology Policy adopted by the Board of Visitors.*

*“State Chief Information Officer” or “State CIO” means the Chief Information Officer of the Commonwealth of Virginia.*

### *III. SCOPE OF POLICY.*

*This Policy is intended to cover and implement the authority that may be granted to the College pursuant to Subchapter 3 (§ [23-38.91](#) et seq.) of the Act. This Policy is not intended to affect any other powers and authorities granted to the College pursuant to the Appropriation Act and the Code of Virginia, including other provisions of the Act or the College’s enabling legislation as that term is defined in § [23-38.89](#) of the Act.*

*This Policy shall govern the College’s information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the College.*

*Upon the effective date of a Management Agreement between the Commonwealth and the College, as authorized by subsection D of § [23-38.88](#) and § [23-38.111](#), therefore, the College shall be exempt from those provisions of the Code of Virginia, including those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ [2.2-2457](#) et seq.) (Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia, that otherwise would govern the College’s information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the College; provided, however, that the College still shall be subject to those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ [2.2-2457](#) et seq.)*

*(Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia, that are applicable to public institutions of higher education of the Commonwealth and that do not govern information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits within, by, or on behalf of the College.*

*The procurement of information technology and telecommunications goods and services, including automated data processing hardware and software, shall be governed by the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials approved by the Board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction that are incorporated in and attached to that Policy.*

### *IV. GENERAL PROVISIONS.*

*A. Board of Visitors Accountability and Delegation of Authority.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College's usual delegation policies and procedures.*

*B. Strategic Planning.*

*The President shall be responsible for overall IT strategic planning at the College, which shall be linked to and in support of the College's overall strategic plan.*

*At least 45 days prior to each fiscal year, the President shall make available the College's IT strategic plan covering the next fiscal year to the State CIO for his review and comment with regard to the consistency of the College's plan with the intent of the currently published overall five-year IT strategic plan for the Commonwealth developed by the State CIO pursuant to § [2.2-2007](#) of the Code of Virginia, and into which the College's plan is to be incorporated.*

*C. Expenditure Reporting and Budgeting.*

*The President shall approve and be responsible for overall IT budgeting and investments at the College. The College's IT budget and investments shall be linked to and in support of the College's IT strategic plan, and shall be consistent with general College policies, the Board-approved annual operating budget, and other Board approvals for certain procurements.*

*By October 1 of each year, the President shall make available to the State CIO and the Information Technology Investment Board a report on the previous fiscal year's IT expenditures.*

*The College shall be specifically exempt from:*

*Subdivision A 4 of § [2.2-2007](#) of the Code of Virginia (review by the State CIO of IT budget requests), as it currently exists and from time to time may be amended;*

*§§ [2.2-2022](#) through [2.2-2024](#) of the Code of Virginia (Virginia Technology Infrastructure Fund), as they currently exist and from time to time may be amended; and*

*Any other substantially similar provision of the Code of Virginia governing IT expenditure reporting and budgeting, as it currently exists and from time to time may be amended.*

*D. Project Management.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the project management policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project management as defined by leading IT consulting firms, leading software development firms, or a nationally-recognized project management association, appropriately tailored to the specific circumstances of the College. Copies of the Board's policies, standards, and guidelines shall be made available to the Information Technology Investment Board.*

*The President, acting through his designee, shall oversee the management of all College IT projects. IT projects may include, but are not limited to, upgrades to network infrastructure, provision of technology to support research, database development, implementation of new applications, and development of IT services for students, faculty, staff, and patients. Day-to-day management of projects shall be the responsibility of appointed project directors and shall be in accord with the project management policies, standards, and guidelines adopted by the Board, as amended and revised from time to time.*

*On a quarterly basis, the President, acting through his designee, shall report to the Information Technology Investment Board on the budget, schedule, and overall status of the College's major IT projects. This requirement shall not apply to research projects, research initiatives, or instructional programs.*

*The President shall be responsible for decisions to substantially alter a project's scope, budget, or schedule after initial approval.*

*The College shall be specifically exempt from:*

*§ [2.2-2008](#) of Title 2.2 of the Code of Virginia (additional duties of the State CIO relating to project management), as it currently exists and from time to time may be amended; §§ [2.2-2016](#) through [2.2-2021](#) of Title 2.2 of the Code of Virginia (Division of Project Management), as they currently exist and from time to time may be amended; and Any other substantially similar provision of the Code of Virginia governing IT project management, as it currently exists or from time to time may be amended.*

*The State CIO and the Information Technology Investment Board shall continue to have the authority regarding project suspension and termination as provided in § [2.2-2015](#) and in subdivision A 3 of § [2.2-2458](#), respectively, and the State CIO and the Information Technology Investment Board shall continue to provide the College with reasonable notice of, and a reasonable opportunity to correct, any identified problems before a project is terminated.*

*E. Infrastructure, Architecture, Ongoing Operations, and Security.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines related to IT infrastructure, architecture, ongoing operations, and security developed by the Commonwealth or those of nationally-recognized associations, appropriately tailored to the specific circumstances of the College. Copies of the policies shall be made available to the Information Technology Investment Board.*

*The President, acting through his designee, shall be responsible for implementing such policies, standards, and guidelines adopted by the Board, as amended and revised from time to time.*

*For purposes of implementing this Policy, the President shall appoint an existing College employee to serve as a liaison between the College and the State CIO.*

*F. Audits.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project auditing as defined by leading IT experts, including consulting firms, or a nationally-recognized project auditing association, appropriately tailored to the specific circumstances of the College, which provide for Independent Validation and Verification (IV&V) of the College's major IT projects. Copies of the policies, standards, and guidelines, as amended and revised from time to time, shall be made available to the Information Technology Investment Board.*

*Audits of IT strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, and security, shall also be the responsibility of the College's Internal Audit Department and the Auditor of Public Accounts.*

*POLICY GOVERNING*

*THE PROCUREMENT OF GOODS, SERVICES,  
INSURANCE, AND CONSTRUCTION AND  
THE DISPOSITION OF SURPLUS MATERIALS*

*THE RECTOR AND VISITORS OF THE COLLEGE OF WILLIAM AND MARY  
POLICY GOVERNING THE PROCUREMENT OF  
GOODS, SERVICES, INSURANCE AND CONSTRUCTION  
AND THE DISPOSITION OF SURPLUS MATERIALS*

*I. PREAMBLE.*

*A. Subchapter 3 of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that the College of William and Mary in Virginia, upon becoming a Covered Institution, shall be authorized to establish its own system for the procurement of goods, services, insurance, and construction, and for the independent disposition of surplus materials by public or private transaction.*

*B. The Act provides that a Covered Institution shall comply with policies adopted by its Board of Visitors for the procurement of goods, services, insurance, and construction, and the disposition of surplus materials. The provisions of this Policy set forth below, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, constitute the adopted Board of Visitors policies required by the Act regarding procurement of goods, services, insurance, and construction, and the disposition of surplus materials by the College.*

*C. This Policy is intended to cover the authority that may be granted to the College pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the College pursuant to any other sections of the Code of Virginia, including other provisions of the Act, the Appropriation Act, and the College's Enabling Legislation are not affected by this Policy.*

*II. DEFINITIONS.*

*As used in this Policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Agreement” means “Management Agreement.”*

*“Board of Visitors” means the Rector and Visitors of the College of William and Mary in Virginia.*

*“College” means the College of William and Mary in Virginia, (State Agency 204), and the Virginia Institute of Marine Science, (State Agency 268).*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement, a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Effective Date” means the effective date of the Management Agreement.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth.*

*“Goods” means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) between the Commonwealth of Virginia, and the College of William and Mary in Virginia.*

*“Rules” means the “Rules Governing Procurement of Goods, Services, Insurance, and Construction” attached to this Policy as Attachment 1.*

*“Services” as used in this Policy means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies, and shall include both professional services, which include the practice of accounting, actuarial services, law, dentistry, medicine, optometry, and pharmacy, and nonprofessional services, which include any service not specifically identified as professional services.*

*“Surplus materials” means personal property including, but not limited to, materials, supplies, equipment and recyclable items, that are determined to be surplus by the College.*

### *III. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the*

*appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College's usual delegation policies and procedures.*

#### *IV. GENERAL PROVISIONS.*

##### *A. Adoption of This Policy and Continued Applicability of Other Board of Visitors' Procurement Policies.*

*The College has had decentralization and pilot program autonomy in many procurement functions and activities since the Appropriation Act of 1994. The Act extends and reinforces the autonomy previously granted to the College in Item 330 E of the 1994 Appropriation Act. This Policy therefore is adopted by the Board of Visitors to enable the College to develop a procurement system, as well as a surplus materials disposition system. Any College electronic procurement system shall integrate or interface with the Commonwealth's electronic procurement system.*

*This Policy shall be effective on the Effective Date of the College's initial Management Agreement with the Commonwealth. The implementing policies and procedures adopted by the President to implement this Policy shall continue to be subject to any other policies adopted by the Board of Visitors affecting procurements at the College, including policies regarding the nature and amounts of procurements that may be undertaken without the approval of the Board of Visitors, or of the President.*

##### *B. Scope and Purpose of College Procurement Policies.*

*This Policy shall apply to procurements of goods, services, insurance, and construction. It shall be the policy of the College that procurements conducted by the College result in the purchase of high quality goods and services at reasonable prices, and that the College be free, to the maximum extent permitted by law and this Policy, from constraining policies that hinder the ability of the College to do business in a competitive environment. This Policy, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, shall apply to all procurements undertaken by the College, regardless of the source of funds.*

##### *C. Collaboration, Communication, and Cooperation with the Commonwealth.*

*The College is committed to developing, maintaining, and sustaining collaboration, communication, and cooperation with the Commonwealth regarding the matters addressed in this Policy, particularly with the Offices of the Secretaries of Administration and*

*Technology, the Department of General Services, and the Virginia Information Technologies Agency. Identifying business objectives and goals common to both the College and the Commonwealth and the mechanisms by which such objectives and goals may be jointly pursued and achieved are among the desired outcomes of such collaboration, communication, and cooperation.*

*D. Commitment to Statewide Contracts, Electronic Procurement, and SWAM Participation and Use.*

*The College is committed to maximizing its internal operational efficiencies, economies of scale among institutions of higher education, and the leveraged buying power of the Commonwealth as a whole.*

*Consistent with this commitment, the College:*

- i) May purchase from and participate in all statewide contracts for goods and services, including information technology goods and services, except that the College shall purchase from and participate in contracts for communications services and telecommunications facilities entered into by the Virginia Information Technologies Agency pursuant to § [2.2-2011](#) of the Code of Virginia unless an exception is provided in the Appropriation Act or by other law, and provided that orders not placed through statewide contracts shall be processed directly or by integration or interface through the Commonwealth's electronic procurement system;*
- ii) Shall use directly or by integration or interface the Commonwealth's electronic procurement system; and*
- iii) Shall adopt a small, woman-owned, and minority-owned (SWAM) business program that is consistent with the Commonwealth's SWAM program.*

*E. Implementation.*

*To effect its implementation under the Act, and if the College remains in continued substantial compliance with the terms and conditions of this Management Agreement with the Commonwealth pursuant to § [23-38.88](#)(D)(4) and the requirements of Chapter 4.10 of the Act, the College's procurement of goods, services, insurance, and construction, and the disposition of surplus materials shall be exempt from the Virginia Public Procurement Act, Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2, except § [2.2-4342](#) and §§ [2.2-4367](#) through [2.2-4377](#); the oversight of the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et seq.) of Title 2.2, and the Information Technology Investment Board, Article 20 (§ [2.2-2457](#) et seq.) of Chapter 24 of Title 2.2; the state agency requirements regarding disposition of surplus materials and distribution of proceeds from the sale or recycling of surplus materials in §§ [2.2-1124](#) and [2.2-1125](#); the requirement to purchase from the Department for the Blind and Vision Impaired (VIB) (§ [2.2-1117](#)); and*

*any other state statutes, rules, regulations or requirements relating to the procurement of goods, services, insurance, and construction, including but not limited to Article 3 (§ [2.2-1109](#) et seq.) of Chapter 11 of Title 2.2 of the Code of Virginia, regarding the duties, responsibilities and authority of the Division of Purchases and Supply of the Virginia Department of General Services, and Article 4 (§ [2.2-1129](#) et seq.) of Chapter 11 of Title 2.2 of the Code of Virginia, regarding the review and the oversight by the Division of Engineering and Buildings of the Virginia Department of General Services of contracts for the construction of College capital projects and construction-related professional services (§ [2.2-1132](#)).*

#### **V. COLLEGE PROCUREMENT POLICIES.**

##### **A. General Competitive Principles.**

*In connection with College procurements and the processes leading to award of contracts for goods, services, insurance, and construction, the College is committed to: Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*

*Conducting all procurements in an open, fair and impartial manner and avoiding any impropriety or the appearance of any impropriety;*

*Making procurement rules clear in advance of any competition;*

*Providing access to the College's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the College;*

*Ensuring that specifications for purchases are fairly drawn so as not to favor unduly a particular vendor; and*

*Providing for the free exchange of information between the College, vendors, firms or contractors concerning the goods or services sought and offered while preserving the confidentiality of proprietary information.*

##### **B. Access to Records.**

*Procurement records shall be available to citizens or to interested persons, firms or corporations in accordance with the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, except those records exempt from disclosure pursuant to § [2.2-3705.1](#) (7), § [2.2-3705.1](#) (12), or § [2.2-3705.4](#) (4), or other applicable exemptions of the Virginia Freedom of Information Act, and § [2.2-4342](#) of the Virginia Public Procurement Act.*

##### **C. Cooperative Procurements and Alliances.**

*In circumstances where the College determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the College that meet its business goals and objectives, the College is authorized to participate in cooperative procurements with other public or private organizations or entities, including other educational institutions, public-private partnerships, public bodies, charitable organizations, health care provider alliances and purchasing organizations, so long as the resulting contracts are procured competitively pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1 and the purposes of this Policy are furthered. In the event the College engages in a cooperative contract with a private organization or public-private partnership and the contract was not competitively procured pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, use of the contract by other state agencies, institutions and public bodies shall be prohibited. Notwithstanding all of the above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. By October 1 of each year, the President, or his designee, shall make available to the Secretaries of Administration and Technology, the Joint Legislative Audit and Review Commission, and the Auditor of Public Accounts a list of all cooperative contracts and alliances entered into or used during the prior fiscal year.*

*D. Training; Ethics in Contracting.*

*The President, acting through his designee, shall take all necessary and reasonable steps to assure (i) that all College officials responsible for and engaged in procurements authorized by the Act and this Policy are knowledgeable regarding the requirements of the Act, this Policy, and the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) that only officials authorized by this Policy and any procedures adopted by the President to implement this Policy are responsible for and engaged in such procurements, and (iii) that compliance with the Act and this Policy are achieved.*

*The College shall maintain an ongoing program to provide professional development opportunities to its buying staff and to provide methods training to internal staff who are engaged in placing decentralized small purchase transactions.*

*E. Ethics and College Procurements.*

*In implementing the authority conferred by this Policy, the personnel administering any procurement shall adhere to the following provisions of the Code of Virginia: the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, the State and Local Government Conflict of Interests Act, Chapter 31 (§ [2.2-3100](#) et seq.) of Title 2.2, and the Virginia Governmental Frauds Act, Article 1.1 (§ [18.2-498.1](#) et seq.) of Chapter 12 of Title 18.2.*

#### **VI. COLLEGE SURPLUS MATERIALS POLICY AND PROCEDURES.**

*The policy and procedures for disposal for surplus materials shall provide for the sale, environmentally-appropriate disposal, or recycling of surplus materials by the College and the retention of the resulting proceeds by the College.*

#### **VII. ADOPTION AND EFFECTIVE DATES OF RULES AND IMPLEMENTING POLICIES AND PROCEDURES.**

*The President shall adopt one or more comprehensive sets of specific procurement policies and procedures for the College, which, in addition to the Rules, implement applicable provisions of law and this Policy. College procurements shall be carried out in accordance with this Policy, the Rules, and any implementing policies and procedures adopted by the College. The implementing policies and procedures (i) shall include the delegation of procurement authority by the Board to appropriate College officials who shall oversee College procurements of goods, services, insurance, and construction, including a grant of authority to such officials to engage in further delegation of authority as the President deems appropriate, and (ii) shall remain consistent with the competitive principles set forth in Part V above.*

*Any implementing policies and procedures adopted pursuant to Part VII A above and the Rules shall become effective on the Effective Date of the College's initial Management Agreement with the Commonwealth, and, as of their effective date, shall be applicable to all procurements undertaken by the College on behalf of the College for goods, services, insurance, and construction. This Policy, the Rules, and any implementing policies and procedures adopted by the College shall not affect existing contracts already in effect.*

*The Rules and College implementing policies and procedures for all College procurements of goods, services, insurance, and construction, and the disposition of surplus property shall be substantially consistent with the Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and their Vendors in their form as of the effective date of this Policy and as amended or changed in the future, and with College procedures specific to the Acquisition of Goods and Services. The Rules and College implementing policies and procedures shall implement a system of competitive*

*negotiation, and competitive sealed bidding when appropriate, for goods, services, including professional services as defined in the Rules, insurance, and construction.*

#### **VIII. REQUIREMENTS FOR RULES AND IMPLEMENTING POLICIES AND PROCEDURES.**

##### **A. Protests, Appeals and Debarment.**

*The Rules and College implementing policies and procedures for procurements other than capital outlay shall include a process or processes for an administrative appeal by vendors, firms or contractors. Protests and appeals may challenge determinations of vendor, firm or contractor non-responsibility or ineligibility, or the award of contracts, provided that such protests and appeals are filed within the times specified by the Rules. Remedies available shall be limited to reversal of the action challenged or, where a contract already being performed is declared void, compensation for the cost of performance up to the time of such declaration. The Rules and College implementing policies and procedures also may establish the basis and process for debarment of any vendor, firm or contractor.*

##### **B. Prompt Payment of Contractors and Subcontractors.**

*The Rules and College implementing policies and procedures shall include provisions related to prompt payment of outstanding invoices, which shall include payment of interest on properly-presented invoices outstanding more than seven (7) days beyond the payment date, at a rate no higher than the lowest prime rate charged by any commercial bank as published in the Wall Street Journal. The payment date shall be the later of thirty (30) days from the date of the receipt of goods or invoice, or the date established by the contract. All contracts also shall require prompt payment of subcontractors by the general contractor, upon receipt of payment by the College.*

##### **C. Types of Procurements.**

*The Rules and College implementing policies and procedures shall implement a system of competitive negotiation for professional services, as defined in the Rules, and shall implement purchasing procedures developed to maximize competition given the size and duration of the contract, and the needs of the College. Such policies and procedures may include special provisions for procurements such as emergency procurements, sole source procurements, brand name procurements, small purchases, procurements in which only one qualified vendor responds, and others.*

##### **D. Approval and Public Notice of Procurements.**

*The Rules and College implementing policies and procedures shall provide for approval of solicitation documents by an authorized individual and for reasonable public notice of*

*procurements, given the size and nature of the need and the applicability of any Virginia Freedom of Information Act exemption.*

*E. Administration of Contracts.*

*The Rules and College implementing policies and procedures shall contain provisions related to the administration of contracts, including contract claims, modifications, extensions and assignments.*

*F. Non-Discrimination.*

*The Rules and College implementing policies and procedures shall provide for a non-discriminatory procurement process that prohibits discrimination because of race, religion, color, sex or national origin of the bidder or offeror in the solicitation and award of contracts; and shall include appropriate provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers.*

**ATTACHMENT 1**

*Rules Governing Procurement of Goods, Services, Insurance, and Construction  
by a Public Institution of Higher Education of the Commonwealth of Virginia  
Governed by Subchapter 3 of the*

*Restructured Higher Education Financial and Administrative Operations Act,  
Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia*

*In accordance with the provisions of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in particular § [23-38.110](#) of the Act, the governing body of a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth pursuant to Subchapter 3 of the Act, has adopted the following Rules Governing Procurement of Goods, Services, Insurance, and Construction to govern the procurement of goods, services, insurance, and construction by the Institution, excluding the University of Virginia Medical Center:*

*§ 1. Purpose. -*

*The purpose of these Rules is to enunciate the public policies pertaining to procurement of good, services, insurance, and construction by the Institution from nongovernmental sources, to include governmental procurement that may or may not result in monetary consideration for either party. These Rules shall apply whether the consideration is*

*monetary or nonmonetary and regardless of whether the Institution, the contractor, or some third party is providing the consideration.*

*§ 2. Scope of Procurement Authority. -*

*Subject to these Rules, and the Institution's continued substantial compliance with the terms and conditions of its Management Agreement with the Commonwealth pursuant to § [23-38.88\(D\)\(4\)](#) and the requirements of Chapter 4.10 of the Act, the Institution shall have and shall be authorized to have and exercise all of the authority relating to procurement of goods, services, insurance, and construction, including but not limited to capital outlay-related procurement and information technology-related procurement, that Institutions are authorized to exercise pursuant to Subchapter 3 of the Restructuring Act.*

*§ 3. Competition is the Priority. -*

*To the end that the Institution shall obtain high quality goods and services at reasonable cost, that all procurement procedures be conducted in an open, fair and impartial manner with avoidance of any impropriety or appearance of impropriety, that all qualified vendors have access to the Institution's business and that no offeror be arbitrarily or capriciously excluded, it is the intent of the governing body of the Institution that competition be sought to the maximum feasible degree, that procurement procedures involve openness and administrative efficiency, that individual public bodies enjoy broad flexibility in fashioning details of such competition, that the rules governing contract awards be made clear in advance of the competition, that specifications reflect the procurement needs of the purchasing body rather than being drawn to favor a particular vendor, and that the purchaser and vendor freely exchange information concerning what is sought to be procured and what is offered. The Institution may consider best value concepts when procuring goods and nonprofessional services, but not construction or professional services. Professional services will be procured using a qualification-based selection process. The criteria, factors, and basis for consideration of best value and the process for the consideration of best value shall be as stated in the procurement solicitation.*

*§ 4. Definitions. -*

*As used in these Rules:*

*"Affiliate" means an individual or business that controls, is controlled by, or is under common control with another individual or business. A person controls an entity if the person owns, directly or indirectly, more than 10% of the voting securities of the entity. For the purposes of this definition "voting security" means a security that (i) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (ii) is convertible into, or entitles the holder to receive,*

*upon its exercise, a security that confers such a right to vote. A general partnership interest shall be deemed to be a voting security.*

*“Best value,” as predetermined in the solicitation, means the overall combination of quality, price, and various elements of required services that in total are optimal relative to the Institution’s needs.*

*“Business” means any type of corporation, partnership, limited liability company, association, or sole proprietorship operated for profit.*

*“Competitive negotiation” is a method of contractor selection that includes the following elements:*

- 1. Issuance of a written Request for Proposal indicating in general terms that which is sought to be procured, specifying the factors that will be used in evaluating the proposal and containing or incorporating by reference the other applicable contractual terms and conditions, including any unique capabilities or qualifications that will be required of the contractor.*
- 2. Public notice of the Request for Proposal at least 10 days prior to the date set for receipt of proposals by publication in a newspaper or newspapers of general circulation in the area in which the contract is to be performed so as to provide reasonable notice to the maximum number of offerors that can be reasonably anticipated to submit proposals in response to the particular request. Public notice also shall be published on the Department of General Services’ central electronic procurement website and may be published on other appropriate websites. In addition, proposals may be solicited directly from potential contractors.*
- 3. a. Procurement of professional services. The procurement of professional services for capital projects shall be conducted using a qualification-based selection process. The Institution shall engage in individual discussions with two or more offerors deemed fully qualified, responsible and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. The offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. The Request for Proposal shall not, however, request that offerors furnish estimates of man-hours or cost for services. At the discussion stage, the Institution may discuss nonbinding estimates of total project costs, including, but not limited to, life-cycle costing, and where appropriate, nonbinding estimates of price for services. Proprietary information from competing offerors shall not be disclosed to the public or to competitors. At the conclusion of discussion, outlined in this subdivision, on the basis of evaluation factors published in the Request for Proposal and all information*

*developed in the selection process to this point, the Institution shall select in the order of preference two or more offerors whose professional qualifications and proposed services are deemed most meritorious. Negotiations shall then be conducted, beginning with the offeror ranked first. If a contract satisfactory and advantageous to the Institution can be negotiated at a price considered fair and reasonable, the award shall be made to that offeror. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price. Should the Institution determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror.*

*A contract for architectural or professional engineering services relating to construction projects may be negotiated by the Institution, for multiple projects provided (i) the projects require similar experience and expertise, and (ii) the nature of the projects is clearly identified in the Request for Proposal. Under such contract, (a) the fair and reasonable prices, as negotiated, shall be used in determining the cost of each project performed, (b) the sum of all projects performed in one contract term shall be as set in the Request for Proposal; and (c) the project fee of any single project shall not exceed the term limit as set in the Request for Proposal. Any unused amounts from any contract term may be carried forward. Competitive negotiations for such contracts may result in awards to more than one offeror provided the Request for Proposal stated the potential for a multi-vendor award.*

*Multiphase professional services contracts satisfactory and advantageous to the Institution for environmental, location, design and inspection work regarding construction of infrastructure projects may be negotiated and awarded based on qualifications at a fair and reasonable price for the first phase only, when completion of the earlier phases is necessary to provide information critical to the negotiation of a fair and reasonable price for succeeding phases. Prior to the procurement of any such contract, the Institution shall state the anticipated intended total scope of the project and determine in writing that the nature of the work is such that the best interests of such Institution require awarding the contract.*

*b. Procurement of other than professional services. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered, but need not be the sole determining*

*factor. After negotiations have been conducted with each offeror so selected, the Institution shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so provided in the Request for Proposal, awards may be made to more than one offeror. Should the Institution determine in writing and in its sole discretion that only one offeror has made the best proposal, a contract may be negotiated and awarded to that offeror. "Competitive sealed bidding" is a method of contractor selection, other than for professional services, which includes the following elements:*

- 1. Issuance of a written Invitation to Bid containing or incorporating by reference the specifications and contractual terms and conditions applicable to the procurement. Unless the Institution has provided for prequalification of bidders, the Invitation to Bid shall include a statement of any requisite qualifications of potential contractors. When it is impractical to prepare initially a purchase description to support an award based on prices, an Invitation to Bid may be issued requesting the submission of unpriced offers to be followed by an Invitation to Bid limited to those bidders whose offers have been qualified under the criteria set forth in the first solicitation.*
- 2. Public notice of the Invitation to Bid at least 10 days prior to the date set for receipt of bids by publication on the Department of General Services' central electronic procurement website. Public notice also may be published in a newspaper of general circulation or on other appropriate websites, or both. In addition, bids may be solicited directly from potential contractors. Any additional solicitations shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*
- 3. Public opening and announcement of all bids received.*
- 4. Evaluation of bids based upon the requirements set forth in the invitation, which may include special qualifications of potential contractors, life-cycle costing, value analysis, and any other criteria such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose, which are helpful in determining acceptability.*
- 5. Award to the lowest responsive and responsible bidder. When the terms and conditions of multiple awards are so provided in the Invitation to Bid, awards may be made to more than one bidder.*

*"Construction" means building, altering, repairing, improving or demolishing any structure, building or highway, and any draining, dredging, excavation, grading or similar work upon real property.*

*"Construction management contract" means a contract in which a party is retained by the owner to coordinate and administer contracts for construction services for the benefit of*

*the owner, and may also include, if provided in the contract, the furnishing of construction services to the owner.*

*“Covered Institution” or “Institution” means, on and after the effective date of the initial management agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Restructuring Act.*

*“Design-build contract” means a contract between the Institution and another party in which the party contracting with the Institution agrees to both design and build the structure, roadway or other item specified in the contract.*

*“Goods” means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.*

*“Informality” means a minor defect or variation of a bid or proposal from the exact requirements of the Invitation to Bid, or the Request for Proposal, which does not affect the price, quality, quantity or delivery schedule for the goods, services or construction being procured.*

*“Multiphase professional services contract” means a contract for the providing of professional services where the total scope of work of the second or subsequent phase of the contract cannot be specified without the results of the first or prior phase of the contract.*

*“Nonprofessional services” means any services not specifically identified as professional services in the definition of professional services and includes small construction projects valued not over \$1 million; provided that subdivision 3a of the definition of “competitive negotiation” in this section shall still apply to professional services for such small construction projects.*

*“Potential bidder or offeror” for the purposes of §§ 50 and 54 of these Rules means a person who, at the time the Institution negotiates and awards or proposes to award a contract, is engaged in the sale or lease of goods, or the sale of services, insurance or construction, of the type to be procured under the contract, and who at such time is eligible and qualified in all respects to perform that contract, and who would have been eligible and qualified to submit a bid or proposal had the contract been procured through competitive sealed bidding or competitive negotiation.*

*“Professional services” means work performed by an independent contractor within the scope of the practice of accounting, actuarial services, architecture, land surveying, land-*

*scape architecture, law, dentistry, medicine, optometry, pharmacy or professional engineering.*

*“Public body” means any legislative, executive or judicial body, agency, office, department, authority, post, commission, committee, institution, board or political subdivision created by law to exercise some sovereign power or to perform some governmental duty, and empowered by law to undertake the activities described in these Rules.*

*“Public contract” means an agreement between the Institution and a nongovernmental source that is enforceable in a court of law.*

*“Responsible bidder” or “offeror” means a person who has the capability, in all respects, to perform fully the contract requirements and the moral and business integrity and reliability that will assure good faith performance, and who has been prequalified, if required.*

*“Responsive bidder” means a person who has submitted a bid that conforms in all material respects to the Invitation to Bid.*

*“Restructuring Act” or “Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Rules” means these Rules Governing Procurement of Goods, Services, Insurance, and Construction adopted by the governing body of the Covered Institution.*

*“Reverse auctioning” means a procurement method wherein bidders are invited to bid on specified goods or nonprofessional services through real-time electronic bidding, with the award being made to the lowest responsive and responsible bidder. During the bidding process, bidders’ prices are revealed and bidders shall have the opportunity to modify their bid prices for the duration of the time period established for bid opening.*

*“Services” means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies.*

*“Sheltered workshop” means a work-oriented rehabilitative facility with a controlled working environment and individual goals that utilizes work experience and related services for assisting the handicapped person to progress toward normal living and a productive vocational status.*

**§ 5. Methods of procurement. -**

**A.** *All public contracts with nongovernmental contractors for the purchase or lease of goods, or for the purchase of services, insurance, or construction, shall be awarded after competitive sealed bidding, or competitive negotiation as provided in this section, unless otherwise authorized by law.*

*B. Professional services shall be procured by competitive negotiation. Qualification-based selection shall be used for design services.*

*C. Goods, services, or insurance may be procured by competitive negotiation.*

*D. Construction may be procured only by competitive sealed bidding, except that competitive negotiation may be used in the following instances upon a determination made in advance by the Institution and set forth in writing that competitive sealed bidding is either not practicable or not fiscally advantageous to the public, which writing shall document the basis for this determination:*

*1. By the Institution on a fixed price design-build basis or construction management basis under § 7;*

*2. By the Institution for the construction, alteration, repair, renovation or demolition of buildings; or*

*3. By the Institution for the construction of highways and any draining, dredging, excavation, grading or similar work upon real property.*

*E. Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. The writing shall document the basis for this determination. The Institution shall issue a written notice stating that only one source was determined to be practicably available, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first. Public notice shall also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and may be published on other appropriate websites.*

*F. In case of emergency, a contract may be awarded without competitive sealed bidding or competitive negotiation; however, such procurement shall be made with such competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file. The Institution shall issue a written notice stating that the contract is being awarded on an emergency basis, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system,*

*or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first, or as soon thereafter as is practicable. Public notice may also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and other appropriate websites.*

*G. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for goods and services other than professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however, such small purchase procedures shall provide for competition wherever practicable.*

*H. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive negotiation for single or term contracts for professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however such small purchase procedures shall provide for competition wherever practicable.*

*I. Upon a determination made in advance by the Institution and set forth in writing that the purchase of goods, products or commodities from a public auction sale is in the best interests of the public, such items may be purchased at the auction, including online public auctions. The writing shall document the basis for this determination.*

*J. The purchase of goods or nonprofessional services, but not construction or professional services, may be made by reverse auctioning.*

*§ 6. Cooperative procurement. -*

*A. In circumstances where the Institution determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the Institution that meet its business goals and objectives, the Institution is authorized to participate in, sponsor, conduct, or administer a cooperative procurement arrangement on behalf of or in conjunction with public bodies, public or private health or educational institutions, other public or private organizations or entities, including public-private partnerships, charitable organizations, health care provider alliances or purchasing organizations or entities, or with public agencies or institutions or group purchasing organizations of the several states, territories of the United States, or the District of Columbia, for the purpose of combining requirements to effect cost savings or reduce administrative expense in any acquisition of goods and services, other than professional services. The Institution may purchase from any authority, department, agency, institution, city, county, town, or other political subdivision of the Commonwealth's contract even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid*

*specified that the procurement was being conducted on behalf of other public bodies. In such instances, deviation from the procurement procedures set forth in these Rules and the administrative policies and procedures established to implement these Rules shall be permitted. Notwithstanding all of the above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. Nothing herein shall prohibit the payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.*

*B. In circumstances where statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to meet the Institution's business goals and objectives, and as authorized by the United States Congress and consistent with applicable federal regulations, and provided the terms of the contract permit such purchases:*

- 1. The Institution may purchase goods and nonprofessional services, from a United States General Services Administration contract or a contract awarded by any other agency of the United States government; and*
- 2. The Institution may purchase telecommunications and information technology goods and nonprofessional services from a United States General Services Administration contract or a contract awarded by any other agency of the United States government.*

*§ 7. Design-build or construction management contracts authorized. -*

*A. Notwithstanding any other provisions of law, the Institution may enter into contracts on a fixed price design-build basis or construction management basis in accordance with the provisions of this section.*

*B. Procurement of construction by the design-build or construction management method shall be a two-step competitive negotiation process. In the first step, offerors shall be requested to submit their qualifications. Based upon the information submitted and any other relevant information which the Commonwealth may obtain, no more than five offerors deemed most suitable for the project shall be selected by the Commonwealth and requested to submit proposals.*

*§ 8. Modification of the contract. -*

*A. A contract awarded by the Institution may include provisions for modification of the contract during performance, but no fixed-price contract may be increased by more than 25% of the amount of the contract or \$50,000, whichever is greater, without the advance written approval of the Institution's president or his designee. In no event may the amount of any contract, without adequate consideration, be increased for any purpose,*

*including, but not limited to, relief of an offeror from the consequences of an error in its bid or offer.*

*B. The Institution may extend the term of an existing contract for services to allow completion of any work undertaken but not completed during the original term of the contract.*

*C. Nothing in this section shall prevent the Institution from placing greater restrictions on contract modifications.*

*§ 9. Discrimination prohibited; participation of small, women- and minority-owned business. -*

*A. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment. Whenever solicitations are made, the Institution shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*

*B. The Institution shall establish programs consistent with this section to facilitate the participation of small businesses and businesses owned by women and minorities in procurement transactions. The programs established shall be in writing and shall include cooperation with the Department of Minority Business Enterprise, the United States Small Business Administration, and other public or private agencies. The Institution shall submit annual progress reports on minority business procurement to the Department of Minority Business Enterprise.*

*C. Whenever there exists (i) a rational basis for small business enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women- and minority-owned businesses, the Governor is by law authorized and encouraged to require the Institution to implement appropriate enhancement or remedial measures consistent with prevailing law.*

*D. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless it has made a written determination that employing ex-offenders on the specific contract is not in its best interest.*

*§ 10. Employment discrimination by contractor prohibited; required contract provisions. - The Institution shall include in every contract of more than \$10,000 the following provisions:*

*1. During the performance of this contract, the contractor agrees as follows:*

*a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a*

*bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.*

*b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.*

*c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.*

*2. The contractor will include the provisions of the foregoing paragraphs a, b and c in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*§ 11. Drug-free workplace to be maintained by contractor; required contract provisions.-*

*The Institution shall include in every contract over \$10,000 the following provisions:*

*During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*For the purposes of this section, "drug-free workplace" means a site for the "performance of work done in connection with a specific contract awarded to a contractor in accordance with these Rules, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.*

*§ 12. Use of brand names. -*

*Unless otherwise provided in the Invitation to Bid, the name of a certain brand, make or manufacturer shall not restrict bidders to the specific brand, make or manufacturer named and shall be deemed to convey the general style, type, character, and quality of the article desired. Any article that the Institution in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.*

*§ 13. Comments concerning specifications. -*

*The Institution shall establish procedures whereby comments concerning specifications or other provisions in Invitations to Bid or Requests for Proposal can be received and considered prior to the time set for receipt of bids or proposals or award of the contract.*

*§ 14. Prequalification generally; prequalification for construction. -*

*A. Prospective contractors may be prequalified for particular types of supplies, services, insurance or construction, and consideration of bids or proposals limited to prequalified contractors. Any prequalification procedure shall be established in writing and sufficiently in advance of its implementation to allow potential contractors a fair opportunity to complete the process.*

*B. Any prequalification of prospective contractors for construction by the Institution shall be pursuant to a prequalification process for construction projects adopted by the Institution. The process shall be consistent with the provisions of this section.*

*The application form used in such process shall set forth the criteria upon which the qualifications of prospective contractors will be evaluated. The application form shall request of prospective contractors only such information as is appropriate for an objective evaluation of all prospective contractors pursuant to such criteria. The form shall allow the prospective contractor seeking prequalification to request, by checking the appropriate box, that all information voluntarily submitted by the contractor pursuant to this subsection shall be considered a trade secret or proprietary information subject to the provisions of subsection D of § 34 of these Rules.*

*In all instances in which the Institution requires prequalification of potential contractors for construction projects, advance notice shall be given of the deadline for the submission of prequalification applications. The deadline for submission shall be sufficiently in advance of the date set for the submission of bids for such construction so as to allow the procedures set forth in this subsection to be accomplished.*

*At least 30 days prior to the date established for submission of bids or proposals under the procurement of the contract for which the prequalification applies, the Institution shall advise in writing each contractor who submitted an application whether that contractor has been prequalified. In the event that a contractor is denied prequalification, the written notification to the contractor shall state the reasons for the denial of prequalification and the factual basis of such reasons.*

*A decision by the Institution denying prequalification under the provisions of this subsection shall be final and conclusive unless the contractor appeals the decision as provided in § 54 of these Rules.*

*C. The Institution may deny prequalification to any contractor only if the Institution finds one of the following:*

- 1. The contractor does not have sufficient financial ability to perform the contract that would result from such procurement. If a bond is required to ensure performance of a contract, evidence that the contractor can acquire a surety bond from a corporation included on the United States Treasury list of acceptable surety corporations in the amount and type required by the Institution shall be sufficient to establish the financial ability of the contractor to perform the contract resulting from such procurement;*
- 2. The contractor does not have appropriate experience to perform the construction project in question;*
- 3. The contractor or any officer, director or owner thereof has had judgments entered against him within the past 10 years for the breach of contracts for governmental or non-governmental construction, including, but not limited to, design-build or construction management;*
- 4. The contractor has been in substantial noncompliance with the terms and conditions of prior construction contracts with the Institution without good cause. If the Institution has not contracted with a contractor in any prior construction contracts, the Institution may deny prequalification if the contractor has been in substantial noncompliance with the terms and conditions of comparable construction contracts with another public body without good cause. The Institution may not utilize this provision to deny prequalification unless the facts underlying such substantial noncompliance were documented in writing in the prior construction project file and such information relating thereto given to the contractor at that time, with the opportunity to respond;*
- 5. The contractor or any officer, director, owner, project manager, procurement manager or chief financial official thereof has been convicted within the past 10 years of a crime related to governmental or nongovernmental construction or contracting, including, but not limited to, a violation of (i) Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) the Virginia Governmental Frauds Act (§ [18.2-498.1](#) et seq.), (iii) Chapter 4.2 (§ [59.1-68.6](#) et seq.) of Title 59.1, or (iv) any substantially similar law of the United States or another state;*
- 6. The contractor or any officer, director or owner thereof is currently debarred pursuant to an established debarment procedure from bidding or contracting by any public body, agency of another state or agency of the federal government; and*
- 7. The contractor failed to provide to the Institution in a timely manner any information requested by the Institution relevant to subdivisions 1 through 6 of this subsection.*

*§ 15. Negotiation with lowest responsible bidder. -*

*Unless canceled or rejected, a responsive bid from the lowest responsible bidder shall be accepted as submitted, except that if the bid from the lowest responsible bidder exceeds available funds, the Institution may negotiate with the apparent low bidder to obtain a contract price within available funds. However, the negotiation may be undertaken only under conditions and procedures described in writing and approved by the Institution prior to issuance of the Invitation to Bid and summarized therein.*

*§ 16. Cancellation, rejection of bids; waiver of informalities. -*

*A. An Invitation to Bid, a Request for Proposal, any other solicitation, or any and all bids or proposals, may be canceled or rejected. The reasons for cancellation or rejection shall be made part of the contract file. The Institution shall not cancel or reject an Invitation to Bid, a Request for Proposal, any other solicitation, bid or proposal pursuant to this section solely to avoid awarding a contract to a particular responsive and responsible bidder or offeror.*

*B. The Institution may waive informalities in bids.*

*§ 17. Exclusion of insurance bids prohibited. -*

*Notwithstanding any other provision of law, no insurer licensed to transact the business of insurance in the Commonwealth or approved to issue surplus lines insurance in the Commonwealth shall be excluded from presenting an insurance bid proposal to the Institution in response to a request for proposal or an invitation to bid. Nothing in this section shall preclude the Institution from debaring a prospective insurer pursuant to § 18.*

*§ 18. Debarment. -*

*Prospective contractors may be debarred from contracting for particular types of supplies, services, insurance or construction, for specified periods of time. Any debarment procedure shall be established in writing by the Institution. Any debarment procedure may provide for debarment on the basis of a contractor's unsatisfactory performance for the Institution.*

*§ 19. Purchase programs for recycled goods; Institution responsibilities. -*

*A. The Institution may implement a purchase program for recycled goods and may coordinate its efforts so as to achieve the goals and objectives set forth in §§ [10.1-1425.6](#), [10.1-1425.7](#), and [10.1-1425.8](#) of the Code of Virginia and §§ 20 and 22 of these Rules.*

*B. The Department of Environmental Quality, with advice from the Virginia Recycling Markets Development Council, shall advise the Institution concerning the designation of recycled goods.*

*§ 20. Preference for Virginia products with recycled content and for Virginia firms. -*

*A. In the case of a tie bid, preference shall be given to goods produced in Virginia, goods or services or construction provided by Virginia persons, firms or corporations; otherwise the tie shall be decided by lot.*

*B. Whenever any bidder is a resident of any other state and such state under its laws allows a resident contractor of that state a preference, a like preference may be allowed by the Institution to the lowest responsive and responsible bidder who is a resident of Virginia.*

*C. Notwithstanding the provisions of subsections A and B, in the case of a tie bid in instances where goods are being offered, and existing price preferences have already been taken into account, preference shall be given to the bidder whose goods contain the greatest amount of recycled content.*

*§ 21. Preference for Virginia coal used in the Institution. -*

*In determining the award of any contract for coal to be purchased for use in the Institution with state funds, the Institution shall procure using competitive sealed bidding and shall award to the lowest responsive and responsible bidder offering coal mined in Virginia so long as its bid price is not more than 4% greater than the bid price of the low responsive and responsible bidder offering coal mined elsewhere.*

*§ 22. Preference for recycled paper and paper products used by the Institution. -*

*A. In determining the award of any contract for paper and paper products to be purchased for use by the Institution, it shall competitively procure recycled paper and paper products of a quality suitable for the purpose intended, so long as the price is not more than 10% greater than the price of the low responsive and responsible bidder or offeror offering a product that does not qualify under subsection B.*

*B. For purposes of this section, recycled paper and paper products means any paper or paper products meeting the EPA Recommended Content Standards as defined in 40 C.F.R. Part 247.*

*§ 23. Withdrawal of bid due to error. -*

*A. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*One of the following procedures for withdrawal of a bid shall be selected by the Institution and stated in the advertisement for bids: (i) the bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice; or (ii) the bidder shall submit to the Institution or designated official his original work papers, documents and materials used in the preparation of the bid within one day after the date fixed for submission of bids. The work papers shall be delivered by the bidder in person or by registered mail at or prior to the time fixed for the opening of bids. In either instance, the work papers, documents and materials may be considered as trade secrets or proprietary information subject to the conditions of subsection F of § 34 of these Rules. The bids shall be opened one day following the time fixed by the Institution for the submission of bids. Thereafter, the bidder shall have two hours after the opening of bids within which to claim in writing any mistake as defined herein and withdraw his bid. The contract shall not be awarded by the Institution until the two-hour period has elapsed. The mistake shall be proved only from the original work papers, documents and materials delivered as required herein.*

*B. The Institution may establish procedures for the withdrawal of bids for other than construction contracts.*

*C. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than 5%.*

*D. If a bid is withdrawn in accordance with this section, the lowest remaining bid shall be deemed to be the low bid.*

*E. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.*

*F. If the Institution denies the withdrawal of a bid under the provisions of this section, it shall notify the bidder in writing stating the reasons for its decision and award the*

*contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.*

*§ 24. Contract Pricing Arrangements. -*

*A. Public contracts may be awarded on a fixed price or cost reimbursement basis, or on any other basis that is not prohibited by these Rules.*

*B. Except in case of emergency affecting the public health, safety or welfare, no public contract shall be awarded on the basis of cost plus a percentage of cost.*

*C. A policy or contract of insurance or prepaid coverage having a premium computed on the basis of claims paid or incurred, plus the insurance carrier's administrative costs and retention stated in whole or part as a percentage of such claims, shall not be prohibited by this section.*

*§ 25. Workers' compensation requirements for construction contractors and subcontractors. -*

*A. No contractor shall perform any work on a construction project of the Institution unless he (i) has obtained, and continues to maintain for the duration of the work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the Code of Virginia, and (ii) provides prior to the award of contract, on a form furnished by the Institution, evidence of such coverage.*

*B. The Department of General Services shall provide the form to the Institution. Failure of the Institution to provide the form prior to the award of contract shall waive the requirements of clause (ii) of subsection A.*

*C. No subcontractor shall perform any work on a construction project of the Institution unless he has obtained, and continues to maintain for the duration of such work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the Code of Virginia.*

*§ 26. Retainage on construction contracts. -*

*A. In any contract issued by the Institution for construction that provides for progress payments in installments based upon an estimated percentage of completion, the contractor shall be paid at least 95% of the earned sum when payment is due, with no more than 5% being retained to ensure faithful performance of the contract. All amounts withheld may be included in the final payment.*

*B. Any subcontract for a public project that provides for similar progress payments shall be subject to the provisions of this section.*

*§ 27. Public construction contract provisions barring damages for unreasonable delays declared void. -*

A. Any provision contained in any public construction contract of the Institution that purports to waive, release, or extinguish the rights of a contractor to recover costs or damages for unreasonable delay in performing such contract, either on his behalf or on behalf of his subcontractor if and to the extent the delay is caused by acts or omissions of the Institution, its agents or employees and due to causes within their control shall be void and unenforceable as against public policy.

B. Subsection A shall not be construed to render void any provision of a public construction contract awarded by the Institution that:

1. Allows the recovery of that portion of delay costs caused by the acts or omissions of the contractor, or its subcontractors, agents or employees;
2. Requires notice of any delay by the party claiming the delay;
3. Provides for liquidated damages for delay; or
4. Provides for arbitration or any other procedure designed to settle contract disputes.

C. A contractor making a claim against the Institution for costs or damages due to the alleged delaying of the contractor in the performance of its work under any public construction contract of the Institution shall be liable to the Institution and shall pay it for a percentage of all costs incurred by the Institution in investigating, analyzing, negotiating, litigating and arbitrating the claim, which percentage shall be equal to the percentage of the contractor's total delay claim that is determined through litigation or arbitration to be false or to have no basis in law or in fact.

D. If the Institution denies a contractor's claim for costs or damages due to the alleged delaying of the contractor in the performance of work under any public construction contract for the Institution, it shall be liable to and shall pay such contractor a percentage of all costs incurred by the contractor to investigate, analyze, negotiate, litigate and arbitrate the claim. The percentage paid by the Institution shall be equal to the percentage of the contractor's total delay claim for which the Institution's denial is determined through litigation or arbitration to have been made in bad faith.

§ 28. Bid bonds. -

A. Except in cases of emergency, all bids or proposals for construction contracts in excess of \$1 million shall be accompanied by a bid bond from a surety company selected by the bidder that is authorized to do business in Virginia, as a guarantee that if the contract is awarded to the bidder, he will enter into the contract for the work mentioned in the bid. The amount of the bid bond shall not exceed 5% of the amount bid.

B. No forfeiture under a bid bond shall exceed the lesser of (i) the difference between the bid for which the bond was written and the next low bid, or (ii) the face amount of the bid bond.

*C. Nothing in this section shall preclude the Institution from requiring bid bonds to accompany bids or proposals for construction contracts anticipated to be less than \$1 million.*

*§ 29. Performance and payment bonds. -*

*A. Upon the award by the Institution of any (i) public construction contract exceeding \$1 million awarded to any prime contractor or (ii) public construction contract exceeding \$1 million awarded to any prime contractor requiring the performance of labor or the furnishing of materials for buildings, structures or other improvements to real property owned by the Institution, the contractor shall furnish to the Institution the following bonds:*

*1. Except for transportation-related projects, a performance bond in the sum of the contract amount conditioned upon the faithful performance of the contract in strict conformity with the plans, specifications and conditions of the contract. For transportation-related projects, such bond shall be in a form and amount satisfactory to the Institution.*

*2. A payment bond in the sum of the contract amount. The bond shall be for the protection of claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom the contract was awarded, or to any subcontractors, in furtherance of the work provided for in the contract, and shall be conditioned upon the prompt payment for all materials furnished or labor supplied or performed in the furtherance of the work.*

*"Labor or materials" shall include public utility services and reasonable rentals of equipment, but only for periods when the equipment rented is actually used at the site.*

*B. Each of the bonds shall be executed by one or more surety companies selected by the contractor that are authorized to do business in Virginia.*

*C. The bonds shall be payable to the Commonwealth of Virginia naming also the Institution.*

*D. Each of the bonds shall be filed with the Institution, or a designated office or official thereof.*

*E. Nothing in this section shall preclude the Institution from requiring payment or performance bonds for construction contracts below \$1 million.*

*F. Nothing in this section shall preclude the contractor from requiring each subcontractor to furnish a payment bond with surety thereon in the sum of the full amount of the contract with such subcontractor conditioned upon the payment to all persons who have and fulfill contracts that are directly with the subcontractor for performing labor and furnishing materials in the prosecution of the work provided for in the subcontract.*

*§ 30. Alternative forms of security. -*

*A. In lieu of a bid, payment, or performance bond, a bidder may furnish a certified check or cash escrow in the face amount required for the bond.*

*B. If approved by the Institution's General Counsel or his equivalent, a bidder may furnish to the Institution a personal bond, property bond, or bank or savings institution's letter of credit on certain designated funds in the face amount required for the bid, payment or performance bond. Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the Institution equivalent to a corporate surety's bond.*

*§ 31. Bonds on other than construction contracts. -*

*The Institution may require bid, payment, or performance bonds for contracts for goods or services if provided in the Invitation to Bid or Request for Proposal.*

*§ 32. Action on performance bond. -*

*No action against the surety on a performance bond shall be brought by the Institution unless brought within one year after (i) completion of the contract, including the expiration of all warranties and guarantees, or (ii) discovery of the defect or breach of warranty that gave rise to the action.*

*§ 33. Actions on payment bonds; waiver of right to sue. -*

*A. Subject to the provisions of subsection B, any claimant who has performed labor or furnished material in accordance with the contract documents in furtherance of the work provided in any contract for which a payment bond has been given, and who has not been paid in full before the expiration of 90 days after the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, may bring an action on the payment bond to recover any amount due him for the labor or material. The obligee named in the bond need not be named a party to the action.*

*B. Any claimant who has a direct contractual relationship with any subcontractor but who has no contractual relationship, express or implied, with the contractor, may bring an action on the contractor's payment bond only if he has given written notice to the contractor within 180 days from the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, stating with substantial accuracy the amount claimed and the name of the person for whom the work was performed or to whom the material was furnished. Notice to the contractor shall be served by registered or certified mail, postage prepaid, in an envelope addressed to such contractor at any place where his office is regularly maintained for the transaction of business. Claims for sums withheld as retainages with respect to labor performed or materials furnished, shall not be subject to the time limitations stated in this subsection.*

*C. Any action on a payment bond shall be brought within one year after the day on which the person bringing such action last performed labor or last furnished or supplied materials.*

*D. Any waiver of the right to sue on the payment bond required by this section shall be void unless it is in writing, signed by the person whose right is waived, and executed after such person has performed labor or furnished material in accordance with the contract documents.*

*§ 34. Public inspection of certain records. -*

*A. Except as provided in this section, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.).*

*B. Cost estimates relating to a proposed procurement transaction prepared by or for the Institution shall not be open to public inspection.*

*C. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of all bids but prior to award, except in the event that the Institution decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract.*

*D. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award, except in the event that the Institution decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to public inspection only after award of the contract.*

*E. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.*

*F. Trade secrets or proprietary information submitted by a bidder, offeror or contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection B of § 14 shall not be subject to the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.); however, the bidder, offeror or contractor shall (i) invoke the protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary.*

*§ 35. Exemption for certain transactions. -*

*A. The provisions of these Rules shall not apply to:*

1. *The selection of services related to the management and investment of the Institution's endowment funds, endowment income, or gifts pursuant to § [23-76.1](#). However, selection of these services shall be governed by the Uniform Management of Institutional Funds Act (§ [55-268.1](#) et seq.) as required by § [23-76.1](#).*

2. *The purchase of items for resale at retail bookstores and similar retail outlets operated by the Institution. However, such purchase procedures shall provide for competition where practicable.*

3. *Procurement of any construction or planning and design services for construction by the Institution when (i) the planning, design or construction is \$50,000 or less or (ii) the Institution is obligated to conform to procurement procedures that are established by federal statutes or regulations, whether or not those federal procedures are in conformance with the provisions of these Rules.*

4. *The University of Virginia Medical Center.*

5. *The purchase of goods and services by the Institution when such purchases are made under a remedial plan established by the Governor pursuant to subsection C of § 9 of these Rules.*

*B. Where a procurement transaction involves the expenditure of federal assistance or contract funds, the receipt of which is conditioned upon compliance with mandatory requirements in federal laws or regulations not in conformance with the provisions of these Rules, the Institution may comply with such federal requirements, notwithstanding the provisions of these Rules, only upon the written determination of the Institution's President or his designee that acceptance of the grant or contract funds under the applicable conditions is in the public interest. Such determination shall state the specific provision of these Rules in conflict with the conditions of the grant or contract.*

*§ 36. Permitted contracts with certain religious organizations; purpose; limitations. -*

*A. The Opportunity Reconciliation Act of 1996, P.L. 104-193, authorizes public bodies to enter into contracts with faith-based organizations for the purposes described in this section on the same basis as any other nongovernmental source without impairing the religious character of such organization, and without diminishing the religious freedom of the beneficiaries of assistance provided under this section.*

*B. For the purposes of this section, "faith-based organization" means a religious organization that is or applies to be a contractor to provide goods or services for programs funded by the block grant provided pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193.*

*C. The Institution, in procuring goods or services, or in making disbursements pursuant to this section, shall not (i) discriminate against a faith-based organization on the basis of*

*the organization's religious character or (ii) impose conditions that (a) restrict the religious character of the faith-based organization, except as provided in subsection F, or (b) impair, diminish, or discourage the exercise of religious freedom by the recipients of such goods, services, or disbursements.*

*D. The Institution shall ensure that all invitations to bid, requests for proposals, contracts, and purchase orders prominently display a nondiscrimination statement indicating that it does not discriminate against faith-based organizations.*

*E. A faith-based organization contracting with the Institution (i) shall not discriminate against any recipient of goods, services, or disbursements made pursuant to a contract authorized by this section on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and (ii) shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the Institution. Nothing in clause (ii) shall be construed to supercede or otherwise override any other applicable state law.*

*F. Consistent with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, funds provided for expenditure pursuant to contracts with public bodies shall not be spent for sectarian worship, instruction, or proselytizing; however, this prohibition shall not apply to expenditures pursuant to contracts, if any, for the services of chaplains.*

*G. Nothing in this section shall be construed as barring or prohibiting a faith-based organization from any opportunity to make a bid or proposal or contract on the grounds that the faith-based organization has exercised the right, as expressed in 42 U.S.C. (§ 2000e-1 et seq.), to employ persons of a particular religion.*

*H. If an individual, who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization, objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the Institution shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.*

*The Institution shall provide to each individual who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization a notice in bold face type that states: "Neither the Institution's*

*selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider or notify the appropriate person as indicated in this form."*

*§ 37. Exemptions from competition for certain transactions. -*

*The Institution may enter into contracts without competition, as that term is described in subsections A through J of § 5 (Methods of procurement) of these Rules, for:*

- 1. The purchase of goods or services that are produced or performed by or related to:
  - a. Persons, or in schools or workshops, under the supervision of the Virginia Department for the Blind and Vision Impaired;*
  - b. Nonprofit sheltered workshops or other nonprofit organizations that offer transitional or supported employment services serving the handicapped;*
  - c. Private educational institutions; or*
  - d. Other public educational institutions.**
- 2. Speakers and performing artists;*
- 3. Memberships and Association dues;*
- 4. Sponsored research grant sub-awards and contract sub-awards, not to include the purchase of goods or services by the Institution;*
- 5. Group travel in foreign countries;*
- 6. Conference facilities and services;*
- 7. Participation in intercollegiate athletic tournaments and events including team travel and lodging, registration and tournament fees;*
- 8. Royalties; or*
- 9. The purchase of legal services, provided that the Office of the Attorney General has been consulted, or expert witnesses or other services associated with litigation or regulatory proceedings.*

*§ 38. Exemptions from competitive sealed bidding and competitive negotiation for certain transactions; limitations. -*

*The Institution may enter into contracts for insurance or electric utility service without competitive sealed bidding or competitive negotiation if purchased through an association of which the Institution is a member if the association was formed and is maintained for the purpose of promoting the interest and welfare of and developing close*

*relationships with similar public bodies, provided such association has procured the insurance or electric utility services by use of competitive principles and provided that the Institution has made a determination in advance after reasonable notice to the public and set forth in writing that competitive sealed bidding and competitive negotiation are not fiscally advantageous to the public. The writing shall document the basis for this determination.*

*§ 39. Definitions. -*

*As used in §§ 39 through 46, unless the context requires a different meaning:*

*"Contractor" means the entity that has a direct contract with the Institution.*

*"Debtor" means any individual, business, or group having a delinquent debt or account with any state agency that obligation has not been satisfied or set aside by court order or discharged in bankruptcy.*

*"Payment date" means either (i) the date on which payment is due under the terms of a contract for provision of goods or services; or (ii) if such date has not been established by contract, (a) 30 days after receipt of a proper invoice by the Institution or its agent or (b) 30 days after receipt of the goods or services by the Institution.*

*"Subcontractor" means any entity that has a contract to supply labor or materials to the contractor to whom the contract was awarded or to any subcontractor in the performance of the work provided for in such contract.*

*§ 40. Exemptions. -*

*The provisions of §§ 39 through 46 shall not apply to the late payment provisions contained in any public utility tariffs prescribed by the State Corporation Commission.*

*§ 41. Retainage to remain valid. -*

*Notwithstanding the provisions of §§ 39 through 46, the provisions of § 26 relating to retainage shall remain valid.*

*§ 42. Prompt payment of bills by the Institution. -*

*A. The Institution shall promptly pay for the completely delivered goods or services by the required payment date.*

*Payment shall be deemed to have been made when offset proceedings have been instituted, as authorized under the Virginia Debt Collection Act (§ [2.2-4800](#) et seq.) of the Code of Virginia.*

*B. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial deliveries or executions to the extent that such contract provides for separate payment for such partial delivery or execution.*

*§ 43. Defect or impropriety in the invoice or goods and/or services received. -*

*In instances where there is a defect or impropriety in an invoice or in the goods or services received, the Institution shall notify the supplier of the defect or impropriety, if the defect or impropriety would prevent payment by the payment date. The notice shall be sent within 15 days after receipt of the invoice or the goods or services.*

*§ 44. Date of postmark deemed to be date payment is made. -*

*In those cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made for purposes of these Rules.*

*§ 45. Payment clauses to be included in contracts. -*

*Any contract awarded by the Institution shall include:*

*1. A payment clause that obligates the contractor to take one of the two following actions within seven days after receipt of amounts paid to the contractor by the Institution for work performed by the subcontractor under that contract:*

*a. Pay the subcontractor for the proportionate share of the total payment received from the Institution attributable to the work performed by the subcontractor under that contract;*  
*or*

*b. Notify the Institution and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.*

*2. A payment clause that requires (i) individual contractors to provide their social security numbers and (ii) proprietorships, partnerships, and corporations to provide their federal employer identification numbers.*

*3. An interest clause that obligates the contractor to pay interest to the subcontractor on all amounts owed by the contractor that remain unpaid after seven days following receipt by the contractor of payment from the Institution for work performed by the subcontractor under that contract, except for amounts withheld as allowed in subdivision 1.*

*4. An interest rate clause stating, "Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of 1% per month."*

*Any such contract awarded shall further require the contractor to include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.*

*A contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of the Institution. A contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.*

*§ 46. Interest penalty; exceptions. -*

A. Interest shall accrue, at the rate determined pursuant to subsection B, on all amounts owed by the Institution to a vendor that remain unpaid after seven days following the payment date. However, nothing in this section shall affect any contract providing for a different rate of interest, or for the payment of interest in a different manner.

B. The rate of interest charged the Institution pursuant to subsection A shall be the base rate on corporate loans (prime rate) at large United States money center commercial banks as reported daily in the publication entitled *The Wall Street Journal*. Whenever a split prime rate is published, the lower of the two rates shall be used. However, in no event shall the rate of interest charged exceed the rate of interest established pursuant to [§ 58.1-1812](#) of the Code of Virginia.

C. Notwithstanding subsection A, no interest penalty shall be charged when payment is delayed because of disagreement between the Institution and a vendor regarding the quantity, quality or time of delivery of goods or services or the accuracy of any invoice received for the goods or services. The exception from the interest penalty provided by this subsection shall apply only to that portion of a delayed payment that is actually the subject of the disagreement and shall apply only for the duration of the disagreement.

D. This section shall not apply to § 26 pertaining to retainage on construction contracts, during the period of time prior to the date the final payment is due. Nothing contained herein shall prevent a contractor from receiving interest on such funds under an approved escrow agreement.

E. Notwithstanding subsection A, no interest penalty shall be paid to any debtor on any payment, or portion thereof, withheld pursuant to the Comptroller's Debt Setoff Program, as authorized by the Virginia Debt Collection Act ([§ 2.2-4800](#) et seq. of the Code of Virginia), commencing with the date the payment is withheld. If, as a result of an error, a payment or portion thereof is withheld, and it is determined that at the time of setoff no debt was owed to the Commonwealth, then interest shall accrue at the rate determined pursuant to subsection B on amounts withheld that remain unpaid after seven days following the payment date.

**§ 47. Ineligibility. -**

A. Any bidder, offeror or contractor refused permission to participate, or disqualified from participation, in public contracts to be issued by the Institution shall be notified in writing. Prior to the issuance of a written determination of disqualification or ineligibility, the Institution shall (i) notify the bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.

*Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of disqualification or ineligibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received such rebuttal information.*

*If the evaluation reveals that the bidder, offeror or contractor should be allowed permission to participate in the public contract, the Institution shall cancel the proposed disqualification action. If the evaluation reveals that the bidder should be refused permission to participate, or disqualified from participation, in the public contract, the Institution shall so notify the bidder, offeror or contractor. The notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If, upon appeal, it is determined that the action taken was arbitrary or capricious, or not in accordance with the Constitution of Virginia, applicable state law or regulations, the sole relief shall be restoration of eligibility.*

*§ 48. Appeal of denial of withdrawal of bid. -*

*A. A decision denying withdrawal of bid under the provisions of § 23 of these Rules shall be final and conclusive unless the bidder appeals the decision within 10 days after receipt of the decision by invoking administrative procedures meeting the standards of § 55, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If no bid bond was posted, a bidder refused withdrawal of a bid under the provisions of § 23, prior to appealing, shall deliver to the Institution a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.*

*C. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, the sole relief shall be withdrawal of the bid.*

*§ 49. Determination of nonresponsibility. -*

*A. Following public opening and announcement of bids received on an Invitation to Bid, the Institution shall evaluate the bids in accordance with element 4 of the definition of "Competitive sealed bidding" in § 4 of these Rules. At the same time, the Institution shall determine whether the apparent low bidder is responsible. If the Institution so*

determines, then it may proceed with an award in accordance with element 5 of the definition of "Competitive sealed bidding" in § 4. If the Institution determines that the apparent low bidder is not responsible, it shall proceed as follows:

1. Prior to the issuance of a written determination of nonresponsibility, the Institution shall (i) notify the apparent low bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the apparent low bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.

2. Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of responsibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received the rebuttal information. At the same time, the Institution shall notify, with return receipt requested, the bidder in writing of its determination.

3. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.

The provisions of this subsection shall not apply to procurements involving the pre-qualification of bidders and the rights of any potential bidders under such pre-qualification to appeal a decision that such bidders are not responsible.

B. If, upon appeal pursuant to § 54 or 55 of these Rules, it is determined that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and the award of the contract in question has not been made, the sole relief shall be a finding that the bidder is a responsible bidder for the contract in question or directed award as provided in subsection A of § 54, or both.

If it is determined that the decision of the Institution was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and an award of the contract has been made, the relief shall be as set forth in subsection B of § 54 of these Rules.

C. A bidder contesting a determination that he is not a responsible bidder for a particular contract shall proceed under this section, and may not protest the award or proposed award under the provisions of § 50 of these Rules.

*D. Nothing contained in this section shall be construed to require the Institution, when procuring by competitive negotiation, to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous.*

*§ 50. Protest of award or decision to award. -*

*A. Any bidder or offeror, who desires to protest the award or decision to award a contract shall submit the protest in writing to the Institution, or an official designated by the Institution, no later than 10 days after the award or the announcement of the decision to award, whichever occurs first. Public notice of the award or the announcement of the decision to award shall be given by the Institution in the manner prescribed in the terms or conditions of the Invitation to Bid or Request for Proposal. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit the protest in the same manner no later than 10 days after posting or publication of the notice of such contract as provided in § 5 of these Rules. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction that are subject to inspection under § 34 of these Rules, then the time within which the protest shall be submitted shall expire 10 days after those records are available for inspection by such bidder or offeror under § 34, or at such later time as provided in this section. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The Institution or designated official shall issue a decision in writing within 10 days stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within 10 days of receipt of the written decision by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54. Nothing in this subsection shall be construed to permit a bidder to challenge the validity of the terms or conditions of the Invitation to Bid or Request for Proposal. The use of Alternative Dispute Resolution (ADR) shall constitute an administrative appeal procedure meeting the standards of § 55 of these Rules.*

*B. If prior to an award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The Institution shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided.*

*Where the award has been made but performance has not begun, the performance of the contract may be enjoined. Where the award has been made and performance has*

*begun, the Institution may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.*

*C. Where the Institution, an official designated by it, or an appeals board determines, after a hearing held following reasonable notice to all bidders, that there is probable cause to believe that a decision to award was based on fraud or corruption or on an act in violation of these Rules, the Institution, designated official or appeals board may enjoin the award of the contract to a particular bidder.*

*§ 51. Effect of appeal upon contract. -*

*Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with these Rules shall not be affected by the fact that a protest or appeal has been filed.*

*§ 52. Stay of award during protest. -*

*An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest as provided in § 50 of these Rules, or the filing of a timely legal action as provided in § 54, no further action to award the contract shall be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.*

*§ 53. Contractual disputes. -*

*A. Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment. However, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.*

*B. The Institution shall include in its contracts a procedure for consideration of contractual claims. Such procedure, which may be contained in the contract or may be specifically incorporated into the contract by reference and made available to the contractor, shall establish a time limit for a final decision in writing by the Institution. If the Institution has established administrative procedures meeting the standards of § 55 of these Rules, such procedures shall be contained in the contract or specifically incorporated in the contract by reference and made available to the contractor. The Institution may require the submission of contractual claims pursuant to any contract to Alternative Dispute Resolution (ADR) as an administrative procedure.*

*C. A contractor may not invoke administrative procedures meeting the standards of § 55 of these Rules, if available, or institute legal action as provided in § 54, prior to receipt of the Institution's decision on the claim, unless the Institution fails to render such decision within the time specified in the contract.*

*D. The decision of the Institution shall be final and conclusive unless the contractor appeals within six months of the date of the final decision on the claim by the Institution by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*§ 54. Legal actions. -*

*A. A bidder or offeror, actual or prospective, who is refused permission or disqualified from participation in bidding or competitive negotiation, or who is determined not to be a responsible bidder or offeror for a particular contract, may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the petitioner establishes that the decision was not (i) an honest exercise of discretion, but rather was arbitrary or capricious; (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid; or (iii) in the case of denial of prequalification, based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. In the event the apparent low bidder, having been previously determined by the Institution to be not responsible in accordance with § 4, is found by the court to be a responsible bidder, the court may direct the Institution to award the contract to such bidder in accordance with the requirements of this section and the Invitation to Bid.*

*B. A bidder denied withdrawal of a bid under § 23 of these Rules may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the bidder establishes that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid.*

*C. A bidder, offeror or contractor, or a potential bidder or offeror on a contract negotiated on a sole source or emergency basis in the manner provided in § 5 of these Rules, whose protest of an award or decision to award under § 50 of these Rules is denied, may bring an action in the appropriate circuit court challenging a proposed award or the award of a contract, which shall be reversed only if the petitioner establishes that the proposed award or the award is not (i) an honest exercise of discretion, but rather is arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state*

*law or regulation, or the terms and conditions of the Invitation to Bid or Request for Proposal.*

*D. If injunctive relief is granted, the court, upon request of the Institution, shall require the posting of reasonable security to protect the Institution.*

*E. A contractor may bring an action involving a contract dispute with the Institution in the appropriate circuit court. Notwithstanding any other provision of law, the Comptroller shall not be named as a defendant in any action brought pursuant to these Rules or § [33.1-387](#) of the Code of Virginia, except for disputes involving contracts of the Office of the Comptroller or the Department of Accounts.*

*F. A bidder, offeror or contractor need not utilize administrative procedures meeting the standards of § 55 of these Rules, if available, but if those procedures are invoked by the bidder, offeror or contractor, the procedures shall be exhausted prior to instituting legal action concerning the same procurement transaction unless the Institution agrees otherwise.*

*G. Nothing herein shall be construed to prevent the Institution from instituting legal action against a contractor.*

*§ 55. Administrative appeals procedure. -*

*A. The Institution may establish an administrative procedure for hearing (i) protests of a decision to award or an award, (ii) appeals from refusals to allow withdrawal of bids, (iii) appeals from disqualifications and determinations of nonresponsibility, and (iv) appeals from decisions on disputes arising during the performance of a contract, or (v) any of these. Such administrative procedure may include the use of Alternative Dispute Resolution (ADR) or shall provide for a hearing before a disinterested person or panel, the opportunity to present pertinent information and the issuance of a written decision containing findings of fact. The disinterested person or panel shall not be an employee of the governmental entity against whom the claim has been filed. The findings of fact shall be final and conclusive and shall not be set aside unless the same are (a) fraudulent, arbitrary or capricious; (b) so grossly erroneous as to imply bad faith; or (c) in the case of denial of prequalification, the findings were not based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. No determination on an issue of law shall be final if appropriate legal action is instituted in a timely manner. The Institution may seek advice and input from the Alternative Dispute Resolution Council in establishing an Alternative Dispute Resolution (ADR) procedure.*

*B. Any party to the administrative procedure, including the Institution, shall be entitled to institute judicial review if such action is brought within 30 days of receipt of the written decision.*

*§ 56. Alternative dispute resolution. -*

*The Institution may enter into agreements to submit disputes arising from contracts entered into pursuant to these Rules to arbitration and utilize mediation and other alternative dispute resolution procedures. However, such procedures shall be nonbinding and subject to § [2.2-514](#) of the Code of Virginia, as applicable.*

*§ 57. Ethics in public contracting. -*

*The Institution and its governing body, officers and employees shall be governed by the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia.*

*THE RECTOR AND VISITORS OF*

*THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA*

*POLICY GOVERNING HUMAN RESOURCES FOR  
PARTICIPATING COVERED EMPLOYEES  
AND OTHER COLLEGE EMPLOYEES*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, establishes a process for the restructuring of institutions of higher education of the Commonwealth of Virginia and provides that upon becoming a Covered Institution, the College of William and Mary in Virginia shall have responsibility and accountability for human resources management for all College employees, defined in the Act as “Covered Employees,” who pursuant to subsection A of § [23-38.114](#) of the Act, “are state employees of” the College. Specifically, the Act provides that, as of the Effective Date of its initial Management Agreement with the Commonwealth, all Classified Employees shall continue to be covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and shall be subject to the policies and procedures prescribed by the Virginia Department of Human Resource Management, provided that they may subsequently elect to become Participating Covered Employees. All Participating Covered Employees shall: (i) be exempt from the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2; (ii) remain subject to the state grievance procedure for employees subject to the Virginia Personnel Act, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2, provided they were subject to the state grievance procedure prior to that Effective Date; (iii) participate in a compensation plan that is subject to the review and approval of the Board of Visitors; (iv) be hired pursuant to procedures that are based on merit and fitness; and (v) may, subject to certain specified conditions, continue to participate in either state- or College-sponsored benefit plans as described by the Management Agreement.*

*The provisions of this Policy are adopted by the Board of Visitors to implement the Governing Law and constitute the human resources policies to be included in any human resources system adopted by the College for its employees.*

*This Policy is intended to cover the authority that may be granted to the College pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the College pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the College's Enabling Legislation, are not affected by this Policy.*

*II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Board of Visitors of the College of William and Mary and the Virginia Institute of Marine Science.*

*“Classified Employees” means employees who are covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and the policies and procedures established by the Virginia Department of Human Resource Management and who are not Participating Covered Employees.*

*“College” means the College of William and Mary in Virginia, formerly known as (State Agency 204) and the Virginia Institute of Marine Science, formerly known as (State Agency 268).*

*“College employee” means a Covered Employee.*

*“College Human Resources System” means the human resources system for College employees as provided for herein.*

*“Covered Employee” means any person who is employed by the College on either a salaried or nonsalaried (wage) basis.*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Employee” means Covered Employee unless the context clearly indicates otherwise.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the College.*

*“Effective Date” means the effective date of the initial Management Agreement between the College and the Commonwealth.*

*“Governing Law” means the Act and the College’s Enabling Legislation.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) of the Act between the College and the Commonwealth.*

*“Participating Covered Employee” means (i) all salaried nonfaculty College employees who were employed as of the day prior to the Effective Date of the College’s initial Management Agreement with the Commonwealth, and who elect pursuant to § [23-38.115](#) of the Act, to participate in and be governed by such human resources program or programs, plans, policies, and procedures established by the College, (ii) all salaried*

*nonfaculty College employees who are employed by the College on or after the Effective Date of the initial Management Agreement between the College and the Commonwealth, (iii) all nonsalaried nonfaculty College employees without regard to when they were hired, (iv) all faculty College employees without regard to when they were hired.*

*“Systems” means collectively the College Human Resources System that is in effect from time to time.*

### *III. SCOPE AND PURPOSE OF COLLEGE HUMAN RESOURCES POLICIES.*

*The College has had human resources system autonomy through decentralization for its employees for some time. For example, general faculty at the College are expressly exempt from the Virginia Personnel Act. The College has had decentralization in most human resources functions and activities since the late 1980s and early 1990s, including, but not limited to, the running of payrolls; the administration of hiring, classification, and promotion practices.*

*The Act extends and reinforces the human resources autonomy previously granted to the College. This Policy therefore is adopted by the Board of Visitors to enable the College to develop, adopt, and have in place by or after the Effective Date of its initial Management Agreement with the Commonwealth, a human resources system or systems for all College employees. On that Effective Date, and until changed by the College or unless otherwise specified in this Policy, the systems for College employees shall be the same systems applicable to those employees in effect immediately prior to that Effective Date.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College’s usual delegation policies and procedures.*

### *V. COLLEGE OF WILLIAM AND MARY HUMAN RESOURCES SYSTEMS.*

#### *A. Adoption and Implementation of College Human Resources Systems.*

*The President is hereby authorized to adopt and implement human resources systems for employees of the College that are consistent with the Governing Law, other*

*applicable provisions of law, these College human resources policies for College employees, and any other human resources policies adopted by the Department of Human Resource Management or the Board of Visitors for College personnel, unless College employees are exempted from those other human resources policies by law or policy. The College Human Resources Systems shall include a delegation of personnel authority to appropriate College officials responsible for overseeing and implementing the College Human Resources Systems, including a grant of authority to such officials to engage in further delegation of authority as the President or his designee deems appropriate.*

*The College commits to regularly engage employees in appropriate discussions and to receive employee input as the new College Human Resources Systems are developed. The College will regularly communicate the details of new proposals to all employees who are eligible to participate in the College Human Resources System through written communication, open meetings, and website postings as appropriate, so that employees will have full information that will help them evaluate the merits of the new human resource system compared to the then-current State human resource system.*

*Effective on the Effective Date of its initial Management Agreement with the Commonwealth, and until amended as described below, the College's human resources systems shall consist of the following:*

- 1. The current "College of William and Mary Faculty Handbook," as it is posted on the Provost's website, <http://www.wm.edu/provost/index.php>, and periodically amended; and*
- 2. The current human resources system for Classified Employees in the College as posted on the Virginia Department of Human Resource Management website at <http://www.dhrm.state.va.us/hrpolicy/policy.html>; and*
- 3. The human resources system for Participating Covered Employees, which shall include nonsalaried (wage) employees, as posted on the College Human Resources website, <http://www.wm.edu/hr.html> and periodically amended.*

*All the systems describe above, except the system described in paragraph 3, may be amended by the President, consistent with these human resources policies. The system described in paragraph 3 may be amended only by the State.*

*B. Training in and Compliance with Applicable Provisions of Law and Board of Visitors' Human Resources Policies.*

*The President, or designee, shall take all necessary and reasonable steps to assure (i) that the College officials who develop, implement and administer the College Human Resources Systems authorized by Governing Law and these human resources policies are knowledgeable regarding the requirements of the Governing Law, other applicable*

*provisions of law, these College human resources policies, and other applicable Board of Visitors' human resources policies affecting College employees, and (ii) that compliance with such laws and human resources policies is achieved.*

#### *VI. HUMAN RESOURCES POLICIES.*

*The College Human Resources Systems adopted by the College pursuant to Governing Law and this Policy, as set forth in Section V above, shall embody the following human resources policies and principles:*

##### *A. Election by College Salaried Nonfaculty Employees.*

*Upon the adoption by the College of a College Human Resources System, each salaried nonfaculty College employee who was in the employment of the College, as of the day prior to the Effective Date of its initial Management Agreement with the Commonwealth shall be permitted to elect to participate in and be governed by either (i) the*

*State human resources program set forth in Chapters 28 (§ [2.2-2800](#) et seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and administered by the Department of Human Resource Management, or (ii) the College Human Resources System, as appropriate. A salaried nonfaculty College employee who elects to continue to be*

*governed by the State human resources program described above shall continue to be governed by all State human resources and benefit plans, programs, policies and procedures that apply to and govern State employees. A salaried nonfaculty College*

*employee who elects to participate in and be governed by the College Human Resources System, by that election, shall be deemed to have elected to be eligible to*

*participate in and to be governed by the College human resources program, authorized alternative insurance, and severance plans, programs, policies and procedures that are or may be adopted by the College as part of that College Human Resources System.*

*The College shall provide each of its salaried nonfaculty College employees who was in the employment of the College as of the day prior to the Effective Date of the College's initial Management Agreement with the Commonwealth at least 90 days after the date*

*on which the College Human Resources System becomes effective for that College employee's classification of employees to make the election required by the prior*

*paragraph. If such a salaried nonfaculty College employee does not make an election by the end of that specified election period, that College employee shall be deemed not to have elected to participate in the College Human Resources System. If such a salaried nonfaculty College employee elects to participate in the College Human Resources*

*System, that election shall be irrevocable. At least every two years, the College shall offer to salaried nonfaculty College employees who have elected to continue to participate in the state human resources program set forth in Chapters 28 (§ [22.-2800](#) et*

seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, an opportunity to elect to participate in the College Human Resources System, provided that, each time prior to offering such opportunity to such salaried nonfaculty College employees, and at least once every two years after the effective date of the College Human Resources System, the College shall make available to each of its salaried nonfaculty College employees a comparison of its human resources program for that classification of salaried nonfaculty College employee with the State human resources program for comparable State employees, including but not limited to a comparability assessment of compensation and benefits. A copy of the human resources program comparison shall be provided to the Department of Human Resource Management.

*B. Classification and Compensation.*

*General.* The Systems shall include classification and compensation plans that are fair and reasonable, and are based on the availability of College financial resources. The plans adopted by the College Participating Covered Employees shall be independent of, and need not be based on, the classification and compensation plans of the Commonwealth, do not require the approval of any State agency or officer, and shall be subject to the review and approval by the Board of Visitors as set forth in paragraph 3 below. The College shall provide information on its classification and compensation plans to all College employees. The plans applicable to Participating Covered Employees may or may not include changes in classification or compensation announced by the Commonwealth depending on such factors as the availability of necessary financial resources to fund any such changes, and subject to the review and approval by the Board of Visitors of any major changes in the College's compensation plans.

*Classification Plan.* The Systems shall include one or more classification plans for College employees that classify positions according to job responsibilities and qualifications. On the Effective Date of the College's initial Management Agreement with the Commonwealth, and until changed by the College, the classification plans shall be the same plans that are in effect for each group of employees immediately prior to that Effective Date.

*Compensation Plan.* The Systems shall include one or more compensation plans for each College employee classification or group. On the Effective Date of the College's initial Management Agreement with the Commonwealth, and until changed by the Department of Human Resource Management, the compensation plan for Classified Employees in the College shall be the compensation plan in effect immediately prior to that Effective Date, known as the Commonwealth's Classified Compensation Plan. On that Effective Date, and until changed by the College, the compensation plan or plans for

*all Participating Covered Employees shall be the compensation plan or plans in effect immediately prior to that Effective Date. The College may adopt one or more compensation plans for Participating Covered Employees that are non-graded plan(s) based on internal and external market data and other relevant factors to be determined annually. Any major change in compensation plans for Participating Covered Employees shall be reviewed and approved by the Board of Visitors before that change becomes effective. Any change recommended in the compensation plans may take into account the prevailing rates in the labor market for the jobs in question, or for similar positions, the relative value of jobs, the competency and skills of the individual employee, internal equity, and the availability of necessary financial resources to fund the proposed change. The compensation payable to College employees shall be authorized and approved only by designated College officers delegated such authority by the College, and shall be consistent with the approved compensation plan for the relevant position or classification. Further approval by any other State Agency, governmental body or officer is not required for setting, adjusting or approving the compensation payable to individual Participating Covered Employees.*

*Wages. The Systems shall include policies and procedures for the authorization, computation and payment of wages, where appropriate, for such premium pays as overtime, shift differential, on call, and call back, and for the payment of hourly employees.*

*Payment of Compensation. The Systems shall include policies and procedures for paying compensation to employees, including the establishment of one or more payday schedules.*

*Work Schedule and Workweek. The Systems shall include policies and procedures for the establishment of, and modifications to, work schedules and workweeks for all College employees, including alternative work schedules and sites, and telecommuting policies and procedures.*

*Other Classification and Compensation Policies and Procedures. The Systems may include any other reasonable classification and compensation policies and procedures the President deems appropriate.*

#### *C. Benefits.*

*The Systems shall provide fringe benefits to all benefits eligible employees, including retirement benefits, health care insurance, life, disability, and accidental death and dismemberment insurance. The benefits provided shall include a basic plan of benefits for each benefits eligible employee, and may include an optional benefits plan for benefits eligible employees, including additional insurance coverage, long-term care, tax deferred annuities, flexible reimbursement accounts, employee assistance programs,*

*employee intramural and recreational passes, and other wellness programs. As provided in § [23-38.119](#) B and C of the Act, the College may require Participating Covered Employees to pay all or a portion of the cost of group life, disability and accidental death and dismemberment insurance, which may be collected through a payroll deduction program. Participating Covered Employees shall not be required to present evidence of insurability for basic group life insurance coverage. The Board of Visitors may elect to provide benefits through Virginia Retirement System group insurance programs under the terms of and to the extent allowed by § [23-38.119](#) B and D of the Act or any other provision of law.*

*Notwithstanding the above, pursuant to subsection A of § [23-38.114](#) of the Act, and unless and until that section is amended, the state retirement system, state health insurance program, and state workers' compensation coverage program as they may be amended from time to time, shall continue to apply to and govern all eligible College employees.*

*The Systems may provide different benefits plans for reasonably different groups or classifications of employees, and may provide benefits to part-time employees. On the Effective Date of the College's initial Management Agreement with the Commonwealth, and until changed by the appropriate governing authority, the benefits plans provided by the College to Classified Employees and Participating Covered Employees shall be the benefits plans provided to that group or classification as of the date immediately prior to that Effective Date. On or after that Effective Date, alternative College group life, accidental death and dismemberment, and short- and long-term disability plans may be provided to eligible Participating Covered Employees, or at the election of the Board of Visitors and subject to the execution of participation agreements as provided in subsections B and C of § [23-38.119](#) of the Act, they may be provided by the appropriate State programs, but no contributions to the state programs by the College shall be required for Participating Covered Employees who do not participate in the programs. Subject to the provisions of the Act, any new plans, programs and material changes permitted under current law in College employee benefit plans, other than Classified Employee benefit plans, shall be approved by the Board of Visitors, including the authority to increase the Cash Match Contribution rate up to the limit permitted by the Code of Virginia based on available resources, and the authority to implement cafeteria-style benefits for College employees other than Classified Employees.*

*Insurance and all proceeds therefrom provided pursuant to § [23-38.119](#) of the Act shall be exempt from legal process and may be subject to voluntary assignment as provided in subsection A of § [23-38.119](#).*

*D. Employee Relations.*

*1. General. The Systems shall contain provisions that protect the rights and privileges of College employees consistent with sound management principles and fair employment practice law.*

*2. Employee Safety and Health. The Systems shall contain provisions that promote workplace safety compliance with applicable law and regulations.*

*3. Employee Work Environment. The Systems shall promote a work environment that is conducive to the performance of job duties, and free from intimidation or coercion in violation of State or federal law, including sexual harassment or other discrimination.*

*4. Employee Recognition. The Systems may provide for the use of leave awards and bonuses specific to policies and procedures for awarding, honoring, or otherwise recognizing College employees, including but not limited to those who have performed particularly meritorious service for the College, have been employed by the College for specified periods of time, or have retired from the College after lengthy service.*

*5. Counseling Services. The Systems shall provide counseling services through the State's Employee Assistance Program or a College Employee Assistance Program to any eligible College employee experiencing job-related difficulties and seeking counseling for those difficulties, and shall establish the circumstances under which the time necessary to participate in such counseling may be granted.*

*6. Unemployment Compensation. The Systems shall ensure that College employees receive the full unemployment compensation benefits to which they are legally entitled, and that the College's liability is limited to legitimate claims for such benefits.*

*7. Workers' Compensation. The Systems shall ensure that College employees have workers' compensation benefits to which they are legally entitled pursuant to the State Employees Workers' Compensation Program administered by the Department of Human Resource Management.*

*8. Performance Planning and Evaluation. The Systems shall include one or more performance planning and evaluation processes for College employees that (i) establish and communicate the College's performance expectations, (ii) help develop productive working relationships, (iii) allow employees to present their views concerning their performance, (iv) identify areas for training or professional development, (v) establish the process by which evaluations shall be conducted, (vi) clarify how superlative or inadequate performance shall be addressed, and (vii) ensure that all College employees are provided relevant information on the evaluation process. The Systems may include separate performance and evaluation processes for reasonably distinguishable groups of College employees. On the Effective Date of the College's initial Management*

*Agreement with the Commonwealth, the existing merit-based performance management system for faculty shall continue, until amended by the College. On or after that Effective Date, College nonfaculty salaried Participating Covered Employees may be subject to a variable merit-based performance management system.*

*9. Standards of Conduct and Performance. In order to protect the well-being and rights of all employees and to ensure safe, efficient College operations and compliance with the law, the Systems shall establish rules of personal conduct and standards of acceptable work performance for College salaried nonfaculty employees and policies for corrective discipline. In general, the policies for corrective discipline shall serve to (i) establish a uniform and objective process for correcting or disciplining unacceptable conduct or work performance, (ii) distinguish between less serious and more serious actions of misconduct and provide corrective action accordingly, and (iii) limit corrective action to employee conduct occurring only when employees are at work or are otherwise representing the College in an official or work-related capacity, unless otherwise specifically provided by the policies of the Systems or other applicable law. The Systems may provide for a probationary period for new and re-employed College salaried nonfaculty employees, during which period the policies for corrective discipline shall not be applicable and the employee may not use the grievance procedure set forth in the next paragraph. The Systems may include separate rules of personal conduct and standards of acceptable work performance and policies for corrective discipline for reasonably distinguishable groups of College employees.*

*10. Grievance Procedure. As provided in the Governing Law, employees shall be encouraged to resolve employment-related problems and complaints informally, and shall be permitted to discuss their concerns freely and without fear of retaliation with immediate supervisors and management. In the event that such problems cannot be resolved informally, all salaried nonfaculty College employees, regardless of their date of hire, shall have access, as provided in subsection A of § [23-38.114](#) and in § [23-38.117](#) of the Act, to the State Grievance Procedure, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2 of the Code of Virginia, to the extent it was applicable to their classification of employees prior to the Effective Date of the College's initial Management Agreement with the Commonwealth. On that Effective Date, and until changed by the College, the faculty grievance procedures in effect immediately prior to the Effective Date shall continue.*

*11. Discrimination Complaints. If a Classified Employee believes discrimination has occurred, the Classified Employee may file a complaint with the Department of Human Resource Management Office of Equal Employment Services. All Covered Employees*

*and applicants for employment after the Effective Date of the College's initial Management Agreement with the Commonwealth shall file a complaint with the appropriate College office or with the appropriate federal agencies.*

*12. Layoff Policy. The Systems shall include one or more layoff policies for salaried College employees who lose their jobs for reasons other than their job performance or conduct, such as a reduction in force or reorganization at the College. These College layoff policies shall govern such issues as (i) whether there is a need to effect a layoff, (ii) actions to be taken prior to a layoff, (iii) notice to employees affected by a layoff, (iv) placement options within the College or its respective major divisions and within other parts of the College, (v) the preferential employment rights, if any, of various College employees, (vi) the effect of layoff on leave and service, and (vii) the policy for recalling employees. In accordance with the terms of the Act, College employees who: (i) were employed prior to the Effective Date of the College's initial Management Agreement with the Commonwealth, (ii) would otherwise be eligible for severance benefits under the Workforce Transition Act, (iii) were covered by the Virginia Personnel Act prior to that Effective Date, and (iv) are separated because of a reduction in force shall have the same preferential hiring rights with State agencies and other executive branch institutions as Classified Employees have under § [2.2-3201](#) of the Code of Virginia. Conversely, the College shall recognize the hiring preference conferred by § [2.2-3201](#) on State employees who were hired by a State agency or executive branch institution before the Effective Date of the College's initial Management Agreement with the Commonwealth and who were separated after that date by that State agency or executive branch institution because of a reduction in workforce. If the College has adopted a classification system pursuant to § [23-38.116](#) of the Act that differs from the classification system administered by the Department of Human Resource Management, the College shall classify the separated employee according to its classification system and shall place the separated employee appropriately. The College may include separate policies for reasonably distinguishable groups of College employees. On or after the Effective Date of the College's initial Management Agreement with the Commonwealth, all employees from other State agencies and executive branch institutions who are placed by the College under the provisions of the State Layoff Policy shall be Participating Covered Employees.*

*13. Severance Benefits. In accordance with the terms of the Act, the College shall adopt severance policies for salaried Participating Covered Employees who are involuntarily separated for reasons unrelated to performance or conduct. The terms and conditions of such policies shall be determined by the Board of Visitors. Classified Employees who*

*otherwise would be eligible and were employed prior to the Effective Date of the College's initial Management Agreement with the Commonwealth shall be covered by the Workforce Transition Act, Chapter 32 (§ [2.2-3200](#) et seq.) of Title 2.2 of the Code of Virginia. The College and the Board of the Virginia Retirement System may negotiate a formula according to which cash severance benefits may be converted to years of age or creditable service for Participating Covered Employees who participate in the Virginia Retirement System. An employee's becoming, on the Effective Date, a Covered Employee shall not constitute a severance or reduction in force to which severance or Workforce Transition Act policies would apply.*

*14. Use of Alcohol and Other Drugs. The Systems shall include policies and procedures that (i) establish and maintain a work environment at the College that is free from the adverse effect of alcohol and other drugs, (ii) are consistent with the federal Drug-Free Workplace Act of 1988 and with the College of William and Mary Alcohol and Other Drugs Policy, (iii) describe the range of authorized disciplinary action, including termination where appropriate, for violations of such policies and procedures, and the process to be followed in taking such disciplinary action, (iv) provide College employees access to assistance and treatment for problems involving alcohol and other drugs, (v) provide for the circumstances under which employees are required to report certain violations of the policies and procedures to their supervisor, and the College is required to report those violations to a federal contracting or granting agency, (vi) describe the circumstances under which personnel records of actions taken under the College's alcohol and other drugs policy shall not be kept confidential, and (vii) provide notice to College employees of the scope and content of the College alcohol and other drugs policy. As part of this alcohol and other drugs policy, and in compliance with the federal Omnibus Transportation Employee Testing Act of 1991, the Systems may provide for pre-employment, reasonable suspicion, random, post-accident, return-to-duty and follow-up alcohol and other drug testing for College positions that are particularly safety sensitive, such as those requiring a Commercial Driver's License.*

*15. Background Checks. The Systems shall include a process for conducting background checks, which may include but is not limited to reference checks, educational/professional credentialing checks, and conviction and driver's records checks on applicants for full-time or part-time positions at the College, and for addressing situations where employees do not disclose a conviction on their application or otherwise falsify their application with regard to information concerning their education/professional credential and/or prior convictions.*

*16. Other Employee Relations Policies and Procedures. The Systems shall include any other reasonable employee relations policies or procedures that the President deems appropriate, which may include, but are not limited to, policies or procedures relating to orientation programs for new or re-employed College employees, an employee suggestion program, the responsibility of College employees for property placed in their charge, work breaks, inclement weather and emergencies, and employment outside the College.*

*E. Leave and Release Time.*

*The Systems shall include policies and procedures regarding leave for eligible employees. The Systems shall provide reasonable paid leave for purposes such as holidays, vacation, or other personal uses. The Systems may provide for release time for such matters as the donation of blood, participation in an employee assistance program and other appropriate employment-related matters. On or after the Effective Date of its initial Management Agreement with the Commonwealth, and until a new program is adopted by the appropriate authority, the College shall continue to provide leave and release time to Participating Covered Employees in accordance with the leave and release time policies and procedures applicable to each classification of employees prior to that Effective Date. On or after that Effective Date, the College may provide an alternative leave and release time system for salaried nonfaculty Participating Covered Employees.*

*F. Equal Employment Opportunity, Nondiscrimination, Employment, and Separation.*

*1. Equal Employment Opportunity and Nondiscrimination. The Systems shall contain policies and procedures to ensure that all aspects of human resources management, including the employment of College employees, meet all requirements of federal and state law, and of the relevant policies of the Board of Visitors, with regard to equal employment opportunity and nondiscrimination.*

*Employment. The Systems shall include policies and procedures for the recruitment, selection and hiring of College employees that are based on merit and fitness, including where appropriate a requirement for job posting, interviews, pre-employment testing, pre-employment drug testing, reference checks and conviction record checks. On and after the Effective Date of its initial Management Agreement with the Commonwealth, the College shall post all salaried nonfaculty position vacancies through the College's job posting system, the Commonwealth's job posting system, and other external media as appropriate. The Systems shall establish designated veterans' re-employment rights in accordance with applicable law.*

*In order to encourage employees to attain the highest level positions for which they are qualified, and to compensate employees for accepting positions of increased value and responsibility, the Systems shall include policies and procedures governing the promotion of employees, including the effect of promotion on an employee's compensation. On or after the Effective Date of the College's initial Management Agreement with the Commonwealth, all employees hired from other state agencies shall be Participating Covered Employees. College Classified Employees who change jobs within the College through a competitive employment process - i.e., promotion or transfer - shall have the choice of remaining a Classified Employee or becoming a Participating Covered Employee. If a Classified Employee elects to become a Participating Covered Employee, that decision shall be irrevocable.*

*Notice of Separation. The Systems shall include policies and procedures requiring reasonable notice, where appropriate, of a decision either by the employee or by the College to separate the employee from the College in accordance with policies governing performance, conduct, or layoff.*

*G. Information Systems.*

*The College shall provide an electronic file transfer of information on all salaried College employees and shall continue to provide the Employee Position Reports to meet the human resources reporting requirements specified by law or by request of the Governor or the General Assembly, unless the College is specifically exempted from those requirements. The College shall conduct assessments to demonstrate its accountability for human resources practices that comply with laws and regulations. The Department of Human Resource Management and the College have entered into a Memorandum of Understanding, attached hereto as Attachment 2, which may be amended from time to time by agreement of the parties, regarding the specific data and reporting requirements. The College shall be accountable for ensuring the timeliness and integrity of the data transmitted to the Department of Human Resources Management.*

*VII. CONTINUED APPLICABILITY OF OTHER PROVISIONS OF THE CODE OF VIRGINIA AND OTHER BOARD OF VISITORS' POLICIES AFFECTING COLLEGE PERSONNEL.*

*On and after the Effective Date of its initial Management Agreement with the Commonwealth, College employees shall be subject to the terms and conditions of the Act and the Management Agreement between the Commonwealth and the College. Classified Employees shall continue to be subject to the human resources policies and exceptions to those policies adopted or approved by the Department of Human Resource Management.*

*In addition, all College employees also shall remain subject to any other human resources policies adopted by the Board of Visitors applicable to College personnel unless College employees or a subset thereof are specifically exempted from those other human resources policies either by those other policies or by this Policy.*

## ATTACHMENT 2

### *Memorandum of Understanding*

*Between The College of William and Mary and the  
Department of Human Resources Management Regarding  
The Reporting of Human Resources Management Data*

*This Memorandum of Understanding, which may be amended from time to time by the agreement of all parties, is an attachment to the Policy Governing Human Resources for Participating Covered Employees and Other College Employees pursuant to the Restructured Higher Education Financial and Administrative Operations Act of 2005, and is hereby entered into between the College of William and Mary and the Department of Human Resource Management (DHRM).*

*I. This document outlines the provisions for information management pertaining to human resources data, consistent with the objectives to enable DHRM to meet the Commonwealth's reporting requirements, to ensure compliance with relevant federal and state laws and regulations, and to do so through efficient and cost-effective methods.*

*1. In lieu of data entry into the state's Personnel Management Information System (PMIS), data will be transmitted through an electronic file transfer to update DHRM's warehouse.*

*a. The College will provide a flat file of designated personnel data. For "Classified Employees," the data provided will match DHRM's data values for the designated fields. For salaried "Participating Covered Employees," the data provided will include the University's data values for the designated fields. The College will provide a data dictionary to DHRM. The file of designated data will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.*

*b. The College will provide a second flat file of salaried personnel actions for "Classified Employees" and salaried "Participating Covered Employees," such as promotions, separations, and salary adjustments. The file of relevant personnel actions and designated*

*data to be provided for each action will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.*

*2. DHRM will accept the federal Affirmative Action Plan (AAP), including the adverse impact analyses of employment and compensation actions that are part of the AAP, as demonstration of the College's compliance with relevant federal and state employment laws and regulations.*

*3. The College may key data into the Benefits Enrollment System or provide a batch file, or employees may use Employee Direct (employee self-service).*

*4. Other reports to be provided by the College include the following:*

*a. Monthly Employment Position Report.*

*b. Annual report on salaried, wage, and contract employees.*

*The undersigned hereby agree to the provisions contained in the MOU.*

*APPROVALS:*

*The College of William and Mary:*

*MANAGEMENT AGREEMENT*

*BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*THE COLLEGE OF WILLIAM AND MARY*

*PURSUANT TO*

*THE RESTRUCTURED HIGHER EDUCATION  
FINANCIAL AND ADMINISTRATIVE OPERATIONS  
ACT OF 2005*

*POLICY GOVERNING  
FINANCIAL OPERATIONS AND MANAGEMENT*

*THE RECTOR AND BOARD OF VISITORS  
OF THE COLLEGE OF WILLIAM AND MARY  
POLICY GOVERNING FINANCIAL OPERATIONS AND MANAGEMENT*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, establishes by law a process for granting additional authority to institutions of higher education for financial operations and management, subject to the adoption of policies by their governing boards and the approval of management agreements to be negotiated with the Commonwealth.*

*The following provisions of this Policy constitute the adopted Board of Visitors policies regarding the College of William and Mary's financial operations and management. This Policy is intended to cover the authority that may be granted to the College pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the College pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the College's Enabling Legislation, are not affected by this Policy.*

*II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*"Board of Visitors" or "Board" means the Rector and Board of Visitors of the College of William and Mary and the Virginia Institute of Marine Science.*

*"College" means the College of William and Mary (State Agency 204) and the Virginia Institute of Marine Science (State Agency 268).*

*“Covered Institution” means, on or after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the College.*

*“Effective Date” means the effective date of the initial Management Agreement between the College and the Commonwealth.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) of the Act between the College and the Commonwealth of Virginia.*

*“State Tax Supported Debt” means bonds, notes or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 20, 2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

### *III. SCOPE OF POLICY.*

*This Policy applies to the College’s responsibility for management, investment and stewardship of all its financial resources, including but not limited to, general, non-general and private funds. This responsibility includes maintaining an independent uniform system of accounting, financial reporting, and internal controls adequate to protect and account for the College’s financial resources.*

*The Virginia Institute of Marine Science (the Institute) shall receive the benefits of this Policy as it is implemented by the College on behalf of the Institute, but the Institute shall not receive any additional independent financial operations and management authority as a result of this Management Agreement beyond the independent financial operations and management authority that it had prior to the Effective Date of the College’s initial Management Agreement with the Commonwealth or that it may be granted by law in the future.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be*

*fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College's usual delegation policies and procedures.*

#### **V. FINANCIAL MANAGEMENT AND REPORTING SYSTEM.**

*The President, or designee, shall continue to be authorized by the Board to maintain existing and implement new policies governing the management of College financial resources. These policies shall continue to (i) ensure compliance with Generally Accepted Accounting Principles, (ii) ensure consistency with the current accounting principles employed by the Commonwealth, including the use of fund accounting principles, with regard to the establishment of the underlying accounting records of the College and the allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific types of fund sources, (iii) provide adequate risk management and internal controls to protect and safeguard all financial resources, including moneys transferred to the College pursuant to a general fund appropriation, and ensure compliance with the requirements of the Appropriation Act.*

*The financial management system shall continue to include a financial reporting system to satisfy both the requirements for inclusion into the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's Directives, and the College's separately audited financial statements. To ensure observance of limitations and restrictions placed on the use of the resources available to the College, the accounting and bookkeeping system of the College shall continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards Board.*

*In addition, the financial management system shall continue to provide financial reporting for the President, or designee, and the Board of Visitors to enable them to provide adequate oversight of the financial operations of the College. Upon the Effective Date of the initial Management Agreement between the College and the Commonwealth, except for the recordation of daily revenue deposits of State funds as specified in Section VII below, the College shall not be required to record its financial transactions in of the Commonwealth's Accounting and Reporting System ("CARS"), including the current monthly interfacing with CARS, or be a part of any subsequent Commonwealth financial systems that replace CARS or are in addition to CARS, but shall have its own financial reporting system. The College's financial reporting system shall provide (i) summary monthly reports for State agencies including, but not limited to, the Department of*

*Accounts, the Department of Planning and Budget, the Joint Legislative Audit and Review Commission, the Auditor of Public Accounts, and the State Council of Higher Education for Virginia, and for the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations at a sufficient level of detail, on such schedule, and using such format that is compatible with the Commonwealth's accounting system, as may be requested by the requesting State agency, and (ii) such other special reports as may be requested from time to time.*

#### **VI. FINANCIAL MANAGEMENT POLICIES.**

*The President, or designee, shall create and implement any and all financial management policies necessary to establish a financial management system with adequate risk management and internal control processes and procedures for the effective protection and management of all College financial resources. Such policies will not address the underlying accounting principles and policies employed by the Commonwealth and the College, but rather will focus on the internal operations of the College's financial management. These policies shall include, but need not be limited to, the development of a tailored set of finance and accounting practices that seek to support the College's specific business and administrative operating environment in order to improve the efficiency and effectiveness of its business and administrative functions. In general, the system of independent financial management policies shall be guided by the general principles contained in the Commonwealth's Accounting Policies and Procedures such as establishing strong risk management and internal accounting controls to ensure College financial resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of College programs.*

*Upon the Effective Date of its initial Management Agreement with the Commonwealth, the College shall continue to follow the Commonwealth's accounting policies until such time as specific alternate policies can be developed, approved and implemented. Such alternate policies shall include applicable accountability measures and shall be submitted to the State Comptroller for review and comment before they are implemented by the College.*

#### **VII. FINANCIAL RESOURCE RETENTION AND MANAGEMENT.**

*Under § [23-38.104](#)(A)(i) of the Act, subject to applicable accountability measures and audits, the College shall have the power and authority to manage all monies received by it. All State general funds to be allocated to the College shall remain subject to the appropriations process.*

Pursuant to subsection C of § [23-9.6:1.01](#) of the Code of Virginia, the State Council of Higher Education for Virginia (SCHEV) annually shall assess and certify to the Governor and General Assembly the degree to which each public institution of higher education of the Commonwealth has met the financial and administrative management and educational-related performance benchmarks called for by that subsection and approved as part of the Appropriation Act then in effect for the State goals and objectives set forth in subdivisions B 1 through B 11 of § [23-38.88](#) of the Act. Pursuant to § [2.2-5005](#) of the Code of Virginia, beginning with the fiscal year that immediately follows the first full fiscal year for which the financial and administrative management and educational-related performance benchmarks described in § [23-9.6:1.01](#) are effective, as provided in a general Appropriation Act, and for all fiscal years thereafter, each public institution of higher education of the Commonwealth that (i) has been certified during the fiscal year by SCHEV as having met such institutional performance benchmarks and (ii) meets the conditions prescribed in subsection B of § [23-38.88](#), shall receive certain financial incentives, including interest on the tuition and fees and other non-general fund Education and General Revenues deposited into the State Treasury by the public institution of higher education.

Consistent with the prior paragraph, beginning with the fiscal year following the first fiscal year for which it has received such certification from SCHEV, the College is authorized to hold and invest tuition, Educational and General (E&G) fees, research and sponsored program funds, auxiliary enterprise funds, and all other non-general fund revenues subject to the following requirements:

- i) The College shall deposit such funds in the State Treasury pursuant to the State process in place at the time of such deposit;
- ii) Such non-general funds deposited in the State Treasury shall be disbursed as provided in Section IX below;
- iii) The College shall remit to the State Comptroller quarterly and the State Comptroller shall hold in escrow all interest earned on the College's tuition and fees and other non-general fund Educational and General Revenues. Upon receipt of the required State Council of Higher Education for Virginia certification that the College has met such institutional performance benchmarks and the conditions prescribed in subsection B of § [23-38.88](#), the Governor shall include in the next budget bill a non-general fund appropriation, payable no later than July 1 of the immediately following fiscal year, equivalent to the amount deposited in the escrow account as the financial incentive provided in subdivision 1 of § [2.2-5005](#), after which time the College may expend the funds for purposes related to its mission. If public institutions of higher education of the Commonwealth are

*permitted, or the College in particular is permitted, by the Appropriation Act or other law to retain or be paid the interest the Commonwealth would have earned on sponsored programs and research funds, then this paragraph shall not apply to such interest on such funds, and such interest shall not be held in escrow.*

*iv) If in any given year the College does not receive the certification from the State Council of Higher Education for Virginia that it has met for that year the institutional benchmarks called for by subsection C of § [23-9.6:1.01](#) and approved in the then-current Appropriation Act, the Comptroller shall transfer to the general fund the balance in the escrow account as of June 30 of that year.*

*v) Beginning on the effective date of its initial Management Agreement with the College until the beginning of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the College shall continue to deposit tuition and all other non-general funds with the State Treasurer by the same process that it would have been required to use if it had not entered into a Management Agreement with the Commonwealth.*

*vi) On the first business day of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the College may draw down all cash balances held by the State Treasurer on behalf of the College related to tuition, E&G fees, research and sponsored programs, auxiliary enterprises, and all other non-general fund revenues.*

*vii) The Commonwealth shall retain all funds related to general fund appropriations, but shall pay these funds to the College as specified in Section IX below.*

*The College also shall have sum sufficient appropriation authority for all non-general funds as approved by the Governor and the General Assembly in the Commonwealth's biennial appropriations process, and shall report to the Department of Planning and Budget (i) its estimate of the non-general fund revenues for the sum sufficient appropriation to be included in the biennial Budget Bill for each of the two years in the next biennium by November 1 of each odd numbered year and the estimate to be included in the Budget Bill for the first and second year of the then-current biennium by November 1 of each even numbered year, and (ii) report its actual non-general fund revenues for each fiscal year to the Department of Planning and Budget by July 31 of the subsequent fiscal year.*

*The Board of Visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate commitment provided to need-based grant aid for middle- and lower-income undergraduate Virginians. Except as provided otherwise in the Appropriation Act then in effect, it is the intent of the Commonwealth and the College*

*that the College shall be exempt from the revenue restrictions in the general provisions of the Appropriation Act related to non-general funds. In addition, unless prohibited by the Appropriation Act then in effect, it is the intent of the Commonwealth and the College that the College shall be entitled to retain non-general fund savings generated from changes in Commonwealth rates and charges, including but not limited to health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates, rather than reverting such savings back to the Commonwealth. This financial resource policy assists the College by providing the framework for retaining and managing non-general funds, for the receipt of general funds, and for the use and stewardship of all these funds.*

*The President, or designee, shall continue to provide oversight of the College's cash management system which is the framework for the retention of non-general funds. The Internal Audit Department of the College shall periodically audit the College's cash management system in accordance with appropriate risk assessment models and make reports to the Audit Committee of the Board of Visitors. Additional oversight shall continue to be provided through the annual audit and assessment of internal controls performed by the Auditor of Public Accounts.*

*For the receipt of general and non-general funds, the College shall conform to the Security for Public Deposits Act, Chapter 44 (§ [2.2-4400](#) et seq.) of Title 2.2 of the Code of Virginia, as it currently exists and from time to time may be amended.*

#### **VIII. ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.**

*The President, or designee, shall continue to be authorized to create and implement any and all Accounts Receivable Management and Collection policies as part of a system for the management of College financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act, Chapter 48 (§ [2.2-4800](#) et seq.) of the Code of Virginia, such that the College shall take all appropriate and cost effective actions to aggressively collect accounts receivable in a timely manner.*

*These shall include, but not be limited to, establishing the criteria for granting credit to College customers; establishing the nature and timing of collection procedures within the above general principles; and the independent authority to select and contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and all collection activities for all College accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the College shall continue to utilize the Commonwealth's Debt Set Off Collection programs and procedures, shall develop*

*procedures acceptable to the Tax Commissioner and the State Comptroller to implement such programs, and shall provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt Collection Act.*

**IX. DISBURSEMENT MANAGEMENT.**

*The President, or designee, shall continue to be authorized to create and implement any and all disbursement policies as part of a system for the management of College financial resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from whatever source derived, in the execution of the College's operations. These policies also shall continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or services relative to the College's mission, including travel-related disbursements. Further, the College's disbursement policy shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and electronic payments. Since the College no longer will interface to the CARS system or any replacement for the CARS system for disbursements, the College shall establish its own mechanisms for electronic payments to vendors through Electronic Data Interchange (EDI) or similar process and payments to the Commonwealth's Debt Set Off Collection Programs.*

*Beginning with the fiscal year after the first fiscal year for which it first receives the required certification from SCHEV, the College may draw down its general fund appropriations (subject to available cash) and tuition and E&G fees and other non-general fund revenues from the State Treasury. Such funds shall be available to the College for disbursement as provided in the then-current rules of the Automated Clearing House (ACH) Network. The draw down of funds may be initiated in accordance with the following schedule:*

- i) The College may draw down one-twenty-fourth (1/24) of its annual general fund appropriation for Educational and General programs on the first and fifteenth days of each month, and up to 50% of its annual general fund appropriation for Student Financial Assistance on or after September 1 of each year with the remaining 50% to be drawn on or after February 1 of each year in order to meet student obligations;*
- ii) The College may draw down the sum of all tuition and E&G fees and all other non-general revenues deposited to the State Treasury each day on the same business day they were deposited; and*
- iii) The College anticipates that expenditures could exceed available revenues from time to time during the year if the above disbursement schedule is used. When the College*

*projects a cost deficit in activities supported by general fund appropriations, the College may make a request to the State Comptroller for an early draw on its appropriated general funds deposited in the State Treasury, in a form and within a timeframe agreeable to the parties, in order to cover expenditures.*

*These disbursement policies shall authorize the President, or designee, to independently select, engage, and contract for such consultants, accountants, and financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The policies also shall continue to include the ability to locally manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those programs, provided that the College shall submit the credit card and cost recovery aspects of its financial and operations policies to the State Comptroller for review and comment prior to implementing those aspects of those policies. The disbursement policies shall ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll disbursements. The College shall continue to provide summary quarterly prompt payment reports to the Department of Accounts in accordance with the reporting procedures established pursuant to the Prompt Payment Act.*

*The College's disbursement policies shall be guided by the principles of the Commonwealth's policies as included in the Commonwealth's Accounting Policy and Procedures Manual. Upon the Effective Date of its initial Management Agreement with the Commonwealth, the College shall continue to follow the Commonwealth's disbursement policies until such time as specific alternative policies can be developed, approved and implemented. Such alternate policies shall be submitted to the State Comptroller for review and comment prior to their implementation by the College.*

#### **X. DEBT MANAGEMENT.**

*The President, or designee, shall continue to be authorized to create and implement any and all debt management policies as part of a system for the management of College financial resources.*

*Pursuant to § [23-38.108\(B\)](#) of the Act, the College shall have the authority to issue bonds, notes, or other obligations that do not constitute State Tax Supported Debt, as determined by the Treasury Board, and that are consistent with debt capacity and management policies and guidelines established by its Board of Visitors, without obtaining the consent of any legislative body, elected official, commission, board, bureau, or*

*agency of the Commonwealth or of any political subdivision, and without any proceedings or conditions other than those specifically required by Subchapter 3 of the Act; provided that, the College shall notify the Treasurer of Virginia of its intention to issue bonds pursuant to this Policy at the time it adopts the bond issuance planning schedule for those bonds. Any new or revised debt capacity and management policy shall be submitted to the Treasurer of Virginia for review and comment prior to its adoption by the College.*

*The College recognizes that there are numerous types of financing structures and funding sources available each with specific benefits, risks, and costs. All potential funding sources shall be reviewed by the President, or designee*

*within the context of the overall portfolio to ensure that any financial product or structure is consistent with the College's objectives. Regardless of the financing structure(s) utilized, the President, or designee, shall obtain sufficient documentation to gain a full understanding of the transaction, including (i) the identification of potential risks and benefits, and (ii) an analysis of the impact on College creditworthiness and debt capacity. All such debt or financial products issued pursuant to the provisions of §§ 23.38-107 and 23.38-108 of the Act, shall be authorized by resolution of the Board of Visitors, providing that they do not constitute State Tax Supported Debt.*

*The College will establish guidelines relating to the total permissible amount of outstanding debt by monitoring College-wide ratios that measure debt compared to College balance-sheet resources and annual debt service burden. These measures will be monitored and reviewed regularly in light of the College's current strategic initiatives and expected debt requirements. The Board of Visitors shall periodically review and approve the College's debt capacity and debt management guidelines. Any change in the guidelines shall be submitted to the Treasurer of Virginia for review and comment prior to their adoption by the College.*

#### *XI. INVESTMENT POLICY.*

*It is the policy of the College to invest its operating and reserve funds solely in the interest of the College and in a manner that will provide the highest investment return with the maximum security while meeting daily cash flow demands and conforming to the Investment of Public Funds Act (§ [2.2-4500](#) et seq. of the Code of Virginia). Investments shall be made with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.*

*Endowment investments shall be invested and managed in accordance with the Uniform Management of Institutional Funds Act, §§ [55-268.1](#) through [55-268.10](#), and § [23-76.1](#) of the Code of Virginia.*

*The Board of Visitors shall periodically review and approve the investment guidelines governing the College's operating and reserve funds.*

## **XII. INSURANCE AND RISK MANAGEMENT.**

*By July 1 of each odd-numbered year, the College shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any insurance or risk management program made available to the College through the Commonwealth's Division of Risk Management and in which the College is then participating, to enable the Commonwealth to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the College proceeds to withdraw from the insurance or risk management program, the College shall reimburse the Commonwealth for all such additional costs attributable to such withdrawal, as determined by the Commonwealth's actuaries. Such payment shall be made in a manner agreeable to both the College and the Commonwealth.*

3. That the following Chapter 3 shall hereafter be known as the "2006 Management Agreement Between the Commonwealth of Virginia and The University of Virginia:"

### **CHAPTER 3.**

#### **MANAGEMENT AGREEMENT**

#### **BY AND BETWEEN**

**THE COMMONWEALTH OF VIRGINIA**

**AND**

**THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA**

*This MANAGEMENT AGREEMENT, executed this 15th day of November, 2005, by and between the Commonwealth of Virginia (hereafter, the Commonwealth) and the Rector and Visitors of the University of Virginia (hereafter, the University) provides as follows:*

#### **RECITALS**

*WHEREAS, the University has satisfied the conditions precedent set forth in subsections A and B of § [23-38.97](#) of the Code of Virginia, to become a public institution of higher education of the Commonwealth governed by Subchapter 3 (§ [23-38.91](#) et seq.)*

of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia (Subchapter 3 and the Act, respectively), as evidenced by:

1. *Board of Visitors Approval.* The minutes of a meeting of the Board of Visitors of the University held on June 10, 2005, and the accompanying certification of the Secretary of the Board, indicate that an absolute two-thirds or more of the members voted to approve the resolution required by subdivision A 1 of § [23-38.97](#) of the Act;
  2. *Written Application to the Governor.* The University has submitted to the Governor a written Application, dated October 27, 2005, with copies to the Chairmen of the House Committee on Appropriations, the House Committee on Education, the Senate Committee on Finance, and the Senate Committee on Education and Health, expressing the sense of its Board of Visitors that the University is qualified to be, and should be, governed by Subchapter 3 of the Act, and substantiating that the University has fulfilled the requirements of paragraph 2 of subsection A of § [23-38.97](#) of the Act; and
  3. *Finding by the Governor.* In accordance with subsection B of § [23-38.97](#) of the Act, the Governor has found that the University has fulfilled the requirements of subdivision A 2 of § [23-38.97](#), and therefore has authorized Cabinet Secretaries to enter into this Management Agreement on behalf of the Commonwealth with the University; and
- WHEREAS, the University is therefore authorized to enter into this Management Agreement as provided in subsection D of § [23-38.88](#) and Subchapter 3 of the Act.

AGREEMENT

NOW, THEREFORE, in accordance with the provisions of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in consideration of the foregoing premises, the Commonwealth and the University do now agree as follows:

ARTICLE 1. DEFINITIONS.

As used in this Agreement, the following terms have the following meanings, unless the context requires otherwise:

“Academic Division” means that part of the University known as (State Agency 207).

“Act” means the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.

“Agreement” means “Management Agreement.”

“Board of Visitors” means the Rector and Board of Visitors of the University of Virginia.

“College” means that part of the University operated as the University of Virginia’s College at Wise (State Agency 246).

*“Covered Employee” means any person who is employed by the University on either a salaried or wage basis.*

*“Covered Institution” means, on and after the effective date of its initial management agreement with the Commonwealth, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by and in accordance with the provisions of subsection D of § [23-38.88](#) and Subchapter 3 of the Act.*

*“Enabling legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), [51.1-126.3](#), and [51.1-1100](#) in the case of the University of Virginia Medical Center.*

*“Management Agreement” means this agreement between the Commonwealth of Virginia and the University as required by subsection D of § [23-38.88](#) and Subchapter 3 of the Act.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center (State Agency 209), and related health care and health maintenance facilities.*

*“Parties” means the parties to this Management Agreement, the Commonwealth of Virginia and the University.*

*“Public institution of higher education” means those two-year and four-year institutions enumerated in § [23-14](#) of the Code of Virginia.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

## ARTICLE 2. SCOPE OF MANAGEMENT AGREEMENT.

### SECTION 2.1. Enhanced Authority Granted and Accompanying Accountability.

*Subchapter 3 of the Act, provides that, upon the execution of, and as of the effective date for, this Management Agreement, the University shall become a Covered Institution entitled to be granted by the Commonwealth and to exercise the powers and authority provided in Subchapter 3 of the Act, that are expressly contained in this Management Agreement. In general, subject to its management agreement with the Commonwealth, status as a Covered Institution governed by Subchapter 3 of the Act, and this Management Agreement is intended to replace (i) the post-General Assembly authorization prior-approval system of reviews, approvals, policies and procedures carried out and implemented by a variety of central State agencies with (ii) a post-audit system of reviews and accountability under which a Covered Institution is fully responsible and*

*fully accountable for managing itself pursuant to Subchapter 3 of the Act and its management agreement with the Commonwealth.*

*SECTION 2.1.1. Assessments and Accountability. The University and its implementation of the enhanced authority granted by Subchapter 3 of the Act and this Management Agreement, and the Board of Visitors policies attached hereto as Exhibits M through R, shall be subject to the reviews, assessments, and audits (i) set forth in the Act that are to be conducted by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, or (ii) as may be conducted periodically by the Secretaries of Finance, Administration, Education, or Technology, or by some combination of these four Secretaries, or (iii) as otherwise may be required by law other than the Act.*

*SECTION 2.1.2. Express Grant of Powers and Authority. Subject to the specific conditions and limitations contained in Article 4 (Institutional Management), Article 5 (Capital Projects; Procurement; Property Generally), and Article 6 (Human Resources) of Subchapter 3 of the Act, the Commonwealth and the University agree that the Commonwealth has expressly granted to the University by this Management Agreement all the powers and authority contained in certain policies adopted by the Board of Visitors of the University attached hereto as Exhibits M through R and governing (1) the undertaking and implementation of capital projects, and other acquisition and disposition of property (Exhibit M), (2) the leasing of property, including capital leases (Exhibit N), (3) information technology (Exhibit O), (4) the procurement of goods, services, including certain professional services, insurance, and construction (Exhibit P), (5) human resources (Exhibit Q), and (6) its system of financial management (Exhibit R), including, as provided in subsection B of § [23-38.104](#) of the Act, the sole authority to establish tuition, fees, room, board, and other charges consistent with sum sufficient appropriation authority for non-general funds as provided by the Governor and the General Assembly in the Commonwealth's biennial appropriations authorization. Subject to the specific conditions and limitations contained in Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act, in this Management Agreement, and in one or more of the Board of Visitors policies attached hereto as Exhibits M through R, the Commonwealth and the University agree that the Commonwealth has expressly granted to the University all the powers and authority permitted by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Management Agreement and the policies adopted by*

*it and attached hereto as Exhibits M through R. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate the duties and responsibilities set forth in this Management Agreement to its officers, committees, and subcommittees, and, as set forth in the policies adopted by the Board and attached hereto as Exhibits M through R, to a person or persons within the University.*

*SECTION 2.1.3. Reimbursement by the University of Certain Costs. By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any health or other group insurance or risk management program made available to the University through any agency, body corporate, political subdivision, authority, or other entity of the Commonwealth, and in which the University is then participating, to enable the Commonwealth's actuaries to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the University proceeds to withdraw from such health or other group insurance or risk management program, the University shall, pursuant to subdivision D 2 c of § [23-38.88](#), reimburse the Commonwealth for all such additional costs attributable to such withdrawal as determined by the Commonwealth's actuaries.*

*SECTION 2.1.4. Potential Impact on Virginia College Savings Plan. As required by subdivision D (2) (c) of § [23-38.88](#) of the Act, the University has given consideration to potential future impacts of tuition increases on the Virginia College Savings Plan (§ [23-38.75](#) of the Code of Virginia) and has discussed those potential impacts with the Executive Director and staff of that Plan and with parties in the Administration who participated in the development of this Management Agreement. The Executive Director of the Plan has provided to the University and the Commonwealth the Plan's assumptions underlying the contract pricing of the program.*

*SECTION 2.1.5. Justification for Deviations from the Virginia Public Procurement Act. Pursuant to § [23-38.110](#) of the Act, and subject to the provisions of this Management Agreement, the University may be exempt from the provisions of the Virginia Public Procurement Act (VPPA), Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2 of the Code of Virginia. Any procurement policies or rules that deviate from the VPPA must be uniform across all institutions governed by Subchapter 3 of the Act, and the Board of Visitors shall adopt and comply with procurement policies that are based upon competitive principles and seek competition to the maximum practical degree. The Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of*

*Surplus Materials and the Rules Governing Procurement of Goods, Services, Insurance, and Construction (the Procurement Rules) attached to that Policy as Attachment 1 constitute the policies and uniform deviations from the VPPA required by subsections A and B of § [23-38.110](#) of the Act.*

*Subsection D of § [23-38.110](#) of the Act, requires that the University identify the public, educational, and operational interests served by any procurement rule or rules that deviate from those in the VPPA. The adopted Board of Visitors policy on procurement and the Procurement Rules provide the University with the autonomy to administer its procurement process while fully adhering to the principle that competition should be sought to the maximum extent feasible. This autonomy will better position the University to support the requirements of its growing teaching, research and outreach missions. Greater autonomy in procurement will improve internal capacity to respond quickly to emergent material and service issues and, therefore, enable the University to be more efficient and effective in meeting the Commonwealth's goals for institutions of higher education. In some instances, costs will be reduced. Taken collectively, the University's procurement policies and rules that differ from those required by the VPPA will enhance procurement "best practices" as they currently are being observed within the higher education community nationally. Further, these changes will provide efficiencies to both the University and public sector suppliers.*

*SECTION 2.1.6. Quantification of Cost Savings. Subsection C of § [23-38.104](#) of the Act, requires that a Covered Institution include in its management agreement with the Commonwealth the quantification of cost savings realized as a result of the additional operational flexibility provided pursuant to Subchapter 3 of the Act. Since this initial Management Agreement with the Commonwealth has not yet been implemented by the University, the parties agree that the University is not in a position to quantify any such cost savings at this time, although the University expects that there will be cost savings resulting from the additional authority granted to the University pursuant to Subchapter 3 of the Act, and that such cost savings will be part of the determinations made during the reviews, assessments, and audits to be conducted pursuant to Subchapter 3 of the Act by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, and as otherwise described in Section 2.1.1 above.*

*SECTION 2.1.7. Participation in State Programs. The Commonwealth intends that the University shall continue to fully participate in, and receive funding support from the many and varied programs established now or in the future by the Commonwealth to provide support for Virginia's public institutions of higher education and for Virginians*

*attending such institutions, including but not limited to: the state capital outlay and bond financing initiatives undertaken from time to time by the Commonwealth; the Higher Education Equipment Trust Fund established pursuant to (§ [23-30.24](#) et seq.) of the Code of Virginia; the Maintenance Reserve Fund as provided in the Appropriation Act; the Eminent Scholars program as provided in the Appropriation Act; the Commonwealth's various student financial assistance programs; and other statewide programs or initiatives that exist, or may be established, in support of the Commonwealth's higher education institutions, programs, or activities.*

*As a teaching hospital that is a part of the University as of the Effective Date, the Medical Center shall continue to be characterized as a state government-owned or operated and state-owned teaching hospital for purposes of payments under the State Plan for Medicaid Services adopted pursuant to (§ [32.1-325](#) et seq.). The University has committed to serve indigent and medically indigent patients through its adoption of the Guidelines for the Eligibility of Indigent and Medically Indigent Persons for Health Care Services at the State University Teaching Hospitals. Pursuant to subsection B of § [23-38.93](#) of the Act, the Commonwealth, through the Department of Medical Assistance Services, shall, subject to the appropriation in the Appropriation Act in effect, continue to reimburse the full cost of the provision of care, treatment, health-related and educational services to indigent and medically indigent patients and continue to treat the Medical Center as a Type One Hospital for purposes of such reimbursement.*

*SECTION 2.1.8. Implied Authority. Pursuant to subdivision D 1 of § [23-38.88](#) of the Act, the only implied authority granted to the University by this Management Agreement is that implied authority that is actually necessary to carry out the expressed grant of financial or operational authority contained in this Agreement or in the policies adopted by the University's Board of Visitors and attached hereto as Exhibits M through R.*

*SECTION 2.1.9. Exercise of Authority. The University and the Commonwealth acknowledge and agree that the execution of this Management Agreement constitutes the conclusion of a process that, as of the effective date of this Agreement, confers upon the University the enhanced authority and operating flexibility described above, all of which is in furtherance of the purposes of Subchapter 3 of the Act. Therefore, without any further conditions or requirements, the University shall, on and after the effective date of this Management Agreement, be authorized to exercise the authority conferred upon it by this Management Agreement and the policies adopted by its Board of Visitors attached hereto as Exhibits M through R, and by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act except to the extent that the powers and authority contained in*

*Article 3 of Subchapter 3 of the Act have been limited by this Management Agreement or the Board of Visitors policies attached hereto as Exhibits M through R.*

*The University and the Commonwealth also acknowledge and agree that, pursuant to subsection A of § [23-38.91](#) of the Act and consistent with the terms of this Management Agreement, the Board of Visitors of the University shall assume full responsibility for management of the University, subject to the requirements and conditions set forth in Subchapter 3 of the Act, the general requirements for this Management Agreement as provided in § [23-38.88](#) of the Act, and this Management Agreement. The Board of Visitors shall be fully accountable for (a) the management of the University as provided in the Act, (b) meeting the requirements of §§ [2.2-5004](#), [23-9.2:3.02](#), and [23-9.6:1.01](#) of the Code of Virginia, and (c) meeting such other provisions as are set forth in this Management Agreement.*

**SECTION 2.2. State Goals.**

**SECTION 2.2.1. Furthering State Goals.** *As required for all public institutions of higher education of the Commonwealth by subsection B of § [23-38.88](#) of the Code of Virginia, prior to August 1, 2005, the Board of Visitors of the University adopted the resolution setting forth its commitment to the Governor and the General Assembly to meet the State goals specified in that subsection B. In addition to the above commitments, the University commits to furthering these State goals by:*

- 1. In addition to its six-year target of achieving \$337 million in external research by 2011-12, the University commits to match from institutional funds, other than general funds or tuition, on a dollar for dollar basis, any additional research funds provided by the State in the Appropriation Act above the amount provided from institutional funds for research in 2005-06.*
- 2. In a concerted effort to provide educational opportunities to Virginia students attending institutions in the Virginia Community College System (VCCS) and Richard Bland College, the University commits to work with Virginia Polytechnic Institute and State University (Virginia Tech) and the College of William and Mary in Virginia to establish a program under which these three institutions will increase significantly the number of such students transferring to their institutions. Specifically, pursuant to this program, the University, Virginia Tech and the College of William and Mary in Virginia collectively commit to enroll as transfer students from VCCS institutions and Richard Bland College (i) by the 2007-08 fiscal year, not less than approximately 300 new such transfer students each year over the number enrolled in 2004-05, for a total of approximately 900 such transfer students each year, and (ii) by the end of the decade, not less than approximately 650 new such transfer students each year over the number enrolled in 2004-05,*

*for a total of approximately 1,250 such transfer students each year. The three institutions have agreed that they will mutually determine how to divide the responsibility for these additional transfer students equitably among themselves.*

*3. As an institutional priority and obligation, the University commits to the Governor and General Assembly to work meaningfully and visibly with an economically distressed region or local area of the Commonwealth, not smaller in size than a city or county, which lags behind the Commonwealth in education, income, employment, and other factors. The University commits to establish a formal partnership with that area to develop jointly a specific action plan that builds on the University's programmatic strengths and uses the University's faculty, staff and, where appropriate, student expertise to stimulate economic development in the area to make the area more economically viable, and to improve student achievement and teacher and administrator skill sets in a school division in that area. The University shall submit the action plan to the Governor and General Assembly by no later than December 31, 2006, and shall report to the Governor and General Assembly by September 1 of each year on its progress in implementing the action plan during the prior fiscal year.*

*SECTION 2.2.2. Student Enrollment, Tuition, and Financial Aid. As required by § [23-9.2:3.02](#) of the Code of Virginia, the University, along with all other public institutions of higher education of the Commonwealth, has developed and submitted to the State Council of Higher Education for Virginia (SCHEV) by October 1, 2005, an institution-specific Six-Year Plan addressing the University's academic, financial, and enrollment plans for the six-year period of fiscal years 2006-07 through 2011-12. Subsection A of § [23-9.2:3.02](#) requires the University to update this Six-Year Plan by October 1 of each odd-numbered year. Subsection B of § [23-38.97](#) of the Act requires that a management agreement address, among other issues, such matters as the University's in-state undergraduate student enrollment, its financial aid requirements and capabilities, and its tuition policy for in-state undergraduate students. These matters are addressed below and in the University's Six-Year Plan submitted to SCHEV, and the parties therefore agree that the University's Six-Year Plan and the description below meet the requirement of subsection B of § [23-38.97](#) of the Act.*

*Subsection B of § [23-38.104](#) of the Act requires the Board of Visitors of the University to include in this Management Agreement the University's commitment to provide need-based grant aid for middle- and lower-income Virginia students in a manner that encourages student enrollment and progression without respect to potential increases in tuition and fees. The University's commitment in this regard is clear.*

*The Academic Division will continue to offer enrollment to in-state undergraduate students without regard to ability to pay and shall continue implementation of AccessUVa, a financial aid program designed to keep higher education affordable for all undergraduate students, including Virginians and non-Virginians, who qualify for admission, regardless of economic circumstance. In the fall 2005 AccessUVa was modified to provide expanded benefits for qualifying Virginia Community College System transfer students. The program shall be substantially as described in the remainder of this Section 2.2.2, as may be amended from time to time by the Board of Visitors of the University and reported to the Secretaries of Finance and Education and the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations.*

*The Academic Division currently offers financial aid packages to **meet 100% of demonstrated need to all qualified undergraduate students**. This goal was met in 2004-05.*

*The Academic Division will eliminate all need-based loans, replacing them with grants, in the financial-aid packages of low-income undergraduate students, beginning with the fall 2004 entering class. At this time low-income is defined as families with an income equivalent to 200% of the federal poverty line or less. This phase will be fully implemented by fall 2007. The University's goals for this component of the program include:*

- 1. Increase enrollment by low-income students.*
- 2. Improve the socio-economic diversity at the University.*
- 3. Enable low-income financial aid recipients to have an enhanced student experience.*
- 4. Improve satisfaction in post graduate choices of low-income financial aid recipients.*

*Success in attaining these goals will be measured by five metrics, 1) applications from low-income students, 2) low-income applicants offered admissions, 3) low-income applicants who accepted offers, 4) yield of low-income students, and 5) percentage of low-income students in the student body. In 2005-06 applications from low-income students rose 13.1% from the previous year for a total of 875. The University offered admission to 357 applicants, 10% more than in the prior year. Almost 40% more of those low-income students to whom the University offered admission for the 2005-06 academic year accepted the offer, 233 compared to 133 last year, increasing the yield from 50% to over 64%.*

*The trend in the percentage of low-income students in the student body has also improved over the last two years increasing from 4.29% in 2004-05 to 6.45% in 2005-06.*

*The University expects to increase the numbers of low-income students enrolled from the current 830 to 1,033 by 2011-12 as outlined in the Six-Year Plan.*

*The Academic Division will cap the amount of need-based loans to any undergraduate student who qualifies for some form of financial aid to a maximum of 25% of the total in-state cost of attendance over four years and will meet the remaining need with grants,*

*beginning with the fall 2005 first-year or VCCS transfer students. All students, regardless of state residency, will receive the in-state cap level. This phase will be fully implemented by fall 2008. This particular component of the program is targeted at middle-income students whose families earn between \$75,000 and \$149,999. The University's goals for this component of the program include:*

- 1. Improve the socio-economic diversity at the University.*
- 2. Enable financial aid recipients to have an enhanced student experience.*
- 3. Improve satisfaction in post graduate choices.*

*Success will be measured in this area by three metrics, 1) applications from middle-income students, 2) participation of financial aid recipients in study abroad, internships, volunteer work, student activities, etc., and 3) post graduate choices and starting salaries. Seven percent or 219 more middle-income students applied to the University in 2005-06 than in 2004-05 and qualified for AccessUVa benefits.*

*The Academic Division will provide comprehensive counseling to prospective and current students and their families, assisting them in the financial aid application process and presenting them with financing options outside of need-based financial aid. This last component of the program has three main goals:*

- 1. Improve the perception of the University as affordable.*
- 2. Increase the socio-economic diversity of the University.*
- 3. Improve student understanding of financial planning and debt management.*

*The University's financial aid educational programs are currently being designed. We expect to measure trends in the following ways in order to gage success: 1) usage figures of educational programs provided on financial planning and debt management, 2) percent of financial aid applicants participating in financial management programs, and 3) evaluation of effectiveness of the educational programs.*

*The Commonwealth and the University agree that this commitment meets the requirements of subsection B of § [23-38.104](#) of the Act.*

*SECTION 2.3. Authority Granted to The University of Virginia's College at Wise. The College shall receive the benefits of the additional financial and operational authority granted by this Management Agreement as it and the policies adopted by the Board of Visitors attached as Exhibits M through R are implemented by the University on behalf of the College, but the College shall not receive any additional independent financial or operational authority as a result of this Management Agreement or the attached Board of Visitors policies beyond the independent financial and operational authority that it had prior to the effective date of this Management Agreement or that it may be granted by law in the future.*

*SECTION 2.4. Other Law. As provided in subsection B of § [23-38.91](#) of the Act, the University shall be governed and administered in the manner provided not only in this Management Agreement, but also as provided in the Appropriation Act then in effect and the University's Enabling Legislation.*

*SECTION 2.4.1. The Appropriation Act. The Commonwealth and the University agree that, pursuant to the current terms of the Act and the terms of § 4-11.00 of the 2004-06 Appropriation Act, if there is a conflict between the provisions of the Appropriation Act and the provisions of Subchapter 3 of the Act, or this Management Agreement, or the Board of Visitors policies attached to this Management Agreement as Exhibits M through R, the provisions of the Appropriation Act shall control, and shall continue to control unless provided otherwise by law.*

*SECTION 2.4.2. The University's Enabling Legislation. As provided in subsection C of § [23-38.91](#) of the Act, in the event of a conflict between any provision of Subchapter 3 of this Act and the University's Enabling Legislation, the Enabling Legislation shall control, except as provided in subdivision A. 1.b of § [23-38.112](#) of the Act, regarding § [23-77.1](#).*

*SECTION 2.4.3. Title 2.2 of the Code of Virginia. As provided in subsection B of § [23-38.92](#) of the Act, except as specifically made inapplicable under Subchapter 3 of the Act and the express terms of this Management Agreement, the provisions of Title 2.2 relating generally to the operation, management, supervision, regulation, and control of public institutions of higher education shall be applicable to the University as provided by the express terms of this Management Agreement. As further provided in subsection C of § [23-38.92](#) of the Act, in the event of conflict between any provision of Title 2.2 and any provision of Subchapter 3 of the Act as expressed in this Management Agreement, the provisions of this Management Agreement shall control.*

*SECTION 2.4.4. Educational Policies of the Commonwealth. As provided in subsection A of § [23-38.93](#) of the Act, for purposes of §§ [2.2-5004](#), [23-1.01](#), [23-1.1](#), [23-2](#), [23-2.1](#), [23-2.1:1](#), [23-3](#), [23-4.2](#), [23-4.3](#), [23-4.4](#), [23-7.1:02](#), [23-7.4](#), [23-7.4:1](#), [23-7.4:2](#), [23-7.4:3](#), [23-7.5](#), [23-8.2:1](#), [23-9.1](#), [23-9.2](#), [23-9.2:3](#), [23-9.2:3.02](#), [23-9.2:3.1](#) through [23-9.2:5](#), [23-9.6:1.01](#), and Chapter 4.9 (§ [23-38.75](#) et seq.) of the Code of Virginia, the University shall remain a public institution of higher education of the Commonwealth following the effective date of this Management Agreement, and shall retain the authority granted and any obligations required by such provisions, unless and until provided otherwise by law other than the Act. In addition, the University shall retain the authority, and any obligations related to the exercise of such authority, that is granted to institutions of higher education pursuant to Chapter 1.1 (§ [23-9.3](#) et seq.), Chapter 3 (§ [23-14](#) et seq.), Chapter 3.2 (§ [23-30.23](#) et seq.), Chapter 3.3 (§ [23-30.39](#) et seq.), Chapter 4 (§ [23-31](#) et seq.), Chapter*

4.01 (§ [23-38.10:2](#) et seq.), Chapter 4.1 (§ [23-38.11](#) et seq.), Chapter 4.4 (§ [23-38.45](#) et seq.), Chapter 4.4:1 (§ [23-38.53:1](#) et seq.), Chapter 4.4:2 (§ [23-38.53:4](#) et seq.), Chapter 4.4:3 (§ [23-38.53:11](#)), Chapter 4.4:4 (§ [23-38.53:12](#) et seq.), Chapter 4.5 (§ [23-38.54](#) et seq.), Chapter 4.7 (§ [23-38.70](#) et seq.), Chapter 4.8 (§ [23-38.72](#) et seq.), and Chapter 4.9 (§ [23-38.75](#) et seq.), unless and until provided otherwise by law other than the Act.

SECTION 2.4.5. *Public Access to Information.* As provided in § [23-38.95](#) of the Act, the University shall continue to be subject to § [2.2-4342](#) and to the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, but shall be entitled to conduct business pursuant to § [2.2-3709](#) and, in all cases, may conduct business as a “state public body” for purposes of subsection B of § [2.2-3708](#).

SECTION 2.4.6. *Conflicts of Interests.* As provided in § [23-38.96](#) of the Act, the provisions of the State and Local Government Conflict of Interests Act, Chapter 32 (§ [2.2-3100](#) et seq.) that are applicable to officers and employees of a state governmental agency shall continue to apply to the members of the Board of Visitors of the University and to its Covered Employees.

SECTION 2.4.7. *Other Provisions of the Code of Virginia.* Other than as specified above, any other powers and authorities granted to the University pursuant to any other sections of the Code of Virginia, including other provisions of the Act, are not affected by this Management Agreement or the Board policies attached hereto as Exhibits M through R.

### ARTICLE 3. AMENDMENTS TO, AND RIGHT AND POWER TO VOID OR REVOKE, MANAGEMENT AGREEMENT.

SECTION 3.1. *Amendments.* Any change to or deviation from this Management Agreement or the Board of Visitors policies attached hereto as Exhibits M through R shall be reported to the Secretaries of Finance, Administration, Education, and Technology and to the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations and shall be posted on the University's website. The change or deviation shall become effective unless one of the above persons notifies the University in writing within 60 days that the change or deviation is substantial and material. Any substantial and material change or deviation shall require the execution by the parties of an amendment to this Management Agreement or a new Management Agreement pursuant to the provisions of subsection D of § [23-38.88](#) and may lead to the Governor declaring this Management Agreement to be void pursuant to subdivision D 4 of § [23-38.88](#) of the Act.

SECTION 3.2. *Right and Power to Void, Revoke, or Reinstate Management Agreement.*

*SECTION 3.2.1. Governor. Pursuant to subdivision D 4 of § [23-38.88](#), and § [23-38.98](#), of the Act, if the Governor makes a written determination that the University is not in substantial compliance with the terms of this Management Agreement or with the requirements of the Act in general, (i) the Governor shall provide a copy of that written determination to the Rector of the Board of Visitors of the University and to the members of the General Assembly, and (ii) the University shall develop and implement a plan of corrective action, satisfactory to the Governor, for purposes of coming into substantial compliance with the terms of this Management Agreement and with the requirements of the Act, as soon as practicable, and shall provide a copy of such corrective action plan to the members of the General Assembly. If after a reasonable period of time after the corrective action plan has been implemented by the University, the Governor determines that the institution is not yet in substantial compliance with this Management Agreement or the requirements of the Act, the Governor may void this Management Agreement. Upon the Governor voiding this Management Agreement, the University shall no longer be allowed to exercise any restructured financial or operational authority pursuant to the provisions of Subchapter 3 of the Act unless and until the University has entered into a subsequent management agreement with the Secretary or Secretaries designated by the Governor or the voided Management Agreement is reinstated by the General Assembly.*

*SECTION 3.2.2. General Assembly. As provided in subdivision D 4 of § [23-38.88](#) of the Act, the General Assembly may reinstate a Management Agreement declared void by the Governor. Pursuant to § [23-38.98](#) of the Act, the University's status as a Covered Institution governed by Subchapter 3 of the Act may be revoked by an act of the General Assembly (i) if the University fails to meet the requirements of Subchapter 3 of the Act, or (ii) if the University fails to meet the requirements of this Management Agreement.*

#### **ARTICLE 4. GENERAL PROVISIONS.**

*SECTION 4.1. No Third-Party Beneficiary Status. Nothing in this Agreement, express or implied, shall be construed as conferring any third-party beneficiary status on any person or entity.*

*SECTION 4.2. Sovereign Immunity. Pursuant to subsection E of § [23-38.88](#) of the Act, the University and the members of its Board of Visitors, officers, directors, employees, and agents shall be entitled to the same sovereign immunity to which they would be entitled if the University were not governed by the Act; provided that the Virginia Tort Claims Act, (§ [8.01-195.1](#) et seq.) of the Code of Virginia, and its limitations on recoveries shall remain applicable with respect to the University.*

*SECTION 4.3. Term of Agreement. This Management Agreement shall expire at midnight on June 30, 2010.*

*WHEREFORE, the foregoing Management Agreement has been executed as of this 15th day of November, 2005, and shall become effective on the effective date of legislation enacted into law providing for the terms of such Agreement.*

*EXHIBIT M*

*MANAGEMENT AGREEMENT*

*BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*THE UNIVERSITY OF VIRGINIA*

*PURSUANT TO*

*THE RESTRUCTURED HIGHER EDUCATION*

*FINANCIAL AND ADMINISTRATIVE OPERATIONS*

*ACT OF 2005*

*POLICY GOVERNING CAPITAL PROJECTS*

*THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA*

*POLICY GOVERNING CAPITAL PROJECTS*

*I. PREAMBLE.*

*Chapters 995 and 933 of the 1996 Acts of Assembly (House Bill No. 884 and Senate Bill No. 389, respectively) delegated limited but significant autonomy to the University of Virginia to establish its own post-appropriation system for undertaking the implementation of non-general fund capital projects for the University of Virginia Medical Center. Similarly, § 4-5.08 of the 1996 Appropriation Act, delegated nearly identical limited autonomy to the University as a whole for non-general fund capital projects. Pursuant thereto, in 1996 the Board of Visitors adopted a Policy Statement Governing Exercise of Post-Appropriation Autonomy for Certain Non-General Fund Capital Projects (the Existing Policy Statement).*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, the University may be delegated the authority to establish its own system for undertaking the implementation of its capital projects. In general, status as a Covered Institution is designed to replace the post-authorization system of reviews, approvals, policies and procedures carried out by a variety of central State agencies, and also the traditional pre-authorization approval process for projects funded entirely with non-general funds and without any proceeds from State Tax Supported Debt. The University's system for carrying out its capital outlay process as a Covered Institution is to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy, together with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy, constitute the adopted Board of Visitors policies regarding the University's capital projects, whether funded by a state general fund appropriation, State Tax Supported Debt, or funding from other sources. This Policy is intended to encompass and implement the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy. In particular, other powers and authorities granted to the Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy.*

## *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Academic Division” means that part of the University known as (State Agency 207).*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Visitors of the University of Virginia.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“Capital Professional Services” means professional engineering, architecture, land surveying and landscape architecture services related to capital projects.*

*“Capital project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction, improvements or renovations, and Capital Leases.*

*“College” means that part of the University operated as the University of Virginia’s College at Wise, also known as (State Agency 246).*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), [51.1-126.3](#), and [51.1-1100](#) in the case of the Medical Center.*

*“Existing Policy Statement” means the Policy Statement Governing Exercise of Post-Appropriation Autonomy for Certain Non-General Fund Capital Projects adopted by the Board of Visitors in 1996.*

*“Major Capital Project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction of 5,000 square feet or greater or costing \$1 million or more, improvements or renovations of \$1 million or more, and Capital Leases.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center (State Agency 209), and related health care and health maintenance facilities.*

*“State Tax Supported Debt” means bonds, notes or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 20, 2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

### *III. SCOPE OF POLICY.*

*This Policy applies to the planning and budget development for capital projects, capital project authorization, and the implementation of capital projects, whether funded by a general fund appropriation of the General Assembly, proceeds from State Tax Supported Debt, or funding from other sources.*

*This Policy provides guidance for 1) the process for developing one or more capital project programs for the University, 2) authorization of new capital projects, 3) procurement of Capital Professional Services and construction services, 4) design reviews and code approvals for capital projects, 5) environmental impact requirements, 6) building demolitions, 7) building and land acquisitions, 8) building and land dispositions, 9) project management systems, and 10) reporting requirements.*

#### **IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.**

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

#### **V. CAPITAL PROGRAM.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall adopt a system for developing one or more capital project programs that defines or define the capital needs of the University for a given period of time consistent with the University's published Master Plan. This process may or may not mirror the Commonwealth's requirements for capital plans. The Board of Visitors shall approve the program for Major Capital Projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt shall follow the Commonwealth's requirements for capital plans. The Board may approve amendments to the program for Major Capital Projects annually or more often if circumstances warrant.*

*It shall be University policy that each capital project program shall meet the University's mission and institutional objectives, and be appropriately authorized by the University. Moreover, it shall be University policy that each capital project shall be of a size and scope to provide for the defined program needs, designed in accordance with all applicable building codes and handicapped accessibility standards as well as the University's design guidelines and standards, and costed to reflect current costs and escalated to the mid-point of anticipated construction.*

#### **VI. AUTHORIZATION OF CAPITAL PROJECTS**

*The Board of Visitors shall authorize the initiation of each Major Capital Project by approving its size, scope, budget, and funding. The President, acting through the Executive Vice President and Chief Operating Officer, shall adopt procedures for approving the size, scope, budget and funding of all other capital projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and those pre-appropriation approvals of the State's governmental agencies then applicable, and shall follow the State's process for capital budget requests. It shall be the policy of the University that the implementation of capital projects shall be carried out so that the capital project as completed is the capital project approved by the Board for Major Capital Projects and according to the procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer, for all other capital projects. The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure strict adherence to this requirement. Accordingly, the budget, size and scope of a capital project shall not be materially changed beyond the plans and justifications that were the basis for the capital project's approval, either before or during construction, unless approved in advance as described above. Minor changes shall be permissible if they are determined by the President, acting through the Executive Vice President and Chief Operating Officer, to be justified. Major Capital Projects may be submitted for Board of Visitors authorization at any time but must include a statement of urgency if not part of the approved Major Capital Project program.*

#### **VII. PROCUREMENT OF CAPITAL PROFESSIONAL SERVICES AND CONSTRUCTION SERVICES.**

*It shall be the policy of the University that procurements shall result in the purchase of high quality services and construction at reasonable prices and shall be consistent with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and with the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy. Specifically, the University is committed to:*

- Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*
- Conducting all procurements in a fair and impartial manner and avoiding any impropriety or the appearance of any impropriety prohibited by State law or University policy;*
- Making procurement rules clear in advance of any competition;*

*Providing access to the University's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;*

*Including in contracts of more than \$10,000 the contractor's agreement not to discriminate against employees or applicants because of race, religion, color, sex, national origin, age, disability or other basis prohibited by State law except where there is a bona fide occupational qualification reasonably necessary to the contractor's normal operations; and*

*Providing for a non-discriminatory procurement process, and including appropriate and lawful provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers. The President, acting through the Executive Vice President and Chief Operating Officer, is authorized to develop implementing procedures for the procurement of Capital Professional Services and construction services at the University. The procedures shall implement this Policy and provide for:*

*A system of competitive negotiation for Capital Professional Services, including a procedure for expedited procurement of Capital Professional Services under \$50,000, pursuant to (i) subdivisions 1, 2, and 3 a of the defined term "competitive negotiation" in Rule 4 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction, and (ii) § 4-5.06 of the 2004-2006 Appropriation Act;*

*A prequalification procedure for contractors or products;*

*A procedure for special construction contracting methods, including but not limited to design-build and construction management contracts; and*

*A prompt payment procedure.*

*The University also may enter into cooperative arrangements with other private or public health or educational institutions, healthcare provider alliances, purchasing organizations or state agencies where, in the judgment of the University, the purposes of this Policy will be furthered.*

#### **VIII. DESIGN REVIEWS AND CODE APPROVALS.**

*The Board of Visitors shall review the design of all Major Capital Projects and shall provide final Major Capital Project authorization based on the size, scope and cost estimate provided with the design. Unless stipulated by the Board of Visitors at the design review, no further design reviews shall be required. For all capital projects other than Major Capital Projects, the President, acting through the Executive Vice President and Chief Operating Officer, shall adopt procedures for design review and project*

*authorization based on the size, scope and cost estimate provided with the design. It shall be the University's policy that all capital projects shall be designed and constructed in accordance with applicable Virginia Uniform Statewide Building Code (VUSBC) standards and the applicable accessibility code.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall designate a Building Official responsible for building code compliance by either (i) hiring an individual to be the University Building Official, or (ii) continuing to use the services of the Department of General Services, Division of Engineering and Buildings, to perform the Building Official function. If option (i) is selected, the individual hired as the University Building Official shall be a full-time employee, a registered professional architect or engineer, and certified by the Department of Housing and Community Development to perform this Building Official function. The University Building Official shall issue building permits for each capital project required by the VUSBC to have a building permit, and shall determine the suitability for occupancy of, and shall issue certifications for building occupancy for, all capital projects requiring such certification. Prior to issuing any such certification, this individual shall ensure that the VUSBC and accessibility requirements are met for that capital project and that such capital project has been inspected by the State Fire Marshal or his designee. When serving as the University Building Official, such individual shall organizationally report directly and exclusively to the Board of Visitors. If the University hires its own University Building Official, it shall fulfill the code review requirement by maintaining a review unit supported by resources and staff who are certified by the Department of Housing and Community Development in accordance with § [36-137](#) of the Code of Virginia, for such purpose and who shall review plans, specifications and documents for compliance with building codes and standards and perform required inspections of work in progress and the completed capital project. No individual licensed professional architect or engineer hired or contracted with to perform these functions shall also perform other building code-related design, construction, facilities-related project management or facilities management functions for the University on the same capital project.*

#### **IX. ENVIRONMENTAL IMPACT REPORTS.**

*It shall be the policy of the University to assess the environmental, historic preservation, and conservation impacts of all capital projects and to minimize and otherwise mitigate all adverse impacts to the extent practicable. The University shall develop a procedure for the preparation and approval of environmental impact reports for capital projects, in accordance with State environmental, historic preservation, and conservation requirements generally applicable to capital projects otherwise meeting the definition of Major*

*Capital Projects but, pursuant to § [23-38.109](#) C 1 of the Act, with a cost of \$300,000 or more.*

**X. BUILDING DEMOLITIONS.**

*It shall be the policy of the University to consider the environmental and historical aspects of any proposed demolitions. The Board of Visitors shall be responsible for approving demolition requests. The University shall develop a procedure for the preparation and review of demolition requests, including any necessary reviews by the Department of Historic Resources and the Art and Architectural Review Board in accordance with State historic preservation requirements generally applicable to capital projects in the Commonwealth. Further, for any property that was acquired or constructed with funding from a general fund appropriation of the General Assembly or from proceeds from State Tax Supported Debt, general laws applicable to State owned property shall apply.*

**XI. BUILDING OR LAND ACQUISITIONS.**

*It is the policy of the University that capital projects involving building or land acquisition shall be subjected to thorough inquiry and due diligence prior to closing on the acquisition of such real property. The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that the project management system implemented pursuant to Section XIII below provides for a review and analysis of all pertinent matters relating to the acquisition of buildings and land as any prudent purchaser would perform to the end that any building or land acquired by the University shall be suitable for its intended purpose, that the acquisition can be made without substantial risk of liability to the University and that the cost of the real property to be acquired, together with any contemplated development thereof, shall be such that compliance with the provisions of Section VI of this Policy is achieved. In addition, the President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that, where feasible and appropriate to do so, the following specific policies pertaining to the acquisition of buildings or land for capital projects are carried out.*

**A. Environmental and Land Use Considerations.**

*It is the policy of the University to reasonably cooperate with each locality affected by the acquisition. Such cooperation shall include but not be limited to furnishing any information that the locality may reasonably request and reviewing any requests by the locality with regard to any such acquisition. The University shall consider the zoning and comprehensive plan designation by the locality of the building or land and surrounding parcels, as well as any designation by State or federal agencies of historically or*

*archeologically significant areas on the land. Nothing herein shall be construed as requiring the University to comply with local zoning laws and ordinances.*

*B. Infrastructure and Site Condition.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that, in the case of capital projects involving the acquisition of buildings or land, the project management systems implemented under Section XIII below provide for a review of the following matters prior to acquisition of the building or land: that any land can be developed for its intended purpose without extraordinary cost; that an environmental engineer has been engaged by the University to provide an assessment of any environmental conditions on the land; that there is adequate vehicular ingress and egress to serve the contemplated use of the building or land; that utilities and other services to the land are adequate or can reasonably be provided or have been provided in the case of building acquisitions; and that the condition and grade of the soils have been examined to determine if any conditions exist that would require extraordinary site work or foundation systems.*

*C. Title and Survey.*

*A survey shall be prepared for any real property acquired, and an examination of title to the real property shall be conducted by a licensed attorney or, in the alternative, a commitment for title insurance shall be procured from a title insurance company authorized to do business in the Commonwealth. Based upon the survey and title examination or report, the President, acting through the Executive Vice President and Chief Operating Officer, shall conclude, prior to acquisition of the real property, that title thereto will be conveyed to the University in fee simple, free and clear of all liens, encumbrances, covenants, restrictions, easements or other matters that may have a significant adverse effect upon the University's ability to own, occupy, convey or develop the real property.*

*D. Appraisal.*

*An appraisal shall be conducted of the real property to be acquired to determine its fair market value and the consistency of the fair market value with the price agreed upon by the University.*

*XII. BUILDING OR LAND DISPOSITIONS.*

*The Board of Visitors shall approve the disposition of any building or land. Disposition of land or buildings, the acquisition or construction of which was funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and other approvals in accordance with general law applicable to State-owned property and with the University's Enabling Legislation.*

*XIII. PROJECT MANAGEMENT SYSTEMS.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall implement one or more systems for the management of capital projects for the University. The systems may include the delegation of project management authority to appropriate University officials, including a grant of authority to such officials to engage in further delegation of authority as the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate.*

*The project management systems for capital projects shall be designed to ensure that such projects comply with the provisions of this Policy and other Board of Visitors policies applicable to closely related subjects such as selection of architects or policies applicable to University buildings and grounds.*

*The project management systems may include one or more reporting systems applicable to capital projects whereby University officials responsible for the management of such projects provide appropriate and timely reports to the President, acting through the Executive Vice President and Chief Operating Officer, on the status of such projects during construction.*

*XIV. REPORTING REQUIREMENTS.*

*In addition to complying with any internal reporting systems contained in the University's project management systems, as described in Section XIII above, the University shall comply with State reporting requirements for those Major Capital Projects funded entirely or in part by a general fund appropriation by the General Assembly or State Tax Supported Debt. Additionally, if any capital project constructs improvements on land, or renovates property, that originally was acquired or constructed in whole or in part with a general fund appropriation for that purpose or proceeds from State Tax Supported Debt, and such improvements or renovations are undertaken entirely with funds not appropriated by the General Assembly and, if the cost of such improvements or renovations is reasonably expected to exceed two million dollars, the decision to undertake such improvements or renovations shall be communicated as required by § [23-38.109](#) C 3 of the Act. As a matter of routine, the President, acting through the Executive Vice President and Chief Operating Officer, shall report to the Department of General Services on the status of such capital projects at the initiation of the project, prior to the commencement of construction, and at the time of acceptance of any such capital project.*

*EXHIBIT N*

MANAGEMENT AGREEMENT  
BETWEEN  
THE COMMONWEALTH OF VIRGINIA  
AND  
THE UNIVERSITY OF VIRGINIA  
PURSUANT TO  
THE RESTRUCTURED HIGHER EDUCATION  
FINANCIAL AND ADMINISTRATIVE OPERATIONS  
ACT OF 2005

POLICY GOVERNING  
LEASES OF REAL PROPERTY

THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA  
POLICY GOVERNING LEASES OF REAL PROPERTY

*I. PREAMBLE.*

*In 1996 the Board of Visitors adopted a Policy Statement Governing Exercise of Autonomy in Leases of Property for certain leases entered into by the University, which was amended in 2003 as the Policy Statement Governing Exercise of Autonomy in Operating and Capital Leases of Property. The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, the University of Virginia may have the authority to establish its own system for the leasing of real property. The University's system for implementing this authority is to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy constitute the adopted Board of Visitors policies regarding Leases of real property entered into by the University.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, as*

*defined in § [23-38.89](#) of the Act, are not affected by this Policy. In particular, other powers and authorities granted to the University of Virginia Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy.*

## *II. DEFINITIONS.*

*The following words and terms, when used in this Policy, shall have the following meaning unless the context clearly indicates otherwise:*

*“Academic Division” means that part of the University known as (State Agency 207).*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Board of Visitors” means the Rector and Visitors of the University of Virginia.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“College” means that part of the University operated as the University of Virginia’s College at Wise, also known as (State Agency 246).*

*“Covered Institution” means a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by Subchapter 3 of the Act.*

*“Expense Lease” means an Operating Lease of real property under the control of another entity to the University.*

*“Income Lease” means an Operating Lease of real property under the control of the University to another entity.*

*“Lease” or “Leases” means any type of lease involving real property.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center, known as (State Agency 209), and related health care and health maintenance facilities.*

*“Operating Lease” means any lease involving real property, or improvements thereon, that is not a Capital Lease.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

## *III. SCOPE OF POLICY.*

*This Policy provides guidance for the implementation of all University Leases.*

## *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the*

*appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

#### **V. REQUIREMENTS FOR LEASES.**

##### **A. Factors to Be Considered When Entering into Leases.**

*All Leases shall be for a purpose consistent with the mission of the University. The decision to enter into a Lease shall be further based upon cost, demonstrated need, compliance with this Policy, consideration of all costs of occupancy, and a determination that the use of the property to be leased is necessary and is efficiently planned. Leases shall also conform to the space planning procedures that may be adopted by the President, acting through the Executive Vice President and Chief Operating Officer, to ensure that the plan for the space to be leased is consistent with the purpose for which the space is intended.*

##### **B. Competition to Be Sought to Maximum Practicable Degree.**

*Competition shall be sought to the maximum practicable degree for all Leases. The President, acting through the Executive Vice President and Chief Operating Officer, is authorized to ensure that Leases are procured through competition to the maximum degree practicable and to determine when, under guidelines that may be developed and adopted by the President, acting through the Executive Vice President and Chief Operating Officer, it is impractical to procure Leases through competition.*

##### **C. Approval of Form of Lease Required.**

*The form of Leases entered into by the University shall be approved by the University's legal counsel.*

##### **D. Execution of Leases.**

*All Leases entered into by the University shall be executed only by those University officers or persons authorized by the President or the Executive Vice-President and Chief Operating Officer, or as may subsequently be authorized by the Board of Visitors, and subject to any such limits or conditions as may be prescribed in the delegation of authority. Subject to the University's Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the University, no other University approval shall be required for leases or leasing, nor state*

*approval required except in the case of leases of real property as may be governed by general state law in accordance with §§ [23-38.109](#) and [23-38.112](#) of the Act.*

*E. Capital Leases.*

*The Board of Visitors shall authorize the initiation of Capital Leases pursuant to the authorization process included in the Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the University.*

*F. Compliance with Applicable Law.*

*All Leases of real property by the University shall be consistent with any requirements of law that are contained in the Act or are otherwise applicable.*

*G. Certification of Occupancy.*

*All real property covered by an Expense Lease or leased by the University under a Capital Lease shall be certified for occupancy by the appropriate public body or building official.*

*POLICY GOVERNING INFORMATION TECHNOLOGY*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides, inter alia, that public institutions of higher education in the Commonwealth of Virginia that have entered into a Management Agreement with the Commonwealth “may be exempt from the provisions governing the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et seq.) of Title 2.2., and the provisions governing the Information Technologies [sic] Investment Board, Article 20 of Chapter 24 (§ [2.2-2457](#) et seq.) of Title 2.2 of the Code of Virginia; provided, however, that the governing body of . . . [such] institution shall adopt, and . . . [such] institution shall comply with, policies” that govern the exempted provisions. See § [23-38.111](#) of the Code of Virginia. This Information Technology Policy shall become effective upon the effective date of a Management Agreement authorized by subsection D of § [23-38.88](#) and § [23-38.97](#) of the Act between the Commonwealth and the University that incorporates this Policy.*

*The Board of Visitors of the University of Virginia is authorized to adopt this Information Technology Policy pursuant to § [23-38.111](#) of the Code of Virginia.*

*II. DEFINITIONS.*

*As used in this Information Technology Policy, the following terms have the following meanings, unless the context requires otherwise:*

*“Academic Division” means that part of the University known as (State Agency 207).*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Board of Visitors of the University of Virginia.*

*“College” means that part of the University operated as the University of Virginia’s College at Wise, also known as (State Agency 246).*

*“Information Technology” or “IT” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia as it currently exists and from time to time may be amended.*

*“Major information technology project” or “major IT project” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia as it currently exists and from time to time may be amended.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center, known as (State Agency 209), and related health care and health maintenance facilities.*

*“Policy” means this Information Technology Policy adopted by the Board of Visitors.*

*“State Chief Information Officer” or “State CIO” means the Chief Information Officer of the Commonwealth of Virginia.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

### *III. SCOPE OF POLICY.*

*This Policy is intended to cover and implement the authority that may be granted to the University of Virginia pursuant to Subchapter 3 (§ [23-38.91](#) et seq.) of the Act. This Policy is not intended to affect any other powers and authorities granted to the University pursuant to the Appropriation Act and the Code of Virginia, including other provisions of the Act or the University’s enabling legislation as that term is defined in § [23-38.89](#) of the Act. In particular, other powers and authorities granted to the University of Virginia Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy.*

*This Policy shall govern the University’s information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the University. Upon the effective date of a Management Agreement between the Commonwealth and the University, as authorized by subsection D of § [23-38.88](#) and § [23-38.111](#), therefore, the University shall be exempt from those provisions of the Code of Virginia, including those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ [2.2-2457](#) et seq.) (Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia, that otherwise would govern the University’s information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the University; provided, however, that the University still shall be subject to those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ [2.2-2457](#) et seq.) (Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia that are applicable to public institutions of higher education of the Commonwealth and that do not govern information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits within, by, or on behalf of the University.*

*The procurement of information technology and telecommunications goods and services, including automated data processing hardware and software, shall be governed by the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials approved by the Board, and the Rules*

*Governing Procurement of Goods, Services, Insurance, and Construction that are incorporated in and attached to that Policy.*

#### *IV. GENERAL PROVISIONS.*

##### *A. Board of Visitors Accountability and Delegation of Authority.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

##### *B. Strategic Planning.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall be responsible for overall IT strategic planning at the University, which shall be linked to and in support of the University's overall strategic plan.*

*At least 45 days prior to each fiscal year, the President, acting through the Executive Vice President and Chief Operating Officer, shall make available the University's IT strategic plan covering the next fiscal year to the State CIO for his review and comment with regard to the consistency of the University's plan with the intent of the currently published overall five-year IT strategic plan for the Commonwealth developed by the State CIO pursuant to § [2.2-2007](#) of the Code of Virginia, and into which the University's plan is to be incorporated.*

##### *C. Expenditure Reporting and Budgeting.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall approve and be responsible for overall IT budgeting and investments at the University. The University's IT budget and investments shall be linked to and in support of the University's IT strategic plan, and shall be consistent with general University policies, the Board-approved annual operating budget, and other Board approvals for certain procurements.*

*By October 1 of each year, the President, acting through the Executive Vice President and Chief Operating Officer, shall make available to the State CIO and the Information Technology Investment Board a report on the previous fiscal year's IT expenditures. The University shall be specifically exempt from:*

*Subdivision A 4 of § [2.2-2007](#) of the Code of Virginia (review by the State CIO of IT budget requests), as it currently exists and from time to time may be amended; §§ [2.2-2022](#) through [2.2-2024](#) of the Code of Virginia (Virginia Technology Infrastructure Fund), as they currently exist and from time to time may be amended; and Any other substantially similar provision of the Code of Virginia governing IT expenditure reporting and budgeting, as it currently exists and from time to time may be amended.*

*D. Project Management.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the project management policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project management as defined by leading IT consulting firms, leading software development firms, or a nationally-recognized project management association, appropriately tailored to the specific circumstances of the University. Copies of the Board's policies, standards, and guidelines shall be made available to the Information Technology Investment Board.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall oversee the management of all University IT projects. IT projects may include, but are not limited to, upgrades to network infrastructure, provision of technology to support research, database development, implementation of new applications, and development of IT services for students, faculty, staff, and patients. Day-to-day management of projects shall be the responsibility of appointed project directors and shall be in accord with the project management policies, standards, and guidelines adopted by the Board, as amended and revised from time to time.*

*On a quarterly basis, the President, acting through the Executive Vice President and Chief Operating Officer, shall report to the Information Technology Investment Board on the budget, schedule, and overall status of the University's major IT projects. This requirement shall not apply to research projects, research initiatives, or instructional programs.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall be responsible for decisions to substantially alter a project's scope, budget, or schedule after initial approval.*

*The University shall be specifically exempt from:*

*§ [2.2-2008](#) of Title 2.2 of the Code of Virginia (additional duties of the State CIO relating to project management), as it currently exists and from time to time may be amended; §§ [2.2-2016](#) through [2.2-2021](#) of Title 2.2 of the Code of Virginia (Division of Project Management), as they currently exist and from time to time may be amended; and*

*Any other substantially similar provision of the Code of Virginia governing IT project management, as it currently exists or from time to time may be amended.*

*The State CIO and the Information Technology Investment Board shall continue to have the authority regarding project suspension and termination as provided in § [2.2-2015](#) and in subdivision A 3 of § [2.2-2458](#), respectively, and the State CIO and the Information Technology Investment Board shall continue to provide the University with reasonable notice of, and a reasonable opportunity to correct, any identified problems before a project is terminated.*

*E. Infrastructure, Architecture, Ongoing Operations, and Security.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines related to IT infrastructure, architecture, ongoing operations, and security developed by the Commonwealth or those of nationally-recognized associations, appropriately tailored to the specific circumstances of the University. Copies of the policies shall be made available to the Information Technology Investment Board.*

*The President, acting through the executive Vice President and Chief Operating Officer, shall be responsible for implementing such policies, standards, and guidelines adopted by the Board, as amended and revised from time to time.*

*For purposes of implementing this Policy, the President shall appoint an existing University employee to serve as a liaison between the University and the State CIO.*

*F. Audits.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project auditing as defined by leading IT experts, including consulting firms, or a nationally-recognized project auditing association, appropriately tailored to the specific circumstances of the University, which provide for Independent Validation and Verification (IV&V) of the University's major IT projects. Copies of the policies, standards, and guidelines, as amended and revised from time to time, shall be made available to the Information Technology Investment Board.*

*Audits of IT strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, and security, shall also be the responsibility of the University's Internal Audit Department and the Auditor of Public Accounts.*

*MANAGEMENT AGREEMENT*

*BETWEEN  
THE COMMONWEALTH OF VIRGINIA  
AND  
THE UNIVERSITY OF VIRGINIA  
PURSUANT TO  
THE RESTRUCTURED HIGHER EDUCATION  
FINANCIAL AND ADMINISTRATIVE OPERATIONS  
ACT OF 2005*

*POLICY GOVERNING  
THE PROCUREMENT OF GOODS, SERVICES,  
INSURANCE, AND CONSTRUCTION AND  
THE DISPOSITION OF SURPLUS MATERIALS  
THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA  
POLICY GOVERNING THE PROCUREMENT OF  
GOODS, SERVICES, INSURANCE AND CONSTRUCTION  
AND THE DISPOSITION OF SURPLUS MATERIALS*

*I. PREAMBLE.*

*A. Chapters 995 and 933 of the 1996 Acts of Assembly (House Bill No. 884 and Senate Bill No. 389, respectively) provided the University of Virginia with autonomy to conduct the procurement of goods and services, including professional services, and construction, on behalf of the University of Virginia Medical Center. Pursuant thereto, in 1996 the Board of Visitors adopted a Policy Statement Governing Exercise of Procurement Autonomy by the University on behalf of the Medical Center. Subchapter 3 of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that the University of Virginia, upon becoming a Covered Institution, shall be authorized to establish its own system for the procurement of goods, services, insurance, and construction, and for the independent disposition of surplus materials by public or private transaction.*

*B. The Act provides that a Covered Institution shall comply with policies adopted by its Board of Visitors for the procurement of goods, services, insurance, and construction, and the disposition of surplus materials. The provisions of this Policy set forth below, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, constitute the adopted Board of Visitors policies required by the Act regarding procurement of goods, services, insurance, and construction, and the disposition of surplus materials by the University.*

*C. This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to any other sections of the Code of Virginia, including other provisions of the Act, the Appropriation Act, and the University's Enabling Legislation are not affected by this Policy. In particular, other powers and authorities granted to the Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy.*

## *II. DEFINITIONS.*

*As used in this Policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Academic Division” means that part of the University known as (State Agency 207).*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Agreement” means “Management Agreement.”*

*“Board of Visitors” means the Rector and Visitors of the University of Virginia.*

*“College” means that part of the University operated as the University of Virginia’s College at Wise, also known as (State Agency 246).*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement with the Commonwealth, a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Effective Date” means the effective date of the Management Agreement.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), [51.1-126.3](#), and [51.1-1100](#) in the case of the Medical Center.*

*“Existing Medical Center Policy Statement” means the Policy Statement Governing Exercise of Procurement Autonomy by the University on behalf of the Medical Center adopted in 1996 by the Board of Visitors for the Medical Center.*

*“Goods” means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) between the Commonwealth of Virginia and the University of Virginia.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center, known as (State Agency 209), and related health care and health maintenance facilities.*

*“Rules” means the “Rules Governing Procurement of Goods, Services, Insurance, and Construction” attached to this Policy as Attachment 1.*

*“Services” as used in this Policy means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies, and shall include both professional services, which include the practice of accounting, actuarial services, law, dentistry, medicine, optometry, and pharmacy, and nonprofessional services, which include any service not specifically identified as professional services.*

*“Surplus materials” means personal property including, but not limited to, materials, supplies, equipment and recyclable items, that are determined to be surplus by the University.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

### **III. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.**

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University’s usual delegation policies and procedures.*

### **IV. GENERAL PROVISIONS.**

*A. Adoption of This Policy and Continued Applicability of Other Board of Visitors' Procurement Policies.*

*The Academic Division and the College, through its administrative relationship with the University, have had decentralization and pilot program autonomy in many procurement functions and activities since the Appropriation Act of 1994. Effective July 1, 1996, the University was granted autonomy to establish a procurement system for the Medical Center, and the Board of Visitors approved the Existing Medical Center Policy Statement. The Act extends and reinforces the autonomy previously granted to the University in Item 330 E of the 1994 Appropriation Act. This Policy therefore is adopted by the Board of Visitors to enable the University to develop a procurement system for the Academic Division and the College, as well as a surplus materials disposition system for the University as a whole, and to continue the existing procurement system and policies of the Medical Center. Any University electronic procurement system, other than the Medical Center's electronic procurement system, shall integrate or interface with the Commonwealth's electronic procurement system.*

*This Policy shall be effective on the Effective Date of the University's initial Management Agreement with the Commonwealth. The implementing policies and procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer or his designee, to implement this Policy shall continue to be subject to any other policies adopted by the Board of Visitors affecting procurements at the University, including policies regarding the nature and amounts of procurements that may be undertaken without the approval of the Board of Visitors, or of the President, acting through the Executive Vice President and Chief Operating Officer.*

*B. Scope and Purpose of University Procurement Policies.*

*This Policy shall apply to procurements of goods, services, insurance, and construction. It shall be the policy of the University that procurements conducted by the University result in the purchase of high quality goods and services at reasonable prices, and that the University be free, to the maximum extent permitted by law and this Policy, from constraining policies that hinder the ability of the University to do business in a competitive environment. This Policy, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, shall apply to all procurements undertaken by the University, regardless of the source of funds.*

*C. Collaboration, Communication, and Cooperation with the Commonwealth.*

*The University is committed to developing, maintaining, and sustaining collaboration, communication, and cooperation with the Commonwealth regarding the matters addressed in this Policy, particularly with the Offices of the Secretaries of Administration*

*and Technology, the Department of General Services, and the Virginia Information Technologies Agency. Identifying business objectives and goals common to both the University and the Commonwealth and the mechanisms by which such objectives and goals may be jointly pursued and achieved are among the desired outcomes of such collaboration, communication, and cooperation.*

*D. Commitment to Statewide Contracts, Electronic Procurement, and SWAM Participation and Use.*

*The University is committed to maximizing its internal operational efficiencies, economies of scale among institutions of higher education, and the leveraged buying power of the Commonwealth as a whole.*

*Consistent with this commitment, the University:*

- i) May purchase from and participate in all statewide contracts for goods and services, including information technology goods and services, except that the University shall purchase from and participate in contracts for communications services and telecommunications facilities entered into by the Virginia Information Technologies Agency pursuant to § [2.2-2011](#) of the Code of Virginia, unless an exception is provided in the Appropriation Act or by other law, and provided that orders not placed through statewide contracts shall be processed directly or by integration or interface through the Commonwealth's electronic procurement system;*
- ii) Shall use directly or by integration or interface the Commonwealth's electronic procurement system and comply with the business plan for the Commonwealth's electronic procurement system, as modified by an agreement between the Commonwealth and the University, which agreement shall not be substantially different than the agreement attached to this Policy as Attachment 2; and*
- iii) Shall adopt a small, woman-owned, and minority-owned (SWAM) business program that is consistent with the Commonwealth's SWAM program.*

*E. Implementation.*

*To effect its implementation under the Act, and if the University remains in continued substantial compliance with the terms and conditions of this Management Agreement with the Commonwealth pursuant to § [23-38.88](#)(D)(4) and the requirements of Chapter 4.10 of the Act, the University's procurement of goods, services, insurance, and construction, and the disposition of surplus materials shall be exempt from the Virginia Public Procurement Act, Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2, except § [2.2-4342](#) and §§ [2.2-4367](#) through [2.2-4377](#); the oversight of the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et seq.) of Title 2.2, and the Information Technology Investment Board, Article 20 (§ [2.2-2457](#) et seq.) of Chapter 24 of Title 2.2; the state agency*

*requirements regarding disposition of surplus materials and distribution of proceeds from the sale or recycling of surplus materials in §§ [2.2-1124](#) and [2.2-1125](#); the requirement to purchase from the Department for the Blind and Vision Impaired (VIB) (§ [2.2-1117](#)); and any other state statutes, rules, regulations or requirements relating to the procurement of goods, services, insurance, and construction, including but not limited to Article 3 (§ [2.2-1109](#) et seq.) of Chapter 11 of Title 2.2, regarding the duties, responsibilities and authority of the Division of Purchases and Supply of the Virginia Department of General Services, and Article 4 (§ [2.2-1129](#) et seq.) of Chapter 11 of Title 2.2 of the Code of Virginia, regarding the review and the oversight by the Division of Engineering and Buildings of the Virginia Department of General Services of contracts for the construction of University capital projects and construction-related professional services (§ [2.2-1132](#)).*

#### *V. UNIVERSITY PROCUREMENT POLICIES.*

##### *A. General Competitive Principles.*

*In connection with University procurements and the processes leading to award of contracts for goods, services, insurance, and construction, the University is committed to: Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*

*Conducting all procurements in an open, fair and impartial manner and avoiding any impropriety or the appearance of any impropriety;*

*Making procurement rules clear in advance of any competition;*

*Providing access to the University's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;*

*Ensuring that specifications for purchases are fairly drawn so as not to favor unduly a particular vendor; and*

*Providing for the free exchange of information between the University, vendors, firms or contractors concerning the goods or services sought and offered while preserving the confidentiality of proprietary information.*

##### *B. Access to Records.*

*Procurement records shall be available to citizens or to interested persons, firms or corporations in accordance with the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, except those records exempt from disclosure pursuant to § [2.2-3705.1](#) (7), [2.2-3705.1](#) (12), or [2.2-3705.4](#) (4),*

*or other applicable exemptions of the Virginia Freedom of Information Act, and § [2.2-4342](#) of the Virginia Public Procurement Act.*

*C. Cooperative Procurements and Alliances.*

*In circumstances where the University determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the University that meet its business goals and objectives, the University is authorized to participate in cooperative procurements with other public or private organizations or entities, including other educational institutions, public-private partnerships, public bodies, charitable organizations, health care provider alliances and purchasing organizations, so long as the resulting contracts are procured competitively pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1 and the purposes of this Policy will be furthered. In the event the University engages in a cooperative contract with a private organization or public-private partnership and the contract was not competitively procured pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, use of the contract by other state agencies, institutions and public bodies shall be prohibited. Notwithstanding all of the above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. By October 1 of each year, the President, acting through the Executive Vice President and Chief Operating Officer, shall make available to the Secretaries of Administration and Technology, the Joint Legislative Audit and Review Commission, and the Auditor of Public Accounts a list of all cooperative contracts and alliances entered into or used during the prior fiscal year.*

*D. Training; Ethics in Contracting.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall take all necessary and reasonable steps to assure (i) that all University officials responsible for and engaged in procurements authorized by the Act and this Policy are knowledgeable regarding the requirements of the Act, this Policy, and the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) that only officials authorized by this Policy and any procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer, to implement this Policy are responsible for and engaged in such procurements, and (iii) that compliance with the Act and this Policy are achieved.*

*The University shall maintain an ongoing program to provide professional development opportunities to its buying staff and to provide methods training to internal staff who are engaged in placing decentralized small purchase transactions.*

*E. Ethics and University Procurements.*

*In implementing the authority conferred by this Policy, the personnel administering any procurement shall adhere to the following provisions of the Code of Virginia: the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, the State and Local Government Conflict of Interests Act, Chapter 31 (§ [2.2-3100](#) et seq.) of Title 2.2, and the Virginia Governmental Frauds Act, Article 1.1 (§ [18.2-498.1](#) et seq.) of Chapter 12 of Title 18.2.*

*VI. UNIVERSITY SURPLUS MATERIALS POLICY AND PROCEDURES.*

*The policy and procedures for disposal for surplus materials shall provide for the sale, environmentally-appropriate disposal, or recycling of surplus materials by the University and the retention of the resulting proceeds by the University.*

*VII. ADOPTION AND EFFECTIVE DATES OF RULES AND IMPLEMENTING POLICIES AND PROCEDURES.*

*The President, acting through the Executive Vice President and Chief Operating Officer or his designee, shall adopt one or more comprehensive sets of specific procurement policies and procedures for the Academic Division and the College, which, in addition to the Rules, implement applicable provisions of law and this Policy. University procurements shall be carried out in accordance with this Policy, the Rules, and any implementing policies and procedures adopted by the University. The implementing policies and procedures (i) shall include the delegation of procurement authority by the Board to appropriate University officials who shall oversee University procurements of goods, services, insurance, and construction, including a grant of authority to such officials to engage in further delegation of authority as the President deems appropriate, and (ii) shall remain consistent with the competitive principles set forth in Part V above.*

*Any implementing policies and procedures adopted pursuant to Part VII A above and the Rules shall become effective on the Effective Date of the University's initial Management Agreement with the Commonwealth, and, as of their effective date, shall be applicable to all procurements undertaken by the University on behalf of the University for goods, services, insurance, and construction. This Policy, the Rules, and any implementing policies and procedures adopted by the University shall not affect existing contracts already in effect.*

*The Rules and University implementing policies and procedures for all University procurements of goods, services, insurance, and construction, and the disposition of surplus property shall be substantially consistent with the Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and their Vendors in their form as of the effective date of this Policy and as amended or changed in the future, and with University procedures specific to the Acquisition of Goods and Services. The Rules and University implementing policies and procedures shall implement a system of competitive negotiation, and competitive sealed bidding when appropriate, for goods, services, including professional services as defined in the Rules, insurance, and construction.*

#### *VIII. REQUIREMENTS FOR RULES AND IMPLEMENTING POLICIES AND PROCEDURES.*

##### *A. Protests, Appeals and Debarment.*

*The Rules and University implementing policies and procedures for procurements other than capital outlay shall include a process or processes for an administrative appeal by vendors, firms or contractors. Protests and appeals may challenge determinations of vendor, firm or contractor non-responsibility or ineligibility, or the award of contracts, provided that such protests and appeals are filed within the times specified by the Rules. Remedies available shall be limited to reversal of the action challenged or, where a contract already being performed is declared void, compensation for the cost of performance up to the time of such declaration. The Rules and University implementing policies and procedures also may establish the basis and process for debarment of any vendor, firm or contractor.*

##### *B. Prompt Payment of Contractors and Subcontractors.*

*The Rules and University implementing policies and procedures shall include provisions related to prompt payment of outstanding invoices, which shall include payment of interest on properly-presented invoices outstanding more than seven (7) days beyond the payment date, at a rate no higher than the lowest prime rate charged by any commercial bank as published in the Wall Street Journal. The payment date shall be the later of thirty (30) days from the date of the receipt of goods or invoice, or the date established by the contract. All contracts also shall require prompt payment of subcontractors by the general contractor, upon receipt of payment by the University.*

##### *C. Types of Procurements.*

*The Rules and University implementing policies and procedures shall implement a system of competitive negotiation for professional services, as defined in the Rules, and shall implement purchasing procedures developed to maximize competition given the size and duration of the contract, and the needs of the University. Such policies and*

*procedures may include special provisions for procurements such as emergency procurements, sole source procurements, brand name procurements, small purchases, procurements in which only one qualified vendor responds, and others.*

*D. Approval and Public Notice of Procurements.*

*The Rules and University implementing policies and procedures shall provide for approval of solicitation documents by an authorized individual and for reasonable public notice of procurements, given the size and nature of the need and the applicability of any Virginia Freedom of Information Act exemption.*

*E. Administration of Contracts.*

*The Rules and University implementing policies and procedures shall contain provisions related to the administration of contracts, including contract claims, modifications, extensions and assignments.*

*F. Non-Discrimination.*

*The Rules and University implementing policies and procedures shall provide for a non-discriminatory procurement process that prohibits discrimination because of race, religion, color, sex or national origin of the bidder or offeror in the solicitation and award of contracts; and shall include appropriate provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers.*

**ATTACHMENT 1**

*Rules Governing Procurement of Goods, Services, Insurance, and Construction*

*by a Public Institution of Higher Education of the Commonwealth of Virginia*

*Governed by Subchapter 3 of the*

*Restructured Higher Education Financial and Administrative Operations Act,*

*Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia*

*In accordance with the provisions of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in particular § [23-38.110](#) of the Act, the governing body of a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth pursuant to Subchapter 3 of the Act has adopted the following Rules Governing Procurement of Goods, Services, Insur-*

*ance, and Construction to govern the procurement of goods, services, insurance, and construction by the Institution, excluding the University of Virginia Medical Center:*

*§ 1. Purpose. -*

*The purpose of these Rules is to enunciate the public policies pertaining to procurement of good, services, insurance, and construction by the Institution from nongovernmental sources, to include governmental procurement that may or may not result in monetary consideration for either party. These Rules shall apply whether the consideration is monetary or nonmonetary and regardless of whether the Institution, the contractor, or some third party is providing the consideration.*

*§ 2. Scope of Procurement Authority. -*

*Subject to these Rules, and the Institution's continued substantial compliance with the terms and conditions of its Management Agreement with the Commonwealth pursuant to [§ 23-38.88\(D\)\(4\)](#) and the requirements of Chapter 4.10 of the Act, the Institution shall have and shall be authorized to have and exercise all of the authority relating to procurement of goods, services, insurance, and construction, including but not limited to capital outlay-related procurement and information technology-related procurement, that Institutions are authorized to exercise pursuant to Subchapter 3 of the Restructuring Act.*

*§ 3. Competition is the Priority. -*

*To the end that the Institution shall obtain high quality goods and services at reasonable cost, that all procurement procedures be conducted in an open, fair and impartial manner with avoidance of any impropriety or appearance of impropriety, that all qualified vendors have access to the Institution's business and that no offeror be arbitrarily or capriciously excluded, it is the intent of the governing body of the Institution that competition be sought to the maximum feasible degree, that procurement procedures involve openness and administrative efficiency, that individual public bodies enjoy broad flexibility in fashioning details of such competition, that the rules governing contract awards be made clear in advance of the competition, that specifications reflect the procurement needs of the purchasing body rather than being drawn to favor a particular vendor, and that the purchaser and vendor freely exchange information concerning what is sought to be procured and what is offered. The Institution may consider best value concepts when procuring goods and nonprofessional services, but not construction or professional services. Professional services will be procured using a qualification-based selection process. The criteria, factors, and basis for consideration of best value and the process for the consideration of best value shall be as stated in the procurement solicitation.*

*§ 4. Definitions. -*

*As used in these Rules:*

*“Affiliate” means an individual or business that controls, is controlled by, or is under common control with another individual or business. A person controls an entity if the person owns, directly or indirectly, more than 10% of the voting securities of the entity. For the purposes of this definition “voting security” means a security that (i) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (ii) is convertible into, or entitles the holder to receive, upon its exercise, a security that confers such a right to vote. A general partnership interest shall be deemed to be a voting security.*

*“Best value,” as predetermined in the solicitation, means the overall combination of quality, price, and various elements of required services that in total are optimal relative to the Institution’s needs.*

*“Business” means any type of corporation, partnership, limited liability company, association, or sole proprietorship operated for profit.*

*“Competitive negotiation” is a method of contractor selection that includes the following elements:*

- 1. Issuance of a written Request for Proposal indicating in general terms that which is sought to be procured, specifying the factors that will be used in evaluating the proposal and containing or incorporating by reference the other applicable contractual terms and conditions, including any unique capabilities or qualifications that will be required of the contractor.*
- 2. Public notice of the Request for Proposal at least 10 days prior to the date set for receipt of proposals by publication in a newspaper or newspapers of general circulation in the area in which the contract is to be performed so as to provide reasonable notice to the maximum number of offerors that can be reasonably anticipated to submit proposals in response to the particular request. Public notice also shall be published on the Department of General Services’ central electronic procurement website and may be published on other appropriate websites. In addition, proposals may be solicited directly from potential contractors.*
- 3. a. Procurement of professional services. The procurement of professional services for capital projects shall be conducted using a qualification-based selection process. The Institution shall engage in individual discussions with two or more offerors deemed fully qualified, responsible and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. The offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. The Request for Proposal shall not, however, request that*

*offerors furnish estimates of man-hours or cost for services. At the discussion stage, the Institution may discuss nonbinding estimates of total project costs, including, but not limited to, life-cycle costing, and where appropriate, nonbinding estimates of price for services. Proprietary information from competing offerors shall not be disclosed to the public or to competitors. At the conclusion of discussion, outlined in this subdivision, on the basis of evaluation factors published in the Request for Proposal and all information developed in the selection process to this point, the Institution shall select in the order of preference two or more offerors whose professional qualifications and proposed services are deemed most meritorious. Negotiations shall then be conducted, beginning with the offeror ranked first. If a contract satisfactory and advantageous to the Institution can be negotiated at a price considered fair and reasonable, the award shall be made to that offeror. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price. Should the Institution determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror.*

*A contract for architectural or professional engineering services relating to construction projects may be negotiated by the Institution, for multiple projects provided (i) the projects require similar experience and expertise, and (ii) the nature of the projects is clearly identified in the Request for Proposal. Under such contract, (a) the fair and reasonable prices, as negotiated, shall be used in determining the cost of each project performed, (b) the sum of all projects performed in one contract term shall be as set in the Request for Proposal; and (c) the project fee of any single project shall not exceed the term limit as set in the Request for Proposal. Any unused amounts from any contract term may be carried forward. Competitive negotiations for such contracts may result in awards to more than one offeror provided the Request for Proposal stated the potential for a multi-vendor award.*

*Multiphase professional services contracts satisfactory and advantageous to the Institution for environmental, location, design and inspection work regarding construction of infrastructure projects may be negotiated and awarded based on qualifications at a fair and reasonable price for the first phase only, when completion of the earlier phases is necessary to provide information critical to the negotiation of a fair and reasonable price for succeeding phases. Prior to the procurement of any such contract, the Institution shall state the anticipated intended total scope of the project and determine in writing*

*that the nature of the work is such that the best interests of such Institution require awarding the contract.*

*b. Procurement of other than professional services. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the Institution shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so provided in the Request for Proposal, awards may be made to more than one offeror. Should the Institution determine in writing and in its sole discretion that only one offeror has made the best proposal, a contract may be negotiated and awarded to that offeror. "Competitive sealed bidding" is a method of contractor selection, other than for professional services, which includes the following elements:*

- 1. Issuance of a written Invitation to Bid containing or incorporating by reference the specifications and contractual terms and conditions applicable to the procurement. Unless the Institution has provided for prequalification of bidders, the Invitation to Bid shall include a statement of any requisite qualifications of potential contractors. When it is impractical to prepare initially a purchase description to support an award based on prices, an Invitation to Bid may be issued requesting the submission of unpriced offers to be followed by an Invitation to Bid limited to those bidders whose offers have been qualified under the criteria set forth in the first solicitation.*
- 2. Public notice of the Invitation to Bid at least 10 days prior to the date set for receipt of bids by publication on the Department of General Services' central electronic procurement website. Public notice also may be published in a newspaper of general circulation or on other appropriate websites, or both. In addition, bids may be solicited directly from potential contractors. Any additional solicitations shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*
- 3. Public opening and announcement of all bids received.*
- 4. Evaluation of bids based upon the requirements set forth in the invitation, which may include special qualifications of potential contractors, life-cycle costing, value analysis, and any other criteria such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose, which are helpful in determining acceptability.*

5. Award to the lowest responsive and responsible bidder. When the terms and conditions of multiple awards are so provided in the Invitation to Bid, awards may be made to more than one bidder.

“Construction” means building, altering, repairing, improving or demolishing any structure, building or highway, and any draining, dredging, excavation, grading or similar work upon real property.

“Construction management contract” means a contract in which a party is retained by the owner to coordinate and administer contracts for construction services for the benefit of the owner, and may also include, if provided in the contract, the furnishing of construction services to the owner.

“Covered Institution” or “Institution” means, on and after the effective date of the initial management agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Restructuring Act.

“Design-build contract” means a contract between the Institution and another party in which the party contracting with the Institution agrees to both design and build the structure, roadway or other item specified in the contract.

“Goods” means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.

“Informality” means a minor defect or variation of a bid or proposal from the exact requirements of the Invitation to Bid, or the Request for Proposal, which does not affect the price, quality, quantity or delivery schedule for the goods, services or construction being procured.

“Multiphase professional services contract” means a contract for the providing of professional services where the total scope of work of the second or subsequent phase of the contract cannot be specified without the results of the first or prior phase of the contract.

“Nonprofessional services” means any services not specifically identified as professional services in the definition of professional services and includes small construction projects valued not over \$1 million; provided that subdivision 3a of the definition of “competitive negotiation” in this section shall still apply to professional services for such small construction projects.

“Potential bidder or offeror” for the purposes of §§ 50 and 54 of these Rules means a person who, at the time the Institution negotiates and awards or proposes to award a

*contract, is engaged in the sale or lease of goods, or the sale of services, insurance or construction, of the type to be procured under the contract, and who at such time is eligible and qualified in all respects to perform that contract, and who would have been eligible and qualified to submit a bid or proposal had the contract been procured through competitive sealed bidding or competitive negotiation.*

*“Professional services” means work performed by an independent contractor within the scope of the practice of accounting, actuarial services, architecture, land surveying, landscape architecture, law, dentistry, medicine, optometry, pharmacy or professional engineering.*

*“Public body” means any legislative, executive or judicial body, agency, office, department, authority, post, commission, committee, institution, board or political subdivision created by law to exercise some sovereign power or to perform some governmental duty, and empowered by law to undertake the activities described in these Rules.*

*“Public contract” means an agreement between the Institution and a nongovernmental source that is enforceable in a court of law.*

*“Responsible bidder” or “offeror” means a person who has the capability, in all respects, to perform fully the contract requirements and the moral and business integrity and reliability that will assure good faith performance, and who has been prequalified, if required.*

*“Responsive bidder” means a person who has submitted a bid that conforms in all material respects to the Invitation to Bid.*

*“Restructuring Act” or “Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Rules” means these Rules Governing Procurement of Goods, Services, Insurance, and Construction adopted by the governing body of the Covered Institution.*

*“Reverse auctioning” means a procurement method wherein bidders are invited to bid on specified goods or nonprofessional services through real-time electronic bidding, with the award being made to the lowest responsive and responsible bidder. During the bidding process, bidders’ prices are revealed and bidders shall have the opportunity to modify their bid prices for the duration of the time period established for bid opening.*

*“Services” means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies.*

*“Sheltered workshop” means a work-oriented rehabilitative facility with a controlled working environment and individual goals that utilizes work experience and related services*

*for assisting the handicapped person to progress toward normal living and a productive vocational status.*

*§ 5. Methods of procurement. -*

*A. All public contracts with nongovernmental contractors for the purchase or lease of goods, or for the purchase of services, insurance, or construction, shall be awarded after competitive sealed bidding, or competitive negotiation as provided in this section, unless otherwise authorized by law.*

*B. Professional services shall be procured by competitive negotiation. Qualification-based selection shall be used for design services.*

*C. Goods, services, or insurance may be procured by competitive negotiation.*

*D. Construction may be procured only by competitive sealed bidding, except that competitive negotiation may be used in the following instances upon a determination made in advance by the Institution and set forth in writing that competitive sealed bidding is either not practicable or not fiscally advantageous to the public, which writing shall document the basis for this determination:*

*1. By the Institution on a fixed price design-build basis or construction management basis under § 7;*

*2. By the Institution for the construction, alteration, repair, renovation or demolition of buildings; or*

*3. By the Institution for the construction of highways and any draining, dredging, excavation, grading or similar work upon real property.*

*E. Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. The writing shall document the basis for this determination. The Institution shall issue a written notice stating that only one source was determined to be practicably available, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first. Public notice shall also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and may be published on other appropriate websites.*

*F. In case of emergency, a contract may be awarded without competitive sealed bidding or competitive negotiation; however, such procurement shall be made with such*

*competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file. The Institution shall issue a written notice stating that the contract is being awarded on an emergency basis, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first, or as soon thereafter as is practicable. Public notice may also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and other appropriate websites.*

*G. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for goods and services other than professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however, such small purchase procedures shall provide for competition wherever practicable.*

*H. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive negotiation for single or term contracts for professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however such small purchase procedures shall provide for competition wherever practicable.*

*I. Upon a determination made in advance by the Institution and set forth in writing that the purchase of goods, products or commodities from a public auction sale is in the best interests of the public, such items may be purchased at the auction, including online public auctions. The writing shall document the basis for this determination.*

*J. The purchase of goods or nonprofessional services, but not construction or professional services, may be made by reverse auctioning.*

*§ 6. Cooperative procurement. -*

*A. In circumstances where the Institution determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the Institution that meet its business goals and objectives, the Institution is authorized to participate in, sponsor, conduct, or administer a cooperative procurement arrangement on behalf of or in conjunction with public bodies, public or private health or educational institutions, other public or private organizations or entities, including public-private partnerships, charitable organizations, health care provider alliances or purchasing organizations or*

*entities, or with public agencies or institutions or group purchasing organizations of the several states, territories of the United States, or the District of Columbia, for the purpose of combining requirements to effect cost savings or reduce administrative expense in any acquisition of goods and services, other than professional services. The Institution may purchase from any authority, department, agency, institution, city, county, town, or other political subdivision of the Commonwealth's contract even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies. In such instances, deviation from the procurement procedures set forth in these Rules and the administrative policies and procedures established to implement these Rules shall be permitted. Notwithstanding all of the above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. Nothing herein shall prohibit the payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.*

*B. In circumstances where statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to meet the Institution's business goals and objectives, and as authorized by the United States Congress and consistent with applicable federal regulations, and provided the terms of the contract permit such purchases:*

- 1. The Institution may purchase goods and nonprofessional services, from a United States General Services Administration contract or a contract awarded by any other agency of the United States government; and*
- 2. The Institution may purchase telecommunications and information technology goods and nonprofessional services from a United States General Services Administration contract or a contract awarded by any other agency of the United States government.*

*§ 7. Design-build or construction management contracts authorized. -*

*A. Notwithstanding any other provisions of law, the Institution may enter into contracts on a fixed price design-build basis or construction management basis in accordance with the provisions of this section.*

*B. Procurement of construction by the design-build or construction management method shall be a two-step competitive negotiation process. In the first step, offerors shall be requested to submit their qualifications. Based upon the information submitted and any other relevant information which the Commonwealth may obtain, no more than five offerors deemed most suitable for the project shall be selected by the Commonwealth and requested to submit proposals.*

*§ 8. Modification of the contract. -*

*A. A contract awarded by the Institution may include provisions for modification of the contract during performance, but no fixed-price contract may be increased by more than 25% of the amount of the contract or \$50,000, whichever is greater, without the advance written approval of the Institution's president or his designee. In no event may the amount of any contract, without adequate consideration, be increased for any purpose, including, but not limited to, relief of an offeror from the consequences of an error in its bid or offer.*

*B. The Institution may extend the term of an existing contract for services to allow completion of any work undertaken but not completed during the original term of the contract.*

*C. Nothing in this section shall prevent the Institution from placing greater restrictions on contract modifications.*

*§ 9. Discrimination prohibited; participation of small, women- and minority-owned business. -*

*A. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment. Whenever solicitations are made, the Institution shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*

*B. The Institution shall establish programs consistent with this section to facilitate the participation of small businesses and businesses owned by women and minorities in procurement transactions. The programs established shall be in writing and shall include cooperation with the Department of Minority Business Enterprise, the United States Small Business Administration, and other public or private agencies. The Institution shall submit annual progress reports on minority business procurement to the Department of Minority Business Enterprise.*

*C. Whenever there exists (i) a rational basis for small business enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women- and minority-owned businesses, the Governor is by law authorized and encouraged to require the Institution to implement appropriate enhancement or remedial measures consistent with prevailing law.*

*D. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless it has made a written determination that employing ex-offenders on the specific contract is not in its best interest.*

*§ 10. Employment discrimination by contractor prohibited; required contract provisions. -*

*The Institution shall include in every contract of more than \$10,000 the following provisions:*

*1. During the performance of this contract, the contractor agrees as follows:*

*a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.*

*b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.*

*c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.*

*2. The contractor will include the provisions of the foregoing paragraphs a, b and c in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*§ 11. Drug-free workplace to be maintained by contractor; required contract provisions. -*

*The Institution shall include in every contract over \$10,000 the following provisions:*

*During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with these Rules, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.*

*§ 12. Use of brand names. -*

*Unless otherwise provided in the Invitation to Bid, the name of a certain brand, make or manufacturer shall not restrict bidders to the specific brand, make or manufacturer named and shall be deemed to convey the general style, type, character, and quality of the article desired. Any article that the Institution in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.*

*§ 13. Comments concerning specifications. -*

*The Institution shall establish procedures whereby comments concerning specifications or other provisions in Invitations to Bid or Requests for Proposal can be received and considered prior to the time set for receipt of bids or proposals or award of the contract.*

*§ 14. Prequalification generally; prequalification for construction. -*

*A. Prospective contractors may be prequalified for particular types of supplies, services, insurance or construction, and consideration of bids or proposals limited to prequalified contractors. Any prequalification procedure shall be established in writing and sufficiently in advance of its implementation to allow potential contractors a fair opportunity to complete the process.*

*B. Any prequalification of prospective contractors for construction by the Institution shall be pursuant to a prequalification process for construction projects adopted by the Institution. The process shall be consistent with the provisions of this section.*

*The application form used in such process shall set forth the criteria upon which the qualifications of prospective contractors will be evaluated. The application form shall request of prospective contractors only such information as is appropriate for an objective evaluation of all prospective contractors pursuant to such criteria. The form shall allow the prospective contractor seeking prequalification to request, by checking the appropriate box, that all information voluntarily submitted by the contractor pursuant to this subsection shall be considered a trade secret or proprietary information subject to the provisions of subsection D of § 34 of these Rules.*

*In all instances in which the Institution requires prequalification of potential contractors for construction projects, advance notice shall be given of the deadline for the submission of prequalification applications. The deadline for submission shall be sufficiently in advance of the date set for the submission of bids for such construction so as to allow the procedures set forth in this subsection to be accomplished.*

*At least 30 days prior to the date established for submission of bids or proposals under the procurement of the contract for which the prequalification applies, the Institution shall advise in writing each contractor who submitted an application whether that contractor has been prequalified. In the event that a contractor is denied prequalification, the*

*written notification to the contractor shall state the reasons for the denial of pre-qualification and the factual basis of such reasons.*

*A decision by the Institution denying prequalification under the provisions of this subsection shall be final and conclusive unless the contractor appeals the decision as provided in § 54 of these Rules.*

*C. The Institution may deny prequalification to any contractor only if the Institution finds one of the following:*

- 1. The contractor does not have sufficient financial ability to perform the contract that would result from such procurement. If a bond is required to ensure performance of a contract, evidence that the contractor can acquire a surety bond from a corporation included on the United States Treasury list of acceptable surety corporations in the amount and type required by the Institution shall be sufficient to establish the financial ability of the contractor to perform the contract resulting from such procurement;*
- 2. The contractor does not have appropriate experience to perform the construction project in question;*
- 3. The contractor or any officer, director or owner thereof has had judgments entered against him within the past 10 years for the breach of contracts for governmental or non-governmental construction, including, but not limited to, design-build or construction management;*
- 4. The contractor has been in substantial noncompliance with the terms and conditions of prior construction contracts with the Institution without good cause. If the Institution has not contracted with a contractor in any prior construction contracts, the Institution may deny prequalification if the contractor has been in substantial noncompliance with the terms and conditions of comparable construction contracts with another public body without good cause. The Institution may not utilize this provision to deny prequalification unless the facts underlying such substantial noncompliance were documented in writing in the prior construction project file and such information relating thereto given to the contractor at that time, with the opportunity to respond;*
- 5. The contractor or any officer, director, owner, project manager, procurement manager or chief financial official thereof has been convicted within the past 10 years of a crime related to governmental or nongovernmental construction or contracting, including, but not limited to, a violation of (i) Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) the Virginia Governmental Frauds Act (§ [18.2-498.1](#) et seq.), (iii) Chapter 4.2 (§ [59.1-68.6](#) et seq.) of Title 59.1, or (iv) any substantially similar law of the United States or another state;*

6. *The contractor or any officer, director or owner thereof is currently debarred pursuant to an established debarment procedure from bidding or contracting by any public body, agency of another state or agency of the federal government; and*

7. *The contractor failed to provide to the Institution in a timely manner any information requested by the Institution relevant to subdivisions 1 through 6 of this subsection.*

§ 15. *Negotiation with lowest responsible bidder. -*

*Unless canceled or rejected, a responsive bid from the lowest responsible bidder shall be accepted as submitted, except that if the bid from the lowest responsible bidder exceeds available funds, the Institution may negotiate with the apparent low bidder to obtain a contract price within available funds. However, the negotiation may be undertaken only under conditions and procedures described in writing and approved by the Institution prior to issuance of the Invitation to Bid and summarized therein.*

§ 16. *Cancellation, rejection of bids; waiver of informalities. -*

A. *An Invitation to Bid, a Request for Proposal, any other solicitation, or any and all bids or proposals, may be canceled or rejected. The reasons for cancellation or rejection shall be made part of the contract file. The Institution shall not cancel or reject an Invitation to Bid, a Request for Proposal, any other solicitation, bid or proposal pursuant to this section solely to avoid awarding a contract to a particular responsive and responsible bidder or offeror.*

B. *The Institution may waive informalities in bids.*

§ 17. *Exclusion of insurance bids prohibited. -*

*Notwithstanding any other provision of law, no insurer licensed to transact the business of insurance in the Commonwealth or approved to issue surplus lines insurance in the Commonwealth shall be excluded from presenting an insurance bid proposal to the Institution in response to a request for proposal or an invitation to bid. Nothing in this section shall preclude the Institution from debarring a prospective insurer pursuant to § 18.*

§ 18. *Debarment. -*

*Prospective contractors may be debarred from contracting for particular types of supplies, services, insurance or construction, for specified periods of time. Any debarment procedure shall be established in writing by the Institution. Any debarment procedure may provide for debarment on the basis of a contractor's unsatisfactory performance for the Institution.*

§ 19. *Purchase programs for recycled goods; Institution responsibilities. -*

A. *The Institution may implement a purchase program for recycled goods and may coordinate its efforts so as to achieve the goals and objectives set forth in §§ [10.1-](#)*

[1425.6](#), [10.1-1425.7](#), and [10.1-1425.8](#) of the Code of Virginia, and §§ 20 and 22 of these Rules.

*B. The Department of Environmental Quality, with advice from the Virginia Recycling Markets Development Council, shall advise the Institution concerning the designation of recycled goods.*

*§ 20. Preference for Virginia products with recycled content and for Virginia firms. -*

*A. In the case of a tie bid, preference shall be given to goods produced in Virginia, goods or services or construction provided by Virginia persons, firms or corporations; otherwise the tie shall be decided by lot.*

*B. Whenever any bidder is a resident of any other state and such state under its laws allows a resident contractor of that state a preference, a like preference may be allowed by the Institution to the lowest responsive and responsible bidder who is a resident of Virginia.*

*C. Notwithstanding the provisions of subsections A and B, in the case of a tie bid in instances where goods are being offered, and existing price preferences have already been taken into account, preference shall be given to the bidder whose goods contain the greatest amount of recycled content.*

*§ 21. Preference for Virginia coal used in the Institution. -*

*In determining the award of any contract for coal to be purchased for use in the Institution with state funds, the Institution shall procure using competitive sealed bidding and shall award to the lowest responsive and responsible bidder offering coal mined in Virginia so long as its bid price is not more than 4% greater than the bid price of the low responsive and responsible bidder offering coal mined elsewhere.*

*§ 22. Preference for recycled paper and paper products used by the Institution. -*

*A. In determining the award of any contract for paper and paper products to be purchased for use by the Institution, it shall competitively procure recycled paper and paper products of a quality suitable for the purpose intended, so long as the price is not more than 10% greater than the price of the low responsive and responsible bidder or offeror offering a product that does not qualify under subsection B.*

*B. For purposes of this section, recycled paper and paper products means any paper or paper products meeting the EPA Recommended Content Standards as defined in 40 C.F.R. Part 247.*

*§ 23. Withdrawal of bid due to error. -*

*A. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided*

*the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*One of the following procedures for withdrawal of a bid shall be selected by the Institution and stated in the advertisement for bids: (i) the bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice; or (ii) the bidder shall submit to the Institution or designated official his original work papers, documents and materials used in the preparation of the bid within one day after the date fixed for submission of bids. The work papers shall be delivered by the bidder in person or by registered mail at or prior to the time fixed for the opening of bids. In either instance, the work papers, documents and materials may be considered as trade secrets or proprietary information subject to the conditions of subsection F of § 34 of these Rules. The bids shall be opened one day following the time fixed by the Institution for the submission of bids. Thereafter, the bidder shall have two hours after the opening of bids within which to claim in writing any mistake as defined herein and withdraw his bid. The contract shall not be awarded by the Institution until the two-hour period has elapsed. The mistake shall be proved only from the original work papers, documents and materials delivered as required herein.*

*B. The Institution may establish procedures for the withdrawal of bids for other than construction contracts.*

*C. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than 5%.*

*D. If a bid is withdrawn in accordance with this section, the lowest remaining bid shall be deemed to be the low bid.*

*E. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.*

*F. If the Institution denies the withdrawal of a bid under the provisions of this section, it shall notify the bidder in writing stating the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.*

*§ 24. Contract Pricing Arrangements. -*

*A. Public contracts may be awarded on a fixed price or cost reimbursement basis, or on any other basis that is not prohibited by these Rules.*

*B. Except in case of emergency affecting the public health, safety or welfare, no public contract shall be awarded on the basis of cost plus a percentage of cost.*

*C. A policy or contract of insurance or prepaid coverage having a premium computed on the basis of claims paid or incurred, plus the insurance carrier's administrative costs and retention stated in whole or part as a percentage of such claims, shall not be prohibited by this section.*

*§ 25. Workers' compensation requirements for construction contractors and subcontractors. -*

*A. No contractor shall perform any work on a construction project of the Institution unless he (i) has obtained, and continues to maintain for the duration of the work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the Code of Virginia, and (ii) provides prior to the award of contract, on a form furnished by the Institution, evidence of such coverage.*

*B. The Department of General Services shall provide the form to the Institution. Failure of the Institution to provide the form prior to the award of contract shall waive the requirements of clause (ii) of subsection A.*

*C. No subcontractor shall perform any work on a construction project of the Institution unless he has obtained, and continues to maintain for the duration of such work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the Code of Virginia.*

*§ 26. Retainage on construction contracts. -*

*A. In any contract issued by the Institution for construction that provides for progress payments in installments based upon an estimated percentage of completion, the contractor shall be paid at least 95% of the earned sum when payment is due, with no more than*

*5% being retained to ensure faithful performance of the contract. All amounts withheld may be included in the final payment.*

*B. Any subcontract for a public project that provides for similar progress payments shall be subject to the provisions of this section.*

*§ 27. Public construction contract provisions barring damages for unreasonable delays declared void. -*

*A. Any provision contained in any public construction contract of the Institution that purports to waive, release, or extinguish the rights of a contractor to recover costs or damages for unreasonable delay in performing such contract, either on his behalf or on behalf of his subcontractor if and to the extent the delay is caused by acts or omissions of the Institution, its agents or employees and due to causes within their control shall be void and unenforceable as against public policy.*

*B. Subsection A shall not be construed to render void any provision of a public construction contract awarded by the Institution that:*

- 1. Allows the recovery of that portion of delay costs caused by the acts or omissions of the contractor, or its subcontractors, agents or employees;*
- 2. Requires notice of any delay by the party claiming the delay;*
- 3. Provides for liquidated damages for delay; or*
- 4. Provides for arbitration or any other procedure designed to settle contract disputes.*

*C. A contractor making a claim against the Institution for costs or damages due to the alleged delaying of the contractor in the performance of its work under any public construction contract of the Institution shall be liable to the Institution and shall pay it for a percentage of all costs incurred by the Institution in investigating, analyzing, negotiating, litigating and arbitrating the claim, which percentage shall be equal to the percentage of the contractor's total delay claim that is determined through litigation or arbitration to be false or to have no basis in law or in fact.*

*D. If the Institution denies a contractor's claim for costs or damages due to the alleged delaying of the contractor in the performance of work under any public construction contract for the Institution, it shall be liable to and shall pay such contractor a percentage of all costs incurred by the contractor to investigate, analyze, negotiate, litigate and arbitrate the claim. The percentage paid by the Institution shall be equal to the percentage of the contractor's total delay claim for which the Institution's denial is determined through litigation or arbitration to have been made in bad faith.*

*§ 28. Bid bonds. -*

*A. Except in cases of emergency, all bids or proposals for construction contracts in excess of \$1 million shall be accompanied by a bid bond from a surety company*

*selected by the bidder that is authorized to do business in Virginia, as a guarantee that if the contract is awarded to the bidder, he will enter into the contract for the work mentioned in the bid. The amount of the bid bond shall not exceed 5% of the amount bid.*

*B. No forfeiture under a bid bond shall exceed the lesser of (i) the difference between the bid for which the bond was written and the next low bid, or (ii) the face amount of the bid bond.*

*C. Nothing in this section shall preclude the Institution from requiring bid bonds to accompany bids or proposals for construction contracts anticipated to be less than \$1 million.*

*§ 29. Performance and payment bonds. -*

*A. Upon the award by the Institution of any (i) public construction contract exceeding \$1 million awarded to any prime contractor or (ii) public construction contract exceeding \$1 million awarded to any prime contractor requiring the performance of labor or the furnishing of materials for buildings, structures or other improvements to real property owned by the Institution, the contractor shall furnish to the Institution the following bonds:*

*1. Except for transportation-related projects, a performance bond in the sum of the contract amount conditioned upon the faithful performance of the contract in strict conformity with the plans, specifications and conditions of the contract. For transportation-related projects, such bond shall be in a form and amount satisfactory to the Institution.*

*2. A payment bond in the sum of the contract amount. The bond shall be for the protection of claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom the contract was awarded, or to any subcontractors, in furtherance of the work provided for in the contract, and shall be conditioned upon the prompt payment for all materials furnished or labor supplied or performed in the furtherance of the work.*

*"Labor or materials" shall include public utility services and reasonable rentals of equipment, but only for periods when the equipment rented is actually used at the site.*

*B. Each of the bonds shall be executed by one or more surety companies selected by the contractor that are authorized to do business in Virginia.*

*C. The bonds shall be payable to the Commonwealth of Virginia naming also the Institution.*

*D. Each of the bonds shall be filed with the Institution, or a designated office or official thereof.*

*E. Nothing in this section shall preclude the Institution from requiring payment or performance bonds for construction contracts below \$1 million.*

*F. Nothing in this section shall preclude the contractor from requiring each subcontractor to furnish a payment bond with surety thereon in the sum of the full amount of the contract with such subcontractor conditioned upon the payment to all persons who have and fulfill contracts that are directly with the subcontractor for performing labor and furnishing materials in the prosecution of the work provided for in the subcontract.*

*§ 30. Alternative forms of security. -*

*A. In lieu of a bid, payment, or performance bond, a bidder may furnish a certified check or cash escrow in the face amount required for the bond.*

*B. If approved by the Institution's General Counsel or his equivalent, a bidder may furnish to the Institution a personal bond, property bond, or bank or savings institution's letter of credit on certain designated funds in the face amount required for the bid, payment or performance bond. Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the Institution equivalent to a corporate surety's bond.*

*§ 31. Bonds on other than construction contracts. -*

*The Institution may require bid, payment, or performance bonds for contracts for goods or services if provided in the Invitation to Bid or Request for Proposal.*

*§ 32. Action on performance bond. -*

*No action against the surety on a performance bond shall be brought by the Institution unless brought within one year after (i) completion of the contract, including the expiration of all warranties and guarantees, or (ii) discovery of the defect or breach of warranty that gave rise to the action.*

*§ 33. Actions on payment bonds; waiver of right to sue. -*

*A. Subject to the provisions of subsection B, any claimant who has performed labor or furnished material in accordance with the contract documents in furtherance of the work provided in any contract for which a payment bond has been given, and who has not been paid in full before the expiration of 90 days after the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, may bring an action on the payment bond to recover any amount due him for the labor or material. The obligee named in the bond need not be named a party to the action.*

*B. Any claimant who has a direct contractual relationship with any subcontractor but who has no contractual relationship, express or implied, with the contractor, may bring an action on the contractor's payment bond only if he has given written notice to the contractor within 180 days from the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, stating with*

*substantial accuracy the amount claimed and the name of the person for whom the work was performed or to whom the material was furnished. Notice to the contractor shall be served by registered or certified mail, postage prepaid, in an envelope addressed to such contractor at any place where his office is regularly maintained for the transaction of business. Claims for sums withheld as retainages with respect to labor performed or materials furnished, shall not be subject to the time limitations stated in this subsection.*

*C. Any action on a payment bond shall be brought within one year after the day on which the person bringing such action last performed labor or last furnished or supplied materials.*

*D. Any waiver of the right to sue on the payment bond required by this section shall be void unless it is in writing, signed by the person whose right is waived, and executed after such person has performed labor or furnished material in accordance with the contract documents.*

*§ 34. Public inspection of certain records. -*

*A. Except as provided in this section, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.).*

*B. Cost estimates relating to a proposed procurement transaction prepared by or for the Institution shall not be open to public inspection.*

*C. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of all bids but prior to award, except in the event that the Institution decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract.*

*D. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award, except in the event that the Institution decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to public inspection only after award of the contract.*

*E. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.*

*F. Trade secrets or proprietary information submitted by a bidder, offeror or contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection B of § 14 shall not be subject to the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.); however, the bidder, offeror or contractor shall (i) invoke the*

*protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary.*

*§ 35. Exemption for certain transactions. -*

*A. The provisions of these Rules shall not apply to:*

- 1. The selection of services related to the management and investment of the Institution's endowment funds, endowment income, or gifts pursuant to § [23-76.1](#). However, selection of these services shall be governed by the Uniform Management of Institutional Funds Act (§ [55-268.1](#) et seq.) as required by § [23-76.1](#).*
- 2. The purchase of items for resale at retail bookstores and similar retail outlets operated by the Institution. However, such purchase procedures shall provide for competition where practicable.*
- 3. Procurement of any construction or planning and design services for construction by the Institution when (i) the planning, design or construction is \$50,000 or less or (ii) the Institution is obligated to conform to procurement procedures that are established by federal statutes or regulations, whether or not those federal procedures are in conformance with the provisions of these Rules.*
- 4. The University of Virginia Medical Center.*
- 5. The purchase of goods and services by the Institution when such purchases are made under a remedial plan established by the Governor pursuant to subsection C of § 9 of these Rules.*

*B. Where a procurement transaction involves the expenditure of federal assistance or contract funds, the receipt of which is conditioned upon compliance with mandatory requirements in federal laws or regulations not in conformance with the provisions of these Rules, the Institution may comply with such federal requirements, notwithstanding the provisions of these Rules, only upon the written determination of the Institution's President or his designee that acceptance of the grant or contract funds under the applicable conditions is in the public interest. Such determination shall state the specific provision of these Rules in conflict with the conditions of the grant or contract.*

*§ 36. Permitted contracts with certain religious organizations; purpose; limitations. -*

*A. The Opportunity Reconciliation Act of 1996, P.L. 104-193, authorizes public bodies to enter into contracts with faith-based organizations for the purposes described in this section on the same basis as any other nongovernmental source without impairing the religious character of such organization, and without diminishing the religious freedom of the beneficiaries of assistance provided under this section.*

*B. For the purposes of this section, "faith-based organization" means a religious organization that is or applies to be a contractor to provide goods or services for programs funded by the block grant provided pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193.*

*C. The Institution, in procuring goods or services, or in making disbursements pursuant to this section, shall not (i) discriminate against a faith-based organization on the basis of the organization's religious character or (ii) impose conditions that (a) restrict the religious character of the faith-based organization, except as provided in subsection F, or (b) impair, diminish, or discourage the exercise of religious freedom by the recipients of such goods, services, or disbursements.*

*D. The Institution shall ensure that all invitations to bid, requests for proposals, contracts, and purchase orders prominently display a nondiscrimination statement indicating that it does not discriminate against faith-based organizations.*

*E. A faith-based organization contracting with the Institution (i) shall not discriminate against any recipient of goods, services, or disbursements made pursuant to a contract authorized by this section on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and (ii) shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the Institution. Nothing in clause (ii) shall be construed to supersede or otherwise override any other applicable state law.*

*F. Consistent with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, funds provided for expenditure pursuant to contracts with public bodies shall not be spent for sectarian worship, instruction, or proselytizing; however, this prohibition shall not apply to expenditures pursuant to contracts, if any, for the services of chaplains.*

*G. Nothing in this section shall be construed as barring or prohibiting a faith-based organization from any opportunity to make a bid or proposal or contract on the grounds that the faith-based organization has exercised the right, as expressed in 42 U.S.C. (§ 2000e-1 et seq.), to employ persons of a particular religion.*

*H. If an individual, who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization, objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the Institution*

*shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.*

*The Institution shall provide to each individual who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization a notice in bold face type that states: "Neither the Institution's selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider or notify the appropriate person as indicated in this form."*

*§ 37. Exemptions from competition for certain transactions. -*

*The Institution may enter into contracts without competition, as that term is described in subsections A through J of § 5 (Methods of procurement) of these Rules, for:*

- 1. The purchase of goods or services that are produced or performed by or related to:
  - a. Persons, or in schools or workshops, under the supervision of the Virginia Department for the Blind and Vision Impaired;*
  - b. Nonprofit sheltered workshops or other nonprofit organizations that offer transitional or supported employment services serving the handicapped;*
  - c. Private educational institutions; or*
  - d. Other public educational institutions.**
- 2. Speakers and performing artists;*
- 3. Memberships and Association dues;*
- 4. Sponsored research grant sub-awards and contract sub-awards, not to include the purchase of goods or services by the Institution;*
- 5. Group travel in foreign countries;*
- 6. Conference facilities and services;*
- 7. Participation in intercollegiate athletic tournaments and events including team travel and lodging, registration and tournament fees;*
- 8. Royalties; or*
- 9. The purchase of legal services, provided that the Office of the Attorney General has been consulted, or expert witnesses or other services associated with litigation or regulatory proceedings.*

§ 38. *Exemptions from competitive sealed bidding and competitive negotiation for certain transactions; limitations. -*

*The Institution may enter into contracts for insurance or electric utility service without competitive sealed bidding or competitive negotiation if purchased through an association of which the Institution is a member if the association was formed and is maintained for the purpose of promoting the interest and welfare of and developing close relationships with similar public bodies, provided such association has procured the insurance or electric utility services by use of competitive principles and provided that the Institution has made a determination in advance after reasonable notice to the public and set forth in writing that competitive sealed bidding and competitive negotiation are not fiscally advantageous to the public. The writing shall document the basis for this determination.*

§ 39. *Definitions. -*

*As used in §§ 39 through 46, unless the context requires a different meaning:*

*"Contractor" means the entity that has a direct contract with the Institution.*

*"Debtor" means any individual, business, or group having a delinquent debt or account with any state agency that obligation has not been satisfied or set aside by court order or discharged in bankruptcy.*

*"Payment date" means either (i) the date on which payment is due under the terms of a contract for provision of goods or services; or (ii) if such date has not been established by contract, (a) 30 days after receipt of a proper invoice by the Institution or its agent or (b) 30 days after receipt of the goods or services by the Institution.*

*"Subcontractor" means any entity that has a contract to supply labor or materials to the contractor to whom the contract was awarded or to any subcontractor in the performance of the work provided for in such contract.*

§ 40. *Exemptions. -*

*The provisions of §§ 39 through 46 shall not apply to the late payment provisions contained in any public utility tariffs prescribed by the State Corporation Commission.*

§ 41. *Retainage to remain valid. -*

*Notwithstanding the provisions of §§ 39 through 46, the provisions of § 26 relating to retainage shall remain valid.*

§ 42. *Prompt payment of bills by the Institution. -*

*A. The Institution shall promptly pay for the completely delivered goods or services by the required payment date.*

*Payment shall be deemed to have been made when offset proceedings have been instituted, as authorized under the Virginia Debt Collection Act (§ [2.2-4800](#) et seq.).*

*B. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial deliveries or executions to the extent that such contract provides for separate payment for such partial delivery or execution.*

*§ 43. Defect or impropriety in the invoice or goods and/or services received. -*

*In instances where there is a defect or impropriety in an invoice or in the goods or services received, the Institution shall notify the supplier of the defect or impropriety, if the defect or impropriety would prevent payment by the payment date. The notice shall be sent within 15 days after receipt of the invoice or the goods or services.*

*§ 44. Date of postmark deemed to be date payment is made. -*

*In those cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made for purposes of these Rules.*

*§ 45. Payment clauses to be included in contracts. -*

*Any contract awarded by the Institution shall include:*

*1. A payment clause that obligates the contractor to take one of the two following actions within seven days after receipt of amounts paid to the contractor by the Institution for work performed by the subcontractor under that contract:*

*a. Pay the subcontractor for the proportionate share of the total payment received from the Institution attributable to the work performed by the subcontractor under that contract; or*

*b. Notify the Institution and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.*

*2. A payment clause that requires (i) individual contractors to provide their social security numbers and (ii) proprietorships, partnerships, and corporations to provide their federal employer identification numbers.*

*3. An interest clause that obligates the contractor to pay interest to the subcontractor on all amounts owed by the contractor that remain unpaid after seven days following receipt by the contractor of payment from the Institution for work performed by the subcontractor under that contract, except for amounts withheld as allowed in subdivision 1.*

*4. An interest rate clause stating, "Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of 1% per month."*

*Any such contract awarded shall further require the contractor to include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.*

*A contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of the Institution. A*

*contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.*

*§ 46. Interest penalty; exceptions. -*

*A. Interest shall accrue, at the rate determined pursuant to subsection B, on all amounts owed by the Institution to a vendor that remain unpaid after seven days following the payment date. However, nothing in this section shall affect any contract providing for a different rate of interest, or for the payment of interest in a different manner.*

*B. The rate of interest charged the Institution pursuant to subsection A shall be the base rate on corporate loans (prime rate) at large United States money center commercial banks as reported daily in the publication entitled *The Wall Street Journal*. Whenever a split prime rate is published, the lower of the two rates shall be used. However, in no event shall the rate of interest charged exceed the rate of interest established pursuant to [§ 58.1-1812](#) of the Code of Virginia.*

*C. Notwithstanding subsection A, no interest penalty shall be charged when payment is delayed because of disagreement between the Institution and a vendor regarding the quantity, quality or time of delivery of goods or services or the accuracy of any invoice received for the goods or services. The exception from the interest penalty provided by this subsection shall apply only to that portion of a delayed payment that is actually the subject of the disagreement and shall apply only for the duration of the disagreement.*

*D. This section shall not apply to § 26 pertaining to retainage on construction contracts, during the period of time prior to the date the final payment is due. Nothing contained herein shall prevent a contractor from receiving interest on such funds under an approved escrow agreement.*

*E. Notwithstanding subsection A, no interest penalty shall be paid to any debtor on any payment, or portion thereof, withheld pursuant to the Comptroller's Debt Setoff Program, as authorized by the Virginia Debt Collection Act ([§ 2.2-4800](#) et seq. of the Code of Virginia), commencing with the date the payment is withheld. If, as a result of an error, a payment or portion thereof is withheld, and it is determined that at the time of setoff no debt was owed to the Commonwealth, then interest shall accrue at the rate determined pursuant to subsection B on amounts withheld that remain unpaid after seven days following the payment date.*

*§ 47. Ineligibility. -*

*A. Any bidder, offeror or contractor refused permission to participate, or disqualified from participation, in public contracts to be issued by the Institution shall be notified in writing. Prior to the issuance of a written determination of disqualification or ineligibility, the*

*Institution shall (i) notify the bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.*

*Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of disqualification or ineligibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received such rebuttal information.*

*If the evaluation reveals that the bidder, offeror or contractor should be allowed permission to participate in the public contract, the Institution shall cancel the proposed disqualification action. If the evaluation reveals that the bidder should be refused permission to participate, or disqualified from participation, in the public contract, the Institution shall so notify the bidder, offeror or contractor. The notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If, upon appeal, it is determined that the action taken was arbitrary or capricious, or not in accordance with the Constitution of Virginia, applicable state law or regulations, the sole relief shall be restoration of eligibility.*

*§ 48. Appeal of denial of withdrawal of bid. -*

*A. A decision denying withdrawal of bid under the provisions of § 23 of these Rules shall be final and conclusive unless the bidder appeals the decision within 10 days after receipt of the decision by invoking administrative procedures meeting the standards of § 55, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If no bid bond was posted, a bidder refused withdrawal of a bid under the provisions of § 23, prior to appealing, shall deliver to the Institution a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.*

*C. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, the sole relief shall be withdrawal of the bid.*

*§ 49. Determination of nonresponsibility. -*

*A. Following public opening and announcement of bids received on an Invitation to Bid, the Institution shall evaluate the bids in accordance with element 4 of the definition of "Competitive sealed bidding" in § 4 of these Rules. At the same time, the Institution shall determine whether the apparent low bidder is responsible. If the Institution so determines, then it may proceed with an award in accordance with element 5 of the definition of "Competitive sealed bidding" in § 4. If the Institution determines that the apparent low bidder is not responsible, it shall proceed as follows:*

*1. Prior to the issuance of a written determination of nonresponsibility, the Institution shall (i) notify the apparent low bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the apparent low bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.*

*2. Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of responsibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received the rebuttal information. At the same time, the Institution shall notify, with return receipt requested, the bidder in writing of its determination.*

*3. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*The provisions of this subsection shall not apply to procurements involving the pre-qualification of bidders and the rights of any potential bidders under such pre-qualification to appeal a decision that such bidders are not responsible.*

*B. If, upon appeal pursuant to § 54 or 55 of these Rules, it is determined that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and the award of the contract in question has not been made, the sole relief shall be a finding that the bidder is a responsible bidder for the contract in question or directed award as provided in subsection A of § 54, or both.*

*If it is determined that the decision of the Institution was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation*

*to Bid, and an award of the contract has been made, the relief shall be as set forth in subsection B of § 54 of these Rules.*

*C. A bidder contesting a determination that he is not a responsible bidder for a particular contract shall proceed under this section, and may not protest the award or proposed award under the provisions of § 50 of these Rules.*

*D. Nothing contained in this section shall be construed to require the Institution, when procuring by competitive negotiation, to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous.*

*§ 50. Protest of award or decision to award. -*

*A. Any bidder or offeror, who desires to protest the award or decision to award a contract shall submit the protest in writing to the Institution, or an official designated by the Institution, no later than 10 days after the award or the announcement of the decision to award, whichever occurs first. Public notice of the award or the announcement of the decision to award shall be given by the Institution in the manner prescribed in the terms or conditions of the Invitation to Bid or Request for Proposal. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit the protest in the same manner no later than 10 days after posting or publication of the notice of such contract as provided in § 5 of these Rules. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction that are subject to inspection under § 34 of these Rules, then the time within which the protest shall be submitted shall expire 10 days after those records are available for inspection by such bidder or offeror under § 34, or at such later time as provided in this section. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The Institution or designated official shall issue a decision in writing within 10 days stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within 10 days of receipt of the written decision by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54. Nothing in this subsection shall be construed to permit a bidder to challenge the validity of the terms or conditions of the Invitation to Bid or Request for Proposal. The use of Alternative Dispute Resolution (ADR) shall constitute an administrative appeal procedure meeting the standards of § 55 of these Rules.*

*B. If prior to an award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The Institution shall cancel the*

*proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided.*

*Where the award has been made but performance has not begun, the performance of the contract may be enjoined. Where the award has been made and performance has begun, the Institution may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.*

*C. Where the Institution, an official designated by it, or an appeals board determines, after a hearing held following reasonable notice to all bidders, that there is probable cause to believe that a decision to award was based on fraud or corruption or on an act in violation of these Rules, the Institution, designated official or appeals board may enjoin the award of the contract to a particular bidder.*

*§ 51. Effect of appeal upon contract. -*

*Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with these Rules shall not be affected by the fact that a protest or appeal has been filed.*

*§ 52. Stay of award during protest. -*

*An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest as provided in § 50 of these Rules, or the filing of a timely legal action as provided in § 54, no further action to award the contract shall be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.*

*§ 53. Contractual disputes. -*

*A. Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment. However, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.*

*B. The Institution shall include in its contracts a procedure for consideration of contractual claims. Such procedure, which may be contained in the contract or may be specifically incorporated into the contract by reference and made available to the contractor, shall establish a time limit for a final decision in writing by the Institution. If the Institution*

*has established administrative procedures meeting the standards of § 55 of these Rules, such procedures shall be contained in the contract or specifically incorporated in the contract by reference and made available to the contractor. The Institution may require the submission of contractual claims pursuant to any contract to Alternative Dispute Resolution (ADR) as an administrative procedure.*

*C. A contractor may not invoke administrative procedures meeting the standards of § 55 of these Rules, if available, or institute legal action as provided in § 54, prior to receipt of the Institution's decision on the claim, unless the Institution fails to render such decision within the time specified in the contract.*

*D. The decision of the Institution shall be final and conclusive unless the contractor appeals within six months of the date of the final decision on the claim by the Institution by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*§ 54. Legal actions. -*

*A. A bidder or offeror, actual or prospective, who is refused permission or disqualified from participation in bidding or competitive negotiation, or who is determined not to be a responsible bidder or offeror for a particular contract, may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the petitioner establishes that the decision was not (i) an honest exercise of discretion, but rather was arbitrary or capricious; (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid; or (iii) in the case of denial of prequalification, based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. In the event the apparent low bidder, having been previously determined by the Institution to be not responsible in accordance with § 4, is found by the court to be a responsible bidder, the court may direct the Institution to award the contract to such bidder in accordance with the requirements of this section and the Invitation to Bid.*

*B. A bidder denied withdrawal of a bid under § 23 of these Rules may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the bidder establishes that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid.*

*C. A bidder, offeror or contractor, or a potential bidder or offeror on a contract negotiated on a sole source or emergency basis in the manner provided in § 5 of these Rules, whose protest of an award or decision to award under § 50 of these Rules is denied,*

*may bring an action in the appropriate circuit court challenging a proposed award or the award of a contract, which shall be reversed only if the petitioner establishes that the proposed award or the award is not (i) an honest exercise of discretion, but rather is arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms and conditions of the Invitation to Bid or Request for Proposal.*

*D. If injunctive relief is granted, the court, upon request of the Institution, shall require the posting of reasonable security to protect the Institution.*

*E. A contractor may bring an action involving a contract dispute with the Institution in the appropriate circuit court. Notwithstanding any other provision of law, the Comptroller shall not be named as a defendant in any action brought pursuant to these Rules or § [33.1-387](#) of the Code of Virginia, except for disputes involving contracts of the Office of the Comptroller or the Department of Accounts.*

*F. A bidder, offeror or contractor need not utilize administrative procedures meeting the standards of § 55 of these Rules, if available, but if those procedures are invoked by the bidder, offeror or contractor, the procedures shall be exhausted prior to instituting legal action concerning the same procurement transaction unless the Institution agrees otherwise.*

*G. Nothing herein shall be construed to prevent the Institution from instituting legal action against a contractor.*

*§ 55. Administrative appeals procedure. -*

*A. The Institution may establish an administrative procedure for hearing (i) protests of a decision to award or an award, (ii) appeals from refusals to allow withdrawal of bids, (iii) appeals from disqualifications and determinations of nonresponsibility, and (iv) appeals from decisions on disputes arising during the performance of a contract, or (v) any of these. Such administrative procedure may include the use of Alternative Dispute Resolution (ADR) or shall provide for a hearing before a disinterested person or panel, the opportunity to present pertinent information and the issuance of a written decision containing findings of fact. The disinterested person or panel shall not be an employee of the governmental entity against whom the claim has been filed. The findings of fact shall be final and conclusive and shall not be set aside unless the same are (a) fraudulent, arbitrary or capricious; (b) so grossly erroneous as to imply bad faith; or (c) in the case of denial of prequalification, the findings were not based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. No determination on an issue of law shall be final if appropriate legal action is instituted in a timely manner. The*

*Institution may seek advice and input from the Alternative Dispute Resolution Council in establishing an Alternative Dispute Resolution (ADR) procedure.*

*B. Any party to the administrative procedure, including the Institution, shall be entitled to institute judicial review if such action is brought within 30 days of receipt of the written decision.*

*§ 56. Alternative dispute resolution. -*

*The Institution may enter into agreements to submit disputes arising from contracts entered into pursuant to these Rules to arbitration and utilize mediation and other alternative dispute resolution procedures. However, such procedures shall be nonbinding and subject to § [2.2-514](#) of the Code of Virginia, as applicable.*

*§ 57. Ethics in public contracting. -*

*The Institution and its governing body, officers and employees shall be governed by the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia.*

## ATTACHMENT 2

### *Memorandum of Agreement*

*The Commonwealth of Virginia and the University of Virginia*

*ERP/SciQuest Implementation with eVA*

*The Commonwealth of Virginia (CoVA) and the University of Virginia (University) agree to the following:*

*I. The University will use ERP/SciQuest integration as best fits its needs with its ERP system (Oracle).*

*II. Initially, all nonexempt orders produced by the ERP/SciQuest integration will be transmitted to eVA through an ERP-to-eVA interface that conforms to the existing eVA interface standard format. Longer term a more real-time option may be mutually agreed by the Department of General Services/Division of Purchasing and Supply (DGS/DPS) and the University and implemented between the ERP and eVA systems.*

*III. The University may request that eVA contract vendors provide a version of their contract catalog for loading into ERP/SciQuest. Should the vendor indicate a preference to only provide its catalog through eVA, then the University will access these catalogs as described in item B8 of the Metrics section of this document. In any event, the University shall be responsible for payment of all eVA transaction fees for nonexempt*

*orders to unregistered vendors and exempt orders the University chooses to issue to unregistered and registered vendors through eVA.*

*IV. eVA will load all nonexempt University orders into the eVA Data Warehouse. For clarity, it is understood that exempt orders are purchase transactions specifically exempted, in writing by DPS, from mandatory processing through eVA.*

*V. In lieu of processing individual orders for requirements through eVA, a more efficient administrative approach is to establish a blanket or standing order. The University is authorized to use such an approach where it makes good business sense. The University will ensure vendors understand that eVA transaction fees will be invoiced at the time blanket or standing orders are issued, that the transaction fee will be based on the total order amount, and the vendor is required to pay the total transaction fee within 30 days of the invoice date regardless of the performance/delivery schedule specified in the order.*

*VI. eVA will deliver University nonexempt orders to vendors that are identified as accepting electronic orders (Fax, Email, EDI, cXML). The University or SciQuest will print/mail/deliver all other orders to vendors. Whereas the University maintains a University specific electronic vendor record that identifies vendors that do not agree to the eVA terms and conditions, including payment of the eVA order transaction fee, the University may deviate from the policy/procedure set forth in Section 3 of the eVA Business Plan as follows:*

*A. For vendors that refuse to accept the eVA terms and conditions, the University will transmit the appropriate R02, S02, E02, or P02 Purchase Order Category and a Purchase Order Comment that includes the statement "Vendor refuses eVA terms and conditions." The University agrees that it will pay the eVA transaction fees for these orders.*

*For vendors that agree to accept the eVA terms and conditions, the University will transmit the appropriate R01, S01, E01, or P01 Purchase Order Category and a Purchase Order Comment that includes the statement "Vendor accepts eVA terms and conditions - University eVA Vendor Manager, e-mail address and phone number." The University agrees that, for these orders, it will resolve any vendor dispute related to payment of eVA transaction fees by working directly with the vendor whether such vendor contacts the university directly or the dispute is referred to the university by DGS/DPS or CGI-AMS. The University further agrees that:*

*1. It will provide the DGS/DPS eVA Business Manager (or designee) email notification of the resolution agreed to by the University and the vendor within 10 business days,*

*unless otherwise agreed on a case-by-case basis by the DGS/DPS eVA Business Manager (or designee);*

*2. It will pay the eVA transaction fee unless it notifies the eVA Business Manager (or designee) within the specified time that the dispute has been resolved and the vendor agreed to pay the fee; and*

*3. In the event the University does not provide resolution notification to the eVA Business Manager (or designee) within the specified timeframe, DGS/DPS will automatically execute a manual adjustment reversing disputed transaction fees from the vendor to the University and the University will pay the fee.*

*VII. The University will not require separate vendor registrations as a prerequisite for responding to University solicitations. The University will participate in an enterprise workgroup to determine the best means to capture W-9 information on behalf of the whole enterprise. The process for collecting W-9 information will be supported in eVA in such a way as to provide CoVA verified vendor information to entities. The University will have the option to receive a subset of vendor related data. Until an enterprise W-9 process is established, the University will be responsible for collection of W-9 information.*

*VIII. For major system changes, DGS/DPS will collaborate in advance (advance notice defined as at least six (6) months prior to change or as soon as any new plan is proposed) with the University regarding any proposed replacement to the CoVA's electronic procurement system and on changes that may affect the technical changes described herein.*

*IX. Integration of the University's electronic procurement solution with the University's ERP is the responsibility of the University. The solution must provide for orders, change orders and cancellations.*

#### *Guidelines*

*1. The establishment of this agreement is intended to formulate the basis for a long-term solution for electronic procurement between the University and the CoVA.*

*2. Orders may be batched and transmitted to eVA as often as needed except between the hours of 8 p.m. and 4 a.m. eVA will transmit registered vendor orders it receives within 15 minutes or less.*

*3. Nonexempt orders to unregistered vendors are to be transmitted to eVA for loading to the Data Warehouse. The University shall be responsible for payment of all eVA transaction fees for nonexempt orders to unregistered vendors and exempt orders the University chooses to issue to unregistered and registered vendors through eVA. See*

*eVA Business Plan Section 3 for specific processing requirements for unregistered vendor orders.*

*4. Change Orders are to be transmitted to eVA as replacement orders complying with the eVA standard format.*

*5. Cancellations are to be transmitted to eVA complying with the eVA standard format.*

*6. eVA Interface standard does not currently support PCard orders; however these orders may be processed via the interface as (a) confirming orders or (b) orders for PCards on file with the vendor.*

#### *Schedule*

*The University shall implement this agreement no later than December 2006.*

#### *Metrics*

*A. The University shall comply with the following Governor's eVA Management:*

##### *Objective*

*Ninety-five percent of all nonexempt orders to be processed by eVA. Includes nonexempt orders issued by end users (PCard & LPO) and the central purchasing office.*

*Nonexempt orders to unregistered vendors received into the eVA Data Warehouse are considered compliant orders. For clarity, it is understood that exempt orders are purchase transactions specifically exempted, in writing by DPS, from mandatory processing through eVA. All nonexempt orders not processed by eVA shall be reported on the eVA Dashboard and the corresponding non-use fee paid by the University.*

*B. The University shall meet the following management objectives for electronic procurement:*

*1. Provide end users, including purchase-card users, access to an electronic system for buying;*

*2. Conduct business with eVA registered vendors whenever possible;*

*3. Place nonexempt orders, including change orders and cancellations, to eVA suppliers electronically using eVA;*

*4. To the greatest extent possible, transmit real-time electronic purchase orders, regardless of dollar value, that include commodity codes, complete item descriptions, quantities, and unit prices;*

*5. To the greatest extent feasible, the University will transmit confirming orders to eVA within five (5) business days after placing the order. Commodity codes, complete item descriptions, quantities, and unit prices will be provided for all confirming orders.*

*DGS/DPS will provide periodic reports on the number and timeliness of confirming orders enabling the University and DGS/DPS to work together to monitor the usage of confirming orders with the objective of reducing their numbers to the extent possible.*

*The University agrees that, for confirming orders, it will resolve any vendor dispute, including disputes related to payment of eVA transaction fees, by working directly with the vendor whether such vendor contacts the University directly or the dispute is referred to the University by DGS/DPS or CGI-AMS.*

*The University further agrees that:*

*a. It will provide the DGS/DPS eVA Business Manager (or designee) email notification of the resolution agreed to by the university and the vendor within 10 business days, unless otherwise agreed on a case-by-case basis by the DGS/DPS eVA Business Manager (or designee);*

*b. It will pay the eVA transaction fee unless it notifies the eVA Business Manager (or designee) within the specified time that the dispute has been resolved and the vendor agreed to pay the fee; and*

*c. In the event the University does not provide resolution notification to the eVA Business Manager (or designee) within the specified timeframe, DGS/DPS will automatically execute a manual adjustment reversing disputed transaction fees from the vendor to the University and the University will pay the fee.*

*6. Timely process electronic change orders and cancellations;*

*7. Post all solicitations and business opportunities greater than \$50,000 on the eVA website except as specifically exempted by DPS;*

*8. To the extent technically feasible, make eVA catalogs, especially contract catalogs, available to end users using the ERP/SciQuest Integration system. The University will be responsible for the accuracy of contract catalog pricing loaded into the ERP/SciQuest;*

*9. Use eVA electronic vendor notification for procurement opportunities (per plans to post solicitations specified in item 7 above and the use of Quick Quote/Reverse Auctions specified in item 10 below);*

*10. Use eVA on-line bidding functions of Quick Quote and Reverse Auction for appropriate commodities, when such are identified;*

*11. Complete and certify the monthly eVA Dashboard Report; and*

*12. Timely remit any eVA transaction and non-use fees incurred by the institution.*

*C. The University shall be subject to eVA fees assessed per the eVA Business Plan. The University shall assure that payments to CGI-AMS are current.*

*EXHIBIT Q*

*MANAGEMENT AGREEMENT*

*BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*THE UNIVERSITY OF VIRGINIA*

*PURSUANT TO*

*THE RESTRUCTURED HIGHER EDUCATION FINANCIAL AND ADMINISTRATIVE  
OPERATIONS ACT OF 2005*

*POLICY GOVERNING*

*HUMAN RESOURCES FOR*

*PARTICIPATING COVERED EMPLOYEES*

*AND OTHER UNIVERSITY EMPLOYEE*

*THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA*

*POLICY GOVERNING HUMAN RESOURCES FOR*

*PARTICIPATING COVERED EMPLOYEES*

*AND OTHER UNIVERSITY EMPLOYEES*

*I. PREAMBLE.*

*Chapters 995 and 933 of the 1996 Acts of Assembly (House Bill No. 884 and Senate Bill No. 389, respectively) grant the University of Virginia authority regarding the adoption of an alternative human resources system and alternative retirement, health care and other insurance plans for University of Virginia Medical Center employees. Further, the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, establishes a process for the restructuring of institutions of higher education of the Commonwealth of Virginia and provides that upon becoming a Covered Institution, the University shall have responsibility and accountability for human resources management for all University employees, defined in the Act as "Covered Employees," who pursuant to subsection A of § [23-38.114](#) of the Act "are state employees of" the University. Specifically, the Act provides that, as of the Effective Date of its initial Management Agreement with the Commonwealth, all*

*Classified Employees shall continue to be covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and shall be subject to the policies and procedures prescribed by the Virginia Department of Human Resource Management, provided that they may subsequently elect to become Participating Covered Employees. All Participating Covered Employees shall: (i) be exempt from the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2; (ii) remain subject to the state grievance procedure for employees subject to the Virginia Personnel Act, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2, provided they were subject to the state grievance procedure prior to that Effective Date; (iii) participate in a compensation plan that is subject to the review and approval of the Board of Visitors; (iv) be hired pursuant to procedures that are based on merit and fitness; and (v) may, subject to certain specified conditions, continue to participate in either state- or University-sponsored benefit plans as described by the Management Agreement.*

*The provisions of this Policy are adopted by the Board of Visitors to implement the Governing Law and constitute the human resources policies to be included in any human resources system adopted by the University for its employees.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy. In particular, other powers and authorities granted to the University of Virginia Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy Statement.*

## *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Academic Division” means that part of the University known as (State Agency 207).*

*“Academic Division Human Resources System” means the human resources system for Academic Division employees as provided for herein.*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Board of Visitors of the University of Virginia.*

*“Classified Employees” means employees who are covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and the policies*

*and procedures established by the Virginia Department of Human Resource Management and who are not Participating Covered Employees.*

*“College” means that part of the University operated as the University of Virginia’s College at Wise (State Agency 246).*

*“College Human Resources System” means the human resources system for College employees as provided for herein.*

*“Covered Employee” means any person who is employed by the University on either a salaried or nonsalaried (wage) basis.*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Employee” means Covered Employee unless the context clearly indicates otherwise.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the University, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), [51.1-126.3](#), and [51.1-1100](#) in the case of the University of Virginia Medical Center.*

*“Effective Date” means the effective date of the initial Management Agreement between the University and the Commonwealth.*

*“Existing Medical Center Policy Statement” means the Policy Statement Governing the Exercise of Medical Center Personnel Autonomy adopted by the Board of Visitors in 1996.*

*“Governing Law” means the Act and the University’s Enabling Legislation.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) of the Act between the University and the Commonwealth.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center (State Agency 209), and related health care and health maintenance facilities.*

*“Medical Center Human Resources System” means the human resources system for Medical Center employees as provided for herein.*

*“Participating Covered Employee” means (i) all salaried nonfaculty University employees who were employed as of the day prior to the Effective Date of the University’s initial Management Agreement with the Commonwealth, and who elect pursuant to § [23-38.115](#) of the Act to participate in and be governed by such human resources program or programs, plans, policies, and procedures established by [the Participating Institution], (ii) all salaried nonfaculty University employees who are employed by the University on*

*or after the Effective Date of the initial Management Agreement between the University and the Commonwealth, (iii) all nonsalaried nonfaculty University employees without regard to when they were hired, (iv) all faculty University employees without regard to when they were hired, and (v) all employees of the University of Virginia Medical Center without regard to when they were hired.*

*“Systems” mean collectively the Academic Division Human Resources System, the College Human Resources System, and the Medical Center Human Resources System that are in effect from time to time.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

*“University employee” means a Covered Employee.*

### *III. SCOPE AND PURPOSE OF UNIVERSITY HUMAN RESOURCES POLICIES.*

*The University has had human resources system autonomy through decentralization and codified autonomy for its employees for some time. For example, general faculty at the University are expressly exempt from the Virginia Personnel Act. The Academic Division and the College have had decentralization in most human resources functions and activities since the late 1980s and early 1990s, including, but not limited to, the running of payrolls; the administration of hiring, classification, and promotion practices; the administration of separate health insurance and retirement plans. Effective July 1, 1996, all Medical Center employees were exempted from the Virginia Personnel Act and the policies and procedures of the Virginia Department of Human Resource Management (formerly the Department of Personnel and Training). The Board of Visitors approved the Existing Medical Center Policy Statement in 1996. A separate human resources system is in place for all Medical Center employees, which the Board of Visitors hereby continues, recognizing that the human resources needs of the Medical Center differ in certain respects from those of the Academic Division and the College.*

*The Act extends and reinforces the human resources autonomy previously granted to the University. This Policy therefore is adopted by the Board of Visitors to enable the University to develop, adopt, and have in place by or after the Effective Date of its initial Management Agreement with the Commonwealth, a human resources system or systems for all University employees in the Academic Division and the College, and to continue the existing human resources system for Medical Center employees. On that Effective Date, and until changed by the University or unless otherwise specified in this Policy, the systems for University employees shall be the same systems applicable to those employees in effect immediately prior to that Effective Date.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

**V. UNIVERSITY OF VIRGINIA HUMAN RESOURCES SYSTEMS.**

**A. Adoption and Implementation of Academic Division and College Human Resources Systems for the Academic Division and the College; Continuation of Medical Center Human Resources System for the Medical Center.**

*The President, acting through the Executive Vice President and Chief Operating Officer, in consultation with the Vice President and Provost, is hereby authorized to adopt and implement human resources systems for employees of the Academic Division and for employees of the College that implement and are consistent with the Governing Law, other applicable provisions of law, these University human resources policies for Academic Division and College employees, and any other human resources policies adopted by the Department of Human Resource Management or the Board of Visitors for University personnel, unless Academic Division employees or College employees are exempted from those other human resources policies by law or policy. The University Academic Division and College Human Resources Systems shall include a delegation of personnel authority to appropriate University officials responsible for overseeing and implementing the Academic Division and College Human Resources Systems, including a grant of authority to such officials to engage in further delegation of authority as the President or his designee deems appropriate.*

*The University and the College commit to regularly engage employees in appropriate discussions and to receive employee input as the new Academic Division and College Human Resources Systems are developed. The University and the College will regularly communicate the details of new proposals to all employees who are eligible to participate in the new Academic Division Human Resources System or the College Human Resources System through written communication, open meetings, and website postings as appropriate, so that employees will have full information that will help them evaluate the merits of the new human resource system compared to the then-current State human resource system.*

*Effective on the Effective Date of its initial Management Agreement with the Commonwealth, and until amended as described below, the University's human resources systems shall consist of the following:*

- 1. The current human resources system for "Academic Division General Faculty" as posted on the Vice President and Provost's web, <http://www.virginia.edu/provost/index.html>, and periodically amended;*
- 2. The current human resources system for "College General Faculty" as included in the University of Virginia's College at Wise Faculty Handbook 2004-05, as periodically amended;*
- 3. The current human resources system for Classified Employees in the Academic Division and the College as posted on the Virginia Department of Human Resource Management website at <http://www.dhrm.state.va.us/hrpolicy/policy.html>, and the University's website at <http://www.hrs.virginia.edu/policies.html>, as periodically amended;*
- 4. The human resources system for Participating Covered Employees, which shall include nonsalaried (wage) employees, as posted on the University Human Resources website, [www.hrs.virginia.edu](http://www.hrs.virginia.edu), and periodically amended; and*
- 5. The current human resources system for Medical Center employees, which shall continue, including the policies and procedures set forth in the University of Virginia Medical Center Human Resources Policies and Procedures Manual, as such Manual may be amended from time to time. The Medical Center Human Resources System is and shall continue to be consistent with Governing Law, other provisions of applicable law, and any other human resources policies adopted by the Board of Visitors for Medical Center employees. All current delegations of authority to University and Medical Center officials who oversee the Medical Center Human Resources System are hereby ratified and continue.*

*All the systems described above, except the system described in paragraph 3, may be amended by the President, acting through the Executive Vice President and Chief Operating Officer, consistent with these human resources policies. The system described in paragraph 3 may be amended only by the State.*

*B. Training in and Compliance with Applicable Provisions of Law and Board of Visitors' Human Resources Policies.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall take all necessary and reasonable steps to assure (i) that the University officials who develop, implement and administer the Academic Division and College Human Resources Systems and the Medical Center Human Resources System authorized by Governing Law and these human resources policies are knowledgeable regarding the*

*requirements of the Governing Law, other applicable provisions of law, these University human resources policies, and other applicable Board of Visitors' human resources policies affecting University employees, and (ii) that compliance with such laws and human resources policies is achieved.*

*VI. HUMAN RESOURCES POLICIES.*

*The Academic Division and College Human Resources Systems adopted by the University pursuant to Governing Law and this Policy, as set forth in Section V above, as well as the Medical Center Human Resources System, shall embody the following human resources policies and principles:*

*A. Election by Academic Division and College Salaried Nonfaculty Employees.*

*Upon the adoption by the University of an Academic Division Human Resources System, or a College Human Resources System, or both, all salaried nonfaculty University employees who were in the employment of the Academic Division or the College, as appropriate, as of the day prior to the Effective Date of its initial Management Agreement with the Commonwealth, except employees of the Medical Center, shall be given written notice of their right to elect to participate in and be governed by either (i) the State human resources program set forth in Chapters 28 (§ [2.2-2800](#) et seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and administered by the Department of Human Resource Management, or (ii) the Academic Division Human Resources System or the College Human Resources System, as appropriate. A salaried nonfaculty University employee who elects to continue to be governed by the State human resources program described above shall continue to be governed by all State human resources and benefit plans, programs, policies and procedures that apply to and govern State employees. A salaried nonfaculty University employee who elects in writing to participate in and be governed by the Academic Division Human Resources System or the College Human Resources System, as appropriate, also, by that election, shall be deemed to have elected to be eligible to participate in and to be governed by the human resources, authorized alternative insurance, and severance plans, programs, policies and procedures that are or may be adopted by the University as part of that Academic Division Human Resources System or College Human Resources System, as appropriate.*

*Each such salaried nonfaculty University employee shall be given at least 90 days to make the election required by the prior paragraph. Such 90-day period shall begin to run on the date on which the Academic Division Human Resources System or the College Human Resources System, as appropriate, becomes effective for that University employee's classification of employees. If such a salaried nonfaculty University employee does not make an election by the end of that specified election period, that*

*University employee shall be deemed not to have elected to participate in the Academic Division Human Resources System or the College Human Resources System, as appropriate. If such a salaried nonfaculty University employee elects to participate in the Academic Division Human Resources System or the College Human Resources System, as appropriate, that election shall be irrevocable. At least every two years, the University shall offer to salaried nonfaculty University employees who have elected to continue to participate in the state human resources program set forth in Chapters 28 (§ 22.-2800 et seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, an opportunity to elect to participate in the Academic Division Human Resources System or the College Human Resources System, as appropriate; provided that, each time prior to offering such opportunity to such salaried nonfaculty University employees, and at least once every two years after the effective date of the Academic Division Human Resources System or the College Human Resources System, or both, as appropriate, the University shall make available to each of its salaried nonfaculty University employees a comparison of its human resources program for that classification of salaried nonfaculty University employee with the State human resources program for comparable State employees, including but not limited to a comparability assessment of compensation and benefits. A copy of the human resources program comparison shall be provided to the Department of Human Resource Management.*

*B. Classification and Compensation.*

*General. The Systems shall include classification and compensation plans that are fair and reasonable, and are based on the availability of University financial resources. The plans adopted by the University for its faculty, Medical Center employees, and other Participating Covered Employees shall be independent of, and need not be based on, the classification and compensation plans of the Commonwealth, do not require the approval of any State agency or officer, and shall be subject to the review and approval by the Board of Visitors as set forth in paragraph 3 below. The University shall provide information on its classification and compensation plans to all University employees.*

*The plans applicable to Participating Covered Employees and Medical Center employees may or may not include changes in classification or compensation announced by the Commonwealth depending on such factors as the availability of necessary financial resources to fund any such changes, and subject to the review and approval by the Board of Visitors of any major changes in the University's compensation plans.*

*Classification Plan. The Systems shall include one or more classification plans for University employees that classify positions according to job responsibilities and qualifications. On the Effective Date of the University's initial Management Agreement*

*with the Commonwealth, and until changed by the University, the classification plans shall be the same plans that are in effect for each group of employees immediately prior to that Effective Date.*

*Compensation Plan. The Systems shall include one or more compensation plans for each University employee classification or group. On the Effective Date of the University's initial Management Agreement with the Commonwealth, and until changed by the Department of Human Resource Management, the compensation plan for Classified Employees in the Academic Division and College shall be the compensation plan in effect immediately prior to that Effective Date, known as the Commonwealth's Classified Compensation Plan. On that Effective Date, and until changed by the University, the compensation plan or plans for all Participating Covered Employees shall be the compensation plan or plans in effect immediately prior to that Effective Date. The University may adopt one or more compensation plans for Participating Covered Employees that are non-graded plan(s) based on internal and external market data and other relevant factors to be determined annually. On that Effective Date, and until changed by the University, the compensation plan for Medical Center employees in effect immediately prior to that Effective Date shall continue as the compensation plan for Medical Center employees. Any major change in compensation plans for Participating Covered Employees or Medical Center employees shall be reviewed and approved by the Board of Visitors before that change becomes effective. Any change recommended in the compensation plans may take into account the prevailing rates in the labor market for the jobs in question, or for similar positions, the relative value of jobs, the competency and skills of the individual employee, internal equity, and the availability of necessary financial resources to fund the proposed change. The compensation payable to University employees shall be authorized and approved only by designated University officers delegated such authority by the University, and shall be consistent with the approved compensation plan for the relevant position or classification. Further approval by any other State Agency, governmental body or officer is not required for setting, adjusting or approving the compensation payable to individual Participating Covered Employees.*

*Wages. The Systems shall include policies and procedures for the authorization, computation and payment of wages, where appropriate, for such premium pays as overtime, shift differential, on call, and call back, and for the payment of hourly employees.*

*Payment of Compensation. The Systems shall include policies and procedures for paying compensation to employees, including the establishment of one or more payday schedules.*

*Work Schedule and Workweek.* The Systems shall include policies and procedures for the establishment of, and modifications to, work schedules and workweeks for all University employees, including alternative work schedules and sites, and telecommuting policies and procedures.

*Other Classification and Compensation Policies and Procedures.* The Systems may include any other reasonable classification and compensation policies and procedures the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate.

*C. Benefits.*

The Systems shall provide fringe benefits to all benefits eligible employees, including retirement benefits, health care insurance, and life, disability, and accidental death and dismemberment insurance. The benefits provided shall include a basic plan of benefits for each benefits eligible employee, and may include an optional benefits plan for benefits eligible employees, including additional insurance coverage, long-term care, tax deferred annuities, flexible reimbursement accounts, employee assistance programs, employee intramural and recreational passes, and other wellness programs. As provided in subsections B and C of § [23-38.119](#) of the Act, the University may require Participating Covered Employees to pay all or a portion of the cost of group life, disability and accidental death and dismemberment insurance, which may be collected through a payroll deduction program. Participating Covered Employees shall not be required to present evidence of insurability for basic group life insurance coverage. The Board of Visitors may elect to provide benefits through Virginia Retirement System group insurance programs under the terms of and to the extent allowed by subsections B and D of § [23-38.119](#) of the Act or any other provision of law.

Notwithstanding the above, pursuant to subsection A of § [23-38.114](#) of the Act, and unless and until that section is amended, the state retirement system, state health insurance program, and state workers' compensation coverage program as they may be amended from time to time, shall continue to apply to and govern all eligible University employees. If, however, the University has been or is permitted by law other than the Act to establish an alternative health insurance plan or an alternative faculty or Medical Center retirement plan or plans, such alternative health insurance or faculty or Medical Center retirement plan or plans shall apply to and govern the University employees included in such plan or plans. The University shall be responsible for managing its non-Medicare eligible retiree health insurance. Subject to the Act, the University may offer an alternative health insurance plan for Medicare-eligible retirees.

*The Systems may provide different benefits plans for reasonably different groups or classifications of employees, and may provide benefits to part-time employees. On the Effective Date of the University's initial Management Agreement with the Commonwealth, and until changed by the appropriate governing authority, the benefits plans provided by the University to Classified Employees and Participating Covered Employees shall be the benefits plans provided to that group or classification as of the date immediately prior to that Effective Date. On or after that Effective Date, alternative University group life, accidental death and dismemberment, and short- and long-term disability plans may be provided to eligible Participating Covered Employees, or at the election of the Board of Visitors and subject to the execution of participation agreements as provided in subsections B and C of § [23-38.119](#) of the Act, they may be provided by the appropriate State programs, but no contributions to the State programs by the University shall be required for Participating Covered Employees who do not participate in the programs. Subject to the provisions of the Act, any new plans, programs and material changes permitted under current law in University employee benefits plans, other than Classified Employee benefits plans, shall be approved by the Board of Visitors, including the authority to increase the Cash Match Contribution rate up to the limit permitted by the Code of Virginia based on available resources, and the authority to implement cafeteria-style benefits for University employees other than Classified Employees. Insurance and all proceeds therefrom provided pursuant to § [23-38.119](#) of the Act shall be exempt from legal process and may be subject to assignment as provided in subsection A of § [23-38.119](#).*

*D. Employee Relations.*

- 1. General. The Systems shall contain provisions that protect the rights and privileges of University employees consistent with sound management principles and fair employment practice law.*
- 2. Employee Safety and Health. The Systems shall contain provisions that promote workplace safety compliance with applicable law and regulations.*
- 3. Employee Work Environment. The Systems shall promote a work environment that is conducive to the performance of job duties, and free from intimidation or coercion in violation of State or federal law, including sexual harassment or other discrimination.*
- 4. Employee Recognition. The Systems may provide for the use of leave awards and bonuses specific to policies and procedures for awarding, honoring, or otherwise recognizing University employees, including but not limited to those who have performed particularly meritorious service for the University, have been employed by the University for specified periods of time, or have retired from the University after lengthy service.*

5. *Counseling Services.* The Systems shall provide counseling services through the State's Employee Assistance Program or a University Employee Assistance Program to any eligible University employee experiencing job-related difficulties and seeking counseling for those difficulties, and shall establish the circumstances under which the time necessary to participate in such counseling may be granted.

6. *Unemployment Compensation.* The Systems shall ensure that University employees receive the full unemployment compensation benefits to which they are legally entitled, and that the University's liability is limited to legitimate claims for such benefits.

7. *Workers' Compensation.* The Systems shall ensure that University employees have workers' compensation benefits to which they are legally entitled pursuant to the State Employees' Workers Compensation Program administered by the Department of Human Resource Management.

8. *Performance Planning and Evaluation.* The Systems shall include one or more performance planning and evaluation processes for University employees that (i) establish and communicate the University's performance expectations, (ii) help develop productive working relationships, (iii) allow employees to present their views concerning their performance, (iv) identify areas for training or professional development, (v) establish the process by which evaluations shall be conducted, (vi) clarify how superlative or inadequate performance shall be addressed, and (vii) ensure that all University employees are provided relevant information on the evaluation process. The Systems may include separate performance and evaluation processes for reasonably distinguishable groups of University employees. On the Effective Date of the University's initial Management Agreement with the Commonwealth, the existing merit-based performance management system for faculty and Medical Center employees shall continue, until amended by the University. On or after that Effective Date, Academic Division and College nonfaculty salaried Participating Covered Employees may be subject to a variable merit-based performance management system.

9. *Standards of Conduct and Performance.* In order to protect the well-being and rights of all employees and to ensure safe, efficient University operations and compliance with the law, the Systems shall establish rules of personal conduct and standards of acceptable work performance for University salaried nonfaculty employees and policies for corrective discipline. In general, the policies for corrective discipline shall serve to (i) establish a uniform and objective process for correcting or disciplining unacceptable conduct or work performance, (ii) distinguish between less serious and more serious actions of misconduct and provide corrective action accordingly, and (iii) limit corrective action to employee conduct occurring only when employees are at work or are otherwise

*representing the University in an official or work-related capacity, unless otherwise specifically provided by the policies of the Systems or other applicable law. The Systems may provide for a probationary period for new and re-employed University salaried non-faculty employees, during which period the policies for corrective discipline shall not be applicable and the employee may not use the grievance procedure set forth in the next paragraph. The Systems may include separate rules of personal conduct and standards of acceptable work performance and policies for corrective discipline for reasonably distinguishable groups of University employees.*

*10. Grievance Procedure. As provided in the Governing Law, employees shall be encouraged to resolve employment-related problems and complaints informally, and shall be permitted to discuss their concerns freely and without fear of retaliation with immediate supervisors and management. In the event that such problems cannot be resolved informally, all salaried nonfaculty University employees, regardless of their date of hire, shall have access, as provided in subsection A of § [23-38.114](#) and in § [23-38.117](#) of the Act, to the State Grievance Procedure, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2 of the Code of Virginia, to the extent it was applicable to their classification of employees prior to the Effective Date of the University's initial Management Agreement with the Commonwealth. On that Effective Date, and until changed by the University, the faculty grievance procedures in effect immediately prior to the Effective Date shall continue.*

*11. Discrimination Complaints. If a Classified Employee believes discrimination has occurred, the Classified Employee may file a complaint with the Department of Human Resource Management Office of Equal Employment Services, with the appropriate University office, or with the appropriate federal agencies. All Participating Covered Employees and applicants for employment after the Effective Date of the University's initial Management Agreement with the Commonwealth shall file a complaint with the appropriate University office or with the appropriate federal agencies.*

*12. Layoff Policy. The Systems shall include one or more layoff policies for salaried University employees who lose their jobs for reasons other than their job performance or conduct, such as a reduction in force or reorganization at the University. These University layoff policies shall govern such issues as (i) whether there is a need to effect a layoff, (ii) actions to be taken prior to a layoff, (iii) notice to employees affected by a layoff, (iv) placement options within the University or its respective major divisions and within other parts of the University, (v) the preferential employment rights, if any, of various University employees, (vi) the effect of layoff on leave and service, and (vii) the policy for recalling employees. In accordance with the terms of the Act, University*

employees who: (i) were employed prior to the Effective Date of the University's initial Management Agreement with the Commonwealth, (ii) would otherwise be eligible for severance benefits under the Workforce Transition Act, (iii) were covered by the Virginia Personnel Act prior to that Effective Date, and (iv) are separated because of a reduction in force shall have the same preferential hiring rights with State agencies and other executive branch institutions as Classified Employees have under § [2.2-3201](#) of the Code of Virginia. Conversely, the University shall recognize the hiring preference conferred by § [2.2-3201](#) on State employees who were hired by a State agency or executive branch institution before the Effective Date of the University's initial Management Agreement with the Commonwealth and who were separated after that date by that State agency or executive branch institution because of a reduction in workforce. If the University has adopted a classification system pursuant to § [23-38.116](#) of the Act that differs from the classification system administered by the Department of Human Resource Management, the University shall classify the separated employee according to its classification system and shall place the separated employee appropriately. The University may include separate policies for reasonably distinguishable groups of University employees. On or after the Effective Date of the University's initial Management Agreement with the Commonwealth, all employees from other State agencies and executive branch institutions who are placed by the University under the provisions of the State Layoff Policy shall be Participating Covered Employees.

13. *Severance Benefits.* In accordance with the terms of the Act, the University shall adopt severance policies for salaried Participating Covered Employees who are involuntarily separated for reasons unrelated to performance or conduct. The terms and conditions of such policies shall be determined by the Board of Visitors. Classified Employees who otherwise would be eligible and were employed prior to the Effective Date of the University's initial Management Agreement with the Commonwealth shall be covered by the Workforce Transition Act, Chapter 32 (§ [2.2-3200](#) et seq.) of Title 2.2 of the Code of Virginia. The University and the Board of the Virginia Retirement System may negotiate a formula according to which cash severance benefits may be converted to years of age or creditable service for Participating Covered Employees who participate in the Virginia Retirement System. An employee becoming, on such Effective Date, a Covered Employee shall not constitute a severance or reduction in force to which severance or Workforce Transition Act policies apply.

14. *Use of Alcohol and Other Drugs.* The Systems shall include policies and procedures that (i) establish and maintain a work environment at the University that is free from the adverse effect of alcohol and other drugs, (ii) are consistent with the federal Drug-Free

*Workplace Act of 1988 and with the University of Virginia Alcohol and Other Drugs Policy, (iii) describe the range of authorized disciplinary action, including termination where appropriate, for violations of such policies and procedures, and the process to be followed in taking such disciplinary action, (iv) provide University employees access to assistance and treatment for problems involving alcohol and other drugs, (v) provide for the circumstances under which employees are required to report certain violations of the policies and procedures to their supervisor, and the University is required to report those violations to a federal contracting or granting agency, (vi) describe the circumstances under which personnel records of actions taken under the University's alcohol and other drugs policy shall not be kept confidential, and (vii) provide notice to University employees of the scope and content of the University alcohol and other drugs policy. As part of this alcohol and other drugs policy, and in compliance with the federal Omnibus Transportation Employee Testing Act of 1991, the Systems may provide for pre-employment, reasonable suspicion, random, post-accident, return-to-duty and follow-up alcohol and other drug testing for University positions that are particularly safety sensitive, such as those requiring a Commercial Driver's License or the provision of patient care.*

*15. Background Checks. The Systems shall include a process for conducting background checks, which may include but is not limited to reference checks, educational/professional credentialing checks, and conviction and driver's records checks on applicants for full-time or part-time positions at the University, and for addressing situations where employees do not disclose a conviction on their application or otherwise falsify their application with regard to information concerning their education/professional credential and/or prior convictions.*

*16. Other Employee Relations Policies and Procedures. The Systems shall include any other reasonable employee relations policies or procedures that the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate, which may include, but are not limited to, policies or procedures relating to orientation programs for new or re-employed University employees, an employee suggestion program, the responsibility of University employees for property placed in their charge, work breaks, inclement weather and emergencies, and employment outside the University.*

*E. Leave and Release Time.*

*The Systems shall include policies and procedures regarding leave for eligible employees. The Systems shall provide reasonable paid leave for purposes such as holidays, vacation, or other personal uses. The Systems may provide for release time for such matters as the donation of blood, participation in an employee assistance program and other appropriate employment-related matters. On or after the Effective Date of its*

*initial Management Agreement with the Commonwealth, and until a new program is adopted by the appropriate authority, the University shall continue to provide leave and release time to Participating Covered Employees in accordance with the leave and release time policies and procedures applicable to each classification of employees prior to that Effective Date. On or after that Effective Date, the University may provide an alternative leave and release time system for salaried nonfaculty Participating Covered Employees.*

*F. Equal Employment Opportunity, Nondiscrimination, Employment, and Separation.*

*1. Equal Employment Opportunity and Nondiscrimination. The Systems shall contain policies and procedures to ensure that all aspects of human resources management, including the employment of University employees, meet all requirements of federal and state law, and of the relevant policies of the Board of Visitors, with regard to equal employment opportunity and nondiscrimination.*

*2. Employment. The Systems shall include policies and procedures for the recruitment, selection and hiring of University employees that are based on merit and fitness, including where appropriate a requirement for job posting, interviews, pre-employment testing, pre-employment drug testing, reference checks and conviction record checks. On and after the Effective Date of its initial Management Agreement with the Commonwealth, the University shall post all salaried nonfaculty position vacancies through the University's job posting system, the Commonwealth's job posting system, and other external media as appropriate. The Systems shall establish designated veterans' re-employment rights in accordance with applicable law.*

*In order to encourage employees to attain the highest level positions for which they are qualified, and to compensate employees for accepting positions of increased value and responsibility, the Systems shall include policies and procedures governing the promotion of employees, including the effect of promotion on an employee's compensation. On or after the Effective Date of the University's initial Management Agreement with the Commonwealth, all employees hired from other state agencies shall be Participating Covered Employees. University Academic Division and College Classified Employees who change jobs within the Academic Division or the College through a competitive employment process - i.e., promotion or transfer - shall have the choice of remaining a Classified Employee or becoming a Participating Covered Employee. If a Classified Employee elects to become a Participating Covered Employee, that decision shall be irrevocable.*

*3. Notice of Separation. The Systems shall include policies and procedures requiring reasonable notice, where appropriate, of a decision either by the employee or by the*

*University to separate the employee from the University in accordance with policies governing performance, conduct, or layoff.*

*G. Information Systems.*

*The University shall provide an electronic file transfer of information on all salaried University employees and shall continue to provide the Employee Position Reports to meet the human resources reporting requirements specified by law or by request of the Governor or the General Assembly, unless the University is specifically exempted from those requirements. The University shall conduct assessments to demonstrate its accountability for human resources practices that comply with laws and regulations. The Department of Human Resource Management and the University have entered into a Memorandum of Understanding, attached hereto as Attachment 3, which may be amended from time to time by agreement of the parties, regarding the specific data and reporting requirements. The University shall be accountable for ensuring the timeliness and integrity of the data transmitted to the Department of Human Resources Management.*

*VII. CONTINUED APPLICABILITY OF OTHER PROVISIONS OF THE CODE OF VIRGINIA AND OTHER BOARD OF VISITORS' POLICIES AFFECTING UNIVERSITY PERSONNEL.*

*On and after the Effective Date of its initial Management Agreement with the Commonwealth, University employees shall be subject to the terms and conditions of the Act and the Management Agreement between the Commonwealth and the University. Classified Employees shall continue to be subject to the human resources policies and exceptions to those policies adopted or approved by the Department of Human Resource Management.*

*In addition, all University employees also shall remain subject to any other human resources policies adopted by the Board of Visitors applicable to University personnel unless University employees or a subset thereof are specifically exempted from those other human resources policies either by those other policies or by this Policy.*

*ATTACHMENT 3*

*Memorandum of Understanding*

*Between the University of Virginia and the*

*Department of Human Resources Management Regarding*

*The Reporting of Human Resources Management Data*

*This Memorandum of Understanding, which may be amended from time to time by the agreement of all parties, is an attachment to the Policy Governing Human Resources for Participating Covered Employees and Other University Employees pursuant to the Restructured Higher Education Financial and Administrative Operations Act of 2005, and is hereby entered into between the University of Virginia and the Department of Human Resource Management (DHRM).*

*This document outlines the provisions for information management pertaining to human resources data, consistent with the objectives to enable DHRM to meet the Commonwealth's reporting requirements, to ensure compliance with relevant federal and state laws and regulations, and to do so through efficient and cost-effective methods. In lieu of data entry into the state's Personnel Management Information System (PMIS), data will be transmitted through an electronic file transfer to update DHRM's warehouse. The University will provide a flat file of designated personnel data. For "Classified Employees," the data provided will match DHRM's data values for the designated fields. For salaried "Participating Covered Employees," the data provided will include the University's data values for the designated fields. The University will provide a data dictionary to DHRM. The file of designated data will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM. The University will provide a second flat file of salaried personnel actions for "Classified Employees" and salaried "Participating Covered Employees," such as promotions, separations, and salary adjustments. The file of relevant personnel actions and designated data to be provided for each action will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.*

*DHRM will accept the federal Affirmative Action Plan (AAP), including the adverse impact analyses of employment and compensation actions that are part of the AAP, as demonstration of the University's compliance with relevant federal and state employment laws and regulations.*

*The University may key data into the Benefits Enrollment System or provide a batch file, or employees may use Employee Direct (employee self-service). For the self-administered health plans provided by the University of Virginia Academic Division (State Agency 207) and Medical Center (State Agency 209), this section is not relevant.*

*Other reports to be provided by the University include the following:*

*Monthly Employee Position Report.*

*Annual report on salaried, wage, and contract employees.*

*The undersigned hereby agree to the provisions contained in the MOU.*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, establishes by law a process for granting additional authority to institutions of higher education for financial operations and management, subject to the adoption of policies by their governing boards and the approval of management agreements to be negotiated with the Commonwealth.*

*The following provisions of this Policy constitute the adopted Board of Visitors policies regarding the University of Virginia's financial operations and management.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy. In particular, other powers and authorities granted to the Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy Statement.*

## *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*"Academic Division" means that part of the University known as (State Agency 207).*

*"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*"Board of Visitors" or "Board" means the Rector and Board of Visitors of the University of Virginia.*

*"College" means that part of the University operated as the University of Virginia's College at Wise, also known as (State Agency 246).*

*"Covered Institution" means, on or after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*"Enabling Legislation" means those chapters, other than Chapter 4.10, of title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the University, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), [51.1-126.3](#), and [51.1-1100](#) in the case of the University of Virginia Medical Center.*

*"Effective Date" means the effective date of the initial Management Agreement between the University and the Commonwealth.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) of the Act between the University and the Commonwealth of Virginia.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center, known as (State Agency 209), and related health care and health maintenance facilities.*

*“State Tax Supported Debt” means bonds, notes or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 20, 2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

### *III. SCOPE OF POLICY.*

*This Policy applies to the University’s responsibility for management, investment and stewardship of all its financial resources, including but not limited to, general, non-general and private funds. This responsibility includes maintaining an independent uniform system of accounting, financial reporting, and internal controls adequate to protect and account for the University’s financial resources.*

*The University of Virginia’s College at Wise shall receive the benefits of this Policy as it is implemented by the University on behalf of the College at Wise, but the College at Wise shall not receive any additional independent financial operations and management authority as a result of this Management Agreement beyond the independent financial operations and management authority that it had prior to the Effective Date of the University’s initial Management Agreement with the Commonwealth or that it may be granted by law in the future.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University’s usual delegation policies and procedures.*

### *V. FINANCIAL MANAGEMENT AND REPORTING SYSTEM.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized by the Board to maintain existing and implement new policies governing the management of University financial resources. These policies shall continue to (i) ensure compliance with Generally Accepted Accounting Principles, (ii) ensure consistency with the current accounting principles employed by the Commonwealth, including the use of fund accounting principles, with regard to the establishment of the underlying accounting records of the University and the allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific types of fund sources, (iii) provide adequate risk management and internal controls to protect and safeguard all financial resources, including moneys transferred to the University pursuant to a general fund appropriation, and ensure compliance with the requirements of the Appropriation Act.*

*The financial management system shall continue to include a financial reporting system to satisfy both the requirements for inclusion into the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's Directives, and the University's separately audited financial statements. To ensure observance of limitations and restrictions placed on the use of the resources available to the University, the accounting and bookkeeping system of the University shall continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards Board.*

*In addition, the financial management system shall continue to provide financial reporting for the President, acting through the Executive Vice President and Chief Operating Officer, and the Board of Visitors to enable them to provide adequate oversight of the financial operations of the University. Upon the Effective Date of the initial Management Agreement between the University and the Commonwealth, except for the recordation of daily revenue deposits of State funds as specified in Section VII below, the University shall not be required to record its financial transactions in the Commonwealth's Accounting and Reporting System (CARS), including the current monthly interfacing with CARS, or to record its financial transactions in any subsequent Commonwealth financial systems that replace CARS or are in addition to CARS, but shall have its own financial reporting system. The University's financial reporting system shall provide (i) summary monthly reports for State agencies including, but not limited to, the Department of Accounts, the Department of Planning and Budget, the Joint Legislative Audit and Review Commission, the Department of Medical Assistance Services, the Auditor of*

*Public Accounts, and the State Council of Higher Education for Virginia, and for the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations at a sufficient level of detail, on such schedule, and using such format that is compatible with the Commonwealth's accounting system, as may be requested by the requesting State agency, and (ii) such other special reports as may be requested from time to time.*

#### **VI. FINANCIAL MANAGEMENT POLICIES.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall create and implement any and all financial management policies necessary to establish a financial management system with adequate risk management and internal control processes and procedures for the effective protection and management of all University financial resources. Such policies will not address the underlying accounting principles and policies employed by the Commonwealth and the University, but rather will focus on the internal operations of the University's financial management. These policies shall include, but need not be limited to, the development of a tailored set of finance and accounting practices that seek to support the University's specific business and administrative operating environment in order to improve the efficiency and effectiveness of its business and administrative functions. In general, the system of independent financial management policies shall be guided by the general principles contained in the Commonwealth's Accounting Policies and Procedures such as establishing strong risk management and internal accounting controls to ensure University financial resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of University programs.*

*Upon the Effective Date of its initial Management Agreement with the Commonwealth, the University shall continue to follow the Commonwealth's accounting policies until such time as specific alternate policies can be developed, approved and implemented. Such alternate policies shall include applicable accountability measures and shall be submitted to the State Comptroller for review and comment before they are implemented by the University.*

#### **VII. FINANCIAL RESOURCE RETENTION AND MANAGEMENT.**

*Under § [23-38.104](#)(A)(i) of the Act, subject to applicable accountability measures and audits, the University shall have the power and authority to manage all monies received by it. All State general funds to be allocated to the University shall remain subject to the appropriations process.*

Pursuant to subsection C of § [23-9.6:1.01](#) of the Code of Virginia, the State Council of Higher Education for Virginia (SCHEV) annually shall assess and certify to the Governor and General Assembly the degree to which each public institution of higher education of the Commonwealth has met the financial and administrative management and educational-related performance benchmarks called for by that subsection and approved as part of the Appropriation Act then in effect for the State goals and objectives set forth in subdivisions B 1 through B 11 of § [23-38.88](#) of the Act. Pursuant to § [2.2-5005](#) of the Code of Virginia, beginning with the fiscal year that immediately follows the first full fiscal year for which the financial and administrative management and educational-related performance benchmarks described in § [23-9.6:1.01](#) are effective, as provided in a general Appropriation Act, and for all fiscal years thereafter, each public institution of higher education of the Commonwealth that (i) has been certified during the fiscal year by SCHEV as having met such institutional performance benchmarks and (ii) meets the conditions prescribed in subsection B of § [23-38.88](#) shall receive certain financial incentives, including interest on the tuition and fees and other non-general fund Educational and General Revenues deposited into the State Treasury by the public institution of higher education. Consistent with the prior paragraph, beginning with the fiscal year following the first fiscal year for which it has received such certification from SCHEV, the University is authorized to hold and invest tuition, Educational and General (E&G) fees, research and sponsored program funds, auxiliary enterprise funds, and all other non-general fund revenues subject to the following requirements:

- i) The University shall deposit such funds in the State Treasury pursuant to the State process in place at the time of such deposit.
- ii) Such non-general funds deposited in the State Treasury shall be disbursed as provided in Section IX below.
- iii) The University shall remit to the State Comptroller quarterly and the State Comptroller shall hold in escrow all interest earned on the University's tuition and fees and other non-general fund Educational and General Revenues. Upon receipt of the required State Council of Higher Education for Virginia certification that the University has met such institutional performance benchmarks and the conditions prescribed in subsection B of § [23-38.88](#), the Governor shall include in the next budget bill a non-general fund appropriation, payable no later than July 1 of the immediately following fiscal year, equivalent to the amount deposited in the escrow account as the financial incentive provided in subdivision 1 of § [2.2-5005](#), after which time the University may expend the funds for purposes related to its mission. If public institutions of higher education of the Commonwealth are permitted, or the University in particular is permitted, by the Appropriation

*Act or other law to retain or be paid the interest the Commonwealth would have earned on sponsored programs and research funds, then this paragraph shall not apply to such interest on such funds, and such interest shall not be held in escrow.*

*iv) If in any given year the University does not receive the certification from the State Council of Higher Education for Virginia that it has met for that year the institutional benchmarks called for by subsection C of § [23-9.6:1.01](#) and approved in the then-current Appropriation Act, the Comptroller shall transfer to the general fund the balance in the escrow account as of June 30 of that year.*

*v) Beginning on the effective date of its initial Management Agreement with the University until the beginning of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the University shall continue to deposit tuition and all other non-general funds with the State Treasurer by the same process that it would have been required to use if it had not entered into a Management Agreement with the Commonwealth.*

*vi) On the first business day of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the University may draw down all cash balances held by the State Treasurer on behalf of the University related to tuition, E&G fees, research and sponsored programs, auxiliary enterprises, and all other non-general fund revenues.*

*vii) The Commonwealth shall retain all funds related to general fund appropriations, but shall pay these funds to the University as specified in Section IX below.*

*The University also shall have sum sufficient appropriation authority for all non-general funds as approved by the Governor and the General Assembly in the Commonwealth's biennial appropriations process, and shall report to the Department of Planning and Budget (i) its estimate of the non-general fund revenues for the sum sufficient appropriation to be included in the biennial Budget Bill for each of the two years in the next biennium by November 1 of each odd numbered year and the estimate to be included in the Budget Bill for the first and second year of the then-current biennium by November 1 of each even numbered year, and (ii) report its actual non-general fund revenues for each fiscal year to the Department of Planning and Budget by July 31 of the subsequent fiscal year.*

*The Board of Visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate commitment provided to need-based grant aid for middle- and lower-income undergraduate Virginians. Except as provided otherwise in the Appropriation Act then in effect, it is the intent of the Commonwealth and the University that the University shall be exempt from the revenue restrictions in the general*

*provisions of the Appropriation Act related to non-general funds. In addition, unless prohibited by the Appropriation Act then in effect, it is the intent of the Commonwealth and the University that the University shall be entitled to retain non-general fund savings generated from changes in Commonwealth rates and charges, including but not limited to health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates, rather than reverting such savings back to the Commonwealth. This financial resource policy assists the University by providing the framework for retaining and managing non-general funds, for the receipt of general funds, and for the use and stewardship of all these funds.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to provide oversight of the University's cash management system which is the framework for the retention of non-general funds. The Internal Audit Department of the University shall periodically audit the University's cash management system in accordance with appropriate risk assessment models and make reports to the Audit and Compliance Committee of the Board of Visitors. Additional oversight shall continue to be provided through the annual audit and assessment of internal controls performed by the Auditor of Public Accounts.*

*For the receipt of general and non-general funds, the University shall conform to the Security for Public Deposits Act, Chapter 44 (§ [2.2-4400](#) et seq.) of Title 2.2 of the Code of Virginia as it currently exists and from time to time may be amended.*

#### **VIII. ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.**

*The President, through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all Accounts Receivable Management and Collection policies as part of a system for the management of University financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act, Chapter 48 (§ [2.2-4800](#) et seq.) of the Code of Virginia, such that the University shall take all appropriate and cost effective actions to aggressively collect accounts receivable in a timely manner.*

*These shall include, but not be limited to, establishing the criteria for granting credit to University customers; establishing the nature and timing of collection procedures within the above general principles; and the independent authority to select and contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and all collection activities for all University accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the University shall continue to utilize the*

*Commonwealth's Debt Set-Off Collection Programs, shall develop procedures acceptable to the Tax Commissioner and the State Comptroller to implement such Programs, and shall provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt Collection Act.*

**IX. DISBURSEMENT MANAGEMENT.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all disbursement policies as part of a system for the management of University financial resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from whatever source derived, in the execution of the University's operations. These policies also shall continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or services relative to the University's mission, including travel-related disbursements. Further, the University's disbursement policy shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and electronic payments. Since the University no longer will interface to the CARS system or any replacement for the CARS system for disbursements, the University shall establish its own mechanisms for electronic payments to vendors through Electronic Data Interchange (EDI) or similar process and payments to the Commonwealth's Debt Set-Off Collection Programs.*

*Beginning with the fiscal year after the first fiscal year for which it first receives the required certification from SCHEV, the University may draw down its general fund appropriations (subject to available cash) and tuition and E&G fees and other non-general fund revenues from the State Treasury. Such funds shall be available to the University for disbursement as provided in the then-current rules of the Automated Clearing House (ACH) Network. The draw down of funds may be initiated in accordance with the following schedule:*

- i) The University may draw down one-twenty-fourth (1/24) of its annual general fund appropriation for Educational and General programs on the first and fifteenth days of each month, and up to 50% of its annual general fund appropriation for Student Financial Assistance on or after September 1 of each year with the remaining 50% to be drawn on or after February 1 of each year in order to meet student obligations;*
- ii) The University may draw down the sum of all tuition and E&G fees and all other non-general revenues deposited to the State Treasury each day on the same business day they were deposited; and*

*iii) The University anticipates that expenditures could exceed available revenues from time to time during the year if the above disbursement schedule is used. When the University projects a cash deficit is likely in activities supported by general fund appropriations, the University may make a request to the State Comptroller for an early draw on its appropriated general funds deposited in the State Treasury, in a form and within a timeframe agreeable to the parties, in order to cover expenditures.*

*These disbursement policies shall authorize the President, acting through the Executive Vice President and Chief Operating Officer, to independently select, engage, and contract for such consultants, accountants, and financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The policies also shall continue to include the ability to locally manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those programs, provided that the University shall submit the credit card and cost recovery aspects of its financial and operations policies to the State Comptroller for review and comment prior to implementing those aspects of those policies. The disbursement policies shall ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll disbursements. The University shall continue to provide summary quarterly prompt payment reports to the Department of Accounts in accordance with the reporting procedures established pursuant to the Prompt Payment Act.*

*The University's disbursement policies shall be guided by the principles of the Commonwealth's policies as included in the Commonwealth's Accounting Policy and Procedures Manual. Upon the Effective Date of its initial Management Agreement with the Commonwealth, the University shall continue to follow the Commonwealth's disbursement policies until such time as specific alternative policies can be developed, approved and implemented. Such alternate policies shall be submitted to the State Comptroller for review and comment prior to their implementation by the University.*

#### **X. DEBT MANAGEMENT.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all debt management policies as part of a system for the management of University financial resources.*

*Pursuant to § [23-38.108\(B\)](#) of the Act, the University shall have the authority to issue bonds, notes, or other obligations that do not constitute State Tax Supported Debt, as determined by the Treasury Board, and that are consistent with debt capacity and*

*management policies and guidelines established by its Board of Visitors, without obtaining the consent of any legislative body, elected official, commission, board, bureau, or agency of the Commonwealth or of any political subdivision, and without any proceedings or conditions other than those specifically required by Subchapter 3 of the Act; provided that, the University shall notify the Treasurer of Virginia of its intention to issue bonds pursuant to this Policy at the time it adopts the bond issuance planning schedule for those bonds. Any new or revised debt capacity and management policy shall be submitted to the Treasurer of Virginia for review and comment prior to its adoption by the University.*

*The University recognizes that there are numerous types of financing structures and funding sources available each with specific benefits, risks, and costs. All potential funding sources shall be reviewed by the President, acting through the Executive Vice President and Chief Operating Officer, within the context of the overall portfolio to ensure that any financial product or structure is consistent with the University's objectives. Regardless of the financing structure(s) utilized, the President, acting through the Executive Vice President and Chief Operating Officer, shall obtain sufficient documentation to gain a full understanding of the transaction, including (i) the identification of potential risks and benefits, and (ii) an analysis of the impact on University creditworthiness and debt capacity. All such debt or financial products issued pursuant to the provisions of §§ 23.38-107 and 23.38-108 of the Act shall be authorized by resolution of the Board, providing that they do not constitute State Tax Supported Debt.*

*The University currently has established guidelines relating to the total permissible amount of outstanding debt by monitoring University-wide ratios that measure debt compared to University balance-sheet resources and annual debt service burden. These measures are monitored and reviewed regularly in light of the University's current strategic initiatives and expected debt requirements. The Board of Visitors shall periodically review and approve the University's debt capacity and debt management guidelines. Any change in the current guidelines shall be submitted to the Treasurer of Virginia for review and comment prior to their adoption by the University.*

#### *XI. INVESTMENT POLICY.*

*It is the policy of the University to invest its operating and reserve funds solely in the interest of the University and in a manner that will provide the highest investment return with the maximum security while meeting daily cash flow demands and conforming to the Investment of Public Funds Act (§ [2.2-4500](#) et seq. of the Code of Virginia). Investments shall be made with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar*

*with such matters would use in the conduct of an enterprise of a like character and with like aims.*

*Endowment investments shall be invested and managed in accordance with the Uniform Management of Institutional Funds Act, §§ [55-268.1](#) through [55-268.10](#), and § [23-76.1](#) of the Code of Virginia.*

*The Board of Visitors shall periodically review and approve the investment guidelines governing the University's operating and reserve funds.*

#### **XII. INSURANCE AND RISK MANAGEMENT.**

*By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any insurance or risk management program made available to the University through the Commonwealth's Division of Risk Management and in which the University is then participating, to enable the Commonwealth to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the University proceeds to withdraw from the insurance or risk management program, the University shall reimburse the Commonwealth for all such additional costs attributable to such withdrawal, as determined by the Commonwealth's actuaries. Such payment shall be made in a manner agreeable to both the University and the Commonwealth.*

4. That the provisions of the first, second, and third enactments of this Act shall supersede the terms of any management agreement between the Commonwealth and Virginia Polytechnic Institute and State University, The College of William and Mary in Virginia, and The University of Virginia, respectively, that was entered into prior to January 1, 2006. Any such management agreement entered into prior to January 1, 2006, shall be deemed incorporated into this Act.

5. That the provisions of the first, second, and third enactments of this Act shall expire at midnight on June 30, 2010. The expiration of such enactments shall automatically result in the expiration of the provisions of any management agreement between the Commonwealth and Virginia Polytechnic Institute and State University, The College of William and Mary in Virginia, and The University of Virginia, respectively, which was entered into prior to January 1, 2006, and incorporated into this Act.

## Chapter 943 Higher educational institutions; management agreements, report.

An Act providing management agreements between the Commonwealth and Virginia Polytechnic Institute and State University, The College of William and Mary in Virginia, and the University of Virginia, respectively, pursuant to the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of the Code of Virginia.

[\[S 675\]](#)

Approved May 18, 2006

Be it enacted by the General Assembly of Virginia:

1. That the following Chapter 1 shall hereafter be known as the "2006 Management Agreement Between the Commonwealth of Virginia and Virginia Polytechnic Institute and State University:"

*CHAPTER 1.*

*MANAGEMENT AGREEMENT*

*BY AND BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*VIRGINIA POLYTECHNIC INSTITUTE AND STATE UNIVERSITY*

*This MANAGEMENT AGREEMENT, executed this 15th day of November, 2005, by and between the Commonwealth of Virginia (hereafter, the Commonwealth) and Virginia Polytechnic Institute and State University (hereafter, Virginia Tech, to be abbreviated as the University) provides as follows:*

*RECITALS*

*WHEREAS, Virginia Tech has satisfied the conditions precedent set forth in subsections A and B of § [23-38.97](#) of the Code of Virginia to become a public institution of higher education of the Commonwealth governed by Subchapter 3 (§ [23-38.91](#) et seq.) of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia (Subchapter 3 and the Act, respectively), as evidenced by:*

1. *Board of Visitors Approval.* The minutes of a meeting of the Board of Visitors of Virginia Tech held on September 24, 2005, indicate that an absolute two-thirds or more of the members voted to approve the resolution required by subdivision A 1 of § [23-38.97](#) of the Act;
2. *Written Application to the Governor.* Virginia Tech has submitted to the Governor a written Application dated October 27, 2005, with copies to the Chairmen of the House Committee on Appropriations, the House Committee on Education, the Senate Committee on Finance, and the Senate Committee on Education and Health, expressing the sense of its Board of Visitors that Virginia Tech is qualified to be, and should be, governed by Subchapter 3 of the Act, and substantiating that Virginia Tech has fulfilled the requirements of paragraph 2 of subsection A of § [23-38.97](#) of the Act; and
3. *Finding by the Governor.* In accordance with subsection B of § [23-38.97](#) of the Act, the Governor has found that Virginia Tech has fulfilled the requirements of subdivision A 2 of § [23-38.97](#) of the Act, and therefore has authorized Cabinet Secretaries to enter into this Management Agreement on behalf of the Commonwealth with Virginia Tech; and WHEREAS, Virginia Tech is therefore authorized to enter into this Management Agreement as provided in subsection D of § [23-38.88](#) and Subchapter 3 of the Act.

AGREEMENT

NOW THEREFORE, in accordance with the provisions of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in consideration of the foregoing premises, the Commonwealth and Virginia Tech do now agree as follows:

ARTICLE 1. DEFINITIONS.

As used in this Agreement, the following terms have the following meanings, unless the context requires otherwise:

"Act" means the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.

"Agreement" means "Management Agreement."

"Board of Visitors" means the Board of Visitors of Virginia Tech.

"Covered Employee" means any person who is employed by Virginia Tech on either a salaried or wage basis.

"Covered Institution" means, on and after the effective date of its initial management agreement with the Commonwealth, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by and in accordance with the provisions of subsection D of § [23-38.88](#) and Subchapter 3 of the Act.

*"Enabling legislation" means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth.*

*"Management Agreement" means this agreement between the Commonwealth of Virginia and Virginia Tech as required by subsection D of § [23-38.88](#) and Subchapter 3 of the Act.*

*"Parties" means the parties to this Management Agreement, the Commonwealth of Virginia and Virginia Tech.*

*"Public institution of higher education" means those two-year and four-year institutions enumerated in § [23-14](#) of the Code of Virginia.*

*"University" means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agricultural Experiment Station Division (State Agency 229).*

## **ARTICLE 2. SCOPE OF MANAGEMENT AGREEMENT.**

### **SECTION 2.1. Enhanced Authority Granted and Accompanying Accountability.**

*Subchapter 3 of the Act provides that, upon the execution of, and as of the effective date for, this Management Agreement, Virginia Tech shall become a Covered Institution entitled to be granted by the Commonwealth and to exercise the powers and authority provided in Subchapter 3 of the Act that are expressly contained in this Management Agreement. In general, subject to its management agreement with the Commonwealth, status as a Covered Institution governed by Subchapter 3 of the Act and this Management Agreement is intended to replace (i) the post-General Assembly authorization prior-approval system of reviews, approvals, policies and procedures carried out and implemented by a variety of central State agencies with (ii) a post-audit system of reviews and accountability under which a Covered Institution is fully responsible and fully accountable for managing itself pursuant to Subchapter 3 of the Act and its management agreement with the Commonwealth.*

*SECTION 2.1.1. Assessments and Accountability. Virginia Tech and its implementation of the enhanced authority granted by Subchapter 3 of the Act and this Management Agreement, and the Board of Visitors polices attached hereto as Exhibits A through F, shall be subject to the reviews, assessments, and audits (i) set forth in the Act that are to be conducted by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, or (ii) as may be conducted periodically by the Secretaries of Finance, Administration, Education, or Tech-*

nology, or by some combination of these four Secretaries, or (iii) as otherwise may be required by law other than the Act.

*SECTION 2.1.2. Express Grant of Powers and Authority. Subject to the specific conditions and limitations contained in Article 4 (Institutional Management), Article 5 (Capital Projects; Procurement; Property Generally), and Article 6 (Human Resources) of Subchapter 3 of the Act, the Commonwealth and Virginia Tech agree that the Commonwealth has expressly granted to Virginia Tech by this Management Agreement all the powers and authority contained in certain policies adopted by the Board of Visitors of Virginia Tech attached hereto as Exhibits A through F and governing (1) the undertaking and implementation of capital projects, and other acquisition and disposition of property (Exhibit A), (2) the leasing of property, including capital leases (Exhibit B), (3) information technology (Exhibit C), (4) the procurement of goods, services, including certain professional services, insurance, and construction (Exhibit D), (5) human resources (Exhibit E), and (6) its system of financial management (Exhibit F), including, as provided in subsection B of § [23-38.104](#) of the Act, the sole authority to establish tuition, fees, room, board, and other charges consistent with sum sufficient appropriation authority for non-general funds as provided by the Governor and the General Assembly in the Commonwealth's biennial appropriations authorization. Subject to the specific conditions and limitations contained in Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act, in this Management Agreement, and in one or more of the Board of Visitors policies attached hereto as Exhibits A through F, the Commonwealth and Virginia Tech agree that the Commonwealth has expressly granted to Virginia Tech all the powers and authority permitted by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Management Agreement and the policies adopted by it and attached hereto as Exhibits A through F. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate the duties and responsibilities set forth in this Management Agreement to its officers, committees, and subcommittees, and, as set forth in the policies adopted by the Board and attached hereto as Exhibits A through F, to a person or persons within the University.*

*SECTION 2.1.3. Reimbursement by Virginia Tech of Certain Costs.*

*By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any health or other group*

*insurance or risk management program made available to the University through any agency, body corporate, political subdivision, authority, or other entity of the Commonwealth, and in which the University is then participating, to enable the Commonwealth's actuaries to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the University proceeds to withdraw from such health or other group insurance or risk management program, the University shall, pursuant to subdivision D 2 c of § [23-38.88](#), reimburse the Commonwealth for all such additional costs attributable to such withdrawal as determined by the Commonwealth's actuaries.*

*SECTION 2.1.4. Potential Impact on Virginia College Savings Plan. As required by subdivision D 2 c of § [23-38.88](#) of the Act, Virginia Tech has given consideration to potential future impacts of tuition increases on the Virginia College Savings Plan (§ [23-38.75](#) of the Code of Virginia) and has discussed those potential impacts with the Executive Director and staff of that Plan and with parties in the Administration who participated in the development of this Management Agreement. The Executive Director of the Plan has provided to Virginia Tech and the Commonwealth the Plan's assumptions underlying the contract pricing of the program.*

*SECTION 2.1.5. Justification for Deviations from the Virginia Public Procurement Act. Pursuant to § [23-38.110](#) of the Act and subject to the provisions of this Management Agreement, Virginia Tech may be exempt from the provisions of the Virginia Public Procurement Act (VPPA), Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2 of the Code of Virginia. Any procurement policies or rules that deviate from the VPPA must be uniform across all institutions governed by Subchapter 3 of the Act, and the Board of Visitors shall adopt and comply with procurement policies that are based upon competitive principles and seek competition to the maximum practical degree. The Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials and the Rules Governing Procurement of Goods, Services, Insurance, and Construction (the Procurement Rules) attached to that Policy as Attachment I constitute the policies and uniform deviations from the VPPA required by subsections A and B of § [23-38.110](#) of the Act.*

*Subsection D of § [23-38.110](#) of the Act requires that Virginia Tech identify the public, educational, and operational interests served by any procurement rule or rules that deviate from those in the VPPA. The adopted Board of Visitors policy on procurement and the Procurement Rules provide Virginia Tech with the autonomy to administer its procurement process while fully adhering to the principle that competition should be sought*

*to the maximum extent feasible. This autonomy will better position Virginia Tech to support the requirements of its growing teaching, research and outreach missions. Greater autonomy in procurement will improve internal capacity to respond quickly to emergent material and service issues and, therefore, enable Virginia Tech to be more efficient and effective in meeting the Commonwealth's goals for institutions of higher education. In some instances, costs will be reduced. Taken collectively, Virginia Tech's procurement policies and rules that differ from those required by the VPPA will enhance procurement "best practices" as they currently are being observed within the higher education community nationally. Further, these changes will provide efficiencies to both Virginia Tech and public sector suppliers.*

*SECTION 2.1.6. Quantification of Cost Savings. Subsection C of § [23-38.104](#) of the Act requires that a Covered Institution include in its management agreement with the Commonwealth the quantification of cost savings realized as a result of the additional operational flexibility provided pursuant to Subchapter 3 of the Act. Since this initial Management Agreement with the Commonwealth has not yet been implemented by Virginia Tech, the parties agree that Virginia Tech is not in a position to quantify any such cost savings at this time, although Virginia Tech expects that there will be cost savings resulting from the additional authority granted to Virginia Tech pursuant to Subchapter 3 of the Act and that such cost savings will be part of the determinations made during the reviews, assessments, and audits to be conducted pursuant to Subchapter 3 of the Act by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, and as otherwise described in Section 2.1.1 above.*

*SECTION 2.1.7. Participation in State Programs. The Commonwealth intends that Virginia Tech shall continue to fully participate in, and receive funding support from the many and varied programs established now or in the future by the Commonwealth to provide support for Virginia's public institutions of higher education and for Virginians attending such institutions, including but not limited to: the state capital outlay and bond financing initiatives undertaken from time to time by the Commonwealth; the Higher Education Equipment Trust Fund established pursuant to (§ [23-30.24](#) et seq.) of the Code of Virginia; the Maintenance Reserve Fund as provided in the Appropriation Act; the Eminent Scholars program as provided in the Appropriation Act; the Commonwealth's various student financial assistance programs; and other statewide programs or initiatives that exist, or may be established, in support of the Commonwealth's higher education institutions, programs, or activities.*

*SECTION 2.1.8. Implied Authority. Pursuant to subdivision D 1 of § [23-38.88](#) of the Act, the only implied authority granted to Virginia Tech by this Management Agreement is that implied authority that is actually necessary to carry out the expressed grant of financial or operational authority contained in this Agreement or in the policies adopted by Virginia Tech's Board of Visitors and attached hereto as Exhibits A through F.*

*SECTION 2.1.9. Exercise of Authority. Virginia Tech and the Commonwealth acknowledge and agree that the execution of this Management Agreement constitutes the conclusion of a process that, as of the effective date of this Agreement, confers upon Virginia Tech the enhanced authority and operating flexibility described above, all of which is in furtherance of the purposes of Subchapter 3 of the Act. Therefore, without any further conditions or requirements, Virginia Tech shall, on and after the effective date of this Management Agreement, be authorized to exercise the authority conferred upon it by this Management Agreement and the policies adopted by its Board of Visitors attached hereto as Exhibits A through F, and by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act except to the extent that the powers and authority contained in Article 3 of Subchapter 3 of the Act have been limited by this Management Agreement or the Board of Visitors policies attached hereto as Exhibits A through F.*

*Virginia Tech and the Commonwealth also acknowledge and agree that, pursuant to subsection A of § [23-38.91](#) of the Act and consistent with the terms of this Management Agreement, the Board of Visitors of Virginia Tech shall assume full responsibility for management of Virginia Tech, subject to the requirements and conditions set forth in Subchapter 3 of the Act, the general requirements for this Management Agreement as provided in § [23-38.88](#) of the Act, and this Management Agreement. The Board of Visitors shall be fully accountable for (a) the management of Virginia Tech as provided in the Act, (b) meeting the requirements of §§ [2.2-5004](#), [23-9.2:3.02](#), and [23-9.6:1.01](#) of the Code of Virginia, and (c) meeting such other provisions as are set forth in this Management Agreement.*

*SECTION 2.2. State Goals.*

*SECTION 2.2.1. Furthering State Goals. As required for all public institutions of higher education of the Commonwealth by subsection B of § [23-38.88](#) of the Act, prior to August 1, 2005, the Board of Visitors of Virginia Tech adopted the resolution setting forth its commitment to the Governor and the General Assembly to meet the State goals specified in that subsection B.*

*In addition to the above commitments, the University commits to furthering these State goals by:*

1. In addition to its six-year target of achieving \$227 million in external research by 2011-12 [which is the last year of the six-year plan], the University commits to match from institutional funds, other than general funds or tuition, on a dollar for dollar basis, any additional research funds provided by the State in the Appropriation Act above the amount provided from institutional funds for research in 2005-06.

2. In a concerted effort to provide educational opportunities to Virginia students attending institutions in the Virginia Community College System (VCCS) and Richard Bland College, the University commits to work with the University of Virginia and the College of William and Mary in Virginia to establish a program under which these three institutions will increase significantly the number of such students transferring to their institutions. Specifically, pursuant to this program, the University, the University of Virginia and the College of William and Mary in Virginia collectively commit to enroll as transfer students from VCCS institutions and Richard Bland College (i) by the 2007-08 fiscal year, not less than approximately 300 new such transfer students each year over the number enrolled in 2004-05, for a total of approximately 900 such transfer students each year, and (ii) by the end of the decade, not less than approximately 650 new such transfer students each year over the number enrolled in 2004-05, for a total of approximately 1,250 such transfer students each year. The three institutions have agreed that they will mutually determine how to divide the responsibility for these additional transfer students equitably among themselves.

3. As an institutional priority and obligation, the University commits to the Governor and General Assembly to work meaningfully and visibly with an economically distressed region or local area of the Commonwealth, not smaller in size than a city or county, which lags behind the Commonwealth in education, income, employment, and other factors. The University commits to establish a formal partnership with that area to develop jointly a specific action plan that builds on the University's programmatic strengths and uses the University's faculty, staff and, where appropriate, student expertise to stimulate economic development in the area to make the area more economically viable, and to improve student achievement and teacher and administrator skill sets in a school division in that area. The University shall submit the action plan to the Governor and General Assembly by no later than December 31, 2006, and shall report to the Governor and General Assembly by September 1 of each year on its progress in implementing the action plan during the prior fiscal year.

SECTION 2.2.2. Student Enrollment, Tuition, and Financial Aid. As required by § [23-9.2:3.02](#) of the Code of Virginia, Virginia Tech, along with all other public institutions of higher education of the Commonwealth, has developed and submitted to the State

*Council of Higher Education for Virginia (SCHEV) by October 1, 2005, an institution-specific Six-Year Plan addressing Virginia Tech's academic, financial, and enrollment plans for the six-year period of fiscal years 2006-07 through 2011-12. Subsection A of § [23-9.2:3.02](#) of the Code of Virginia, requires Virginia Tech to update this Six-Year Plan by October 1 of each odd-numbered year. Subsection B of § [23-38.97](#) of the Act requires that a management agreement address, among other issues, such matters as Virginia Tech's in-state undergraduate student enrollment, its financial aid requirements and capabilities, and its tuition policy for in-state undergraduate students. These matters are addressed below and in Virginia Tech's Six-Year Plan submitted to SCHEV, and the parties therefore agree that Virginia Tech's Six-Year Plan and the description below meet the requirement of subsection B of § [23-38.97](#) of the Act.*

*Subsection B of § [23-38.104](#) of the Act requires the Board of Visitors of Virginia Tech to include in this Management Agreement Virginia Tech's commitment to provide need-based grant aid for middle- and lower-income Virginia students in a manner that encourages student enrollment and progression without respect to potential increases in tuition and fees. Virginia Tech's commitment in this regard is clear. Virginia Tech recognizes that the cost of higher education as a percentage of family income has increased steadily in recent years for low and moderate income families. Since the University anticipates further increases in tuition and fees during the six year period of 2006-2012, the University developed its Funds for the Future program, which shall be substantially as described in the remainder of this Section 2.2.2, as may be amended from time to time by the Board of Visitors of Virginia Tech and reported to the Secretaries of Finance and Education and the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations. The Funds for the Future program was developed to increase institutional funds and other fund sources to moderate the impact of future tuition and fees increases for Virginia undergraduates from families with adjusted gross income of \$100,000 or less, as determined by federal financial aid regulations.*

*The Funds for the Future program works on a sliding scale of family responsibility for coverage of tuition and fees. For example, students with a family adjusted gross income of \$30,000 or less (approximately 150% of the poverty level for a family of four) will receive incremental grant aid sufficient to completely offset any increase in their tuition and mandatory fees during their four years of enrollment at Virginia Tech. For students with family adjusted gross income of \$30,001 to \$99,999, the University will provide varying levels of financial aid awards to reduce the impact of tuition and fee increases.*

*Virginia Tech serves a large number of students with financial need. Based on 2003-04 enrollment data, the University estimates that for the 2006-07 academic year*

*approximately 5,636 students, representing over 36% of the Virginia Tech undergraduate student body, will receive incremental benefits under the Funds for the Future program. The institution will draw upon the full range of available resources to increase grant aid to these students and has established very aggressive goals for its institutional and private funds resources to create and sustain this program. As such, the University program is also based on the commitment of additional state General Fund support, consistent with the levels identified in its Six-Year Financial Plan; these amounts are based upon SCHEV calculations for incremental General Fund appropriations. Consistent with the current financial aid environment, the University also anticipates that existing federal, state, and University loan programs will be available, as needed, to assist students in addressing their annual costs of education not addressed by existing grant aid programs, the Funds for the Future program, or other available resources.*

*The Commonwealth and Virginia Tech agree that this commitment meets the requirements of subsection B of § [23-38.104](#) of the Act.*

*SECTION 2.3. Authority Granted to Virginia Cooperative Extension and the Agriculture Experiment Station Division. Virginia Cooperative Extension and the Agriculture Experiment Station Division shall receive the benefits of the additional financial and operational authority granted by this Management Agreement as it and the policies adopted by the Board of Visitors attached as Exhibits A through F are implemented by Virginia Tech on behalf of Virginia Cooperative Extension and the Agriculture Experiment Station Division, but Virginia Cooperative Extension and the Agriculture Experiment Station Division shall not receive any additional independent financial or operational authority as a result of this Management Agreement or the attached Board of Visitors policies beyond the independent financial and operational authority that it had prior to the effective date of this Management Agreement or that it may be granted by law in the future.*

*SECTION 2.4. Other Law. As provided in subsection B of § [23-38.91](#) of the Act, Virginia Tech shall be governed and administered in the manner provided not only in this Management Agreement, but also as provided in the Appropriation Act then in effect and Virginia Tech's Enabling Legislation.*

*SECTION 2.4.1. The Appropriation Act. The Commonwealth and Virginia Tech agree that, pursuant to the current terms of the Act and the terms of § 4-11.00 of the 2004-06 Appropriation Act, if there is a conflict between the provisions of the Appropriation Act and the provisions of Subchapter 3 of the Act, or this Management Agreement, or the Board of Visitors policies attached to this Management Agreement as Exhibits A through F, the provisions of the Appropriation Act shall control, and shall continue to control unless provided otherwise by law.*

*SECTION 2.4.2. Virginia Tech's Enabling Legislation. As provided in subsection C of § [23-38.91](#) of the Act, in the event of a conflict between any provision of Subchapter 3 of this Act and Virginia Tech's Enabling Legislation, the Enabling Legislation shall control.*

*SECTION 2.4.3. Title 2.2 of the Code of Virginia. As provided in subsection B of § [23-38.92](#) of the Act, except as specifically made inapplicable under Subchapter 3 of the Act and the express terms of this Management Agreement, the provisions of Title 2.2 relating generally to the operation, management, supervision, regulation, and control of public institutions of higher education shall be applicable to Virginia Tech as provided by the express terms of this Management Agreement. As further provided in subsection C of § [23-38.92](#) of the Act, in the event of conflict between any provision of Title 2.2 and any provision of Subchapter 3 of the Act as expressed in this Management Agreement, the provisions of this Management Agreement shall control.*

*SECTION 2.4.4. Educational Policies of the Commonwealth. As provided in subsection A of § [23-38.93](#) of the Act, for purposes of §§ [2.2-5004](#), [23-1.01](#), [23-1.1](#), [23-2](#), [23-2.1](#), [23-2.1:1](#), [23-3](#), [23-4.2](#), [23-4.3](#), [23-4.4](#), [23-7.1:02](#), [23-7.4](#), [23-7.4:1](#), [23-7.4:2](#), [23-7.4:3](#), [23-7.5](#), [23-8.2:1](#), [23-9.1](#), [23-9.2](#), [23-9.2:3](#), [23-9.2:3.02](#), [23-9.2:3.1](#) through [23-9.2:5](#), [23-9.6:1.01](#), and Chapter 4.9 (§ [23-38.75](#) et seq.) of the Code of Virginia, Virginia Tech shall remain a public institution of higher education of the Commonwealth following the effective date of this Management Agreement, and shall retain the authority granted and any obligations required by such provisions, unless and until provided otherwise by law other than the Act. In addition, Virginia Tech shall retain the authority, and any obligations related to the exercise of such authority, that is granted to institutions of higher education pursuant to Chapter 1.1 (§ [23-9.3](#) et seq.), Chapter 3 (§ [23-14](#) et seq.), Chapter 3.2 (§ [23-30.23](#) et seq.), Chapter 3.3 (§ [23-30.39](#) et seq.), Chapter 4 (§ [23-31](#) et seq.), Chapter 4.01 (§ [23-38.10:2](#) et seq.), Chapter 4.1 (§ [23-38.11](#) et seq.), Chapter 4.4 (§ [23-38.45](#) et seq.), Chapter 4.4:1 (§ [23-38.53:1](#) et seq.), Chapter 4.4:2 (§ [23-38.53:4](#) et seq.), Chapter 4.4:3 (§ [23-38.53:11](#)), Chapter 4.4:4 (§ [23-38.53:12](#) et seq.), Chapter 4.5 (§ [23-38.54](#) et seq.), Chapter 4.7 (§ [23-38.70](#) et seq.), Chapter 4.8 (§ [23-38.72](#) et seq.), and Chapter 4.9 (§ [23-38.75](#) et seq.), unless and until provided otherwise by law other than the Act.*

*SECTION 2.4.5. Public Access to Information. As provided in § [23-38.95](#) of the Act, Virginia Tech shall continue to be subject to § [2.2-4342](#) and to the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, but shall be entitled to conduct business pursuant to § [2.2-3709](#), if expressly named therein, and, in all cases, may conduct business as a "state public body" for purposes of subsection B of § [2.2-3708](#).*

*SECTION 2.4.6. Conflicts of Interests. As provided in § [23-38.96](#) of the Act, the provisions of the State and Local Government Conflict of Interests Act, Chapter 32 (§ [2.2-3100](#) et seq.) of the Code of Virginia, that are applicable to officers and employees of a state governmental agency shall continue to apply to the members of the Board of Visitors of Virginia Tech and to its Covered Employees.*

*SECTION 2.4.7. Other Provisions of the Code of Virginia. Other than as specified above, any other powers and authorities granted to Virginia Tech pursuant to any other sections of the Code of Virginia, including other provisions of the Act, are not affected by this Management Agreement or the Board policies attached hereto as Exhibits A through F.*

**ARTICLE 3. AMENDMENTS TO, AND RIGHT AND POWER TO VOID OR REVOKE, MANAGEMENT AGREEMENT.**

*SECTION 3.1. Amendments. Any change to or deviation from this Management Agreement or the Board of Visitors policies attached hereto as Exhibits A through F shall be reported to the Secretaries of Finance, Administration, Education, and Technology and to the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations and shall be posted on the University's website. The change or deviation shall become effective unless one of the above persons notifies the University in writing within 60 days that the change or deviation is substantial and material. Any substantial and material change or deviation shall require the execution by the parties of an amendment to this Management Agreement or a new Management Agreement pursuant to the provisions of subsection D of § [23-38.88](#) and may lead to the Governor declaring this Management Agreement to be void pursuant to subdivision D 4 of § [23-38.88](#) of the Act.*

*SECTION 3.2. Right and Power to Void, Revoke, or Reinstate Management Agreement.*

*SECTION 3.2.1. Governor. Pursuant to subdivision D 4 of § [23-38.88](#), and § [23-38.98](#), of the Act, if the Governor makes a written determination that Virginia Tech is not in substantial compliance with the terms of this Management Agreement or with the requirements of the Act in general, (i) the Governor shall provide a copy of that written determination to the Rector of the Board of Visitors of Virginia Tech and to the members of the General Assembly, and (ii) Virginia Tech shall develop and implement a plan of corrective action, satisfactory to the Governor, for purposes of coming into substantial compliance with the terms of this Management Agreement and with the requirements of the Act, as soon as practicable, and shall provide a copy of such corrective action plan to the members of the General Assembly. If after a reasonable period of time after the corrective action plan has been implemented by Virginia Tech, the Governor determines that the institution is not yet in substantial compliance with this Management Agreement or the requirements of the Act, the Governor may void this Management Agreement.*

*Upon the Governor voiding this Management Agreement, Virginia Tech shall no longer be allowed to exercise any restructured financial or operational authority pursuant to the provisions of Subchapter 3 of the Act unless and until Virginia Tech has entered into a subsequent management agreement with the Secretary or Secretaries designated by the Governor or the voided Management Agreement is reinstated by the General Assembly.*

*SECTION 3.2.2. General Assembly. As provided in subdivision D 4 of § [23-38.88](#) of the Act, the General Assembly may reinstate a Management Agreement declared void by the Governor. Pursuant to § [23-38.98](#) of the Act, Virginia Tech's status as a Covered Institution governed by Subchapter 3 of the Act may be revoked by an act of the General Assembly (i) if Virginia Tech fails to meet the requirements of Subchapter 3 of the Act, or (ii) if Virginia Tech fails to meet the requirements of this Management Agreement.*

**ARTICLE 4. GENERAL PROVISIONS.**

*SECTION 4.1. No Third-Party Beneficiary Status. Nothing in this Agreement, express or implied, shall be construed as conferring any third-party beneficiary status on any person or entity.*

*SECTION 4.2. Sovereign Immunity. Pursuant to subsection E of § [23-38.88](#) of the Act, Virginia Tech and the members of its Board of Visitors, officers, directors, employees, and agents shall be entitled to the same sovereign immunity to which they would be entitled if Virginia Tech were not governed by the Act; provided that the Virginia Tort Claims Act, (§ 8.01.195.1 et seq.) of the Code of Virginia, and its limitations on recoveries shall remain applicable with respect to Virginia Tech.*

*SECTION 4.3. Term of Agreement. This Management Agreement shall expire at midnight on June 30, 2010.*

*WHEREFORE, the foregoing Management Agreement has been executed as of this 15th day of November, 2005, and shall become effective on the effective date of legislation enacted into law providing for the terms of such Agreement.*

**EXHIBIT A**

**MANAGEMENT AGREEMENT**

**BETWEEN**

**THE COMMONWEALTH OF VIRGINIA**

**AND**

**VIRGINIA POLYTECHNIC INSTITUTE**

AND STATE UNIVERSITY  
PURSUANT TO  
THE RESTRUCTURED HIGHER EDUCATION  
FINANCIAL AND ADMINISTRATIVE OPERATIONS  
ACT OF 2005

POLICY GOVERNING  
CAPITAL PROJECTS

THE BOARD OF VISITORS OF VIRGINIA POLYTECHNIC INSTITUTE  
AND STATE UNIVERSITY  
POLICY GOVERNING CAPITAL PROJECTS

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, the University may be delegated the authority to establish its own system for undertaking the implementation of its capital projects. In general, status as a Covered Institution is designed to replace the post-authorization system of reviews, approvals, policies and procedures carried out by a variety of central State agencies, and also the traditional preauthorization approval process for projects funded entirely with non-general funds and without any proceeds from State Tax Supported Debt. The University's system for carrying out its capital outlay process as a Covered Institution is to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy, together with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy, constitute the adopted Board of Visitors policies regarding the University's capital projects, whether funded by a state general fund appropriation, State Tax Supported Debt, or funding from other sources. This Policy is intended to encompass and implement the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the*

*Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy.*

## *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Board of Visitors of Virginia Polytechnic Institute and State University.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“Capital Professional Services” means professional engineering, architecture, land surveying and landscape architecture services related to capital projects.*

*“Capital project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction, improvements or renovations, and Capital Leases.*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth.*

*“Major Capital Project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction of 5,000 square feet or greater or costing \$1 million or more, improvements or renovations of \$1 million or more, and Capital Leases.*

*“State Tax Supported Debt” means bonds, notes, or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 20, 2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

*“University” means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agricultural Experiment Station Division (State Agency 229).*

### *III. SCOPE OF POLICY.*

*This Policy applies to the planning and budget development for capital projects, capital project authorization, and the implementation of capital projects, whether funded by a general fund appropriation of the General Assembly, proceeds from State Tax Supported Debt, or funding from other sources.*

*This Policy provides guidance for 1) the process for developing one or more capital project programs for the University, 2) authorization of new capital projects, 3) procurement of Capital Professional Services and construction services, 4) design reviews and code approvals for capital projects, 5) environmental impact requirements, 6) building demolitions, 7) building and land acquisitions, 8) building and land dispositions, 9) project management systems, and 10) reporting requirements.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University’s usual delegation policies and procedures.*

### *V. CAPITAL PROGRAM.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall adopt a system for developing one or more capital project programs that defines or define the capital needs of the University for a given period of time consistent with the University’s published Master Plan. This process may or may not mirror the Commonwealth’s requirements for capital plans. The Board of Visitors shall approve the program for Major Capital Projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt shall follow the Commonwealth’s requirements for capital plans. The Board may approve amendments to the program for Major Capital Projects annually or more often if circumstances warrant. It shall be University policy that each capital project program shall meet the University’s mission and institutional objectives, and be*

*appropriately authorized by the University. Moreover, it shall be University policy that each capital project shall be of a size and scope to provide for the defined program needs, designed in accordance with all applicable building codes and handicapped accessibility standards as well as the University's design guidelines and standards, and costed to reflect current costs and escalated to the mid-point of anticipated construction.*

#### **VI. AUTHORIZATION OF CAPITAL PROJECTS.**

*The Board of Visitors shall authorize the initiation of each Major Capital Project by approving its size, scope, budget, and funding. The President, acting through the Executive Vice President and Chief Operating Officer, shall adopt procedures for approving the size, scope, budget and funding of all other capital projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and those preappropriation approvals of the State's governmental agencies then applicable, and shall follow the State's process for capital budget requests. It shall be the policy of the University that the implementation of capital projects shall be carried out so that the capital project as completed is the capital project approved by the Board for Major Capital Projects and according to the procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer, for all other capital projects. The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure strict adherence to this requirement. Accordingly, the budget, size and scope of a capital project shall not be materially changed beyond the plans and justifications that were the basis for the capital project's approval, either before or during construction, unless approved in advance as described above. Minor changes shall be permissible if they are determined by the President, acting through the Executive Vice President and Chief Operating Officer, to be justified. Major Capital Projects may be submitted for Board of Visitors authorization at any time but must include a statement of urgency if not part of the approved Major Capital Project program.*

#### **VII. PROCUREMENT OF CAPITAL PROFESSIONAL SERVICES AND CONSTRUCTION SERVICES.**

*It shall be the policy of the University that procurements shall result in the purchase of high quality services and construction at reasonable prices and shall be consistent with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and with the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy. Specifically, the University is committed to:*

- A. Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*
- B. Conducting all procurements in a fair and impartial manner and avoiding any impropriety or the appearance of any impropriety prohibited by State law or University policy;*
- C. Making procurement rules clear in advance of any competition;*
- D. Providing access to the University's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;*
- E. Including in contracts of more than \$10,000 the contractor's agreement not to discriminate against employees or applicants because of race, religion, color, sex, national origin, age, disability or other basis prohibited by State law except where there is a bona fide occupational qualification reasonably necessary to the contractor's normal operations; and*
- F. Providing for a non-discriminatory procurement process, and including appropriate and lawful provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers.*

*The President, acting through the Executive Vice President and Chief Operating Officer, is authorized to develop implementing procedures for the procurement of Capital Professional Services and construction services at the University. The procedures shall implement this Policy and provide for:*

- A. A system of competitive negotiation for Capital Professional Services, including a procedure for expedited procurement of Capital Professional Services under \$50,000, pursuant to (i) subdivisions 1, 2, and 3 a of the defined term "competitive negotiation" in Rule 4 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction, and (ii) § 4-5.06 of the 2004-2006 Appropriation Act;*
- B. A prequalification procedure for contractors or products;*
- C. A procedure for special construction contracting methods, including but not limited to design-build and construction management contracts; and*
- D. A prompt payment procedure.*

*The University also may enter into cooperative arrangements with other private or public health or educational institutions, healthcare provider alliances, purchasing organizations or state agencies where, in the judgment of the University, the purposes of this Policy will be furthered.*

*VIII. DESIGN REVIEWS AND CODE APPROVALS.*

*The Board of Visitors shall review the design of all Major Capital Projects and shall provide final Major Capital Project authorization based on the size, scope and cost estimate provided with the design. Unless stipulated by the Board of Visitors at the design review, no further design reviews shall be required. For all capital projects other than Major Capital Projects, the President, acting through the Executive Vice President and Chief Operating Officer, shall adopt procedures for design review and project authorization based on the size, scope and cost estimate provided with the design. It shall be the University's policy that all capital projects shall be designed and constructed in accordance with applicable Virginia Uniform Statewide Building Code (VUSBC) standards and the applicable accessibility code.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall designate a Building Official responsible for building code compliance by either (i) hiring an individual to be the University Building Official, or (ii) continuing to use the services of the Department of General Services, Division of Engineering and Buildings, to perform the Building Official function. If option (i) is selected, the individual hired as the University Building Official shall be a full-time employee, a registered professional architect or engineer, and certified by the Department of Housing and Community Development to perform this Building Official function. The University Building Official shall issue building permits for each capital project required by the VUSBC to have a building permit, and shall determine the suitability for occupancy of, and shall issue certifications for building occupancy for, all capital projects requiring such certification. Prior to issuing any such certification, this individual shall ensure that the VUSBC and accessibility requirements are met for that capital project and that such capital project has been inspected by the State Fire Marshal or his designee. When serving as the University Building Official, such individual shall organizationally report directly and exclusively to the Board of Visitors. If the University hires its own University Building Official, it shall fulfill the code review requirement by maintaining a review unit supported by resources and staff who are certified by the Department of Housing and Community Development in accordance with § [36-137](#) of the Code of Virginia, for such purpose and who shall review plans, specifications and documents for compliance with building codes and standards and perform required inspections of work in progress and the completed capital project. No individual licensed professional architect or engineer hired or contracted with to perform these functions shall also perform other building code-related design, construction, facilities-related project management or facilities management functions for the University on the same capital project.*

*IX. ENVIRONMENTAL IMPACT REPORTS.*

*It shall be the policy of the University to assess the environmental, historic preservation, and conservation impacts of all capital projects and to minimize and otherwise mitigate all adverse impacts to the extent practicable. The University shall develop a procedure for the preparation and approval of environmental impact reports for capital projects, in accordance with State environmental, historic preservation, and conservation requirements generally applicable to capital projects otherwise meeting the definition of Major Capital Projects but, pursuant to § [23-38.109](#) C 1 of the Act, with a cost of \$300,000 or more.*

*X. BUILDING DEMOLITIONS.*

*It shall be the policy of the University to consider the environmental and historical aspects of any proposed demolitions. The Board of Visitors shall be responsible for approving demolition requests. The University shall develop a procedure for the preparation and review of demolition requests, including any necessary reviews by the Department of Historic Resources and the Art and Architectural Review Board in accordance with State historic preservation requirements generally applicable to capital projects in the Commonwealth. Further, for any property that was acquired or constructed with funding from a general fund appropriation of the General Assembly or from proceeds from State Tax Supported Debt, general laws applicable to State owned property shall apply.*

*XI. BUILDING OR LAND ACQUISITIONS.*

*It is the policy of the University that capital projects involving building or land acquisition shall be subjected to thorough inquiry and due diligence prior to closing on the acquisition of such real property. The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that the project management system implemented pursuant to Section XIII below provides for a review and analysis of all pertinent matters relating to the acquisition of buildings and land as any prudent purchaser would perform to the end that any building or land acquired by the University shall be suitable for its intended purpose, that the acquisition can be made without substantial risk of liability to the University and that the cost of the real property to be acquired, together with any contemplated development thereof, shall be such that compliance with the provisions of Section VI of this Policy is achieved. In addition, the President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that, where feasible and appropriate to do so, the following specific policies pertaining to the acquisition of buildings or land for capital projects are carried out.*

*A. Environmental and Land Use Considerations.*

*It is the policy of the University to reasonably cooperate with each locality affected by the acquisition. Such cooperation shall include but not be limited to furnishing any information that the locality may reasonably request and reviewing any requests by the locality with regard to any such acquisition. The University shall consider the zoning and comprehensive plan designation by the locality of the building or land and surrounding parcels, as well as any designation by State or federal agencies of historically or archeologically significant areas on the land. Nothing herein shall be construed as requiring the University to comply with local zoning laws and ordinances.*

*B. Infrastructure and Site Condition.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that, in the case of capital projects involving the acquisition of buildings or land, the project management systems implemented under Section XIII below provide for a review of the following matters prior to acquisition of the building or land: that any land can be developed for its intended purpose without extraordinary cost; that an environmental engineer has been engaged by the University to provide an assessment of any environmental conditions on the land; that there is adequate vehicular ingress and egress to serve the contemplated use of the building or land; that utilities and other services to the land are adequate or can reasonably be provided or have been provided in the case of building acquisitions; and that the condition and grade of the soils have been examined to determine if any conditions exist that would require extraordinary site work or foundation systems.*

*C. Title and Survey.*

*A survey shall be prepared for any real property acquired, and an examination of title to the real property shall be conducted by a licensed attorney or, in the alternative, a commitment for title insurance shall be procured from a title insurance company authorized to do business in the Commonwealth. Based upon the survey and title examination or report, the President, acting through the Executive Vice President and Chief Operating Officer, shall conclude, prior to acquisition of the real property, that title thereto will be conveyed to the University in fee simple, free and clear of all liens, encumbrances, covenants, restrictions, easements or other matters that may have a significant adverse effect upon the University's ability to own, occupy, convey or develop the real property.*

*D. Appraisal.*

*An appraisal shall be conducted of the real property to be acquired to determine its fair market value and the consistency of the fair market value with the price agreed upon by the University.*

*XII. BUILDING OR LAND DISPOSITIONS.*

*The Board of Visitors shall approve the disposition of any building or land. Disposition of land or buildings, the acquisition or construction of which was funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and other approvals in accordance with general law applicable to State-owned property and with the University's Enabling Legislation.*

#### **XIII. PROJECT MANAGEMENT SYSTEMS.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall implement one or more systems for the management of capital projects for the University. The systems may include the delegation of project management authority to appropriate University officials, including a grant of authority to such officials to engage in further delegation of authority as the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate.*

*The project management systems for capital projects shall be designed to ensure that such projects comply with the provisions of this Policy and other Board of Visitors policies applicable to closely related subjects such as selection of architects or policies applicable to University buildings and grounds.*

*The project management systems may include one or more reporting systems applicable to capital projects whereby University officials responsible for the management of such projects provide appropriate and timely reports to the President, acting through the Executive Vice President and Chief Operating Officer, on the status of such projects during construction.*

#### **XIV. REPORTING REQUIREMENTS.**

*In addition to complying with any internal reporting systems contained in the University's project management systems, as described in Section XIII above, the University shall comply with State reporting requirements for those Major Capital Projects funded entirely or in part by a general fund appropriation by the General Assembly or State Tax Supported Debt. Additionally, if any capital project constructs improvements on land, or renovates property, that originally was acquired or constructed in whole or in part with a general fund appropriation for that purpose or proceeds from State Tax Supported Debt, and such improvements or renovations are undertaken entirely with funds not appropriated by the General Assembly and, if the cost of such improvements or renovations is reasonably expected to exceed two million dollars, the decision to undertake such improvements or renovations shall be communicated as required by § [23-38.109](#) C 3 of the Act. As a matter of routine, the President, acting through the Executive Vice President and Chief Operating Officer, shall report to the Department of General Services on*

*the status of such capital projects at the initiation of the project, prior to the commencement of construction, and at the time of acceptance of any such capital project.*

*ACT OF 2005*

*POLICY GOVERNING LEASES OF REAL PROPERTY*

*THE BOARD OF VISITORS OF VIRGINIA POLYTECHNIC INSTITUTE*

*AND STATE UNIVERSITY*

*POLICY GOVERNING LEASES OF REAL PROPERTY*

*I. PREAMBLE.*

*In 1996 the Board of Visitors adopted a Policy Statement Governing Exercise of Autonomy in Leases of Property for certain leases entered into by the University, which was amended in 2003 as the Policy Statement Governing Exercise of Autonomy in Operating and Capital Leases of Property. The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, Virginia Polytechnic Institute and State University may have the authority to establish its own system for the leasing of real property. The University's system for implementing this authority is*

*to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy constitute the adopted Board of Visitors policies regarding Leases of real property entered into by the University.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, as defined in § [23-38.89](#) of the Act, are not affected by this Policy.*

## *II. DEFINITIONS.*

*The following words and terms, when used in this Policy, shall have the following meaning unless the context clearly indicates otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Board of Visitors” means the Board of Visitors of Virginia Polytechnic Institute and State University.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“Covered Institution” means a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by Subchapter 3 of the Act.*

*“Expense Lease” means an Operating Lease of real property under the control of another entity to the University.*

*“Income Lease” means an Operating Lease of real property under the control of the University to another entity.*

*“Lease” or “Leases” means any type of lease involving real property.*

*“Operating Lease” means any lease involving real property, or improvements thereon that is not a Capital Lease.*

*“University” means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agriculture Experiment Station Division (State Agency 229).*

## *III. SCOPE OF POLICY.*

*This Policy provides guidance for the implementation of all University Leases.*

## *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the*

*appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

#### **V. REQUIREMENTS FOR LEASES.**

##### **A. Factors to Be Considered When Entering into Leases.**

*All Leases shall be for a purpose consistent with the mission of the University. The decision to enter into a Lease shall be further based upon cost, demonstrated need, compliance with this Policy, consideration of all costs of occupancy, and a determination that the use of the property to be leased is necessary and is efficiently planned. Leases shall also conform to the space planning procedures that may be adopted by the President, acting through the Executive Vice President and Chief Operating Officer, to ensure that the plan for the space to be leased is consistent with the purpose for which the space is intended.*

##### **B. Competition to Be Sought to Maximum Practicable Degree.**

*Competition shall be sought to the maximum practicable degree for all Leases. The President, acting through the Executive Vice President and Chief Operating Officer, is authorized to ensure that Leases are procured through competition to the maximum degree practicable and to determine when, under guidelines that may be developed and adopted by the President, acting through the Executive Vice President and Chief Operating Officer, it is impractical to procure Leases through competition.*

##### **C. Approval of Form of Lease Required.**

*The form of Leases entered into by the University shall be approved by the University's legal counsel.*

##### **D. Execution of Leases.**

*All Leases entered into by the University shall be executed only by those University officers or persons authorized by the President or the Executive Vice-President and Chief Operating Officer, or as may subsequently be authorized by the Board of Visitors, and subject to any such limits or conditions as may be prescribed in the delegation of authority. Subject to the University's Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the University, no other University approval shall be required for leases or leasing, nor state*

*approval required except in the case of leases of real property as may be governed by general state law in accordance with § [23-38.109](#) and § 23- 38.112 of the Act.*

*E. Capital Leases.*

*The Board of Visitors shall authorize the initiation of Capital Leases pursuant to the authorization process included in the Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the University.*

*F. Compliance with Applicable Law.*

*All Leases of real property by the University shall be consistent with any requirements of law that are contained in the Act or are otherwise applicable.*

*G. Certification of Occupancy.*

*All real property covered by an Expense Lease or leased by the University under a Capital Lease shall be certified for occupancy by the appropriate public body or building official.*

THE BOARD OF VISITORS OF VIRGINIA POLYTECHNIC INSTITUTE  
AND STATE UNIVERSITY  
POLICY GOVERNING INFORMATION TECHNOLOGY

I. PREAMBLE.

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides, inter alia, that public institutions of higher education in the Commonwealth of Virginia that have entered into a Management Agreement with the Commonwealth “may be exempt from the provisions governing the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et seq.) of Title 2.2. of the Code of Virginia, and the provisions governing the Information Technologies [sic] Investment Board, Article 20 of Chapter 24 (§ [2.2-2457](#) et seq.) of Title 2.2; provided, however, that the governing body of . . . [such] institution shall adopt, and . . . [such] institution shall comply with, policies” that govern the exempted provisions. See § [23-38.111](#) of the Code of Virginia. This Information Technology Policy shall become effective upon the effective date of a Management Agreement authorized by subsection D of § [23-38.88](#) and § [23-38.97](#) of the Act between the Commonwealth and the University that incorporates this Policy.*

*The Board of Visitors of Virginia Polytechnic Institute and State University is authorized to adopt this Information Technology Policy pursuant to § [23-38.111](#) of the Code of Virginia.*

II. DEFINITIONS.

*As used in this Information Technology Policy, the following terms have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Board of Visitors of Virginia Polytechnic Institute and State University.*

*“Information Technology” or “IT” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia, as it currently exists and from time to time may be amended.*

*“Major information technology project” or “major IT project” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia, as it currently exists and from time to time may be amended.*

*“Policy” means this Information Technology Policy adopted by the Board of Visitors.*

*“State Chief Information Officer” or “State CIO” means the Chief Information Officer of the Commonwealth of Virginia.*

*“University” means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agriculture Experiment Station Division (State Agency 229).*

### *III. SCOPE OF POLICY.*

*This Policy is intended to cover and implement the authority that may be granted to Virginia Polytechnic Institute and State University pursuant to Subchapter 3 (§ [23-38.91](#) et seq.) of the Act. This Policy is not intended to affect any other powers and authorities granted to the University pursuant to the Appropriation Act and the Code of Virginia, including other provisions of the Act or the University’s enabling legislation as that term is defined in § [23-38.89](#) of the Act.*

*This Policy shall govern the University’s information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the University. Upon the effective date of a Management Agreement between the Commonwealth and the University, as authorized by subsection D of § [23-38.88](#) and § [23-38.111](#) of the Code of Virginia, therefore, the University shall be exempt from those provisions of the Code of Virginia, including those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ 2.2- 2457 et seq.) (Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia, that otherwise would govern the University’s information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the University; provided, however, that the University still shall be subject to those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ [2.2-2457](#) et seq.) (Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia that are applicable to public institutions of higher education of the Commonwealth and that do not govern information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits within, by, or on behalf of the University.*

*The procurement of information technology and telecommunications goods and services, including automated data processing hardware and software, shall be governed by the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials approved by the Board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction that are incorporated in and attached to that Policy.*

### *IV. GENERAL PROVISIONS.*

*A. Board of Visitors Accountability and Delegation of Authority.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

*B. Strategic Planning.*

*The President, acting through the Vice President for Information Technology and Chief Information Officer, shall be responsible for overall IT strategic planning at the University, which shall be linked to and in support of the University's overall strategic plan. At least 45 days prior to each fiscal year, the President, acting through the Vice President for Information Technology and Chief Information Officer, shall make available the University's IT strategic plan covering the next fiscal year to the State CIO for his review and comment with regard to the consistency of the University's plan with the intent of the currently published overall five-year IT strategic plan for the Commonwealth developed by the State CIO pursuant to § [2.2-2007](#) of the Code of Virginia and into which the University's plan is to be incorporated.*

*C. Expenditure Reporting and Budgeting.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall approve and be responsible for overall IT budgeting and investments at the University. The University's IT budget and investments shall be linked to and in support of the University's IT strategic plan, and shall be consistent with general University policies, the Board-approved annual operating budget, and other Board approvals for certain procurements. By October 1 of each year, the President, acting through the Executive Vice President and Chief Operating Officer, shall make available to the State CIO and the Information Technology Investment Board a report on the previous fiscal year's IT expenditures. The University shall be specifically exempt from:*

*Subdivision A 4 of § [2.2-2007](#) of the Code of Virginia (review by the State CIO of IT budget requests), as it currently exists and from time to time may be amended; §§ [2.2-2022](#) through [2.2-2024](#) of the Code of Virginia (Virginia Technology Infrastructure Fund), as they currently exist and from time to time may be amended; and*

*Any other substantially similar provision of the Code of Virginia governing IT expenditure reporting and budgeting, as it currently exists and from time to time may be amended.*

*D. Project Management.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the project management policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project management as defined by leading IT consulting firms, leading software development firms, or a nationally-recognized project management association, appropriately tailored to the specific circumstances of the University. Copies of the Board's policies, standards, and guidelines shall be made available to the Information Technology Investment Board.*

*The President, acting through the appropriate designee, shall oversee the management of all University IT projects. IT projects may include, but are not limited to, upgrades to network infrastructure, provision of technology to support research, database development, implementation of new applications, and development of IT services for students, faculty, staff, and patients. Day-to-day management of projects shall be the responsibility of appointed project directors and shall be in accord with the project management policies, standards, and guidelines adopted by the Board, as amended and revised from time to time.*

*On a quarterly basis, the President, acting through the Vice President for Information Technology and Chief Information Officer, shall report to the Information Technology Investment Board on the budget, schedule, and overall status of the University's major IT projects. This requirement shall not apply to research projects, research initiatives, or instructional programs.*

*The President, acting through the Vice President for Information Technology and Chief Information Officer in cooperation with the Provost and Executive Vice President and Chief Operating Officer, shall be responsible for decisions to substantially alter a project's scope, budget, or schedule after initial approval.*

*The University shall be specifically exempt from:*

*§ [2.2-2008](#) of Title 2.2 of the Code of Virginia (additional duties of the State CIO relating to project management) as it currently exists and from time to time may be amended; §§ [2.2-2016](#) through [2.2-2021](#) of Title 2.2 of the Code of Virginia (Division of Project Management) as they currently exist and from time to time may be amended; and Any other substantially similar provision of the Code of Virginia governing IT project management, as it currently exists or from time to time may be amended.*

*The State CIO and the Information Technology Investment Board shall continue to have the authority regarding project suspension and termination as provided in § [2.2-2015](#)*

*and in subdivision A 3 of § [2.2-2458](#), respectively, and the State CIO and the Information Technology Investment Board shall continue to provide the University with reasonable notice of, and a reasonable opportunity to correct, any identified problems before a project is terminated.*

*E. Infrastructure, Architecture, Ongoing Operations, and Security.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines related to IT infrastructure, architecture, ongoing operations, and security developed by the Commonwealth or those of nationally-recognized associations, appropriately tailored to the specific circumstances of the University. Copies of the policies shall be made available to the Information Technology Investment Board.*

*The President, acting through the Vice President for Information Technology and Chief Information Officer, in cooperation with the Provost and Executive Vice President and Chief Operating Officer, shall be responsible for implementing such policies, standards, and guidelines adopted by the Board, as amended and revised from time to time. For purposes of implementing this Policy, the President shall appoint an existing University employee to serve as a liaison between the University and the State CIO.*

*F. Audits.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project auditing as defined by leading IT experts, including consulting firms, or a nationally recognized project auditing association, appropriately tailored to the specific circumstances of the University, which provide for Independent Validation and Verification (IV&V) of the University's major IT projects. Copies of the policies, standards, and guidelines, as amended and revised from time to time, shall be made available to the Information Technology Investment Board.*

*Audits of IT strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, and security, shall also be the responsibility of the University's Internal Audit Department and the Auditor of Public Accounts.*

*THE COMMONWEALTH OF VIRGINIA*

AND

VIRGINIA POLYTECHNIC INSTITUTE

AND STATE UNIVERSITY

PURSUANT TO

THE RESTRUCTURED HIGHER EDUCATION

FINANCIAL AND ADMINISTRATIVE OPERATIONS

ACT OF 2005

POLICY GOVERNING

THE PROCUREMENT OF GOODS, SERVICES,

INSURANCE, AND CONSTRUCTION AND

THE DISPOSITION OF SURPLUS MATERIALS

THE BOARD OF VISITORS OF VIRGINIA POLYTECHNIC INSTITUTE

AND STATE UNIVERSITY

POLICY GOVERNING THE PROCUREMENT OF

GOODS, SERVICES, INSURANCE AND CONSTRUCTION

AND THE DISPOSITION OF SURPLUS MATERIALS

I. PREAMBLE.

A. Subchapter 3 of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that Virginia Polytechnic Institute and State University, upon becoming a Covered Institution, shall be authorized to establish its own system for the procurement of goods, services, insurance, and construction, and for the independent disposition of surplus materials by public or private transaction.

B. The Act provides that a Covered Institution shall comply with policies adopted by its Board of Visitors for the procurement of goods, services, insurance, and construction, and the disposition of surplus materials. The provisions of this Policy set forth below, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, constitute the adopted Board of Visitors

*policies required by the Act regarding procurement of goods, services, insurance, and construction, and the disposition of surplus materials by the University.*

*C. This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to any other sections of the Code of Virginia, including other provisions of the Act, the Appropriation Act, and the University's Enabling Legislation are not affected by this Policy.*

## *II. DEFINITIONS.*

*As used in this Policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Agreement” means “Management Agreement.”*

*“Board of Visitors” or “Board” means the Board of Visitors of Virginia Polytechnic Institute and State University.*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement with the Commonwealth, a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Effective Date” means the effective date of the Management Agreement.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth.*

*“Goods” means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) of the Code of Virginia, between the Commonwealth of Virginia and Virginia Polytechnic Institute and State University. “Rules” means the “Rules Governing Procurement of*

*Goods, Services, Insurance, and Construction” attached to this Policy as Attachment 1.*

*“Services” as used in this Policy means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies, and shall include both professional services, which include the practice of accounting, actuarial services,*

*law, dentistry, medicine, optometry, and pharmacy, and nonprofessional services, which include any service not specifically identified as professional services.*

*“Surplus materials” means personal property including, but not limited to, materials, supplies, equipment and recyclable items, that are determined to be surplus by the University.*

*“University” means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agricultural Experiment Station Division (State Agency 229).*

### *III. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University’s usual delegation policies and procedures.*

### *IV. GENERAL PROVISIONS.*

#### *A. Adoption of This Policy and Continued Applicability of Other Board of Visitors' Procurement Policies.*

*The University has had decentralization and pilot program autonomy in many procurement functions and activities since the Appropriation Act of 1994. The Act extends and reinforces the autonomy previously granted to the University in Item 330 E of the 1994 Appropriation Act. This Policy therefore is adopted by the Board of Visitors to enable the University to develop a procurement system, as well as a surplus materials disposition system for the University as a whole. Any University electronic procurement system shall integrate or interface with the Commonwealth’s electronic procurement system.*

*This Policy shall be effective on the Effective Date of the University’s initial Management Agreement with the Commonwealth. The implementing policies and procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer or his designee, to implement this Policy shall continue to be subject to any other policies adopted by the Board of Visitors affecting procurements at the University, including policies regarding the nature and amounts of procurements that may be undertaken*

*without the approval of the Board of Visitors, or of the President, acting through the Executive Vice President and Chief Operating Officer.*

*B. Scope and Purpose of University Procurement Policies.*

*This Policy shall apply to procurements of goods, services, insurance, and construction. It shall be the policy of the University that procurements conducted by the University result in the purchase of high quality goods and services at reasonable prices, and that the University be free, to the maximum extent permitted by law and this Policy, from constraining policies that hinder the ability of the University to do business in a competitive environment. This Policy, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, shall apply to all procurements undertaken by the University, regardless of the source of funds.*

*C. Collaboration, Communication, and Cooperation with the Commonwealth.*

*The University is committed to developing, maintaining, and sustaining collaboration, communication, and cooperation with the Commonwealth regarding the matters addressed in this Policy, particularly with the Offices of the Secretaries of Administration and Technology, the Department of General Services, and the Virginia Information Technologies Agency. Identifying business objectives and goals common to both the University and the Commonwealth and the mechanisms by which such objectives and goals may be jointly pursued and achieved are among the desired outcomes of such collaboration, communication, and cooperation.*

*D. Commitment to Statewide Contracts, Electronic Procurement, and SWAM Participation and Use.*

*The University is committed to maximizing its internal operational efficiencies, economies of scale among institutions of higher education, and the leveraged buying power of the Commonwealth as a whole.*

*Consistent with this commitment, the University:*

- i) May purchase from and participate in all statewide contracts for goods and services, including information technology goods and services, except that the University shall purchase from and participate in contracts for communications services and telecommunications facilities entered into by the Virginia Information Technologies Agency pursuant to § [2.2-2011](#) of the Code of Virginia unless an exception is provided in the Appropriation Act or by other law, and provided that orders not placed through statewide contracts shall be processed directly or by integration or interface through the Commonwealth's electronic procurement system;*
- ii) Shall use directly or by integration or interface the Commonwealth's electronic procurement system and comply with the business plan for the Commonwealth's electronic*

*procurement system, as modified by an agreement between the Commonwealth and the University, which agreement shall not be substantially different than the agreement attached to this Policy as Attachment 2; and*

*iii) Shall adopt a small, woman-owned, and minority-owned (SWAM) business program that is consistent with the Commonwealth's SWAM program.*

*E. Implementation.*

*To effect its implementation under the Act, and if the University remains in continued substantial compliance with the terms and conditions of this Management Agreement with the Commonwealth pursuant to § [23-38.88\(D\)\(4\)](#) and the requirements of Chapter 4.10 of the Act, the University's procurement of goods, services, insurance, and construction, and the disposition of surplus materials shall be exempt from the Virginia Public Procurement Act, Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2, except § [2.2-4342](#) and §§ [2.2-4367](#) through [2.2-4377](#); the oversight of the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et. seq.) of Title 2.2, and the Information Technology Investment Board, Article 20 (§ [2.2-2457](#) et seq.) of Chapter 24 of Title 2.2; the state agency requirements regarding disposition of surplus materials and distribution of proceeds from the sale or recycling of surplus materials in §§ [2.2-1124](#) and [2.2-1125](#); the requirement to purchase from the Department for the Blind and Vision Impaired (VIB) (§ [2.2-1117](#)); and any other state statutes, rules, regulations or requirements relating to the procurement of goods, services, insurance, and construction, including but not limited to Article 3 (§ [2.2-1109](#) et seq.) of Chapter 11 of Title 2.2, regarding the duties, responsibilities and authority of the Division of Purchases and Supply of the Virginia Department of General Services, and Article 4 (§ [2.2-1129](#) et seq.) of Chapter 11 of Title 2.2, regarding the review and the oversight by the Division of Engineering and Buildings of the Virginia Department of General Services of contracts for the construction of University capital projects and construction-related professional services (§ [2.2-1132](#)).*

*V. UNIVERSITY PROCUREMENT POLICIES.*

*A. General Competitive Principles.*

*In connection with University procurements and the processes leading to award of contracts for goods, services, insurance, and construction, the University is committed to:*

- 1. Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*
- 2. Conducting all procurements in an open, fair and impartial manner and avoiding any impropriety or the appearance of any impropriety;*
- 3. Making procurement rules clear in advance of any competition;*

4. *Providing access to the University 's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;*

5. *Ensuring that specifications for purchases are fairly drawn so as not to favor unduly a particular vendor; and*

6. *Providing for the free exchange of information between the University, vendors, firms or contractors concerning the goods or services sought and offered while preserving the confidentiality of proprietary information.*

*B. Access to Records.*

*Procurement records shall be available to citizens or to interested persons, firms or corporations in accordance with the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, except those records exempt from disclosure pursuant to § [2.2-3705.1](#) (7), [2.2-3705.1](#) (12), or [2.2-3705.4](#) (4), or other applicable exemptions of the Virginia Freedom of Information Act, and § [2.2-4342](#) of the Virginia Public Procurement Act.*

*C. Cooperative Procurements and Alliances.*

*In circumstances where the University determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the University that meet its business goals and objectives, the University is authorized to participate in cooperative procurements with other public or private organizations or entities, including other educational institutions, public-private partnerships, public bodies, charitable organizations, health care provider alliances and purchasing organizations, so long as the resulting contracts are procured competitively pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1 and the purposes of this Policy will be furthered. In the event the University engages in a cooperative contract with a private organization or public-private partnership and the contract was not competitively procured pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, use of the contract by other state agencies, institutions and public bodies shall be prohibited. Notwithstanding all of the above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. By October 1 of each year, the President, acting through the Executive Vice President and Chief Operating Officer, shall make*

*available to the Secretaries of Administration and Technology, the Joint Legislative Audit and Review Commission, and the Auditor of Public Accounts a list of all cooperative contracts and alliances entered into or used during the prior fiscal year.*

*D. Training; Ethics in Contracting.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall take all necessary and reasonable steps to assure (i) that all University officials responsible for and engaged in procurements authorized by the Act and this Policy are knowledgeable regarding the requirements of the Act, this Policy, and the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) that only officials authorized by this Policy and any procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer, to implement this Policy are responsible for and engaged in such procurements, and (iii) that compliance with the Act and this Policy are achieved.*

*The University shall maintain an ongoing program to provide professional development opportunities to its buying staff and to provide methods training to internal staff who are engaged in placing decentralized small purchase transactions.*

*E. Ethics and University Procurements.*

*In implementing the authority conferred by this Policy, the personnel administering any procurement shall adhere to the following provisions of the Code of Virginia: the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, the State and Local Government Conflict of Interests Act, Chapter 31 (§ [2.2-3100](#) et seq.) of Title 2.2, and the Virginia Governmental Frauds Act, Article 1.1 (§ [18.2-498.1](#) et seq.) of Chapter 12 of Title 18.2 of the Code of Virginia.*

*VI. UNIVERSITY SURPLUS MATERIALS POLICY AND PROCEDURES.*

*The policy and procedures for disposal for surplus materials shall provide for the sale, environmentally-appropriate disposal, or recycling of surplus materials by the University and the retention of the resulting proceeds by the University.*

*VII. ADOPTION AND EFFECTIVE DATES OF RULES AND IMPLEMENTING POLICIES AND PROCEDURES.*

*A. The President, acting through the Executive Vice President and Chief Operating Officer or his designee, shall adopt one or more comprehensive sets of specific procurement policies and procedures for the University, which, in addition to the Rules, implement applicable provisions of law and this Policy. University procurements shall be carried out in accordance with this Policy, the Rules, and any implementing policies and*

*procedures adopted by the University. The implementing policies and procedures (i) shall include the delegation of procurement authority by the Board to appropriate University officials who shall oversee University procurements of goods, services, insurance, and construction, including a grant of authority to such officials to engage in further delegation of authority as the President deems appropriate, and (ii) shall remain consistent with the competitive principles set forth in Part V above.*

*B. Any implementing policies and procedures adopted pursuant to Part VII A above and the Rules shall become effective on the Effective Date of the University's initial Management Agreement with the Commonwealth, and, as of their effective date, shall be applicable to all procurements undertaken by the University on behalf of the University for goods, services, insurance, and construction. This Policy, the Rules, and any implementing policies and procedures adopted by the University shall not affect existing contracts already in effect.*

*C. The Rules and University implementing policies and procedures for all University procurements of goods, services, insurance, and construction, and the disposition of surplus property shall be substantially consistent with the Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and their Vendors in their form as of the effective date of this Policy and as amended or changed in the future, and with University procedures specific to the Acquisition of Goods and Services. The Rules and University implementing policies and procedures shall implement a system of competitive negotiation, and competitive sealed bidding when appropriate, for goods, services, including professional services as defined in the Rules, insurance, and construction.*

#### **VIII. REQUIREMENTS FOR RULES AND IMPLEMENTING POLICIES AND PROCEDURES.**

##### **A. Protests, Appeals and Debarment.**

*The Rules and University implementing policies and procedures for procurements other than capital outlay shall include a process or processes for an administrative appeal by vendors, firms or contractors. Protests and appeals may challenge determinations of vendor, firm or contractor non-responsibility or ineligibility, or the award of contracts, provided that such protests and appeals are filed within the times specified by the Rules. Remedies available shall be limited to reversal of the action challenged or, where a contract already being performed is declared void, compensation for the cost of performance up to the time of such declaration. The Rules and University implementing policies and procedures also may establish the basis and process for debarment of any vendor, firm or contractor.*

##### **B. Prompt Payment of Contractors and Subcontractors.**

*The Rules and University implementing policies and procedures shall include provisions related to prompt payment of outstanding invoices, which shall include payment of interest on properly-presented invoices outstanding more than seven (7) days beyond the payment date, at a rate no higher than the lowest prime rate charged by any commercial bank as published in the Wall Street Journal. The payment date shall be the later of thirty (30) days from the date of the receipt of goods or invoice, or the date established by the contract. All contracts also shall require prompt payment of subcontractors by the general contractor, upon receipt of payment by the University.*

*C. Types of Procurements.*

*The Rules and University implementing policies and procedures shall implement a system of competitive negotiation for professional services, as defined in the Rules, and shall implement purchasing procedures developed to maximize competition given the size and duration of the contract, and the needs of the University. Such policies and procedures may include special provisions for procurements such as emergency procurements, sole source procurements, brand name procurements, small purchases, procurements in which only one qualified vendor responds, and others.*

*D. Approval and Public Notice of Procurements.*

*The Rules and University implementing policies and procedures shall provide for approval of solicitation documents by an authorized individual and for reasonable public notice of procurements, given the size and nature of the need and the applicability of any Virginia Freedom of Information Act exemption.*

*E. Administration of Contracts.*

*The Rules and University implementing policies and procedures shall contain provisions related to the administration of contracts, including contract claims, modifications, extensions and assignments.*

*F. Non-Discrimination.*

*The Rules and University implementing policies and procedures shall provide for a nondiscriminatory procurement process that prohibits discrimination because of race, religion, color, sex or national origin of the bidder or offeror in the solicitation and award of contracts; and shall include appropriate provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers.*

ATTACHMENT 1

*Rules Governing Procurement of Goods, Services, Insurance, and Construction  
by a Public Institution of Higher Education of the Commonwealth of Virginia  
Governed by Subchapter 3 of the*

*Restructured Higher Education Financial and Administrative Operations Act,  
Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia*

*In accordance with the provisions of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in particular § [23-38.110](#) of the Act, the governing body of a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth pursuant to Subchapter 3 of the Act has adopted the following Rules Governing Procurement of Goods, Services, Insurance, and Construction to govern the procurement of goods, services, insurance, and construction by the Institution, excluding the University of Virginia Medical Center:*

*§ 1. Purpose. -*

*The purpose of these Rules is to enunciate the public policies pertaining to procurement of good, services, insurance, and construction by the Institution from nongovernmental sources, to include governmental procurement that may or may not result in monetary consideration for either party. These Rules shall apply whether the consideration is monetary or nonmonetary and regardless of whether the Institution, the contractor, or some third party is providing the consideration.*

*§ 2. Scope of Procurement Authority. -*

*Subject to these Rules, and the Institution's continued substantial compliance with the terms and conditions of its Management Agreement with the Commonwealth pursuant to § [23-38.88](#)(D)(4) and the requirements of Chapter 4.10 of the Act, the Institution shall have and shall be authorized to have and exercise all of the authority relating to procurement of goods, services, insurance, and construction, including but not limited to capital outlay-related procurement and information technology-related procurement, that Institutions are authorized to exercise pursuant to Subchapter 3 of the Restructuring Act.*

*§ 3. Competition is the Priority. -*

*To the end that the Institution shall obtain high quality goods and services at reasonable cost, that all procurement procedures be conducted in an open, fair and impartial manner with avoidance of any impropriety or appearance of impropriety, that all qualified vendors have access to the Institution's business and that no offeror be arbitrarily or capriciously excluded, it is the intent of the governing body of the Institution that*

*competition be sought to the maximum feasible degree, that procurement procedures involve openness and administrative efficiency, that individual public bodies enjoy broad flexibility in fashioning details of such competition, that the rules governing contract awards be made clear in advance of the competition, that specifications reflect the procurement needs of the purchasing body rather than being drawn to favor a particular vendor, and that the purchaser and vendor freely exchange information concerning what is sought to be procured and what is offered. The Institution may consider best value concepts when procuring goods and nonprofessional services, but not construction or professional services. Professional services will be procured using a qualification-based selection process. The criteria, factors, and basis for consideration of best value and the process for the consideration of best value shall be as stated in the procurement solicitation.*

*§ 4. Definitions. -*

*As used in these Rules:*

*“Affiliate” means an individual or business that controls, is controlled by, or is under common control with another individual or business. A person controls an entity if the person owns, directly or indirectly, more than 10% of the voting securities of the entity. For the purposes of this definition “voting security” means a security that (i) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (ii) is convertible into, or entitles the holder to receive, upon its exercise, a security that confers such a right to vote. A general partnership interest shall be deemed to be a voting security.*

*“Best value,” as predetermined in the solicitation, means the overall combination of quality, price, and various elements of required services that in total are optimal relative to the Institution’s needs.*

*“Business” means any type of corporation, partnership, limited liability company, association, or sole proprietorship operated for profit.*

*“Competitive negotiation” is a method of contractor selection that includes the following elements:*

- 1. Issuance of a written Request for Proposal indicating in general terms that which is sought to be procured, specifying the factors that will be used in evaluating the proposal and containing or incorporating by reference the other applicable contractual terms and conditions, including any unique capabilities or qualifications that will be required of the contractor.*
- 2. Public notice of the Request for Proposal at least 10 days prior to the date set for receipt of proposals by publication in a newspaper or newspapers of general circulation*

*in the area in which the contract is to be performed so as to provide reasonable notice to the maximum number of offerors that can be reasonably anticipated to submit proposals in response to the particular request. Public notice also shall be published on the Department of General Services' central electronic procurement website and may be published on other appropriate websites. In addition, proposals may be solicited directly from potential contractors.*

*3. a. Procurement of professional services. The procurement of professional services for capital projects shall be conducted using a qualification-based selection process. The Institution shall engage in individual discussions with two or more offerors deemed fully qualified, responsible and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. The offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. The Request for Proposal shall not, however, request that offerors furnish estimates of man-hours or cost for services. At the discussion stage, the Institution may discuss nonbinding estimates of total project costs, including, but not limited to, life-cycle costing, and where appropriate, nonbinding estimates of price for services. Proprietary information from competing offerors shall not be disclosed to the public or to competitors. At the conclusion of discussion, outlined in this subdivision, on the basis of evaluation factors published in the Request for Proposal and all information developed in the selection process to this point, the Institution shall select in the order of preference two or more offerors whose professional qualifications and proposed services are deemed most meritorious. Negotiations shall then be conducted, beginning with the offeror ranked first. If a contract satisfactory and advantageous to the Institution can be negotiated at a price considered fair and reasonable, the award shall be made to that offeror. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price. Should the Institution determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror.*

*A contract for architectural or professional engineering services relating to construction projects may be negotiated by the Institution, for multiple projects provided (i) the projects require similar experience and expertise, and (ii) the nature of the projects is clearly identified in the Request for Proposal. Under such contract, (a) the fair and reasonable prices, as negotiated, shall be used in determining the cost of each project performed,*

*(b) the sum of all projects performed in one contract term shall be as set in the Request for Proposal; and (c) the project fee of any single project shall not exceed the term limit as set in the Request for Proposal. Any unused amounts from any contract term may be carried forward. Competitive negotiations for such contracts may result in awards to more than one offeror provided the Request for Proposal stated the potential for a multi-vendor award.*

*Multiphase professional services contracts satisfactory and advantageous to the Institution for environmental, location, design and inspection work regarding construction of infrastructure projects may be negotiated and awarded based on qualifications at a fair and reasonable price for the first phase only, when completion of the earlier phases is necessary to provide information critical to the negotiation of a fair and reasonable price for succeeding phases. Prior to the procurement of any such contract, the Institution shall state the anticipated intended total scope of the project and determine in writing that the nature of the work is such that the best interests of such Institution require awarding the contract.*

*b. Procurement of other than professional services. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the Institution shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so provided in the Request for Proposal, awards may be made to more than one offeror. Should the Institution determine in writing and in its sole discretion that only one offeror has made the best proposal, a contract may be negotiated and awarded to that offeror. "Competitive sealed bidding" is a method of contractor selection, other than for professional services, which includes the following elements:*

*1. Issuance of a written Invitation to Bid containing or incorporating by reference the specifications and contractual terms and conditions applicable to the procurement. Unless the Institution has provided for prequalification of bidders, the Invitation to Bid shall include a statement of any requisite qualifications of potential contractors. When it is impractical to prepare initially a purchase description to support an award based on prices, an Invitation to Bid may be issued requesting the submission of unpriced offers to be followed by an Invitation to Bid limited to those bidders whose offers have been qualified under the criteria set forth in the first solicitation.*

2. *Public notice of the Invitation to Bid at least 10 days prior to the date set for receipt of bids by publication on the Department of General Services' central electronic procurement website. Public notice also may be published in a newspaper of general circulation or on other appropriate websites, or both. In addition, bids may be solicited directly from potential contractors. Any additional solicitations shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*

3. *Public opening and announcement of all bids received.*

4. *Evaluation of bids based upon the requirements set forth in the invitation, which may include special qualifications of potential contractors, life-cycle costing, value analysis, and any other criteria such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose, which are helpful in determining acceptability.*

5. *Award to the lowest responsive and responsible bidder. When the terms and conditions of multiple awards are so provided in the Invitation to Bid, awards may be made to more than one bidder.*

*"Construction" means building, altering, repairing, improving or demolishing any structure, building or highway, and any draining, dredging, excavation, grading or similar work upon real property.*

*"Construction management contract" means a contract in which a party is retained by the owner to coordinate and administer contracts for construction services for the benefit of the owner, and may also include, if provided in the contract, the furnishing of construction services to the owner.*

*"Covered Institution" or "Institution" means, on and after the effective date of the initial management agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Restructuring Act. "Design-build contract" means a contract between the Institution and another party in which the party contracting with the Institution agrees to both design and build the structure, roadway or other item specified in the contract.*

*"Goods" means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software. "Informality" means a minor defect or variation of a bid or proposal from the exact requirements of the Invitation to Bid, or the Request for Proposal, which does not affect the price, quality, quantity or delivery schedule for the goods, services or construction being procured. "Multiphase professional services contract" means a contract for the providing of professional services where the total scope of work of the second or*

*subsequent phase of the contract cannot be specified without the results of the first or prior phase of the contract.*

*“Nonprofessional services” means any services not specifically identified as professional services in the definition of professional services and includes small construction projects valued not over \$1 million; provided that subdivision 3a of the definition of “competitive negotiation” in this section shall still apply to professional services for such small construction projects.*

*“Potential bidder or offeror” for the purposes of §§ 50 and 54 of these Rules means a person who, at the time the Institution negotiates and awards or proposes to award a contract, is engaged in the sale or lease of goods, or the sale of services, insurance or construction, of the type to be procured under the contract, and who at such time is eligible and qualified in all respects to perform that contract, and who would have been eligible and qualified to submit a bid or proposal had the contract been procured through competitive sealed bidding or competitive negotiation.*

*“Professional services” means work performed by an independent contractor within the scope of the practice of accounting, actuarial services, architecture, land surveying, landscape architecture, law, dentistry, medicine, optometry, pharmacy or professional engineering.*

*“Public body” means any legislative, executive or judicial body, agency, office, department, authority, post, commission, committee, institution, board or political subdivision created by law to exercise some sovereign power or to perform some governmental duty, and empowered by law to undertake the activities described in these Rules.*

*“Public contract” means an agreement between the Institution and a nongovernmental source that is enforceable in a court of law.*

*“Responsible bidder” or “offeror” means a person who has the capability, in all respects, to perform fully the contract requirements and the moral and business integrity and reliability that will assure good faith performance, and who has been prequalified, if required.*

*“Responsive bidder” means a person who has submitted a bid that conforms in all material respects to the Invitation to Bid.*

*“Restructuring Act” or “Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Rules” means these Rules Governing Procurement of Goods, Services, Insurance, and Construction adopted by the governing body of the Covered Institution.*

*“Reverse auctioning” means a procurement method wherein bidders are invited to bid on specified goods or nonprofessional services through real-time electronic bidding, with the award being made to the lowest responsive and responsible bidder. During the bidding process, bidders’ prices are revealed and bidders shall have the opportunity to modify their bid prices for the duration of the time period established for bid opening.*

*“Services” means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies.*

*“Sheltered workshop” means a work-oriented rehabilitative facility with a controlled working environment and individual goals that utilizes work experience and related services for assisting the handicapped person to progress toward normal living and a productive vocational status.*

*§ 5. Methods of procurement. -*

*A. All public contracts with nongovernmental contractors for the purchase or lease of goods, or for the purchase of services, insurance, or construction, shall be awarded after competitive sealed bidding, or competitive negotiation as provided in this section, unless otherwise authorized by law.*

*B. Professional services shall be procured by competitive negotiation. Qualification-based selection shall be used for design services.*

*C. Goods, services, or insurance may be procured by competitive negotiation.*

*D. Construction may be procured only by competitive sealed bidding, except that competitive negotiation may be used in the following instances upon a determination made in advance by the Institution and set forth in writing that competitive sealed bidding is either not practicable or not fiscally advantageous to the public, which writing shall document the basis for this determination:*

*1. By the Institution on a fixed price design-build basis or construction management basis under § 7;*

*2. By the Institution for the construction, alteration, repair, renovation or demolition of buildings; or*

*3. By the Institution for the construction of highways and any draining, dredging, excavation, grading or similar work upon real property.*

*E. Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. The writing shall document the basis for this determination. The Institution shall issue a written notice stating that only one source was determined to be practicably available, and identifying that*

*which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first. Public notice shall also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and may be published on other appropriate websites.*

*F. In case of emergency, a contract may be awarded without competitive sealed bidding or competitive negotiation; however, such procurement shall be made with such competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file. The Institution shall issue a written notice stating that the contract is being awarded on an emergency basis, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first, or as soon thereafter as is practicable. Public notice may also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and other appropriate websites.*

*G. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for goods and services other than professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however, such small purchase procedures shall provide for competition wherever practicable.*

*H. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive negotiation for single or term contracts for professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however such small purchase procedures shall provide for competition wherever practicable.*

*I. Upon a determination made in advance by the Institution and set forth in writing that the purchase of goods, products or commodities from a public auction sale is in the best interests of the public, such items may be purchased at the auction, including online public auctions. The writing shall document the basis for this determination.*

*J. The purchase of goods or nonprofessional services, but not construction or professional services, may be made by reverse auctioning.*

*§ 6. Cooperative procurement. -*

*A. In circumstances where the Institution determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the Institution that meet its business goals and objectives, the Institution is authorized to participate in, sponsor, conduct, or administer a cooperative procurement arrangement on behalf of or in conjunction with public bodies, public or private health or educational institutions, other public or private organizations or entities, including public-private partnerships, charitable organizations, health care provider alliances or purchasing organizations or entities, or with public agencies or institutions or group purchasing organizations of the several states, territories of the United States, or the District of Columbia, for the purpose of combining requirements to effect cost savings or reduce administrative expense in any acquisition of goods and services, other than professional services. The Institution may purchase from any authority, department, agency, institution, city, county, town, or other political subdivision of the Commonwealth's contract even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies. In such instances, deviation from the procurement procedures set forth in these Rules and the administrative policies and procedures established to implement these Rules shall be permitted. Notwithstanding all of the above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. Nothing herein shall prohibit the payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.*

*B. In circumstances where statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to meet the Institution's business goals and objectives, and as authorized by the United States Congress and consistent with applicable federal regulations, and provided the terms of the contract permit such purchases:*

*1. The Institution may purchase goods and nonprofessional services, from a United States General Services Administration contract or a contract awarded by any other agency of the United States government; and*

*2. The Institution may purchase telecommunications and information technology goods and nonprofessional services from a United States General Services Administration contract or a contract awarded by any other agency of the United States government.*

*§ 7. Design-build or construction management contracts authorized. -*

*A. Notwithstanding any other provisions of law, the Institution may enter into contracts on a fixed price design-build basis or construction management basis in accordance with the provisions of this section.*

*B. Procurement of construction by the design-build or construction management method shall be a two-step competitive negotiation process. In the first step, offerors shall be requested to submit their qualifications. Based upon the information submitted and any other relevant information which the Commonwealth may obtain, no more than five offerors deemed most suitable for the project shall be selected by the Commonwealth and requested to submit proposals.*

*§ 8. Modification of the contract. -*

*A. A contract awarded by the Institution may include provisions for modification of the contract during performance, but no fixed-price contract may be increased by more than 25% of the amount of the contract or \$50,000, whichever is greater, without the advance written approval of the Institution's president or his designee. In no event may the amount of any contract, without adequate consideration, be increased for any purpose, including, but not limited to, relief of an offeror from the consequences of an error in its bid or offer.*

*B. The Institution may extend the term of an existing contract for services to allow completion of any work undertaken but not completed during the original term of the contract.*

*C. Nothing in this section shall prevent the Institution from placing greater restrictions on contract modifications.*

*§ 9. Discrimination prohibited; participation of small, women- and minority-owned business. -*

*A. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment.*

*Whenever solicitations are made, the Institution shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*

*B. The Institution shall establish programs consistent with this section to facilitate the participation of small businesses and businesses owned by women and minorities in procurement transactions. The programs established shall be in writing and shall include cooperation with the Department of Minority Business Enterprise, the United States*

*Small Business Administration, and other public or private agencies. The Institution shall submit annual progress reports on minority business procurement to the Department of Minority Business Enterprise.*

*C. Whenever there exists (i) a rational basis for small business enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women- and minority-owned businesses, the Governor is by law authorized and encouraged to require the Institution to implement appropriate enhancement or remedial measures consistent with prevailing law.*

*D. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless it has made a written determination that employing ex-offenders on the specific contract is not in its best interest.*

*§ 10. Employment discrimination by contractor prohibited; required contract provisions. - The Institution shall include in every contract of more than \$10,000 the following provisions:*

*1. During the performance of this contract, the contractor agrees as follows:*

*a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.*

*b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.*

*c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.*

*2. The contractor will include the provisions of the foregoing paragraphs a, b and c in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*§ 11. Drug-free workplace to be maintained by contractor; required contract provisions. - The Institution shall include in every contract over \$10,000 the following provisions: During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the*

*unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*For the purposes of this section, "drug-free workplace" means a site for the "performance of work done in connection with a specific contract awarded to a contractor in accordance with these Rules, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.*

*§ 12. Use of brand names. -*

*Unless otherwise provided in the Invitation to Bid, the name of a certain brand, make or manufacturer shall not restrict bidders to the specific brand, make or manufacturer named and shall be deemed to convey the general style, type, character, and quality of the article desired. Any article that the Institution in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.*

*§ 13. Comments concerning specifications. -*

*The Institution shall establish procedures whereby comments concerning specifications or other provisions in Invitations to Bid or Requests for Proposal can be received and considered prior to the time set for receipt of bids or proposals or award of the contract.*

*§ 14. Prequalification generally; prequalification for construction. -*

*A. Prospective contractors may be prequalified for particular types of supplies, services, insurance or construction, and consideration of bids or proposals limited to prequalified contractors. Any prequalification procedure shall be established in writing and sufficiently in advance of its implementation to allow potential contractors a fair opportunity to complete the process.*

*B. Any prequalification of prospective contractors for construction by the Institution shall be pursuant to a prequalification process for construction projects adopted by the Institution. The process shall be consistent with the provisions of this section.*

*The application form used in such process shall set forth the criteria upon which the qualifications of prospective contractors will be evaluated. The application form shall request of prospective contractors only such information as is appropriate for an objective evaluation of all prospective contractors pursuant to such criteria. The form shall allow the*

*prospective contractor seeking prequalification to request, by checking the appropriate box, that all information voluntarily submitted by the contractor pursuant to this subsection shall be considered a trade secret or proprietary information subject to the provisions of subsection D of § 34 of these Rules.*

*In all instances in which the Institution requires prequalification of potential contractors for construction projects, advance notice shall be given of the deadline for the submission of prequalification applications. The deadline for submission shall be sufficiently in advance of the date set for the submission of bids for such construction so as to allow the procedures set forth in this subsection to be accomplished.*

*At least 30 days prior to the date established for submission of bids or proposals under the procurement of the contract for which the prequalification applies, the Institution shall advise in writing each contractor who submitted an application whether that contractor has been prequalified. In the event that a contractor is denied prequalification, the written notification to the contractor shall state the reasons for the denial of prequalification and the factual basis of such reasons.*

*A decision by the Institution denying prequalification under the provisions of this subsection shall be final and conclusive unless the contractor appeals the decision as provided in § 54 of these Rules.*

*C. The Institution may deny prequalification to any contractor only if the Institution finds one of the following:*

*1. The contractor does not have sufficient financial ability to perform the contract that would result from such procurement. If a bond is required to ensure performance of a contract, evidence that the contractor can acquire a surety bond from a corporation included on the United States Treasury list of acceptable surety corporations in the amount and type required by the Institution shall be sufficient to establish the financial ability of the contractor to perform the contract resulting from such procurement;*

*2. The contractor does not have appropriate experience to perform the construction project in question;*

*3. The contractor or any officer, director or owner thereof has had judgments entered against him within the past 10 years for the breach of contracts for governmental or non-governmental construction, including, but not limited to, design-build or construction management;*

*4. The contractor has been in substantial noncompliance with the terms and conditions of prior construction contracts with the Institution without good cause. If the Institution has not contracted with a contractor in any prior construction contracts, the Institution may deny prequalification if the contractor has been in substantial noncompliance with the*

*terms and conditions of comparable construction contracts with another public body without good cause.*

*The Institution may not utilize this provision to deny prequalification unless the facts underlying such substantial noncompliance were documented in writing in the prior construction project file and such information relating thereto given to the contractor at that time, with the opportunity to respond;*

*5. The contractor or any officer, director, owner, project manager, procurement manager or chief financial official thereof has been convicted within the past 10 years of a crime related to governmental or nongovernmental construction or contracting, including, but not limited to, a violation of (i) Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) the Virginia Governmental Frauds Act (§ [18.2-498.1](#) et seq.), (iii) Chapter 4.2 (§ [59.1-68.6](#) et seq.) of Title 59.1 of the Code of Virginia, or (iv) any substantially similar law of the United States or another state;*

*6. The contractor or any officer, director or owner thereof is currently debarred pursuant to an established debarment procedure from bidding or contracting by any public body, agency of another state or agency of the federal government; and*

*7. The contractor failed to provide to the Institution in a timely manner any information requested by the Institution relevant to subdivisions 1 through 6 of this subsection.*

*§ 15. Negotiation with lowest responsible bidder. -*

*Unless canceled or rejected, a responsive bid from the lowest responsible bidder shall be accepted as submitted, except that if the bid from the lowest responsible bidder exceeds available funds, the Institution may negotiate with the apparent low bidder to obtain a contract price within available funds. However, the negotiation may be undertaken only under conditions and procedures described in writing and approved by the Institution prior to issuance of the Invitation to Bid and summarized therein.*

*§ 16. Cancellation, rejection of bids; waiver of informalities. -*

*A. An Invitation to Bid, a Request for Proposal, any other solicitation, or any and all bids or proposals, may be canceled or rejected. The reasons for cancellation or rejection shall be made part of the contract file. The Institution shall not cancel or reject an Invitation to Bid, a Request for Proposal, any other solicitation, bid or proposal pursuant to this section solely to avoid awarding a contract to a particular responsive and responsible bidder or offeror.*

*B. The Institution may waive informalities in bids.*

*§ 17. Exclusion of insurance bids prohibited. -*

*Notwithstanding any other provision of law, no insurer licensed to transact the business of insurance in the Commonwealth or approved to issue surplus lines insurance in the*

*Commonwealth shall be excluded from presenting an insurance bid proposal to the Institution in response to a request for proposal or an invitation to bid. Nothing in this section shall preclude the Institution from debaring a prospective insurer pursuant to § 18.*

*§ 18. Debarment. -*

*Prospective contractors may be debarred from contracting for particular types of supplies, services, insurance or construction, for specified periods of time. Any debarment procedure shall be established in writing by the Institution. Any debarment procedure may provide for debarment on the basis of a contractor's unsatisfactory performance for the Institution.*

*§ 19. Purchase programs for recycled goods; Institution responsibilities. -*

*A. The Institution may implement a purchase program for recycled goods and may coordinate its efforts so as to achieve the goals and objectives set forth in §§ [10.1-1425.6](#), [10.1-1425.7](#), and [10.1-1425.8](#) of the Code of Virginia, and §§ 20 and 22 of these Rules.*

*B. The Department of Environmental Quality, with advice from the Virginia Recycling Markets Development Council, shall advise the Institution concerning the designation of recycled goods.*

*§ 20. Preference for Virginia products with recycled content and for Virginia firms. -*

*A. In the case of a tie bid, preference shall be given to goods produced in Virginia, goods or services or construction provided by Virginia persons, firms or corporations; otherwise the tie shall be decided by lot.*

*B. Whenever any bidder is a resident of any other state and such state under its laws allows a resident contractor of that state a preference, a like preference may be allowed by the Institution to the lowest responsive and responsible bidder who is a resident of Virginia.*

*C. Notwithstanding the provisions of subsections A and B, in the case of a tie bid in instances where goods are being offered, and existing price preferences have already been taken into account, preference shall be given to the bidder whose goods contain the greatest amount of recycled content.*

*§ 21. Preference for Virginia coal used in the Institution. -*

*In determining the award of any contract for coal to be purchased for use in the Institution with state funds, the Institution shall procure using competitive sealed bidding and shall award to the lowest responsive and responsible bidder offering coal mined in Virginia so long as its bid price is not more than 4% greater than the bid price of the low responsive and responsible bidder offering coal mined elsewhere.*

*§ 22. Preference for recycled paper and paper products used by the Institution. -*

*A. In determining the award of any contract for paper and paper products to be purchased for use by the Institution, it shall competitively procure recycled paper and paper products of a quality suitable for the purpose intended, so long as the price is not more than 10% greater than the price of the low responsive and responsible bidder or offeror offering a product that does not qualify under subsection B.*

*B. For purposes of this section, recycled paper and paper products means any paper or paper products meeting the EPA Recommended Content Standards as defined in 40 C.F.R. Part 247.*

*§ 23. Withdrawal of bid due to error. -*

*A. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*One of the following procedures for withdrawal of a bid shall be selected by the Institution and stated in the advertisement for bids: (i) the bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice; or (ii) the bidder shall submit to the Institution or designated official his original work papers, documents and materials used in the preparation of the bid within one day after the date fixed for submission of bids. The work papers shall be delivered by the bidder in person or by registered mail at or prior to the time fixed for the opening of bids. In either instance, the work papers, documents and materials may be considered as trade secrets or proprietary information subject to the conditions of subsection F of § 34 of these Rules. The bids shall be opened one day following the time fixed by the Institution for the*

*submission of bids. Thereafter, the bidder shall have two hours after the opening of bids within which to claim in writing any mistake as defined herein and withdraw his bid. The contract shall not be awarded by the Institution until the two-hour period has elapsed. The mistake shall be proved only from the original work papers, documents and materials delivered as required herein.*

*B. The Institution may establish procedures for the withdrawal of bids for other than construction contracts.*

*C. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than 5%.*

*D. If a bid is withdrawn in accordance with this section, the lowest remaining bid shall be deemed to be the low bid.*

*E. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.*

*F. If the Institution denies the withdrawal of a bid under the provisions of this section, it shall notify the bidder in writing stating the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.*

*§ 24. Contract Pricing Arrangements. -*

*A. Public contracts may be awarded on a fixed price or cost reimbursement basis, or on any other basis that is not prohibited by these Rules.*

*B. Except in case of emergency affecting the public health, safety or welfare, no public contract shall be awarded on the basis of cost plus a percentage of cost.*

*C. A policy or contract of insurance or prepaid coverage having a premium computed on the basis of claims paid or incurred, plus the insurance carrier's administrative costs and retention stated in whole or part as a percentage of such claims, shall not be prohibited by this section.*

*§ 25. Workers' compensation requirements for construction contractors and sub-contractors. -*

*A. No contractor shall perform any work on a construction project of the Institution unless he (i) has obtained, and continues to maintain for the duration of the work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the code of Virginia, and (ii) provides prior to the award of contract, on a form furnished by the Institution, evidence of such coverage.*

*B. The Department of General Services shall provide the form to the Institution. Failure of the Institution to provide the form prior to the award of contract shall waive the requirements of clause (ii) of subsection A.*

*C. No subcontractor shall perform any work on a construction project of the Institution unless he has obtained, and continues to maintain for the duration of such work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the Code of Virginia.*

*§ 26. Retainage on construction contracts. -*

*A. In any contract issued by the Institution for construction that provides for progress payments in installments based upon an estimated percentage of completion, the contractor shall be paid at least 95% of the earned sum when payment is due, with no more than 5% being retained to ensure faithful performance of the contract. All amounts withheld may be included in the final payment.*

*B. Any subcontract for a public project that provides for similar progress payments shall be subject to the provisions of this section.*

*§ 27. Public construction contract provisions barring damages for unreasonable delays declared void. -*

*A. Any provision contained in any public construction contract of the Institution that purports to waive, release, or extinguish the rights of a contractor to recover costs or damages for unreasonable delay in performing such contract, either on his behalf or on behalf of his subcontractor if and to the extent the delay is caused by acts or omissions of the Institution, its agents or employees and due to causes within their control shall be void and unenforceable as against public policy.*

*B. Subsection A shall not be construed to render void any provision of a public construction contract awarded by the Institution that:*

- 1. Allows the recovery of that portion of delay costs caused by the acts or omissions of the contractor, or its subcontractors, agents or employees;*
- 2. Requires notice of any delay by the party claiming the delay;*
- 3. Provides for liquidated damages for delay; or*
- 4. Provides for arbitration or any other procedure designed to settle contract disputes.*

*C. A contractor making a claim against the Institution for costs or damages due to the alleged delaying of the contractor in the performance of its work under any public construction contract of the Institution shall be liable to the Institution and shall pay it for a percentage of all costs incurred by the Institution in investigating, analyzing, negotiating, litigating and arbitrating the claim, which percentage shall be equal to the percentage of*

*the contractor's total delay claim that is determined through litigation or arbitration to be false or to have no basis in law or in fact.*

*D. If the Institution denies a contractor's claim for costs or damages due to the alleged delaying of the contractor in the performance of work under any public construction contract for the Institution, it shall be liable to and shall pay such contractor a percentage of all costs incurred by the contractor to investigate, analyze, negotiate, litigate and arbitrate the claim. The percentage paid by the Institution shall be equal to the percentage of the contractor's total delay claim for which the Institution's denial is determined through litigation or arbitration to have been made in bad faith.*

*§ 28. Bid bonds. -*

*A. Except in cases of emergency, all bids or proposals for construction contracts in excess of \$1 million shall be accompanied by a bid bond from a surety company selected by the bidder that is authorized to do business in Virginia, as a guarantee that if the contract is awarded to the bidder, he will enter into the contract for the work mentioned in the bid. The amount of the bid bond shall not exceed 5% of the amount bid.*

*B. No forfeiture under a bid bond shall exceed the lesser of (i) the difference between the bid for which the bond was written and the next low bid, or (ii) the face amount of the bid bond.*

*C. Nothing in this section shall preclude the Institution from requiring bid bonds to accompany bids or proposals for construction contracts anticipated to be less than \$1 million.*

*§ 29. Performance and payment bonds. -*

*A. Upon the award by the Institution of any (i) public construction contract exceeding \$1 million awarded to any prime contractor or (ii) public construction contract exceeding \$1 million awarded to any prime contractor requiring the performance of labor or the furnishing of materials for buildings, structures or other improvements to real property owned by the Institution, the contractor shall furnish to the Institution the following bonds:*

*1. Except for transportation-related projects, a performance bond in the sum of the contract amount conditioned upon the faithful performance of the contract in strict conformity with the plans, specifications and conditions of the contract. For transportation-related projects, such bond shall be in a form and amount satisfactory to the Institution.*

*2. A payment bond in the sum of the contract amount. The bond shall be for the protection of claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom the contract was awarded, or to any subcontractors, in furtherance of the work provided for in the contract, and shall be conditioned upon the prompt payment for all materials furnished or labor supplied or performed in the furtherance of the work.*

*"Labor or materials" shall include public utility services and reasonable rentals of equipment, but only for periods when the equipment rented is actually used at the site.*

*B. Each of the bonds shall be executed by one or more surety companies selected by the contractor that are authorized to do business in Virginia.*

*C. The bonds shall be payable to the Commonwealth of Virginia naming also the Institution.*

*D. Each of the bonds shall be filed with the Institution, or a designated office or official thereof.*

*E. Nothing in this section shall preclude the Institution from requiring payment or performance bonds for construction contracts below \$1 million.*

*F. Nothing in this section shall preclude the contractor from requiring each subcontractor to furnish a payment bond with surety thereon in the sum of the full amount of the contract with such subcontractor conditioned upon the payment to all persons who have and fulfill contracts that are directly with the subcontractor for performing labor and furnishing materials in the prosecution of the work provided for in the subcontract.*

*§ 30. Alternative forms of security. -*

*A. In lieu of a bid, payment, or performance bond, a bidder may furnish a certified check or cash escrow in the face amount required for the bond.*

*B. If approved by the Institution's General Counsel or his equivalent, a bidder may furnish to the Institution a personal bond, property bond, or bank or savings institution's letter of credit on certain designated funds in the face amount required for the bid, payment or performance bond. Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the Institution equivalent to a corporate surety's bond.*

*§ 31. Bonds on other than construction contracts. -*

*The Institution may require bid, payment, or performance bonds for contracts for goods or services if provided in the Invitation to Bid or Request for Proposal.*

*§ 32. Action on performance bond. -*

*No action against the surety on a performance bond shall be brought by the Institution unless brought within one year after (i) completion of the contract, including the expiration of all warranties and guarantees, or (ii) discovery of the defect or breach of warranty that gave rise to the action.*

*§ 33. Actions on payment bonds; waiver of right to sue. -*

*A. Subject to the provisions of subsection B, any claimant who has performed labor or furnished material in accordance with the contract documents in furtherance of the work provided in any contract for which a payment bond has been given, and who has not*

*been paid in full before the expiration of 90 days after the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, may bring an action on the payment bond to recover any amount due him for the labor or material. The obligee named in the bond need not be named a party to the action.*

*B. Any claimant who has a direct contractual relationship with any subcontractor but who has no contractual relationship, express or implied, with the contractor, may bring an action on the contractor's payment bond only if he has given written notice to the contractor within 180 days from the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, stating with substantial accuracy the amount claimed and the name of the person for whom the work was performed or to whom the material was furnished. Notice to the contractor shall be served by registered or certified mail, postage prepaid, in an envelope addressed to such contractor at any place where his office is regularly maintained for the transaction of business. Claims for sums withheld as retainages with respect to labor performed or materials furnished, shall not be subject to the time limitations stated in this subsection.*

*C. Any action on a payment bond shall be brought within one year after the day on which the person bringing such action last performed labor or last furnished or supplied materials.*

*D. Any waiver of the right to sue on the payment bond required by this section shall be void unless it is in writing, signed by the person whose right is waived, and executed after such person has performed labor or furnished material in accordance with the contract documents.*

*§ 34. Public inspection of certain records. -*

*A. Except as provided in this section, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.).*

*B. Cost estimates relating to a proposed procurement transaction prepared by or for the Institution shall not be open to public inspection.*

*C. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of all bids but prior to award, except in the event that the Institution decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract.*

*D. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award, except in the event that the Institution decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to public inspection only after award of the contract.*

*E. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.*

*F. Trade secrets or proprietary information submitted by a bidder, offeror or contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection B of § 14 shall not be subject to the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.); however, the bidder, offeror or contractor shall (i) invoke the protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary.*

*§ 35. Exemption for certain transactions. -*

*A. The provisions of these Rules shall not apply to:*

*1. The selection of services related to the management and investment of the Institution's endowment funds, endowment income, or gifts pursuant to § [23-76.1](#). However, selection of these services shall be governed by the Uniform Management of Institutional Funds Act (§ [55-268.1](#) et seq.) as required by § [23-76.1](#).*

*2. The purchase of items for resale at retail bookstores and similar retail outlets operated by the Institution. However, such purchase procedures shall provide for competition where practicable.*

*3. Procurement of any construction or planning and design services for construction by the Institution when (i) the planning, design or construction is \$50,000 or less or (ii) the Institution is obligated to conform to procurement procedures that are established by federal statutes or regulations, whether or not those federal procedures are in conformance with the provisions of these Rules.*

*4. The University of Virginia Medical Center.*

*5. The purchase of goods and services by the Institution when such purchases are made under a remedial plan established by the Governor pursuant to subsection C of § 9 of these Rules.*

*B. Where a procurement transaction involves the expenditure of federal assistance or contract funds, the receipt of which is conditioned upon compliance with mandatory requirements in federal laws or regulations not in conformance with the provisions of these Rules, the Institution may comply with such federal requirements, notwithstanding*

*the provisions of these Rules, only upon the written determination of the Institution's President or his designee that acceptance of the grant or contract funds under the applicable conditions is in the public interest. Such determination shall state the specific provision of these Rules in conflict with the conditions of the grant or contract.*

*§ 36. Permitted contracts with certain religious organizations; purpose; limitations. -*

*A. The Opportunity Reconciliation Act of 1996, P.L. 104-193, authorizes public bodies to enter into contracts with faith-based organizations for the purposes described in this section on the same basis as any other nongovernmental source without impairing the religious character of such organization, and without diminishing the religious freedom of the beneficiaries of assistance provided under this section.*

*B. For the purposes of this section, "faith-based organization" means a religious organization that is or applies to be a contractor to provide goods or services for programs funded by the block grant provided pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193.*

*C. The Institution, in procuring goods or services, or in making disbursements pursuant to this section, shall not (i) discriminate against a faith-based organization on the basis of the organization's religious character or (ii) impose conditions that (a) restrict the religious character of the faith-based organization, except as provided in subsection F, or (b) impair, diminish, or discourage the exercise of religious freedom by the recipients of such goods, services, or disbursements.*

*D. The Institution shall ensure that all invitations to bid, requests for proposals, contracts, and purchase orders prominently display a nondiscrimination statement indicating that it does not discriminate against faith-based organizations.*

*E. A faith-based organization contracting with the Institution (i) shall not discriminate against any recipient of goods, services, or disbursements made pursuant to a contract authorized by this section on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and (ii) shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the Institution. Nothing in clause (ii) shall be construed to supersede or otherwise override any other applicable state law.*

*F. Consistent with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, funds provided for expenditure pursuant to contracts with public bodies shall not be spent for sectarian worship, instruction, or proselytizing; however,*

*this prohibition shall not apply to expenditures pursuant to contracts, if any, for the services of chaplains.*

*G. Nothing in this section shall be construed as barring or prohibiting a faith-based organization from any opportunity to make a bid or proposal or contract on the grounds that the faith-based organization has exercised the right, as expressed in 42 U.S.C. (§ 2000e-1 et seq.), to employ persons of a particular religion.*

*H. If an individual, who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization, objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the Institution shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.*

*The Institution shall provide to each individual who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization a notice in bold face type that states: "Neither the Institution's selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider or notify the appropriate person as indicated in this form."*

*§ 37. Exemptions from competition for certain transactions. -*

*The Institution may enter into contracts without competition, as that term is described in subsections A through J of § 5 (Methods of procurement) of these Rules, for:*

*1. The purchase of goods or services that are produced or performed by or related to:*

*a. Persons, or in schools or workshops, under the supervision of the Virginia Department for the Blind and Vision Impaired;*

*b. Nonprofit sheltered workshops or other nonprofit organizations that offer transitional or supported employment services serving the handicapped;*

*c. Private educational institutions; or*

*d. Other public educational institutions.*

*2. Speakers and performing artists;*

*3. Memberships and Association dues;*

4. *Sponsored research grant sub-awards and contract sub-awards, not to include the purchase of goods or services by the Institution;*
5. *Group travel in foreign countries;*
6. *Conference facilities and services;*
7. *Participation in intercollegiate athletic tournaments and events including team travel and lodging, registration and tournament fees;*
8. *Royalties; or*
9. *The purchase of legal services, provided that the Office of the Attorney General has been consulted, or expert witnesses or other services associated with litigation or regulatory proceedings.*

*§ 38. Exemptions from competitive sealed bidding and competitive negotiation for certain transactions; limitations. -*

*The Institution may enter into contracts for insurance or electric utility service without competitive sealed bidding or competitive negotiation if purchased through an association of which the Institution is a member if the association was formed and is maintained for the purpose of promoting the interest and welfare of and developing close relationships with similar public bodies, provided such association has procured the insurance or electric utility services by use of competitive principles and provided that the Institution has made a determination in advance after reasonable notice to the public and set forth in writing that competitive sealed bidding and competitive negotiation are not fiscally advantageous to the public. The writing shall document the basis for this determination.*

*§ 39. Definitions. -*

*As used in §§ 39 through 46, unless the context requires a different meaning:*

*"Contractor" means the entity that has a direct contract with the Institution.*

*"Debtor" means any individual, business, or group having a delinquent debt or account with any state agency that obligation has not been satisfied or set aside by court order or discharged in bankruptcy.*

*"Payment date" means either (i) the date on which payment is due under the terms of a contract for provision of goods or services; or (ii) if such date has not been established by contract, (a) 30 days after receipt of a proper invoice by the Institution or its agent or (b) 30 days after receipt of the goods or services by the Institution..*

*"Subcontractor" means any entity that has a contract to supply labor or materials to the contractor to whom the contract was awarded or to any subcontractor in the performance of the work provided for in such contract.*

*§ 40. Exemptions. -*

*The provisions of §§ 39 through 46 shall not apply to the late payment provisions contained in any public utility tariffs prescribed by the State Corporation Commission.*

*§ 41. Retainage to remain valid. -*

*Notwithstanding the provisions of §§ 39 through 46, the provisions of § 26 relating to retainage shall remain valid.*

*§ 42. Prompt payment of bills by the Institution. -*

*A. The Institution shall promptly pay for the completely delivered goods or services by the required payment date.*

*Payment shall be deemed to have been made when offset proceedings have been instituted, as authorized under the Virginia Debt Collection Act (§ [2.2-4800](#) et seq.) of the Code of Virginia.*

*B. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial deliveries or executions to the extent that such contract provides for separate payment for such partial delivery or execution.*

*§ 43. Defect or impropriety in the invoice or goods and/or services received. -*

*In instances where there is a defect or impropriety in an invoice or in the goods or services received, the Institution shall notify the supplier of the defect or impropriety, if the defect or impropriety would prevent payment by the payment date. The notice shall be sent within 15 days after receipt of the invoice or the goods or services.*

*§ 44. Date of postmark deemed to be date payment is made. -*

*In those cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made for purposes of these Rules.*

*§ 45. Payment clauses to be included in contracts. -*

*Any contract awarded by the Institution shall include:*

*1. A payment clause that obligates the contractor to take one of the two following actions within seven days after receipt of amounts paid to the contractor by the Institution for work performed by the subcontractor under that contract:*

*a. Pay the subcontractor for the proportionate share of the total payment received from the Institution attributable to the work performed by the subcontractor under that contract;*  
*or*

*b. Notify the Institution and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.*

*2. A payment clause that requires (i) individual contractors to provide their social security numbers and (ii) proprietorships, partnerships, and corporations to provide their federal employer identification numbers.*

3. An interest clause that obligates the contractor to pay interest to the subcontractor on all amounts owed by the contractor that remain unpaid after seven days following receipt by the contractor of payment from the Institution for work performed by the subcontractor under that contract, except for amounts withheld as allowed in subdivision 1.

4. An interest rate clause stating, "Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of 1% per month."

Any such contract awarded shall further require the contractor to include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

A contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of the Institution. A contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.

§ 46. Interest penalty; exceptions. -

A. Interest shall accrue, at the rate determined pursuant to subsection B, on all amounts owed by the Institution to a vendor that remain unpaid after seven days following the payment date. However, nothing in this section shall affect any contract providing for a different rate of interest, or for the payment of interest in a different manner.

B. The rate of interest charged the Institution pursuant to subsection A shall be the base rate on corporate loans (prime rate) at large United States money center commercial banks as reported daily in the publication entitled *The Wall Street Journal*. Whenever a split prime rate is published, the lower of the two rates shall be used. However, in no event shall the rate of interest charged exceed the rate of interest established pursuant to [§ 58.1-1812](#) of the Code of Virginia.

C. Notwithstanding subsection A, no interest penalty shall be charged when payment is delayed because of disagreement between the Institution and a vendor regarding the quantity, quality or time of delivery of goods or services or the accuracy of any invoice received for the goods or services. The exception from the interest penalty provided by this subsection shall apply only to that portion of a delayed payment that is actually the subject of the disagreement and shall apply only for the duration of the disagreement.

D. This section shall not apply to § 26 pertaining to retainage on construction contracts, during the period of time prior to the date the final payment is due. Nothing contained herein shall prevent a contractor from receiving interest on such funds under an approved escrow agreement.

*E. Notwithstanding subsection A, no interest penalty shall be paid to any debtor on any payment, or portion thereof, withheld pursuant to the Comptroller's Debt Setoff Program, as authorized by the Virginia Debt Collection Act (§ [2.2-4800](#) et seq. of the Code of Virginia), commencing with the date the payment is withheld. If, as a result of an error, a payment or portion thereof is withheld, and it is determined that at the time of setoff no debt was owed to the Commonwealth, then interest shall accrue at the rate determined pursuant to subsection B on amounts withheld that remain unpaid after seven days following the payment date.*

*§ 47. Ineligibility. -*

*A. Any bidder, offeror or contractor refused permission to participate, or disqualified from participation, in public contracts to be issued by the Institution shall be notified in writing. Prior to the issuance of a written determination of disqualification or ineligibility, the Institution shall (i) notify the bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.*

*Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of disqualification or ineligibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received such rebuttal information.*

*If the evaluation reveals that the bidder, offeror or contractor should be allowed permission to participate in the public contract, the Institution shall cancel the proposed disqualification action. If the evaluation reveals that the bidder should be refused permission to participate, or disqualified from participation, in the public contract, the Institution shall so notify the bidder, offeror or contractor. The notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If, upon appeal, it is determined that the action taken was arbitrary or capricious, or not in accordance with the Constitution of Virginia, applicable state law or regulations, the sole relief shall be restoration of eligibility.*

*§ 48. Appeal of denial of withdrawal of bid. -*

*A. A decision denying withdrawal of bid under the provisions of § 23 of these Rules shall be final and conclusive unless the bidder appeals the decision within 10 days after*

*receipt of the decision by invoking administrative procedures meeting the standards of § 55, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If no bid bond was posted, a bidder refused withdrawal of a bid under the provisions of § 23, prior to appealing, shall deliver to the Institution a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.*

*C. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, the sole relief shall be withdrawal of the bid.*

*§ 49. Determination of nonresponsibility. -*

*A. Following public opening and announcement of bids received on an Invitation to Bid, the Institution shall evaluate the bids in accordance with element 4 of the definition of "Competitive sealed bidding" in § 4 of these Rules. At the same time, the Institution shall determine whether the apparent low bidder is responsible. If the Institution so determines, then it may proceed with an award in accordance with element 5 of the definition of "Competitive sealed bidding" in § 4. If the Institution determines that the apparent low bidder is not responsible, it shall proceed as follows:*

*1. Prior to the issuance of a written determination of nonresponsibility, the Institution shall (i) notify the apparent low bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the apparent low bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.*

*2. Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of responsibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received the rebuttal information. At the same time, the Institution shall notify, with return receipt requested, the bidder in writing of its determination.*

*3. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*The provisions of this subsection shall not apply to procurements involving the pre-qualification of bidders and the rights of any potential bidders under such pre-qualification to appeal a decision that such bidders are not responsible.*

*B. If, upon appeal pursuant to § 54 or 55 of these Rules, it is determined that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and the award of the contract in question has not been made, the sole relief shall be a finding that the bidder is a responsible bidder for the contract in question or directed award as provided in subsection A of § 54, or both.*

*If it is determined that the decision of the Institution was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and an award of the contract has been made, the relief shall be as set forth in subsection B of § 54 of these Rules.*

*C. A bidder contesting a determination that he is not a responsible bidder for a particular contract shall proceed under this section, and may not protest the award or proposed award under the provisions of § 50 of these Rules.*

*D. Nothing contained in this section shall be construed to require the Institution, when procuring by competitive negotiation, to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous.*

*§ 50. Protest of award or decision to award. -*

*A. Any bidder or offeror, who desires to protest the award or decision to award a contract shall submit the protest in writing to the Institution, or an official designated by the Institution, no later than 10 days after the award or the announcement of the decision to award, whichever occurs first. Public notice of the award or the announcement of the decision to award shall be given by the Institution in the manner prescribed in the terms or conditions of the Invitation to Bid or Request for Proposal. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit the protest in the same manner no later than 10 days after posting or publication of the notice of such contract as provided in § 5 of these Rules. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction that are subject to inspection under § 34 of these Rules, then the time within which the protest shall be submitted shall expire 10 days after those records are available for inspection by such bidder or offeror under § 34, or at*

*such later time as provided in this section. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The Institution or designated official shall issue a decision in writing within 10 days stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within 10 days of receipt of the written decision by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54. Nothing in this subsection shall be construed to permit a bidder to challenge the validity of the terms or conditions of the Invitation to Bid or Request for Proposal. The use of Alternative Dispute Resolution (ADR) shall constitute an administrative appeal procedure meeting the standards of § 55 of these Rules.*

*B. If prior to an award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The Institution shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided. Where the award has been made but performance has not begun, the performance of the contract may be enjoined. Where the award has been made and performance has begun, the Institution may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.*

*C. Where the Institution, an official designated by it, or an appeals board determines, after a hearing held following reasonable notice to all bidders, that there is probable cause to believe that a decision to award was based on fraud or corruption or on an act in violation of these Rules, the Institution, designated official or appeals board may enjoin the award of the contract to a particular bidder.*

*§ 51. Effect of appeal upon contract. -*

*Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with these Rules shall not be affected by the fact that a protest or appeal has been filed.*

*§ 52. Stay of award during protest. -*

*An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest as provided in § 50 of these Rules, or the filing of a timely legal action as provided in § 54, no further action to award the contract shall be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.*

*§ 53. Contractual disputes. -*

*A. Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment. However, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.*

*B. The Institution shall include in its contracts a procedure for consideration of contractual claims. Such procedure, which may be contained in the contract or may be specifically incorporated into the contract by reference and made available to the contractor, shall establish a time limit for a final decision in writing by the Institution. If the Institution has established administrative procedures meeting the standards of § 55 of these Rules, such procedures shall be contained in the contract or specifically incorporated in the contract by reference and made available to the contractor. The Institution may require the submission of contractual claims pursuant to any contract to Alternative Dispute Resolution (ADR) as an administrative procedure.*

*C. A contractor may not invoke administrative procedures meeting the standards of § 55 of these Rules, if available, or institute legal action as provided in § 54, prior to receipt of the Institution's decision on the claim, unless the Institution fails to render such decision within the time specified in the contract.*

*D. The decision of the Institution shall be final and conclusive unless the contractor appeals within six months of the date of the final decision on the claim by the Institution by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*§ 54. Legal actions. -*

*A. A bidder or offeror, actual or prospective, who is refused permission or disqualified from participation in bidding or competitive negotiation, or who is determined not to be a responsible bidder or offeror for a particular contract, may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the petitioner establishes that the decision was not (i) an honest exercise of discretion, but rather was arbitrary or capricious; (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid; or (iii) in the case of denial of prequalification, based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. In the event the apparent low bidder, having been previously determined by the Institution to be not responsible in accordance with §*

4, is found by the court to be a responsible bidder, the court may direct the Institution to award the contract to such bidder in accordance with the requirements of this section and the Invitation to Bid.

B. A bidder denied withdrawal of a bid under § 23 of these Rules may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the bidder establishes that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid.

C. A bidder, offeror or contractor, or a potential bidder or offeror on a contract negotiated on a sole source or emergency basis in the manner provided in § 5 of these Rules, whose protest of an award or decision to award under § 50 of these Rules is denied, may bring an action in the appropriate circuit court challenging a proposed award or the award of a contract, which shall be reversed only if the petitioner establishes that the proposed award or the award is not (i) an honest exercise of discretion, but rather is arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms and conditions of the Invitation to Bid or Request for Proposal.

D. If injunctive relief is granted, the court, upon request of the Institution, shall require the posting of reasonable security to protect the Institution.

E. A contractor may bring an action involving a contract dispute with the Institution in the appropriate circuit court. Notwithstanding any other provision of law, the Comptroller shall not be named as a defendant in any action brought pursuant to these Rules or § [33.1-387](#) of the Code of Virginia, except for disputes involving contracts of the Office of the Comptroller or the Department of Accounts.

F. A bidder, offeror or contractor need not utilize administrative procedures meeting the standards of § 55 of these Rules, if available, but if those procedures are invoked by the bidder, offeror or contractor, the procedures shall be exhausted prior to instituting legal action concerning the same procurement transaction unless the Institution agrees otherwise.

G. Nothing herein shall be construed to prevent the Institution from instituting legal action against a contractor.

§ 55. Administrative appeals procedure. -

A. The Institution may establish an administrative procedure for hearing (i) protests of a decision to award or an award, (ii) appeals from refusals to allow withdrawal of bids, (iii) appeals from disqualifications and determinations of nonresponsibility, and (iv) appeals

*from decisions on disputes arising during the performance of a contract, or (v) any of these. Such administrative procedure may include the use of Alternative Dispute Resolution (ADR) or shall provide for a hearing before a disinterested person or panel, the opportunity to present pertinent information and the issuance of a written decision containing findings of fact. The disinterested person or panel shall not be an employee of the governmental entity against whom the claim has been filed. The findings of fact shall be final and conclusive and shall not be set aside unless the same are (a) fraudulent, arbitrary or capricious; (b) so grossly erroneous as to imply bad faith; or (c) in the case of denial of prequalification, the findings were not based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. No determination on an issue of law shall be final if appropriate legal action is instituted in a timely manner. The Institution may seek advice and input from the Alternative Dispute Resolution Council in establishing an Alternative Dispute Resolution (ADR) procedure.*

*B. Any party to the administrative procedure, including the Institution, shall be entitled to institute judicial review if such action is brought within 30 days of receipt of the written decision.*

*§ 56. Alternative dispute resolution. -*

*The Institution may enter into agreements to submit disputes arising from contracts entered into pursuant to these Rules to arbitration and utilize mediation and other alternative dispute resolution procedures. However, such procedures shall be nonbinding and subject to § [2.2-514](#) of the Code of Virginia, as applicable.*

*§ 57. Ethics in public contracting. -*

*The Institution and its governing body, officers and employees shall be governed by the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia.*

## ATTACHMENT 2

### *Memorandum of Agreement*

*The Commonwealth of Virginia and Virginia Polytechnic Institute and State University  
ERP/SciQuest Implementation with eVA*

*The Commonwealth of Virginia (CoVA) and Virginia Polytechnic Institute and State University (University) agree to the following:*

*I. The University will use ERP/SciQuest integration as best fits its needs with its ERP system (Banner).*

*II. Initially, all nonexempt orders produced by the ERP/SciQuest integration will be transmitted to eVA through an ERP-to-eVA interface that conforms to the existing eVA interface standard format. Longer term a more real-time option may be mutually agreed by the Department of General Services/Division of Purchasing and Supply (DGS/DPS) and the University and implemented between the ERP and eVA systems.*

*III. The University may request that eVA contract vendors provide a version of their contract catalog for loading into ERP/SciQuest. Should the vendor indicate a preference to only provide its catalog through eVA, then the University will access these catalogs as described in item B8 of the Metrics section of this document. In any event, the University shall be responsible for payment of all eVA transaction fees for nonexempt orders to unregistered vendors and exempt orders the University chooses to issue to unregistered and registered vendors through eVA.*

*IV. eVA will load all nonexempt University orders into the eVA Data Warehouse. For clarity, it is understood that exempt orders are purchase transactions specifically exempted, in writing by DPS, from mandatory processing through eVA.*

*V. In lieu of processing individual orders for requirements through eVA, a more efficient administrative approach is to establish a blanket or standing order. The University is authorized to use such an approach where it makes good business sense.*

*The University will ensure vendors understand that eVA transaction fees will be invoiced at the time blanket or standing orders are issued, that the transaction fee will be based on the total order amount, and the vendor is required to pay the total transaction fee within 30 days of the invoice date regardless of the performance/delivery schedule specified in the order.*

*VI. eVA will deliver University nonexempt orders to vendors that are identified as accepting electronic orders (Fax, Email, EDI, cXML). The University or SciQuest will print/mail/deliver all other orders to vendors. Whereas the University maintains a University specific electronic vendor record that identifies vendors that do not agree to the eVA terms and conditions, including payment of the eVA order transaction fee, the University may deviate from the policy/procedure set forth in Section 3 of the eVA Business Plan as follows:*

*A. For vendors that refuse to accept the eVA terms and conditions, the University will transmit the appropriate R02, S02, E02, or P02 Purchase Order Category and a Purchase Order Comment that includes the statement "Vendor refuses eVA terms and*

conditions." *The University agrees that it will pay the eVA transaction fees for these orders.*

*B. For vendors that agree to accept the eVA terms and conditions, the University will transmit the appropriate R01, S01, E01, or P01 Purchase Order Category and a Purchase Order Comment that includes the statement "Vendor accepts eVA terms and conditions - University eVA Vendor Manager, e-mail address and phone number." The University agrees that, for these orders, it will resolve any vendor dispute related to payment of eVA transaction fees by working directly with the vendor whether such vendor contacts the university directly or the dispute is referred to the university by DGS/DPS or CGI-AMS.*

*The University further agrees that:*

- 1. It will provide the DGS/DPS eVA Business Manager (or designee) email notification of the resolution agreed to by the University and the vendor within 10 business days, unless otherwise agreed on a case-by-case basis by the DGS/DPS eVA Business Manager (or designee);*
- 2. It will pay the eVA transaction fee unless it notifies the eVA Business Manager (or designee) within the specified time that the dispute has been resolved and the vendor agreed to pay the fee; and*
- 3. In the event the University does not provide resolution notification to the eVA Business Manager (or designee) within the specified timeframe, DGS/DPS will automatically execute a manual adjustment reversing disputed transaction fees from the vendor to the University and the University will pay the fee.*

*VII. The University will not require separate vendor registrations as a prerequisite for responding to University solicitations. The University will participate in an enterprise workgroup to determine the best means to capture W-9 information on behalf of the whole enterprise. The process for collecting W-9 information will be supported in eVA in such a way as to provide CoVA verified vendor information to entities. The University will have the option to receive a subset of vendor related data. Until an enterprise W-9 process is established, the University will be responsible for collection of W-9 information.*

*VIII. For major system changes, DGS/DPS will collaborate in advance (advance notice defined as at least six (6) months prior to change or as soon as any new plan is proposed) with the University regarding any proposed replacement to the CoVA's electronic procurement system and on changes that may affect the technical changes described herein.*

*IX. Integration of the University's electronic procurement solution with the University's ERP is the responsibility of the University. The solution must provide for orders, change orders and cancellations.*

*Guidelines*

- 1. The establishment of this agreement is intended to formulate the basis for a long-term solution for electronic procurement between the University and the CoVA.*
- 2. Orders may be batched and transmitted to eVA as often as needed except between the hours of 8 p.m. and 4 a.m. eVA will transmit registered vendor orders it receives within 15 minutes or less.*
- 3. Nonexempt orders to unregistered vendors are to be transmitted to eVA for loading to the Data Warehouse. The University shall be responsible for payment of all eVA transaction fees for nonexempt orders to unregistered vendors and exempt orders the University chooses to issue to unregistered and registered vendors through eVA. See eVA Business Plan Section 3 for specific processing requirements for unregistered vendor orders.*
- 4. Change Orders are to be transmitted to eVA as replacement orders complying with the eVA standard format.*
- 5. Cancellations are to be transmitted to eVA complying with the eVA standard format.*
- 6. eVA Interface standard does not currently support PCard orders; however these orders may be processed via the interface as (a) confirming orders or (b) orders for PCards on file with the vendor.*

*Schedule*

*The University shall implement this agreement no later than July 2006.*

*Metrics*

*A. The University shall comply with the following Governor's eVA Management Objective:*

*Ninety-five percent of all nonexempt orders to be processed by eVA. Includes nonexempt orders issued by end users (PCard & LPO) and the central purchasing office. Nonexempt orders to unregistered vendors received into the eVA Data Warehouse are considered compliant orders. For clarity, it is understood that exempt orders are purchase transactions specifically exempted, in writing by DPS, from mandatory processing through eVA. All nonexempt orders not processed by eVA shall be reported on the eVA Dashboard and the corresponding non-use fee paid by the University.*

*B. The University shall meet the following management objectives for electronic procurement:*

1. *Provide end users, including purchase-card users, access to an electronic system for buying;*
2. *Conduct business with eVA registered vendors whenever possible;*
3. *Place nonexempt orders, including change orders and cancellations, to eVA suppliers electronically using eVA;*
4. *To the greatest extent possible, transmit real-time electronic purchase orders, regardless of dollar value, that include commodity codes, complete item descriptions, quantities, and unit prices;*
5. *To the greatest extent feasible, the University will transmit confirming orders to eVA within five (5) business days after placing the order. Commodity codes, complete item descriptions, quantities, and unit prices will be provided for all confirming orders. DGS/DPS will provide periodic reports on the number and timeliness of confirming orders enabling the University and DGS/DPS to work together to monitor the usage of confirming orders with the objective of reducing their numbers to the extent possible. The University agrees that, for confirming orders, it will resolve any vendor dispute, including disputes related to payment of eVA transaction fees, by working directly with the vendor whether such vendor contacts the University directly or the dispute is referred to the University by DGS/DPS or CGI-AMS. The University further agrees that:
  - a. *It will provide the DGS/DPS eVA Business Manager (or designee) email notification of the resolution agreed to by the university and the vendor within 10 business days, unless otherwise agreed on a case-by-case basis by the DGS/DPS eVA Business Manager (or designee);*
  - b. *It will pay the eVA transaction fee unless it notifies the eVA Business Manager (or designee) within the specified time that the dispute has been resolved and the vendor agreed to pay the fee; and*
  - c. *In the event the University does not provide resolution notification to the eVA Business Manager (or designee) within the specified timeframe, DGS/DPS will automatically execute a manual adjustment reversing disputed transaction fees from the vendor to the University and the University will pay the fee.**
6. *Timely process electronic change orders and cancellations;*
7. *Post all solicitations and business opportunities greater than \$50,000 on the eVA website except as specifically exempted by DPS;*
8. *To the extent technically feasible, make eVA catalogs, especially contract catalogs, available to end users using the ERP/SciQuest Integration system. The University will*

*be responsible for the accuracy of contract catalog pricing loaded into the ERP/S-ciQuest;*

*9. Use eVA electronic vendor notification for procurement opportunities (per plans to post solicitations specified in item 7 above and the use of Quick Quote/Reverse Auctions specified in item 10 below);*

*10. Use eVA on-line bidding functions of Quick Quote and Reverse Auction for appropriate commodities, when such are identified;*

*11. Complete and certify the monthly eVA Dashboard Report; and*

*12. Timely remit any eVA transaction and non-use fees incurred by the institution.*

*C. The University shall be subject to eVA fees assessed per the eVA Business Plan.*

*D. The University shall assure that payments to CGI-AMS are current.*

*POLICY GOVERNING*

*HUMAN RESOURCES FOR*

*PARTICIPATING COVERED EMPLOYEES*

*AND OTHER UNIVERSITY EMPLOYEES*

*THE BOARD OF VISITORS OF VIRGINIA POLYTECHNIC INSTITUTE  
AND STATE UNIVERSITY  
POLICY GOVERNING HUMAN RESOURCES FOR  
PARTICIPATING COVERED EMPLOYEES  
AND OTHER UNIVERSITY EMPLOYEES*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, establishes a process for the restructuring of institutions of higher education of the Commonwealth of Virginia and provides that upon becoming a Covered Institution, the University shall have responsibility and accountability for human resources management for all University employees, defined in the Act as "Covered Employees," who pursuant to subsection A of § [23-38.114](#) of the Act "are state employees of" the University. Specifically, the Act provides that, as of the Effective Date of its initial Management Agreement with the Commonwealth, all Classified Employees shall continue to be covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and shall be subject to the policies and procedures prescribed by the Virginia Department of Human Resource Management, provided that they may subsequently elect to become Participating Covered Employees. All Participating Covered Employees shall: (i) be exempt from the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2; (ii) remain subject to the state grievance procedure for employees subject to the Virginia Personnel Act, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2, provided they were subject to the state grievance procedure prior to that Effective Date; (iii) participate in a compensation plan that is subject to the review and approval of the Board of Visitors; (iv) be hired pursuant to procedures that are based on merit and fitness; and (v) may, subject to certain specified conditions, continue to participate in either state- or University-sponsored benefit plans as described by the Management Agreement.*

*The provisions of this Policy are adopted by the Board of Visitors to implement the Governing Law and constitute the human resources policies to be included in any human resources system adopted by the University for its employees.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Vir-*

ginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy.

## II. DEFINITIONS.

As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:

“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.

“Board of Visitors” or “Board” means the Board of Visitors of Virginia Polytechnic Institute and State University.

“Classified Employees” means employees who are covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and the policies and procedures established by the Virginia Department of Human Resource Management and who are not Participating Covered Employees.

“Covered Employee” means any person who is employed by the University on either a salaried or nonsalaried (wage) basis.

“Covered Institution” means, on and after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.

“Employee” means Covered Employee unless the context clearly indicates otherwise.

“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the University.

“Effective Date” means the effective date of the initial Management Agreement between the University and the Commonwealth.

“Governing Law” means the Act and the University’s Enabling Legislation.

“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) of the Act between the University and the Commonwealth.

“Participating Covered Employee” means (i) all salaried nonfaculty University employees who were employed as of the day prior to the Effective Date of the University’s initial Management Agreement with the Commonwealth, and who elect pursuant to § [23-38.115](#) of the Act to participate in and be governed by such human resources program or programs, plans, policies, and procedures established by Virginia Polytechnic Institute and State University, (ii) all salaried nonfaculty University employees who are employed by the University on or after the Effective Date of the initial Management Agreement between the University and the Commonwealth, (iii) all nonsalaried nonfaculty

*University employees without regard to when they were hired, (iv) all faculty University employees without regard to when they were hired.*

*“University” means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agriculture Experiment Station Division (State Agency 229).*

*“University employee” means a Covered Employee.*

*“University Human Resources System” means the human resources system for University employees as provided for herein.*

### **III. SCOPE AND PURPOSE OF UNIVERSITY HUMAN RESOURCES POLICIES.**

*The University has had human resources system autonomy through decentralization for its employees for some time. For example, general faculty at the University are expressly exempt from the Virginia Personnel Act. The University has had decentralization in most human resources functions and activities since the late 1980s and early 1990s, including, but not limited to, the running of payrolls; the administration of hiring, classification, and promotion practices; the administration of separate retirement plans.*

*The Act extends and reinforces the human resources autonomy previously granted to the University. This Policy therefore is adopted by the Board of Visitors to enable the University to develop, adopt, and have in place by or after the Effective Date of its initial Management Agreement with the Commonwealth, a human resources system or systems for all University employees. On that Effective Date, and until changed by the University or unless otherwise specified in this Policy, the systems for University employees shall be the same systems applicable to those employees in effect immediately prior to that Effective Date.*

### **IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.**

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University’s usual delegation policies and procedures.*

### **V. VIRGINIA POLYTECHNIC INSTITUTE AND STATE UNIVERSITY HUMAN RESOURCES SYSTEMS.**

*A. Adoption and Implementation of University Human Resources Systems. The President, acting through the Executive Vice President and Chief Operating Officer, is hereby authorized to adopt and implement human resources systems for University employees that implement and are consistent with the Governing Law, other applicable provisions of law, these University human resources policies, and any other human resources policies adopted by the Department of Human Resource Management or the Board of Visitors for University personnel, unless University employees are exempted from those other human resources policies by law or policy. The University Human Resources Systems shall include a delegation of personnel authority to appropriate University officials responsible for overseeing and implementing the University Human Resources Systems, including a grant of authority to such officials to engage in further delegation of authority as the President or his designee deems appropriate.*

*The University commits to regularly engage employees in appropriate discussions and to receive employee input as the new University Human Resources Systems are developed. The University will regularly communicate the details of new proposals to all employees who are eligible to participate in the new University Human Resources System through written communication, open meetings, and website postings as appropriate, so that employees will have full information that will help them evaluate the merits of the new human resource system compared to the then-current State human resource system.*

*Effective on the Effective Date of its initial Management Agreement with the Commonwealth, and until amended as described below, the University's human resources systems shall consist of the following:*

- 1. The current human resources system for faculty described in the Virginia Tech Faculty Handbook and Special Research Faculty Handbook as posted on the University's website, <http://www.policies.vt.edu/>, and periodically amended;*
- 2. The current human resources system for "Classified Employees" as posted on the Virginia Department of Human Resource Management website at <http://www.dhrm.state.va.us/hrpolicy/policy.html> and the University's website, <http://www.policies.vt.edu/>, and Human Resources' website, <http://www.hr.vt.edu/>, as periodically amended;*
- 3. The Human Resources System for salaried nonfaculty "Participating Covered Employees," as posted on the University's website, <http://www.policies.vt.edu/>, and Human Resources' website, <http://www.hr.vt.edu/>, as periodically amended; and*
- 4. The Human Resources System for wage employees as set forth in the current Virginia Tech policies, procedures, and guidelines, as posted on the University's website,*

*http://www.policies.vt.edu/, and Human Resources' website, http://www.hr.vt.edu/, as periodically amended, and for graduate students employed on assistantships as set forth in the Virginia Tech Graduate School policies, as posted on the Graduate School website, http://www.grads.vt.edu/, as periodically amended.*

*All the systems described above, except the system described in paragraph 2, may be amended by the President, acting through the Executive Vice President and Chief Operating Officer, consistent with these human resources policies. The system described in paragraph 2 may be amended only by the State.*

*B. Training in and Compliance with Applicable Provisions of Law and Board of Visitors' Human Resources Policies.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall take all necessary and reasonable steps to assure (i) that the University officials who develop, implement and administer the University Human Resources Systems authorized by Governing Law and these human resources policies are knowledgeable regarding the requirements of the Governing Law, other applicable provisions of law, these University human resources policies, and other applicable Board of Visitors' human resources policies affecting University employees, and (ii) that compliance with such laws and human resources policies is achieved.*

#### *VI. HUMAN RESOURCES POLICIES.*

*The Human Resources Systems adopted by the University pursuant to Governing Law and this Policy, as set forth in Section V above shall embody the following human resources policies and principles:*

*A. Election by Salaried Nonfaculty University Employees.*

*Upon the adoption by the University of a University Human Resources System, all salaried nonfaculty University employees who were in the employment of the University as of the day prior to the Effective Date of its initial Management Agreement with the Commonwealth, shall be given written notice of their right to elect to participate in and be governed by either (i) the State human resources program set forth in Chapters 28 (§ [2.2-2800](#) et seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia and administered by the Department of Human Resource Management, or (ii) the University Human Resources System. A salaried nonfaculty University employee who elects to continue to be governed by the State human resources program described above shall continue to be governed by all State human resources and benefit plans, programs, policies and procedures that apply to and govern State employees. A salaried nonfaculty University employee who elects in writing to participate in and be governed by the University Human Resources System, also, by that election, shall be deemed to have*

*elected to be eligible to participate in and to be governed by the human resources, authorized alternative insurance, and severance plans, programs, policies and procedures that are or may be adopted by the University as part of that University Human Resources System.*

*Each such salaried nonfaculty University employee, shall be given at least 90 days to make the election required by the prior paragraph. Such 90 day period shall begin to run on the date on which the University Human Resources System becomes effective for that University employee's classification of employees. If such a salaried nonfaculty University employee does not make an election by the end of that specified election period, that University employee shall be deemed not to have elected to participate in the University Human Resources System. If such a salaried nonfaculty University employee elects to participate in the University Human Resources System, that election shall be irrevocable. At least every two years, the University shall offer to salaried nonfaculty University employees who have elected to continue to participate in the state human resources program set forth in Chapters 28 (§ 22.-2800 et seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, an opportunity to elect to participate in the University Human Resources System; provided that, each time prior to offering such opportunity to such salaried nonfaculty University employees, and at least once every two years after the effective date of the University Human Resources System, the University shall make available to each of its salaried nonfaculty University employees a comparison of its human resources program for that classification of salaried nonfaculty University employee with the State human resources program for comparable State employees, including but not limited to a comparability assessment of compensation and benefits. A copy of the human resources program comparison shall be provided to the Department of Human Resource Management.*

*B. Classification and Compensation.*

*1. General. The Systems shall include classification and compensation plans that are fair and reasonable, and are based on the availability of University financial resources. The plans adopted by the University for its faculty and other Participating Covered Employees shall be independent of, and need not be based on, the classification and compensation plans of the Commonwealth, do not require the approval of any State agency or officer, and shall be subject to the review and approval by the Board of Visitors as set forth in paragraph 3 below. The University shall provide information on its classification and compensation plans to all University employees. The plans applicable to Participating Covered Employees may or may not include changes in classification or compensation announced by the Commonwealth depending on such factors as the*

*availability of necessary financial resources to fund any such changes, and subject to the review and approval by the Board of Visitors of any major changes in the University's compensation plans.*

*2. Classification Plan. The Systems shall include one or more classification plans for University employees that classify positions according to job responsibilities and qualifications. On the Effective Date of the University's initial Management Agreement with the Commonwealth, and until changed by the University, the classification plans shall be the same plans that are in effect for each group of employees immediately prior to that Effective Date.*

*3. Compensation Plan. The Systems shall include one or more compensation plans for each University employee classification or group. On the Effective Date of the University's initial Management Agreement with the Commonwealth, and until changed by the Department of Human Resource Management, the compensation plan for Classified Employees shall be the compensation plan in effect immediately prior to that Effective Date, known as the Commonwealth's Classified Compensation Plan. On that Effective Date, and until changed by the University, the compensation plan or plans for all Participating Covered Employees shall be the compensation plan or plans in effect immediately prior to that Effective Date. The University may adopt one or more compensation plans for Participating Covered Employees that are non-graded plan(s) based on internal and external market data and other relevant factors to be determined annually. Any major change in compensation plans for Participating Covered Employees shall be reviewed and approved by the Board of Visitors before that change becomes effective. Any change recommended in the compensation plans may take into account the prevailing rates in the labor market for the jobs in question, or for similar positions, the relative value of jobs, the competency and skills of the individual employee, internal equity, and the availability of necessary financial resources to fund the proposed change. The compensation payable to University employees shall be authorized and approved only by designated University officers delegated such authority by the University, and shall be consistent with the approved compensation plan for the relevant position or classification. Further approval by any other State Agency, governmental body or officer is not required for setting, adjusting or approving the compensation payable to individual Participating Covered Employees.*

*4. Wages. The Systems shall include policies and procedures for the authorization, computation and payment of wages, where appropriate, for such premium pays as overtime, shift differential, on call, and call back, and for the payment of hourly employees.*

5. *Payment of Compensation.* The Systems shall include policies and procedures for paying compensation to employees, including the establishment of one or more payday schedules.

6. *Work Schedule and Workweek.* The Systems shall include policies and procedures for the establishment of, and modifications to, work schedules and workweeks for all University employees, including alternative work schedules and sites, and tele-commuting policies and procedures.

7. *Other Classification and Compensation Policies and Procedures.* The Systems may include any other reasonable classification and compensation policies and procedures the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate.

*C. Benefits.*

The Systems shall provide fringe benefits to all benefits eligible employees, including retirement benefits, health care insurance, life, disability, and accidental death and dismemberment insurance. The benefits provided shall include a basic plan of benefits for each benefits eligible employee, and may include an optional benefits plan for benefits eligible employees, including additional insurance coverage, long-term care, tax deferred annuities, flexible reimbursement accounts, employee assistance programs, employee intramural and recreational passes, and other wellness programs. As provided in subsections B and C of § [23-38.119](#) of the Act, the University may require Participating Covered Employees to pay all or a portion of the cost of group life, disability and accidental death and dismemberment insurance, which may be collected through a payroll deduction program. Participating Covered Employees shall not be required to present evidence of insurability for basic group life insurance coverage. The Board of Visitors may elect to provide benefits through Virginia Retirement System group insurance programs under the terms of and to the extent allowed by subsections B and D of § [23-38.119](#) of the Act or any other provision of law.

Notwithstanding the above, pursuant to subsection A of § [23-38.114](#) of the Act, and unless and until that section is amended, the state retirement system, state health insurance program, and state workers' compensation coverage program as they may be amended from time to time, shall continue to apply to and govern all eligible University employees. If, however, the University has been or is permitted by law other than the Act to establish an alternative health insurance plan or an alternative faculty retirement plan or plans, such alternative health insurance or faculty retirement plan or plans shall apply to and govern the University employees included in such plan or plans.

*The Systems may provide different benefits plans for reasonably different groups or classifications of employees, and may provide benefits to part-time employees. On the Effective Date of the University's initial Management Agreement with the Commonwealth, and until changed by the appropriate governing authority, the benefits plans provided by the University to Classified Employees and Participating Covered Employees shall be the benefits plans provided to that group or classification as of the date immediately prior to that Effective Date. On or after that Effective Date, alternative University group life, accidental death and dismemberment, and short- and long-term disability plans may be provided to eligible Participating Covered Employees, or at the election of the Board of Visitors and subject to the execution of participation agreements as provided in subsections B and C of § [23-38.119](#) of the Act, they may be provided by the appropriate State programs, but no contributions to the State programs by the University shall be required for Participating Covered Employees who do not participate in the programs. Subject to the provisions of the Act, any new plans, programs and material changes permitted under current law in University employee benefit plans, other than Classified Employee benefits plans, shall be approved by the Board of Visitors, including the authority to increase the Cash Match Contribution rate up to the limit permitted by the Code of Virginia based on available resources, and the authority to implement cafeteria-style benefits for University employees other than Classified Employees. Insurance and all proceeds therefrom provided pursuant to § [23-38.119](#) of the Act shall be exempt from legal process and may be subject to assignment as provided in subsection A of § [23-38.119](#) of the Act.*

*D. Employee Relations.*

- 1. General. The Systems shall contain provisions that protect the rights and privileges of University employees consistent with sound management principles and fair employment practice law.*
- 2. Employee Safety and Health. The Systems shall contain provisions that promote workplace safety compliance with applicable law and regulations.*
- 3. Employee Work Environment. The Systems shall promote a work environment that is conducive to the performance of job duties, and free from intimidation or coercion in violation of State or federal law, including sexual harassment or other discrimination.*
- 4. Employee Recognition. The Systems may provide for the use of leave awards and bonuses specific to policies and procedures for awarding, honoring, or otherwise recognizing University employees, including but not limited to those who have performed particularly meritorious service for the University, have been employed by the University for specified periods of time, or have retired from the University after lengthy service.*

5. *Counseling Services.* The Systems shall provide counseling services through the State's Employee Assistance Program or a University Employee Assistance Program to any eligible University employee experiencing job-related difficulties and seeking counseling for those difficulties, and shall establish the circumstances under which the time necessary to participate in such counseling may be granted.

6. *Unemployment Compensation.* The Systems shall ensure that University employees receive the full unemployment compensation benefits to which they are legally entitled, and that the University's liability is limited to legitimate claims for such benefits.

7. *Workers' Compensation.* The Systems shall ensure that University employees have workers' compensation benefits to which they are legally entitled pursuant to the State Employees' Workers Compensation Program administered by the Department of Human Resource Management.

8. *Performance Planning and Evaluation.* The Systems shall include one or more performance planning and evaluation processes for University employees that (i) establish and communicate the University's performance expectations, (ii) help develop productive working relationships, (iii) allow employees to present their views concerning their performance, (iv) identify areas for training or professional development, (v) establish the process by which evaluations shall be conducted, (vi) clarify how superlative or inadequate performance shall be addressed, and (vii) ensure that all University employees are provided relevant information on the evaluation process. The Systems may include separate performance and evaluation processes for reasonably distinguishable groups of University employees. On the Effective Date of the University's initial Management Agreement with the Commonwealth, the existing merit-based performance management system for faculty shall continue, until amended by the University. On or after that Effective Date, nonfaculty salaried Participating Covered Employees may be subject to a variable merit-based performance management system.

9. *Standards of Conduct and Performance.* In order to protect the well-being and rights of all employees and to ensure safe, efficient University operations and compliance with the law, the Systems shall establish rules of personal conduct and standards of acceptable work performance for University salaried nonfaculty employees and policies for corrective discipline. In general, the policies for corrective discipline shall serve to (i) establish a uniform and objective process for correcting or disciplining unacceptable conduct or work performance, (ii) distinguish between less serious and more serious actions of misconduct and provide corrective action accordingly, and (iii) limit corrective action to employee conduct occurring only when employees are at work or are otherwise representing the University in an official or work-related capacity, unless otherwise

*specifically provided by the policies of the Systems or other applicable law. The Systems may provide for a probationary period for new and re-employed University salaried nonfaculty employees, during which period the policies for corrective discipline shall not be applicable and the employee may not use the grievance procedure set forth in the next paragraph. The Systems may include separate rules of personal conduct and standards of acceptable work performance and policies for corrective discipline for reasonably distinguishable groups of University employees.*

*10. Grievance Procedure. As provided in the Governing Law, employees shall be encouraged to resolve employment-related problems and complaints informally, and shall be permitted to discuss their concerns freely and without fear of retaliation with immediate supervisors and management. In the event that such problems cannot be resolved informally, all salaried nonfaculty University employees, regardless of their date of hire, shall have access, as provided in subsection A of § [23-38.114](#) and in § [23-38.117](#) of the Act, to the State Grievance Procedure, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2 of the Code of Virginia, to the extent it was applicable to their classification of employees prior to the Effective Date of the University's initial Management Agreement with the Commonwealth. On that Effective Date, and until changed by the University, the faculty grievance procedures in effect immediately prior to the Effective Date shall continue.*

*11. Discrimination Complaints. If a Classified Employee believes discrimination has occurred, the Classified Employee may file a complaint with the Department of Human Resource Management, Office of Equal Employment Services, with the appropriate University office, or with the appropriate federal agencies. All Participating Covered Employees and applicants for employment after the Effective Date of the University's initial Management Agreement with the Commonwealth shall file a complaint with the appropriate University office or with the appropriate federal agencies.*

*12. Layoff Policy. The Systems shall include one or more layoff policies for salaried University employees who lose their jobs for reasons other than their job performance or conduct, such as a reduction in force or reorganization at the University. These University layoff policies shall govern such issues as (i) whether there is a need to effect a layoff, (ii) actions to be taken prior to a layoff, (iii) notice to employees affected by a layoff, (iv) placement options within the University or its respective major divisions and within other parts of the University, (v) the preferential employment rights, if any, of various University employees, (vi) the effect of layoff on leave and service, and (vii) the policy for recalling employees. In accordance with the terms of the Act, University employees who: (i) were employed prior to the Effective Date of the University's initial Management Agreement with the Commonwealth, (ii) would otherwise be eligible for*

*severance benefits under the Workforce Transition Act, (iii) were covered by the Virginia Personnel Act prior to that Effective Date, and (iv) are separated because of a reduction in force shall have the same preferential hiring rights with State agencies and other executive branch institutions as Classified Employees have under § [2.2-3201](#) of the Code of Virginia.*

*Conversely, the University shall recognize the hiring preference conferred by § [2.2-3201](#) of the Code of Virginia, on State employees who were hired by a State agency or executive branch institution before the Effective Date of the University's initial Management Agreement with the Commonwealth and who were separated after that date by that State agency or executive branch institution because of a reduction in workforce. If the University has adopted a classification system pursuant to § [23-38.116](#) of the Act that differs from the classification system administered by the Department of Human Resource Management, the University shall classify the separated employee according to its classification system and shall place the separated employee appropriately. The University may include separate policies for reasonably distinguishable groups of University employees. On or after the Effective Date of the University's initial Management Agreement with the Commonwealth, all employees from other State agencies and executive branch institutions who are placed by the University under the provisions of the State Layoff Policy shall be Participating Covered Employees.*

*13. Severance Benefits. In accordance with the terms of the Act, the University shall adopt severance policies for salaried Participating Covered Employees who are involuntarily separated for reasons unrelated to performance or conduct. The terms and conditions of such policies shall be determined by the Board of Visitors. Classified Employees who otherwise would be eligible and were employed prior to the Effective Date of the University's initial Management Agreement with the Commonwealth shall be covered by the Workforce Transition Act, Chapter 32 (§ [2.2-3200](#) et seq.) of Title 2.2 of the Code of Virginia. The University and the Board of the Virginia Retirement System may negotiate a formula according to which cash severance benefits may be converted to years of age or creditable service for Participating Covered Employees who participate in the Virginia Retirement System. An employee becoming, on such Effective Date, a Covered Employee shall not constitute a severance or reduction in force to which severance or Workforce Transition Act policies would apply.*

*14. Use of Alcohol and Other Drugs. The Systems shall include policies and procedures that (i) establish and maintain a work environment at the University that is free from the adverse effect of alcohol and other drugs, (ii) are consistent with the federal Drug-Free Workplace Act of 1988 and with the Virginia Polytechnic Institute and State University*

*Alcohol and Other Drugs Policy, (iii) describe the range of authorized disciplinary action, including termination where appropriate, for violations of such policies and procedures, and the process to be followed in taking such disciplinary action, (iv) provide University employees access to assistance and treatment for problems involving alcohol and other drugs, (v) provide for the circumstances under which employees are required to report certain violations of the policies and procedures to their supervisor, and the University is required to report those violations to a federal contracting or granting agency, (vi) describe the circumstances under which personnel records of actions taken under the University's alcohol and other drugs policy shall not be kept confidential, and (vii) provide notice to University employees of the scope and content of the University alcohol and other drugs policy. As part of this alcohol and other drugs policy, and in compliance with the federal Omnibus Transportation Employee Testing Act of 1991, the Systems may provide for pre-employment, reasonable suspicion, random, post-accident, return-to-duty and follow-up alcohol and other drug testing for University positions that are particularly safety sensitive, such as those requiring a Commercial Driver's License or the provision of patient care.*

*15. Background Checks. The Systems shall include a process for conducting background checks, which may include but is not limited to reference checks, educational/professional credentialing checks, and conviction and driver's records checks on applicants for full-time or part-time positions at the University, and for addressing situations where employees do not disclose a conviction on their application or otherwise falsify their application with regard to information concerning their education/professional credential and/or prior convictions.*

*16. Other Employee Relations Policies and Procedures. The Systems shall include any other reasonable employee relations policies or procedures that the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate, which may include, but are not limited to, policies or procedures relating to orientation programs for new or re-employed University employees, an employee suggestion program, the responsibility of University employees for property placed in their charge, work breaks, inclement weather and emergencies, and employment outside the University.*

*E. Leave and Release Time.*

*The Systems shall include policies and procedures regarding leave for eligible employees. The Systems shall provide reasonable paid leave for purposes such as holidays, vacation, or other personal uses. The Systems may provide for release time for such matters as the donation of blood, participation in an employee assistance program and other appropriate employment-related matters. On or after the Effective Date of its initial*

*Management Agreement with the Commonwealth, and until a new program is adopted by the appropriate authority, the University shall continue to provide leave and release time to Participating Covered Employees in accordance with the leave and release time policies and procedures applicable to each classification of employees prior to that Effective Date. On or after that Effective Date, the University may provide an alternative leave and release time system for salaried nonfaculty Participating Covered Employees.*

*F. Equal Employment Opportunity, Nondiscrimination, Employment, and Separation.*

*1. Equal Employment Opportunity and Nondiscrimination. The Systems shall contain policies and procedures to ensure that all aspects of human resources management, including the employment of University employees, meet all requirements of federal and state law, and of the relevant policies of the Board of Visitors, with regard to equal employment opportunity and nondiscrimination.*

*2. Employment. The Systems shall include policies and procedures for the recruitment, selection and hiring of University employees that are based on merit and fitness, including where appropriate a requirement for job posting, interviews, pre-employment testing, pre-employment drug testing, reference checks and conviction record checks. On and after the Effective Date of its initial Management Agreement with the Commonwealth, the University shall post all salaried nonfaculty position vacancies through the University's job posting system, the Commonwealth's job posting system, and other external media as appropriate. The Systems shall establish designated veterans' re-employment rights in accordance with applicable law. In order to encourage employees to attain the highest level positions for which they are qualified, and to compensate employees for accepting positions of increased value and responsibility, the Systems shall include policies and procedures governing the promotion of employees, including the effect of promotion on an employee's compensation.*

*On or after the Effective Date of the University's initial Management Agreement with the Commonwealth, all employees hired from other state agencies shall be Participating Covered Employees. University Classified Employees who change jobs within the University through a competitive employment process - i.e., promotion or transfer - shall have the choice of remaining a Classified Employee or becoming a Participating Covered Employee. If a Classified Employee elects to become a Participating Covered Employee, that decision shall be irrevocable.*

*3. Notice of Separation. The Systems shall include policies and procedures requiring reasonable notice, where appropriate, of a decision either by the employee or by the University to separate the employee from the University in accordance with policies governing performance, conduct, or layoff.*

*G. Information Systems.*

*The University shall provide an electronic file transfer of information on all salaried University employees and shall continue to provide the Employee Position Reports to meet the human resources reporting requirements specified by law or by request of the Governor or the General Assembly, unless the University is specifically exempted from those requirements. The University shall conduct assessments to demonstrate its accountability for human resources practices that comply with laws and regulations. The Department of Human Resource Management and the University have entered into a Memorandum of Understanding, attached hereto as Attachment 3, which may be amended from time to time by agreement of the parties, regarding the specific data and reporting requirements. The University shall be accountable for ensuring the timeliness and integrity of the data transmitted to the Department of Human Resources Management.*

*VII. CONTINUED APPLICABILITY OF OTHER PROVISIONS OF THE CODE OF VIRGINIA AND OTHER BOARD OF VISITORS' POLICIES AFFECTING UNIVERSITY PERSONNEL.*

*On and after the Effective Date of its initial Management Agreement with the Commonwealth, University employees shall be subject to the terms and conditions of the Act and the Management Agreement between the Commonwealth and the University. Classified Employees shall continue to be subject to the human resources policies and exceptions to those policies adopted or approved by the Department of Human Resource Management.*

*In addition, all University employees also shall remain subject to any other human resources policies adopted by the Board of Visitors applicable to University personnel unless University employees or a subset thereof are specifically exempted from those other human resources policies either by those other policies or by this Policy.*

*ATTACHMENT 3*

*Memorandum of Understanding*

*Between Virginia Polytechnic Institute and State University and the  
Department of Human Resources Management Regarding  
The Reporting of Human Resources Management Data*

*This Memorandum of Understanding, which may be amended from time to time by the agreement of all parties, is an attachment to the Policy Governing Human Resources for Participating Covered Employees and Other University Employees pursuant to the Restructured Higher Education Financial and Administrative Operations Act of 2005, and is hereby entered into between Virginia Polytechnic Institute and State University and the Department of Human Resource Management (DHRM).*

*I. This document outlines the provisions for information management pertaining to human resources data, consistent with the objectives to enable DHRM to meet the Commonwealth's reporting requirements, to ensure compliance with relevant federal and state laws and regulations, and to do so through efficient and cost-effective methods.*

*1. In lieu of data entry into the state's Personnel Management Information System (PMIS), data will be transmitted through an electronic file transfer to update DHRM's warehouse.*

*a. The University will provide a flat file of designated personnel data. For "Classified Employees," the data provided will match DHRM's data values for the designated fields. For salaried "Participating Covered Employees," the data provided will include the University's data values for the designated fields. The University will provide a data dictionary to DHRM. The file of designated data will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.*

*b. The University will provide a second flat file of salaried personnel actions for "Classified Employees" and salaried "Participating Covered Employees," such as promotions, separations, and salary adjustments. The file of relevant personnel actions and designated data to be provided for each action will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.*

*2. DHRM will accept the federal Affirmative Action Plan (AAP), including the adverse impact analyses of employment and compensation actions that are part of the AAP, as demonstration of the University's compliance with relevant federal and state employment laws and regulations.*

*3. The University may key data into the Benefits Enrollment System or provide a batch file, or employees may use Employee Direct (employee self-service).*

*4. Other reports to be provided by the University include the following:*

*a. Monthly Employee Position Report.*

*b. Annual report on salaried, wage, and contract employees.*

*The undersigned hereby agree to the provisions contained in the MOU.*

*MANAGEMENT AGREEMENT*

*BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*VIRGINIA POLYTECHNIC INSTITUTE*

*AND STATE UNIVERSITY*

*PURSUANT TO*

*THE RESTRUCTURED HIGHER EDUCATION*

*FINANCIAL AND ADMINISTRATIVE OPERATIONS*

*ACT OF 2005*

*POLICY GOVERNING*

*FINANCIAL OPERATIONS AND MANAGEMENT*

*THE BOARD OF VISITORS OF VIRGINIA POLYTECHNIC INSTITUTE*

*AND STATE UNIVERSITY*

*POLICY GOVERNING FINANCIAL OPERATIONS AND MANAGEMENT*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, establishes by law a process for granting additional authority to institutions of higher education for financial operations and management, subject to the adoption of policies by their governing boards and the approval of management agreements to be negotiated with the Commonwealth. The following provisions of this Policy constitute the adopted Board of Visitors policies regarding Virginia Polytechnic Institute and State University's financial operations and management.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy.*

*II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*"Board of Visitors" or "Board" means the Board of Visitors of Virginia Polytechnic Institute and State University.*

*"Covered Institution" means, on or after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*"Enabling Legislation" means those chapters, other than Chapter 4.10, of title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the University.*

*"Effective Date" means the effective date of the initial Management Agreement between the University and the Commonwealth.*

*"Management Agreement" means the agreement required by subsection D of § [23-38.88](#) of the Act between the University and the Commonwealth of Virginia.*

*"State Tax Supported Debt" means bonds, notes or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 20,*

*2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

*“University” means Virginia Polytechnic Institute and State University, consisting of the University Division (State Agency 208) and Virginia Cooperative Extension and the Agriculture Experiment Station Division (State Agency 229).*

### *III. SCOPE OF POLICY.*

*This Policy applies to the University’s responsibility for management, investment and stewardship of all its financial resources, including but not limited to, general, non-general and private funds. This responsibility includes maintaining an independent uniform system of accounting, financial reporting, and internal controls adequate to protect and account for the University’s financial resources.*

*Virginia Cooperative Extension and the Agriculture Experiment Station Division shall receive the benefits of this Policy as it is implemented by the University on behalf of Virginia Cooperative Extension and the Agriculture Experiment Station Division, but Virginia Cooperative Extension and the Agriculture Experiment Station Division shall not receive any additional independent financial operations and management authority as a result of this Management Agreement beyond the independent financial operations and management authority that it had prior to the Effective Date of the University’s initial Management Agreement with the Commonwealth or that it may be granted by law in the future.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University’s usual delegation policies and procedures.*

### *V. FINANCIAL MANAGEMENT AND REPORTING SYSTEM.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized by the Board to maintain existing and implement new policies governing the management of University financial resources. These policies shall continue to (i) ensure compliance with Generally Accepted Accounting Principles, (ii) ensure consistency with the current accounting principles employed by the*

*Commonwealth, including the use of fund accounting principles, with regard to the establishment of the underlying accounting records of the University and the allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific types of fund sources, (iii) provide adequate risk management and internal controls to protect and safeguard all financial resources, including moneys transferred to the University pursuant to a general fund appropriation, and ensure compliance with the requirements of the Appropriation Act.*

*The financial management system shall continue to include a financial reporting system to satisfy both the requirements for inclusion into the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's Directives, and the University's separately audited financial statements. To ensure observance of limitations and restrictions placed on the use of the resources available to the University, the accounting and bookkeeping system of the University shall continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards Board.*

*In addition, the financial management system shall continue to provide financial reporting for the President, acting through the Executive Vice President and Chief Operating Officer, and the Board of Visitors to enable them to provide adequate oversight of the financial operations of the University. Upon the Effective Date of the initial Management Agreement between the University and the Commonwealth, except for the recordation of daily revenue deposits of State funds as specified in Section VII below, the University shall not be required to record its financial transactions in the Commonwealth's Accounting and Reporting System (CARS), including the current monthly interfacing with CARS, or to record its financial transactions in any subsequent Commonwealth financial systems that replace CARS or are in addition to CARS, but shall have its own financial reporting system. The University's financial reporting system shall provide (i) summary monthly reports for State agencies including, but not limited to, the Department of Accounts, the Department of Planning and Budget, the Joint Legislative Audit and Review Commission, the Auditor of Public Accounts, and the State Council of Higher Education for Virginia, and for the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations at a sufficient level of detail, on such schedule, and using such format that is compatible with the Commonwealth's accounting system, as may be requested by the requesting State agency, and (ii) such other special reports as may be requested from time to time.*

*VI. FINANCIAL MANAGEMENT POLICIES.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall create and implement any and all financial management policies necessary to establish a financial management system with adequate risk management and internal control processes and procedures for the effective protection and management of all University financial resources. Such policies will not address the underlying accounting principles and policies employed by the Commonwealth and the University, but rather will focus on the internal operations of the University's financial management. These policies shall include, but need not be limited to, the development of a tailored set of finance and accounting practices that seek to support the University's specific business and administrative operating environment in order to improve the efficiency and effectiveness of its business and administrative functions. In general, the system of independent financial management policies shall be guided by the general principles contained in the Commonwealth's Accounting Policies and Procedures such as establishing strong risk management and internal accounting controls to ensure University financial resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of University programs.*

*Upon the Effective Date of its initial Management Agreement with the Commonwealth, the University shall continue to follow the Commonwealth's accounting policies until such time as specific alternate policies can be developed, approved and implemented. Such alternate policies shall include applicable accountability measures and shall be submitted to the State Comptroller for review and comment before they are implemented by the University.*

*VII. FINANCIAL RESOURCE RETENTION AND MANAGEMENT.*

*Under § [23-38.104](#)(A)(i) of the Act, subject to applicable accountability measures and audits, the University shall have the power and authority to manage all monies received by it. All State general funds to be allocated to the University shall remain subject to the appropriations process.*

*Pursuant to subsection C of § [23-9.6:1.01](#) of the Code of Virginia, the State Council of Higher Education for Virginia (SCHEV) annually shall assess and certify to the Governor and General Assembly the degree to which each public institution of higher education of the Commonwealth has met the financial and administrative management and educational-related performance benchmarks called for by that subsection and approved as part of the Appropriation Act then in effect for the State goals and objectives set forth in subdivisions B 1 through B 11 of § [23-38.88](#) of the Act. Pursuant to § [2.2-5005](#) of the*

*Code of Virginia, beginning with the fiscal year that immediately follows the first full fiscal year for which the financial and administrative management and educational-related performance benchmarks described in § [23-9.6:1.01](#) of the Code of Virginia, are effective, as provided in a general Appropriation Act, and for all fiscal years thereafter, each public institution of higher education of the Commonwealth that (i) has been certified during the fiscal year by SCHEV as having met such institutional performance benchmarks and (ii) meets the conditions prescribed in subsection B of § [23-38.88](#) of the Act, shall receive certain financial incentives, including the interest on the tuition and fees and other non-general fund Educational and General Revenues deposited into the State Treasury by the public institution of higher education.*

*Consistent with the prior paragraph, beginning with the fiscal year following the first fiscal year for which it has received such certification from SCHEV, the University is authorized to hold and invest tuition, Educational and General (E&G) fees, research and sponsored program funds, auxiliary enterprise funds, and all other non-general fund revenues subject to the following requirements:*

- i) The University shall deposit such funds in the State Treasury pursuant to the State process in place at the time of such deposit;*
- ii) Such non-general funds deposited in the State Treasury shall be disbursed as provided in Section IX below;*
- iii) The University shall remit to the State Comptroller quarterly and the State Comptroller shall hold in escrow all interest earned on the University's tuition and fees and other non-general fund Educational and General Revenues. Upon receipt of the required State Council of Higher Education for Virginia certification that the University has met such institutional performance benchmarks and the conditions prescribed in subsection B of § [23-38.88](#) of the Act, the Governor shall include in the next budget bill a non-general fund appropriation, payable no later than July 1 of the immediately following fiscal year, equivalent to the amount deposited in the escrow account as the financial incentive provided in subdivision 1 of § [2.2-5005](#), after which time the University may expend the funds for purposes related to its mission. If public institutions of higher education of the Commonwealth are permitted, or the University in particular is permitted, by the Appropriation Act or other law to retain or be paid the interest the Commonwealth would have earned on sponsored programs and research funds, then this paragraph shall not apply to such interest on such funds, and such interest shall not be held in escrow.*
- iv) If in any given year the University does not receive the certification from the State Council of Higher Education for Virginia that it has met for that year the institutional benchmarks called for by subsection C of § [23-9.6:1.01](#) and approved in the then-current*

*Appropriation Act, the Comptroller shall transfer to the general fund the balance in the escrow account as of June 30 of that year.*

*v) Beginning on the effective date of its initial Management Agreement with the University until the beginning of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the University shall continue to deposit tuition and all other non-general funds with the State Treasurer by the same process that it would have been required to use if it had not entered into a Management Agreement with the Commonwealth.*

*vi) On the first business day of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the University may draw down all cash balances held by the State Treasurer on behalf of the University related to tuition, E&G fees, research and sponsored programs, auxiliary enterprises, and all other non-general fund revenues.*

*vii) The Commonwealth shall retain all funds related to general fund appropriations, but shall pay these funds to the University as specified in Section IX below.*

*The University also shall have sum sufficient appropriation authority for all non-general funds as approved by the Governor and the General Assembly in the Commonwealth's biennial appropriations process, and shall report to the Department of Planning and Budget (i) its estimate of the non-general fund revenues for the sum sufficient appropriation to be included in the biennial Budget Bill for each of the two years in the next biennium by November 1 of each odd numbered year and the estimate to be included in the Budget Bill for the first and second year of the then-current biennium by November 1 of each even numbered year, and (ii) report its actual non-general fund revenues for each fiscal year to the Department of Planning and Budget by July 31 of the subsequent fiscal year.*

*The Board of Visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate commitment provided to need-based grant aid for middle- and lower-income undergraduate Virginians. Except as provided otherwise in the Appropriation Act then in effect, it is the intent of the Commonwealth and the University that the University shall be exempt from the revenue restrictions in the general provisions of the Appropriation Act related to non-general funds. In addition, unless prohibited by the Appropriation Act then in effect, it is the intent of the Commonwealth and the University that the University shall be entitled to retain non-general fund savings generated from changes in Commonwealth rates and charges, including but not limited to health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates, rather than reverting such savings back to the*

*Commonwealth. This financial resource policy assists the University by providing the framework for retaining and managing non-general funds, for the receipt of general funds, and for the use and stewardship of all these funds.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to provide oversight of the University's cash management system which is the framework for the retention of non-general funds. The Internal Audit Department of the University shall periodically audit the University's cash management system in accordance with appropriate risk assessment models and make reports to the Audit and Compliance Committee of the Board of Visitors. Additional oversight shall continue to be provided through the annual audit and assessment of internal controls performed by the Auditor of Public Accounts. For the receipt of general and non-general funds, the University shall conform to the Security for Public Deposits Act, Chapter 44 (§ [2.2-4400](#) et seq.) of Title 2.2 of the Code of Virginia as it currently exists and from time to time may be amended.*

#### **VIII. ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.**

*The President, through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all Accounts Receivable Management and Collection policies as part of a system for the management of University financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act, Chapter 48 (§ [2.2-4800](#) et seq.) of the Code of Virginia, such that the University shall take all appropriate and cost effective actions to aggressively collect accounts receivable in a timely manner.*

*These shall include, but not be limited to, establishing the criteria for granting credit to University customers; establishing the nature and timing of collection procedures within the above general principles; and the independent authority to select and contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and all collection activities for all University accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the University shall continue to utilize the Commonwealth's Debt Set-Off Collection Programs, shall develop procedures acceptable to the Tax Commissioner and the State Comptroller to implement such Programs, and shall provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt Collection Act.*

#### **IX. DISBURSEMENT MANAGEMENT.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all disbursement policies as part of a system for the management of University financial resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from whatever source derived, in the execution of the University's operations. These policies also shall continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or services relative to the University's mission, including travel-related disbursements. Further, the University's disbursement policy shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and electronic payments. Since the University no longer will interface to the CARS system or any replacement for the CARS system for disbursements, the University shall establish its own mechanisms for electronic payments to vendors through Electronic Data Interchange (EDI) or similar process and payments to the Commonwealth's Debt Set-Off Collection Programs.*

*Beginning with the fiscal year after the first fiscal year for which it first receives the required certification from SCHEV, the University may draw down its general fund appropriations (subject to available cash) and tuition and E&G fees and other non-general fund revenues from the State Treasury. Such funds shall be available to the University for disbursement as provided in the then-current rules of the Automated Clearing House (ACH) Network. The draw down of funds may be initiated in accordance with the following schedule:*

- i) The University may draw down one-twenty-fourth (1/24) of its annual general fund appropriation for Educational and General programs on the first and fifteenth days of each month, and up to 50% of its annual general fund appropriation for Student Financial Assistance on or after September 1 of each year with the remaining 50% to be drawn on or after February 1 of each year in order to meet student obligations;*
- ii) The University may draw down the sum of all tuition and E&G fees and all other non-general revenues deposited to the State Treasury each day on the same business day they were deposited; and*
- iii) The University anticipates that expenditures could exceed available revenues from time to time during the year if the above disbursement schedule is used. When the University projects a cash deficit is likely in activities supported by general fund appropriations, the University may make a request to the State Comptroller for an early draw on its appropriated general funds deposited in the State Treasury, in a form and within a timeframe agreeable to the parties, in order to cover expenditures.*

*These disbursement policies shall authorize the President, acting through the Executive Vice President and Chief Operating Officer, to independently select, engage, and contract for such consultants, accountants, and financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The policies also shall continue to include the ability to locally manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those programs, provided that the University shall submit the credit card and cost recovery aspects of its financial and operations policies to the State Comptroller for review and comment prior to implementing those aspects of those policies. The disbursement policies shall ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll disbursements. The University shall continue to provide summary quarterly prompt payment reports to the Department of Accounts in accordance with the reporting procedures established pursuant to the Prompt Payment Act.*

*The University's disbursement policies shall be guided by the principles of the Commonwealth's policies as included in the Commonwealth's Accounting Policy and Procedures Manual. Upon the Effective Date of its initial Management Agreement with the Commonwealth, the University shall continue to follow the Commonwealth's disbursement policies until such time as specific alternative policies can be developed, approved and implemented. Such alternate policies shall be submitted to the State Comptroller for review and comment prior to their implementation by the University.*

#### **X. DEBT MANAGEMENT.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all debt management policies as part of a system for the management of University financial resources.*

*Pursuant to § [23-38.108](#)(B) of the Act, the University shall have the authority to issue bonds, notes, or other obligations that do not constitute State Tax Supported Debt, as determined by the Treasury Board, and that are consistent with debt capacity and management policies and guidelines established by its Board of Visitors, without obtaining the consent of any legislative body, elected official, commission, board, bureau, or agency of the Commonwealth or of any political subdivision, and without any proceedings or conditions other than those specifically required by Subchapter 3 of the Act; provided that, the University shall notify the Treasurer of Virginia of its intention to issue bonds pursuant to this Policy at the time it adopts the bond issuance planning schedule*

*for those bonds. Any new or revised debt capacity and management policy shall be submitted to the Treasurer of Virginia for review and comment prior to its adoption by the University.*

*The University recognizes that there are numerous types of financing structures and funding sources available each with specific benefits, risks, and costs. All potential funding sources shall be reviewed by the President, acting through the Executive Vice President and Chief Operating Officer, within the context of the overall portfolio to ensure that any financial product or structure is consistent with the University's objectives. Regardless of the financing structure(s) utilized, the President, acting through the Executive Vice President and Chief Operating Officer, shall obtain sufficient documentation to gain a full understanding of the transaction, including (i) the identification of potential risks and benefits, and (ii) an analysis of the impact on University creditworthiness and debt capacity. All such debt or financial products issued pursuant to the provisions of §§ 23.38-107 and 23.38-108 of the Act shall be authorized by resolution of the Board, providing that they do not constitute State Tax Supported Debt.*

#### *XI. INVESTMENT POLICY.*

*It is the policy of the University to invest its operating and reserve funds solely in the interest of the University and in a manner that will provide the highest investment return with the maximum security while meeting daily cash flow demands and conforming to the Investment of Public Funds Act (§ [2.2-4500](#) et seq. of the Code of Virginia). Investments shall be made with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.*

*Endowment investments shall be invested and managed in accordance with the Uniform Management of Institutional Funds Act, §§ [55-268.1](#) through [55-268.10](#), and § [23-76.1](#) of the Code of Virginia.*

*The Board of Visitors shall periodically review and approve the investment guidelines governing the University's operating and reserve funds.*

#### *XII. INSURANCE AND RISK MANAGEMENT.*

*By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any insurance or risk management program made available to the University through the Commonwealth's Division of Risk Management and in which the University is then participating, to enable the Commonwealth to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such*

*withdrawal. If upon notice of such additional costs to the Commonwealth, the University proceeds to withdraw from the insurance or risk management program, the University shall reimburse the Commonwealth for all such additional costs attributable to such withdrawal as determined by the Commonwealth's actuaries. Such payment shall be made in a manner agreeable to both the University and the Commonwealth.*

2. That the following Chapter 2 shall hereafter be known as the "2006 Management Agreement Between the Commonwealth of Virginia and The College of William and Mary in Virginia:"

CHAPTER 2.

MANAGEMENT AGREEMENT

BY AND BETWEEN

THE COMMONWEALTH OF VIRGINIA

AND

THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA

*This MANAGEMENT AGREEMENT, executed this 15th day of November, 2005, by and between the Commonwealth of Virginia (hereafter, the Commonwealth) and The College of William and Mary in Virginia (hereafter, the College) provides as follows:*

RECITALS

*WHEREAS, the College has satisfied the conditions precedent set forth in subsections A and B of § [23-38.97](#) of the Code of Virginia to become a public institution of higher education of the Commonwealth governed by Subchapter 3 (§ [23-38.91](#) et seq.) of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia (Subchapter 3 and the Act, respectively), as evidenced by:*

- 1. Board of Visitors Approval. The minutes of a meeting of the Board of Visitors of the College held on April 22, 2005, indicate that an absolute two-thirds or more of the members voted to approve the resolution required by subdivision A 1 of § [23-38.97](#) of the Act;*
- 2. Written Application to the Governor. The College has submitted to the Governor a written Application, dated November 2, 2005, with copies to the Chairmen of the House Committee on Appropriations, the House Committee on Education, the Senate Committee on Finance, and the Senate Committee on Education and Health, expressing the sense of its Board of Visitors that the College is qualified to be, and should be, governed*

by Subchapter 3 of the Act, and substantiating that the College has fulfilled the requirements of paragraph 2 of subsection A of § [23-38.97](#) of the Act; and

3. Finding by the Governor. In accordance with subsection B of § [23-38.97](#) of the Act the Governor has found that the College has fulfilled the requirements of subdivision A 2 of § [23-38.97](#), and therefore has authorized Cabinet Secretaries to enter into this Management Agreement on behalf of the Commonwealth with the College; and WHEREAS, the College is therefore authorized to enter into this Management Agreement as provided in subsection D of § [23-38.88](#) and Subchapter 3 of the Act.

AGREEMENT

NOW, THEREFORE, in accordance with the provisions of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in consideration of the foregoing premises, the Commonwealth and the College do now agree as follows:

ARTICLE 1. DEFINITIONS.

As used in this Agreement, the following terms have the following meanings, unless the context requires otherwise:

“Act” means the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.

“Agreement” means “Management Agreement.”

“Board of Visitors” or “Board” means the Rector and Board of Visitors of the College of William and Mary in Virginia and the Virginia Institute of Marine Science.

“College” means the College of William and Mary in Virginia (State Agency 204) and the Virginia Institute of Marine Science (State Agency 268).

“Covered Employee” means any person who is employed by the College on either a salaried or wage basis.

“Covered Institution” means, on and after the effective date of its initial management agreement with the Commonwealth, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by and in accordance with the provisions of subsection D of § [23-38.88](#) and Subchapter 3 of the Act.

“Enabling legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth.

*“Management Agreement” means this agreement between the Commonwealth of Virginia and the College as required by subsection D of § [23-38.88](#) and Subchapter 3 of the Act.*

*“Parties” means the parties to this Management Agreement, the Commonwealth of Virginia and the College.*

*“Public institution of higher education” means those two-year and four-year institutions enumerated in § [23-14](#) of the Code of Virginia.*

## ARTICLE 2. SCOPE OF MANAGEMENT AGREEMENT.

### SECTION 2.1. Enhanced Authority Granted and Accompanying Accountability.

*Subchapter 3 of the Act provides that, upon the execution of, and as of the effective date for, this Management Agreement, the College shall become a Covered Institution entitled to be granted by the Commonwealth and to exercise the powers and authority provided in Subchapter 3 of the Act that are expressly contained in this Management Agreement. In general, subject to its management agreement with the Commonwealth, status as a Covered Institution governed by Subchapter 3 of the Act and this Management Agreement is intended to replace (i) the post-General Assembly authorization prior-approval system of reviews, approvals, policies and procedures carried out and implemented by a variety of central State agencies with (ii) a post-audit system of reviews and accountability under which a Covered Institution is fully responsible and fully accountable for managing itself pursuant to Subchapter 3 of the Act and its management agreement with the Commonwealth.*

*SECTION 2.1.1. Assessments and Accountability. The College and its implementation of the enhanced authority granted by Subchapter 3 of the Act and this Management Agreement, and the Board of Visitors polices attached hereto as Exhibits G through L, shall be subject to the reviews, assessments, and audits (i) set forth in the Act that are to be conducted by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, or (ii) as may be conducted periodically by the Secretaries of Finance, Administration, Education, or Technology, or by some combination of these four Secretaries, or (iii) as otherwise may be required by law other than the Act.*

*SECTION 2.1.2. Express Grant of Powers and Authority. Subject to the specific conditions and limitations contained in Article 4 (Institutional Management), Article 5 (Capital Projects; Procurement; Property Generally), and Article 6 (Human Resources) of Subchapter 3 of the Act, the Commonwealth and the College agree that the Commonwealth has granted to the College by this Management agreement all the powers and authority contained in certain policies adopted by the Board of Visitors of the*

*College attached hereto as Exhibits G through L and governing (1) the undertaking and implementation of capital projects, and other acquisition and disposition of property (Exhibit G), (2) the leasing of property, including capital leases (Exhibit H), (3) information technology (Exhibit I), (4) the procurement of goods, services, including certain professional services, insurance, and construction (Exhibit J), (5) human resources (Exhibit K), and (6) its system of financial management (Exhibit L), including, as provided in subsection B of § [23-38.104](#) of the Act, the sole authority to establish tuition, fees, room, board, and other charges consistent with sum sufficient appropriation authority for non-general funds as provided by the Governor and the General Assembly in the Commonwealth's biennial appropriations authorization. Subject to the specific conditions and limitations contained in Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act, in this Management Agreement, and in one or more of the Board of Visitors policies attached hereto as Exhibits G through L, the Commonwealth and the College agree that the Commonwealth has expressly granted to the College all the powers and authority permitted by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Management Agreement and the policies adopted by it and attached as Exhibits G through L. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate the duties and responsibilities set forth in this Management Agreement to its officers, committees, and subcommittees, and, as set forth in the policies adopted by the Board and attached hereto as Exhibits G through L, to a person or persons within the College.*

*SECTION 2.1.3. Reimbursement by the College of Certain Costs. By July 1 of each odd-numbered year, the College shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any health or other group insurance or risk management program made available to the College through any agency, body corporate, political subdivision, authority, or other entity of the Commonwealth, and in which the College is then participating, to enable the Commonwealth's actuaries to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the College proceeds to withdraw from such health or other group insurance or risk management program, the College shall, pursuant to subdivision D 2 c of § [23-38.88](#), reimburse the Commonwealth for all such*

*additional costs attributable to such withdrawal as determined by the Commonwealth's actuaries.*

*SECTION 2.1.4. Potential Impact on Virginia College Savings Plan. As required by subdivision D 2 c of § [23-38.88](#) of the Act, the College has given consideration to potential future impacts of tuition increases on the Virginia College Savings Plan (§ [23-38.75](#) of the Code of Virginia) and has discussed those potential impacts with the Executive Director and staff of that Plan and with parties in the Administration who participated in the development of this Management Agreement. The Executive Director of the Plan has provided to the College and the Commonwealth the Plan's assumptions underlying the contract pricing of the program.*

*SECTION 2.1.5. Justification for Deviations from the Virginia Public Procurement Act. Pursuant to § [23-38.110](#) of the Act and subject to the provisions of this Management Agreement, the College may be exempt from the provisions of the Virginia Public Procurement Act (VPPA), Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2 of the Code of Virginia. Any procurement policies or rules that deviate from the VPPA must be uniform across all institutions governed by Subchapter 3 of the Act, and the Board of Visitors shall adopt and comply with procurement policies that are based upon competitive principles and seek competition to the maximum practical degree. The Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials and the Rules Governing Procurement of Goods, Services, Insurance, and Construction (the Procurement Rules) attached to that Policy as Attachment 1 constitute the policies and uniform deviations from the VPPA required by subsections A and B of § [23-38.110](#) of the Act.*

*Subsection D of § [23-38.110](#) of the Act requires that the College identify the public, educational, and operational interests served by any procurement rule or rules that deviate from those in the VPPA. The adopted Board of Visitors policy on procurement and the Procurement Rules provide the College with the autonomy to administer its procurement process while fully adhering to the principle that competition should be sought to the maximum extent feasible. This autonomy will better position the College to support the requirements of its growing teaching, research and outreach missions. Greater autonomy in procurement will improve internal capacity to respond quickly to emergent material and service issues and, therefore, enable the College to be more efficient and effective in meeting the Commonwealth's goals for institutions of higher education. In some instances, costs will be reduced. Taken collectively, the College's procurement policies and rules that differ from those required by the VPPA will enhance procurement "best practices" as they currently are being observed within the higher education*

*community nationally. Further, these changes will provide efficiencies to both the College and public sector suppliers.*

*SECTION 2.1.6. Quantification of Cost Savings. Subsection C of § [23-38.104](#) of the Act requires that a Covered Institution include in its management agreement with the Commonwealth the quantification of cost savings realized as a result of the additional operational flexibility provided pursuant to Subchapter 3 of the Act. Since this initial Management Agreement with the Commonwealth has not yet been implemented by the College, the parties agree that the College is not in a position to quantify any such cost savings at this time, although the College expects that there will be cost savings resulting from the additional authority granted to the College pursuant to Subchapter 3 of the Act and that such cost savings will be part of the determinations made during the reviews, assessments, and audits to be conducted pursuant to Subchapter 3 of the Act by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, and as otherwise described in Section 2.1.1 above.*

*SECTION 2.1.7. Participation in State Programs. The Commonwealth intends that the College shall continue to fully participate in, and receive funding support from the many and varied programs established now or in the future by the Commonwealth to provide support for Virginia's public institutions of higher education and for Virginians attending such institutions, including but not limited to: the state capital outlay and bond financing initiatives undertaken from time to time by the Commonwealth; the Higher Education Equipment Trust Fund established pursuant to (§ [23-30.24](#) et seq.) of the Code of Virginia; the Maintenance Reserve Fund as provided in the Appropriation Act; the Eminent Scholars program as provided in the Appropriation Act; the Commonwealth's various student financial assistance programs; and other statewide programs or initiatives that exist, or may be established, in support of the Commonwealth's higher education institutions, programs, or activities.*

*SECTION 2.1.8. Implied Authority. Pursuant to subdivision D 1 of § [23-38.88](#) of the Act, the only implied authority granted to the College by this Management Agreement is that implied authority that is actually necessary to carry out the expressed grant of financial or operational authority contained in this Agreement or in the policies adopted by the College's Board of Visitors and attached hereto as Exhibits G through L.*

*SECTION 2.1.9. Exercise of Authority. The College and the Commonwealth acknowledge and agree that the execution of this Management Agreement constitutes the conclusion of a process that, as of the effective date of this Agreement, confers upon the College the enhanced authority and operating flexibility described above, all of which is*

*in furtherance of the purposes of Subchapter 3 of the Act. Therefore, without any further conditions or requirements, the College shall, on and after the effective date of this Management Agreement, be authorized to exercise the authority conferred upon it by this Management Agreement, the policies adopted by its Board of Visitors attached hereto as Exhibits G through L, and by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act except to the extent that the powers and authority contained in Article 3 of Subchapter 3 of the Act have been limited by this Management Agreement or the Board of Visitors policies attached hereto as Exhibits G through L.*

*The College and the Commonwealth also acknowledge and agree that, pursuant to subsection A of § [23-38.91](#) of the Act and consistent with the terms of this Management Agreement, the Board of Visitors of the College shall assume full responsibility for management of the College, subject to the requirements and conditions set forth in Subchapter 3 of the Act, the general requirements for this Management Agreement as provided in § [23-38.88](#) of the Act, and this Management Agreement. The Board of Visitors shall be fully accountable for (a) the management of the College as provided in the Act, (b) meeting the requirements of §§ [2.2-5004](#), [23-9.2:3.02](#), and [23-9.6:1.01](#) of the Code of Virginia, and (c) meeting such other provisions as are set forth in this Management Agreement.*

**SECTION 2.2. State Goals.**

**SECTION 2.2.1. Furthering State Goals.** *As required for all public institutions of higher education of the Commonwealth by subsection B of § [23-38.88](#) of the Act, prior to August 1, 2005, the Board of Visitors of the College adopted the resolution setting forth its commitment to the Governor and the General Assembly to meet the State goals specified in that subsection B. In addition to the above commitments, the College commits to furthering these State goals by:*

- 1. In addition to its six-year target of achieving \$68 million in external research by 2011-12, the College, including the Virginia Institute of Marine Science, commits to match from institutional funds, other than general funds or tuition, on a dollar for dollar basis, any additional research funds provided by the State in the Appropriation Act above the amount provided from institutional funds for research in 2005-06.*
- 2. In a concerted effort to provide educational opportunities to Virginia students attending institutions in the Virginia Community College System (VCCS) and Richard Bland College, the College commits to work with Virginia Polytechnic Institute and State University (Virginia Tech) and the University of Virginia to establish a program under which these three institutions will increase significantly the number of such students transferring to their institutions. Specifically, pursuant to this program, the College,*

*Virginia Tech and the University of Virginia collectively commit to enroll as transfer students from VCCS institutions and Richard Bland College (i) by the 2007-08 fiscal year, not less than approximately 300 new such transfer students each year over the number enrolled in 2004-05, for a total of approximately 900 such transfer students each year, and (ii) by the end of the decade, not less than approximately 650 new such transfer students each year over the number enrolled in 2004-05, for a total of approximately 1,250 such transfer students each year. The three institutions have agreed that they will mutually determine how to divide the responsibility for these additional transfer students equitably among themselves.*

*3. As an institutional priority and obligation, the College commits to the Governor and General Assembly to work meaningfully and visibly with an economically distressed region or local area of the Commonwealth, not smaller in size than a city or county, which lags the Commonwealth in education, income, employment, and other factors. The College commits to establish a formal partnership with that area to develop jointly a specific action plan that builds on the College's programmatic strengths and uses the College's faculty, staff and, where appropriate, student expertise to stimulate economic development in the area to make the area more economically viable, and to improve student achievement and teacher and administrator skill sets in a school, schools, or the school system in that area. The College shall submit the action plan to the Governor and General Assembly by no later than December 31, 2006, and shall report to the Governor and General Assembly by September 1 of each year on its progress in implementing the action plan during the prior fiscal year.*

*SECTION 2.2.2. Student Enrollment, Tuition, and Financial Aid. As required by § [23-9.2:3.02](#) of the Code of Virginia, the College, along with all other public institutions of higher education of the Commonwealth, has developed and submitted to the State Council of Higher Education for Virginia (SCHEV) by October 1, 2005, an institution-specific Six-Year Plan addressing the College's academic, financial, and enrollment plans for the six-year period of fiscal years 2006-07 through 2011-12. Subsection A of § [23-9.2:3.02](#) requires the College to update this Six-Year Plan by October 1 of each odd-numbered year. Subsection B of § [23-38.97](#) of the Act requires that a management agreement address, among other issues, such matters as the College's in-state undergraduate student enrollment, its financial aid requirements and capabilities, and its tuition policy for in-state undergraduate students. These matters are addressed below and in the College's Six-Year Plan submitted to SCHEV, and the parties therefore agree that the College's Six-Year Plan and the description below meet the requirement of subsection B of § [23-38.97](#) of the Act.*

*Subsection B of § [23-38.104](#) of the Act requires the Board of Visitors of the College to include in this Management Agreement the College's commitment to provide need-based grant aid for middle- and lower-income Virginia students in a manner that encourages student enrollment and progression without respect to potential increases in tuition and fees. The College's commitment in this regard is clear.*

*The College of William and Mary, under the leadership of its new president, has set as a goal increasing the economic and social diversity of the student body at the College.*

*The College is absolutely committed to assuring access to any qualified and admitted Virginian regardless of family income. The primary initiative in this area is Gateway William and Mary, which shall be substantially as described in the remainder of this Section 2.2.2, as may amended from time to time by the Board of Visitors of the College and reported to the Secretaries of Finance and Education and the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations.*

*At the present time, any needy Virginian at the College receives a combination of grants and loans so that his or her indebtedness will not exceed one year's cost of education.*

*This is as generous as any other public institution in the state or region. Nonetheless, this means that many needy Virginians, including those with low family incomes, will graduate with more than \$16,000 in indebtedness. This burdensome level of debt may discourage students from lower SES groups from applying to or accepting admission from the College. And, if they do attend, their legitimate concern with respect to debt repayment may discourage them from some career choices like K-12 education or from going on to graduate or professional school for fear of adding even more to their personal indebtedness. Hence, over the period of the six-year plan, the College of William and Mary is committed to seeking, from all sources - state-appropriated scholarship funds, federal, and private support -- sufficient funds to assure that 1) we meet 100% of financial need for in-state undergraduates and 2) any student whose family's annual income is less than \$40,000 can spend four years at the College and graduate debt-free. The Gateway William and Mary initiative is one of the highest priorities for our new president. In addition, both through our goal to increase the numbers of VCCS graduates who transfer to the College and aggressive efforts to recruit in-state students from lower SES groups, we hope to double the number of students who would receive assistance through the Gateway initiative from 280 students to 560 students by the end of the six-year planning period.*

*As noted, we will continue our commitment to providing additional financial aid through grants and loans to those Virginians whose families are not in the lower SES groups, but who still have demonstrable need. Currently approximately 900 in-state undergraduate*

*students receive need-based aid. The College commits to meeting 100% of the need for these students consistent with the federal definition of unmet needs over the six year planning period. In addition, as tuition and fees increase over the period of the six-year plan, we will readjust the level of financial aid for all students to assure that insufficiency of family resources will not be a barrier to attending the College.*

*The Commonwealth and the College agree that this commitment meets the requirements of subsection B of § [23-38.104](#) of the Act.*

*SECTION 2.3. Authority Granted to the Virginia Institute of Marine Science. The Virginia Institute of Marine Science (hereafter, the Institute) shall receive the benefits of the additional financial and operational authority granted by this Management Agreement as it and the policies adopted by the Board of Visitors attached as Exhibits G through L are implemented by the College on behalf of the Institute, but the Institute shall not receive any additional independent financial or operational authority as a result of this Management Agreement or the attached Board of Visitors policies beyond the independent financial and operational authority that it had prior to the effective date of this Management Agreement or that it may be granted by law in the future.*

*SECTION 2.4. Other Law. As provided in subsection B of § [23-38.91](#) of the Act, the College shall be governed and administered in the manner provided not only in this Management Agreement, but also as provided in the Appropriation Act then in effect and the College's Enabling Legislation.*

*SECTION 2.4.1. The Appropriation Act. The Commonwealth and the College agree that, pursuant to the current terms of the Act and the terms of § 4-11.00 of the 2004-06 Appropriation Act, if there is a conflict between the provisions of the Appropriation Act and the provisions of Subchapter 3 of the Act, or this Management Agreement, or the Board of Visitors policies attached to this Management Agreement as Exhibits G through L, the provisions of the Appropriation Act shall control, and shall continue to control unless provided otherwise by law.*

*SECTION 2.4.2. The College's Enabling Legislation. As provided in subsection C of § [23-38.91](#) of the Act, in the event of a conflict between any provision of Subchapter 3 of this Act and the College's Enabling Legislation, the Enabling Legislation shall control.*

*SECTION 2.4.3. Title 2.2 of the Code of Virginia. As provided in subsection B of § [23-38.92](#) of the Act, except as specifically made inapplicable under Subchapter 3 of the Act and the express terms of this Management Agreement, the provisions of Title 2.2 relating generally to the operation, management, supervision, regulation, and control of public institutions of higher education shall be applicable to the College as provided by the express terms of this Management Agreement. As further provided in subsection C of §*

[23-38.92](#) of the Act, in the event of conflict between any provision of Title 2.2 and any provision of Subchapter 3 of the Act as expressed in this Management Agreement, the provisions of this Management Agreement shall control.

SECTION 2.4.4. *Educational Policies of the Commonwealth.* As provided in subsection A of § [23-38.93](#) of the Act, for purposes of §§ [2.2-5004](#), [23-1.01](#), [23-1.1](#), [23-2](#), [23-2.1](#), [23-2.2:1](#), [23-3](#), [23-4.2](#), [23-4.3](#), [23-4.4](#), [23-7.1:02](#), [23-7.4](#), [23-7.4:1](#), [23-7.4:2](#), [23-7.4:3](#), [23-7.5](#), [23-8.2:1](#), [23-9.1](#), [23-9.2](#), [23-9.2:3](#), [23-9.2:3.02](#), [23-9.2:3.1](#) through [23-9.2:5](#), [23-9.6:1.01](#), and Chapter 4.9 (§ [23-38.75](#) et seq.) of the Code of Virginia, the College shall remain a public institution of higher education of the Commonwealth following the effective date of this Management Agreement, and shall retain the authority granted and any obligations required by such provisions, unless and until provided otherwise by law other than the Act. In addition, the College shall retain the authority, and any obligations related to the exercise of such authority, that is granted to institutions of higher education pursuant to Chapter 1.1 (§ [23-9.3](#) et seq.), Chapter 3 (§ [23-14](#) et seq.), Chapter 3.2 (§ [23-30.23](#) et seq.), Chapter 3.3 (§ [23-30.39](#) et seq.), Chapter 4 (§ [23-31](#) et seq.), Chapter 4.01 (§ [23-38.10:2](#) et seq.), Chapter 4.1 (§ [23-38.11](#) et seq.), Chapter 4.4 (§ [23-38.45](#) et seq.), Chapter 4.4:1 (§ [23-38.53:1](#) et seq.), Chapter 4.4:2 (§ [23-38.53:4](#) et seq.), Chapter 4.4:3 (§ [23-38.53:11](#)), Chapter 4.4:4 (§ [23-38.53:12](#) et seq.), Chapter 4.5 (§ [23-38.54](#) et seq.), Chapter 4.7 (§ [23-38.70](#) et seq.), Chapter 4.8 (§ [23-38.72](#) et seq.), and Chapter 4.9 (§ [23-38.75](#) et seq.), unless and until provided otherwise by law other than the Act.

SECTION 2.4.5. *Public Access to Information.* As provided in § [23-38.95](#) of the Act, the College shall continue to be subject to § [2.2-4342](#) and to the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, but shall be entitled to conduct business pursuant to § [2.2-3709](#) if expressly named therein and, in all cases, may conduct business as a “state public body” for purposes of subsection B of § [2.2-3708](#).

SECTION 2.4.6. *Conflicts of Interests.* As provided in § [23-38.96](#) of the Act, the provisions of the State and Local Government Conflict of Interests Act, Chapter 32 (§ [2.2-3100](#) et seq.) that are applicable to officers and employees of a state governmental agency shall continue to apply to the members of the Board of Visitors of the College and to its Covered Employees.

SECTION 2.4.7. *Other Provisions of the Code of Virginia.* Other than as specified above, any other powers and authorities granted to the College pursuant to any other sections of the Code of Virginia, including other provisions of the Act, are not affected by this Management Agreement or the Board policies attached hereto as Exhibits G through L.

*ARTICLE 3. AMENDMENTS TO, AND RIGHT AND POWER TO VOID OR REVOKE, MANAGEMENT AGREEMENT.*

*SECTION 3.1. Amendments. Any change to or deviation from this Management Agreement or the Board of Visitors policies attached hereto as Exhibits G through L shall be reported to the Secretaries of Finance, Administration, Education, and Technology and to the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations and shall be posted on the College's website. The change or deviation shall become effective unless one of the above persons notifies the College in writing within 60 days that the change or deviation is substantial and material. Any substantial and material change or deviation shall require the execution by the parties of an amendment to this Management Agreement or a new Management Agreement pursuant to the provisions of subsection D of § [23-38.88](#) and may lead to the Governor declaring this Management Agreement to be void pursuant to subdivision D 4 of § [23-38.88](#) of the Act.*

*SECTION 3.2. Right and Power to Void, Revoke, or Reinstate Management Agreement.*

*SECTION 3.2.1. Governor. Pursuant to subdivision D 4 of § [23-38.88](#), and § [23-38.98](#), of the Act, if the Governor makes a written determination that the College is not in substantial compliance with the terms of this Management Agreement or with the requirements of the Act in general, (i) the Governor shall provide a copy of that written determination to the Rector of the Board of Visitors of the College and to the members of the General Assembly, and (ii) the College shall develop and implement a plan of corrective action, satisfactory to the Governor, for purposes of coming into substantial compliance with the terms of this Management Agreement and with the requirements of the Act, as soon as practicable, and shall provide a copy of such corrective action plan to the members of the General Assembly. If after a reasonable period of time after the corrective action plan has been implemented by the College, the Governor determines that the institution is not yet in substantial compliance with this Management Agreement or the requirements of the Act, the Governor may void this Management Agreement. Upon the Governor voiding this Management Agreement, the College shall no longer be allowed to exercise any restructured financial or operational authority pursuant to the provisions of Subchapter 3 of the Act unless and until the College has entered into a subsequent management agreement with the Secretary or Secretaries designated by the Governor or the voided Management Agreement is reinstated by the General Assembly.*

*SECTION 3.2.2. General Assembly. As provided in subdivision D 4 of § [23-38.88](#) of the Act, the General Assembly may reinstate a Management Agreement declared void by the Governor. Pursuant to § [23-38.98](#) of the Act, the College's status as a Covered Institution governed by Subchapter 3 of the Act may be revoked by an act of the General*

*Assembly (i) if the College fails to meet the requirements of Subchapter 3 of the Act, or (ii) if the College fails to meet the requirements of this Management Agreement.*

**ARTICLE 4. GENERAL PROVISIONS.**

**SECTION 4.1. No Third-Party Beneficiary Status.** *Nothing in this Agreement, express or implied, shall be construed as conferring any third-party beneficiary status on any person or entity.*

**SECTION 4.2. Sovereign Immunity.** *Pursuant to subsection E of § [23-38.88](#) of the Act, the College and the members of its Board of Visitors, officers, directors, employees, and agents shall be entitled to the same sovereign immunity to which they would be entitled if the College were not governed by the Act; provided that the Virginia Tort Claims Act, § [8.01-195.1](#) et seq. of the Code of Virginia, and its limitations on recoveries shall remain applicable with respect to the College.*

**SECTION 4.3. Term of Agreement.** *This Management Agreement shall expire at midnight on June 30, 2010.*

*WHEREFORE, the foregoing Management Agreement has been executed as of this 15th day of November, 2005, and shall become effective on the effective date of the legislation enacted into law providing for the terms of such Agreement.*

**EXHIBIT G**

**MANAGEMENT AGREEMENT**

**BETWEEN**

**THE COMMONWEALTH OF VIRGINIA**

**AND**

**THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA**

**PURSUANT TO**

**THE RESTRUCTURED HIGHER EDUCATION**

**FINANCIAL AND ADMINISTRATIVE OPERATIONS**

**ACT OF 2005**

**POLICY GOVERNING CAPITAL PROJECTS**

THE RECTOR AND VISITORS OF  
THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA  
POLICY GOVERNING CAPITAL PROJECTS

I. PREAMBLE.

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, the College of William and Mary in Virginia may be delegated the authority to establish its own system for undertaking the implementation of its capital projects. In general, status as a Covered Institution is designed to replace the post-authorization system of reviews, approvals, policies and procedures carried out by a variety of central State agencies, and also the traditional pre-authorization approval process for projects funded entirely with non-general funds and without any proceeds from State Tax Supported Debt. The College's system for carrying out its capital outlay process as a Covered Institution is to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy, together with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy, constitute the adopted Board of Visitors policies regarding the College's capital projects, whether funded by a state general fund appropriation, State Tax Supported Debt, or funding from other sources.*

*This Policy is intended to encompass and implement the authority that may be granted to the College pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the College pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the College's Enabling Legislation, are not affected by this Policy.*

II. DEFINITIONS.

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.*

*"Board of Visitors" or "Board" means the Rector and Visitors of the College of William and Mary in Virginia.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“Capital Professional Services” means professional engineering, architecture, land surveying and landscape architecture services related to capital projects.*

*“Capital project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction, improvements or renovations, and Capital Leases.*

*“College” means the College of William and Mary in Virginia, (State Agency 204), and the Virginia Institute of Marine Science, (State Agency 268).*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), and [51.1-126.3](#).*

*“Major Capital Project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction of 5,000 square feet or greater or costing \$1 million or more, improvements or renovations of \$1 million or more, and Capital Leases.*

*“State Tax Supported Debt” means bonds, notes or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 20, 2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

### *III. SCOPE OF POLICY.*

*This Policy applies to the planning and budget development for capital projects, capital project authorization, and the implementation of capital projects, whether funded by a general fund appropriation of the General Assembly, proceeds from State Tax Supported Debt, or funding from other sources.*

*This Policy provides guidance for 1) the process for developing one or more capital project programs for the College, 2) authorization of new capital projects, 3) procurement of Capital Professional Services and construction services, 4) design reviews and code approvals for capital projects, 5) environmental impact requirements, 6) building*

*demolitions, 7) building and land acquisitions, 8) building and land dispositions, 9) project management systems, and 10) reporting requirements.*

#### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College's usual delegation policies and procedures.*

#### *V. CAPITAL PROGRAM.*

*The President shall adopt a system for developing one or more capital project programs that defines or define the capital needs of the College for a given period of time consistent with the College's published Master Plan. This process may or may not mirror the Commonwealth's requirements for capital plans. The Board of Visitors shall approve the program for Major Capital Projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt shall follow the Commonwealth's requirements for capital plans. The Board may approve amendments to the program for Major Capital Projects annually or more often if circumstances warrant.*

*It shall be College policy that each capital project program shall meet the College's mission and institutional objectives, and be appropriately authorized by the College.*

*Moreover, it shall be College policy that each capital project shall be of a size and scope to provide for the defined program needs, designed in accordance with all applicable building codes and handicapped accessibility standards as well as the College's design guidelines and standards, and costed to reflect current costs and escalated to the mid-point of anticipated construction.*

#### *VI. AUTHORIZATION OF CAPITAL PROJECTS*

*The Board of Visitors shall authorize the initiation of each Major Capital Project by approving its size, scope, budget, and funding. The President, acting through his designee, shall adopt procedures for approving the size, scope, budget and funding of all other capital projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and those pre-*

*appropriation approvals of the State's governmental agencies then applicable, and shall follow the State's process for capital budget requests.*

*It shall be the policy of the College that the implementation of capital projects shall be carried out so that the capital project as completed is the capital project approved by the Board for Major Capital Projects and according to the procedures adopted by the President, acting through his designee, for all other capital projects. The President shall ensure strict adherence to this requirement.*

*Accordingly, the budget, size and scope of a capital project shall not be materially changed beyond the plans and justifications that were the basis for the capital project's approval, either before or during construction, unless approved in advance as described above. Minor changes shall be permissible if they are determined by the President, acting through his designee, to be justified.*

*Major Capital Projects may be submitted for Board of Visitors authorization at any time but must include a statement of urgency if not part of the approved Major Capital Project program.*

#### **VII. PROCUREMENT OF CAPITAL PROFESSIONAL SERVICES AND CONSTRUCTION SERVICES.**

*It shall be the policy of the College that procurements shall result in the purchase of high quality services and construction at reasonable prices and shall be consistent with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and with the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy. Specifically, the College is committed to:*

*Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*

*Conducting all procurements in a fair and impartial manner and avoiding any impropriety or the appearance of any impropriety prohibited by State law or College policy;*

*Making procurement rules clear in advance of any competition;*

*Providing access to the College's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the College;*

*Including in contracts of more than \$10,000 the contractor's agreement not to discriminate against employees or applicants because of race, religion, color, sex, national origin, age, disability or other basis prohibited by State law except where there is a bona*

*vide occupational qualification reasonably necessary to the contractor's normal operations;*

*Providing for a non-discriminatory procurement process, and including appropriate and lawful provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers. The President, acting through his designee, is authorized to develop implementing procedures for the procurement of Capital Professional Services and construction services at the College. The procedures shall implement this Policy and provide for:*

*A system of competitive negotiation for Capital Professional Services, including a procedure for expedited procurement of Capital Professional Services under \$50,000, pursuant to (i) subdivisions 1, 2, and 3 a of the defined term "competitive negotiation" in Rule 4 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction, and (ii) § 4-5.06 of the 2004-2006 Appropriation Act;*

*A prequalification procedure for contractors or products;*

*A procedure for special construction contracting methods, including but not limited to design-build and construction management contracts; and*

*A prompt payment procedure.*

*The College also may enter into cooperative arrangements with other private or public health or educational institutions, healthcare provider alliances, purchasing organizations or state agencies where, in the judgment of the College, the purposes of this Policy will be furthered.*

#### *VIII. DESIGN REVIEWS AND CODE APPROVALS.*

*The Board of Visitors shall review the design of all Major Capital Projects and shall provide final Major Capital Project authorization based on the size, scope and cost estimate provided with the design. Unless stipulated by the Board of Visitors at the design review, no further design reviews shall be required. For all capital projects other than Major Capital Projects, the President, acting through his designee, shall adopt procedures for design review and project authorization based on the size, scope and cost estimate provided with the design. It shall be the College's policy that all capital projects shall be designed and constructed in accordance with applicable Virginia Uniform Statewide Building Code (VUSBC) standards and the applicable accessibility code. The President shall designate a Building Official responsible for building code compliance by either (i) hiring an individual to be the College Building Official, or (ii) continuing to use the services of the Department of General Services, Division of Engineering and Buildings, to perform the Building Official function. If option (i) is selected, the individual hired as the College Building Official shall be a full-time employee, a*

*registered professional architect or engineer, and certified by the Department of Housing and Community Development to perform this Building Official function. The College Building Official shall issue building permits for each capital project required by the VUSBC to have a building permit, and shall determine the suitability for occupancy of, and shall issue certifications for building occupancy for, all capital projects requiring such certification. Prior to issuing any such certification, this individual shall ensure that the VUSBC and accessibility requirements are met for that capital project and that such capital project has been inspected by the State Fire Marshal or his designee. When serving as the College Building Official, such individual shall organizationally report directly and exclusively to the Board of Visitors. If the College hires its own College Building Official, it shall fulfill the code review requirement by maintaining a review unit supported by resources and staff who are certified by the Department of Housing and Community Development in accordance with § [36-137](#) of the Code of Virginia for such purpose and who shall review plans, specifications and documents for compliance with building codes and standards and perform required inspections of work in progress and the completed capital project. No individual licensed professional architect or engineer hired or contracted with to perform these functions shall also perform other building code-related design, construction, facilities-related project management or facilities management functions for the College on the same capital project.*

#### **IX. ENVIRONMENTAL IMPACT REPORTS.**

*It shall be the policy of the College to assess the environmental, historic preservation, and conservation impacts of all capital projects and to minimize and otherwise mitigate all adverse impacts to the extent practicable. The College shall develop a procedure for the preparation and approval of environmental impact reports for capital projects, in accordance with State environmental, historic preservation, and conservation requirements generally applicable to capital projects otherwise meeting the definition of Major Capital Projects but, pursuant to § [23-38.109](#) C 1 of the Act, with a cost of \$300,000 or more.*

#### **X. BUILDING DEMOLITIONS.**

*It shall be the policy of the College to consider the environmental and historical aspects of any proposed demolitions. The Board of Visitors shall be responsible for approving demolition requests. The College shall develop a procedure for the preparation and review of demolition requests, including any necessary reviews by the Department of Historic Resources and the Art and Architectural Review Board in accordance with State historic preservation requirements generally applicable to capital projects in the Commonwealth. Further, for any property that was acquired or constructed with funding*

*from a general fund appropriation of the General Assembly or from proceeds from State Tax Supported Debt, general laws applicable to State owned property shall apply.*

**XI. BUILDING OR LAND ACQUISITIONS.**

*It is the policy of the College that capital projects involving building or land acquisition shall be subjected to thorough inquiry and due diligence prior to closing on the acquisition of such real property. The President, acting through his designee, shall ensure that the project management system implemented pursuant to Section XIII below provides for a review and analysis of all pertinent matters relating to the acquisition of buildings and land as any prudent purchaser would perform to the end that any building or land acquired by the College shall be suitable for its intended purpose, that the acquisition can be made without substantial risk of liability to the College and that the cost of the real property to be acquired, together with any contemplated development thereof, shall be such that compliance with the provisions of Section VI of this Policy is achieved. In addition, the President, acting through his designee, shall ensure that, where feasible and appropriate to do so, the following specific policies pertaining to the acquisition of buildings or land for capital projects are carried out.*

**A. Environmental and Land Use Considerations.**

*It is the policy of the College to reasonably cooperate with each locality affected by the acquisition. Such cooperation shall include but not be limited to furnishing any information that the locality may reasonably request and reviewing any requests by the locality with regard to any such acquisition. The College shall consider the zoning and comprehensive plan designation by the locality of the building or land and surrounding parcels, as well as any designation by State or federal agencies of historically or archeologically significant areas on the land. Nothing herein shall be construed as requiring the College to comply with local zoning laws and ordinances.*

**B. Infrastructure and Site Condition.**

*The President, acting through his designee, shall ensure that, in the case of capital projects involving the acquisition of buildings or land, the project management systems implemented under Section XIII below provide for a review of the following matters prior to acquisition of the building or land: that any land can be developed for its intended purpose without extraordinary cost; that an environmental engineer has been engaged by the College to provide an assessment of any environmental conditions on the land; that there is adequate vehicular ingress and egress to serve the contemplated use of the building or land; that utilities and other services to the land are adequate or can reasonably be provided or have been provided in the case of building acquisitions; and that*

*the condition and grade of the soils have been examined to determine if any conditions exist that would require extraordinary site work or foundation systems.*

*C. Title and Survey.*

*A survey shall be prepared for any real property acquired, and an examination of title to the real property shall be conducted by a licensed attorney or, in the alternative, a commitment for title insurance shall be procured from a title insurance company authorized to do business in the Commonwealth. Based upon the survey and title examination or report, the President, acting through his designee, shall conclude, prior to acquisition of the real property, that title thereto will be conveyed to the College in fee simple, free and clear of all liens, encumbrances, covenants, restrictions, easements or other matters that may have a significant adverse effect upon the College's ability to own, occupy, convey or develop the real property.*

*D. Appraisal.*

*An appraisal shall be conducted of the real property to be acquired to determine its fair market value and the consistency of the fair market value with the price agreed upon by the College.*

*XII. BUILDING OR LAND DISPOSITIONS.*

*The Board of Visitors shall approve the disposition of any building or land. Disposition of land or buildings, the acquisition or construction of which was funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and other approvals in accordance with general law applicable to State-owned property and with the College's Enabling Legislation.*

*XIII. PROJECT MANAGEMENT SYSTEMS.*

*The President, acting through his designee, shall implement one or more systems for the management of capital projects for the College. The systems may include the delegation of project management authority to appropriate College officials, including a grant of authority to such officials to engage in further delegation of authority as the President deems appropriate.*

*The project management systems for capital projects shall be designed to ensure that such projects comply with the provisions of this Policy and other Board of Visitors policies applicable to closely related subjects such as selection of architects or policies applicable to College buildings and grounds.*

*The project management systems may include one or more reporting systems applicable to capital projects whereby College officials responsible for the management of*

*such projects provide appropriate and timely reports to the President on the status of such projects during construction.*

*XIV. REPORTING REQUIREMENTS.*

*In addition to complying with any internal reporting systems contained in the College's project management systems, as described in Section XIII above, the College shall comply with State reporting requirements for those Major Capital Projects funded entirely or in part by a general fund appropriation by the General Assembly or State Tax Supported Debt. Additionally, if any capital project constructs improvements on land, or renovates property, that originally was acquired or constructed in whole or in part with a general fund appropriation for that purpose or proceeds from State Tax Supported Debt, and such improvements or renovations are undertaken entirely with funds not appropriated by the General Assembly and, if the cost of such improvements or renovations is reasonably expected to exceed \$2 million dollars, the decision to undertake such improvements or renovations shall be communicated as required by § [23-38.109](#) C 3 of the Act. As a matter of routine, the President, acting through his designee, shall report to the Department of General Services on the status of such capital projects at the initiation of the project, prior to the commencement of construction, and at the time of acceptance of any such capital project.*

*POLICY GOVERNING*

LEASES OF REAL PROPERTY

THE RECTOR AND VISITORS OF  
THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA  
POLICY GOVERNING LEASES OF REAL PROPERTY

I. PREAMBLE.

*In 1996 the Board of Visitors adopted a Policy Statement Governing Exercise of Autonomy in Leases of Property for certain leases entered into by the College of William and Mary in Virginia, which was amended in 2003 as the Policy Statement Governing Exercise of Autonomy in Operating and Capital Leases of Property. The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, the College may have the authority to establish its own system for the leasing of real property. The College's system for implementing this authority is to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy constitute the adopted Board of Visitors policies regarding Leases of real property entered into by the College.*

*This Policy is intended to cover the authority that may be granted to the College pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the College pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the College's Enabling Legislation, as defined in § [23-38.89](#) of the Act, are not affected by this Policy.*

II. DEFINITIONS.

*The following words and terms, when used in this Policy, shall have the following meaning unless the context clearly indicates otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Board of Visitors” means the Rector and Visitors of the College of William and Mary in Virginia.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“College” means the College of William and Mary in Virginia, (State Agency 204), and the Virginia Institute of Marine Science, (State Agency 268).*

*“Covered Institution” means a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by Subchapter 3 of the Act.*

*“Expense Lease” means an Operating Lease of real property under the control of another entity to the College.*

*“Income Lease” means an Operating Lease of real property under the control of the College to another entity.*

*“Lease” or “Leases” means any type of lease involving real property.*

*“Operating Lease” means any lease involving real property, or improvements thereon, that is not a Capital Lease.*

### *III. SCOPE OF POLICY.*

*This Policy provides guidance for the implementation of all College Leases.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College’s usual delegation policies and procedures.*

### *V. REQUIREMENTS FOR LEASES.*

#### *A. Factors to Be Considered When Entering into Leases.*

*All Leases shall be for a purpose consistent with the mission of the College. The decision to enter into a Lease shall be further based upon cost, demonstrated need, compliance with this Policy, consideration of all costs of occupancy, and a determination that the use of the property to be leased is necessary and is efficiently planned. Leases shall also conform to the space planning procedures that may be adopted by the President, acting through his designee, to ensure that the plan for the space to be leased is consistent with the purpose for which the space is intended.*

#### *B. Competition to Be Sought to Maximum Practicable Degree.*

*Competition shall be sought to the maximum practicable degree for all Leases. The President, acting through his designee, is authorized to ensure that Leases are procured through competition to the maximum degree practicable and to determine when, under*

*guidelines that may be developed and adopted by the President, acting through his designee, it is impractical to procure Leases through competition.*

*C. Approval of Form of Lease Required.*

*The form of Leases entered into by the College shall be approved by the College's legal counsel.*

*D. Execution of Leases.*

*All Leases entered into by the College shall be executed only by those College officers or persons authorized by the President or as may subsequently be authorized by the Board of Visitors, and subject to any such limits or conditions as may be prescribed in the delegation of authority. Subject to the College's Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the College, no other College approval shall be required for leases or leasing, nor state approval required except in the case of leases of real property as may be governed by general state law in accordance with §§ [23-38.109](#) and [23-38.112](#) of the Act.*

*E. Capital Leases.*

*The Board of Visitors shall authorize the initiation of Capital Leases pursuant to the authorization process included in the Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the College.*

*F. Compliance with Applicable Law.*

*All Leases of real property by the College shall be consistent with any requirements of law that are contained in the Act or are otherwise applicable.*

*G. Certification of Occupancy.*

*All real property covered by an Expense Lease or leased by the College under a Capital Lease shall be certified for occupancy by the appropriate public body or building official.*

POLICY GOVERNING

INFORMATION TECHNOLOGY

THE RECTOR AND VISITORS OF

THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA

POLICY GOVERNING INFORMATION TECHNOLOGY

I. PREAMBLE.

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides, inter alia, that public institutions of higher education in the Commonwealth of Virginia that have entered into a Management Agreement with the Commonwealth “may be exempt from the provisions governing the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et seq.) of Title 2.2., and the provisions governing the Information Technologies [sic] Investment Board, Article 20 of Chapter 24 (§ [2.2-2457](#) et seq.) of Title 2.2; provided, however, that the governing body of . . . [such] institution shall adopt, and . . . [such] institution shall comply with, policies” that govern the exempted provisions. See § [23-38.111](#) of the Code of Virginia. This Information Technology Policy shall become effective upon the effective date of a Management Agreement authorized by subsection D of § [23-38.88](#) and § [23-38.97](#) of the Act between the Commonwealth and the College of William and Mary in Virginia that incorporates this Policy.*

*The Board of Visitors of the College is authorized to adopt this Information Technology Policy pursuant to § [23-38.111](#) of the Code of Virginia.*

II. DEFINITIONS.

*As used in this Information Technology Policy, the following terms have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Board of Visitors of the College of William and Mary in Virginia.*

*“College” means the College of William and Mary in Virginia, (State Agency 204), and the Virginia Institute of Marine Science, (State Agency 268).*

*“Information Technology” or “IT” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia as it currently exists and from time to time may be amended.*

*“Major information technology project” or “major IT project” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia as it currently exists and from time to time may be amended.*

*“Policy” means this Information Technology Policy adopted by the Board of Visitors.*

*“State Chief Information Officer” or “State CIO” means the Chief Information Officer of the Commonwealth of Virginia.*

### *III. SCOPE OF POLICY.*

*This Policy is intended to cover and implement the authority that may be granted to the College pursuant to Subchapter 3 (§ [23-38.91](#) et seq.) of the Act. This Policy is not intended to affect any other powers and authorities granted to the College pursuant to the Appropriation Act and the Code of Virginia, including other provisions of the Act or the College’s enabling legislation as that term is defined in § [23-38.89](#) of the Act.*

*This Policy shall govern the College’s information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the College.*

*Upon the effective date of a Management Agreement between the Commonwealth and the College, as authorized by subsection D of § [23-38.88](#) and § [23-38.111](#), therefore, the College shall be exempt from those provisions of the Code of Virginia, including those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ [2.2-2457](#) et seq.) (Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia, that otherwise would govern the College’s information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the College; provided, however, that the College still shall be subject to those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ [2.2-2457](#) et seq.)*

*(Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia, that are applicable to public institutions of higher education of the Commonwealth and that do not govern information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits within, by, or on behalf of the College.*

*The procurement of information technology and telecommunications goods and services, including automated data processing hardware and software, shall be governed by the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials approved by the Board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction that are incorporated in and attached to that Policy.*

#### *IV. GENERAL PROVISIONS.*

##### *A. Board of Visitors Accountability and Delegation of Authority.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College's usual delegation policies and procedures.*

##### *B. Strategic Planning.*

*The President shall be responsible for overall IT strategic planning at the College, which shall be linked to and in support of the College's overall strategic plan.*

*At least 45 days prior to each fiscal year, the President shall make available the College's IT strategic plan covering the next fiscal year to the State CIO for his review and comment with regard to the consistency of the College's plan with the intent of the currently published overall five-year IT strategic plan for the Commonwealth developed by the State CIO pursuant to § [2.2-2007](#) of the Code of Virginia, and into which the College's plan is to be incorporated.*

##### *C. Expenditure Reporting and Budgeting.*

*The President shall approve and be responsible for overall IT budgeting and investments at the College. The College's IT budget and investments shall be linked to and in support of the College's IT strategic plan, and shall be consistent with general College policies, the Board-approved annual operating budget, and other Board approvals for certain procurements.*

*By October 1 of each year, the President shall make available to the State CIO and the Information Technology Investment Board a report on the previous fiscal year's IT expenditures.*

*The College shall be specifically exempt from:*

*Subdivision A 4 of § [2.2-2007](#) of the Code of Virginia (review by the State CIO of IT budget requests), as it currently exists and from time to time may be amended; §§ [2.2-2022](#) through [2.2-2024](#) of the Code of Virginia (Virginia Technology Infrastructure Fund), as they currently exist and from time to time may be amended; and Any other substantially similar provision of the Code of Virginia governing IT expenditure reporting and budgeting, as it currently exists and from time to time may be amended.*

*D. Project Management.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the project management policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project management as defined by leading IT consulting firms, leading software development firms, or a nationally-recognized project management association, appropriately tailored to the specific circumstances of the College. Copies of the Board's policies, standards, and guidelines shall be made available to the Information Technology Investment Board.*

*The President, acting through his designee, shall oversee the management of all College IT projects. IT projects may include, but are not limited to, upgrades to network infrastructure, provision of technology to support research, database development, implementation of new applications, and development of IT services for students, faculty, staff, and patients. Day-to-day management of projects shall be the responsibility of appointed project directors and shall be in accord with the project management policies, standards, and guidelines adopted by the Board, as amended and revised from time to time.*

*On a quarterly basis, the President, acting through his designee, shall report to the Information Technology Investment Board on the budget, schedule, and overall status of the College's major IT projects. This requirement shall not apply to research projects, research initiatives, or instructional programs.*

*The President shall be responsible for decisions to substantially alter a project's scope, budget, or schedule after initial approval.*

*The College shall be specifically exempt from:*

*§ [2.2-2008](#) of Title 2.2 of the Code of Virginia (additional duties of the State CIO relating to project management), as it currently exists and from time to time may be amended; §§ [2.2-2016](#) through [2.2-2021](#) of Title 2.2 of the Code of Virginia (Division of Project Management), as they currently exist and from time to time may be amended; and Any other substantially similar provision of the Code of Virginia governing IT project management, as it currently exists or from time to time may be amended.*

*The State CIO and the Information Technology Investment Board shall continue to have the authority regarding project suspension and termination as provided in § [2.2-2015](#) and in subdivision A 3 of § [2.2-2458](#), respectively, and the State CIO and the Information Technology Investment Board shall continue to provide the College with reasonable notice of, and a reasonable opportunity to correct, any identified problems before a project is terminated.*

*E. Infrastructure, Architecture, Ongoing Operations, and Security.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines related to IT infrastructure, architecture, ongoing operations, and security developed by the Commonwealth or those of nationally-recognized associations, appropriately tailored to the specific circumstances of the College. Copies of the policies shall be made available to the Information Technology Investment Board.*

*The President, acting through his designee, shall be responsible for implementing such policies, standards, and guidelines adopted by the Board, as amended and revised from time to time.*

*For purposes of implementing this Policy, the President shall appoint an existing College employee to serve as a liaison between the College and the State CIO.*

*F. Audits.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project auditing as defined by leading IT experts, including consulting firms, or a nationally-recognized project auditing association, appropriately tailored to the specific circumstances of the College, which provide for Independent Validation and Verification (IV&V) of the College's major IT projects. Copies of the policies, standards, and guidelines, as amended and revised from time to time, shall be made available to the Information Technology Investment Board.*

*Audits of IT strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, and security, shall also be the responsibility of the College's Internal Audit Department and the Auditor of Public Accounts.*

THE RECTOR AND VISITORS OF THE COLLEGE OF WILLIAM AND MARY

POLICY GOVERNING THE PROCUREMENT OF

GOODS, SERVICES, INSURANCE AND CONSTRUCTION

AND THE DISPOSITION OF SURPLUS MATERIALS

I. PREAMBLE.

A. Subchapter 3 of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that the College of William and Mary in Virginia, upon becoming a Covered Institution, shall be authorized to establish its own system for the procurement of goods, services, insurance, and construction, and for the independent disposition of surplus materials by public or private transaction.

B. The Act provides that a Covered Institution shall comply with policies adopted by its Board of Visitors for the procurement of goods, services, insurance, and construction, and the disposition of surplus materials. The provisions of this Policy set forth below, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, constitute the adopted Board of Visitors policies required by the Act regarding procurement of goods, services, insurance, and construction, and the disposition of surplus materials by the College.

*C. This Policy is intended to cover the authority that may be granted to the College pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the College pursuant to any other sections of the Code of Virginia, including other provisions of the Act, the Appropriation Act, and the College's Enabling Legislation are not affected by this Policy.*

## *II. DEFINITIONS.*

*As used in this Policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*"Agreement" means "Management Agreement."*

*"Board of Visitors" means the Rector and Visitors of the College of William and Mary in Virginia.*

*"College" means the College of William and Mary in Virginia, (State Agency 204), and the Virginia Institute of Marine Science, (State Agency 268).*

*"Covered Institution" means, on and after the Effective Date of its initial Management Agreement, a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*"Effective Date" means the effective date of the Management Agreement.*

*"Enabling Legislation" means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth.*

*"Goods" means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.*

*"Management Agreement" means the agreement required by subsection D of § [23-38.88](#) between the Commonwealth of Virginia, and the College of William and Mary in Virginia.*

*"Rules" means the "Rules Governing Procurement of Goods, Services, Insurance, and Construction" attached to this Policy as Attachment 1.*

*"Services" as used in this Policy means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies, and shall include both professional services, which include the practice of accounting, actuarial services,*

*law, dentistry, medicine, optometry, and pharmacy, and nonprofessional services, which include any service not specifically identified as professional services.*

*“Surplus materials” means personal property including, but not limited to, materials, supplies, equipment and recyclable items, that are determined to be surplus by the College.*

### **III. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.**

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College’s usual delegation policies and procedures.*

### **IV. GENERAL PROVISIONS.**

#### **A. Adoption of This Policy and Continued Applicability of Other Board of Visitors’ Procurement Policies.**

*The College has had decentralization and pilot program autonomy in many procurement functions and activities since the Appropriation Act of 1994. The Act extends and reinforces the autonomy previously granted to the College in Item 330 E of the 1994 Appropriation Act. This Policy therefore is adopted by the Board of Visitors to enable the College to develop a procurement system, as well as a surplus materials disposition system. Any College electronic procurement system shall integrate or interface with the Commonwealth’s electronic procurement system.*

*This Policy shall be effective on the Effective Date of the College’s initial Management Agreement with the Commonwealth. The implementing policies and procedures adopted by the President to implement this Policy shall continue to be subject to any other policies adopted by the Board of Visitors affecting procurements at the College, including policies regarding the nature and amounts of procurements that may be undertaken without the approval of the Board of Visitors, or of the President.*

#### **B. Scope and Purpose of College Procurement Policies.**

*This Policy shall apply to procurements of goods, services, insurance, and construction. It shall be the policy of the College that procurements conducted by the College result in the purchase of high quality goods and services at reasonable prices, and that the College be free, to the maximum extent permitted by law and this Policy, from constraining policies that hinder the ability of the College to do business in a competitive*

*environment. This Policy, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, shall apply to all procurements undertaken by the College, regardless of the source of funds.*

*C. Collaboration, Communication, and Cooperation with the Commonwealth.*

*The College is committed to developing, maintaining, and sustaining collaboration, communication, and cooperation with the Commonwealth regarding the matters addressed in this Policy, particularly with the Offices of the Secretaries of Administration and Technology, the Department of General Services, and the Virginia Information Technologies Agency. Identifying business objectives and goals common to both the College and the Commonwealth and the mechanisms by which such objectives and goals may be jointly pursued and achieved are among the desired outcomes of such collaboration, communication, and cooperation.*

*D. Commitment to Statewide Contracts, Electronic Procurement, and SWAM Participation and Use.*

*The College is committed to maximizing its internal operational efficiencies, economies of scale among institutions of higher education, and the leveraged buying power of the Commonwealth as a whole.*

*Consistent with this commitment, the College:*

- i) May purchase from and participate in all statewide contracts for goods and services, including information technology goods and services, except that the College shall purchase from and participate in contracts for communications services and telecommunications facilities entered into by the Virginia Information Technologies Agency pursuant to § [2.2-2011](#) of the Code of Virginia unless an exception is provided in the Appropriation Act or by other law, and provided that orders not placed through statewide contracts shall be processed directly or by integration or interface through the Commonwealth's electronic procurement system;*
- ii) Shall use directly or by integration or interface the Commonwealth's electronic procurement system; and*
- iii) Shall adopt a small, woman-owned, and minority-owned (SWAM) business program that is consistent with the Commonwealth's SWAM program.*

*E. Implementation.*

*To effect its implementation under the Act, and if the College remains in continued substantial compliance with the terms and conditions of this Management Agreement with the Commonwealth pursuant to § [23-38.88\(D\)\(4\)](#) and the requirements of Chapter 4.10 of the Act, the College's procurement of goods, services, insurance, and construction, and the disposition of surplus materials shall be exempt from the Virginia Public*

*Procurement Act, Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2, except § [2.2-4342](#) and §§ [2.2-4367](#) through [2.2-4377](#); the oversight of the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et seq.) of Title 2.2, and the Information Technology Investment Board, Article 20 (§ [2.2-2457](#) et seq.) of Chapter 24 of Title 2.2; the state agency requirements regarding disposition of surplus materials and distribution of proceeds from the sale or recycling of surplus materials in §§ [2.2-1124](#) and [2.2-1125](#); the requirement to purchase from the Department for the Blind and Vision Impaired (VIB) (§ [2.2-1117](#)); and any other state statutes, rules, regulations or requirements relating to the procurement of goods, services, insurance, and construction, including but not limited to Article 3 (§ [2.2-1109](#) et seq.) of Chapter 11 of Title 2.2 of the Code of Virginia, regarding the duties, responsibilities and authority of the Division of Purchases and Supply of the Virginia Department of General Services, and Article 4 (§ [2.2-1129](#) et seq.) of Chapter 11 of Title 2.2 of the Code of Virginia, regarding the review and the oversight by the Division of Engineering and Buildings of the Virginia Department of General Services of contracts for the construction of College capital projects and construction-related professional services (§ [2.2-1132](#)).*

#### *V. COLLEGE PROCUREMENT POLICIES.*

##### *A. General Competitive Principles.*

*In connection with College procurements and the processes leading to award of contracts for goods, services, insurance, and construction, the College is committed to: Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*

*Conducting all procurements in an open, fair and impartial manner and avoiding any impropriety or the appearance of any impropriety;*

*Making procurement rules clear in advance of any competition;*

*Providing access to the College's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the College;*

*Ensuring that specifications for purchases are fairly drawn so as not to favor unduly a particular vendor; and*

*Providing for the free exchange of information between the College, vendors, firms or contractors concerning the goods or services sought and offered while preserving the confidentiality of proprietary information.*

##### *B. Access to Records.*

*Procurement records shall be available to citizens or to interested persons, firms or corporations in accordance with the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, except those records exempt from disclosure pursuant to § [2.2-3705.1](#) (7), § [2.2-3705.1](#) (12), or § [2.2-3705.4](#) (4), or other applicable exemptions of the Virginia Freedom of Information Act, and § [2.2-4342](#) of the Virginia Public Procurement Act.*

*C. Cooperative Procurements and Alliances.*

*In circumstances where the College determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the College that meet its business goals and objectives, the College is authorized to participate in cooperative procurements with other public or private organizations or entities, including other educational institutions, public-private partnerships, public bodies, charitable organizations, health care provider alliances and purchasing organizations, so long as the resulting contracts are procured competitively pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1 and the purposes of this Policy are furthered. In the event the College engages in a cooperative contract with a private organization or public-private partnership and the contract was not competitively procured pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, use of the contract by other state agencies, institutions and public bodies shall be prohibited. Notwithstanding all of the above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. By October 1 of each year, the President, or his designee, shall make available to the Secretaries of Administration and Technology, the Joint Legislative Audit and Review Commission, and the Auditor of Public Accounts a list of all cooperative contracts and alliances entered into or used during the prior fiscal year.*

*D. Training; Ethics in Contracting.*

*The President, acting through his designee, shall take all necessary and reasonable steps to assure (i) that all College officials responsible for and engaged in procurements authorized by the Act and this Policy are knowledgeable regarding the requirements of the Act, this Policy, and the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) that only officials authorized by this Policy and any procedures adopted by*

*the President to implement this Policy are responsible for and engaged in such procurements, and (iii) that compliance with the Act and this Policy are achieved.*

*The College shall maintain an ongoing program to provide professional development opportunities to its buying staff and to provide methods training to internal staff who are engaged in placing decentralized small purchase transactions.*

*E. Ethics and College Procurements.*

*In implementing the authority conferred by this Policy, the personnel administering any procurement shall adhere to the following provisions of the Code of Virginia: the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, the State and Local Government Conflict of Interests Act, Chapter 31 (§ [2.2-3100](#) et seq.) of Title 2.2, and the Virginia Governmental Frauds Act, Article 1.1 (§ [18.2-498.1](#) et seq.) of Chapter 12 of Title 18.2.*

*VI. COLLEGE SURPLUS MATERIALS POLICY AND PROCEDURES.*

*The policy and procedures for disposal for surplus materials shall provide for the sale, environmentally-appropriate disposal, or recycling of surplus materials by the College and the retention of the resulting proceeds by the College.*

*VII. ADOPTION AND EFFECTIVE DATES OF RULES AND IMPLEMENTING POLICIES AND PROCEDURES.*

*The President shall adopt one or more comprehensive sets of specific procurement policies and procedures for the College, which, in addition to the Rules, implement applicable provisions of law and this Policy. College procurements shall be carried out in accordance with this Policy, the Rules, and any implementing policies and procedures adopted by the College. The implementing policies and procedures (i) shall include the delegation of procurement authority by the Board to appropriate College officials who shall oversee College procurements of goods, services, insurance, and construction, including a grant of authority to such officials to engage in further delegation of authority as the President deems appropriate, and (ii) shall remain consistent with the competitive principles set forth in Part V above.*

*Any implementing policies and procedures adopted pursuant to Part VII A above and the Rules shall become effective on the Effective Date of the College's initial Management Agreement with the Commonwealth, and, as of their effective date, shall be applicable to all procurements undertaken by the College on behalf of the College for goods, services, insurance, and construction. This Policy, the Rules, and any implementing policies and procedures adopted by the College shall not affect existing contracts already in effect.*

*The Rules and College implementing policies and procedures for all College procurements of goods, services, insurance, and construction, and the disposition of surplus property shall be substantially consistent with the Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and their Vendors in their form as of the effective date of this Policy and as amended or changed in the future, and with College procedures specific to the Acquisition of Goods and Services. The Rules and College implementing policies and procedures shall implement a system of competitive negotiation, and competitive sealed bidding when appropriate, for goods, services, including professional services as defined in the Rules, insurance, and construction.*

#### *VIII. REQUIREMENTS FOR RULES AND IMPLEMENTING POLICIES AND PROCEDURES.*

##### *A. Protests, Appeals and Debarment.*

*The Rules and College implementing policies and procedures for procurements other than capital outlay shall include a process or processes for an administrative appeal by vendors, firms or contractors. Protests and appeals may challenge determinations of vendor, firm or contractor non-responsibility or ineligibility, or the award of contracts, provided that such protests and appeals are filed within the times specified by the Rules. Remedies available shall be limited to reversal of the action challenged or, where a contract already being performed is declared void, compensation for the cost of performance up to the time of such declaration. The Rules and College implementing policies and procedures also may establish the basis and process for debarment of any vendor, firm or contractor.*

##### *B. Prompt Payment of Contractors and Subcontractors.*

*The Rules and College implementing policies and procedures shall include provisions related to prompt payment of outstanding invoices, which shall include payment of interest on properly-presented invoices outstanding more than seven (7) days beyond the payment date, at a rate no higher than the lowest prime rate charged by any commercial bank as published in the Wall Street Journal. The payment date shall be the later of thirty (30) days from the date of the receipt of goods or invoice, or the date established by the contract. All contracts also shall require prompt payment of subcontractors by the general contractor, upon receipt of payment by the College.*

##### *C. Types of Procurements.*

*The Rules and College implementing policies and procedures shall implement a system of competitive negotiation for professional services, as defined in the Rules, and shall implement purchasing procedures developed to maximize competition given the size and duration of the contract, and the needs of the College. Such policies and*

*procedures may include special provisions for procurements such as emergency procurements, sole source procurements, brand name procurements, small purchases, procurements in which only one qualified vendor responds, and others.*

*D. Approval and Public Notice of Procurements.*

*The Rules and College implementing policies and procedures shall provide for approval of solicitation documents by an authorized individual and for reasonable public notice of procurements, given the size and nature of the need and the applicability of any Virginia Freedom of Information Act exemption.*

*E. Administration of Contracts.*

*The Rules and College implementing policies and procedures shall contain provisions related to the administration of contracts, including contract claims, modifications, extensions and assignments.*

*F. Non-Discrimination.*

*The Rules and College implementing policies and procedures shall provide for a non-discriminatory procurement process that prohibits discrimination because of race, religion, color, sex or national origin of the bidder or offeror in the solicitation and award of contracts; and shall include appropriate provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers.*

**ATTACHMENT 1**

*Rules Governing Procurement of Goods, Services, Insurance, and Construction*

*by a Public Institution of Higher Education of the Commonwealth of Virginia*

*Governed by Subchapter 3 of the*

*Restructured Higher Education Financial and Administrative Operations Act,*

*Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia*

*In accordance with the provisions of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in particular § [23-38.110](#) of the Act, the governing body of a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth pursuant to Subchapter 3 of the Act, has adopted the following Rules Governing Procurement of Goods, Services, Insur-*

*ance, and Construction to govern the procurement of goods, services, insurance, and construction by the Institution, excluding the University of Virginia Medical Center:*

*§ 1. Purpose. -*

*The purpose of these Rules is to enunciate the public policies pertaining to procurement of good, services, insurance, and construction by the Institution from nongovernmental sources, to include governmental procurement that may or may not result in monetary consideration for either party. These Rules shall apply whether the consideration is monetary or nonmonetary and regardless of whether the Institution, the contractor, or some third party is providing the consideration.*

*§ 2. Scope of Procurement Authority. -*

*Subject to these Rules, and the Institution's continued substantial compliance with the terms and conditions of its Management Agreement with the Commonwealth pursuant to [§ 23-38.88\(D\)\(4\)](#) and the requirements of Chapter 4.10 of the Act, the Institution shall have and shall be authorized to have and exercise all of the authority relating to procurement of goods, services, insurance, and construction, including but not limited to capital outlay-related procurement and information technology-related procurement, that Institutions are authorized to exercise pursuant to Subchapter 3 of the Restructuring Act.*

*§ 3. Competition is the Priority. -*

*To the end that the Institution shall obtain high quality goods and services at reasonable cost, that all procurement procedures be conducted in an open, fair and impartial manner with avoidance of any impropriety or appearance of impropriety, that all qualified vendors have access to the Institution's business and that no offeror be arbitrarily or capriciously excluded, it is the intent of the governing body of the Institution that competition be sought to the maximum feasible degree, that procurement procedures involve openness and administrative efficiency, that individual public bodies enjoy broad flexibility in fashioning details of such competition, that the rules governing contract awards be made clear in advance of the competition, that specifications reflect the procurement needs of the purchasing body rather than being drawn to favor a particular vendor, and that the purchaser and vendor freely exchange information concerning what is sought to be procured and what is offered. The Institution may consider best value concepts when procuring goods and nonprofessional services, but not construction or professional services. Professional services will be procured using a qualification-based selection process. The criteria, factors, and basis for consideration of best value and the process for the consideration of best value shall be as stated in the procurement solicitation.*

*§ 4. Definitions. -*

*As used in these Rules:*

*“Affiliate” means an individual or business that controls, is controlled by, or is under common control with another individual or business. A person controls an entity if the person owns, directly or indirectly, more than 10% of the voting securities of the entity. For the purposes of this definition “voting security” means a security that (i) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (ii) is convertible into, or entitles the holder to receive, upon its exercise, a security that confers such a right to vote. A general partnership interest shall be deemed to be a voting security.*

*“Best value,” as predetermined in the solicitation, means the overall combination of quality, price, and various elements of required services that in total are optimal relative to the Institution’s needs.*

*“Business” means any type of corporation, partnership, limited liability company, association, or sole proprietorship operated for profit.*

*“Competitive negotiation” is a method of contractor selection that includes the following elements:*

- 1. Issuance of a written Request for Proposal indicating in general terms that which is sought to be procured, specifying the factors that will be used in evaluating the proposal and containing or incorporating by reference the other applicable contractual terms and conditions, including any unique capabilities or qualifications that will be required of the contractor.*
- 2. Public notice of the Request for Proposal at least 10 days prior to the date set for receipt of proposals by publication in a newspaper or newspapers of general circulation in the area in which the contract is to be performed so as to provide reasonable notice to the maximum number of offerors that can be reasonably anticipated to submit proposals in response to the particular request. Public notice also shall be published on the Department of General Services’ central electronic procurement website and may be published on other appropriate websites. In addition, proposals may be solicited directly from potential contractors.*
- 3. a. Procurement of professional services. The procurement of professional services for capital projects shall be conducted using a qualification-based selection process. The Institution shall engage in individual discussions with two or more offerors deemed fully qualified, responsible and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. The offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. The Request for Proposal shall not, however, request that*

*offerors furnish estimates of man-hours or cost for services. At the discussion stage, the Institution may discuss nonbinding estimates of total project costs, including, but not limited to, life-cycle costing, and where appropriate, nonbinding estimates of price for services. Proprietary information from competing offerors shall not be disclosed to the public or to competitors. At the conclusion of discussion, outlined in this subdivision, on the basis of evaluation factors published in the Request for Proposal and all information developed in the selection process to this point, the Institution shall select in the order of preference two or more offerors whose professional qualifications and proposed services are deemed most meritorious. Negotiations shall then be conducted, beginning with the offeror ranked first. If a contract satisfactory and advantageous to the Institution can be negotiated at a price considered fair and reasonable, the award shall be made to that offeror. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price. Should the Institution determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror.*

*A contract for architectural or professional engineering services relating to construction projects may be negotiated by the Institution, for multiple projects provided (i) the projects require similar experience and expertise, and (ii) the nature of the projects is clearly identified in the Request for Proposal. Under such contract, (a) the fair and reasonable prices, as negotiated, shall be used in determining the cost of each project performed, (b) the sum of all projects performed in one contract term shall be as set in the Request for Proposal; and (c) the project fee of any single project shall not exceed the term limit as set in the Request for Proposal. Any unused amounts from any contract term may be carried forward. Competitive negotiations for such contracts may result in awards to more than one offeror provided the Request for Proposal stated the potential for a multi-vendor award.*

*Multiphase professional services contracts satisfactory and advantageous to the Institution for environmental, location, design and inspection work regarding construction of infrastructure projects may be negotiated and awarded based on qualifications at a fair and reasonable price for the first phase only, when completion of the earlier phases is necessary to provide information critical to the negotiation of a fair and reasonable price for succeeding phases. Prior to the procurement of any such contract, the Institution shall state the anticipated intended total scope of the project and determine in writing*

*that the nature of the work is such that the best interests of such Institution require awarding the contract.*

*b. Procurement of other than professional services. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the Institution shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so provided in the Request for Proposal, awards may be made to more than one offeror. Should the Institution determine in writing and in its sole discretion that only one offeror has made the best proposal, a contract may be negotiated and awarded to that offeror. "Competitive sealed bidding" is a method of contractor selection, other than for professional services, which includes the following elements:*

- 1. Issuance of a written Invitation to Bid containing or incorporating by reference the specifications and contractual terms and conditions applicable to the procurement. Unless the Institution has provided for prequalification of bidders, the Invitation to Bid shall include a statement of any requisite qualifications of potential contractors. When it is impractical to prepare initially a purchase description to support an award based on prices, an Invitation to Bid may be issued requesting the submission of unpriced offers to be followed by an Invitation to Bid limited to those bidders whose offers have been qualified under the criteria set forth in the first solicitation.*
- 2. Public notice of the Invitation to Bid at least 10 days prior to the date set for receipt of bids by publication on the Department of General Services' central electronic procurement website. Public notice also may be published in a newspaper of general circulation or on other appropriate websites, or both. In addition, bids may be solicited directly from potential contractors. Any additional solicitations shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*
- 3. Public opening and announcement of all bids received.*
- 4. Evaluation of bids based upon the requirements set forth in the invitation, which may include special qualifications of potential contractors, life-cycle costing, value analysis, and any other criteria such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose, which are helpful in determining acceptability.*

5. *Award to the lowest responsive and responsible bidder. When the terms and conditions of multiple awards are so provided in the Invitation to Bid, awards may be made to more than one bidder.*

*“Construction” means building, altering, repairing, improving or demolishing any structure, building or highway, and any draining, dredging, excavation, grading or similar work upon real property.*

*“Construction management contract” means a contract in which a party is retained by the owner to coordinate and administer contracts for construction services for the benefit of the owner, and may also include, if provided in the contract, the furnishing of construction services to the owner.*

*“Covered Institution” or “Institution” means, on and after the effective date of the initial management agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Restructuring Act.*

*“Design-build contract” means a contract between the Institution and another party in which the party contracting with the Institution agrees to both design and build the structure, roadway or other item specified in the contract.*

*“Goods” means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.*

*“Informality” means a minor defect or variation of a bid or proposal from the exact requirements of the Invitation to Bid, or the Request for Proposal, which does not affect the price, quality, quantity or delivery schedule for the goods, services or construction being procured.*

*“Multiphase professional services contract” means a contract for the providing of professional services where the total scope of work of the second or subsequent phase of the contract cannot be specified without the results of the first or prior phase of the contract.*

*“Nonprofessional services” means any services not specifically identified as professional services in the definition of professional services and includes small construction projects valued not over \$1 million; provided that subdivision 3a of the definition of “competitive negotiation” in this section shall still apply to professional services for such small construction projects.*

*“Potential bidder or offeror” for the purposes of §§ 50 and 54 of these Rules means a person who, at the time the Institution negotiates and awards or proposes to award a*

*contract, is engaged in the sale or lease of goods, or the sale of services, insurance or construction, of the type to be procured under the contract, and who at such time is eligible and qualified in all respects to perform that contract, and who would have been eligible and qualified to submit a bid or proposal had the contract been procured through competitive sealed bidding or competitive negotiation.*

*“Professional services” means work performed by an independent contractor within the scope of the practice of accounting, actuarial services, architecture, land surveying, landscape architecture, law, dentistry, medicine, optometry, pharmacy or professional engineering.*

*“Public body” means any legislative, executive or judicial body, agency, office, department, authority, post, commission, committee, institution, board or political subdivision created by law to exercise some sovereign power or to perform some governmental duty, and empowered by law to undertake the activities described in these Rules.*

*“Public contract” means an agreement between the Institution and a nongovernmental source that is enforceable in a court of law.*

*“Responsible bidder” or “offeror” means a person who has the capability, in all respects, to perform fully the contract requirements and the moral and business integrity and reliability that will assure good faith performance, and who has been prequalified, if required.*

*“Responsive bidder” means a person who has submitted a bid that conforms in all material respects to the Invitation to Bid.*

*“Restructuring Act” or “Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Rules” means these Rules Governing Procurement of Goods, Services, Insurance, and Construction adopted by the governing body of the Covered Institution.*

*“Reverse auctioning” means a procurement method wherein bidders are invited to bid on specified goods or nonprofessional services through real-time electronic bidding, with the award being made to the lowest responsive and responsible bidder. During the bidding process, bidders’ prices are revealed and bidders shall have the opportunity to modify their bid prices for the duration of the time period established for bid opening.*

*“Services” means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies.*

*“Sheltered workshop” means a work-oriented rehabilitative facility with a controlled working environment and individual goals that utilizes work experience and related services*

*for assisting the handicapped person to progress toward normal living and a productive vocational status.*

*§ 5. Methods of procurement. -*

*A. All public contracts with nongovernmental contractors for the purchase or lease of goods, or for the purchase of services, insurance, or construction, shall be awarded after competitive sealed bidding, or competitive negotiation as provided in this section, unless otherwise authorized by law.*

*B. Professional services shall be procured by competitive negotiation. Qualification-based selection shall be used for design services.*

*C. Goods, services, or insurance may be procured by competitive negotiation.*

*D. Construction may be procured only by competitive sealed bidding, except that competitive negotiation may be used in the following instances upon a determination made in advance by the Institution and set forth in writing that competitive sealed bidding is either not practicable or not fiscally advantageous to the public, which writing shall document the basis for this determination:*

*1. By the Institution on a fixed price design-build basis or construction management basis under § 7;*

*2. By the Institution for the construction, alteration, repair, renovation or demolition of buildings; or*

*3. By the Institution for the construction of highways and any draining, dredging, excavation, grading or similar work upon real property.*

*E. Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. The writing shall document the basis for this determination. The Institution shall issue a written notice stating that only one source was determined to be practicably available, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first. Public notice shall also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and may be published on other appropriate websites.*

*F. In case of emergency, a contract may be awarded without competitive sealed bidding or competitive negotiation; however, such procurement shall be made with such*

*competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file. The Institution shall issue a written notice stating that the contract is being awarded on an emergency basis, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first, or as soon thereafter as is practicable. Public notice may also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and other appropriate websites.*

*G. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for goods and services other than professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however, such small purchase procedures shall provide for competition wherever practicable.*

*H. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive negotiation for single or term contracts for professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however such small purchase procedures shall provide for competition wherever practicable.*

*I. Upon a determination made in advance by the Institution and set forth in writing that the purchase of goods, products or commodities from a public auction sale is in the best interests of the public, such items may be purchased at the auction, including online public auctions. The writing shall document the basis for this determination.*

*J. The purchase of goods or nonprofessional services, but not construction or professional services, may be made by reverse auctioning.*

*§ 6. Cooperative procurement. -*

*A. In circumstances where the Institution determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the Institution that meet its business goals and objectives, the Institution is authorized to participate in, sponsor, conduct, or administer a cooperative procurement arrangement on behalf of or in conjunction with public bodies, public or private health or educational institutions, other public or private organizations or entities, including public-private partnerships, charitable organizations, health care provider alliances or purchasing organizations or*

*entities, or with public agencies or institutions or group purchasing organizations of the several states, territories of the United States, or the District of Columbia, for the purpose of combining requirements to effect cost savings or reduce administrative expense in any acquisition of goods and services, other than professional services. The Institution may purchase from any authority, department, agency, institution, city, county, town, or other political subdivision of the Commonwealth's contract even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies. In such instances, deviation from the procurement procedures set forth in these Rules and the administrative policies and procedures established to implement these Rules shall be permitted. Notwithstanding all of the above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. Nothing herein shall prohibit the payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.*

*B. In circumstances where statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to meet the Institution's business goals and objectives, and as authorized by the United States Congress and consistent with applicable federal regulations, and provided the terms of the contract permit such purchases:*

- 1. The Institution may purchase goods and nonprofessional services, from a United States General Services Administration contract or a contract awarded by any other agency of the United States government; and*
- 2. The Institution may purchase telecommunications and information technology goods and nonprofessional services from a United States General Services Administration contract or a contract awarded by any other agency of the United States government.*

*§ 7. Design-build or construction management contracts authorized. -*

*A. Notwithstanding any other provisions of law, the Institution may enter into contracts on a fixed price design-build basis or construction management basis in accordance with the provisions of this section.*

*B. Procurement of construction by the design-build or construction management method shall be a two-step competitive negotiation process. In the first step, offerors shall be requested to submit their qualifications. Based upon the information submitted and any other relevant information which the Commonwealth may obtain, no more than five offerors deemed most suitable for the project shall be selected by the Commonwealth and requested to submit proposals.*

*§ 8. Modification of the contract. -*

*A. A contract awarded by the Institution may include provisions for modification of the contract during performance, but no fixed-price contract may be increased by more than 25% of the amount of the contract or \$50,000, whichever is greater, without the advance written approval of the Institution's president or his designee. In no event may the amount of any contract, without adequate consideration, be increased for any purpose, including, but not limited to, relief of an offeror from the consequences of an error in its bid or offer.*

*B. The Institution may extend the term of an existing contract for services to allow completion of any work undertaken but not completed during the original term of the contract.*

*C. Nothing in this section shall prevent the Institution from placing greater restrictions on contract modifications.*

*§ 9. Discrimination prohibited; participation of small, women- and minority-owned business. -*

*A. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment. Whenever solicitations are made, the Institution shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*

*B. The Institution shall establish programs consistent with this section to facilitate the participation of small businesses and businesses owned by women and minorities in procurement transactions. The programs established shall be in writing and shall include cooperation with the Department of Minority Business Enterprise, the United States Small Business Administration, and other public or private agencies. The Institution shall submit annual progress reports on minority business procurement to the Department of Minority Business Enterprise.*

*C. Whenever there exists (i) a rational basis for small business enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women- and minority-owned businesses, the Governor is by law authorized and encouraged to require the Institution to implement appropriate enhancement or remedial measures consistent with prevailing law.*

*D. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless it has made a written determination that employing ex-offenders on the specific contract is not in its best interest.*

*§ 10. Employment discrimination by contractor prohibited; required contract provisions. -*

*The Institution shall include in every contract of more than \$10,000 the following provisions:*

*1. During the performance of this contract, the contractor agrees as follows:*

*a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.*

*b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.*

*c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.*

*2. The contractor will include the provisions of the foregoing paragraphs a, b and c in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*§ 11. Drug-free workplace to be maintained by contractor; required contract provisions.-*

*The Institution shall include in every contract over \$10,000 the following provisions:*

*During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*For the purposes of this section, "drug-free workplace" means a site for the "performance of work done in connection with a specific contract awarded to a contractor in accordance with these Rules, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.*

*§ 12. Use of brand names. -*

*Unless otherwise provided in the Invitation to Bid, the name of a certain brand, make or manufacturer shall not restrict bidders to the specific brand, make or manufacturer named and shall be deemed to convey the general style, type, character, and quality of the article desired. Any article that the Institution in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.*

*§ 13. Comments concerning specifications. -*

*The Institution shall establish procedures whereby comments concerning specifications or other provisions in Invitations to Bid or Requests for Proposal can be received and considered prior to the time set for receipt of bids or proposals or award of the contract.*

*§ 14. Prequalification generally; prequalification for construction. -*

*A. Prospective contractors may be prequalified for particular types of supplies, services, insurance or construction, and consideration of bids or proposals limited to prequalified contractors. Any prequalification procedure shall be established in writing and sufficiently in advance of its implementation to allow potential contractors a fair opportunity to complete the process.*

*B. Any prequalification of prospective contractors for construction by the Institution shall be pursuant to a prequalification process for construction projects adopted by the Institution. The process shall be consistent with the provisions of this section.*

*The application form used in such process shall set forth the criteria upon which the qualifications of prospective contractors will be evaluated. The application form shall request of prospective contractors only such information as is appropriate for an objective evaluation of all prospective contractors pursuant to such criteria. The form shall allow the prospective contractor seeking prequalification to request, by checking the appropriate box, that all information voluntarily submitted by the contractor pursuant to this subsection shall be considered a trade secret or proprietary information subject to the provisions of subsection D of § 34 of these Rules.*

*In all instances in which the Institution requires prequalification of potential contractors for construction projects, advance notice shall be given of the deadline for the submission of prequalification applications. The deadline for submission shall be sufficiently in advance of the date set for the submission of bids for such construction so as to allow the procedures set forth in this subsection to be accomplished.*

*At least 30 days prior to the date established for submission of bids or proposals under the procurement of the contract for which the prequalification applies, the Institution shall advise in writing each contractor who submitted an application whether that contractor has been prequalified. In the event that a contractor is denied prequalification, the*

*written notification to the contractor shall state the reasons for the denial of pre-qualification and the factual basis of such reasons.*

*A decision by the Institution denying prequalification under the provisions of this subsection shall be final and conclusive unless the contractor appeals the decision as provided in § 54 of these Rules.*

*C. The Institution may deny prequalification to any contractor only if the Institution finds one of the following:*

- 1. The contractor does not have sufficient financial ability to perform the contract that would result from such procurement. If a bond is required to ensure performance of a contract, evidence that the contractor can acquire a surety bond from a corporation included on the United States Treasury list of acceptable surety corporations in the amount and type required by the Institution shall be sufficient to establish the financial ability of the contractor to perform the contract resulting from such procurement;*
- 2. The contractor does not have appropriate experience to perform the construction project in question;*
- 3. The contractor or any officer, director or owner thereof has had judgments entered against him within the past 10 years for the breach of contracts for governmental or non-governmental construction, including, but not limited to, design-build or construction management;*
- 4. The contractor has been in substantial noncompliance with the terms and conditions of prior construction contracts with the Institution without good cause. If the Institution has not contracted with a contractor in any prior construction contracts, the Institution may deny prequalification if the contractor has been in substantial noncompliance with the terms and conditions of comparable construction contracts with another public body without good cause. The Institution may not utilize this provision to deny prequalification unless the facts underlying such substantial noncompliance were documented in writing in the prior construction project file and such information relating thereto given to the contractor at that time, with the opportunity to respond;*
- 5. The contractor or any officer, director, owner, project manager, procurement manager or chief financial official thereof has been convicted within the past 10 years of a crime related to governmental or nongovernmental construction or contracting, including, but not limited to, a violation of (i) Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) the Virginia Governmental Frauds Act (§ [18.2-498.1](#) et seq.), (iii) Chapter 4.2 (§ [59.1-68.6](#) et seq.) of Title 59.1, or (iv) any substantially similar law of the United States or another state;*

6. *The contractor or any officer, director or owner thereof is currently debarred pursuant to an established debarment procedure from bidding or contracting by any public body, agency of another state or agency of the federal government; and*

7. *The contractor failed to provide to the Institution in a timely manner any information requested by the Institution relevant to subdivisions 1 through 6 of this subsection.*

§ 15. *Negotiation with lowest responsible bidder. -*

*Unless canceled or rejected, a responsive bid from the lowest responsible bidder shall be accepted as submitted, except that if the bid from the lowest responsible bidder exceeds available funds, the Institution may negotiate with the apparent low bidder to obtain a contract price within available funds. However, the negotiation may be undertaken only under conditions and procedures described in writing and approved by the Institution prior to issuance of the Invitation to Bid and summarized therein.*

§ 16. *Cancellation, rejection of bids; waiver of informalities. -*

A. *An Invitation to Bid, a Request for Proposal, any other solicitation, or any and all bids or proposals, may be canceled or rejected. The reasons for cancellation or rejection shall be made part of the contract file. The Institution shall not cancel or reject an Invitation to Bid, a Request for Proposal, any other solicitation, bid or proposal pursuant to this section solely to avoid awarding a contract to a particular responsive and responsible bidder or offeror.*

B. *The Institution may waive informalities in bids.*

§ 17. *Exclusion of insurance bids prohibited. -*

*Notwithstanding any other provision of law, no insurer licensed to transact the business of insurance in the Commonwealth or approved to issue surplus lines insurance in the Commonwealth shall be excluded from presenting an insurance bid proposal to the Institution in response to a request for proposal or an invitation to bid. Nothing in this section shall preclude the Institution from debarring a prospective insurer pursuant to § 18.*

§ 18. *Debarment. -*

*Prospective contractors may be debarred from contracting for particular types of supplies, services, insurance or construction, for specified periods of time. Any debarment procedure shall be established in writing by the Institution. Any debarment procedure may provide for debarment on the basis of a contractor's unsatisfactory performance for the Institution.*

§ 19. *Purchase programs for recycled goods; Institution responsibilities. -*

A. *The Institution may implement a purchase program for recycled goods and may coordinate its efforts so as to achieve the goals and objectives set forth in §§ [10.1-](#)*

[1425.6](#), [10.1-1425.7](#), and [10.1-1425.8](#) of the Code of Virginia and §§ 20 and 22 of these Rules.

*B. The Department of Environmental Quality, with advice from the Virginia Recycling Markets Development Council, shall advise the Institution concerning the designation of recycled goods.*

*§ 20. Preference for Virginia products with recycled content and for Virginia firms. -*

*A. In the case of a tie bid, preference shall be given to goods produced in Virginia, goods or services or construction provided by Virginia persons, firms or corporations; otherwise the tie shall be decided by lot.*

*B. Whenever any bidder is a resident of any other state and such state under its laws allows a resident contractor of that state a preference, a like preference may be allowed by the Institution to the lowest responsive and responsible bidder who is a resident of Virginia.*

*C. Notwithstanding the provisions of subsections A and B, in the case of a tie bid in instances where goods are being offered, and existing price preferences have already been taken into account, preference shall be given to the bidder whose goods contain the greatest amount of recycled content.*

*§ 21. Preference for Virginia coal used in the Institution. -*

*In determining the award of any contract for coal to be purchased for use in the Institution with state funds, the Institution shall procure using competitive sealed bidding and shall award to the lowest responsive and responsible bidder offering coal mined in Virginia so long as its bid price is not more than 4% greater than the bid price of the low responsive and responsible bidder offering coal mined elsewhere.*

*§ 22. Preference for recycled paper and paper products used by the Institution. -*

*A. In determining the award of any contract for paper and paper products to be purchased for use by the Institution, it shall competitively procure recycled paper and paper products of a quality suitable for the purpose intended, so long as the price is not more than 10% greater than the price of the low responsive and responsible bidder or offeror offering a product that does not qualify under subsection B.*

*B. For purposes of this section, recycled paper and paper products means any paper or paper products meeting the EPA Recommended Content Standards as defined in 40 C.F.R. Part 247.*

*§ 23. Withdrawal of bid due to error. -*

*A. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided*

*the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*One of the following procedures for withdrawal of a bid shall be selected by the Institution and stated in the advertisement for bids: (i) the bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice; or (ii) the bidder shall submit to the Institution or designated official his original work papers, documents and materials used in the preparation of the bid within one day after the date fixed for submission of bids. The work papers shall be delivered by the bidder in person or by registered mail at or prior to the time fixed for the opening of bids. In either instance, the work papers, documents and materials may be considered as trade secrets or proprietary information subject to the conditions of subsection F of § 34 of these Rules. The bids shall be opened one day following the time fixed by the Institution for the submission of bids. Thereafter, the bidder shall have two hours after the opening of bids within which to claim in writing any mistake as defined herein and withdraw his bid. The contract shall not be awarded by the Institution until the two-hour period has elapsed. The mistake shall be proved only from the original work papers, documents and materials delivered as required herein.*

*B. The Institution may establish procedures for the withdrawal of bids for other than construction contracts.*

*C. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than 5%.*

*D. If a bid is withdrawn in accordance with this section, the lowest remaining bid shall be deemed to be the low bid.*

*E. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.*

*F. If the Institution denies the withdrawal of a bid under the provisions of this section, it shall notify the bidder in writing stating the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.*

*§ 24. Contract Pricing Arrangements. -*

*A. Public contracts may be awarded on a fixed price or cost reimbursement basis, or on any other basis that is not prohibited by these Rules.*

*B. Except in case of emergency affecting the public health, safety or welfare, no public contract shall be awarded on the basis of cost plus a percentage of cost.*

*C. A policy or contract of insurance or prepaid coverage having a premium computed on the basis of claims paid or incurred, plus the insurance carrier's administrative costs and retention stated in whole or part as a percentage of such claims, shall not be prohibited by this section.*

*§ 25. Workers' compensation requirements for construction contractors and subcontractors. -*

*A. No contractor shall perform any work on a construction project of the Institution unless he (i) has obtained, and continues to maintain for the duration of the work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the Code of Virginia, and (ii) provides prior to the award of contract, on a form furnished by the Institution, evidence of such coverage.*

*B. The Department of General Services shall provide the form to the Institution. Failure of the Institution to provide the form prior to the award of contract shall waive the requirements of clause (ii) of subsection A.*

*C. No subcontractor shall perform any work on a construction project of the Institution unless he has obtained, and continues to maintain for the duration of such work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the Code of Virginia.*

*§ 26. Retainage on construction contracts. -*

*A. In any contract issued by the Institution for construction that provides for progress payments in installments based upon an estimated percentage of completion, the contractor shall be paid at least 95% of the earned sum when payment is due, with no more than*

*5% being retained to ensure faithful performance of the contract. All amounts withheld may be included in the final payment.*

*B. Any subcontract for a public project that provides for similar progress payments shall be subject to the provisions of this section.*

*§ 27. Public construction contract provisions barring damages for unreasonable delays declared void. -*

*A. Any provision contained in any public construction contract of the Institution that purports to waive, release, or extinguish the rights of a contractor to recover costs or damages for unreasonable delay in performing such contract, either on his behalf or on behalf of his subcontractor if and to the extent the delay is caused by acts or omissions of the Institution, its agents or employees and due to causes within their control shall be void and unenforceable as against public policy.*

*B. Subsection A shall not be construed to render void any provision of a public construction contract awarded by the Institution that:*

- 1. Allows the recovery of that portion of delay costs caused by the acts or omissions of the contractor, or its subcontractors, agents or employees;*
- 2. Requires notice of any delay by the party claiming the delay;*
- 3. Provides for liquidated damages for delay; or*
- 4. Provides for arbitration or any other procedure designed to settle contract disputes.*

*C. A contractor making a claim against the Institution for costs or damages due to the alleged delaying of the contractor in the performance of its work under any public construction contract of the Institution shall be liable to the Institution and shall pay it for a percentage of all costs incurred by the Institution in investigating, analyzing, negotiating, litigating and arbitrating the claim, which percentage shall be equal to the percentage of the contractor's total delay claim that is determined through litigation or arbitration to be false or to have no basis in law or in fact.*

*D. If the Institution denies a contractor's claim for costs or damages due to the alleged delaying of the contractor in the performance of work under any public construction contract for the Institution, it shall be liable to and shall pay such contractor a percentage of all costs incurred by the contractor to investigate, analyze, negotiate, litigate and arbitrate the claim. The percentage paid by the Institution shall be equal to the percentage of the contractor's total delay claim for which the Institution's denial is determined through litigation or arbitration to have been made in bad faith.*

*§ 28. Bid bonds. -*

*A. Except in cases of emergency, all bids or proposals for construction contracts in excess of \$1 million shall be accompanied by a bid bond from a surety company*

*selected by the bidder that is authorized to do business in Virginia, as a guarantee that if the contract is awarded to the bidder, he will enter into the contract for the work mentioned in the bid. The amount of the bid bond shall not exceed 5% of the amount bid.*

*B. No forfeiture under a bid bond shall exceed the lesser of (i) the difference between the bid for which the bond was written and the next low bid, or (ii) the face amount of the bid bond.*

*C. Nothing in this section shall preclude the Institution from requiring bid bonds to accompany bids or proposals for construction contracts anticipated to be less than \$1 million.*

*§ 29. Performance and payment bonds. -*

*A. Upon the award by the Institution of any (i) public construction contract exceeding \$1 million awarded to any prime contractor or (ii) public construction contract exceeding \$1 million awarded to any prime contractor requiring the performance of labor or the furnishing of materials for buildings, structures or other improvements to real property owned by the Institution, the contractor shall furnish to the Institution the following bonds:*

*1. Except for transportation-related projects, a performance bond in the sum of the contract amount conditioned upon the faithful performance of the contract in strict conformity with the plans, specifications and conditions of the contract. For transportation-related projects, such bond shall be in a form and amount satisfactory to the Institution.*

*2. A payment bond in the sum of the contract amount. The bond shall be for the protection of claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom the contract was awarded, or to any subcontractors, in furtherance of the work provided for in the contract, and shall be conditioned upon the prompt payment for all materials furnished or labor supplied or performed in the furtherance of the work.*

*"Labor or materials" shall include public utility services and reasonable rentals of equipment, but only for periods when the equipment rented is actually used at the site.*

*B. Each of the bonds shall be executed by one or more surety companies selected by the contractor that are authorized to do business in Virginia.*

*C. The bonds shall be payable to the Commonwealth of Virginia naming also the Institution.*

*D. Each of the bonds shall be filed with the Institution, or a designated office or official thereof.*

*E. Nothing in this section shall preclude the Institution from requiring payment or performance bonds for construction contracts below \$1 million.*

*F. Nothing in this section shall preclude the contractor from requiring each subcontractor to furnish a payment bond with surety thereon in the sum of the full amount of the contract with such subcontractor conditioned upon the payment to all persons who have and fulfill contracts that are directly with the subcontractor for performing labor and furnishing materials in the prosecution of the work provided for in the subcontract.*

*§ 30. Alternative forms of security. -*

*A. In lieu of a bid, payment, or performance bond, a bidder may furnish a certified check or cash escrow in the face amount required for the bond.*

*B. If approved by the Institution's General Counsel or his equivalent, a bidder may furnish to the Institution a personal bond, property bond, or bank or savings institution's letter of credit on certain designated funds in the face amount required for the bid, payment or performance bond. Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the Institution equivalent to a corporate surety's bond.*

*§ 31. Bonds on other than construction contracts. -*

*The Institution may require bid, payment, or performance bonds for contracts for goods or services if provided in the Invitation to Bid or Request for Proposal.*

*§ 32. Action on performance bond. -*

*No action against the surety on a performance bond shall be brought by the Institution unless brought within one year after (i) completion of the contract, including the expiration of all warranties and guarantees, or (ii) discovery of the defect or breach of warranty that gave rise to the action.*

*§ 33. Actions on payment bonds; waiver of right to sue. -*

*A. Subject to the provisions of subsection B, any claimant who has performed labor or furnished material in accordance with the contract documents in furtherance of the work provided in any contract for which a payment bond has been given, and who has not been paid in full before the expiration of 90 days after the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, may bring an action on the payment bond to recover any amount due him for the labor or material. The obligee named in the bond need not be named a party to the action.*

*B. Any claimant who has a direct contractual relationship with any subcontractor but who has no contractual relationship, express or implied, with the contractor, may bring an action on the contractor's payment bond only if he has given written notice to the contractor within 180 days from the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, stating with*

*substantial accuracy the amount claimed and the name of the person for whom the work was performed or to whom the material was furnished. Notice to the contractor shall be served by registered or certified mail, postage prepaid, in an envelope addressed to such contractor at any place where his office is regularly maintained for the transaction of business. Claims for sums withheld as retainages with respect to labor performed or materials furnished, shall not be subject to the time limitations stated in this subsection.*

*C. Any action on a payment bond shall be brought within one year after the day on which the person bringing such action last performed labor or last furnished or supplied materials.*

*D. Any waiver of the right to sue on the payment bond required by this section shall be void unless it is in writing, signed by the person whose right is waived, and executed after such person has performed labor or furnished material in accordance with the contract documents.*

*§ 34. Public inspection of certain records. -*

*A. Except as provided in this section, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.).*

*B. Cost estimates relating to a proposed procurement transaction prepared by or for the Institution shall not be open to public inspection.*

*C. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of all bids but prior to award, except in the event that the Institution decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract.*

*D. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award, except in the event that the Institution decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to public inspection only after award of the contract.*

*E. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.*

*F. Trade secrets or proprietary information submitted by a bidder, offeror or contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection B of § 14 shall not be subject to the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.); however, the bidder, offeror or contractor shall (i) invoke the*

*protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary.*

*§ 35. Exemption for certain transactions. -*

*A. The provisions of these Rules shall not apply to:*

*1. The selection of services related to the management and investment of the Institution's endowment funds, endowment income, or gifts pursuant to § [23-76.1](#). However, selection of these services shall be governed by the Uniform Management of Institutional Funds Act (§ [55-268.1](#) et seq.) as required by § [23-76.1](#).*

*2. The purchase of items for resale at retail bookstores and similar retail outlets operated by the Institution. However, such purchase procedures shall provide for competition where practicable.*

*3. Procurement of any construction or planning and design services for construction by the Institution when (i) the planning, design or construction is \$50,000 or less or (ii) the Institution is obligated to conform to procurement procedures that are established by federal statutes or regulations, whether or not those federal procedures are in conformance with the provisions of these Rules.*

*4. The University of Virginia Medical Center.*

*5. The purchase of goods and services by the Institution when such purchases are made under a remedial plan established by the Governor pursuant to subsection C of § 9 of these Rules.*

*B. Where a procurement transaction involves the expenditure of federal assistance or contract funds, the receipt of which is conditioned upon compliance with mandatory requirements in federal laws or regulations not in conformance with the provisions of these Rules, the Institution may comply with such federal requirements, notwithstanding the provisions of these Rules, only upon the written determination of the Institution's President or his designee that acceptance of the grant or contract funds under the applicable conditions is in the public interest. Such determination shall state the specific provision of these Rules in conflict with the conditions of the grant or contract.*

*§ 36. Permitted contracts with certain religious organizations; purpose; limitations. -*

*A. The Opportunity Reconciliation Act of 1996, P.L. 104-193, authorizes public bodies to enter into contracts with faith-based organizations for the purposes described in this section on the same basis as any other nongovernmental source without impairing the religious character of such organization, and without diminishing the religious freedom of the beneficiaries of assistance provided under this section.*

*B. For the purposes of this section, "faith-based organization" means a religious organization that is or applies to be a contractor to provide goods or services for programs funded by the block grant provided pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193.*

*C. The Institution, in procuring goods or services, or in making disbursements pursuant to this section, shall not (i) discriminate against a faith-based organization on the basis of the organization's religious character or (ii) impose conditions that (a) restrict the religious character of the faith-based organization, except as provided in subsection F, or (b) impair, diminish, or discourage the exercise of religious freedom by the recipients of such goods, services, or disbursements.*

*D. The Institution shall ensure that all invitations to bid, requests for proposals, contracts, and purchase orders prominently display a nondiscrimination statement indicating that it does not discriminate against faith-based organizations.*

*E. A faith-based organization contracting with the Institution (i) shall not discriminate against any recipient of goods, services, or disbursements made pursuant to a contract authorized by this section on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and (ii) shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the Institution. Nothing in clause (ii) shall be construed to supercede or otherwise override any other applicable state law.*

*F. Consistent with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, funds provided for expenditure pursuant to contracts with public bodies shall not be spent for sectarian worship, instruction, or proselytizing; however, this prohibition shall not apply to expenditures pursuant to contracts, if any, for the services of chaplains.*

*G. Nothing in this section shall be construed as barring or prohibiting a faith-based organization from any opportunity to make a bid or proposal or contract on the grounds that the faith-based organization has exercised the right, as expressed in 42 U.S.C. (§ 2000e-1 et seq.), to employ persons of a particular religion.*

*H. If an individual, who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization, objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the Institution*

*shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.*

*The Institution shall provide to each individual who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization a notice in bold face type that states: "Neither the Institution's selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider or notify the appropriate person as indicated in this form."*

*§ 37. Exemptions from competition for certain transactions. -*

*The Institution may enter into contracts without competition, as that term is described in subsections A through J of § 5 (Methods of procurement) of these Rules, for:*

- 1. The purchase of goods or services that are produced or performed by or related to:
  - a. Persons, or in schools or workshops, under the supervision of the Virginia Department for the Blind and Vision Impaired;*
  - b. Nonprofit sheltered workshops or other nonprofit organizations that offer transitional or supported employment services serving the handicapped;*
  - c. Private educational institutions; or*
  - d. Other public educational institutions.**
- 2. Speakers and performing artists;*
- 3. Memberships and Association dues;*
- 4. Sponsored research grant sub-awards and contract sub-awards, not to include the purchase of goods or services by the Institution;*
- 5. Group travel in foreign countries;*
- 6. Conference facilities and services;*
- 7. Participation in intercollegiate athletic tournaments and events including team travel and lodging, registration and tournament fees;*
- 8. Royalties; or*
- 9. The purchase of legal services, provided that the Office of the Attorney General has been consulted, or expert witnesses or other services associated with litigation or regulatory proceedings.*

§ 38. *Exemptions from competitive sealed bidding and competitive negotiation for certain transactions; limitations. -*

*The Institution may enter into contracts for insurance or electric utility service without competitive sealed bidding or competitive negotiation if purchased through an association of which the Institution is a member if the association was formed and is maintained for the purpose of promoting the interest and welfare of and developing close relationships with similar public bodies, provided such association has procured the insurance or electric utility services by use of competitive principles and provided that the Institution has made a determination in advance after reasonable notice to the public and set forth in writing that competitive sealed bidding and competitive negotiation are not fiscally advantageous to the public. The writing shall document the basis for this determination.*

§ 39. *Definitions. -*

*As used in §§ 39 through 46, unless the context requires a different meaning:*

*"Contractor" means the entity that has a direct contract with the Institution.*

*"Debtor" means any individual, business, or group having a delinquent debt or account with any state agency that obligation has not been satisfied or set aside by court order or discharged in bankruptcy.*

*"Payment date" means either (i) the date on which payment is due under the terms of a contract for provision of goods or services; or (ii) if such date has not been established by contract, (a) 30 days after receipt of a proper invoice by the Institution or its agent or (b) 30 days after receipt of the goods or services by the Institution.*

*"Subcontractor" means any entity that has a contract to supply labor or materials to the contractor to whom the contract was awarded or to any subcontractor in the performance of the work provided for in such contract.*

§ 40. *Exemptions. -*

*The provisions of §§ 39 through 46 shall not apply to the late payment provisions contained in any public utility tariffs prescribed by the State Corporation Commission.*

§ 41. *Retainage to remain valid. -*

*Notwithstanding the provisions of §§ 39 through 46, the provisions of § 26 relating to retainage shall remain valid.*

§ 42. *Prompt payment of bills by the Institution. -*

*A. The Institution shall promptly pay for the completely delivered goods or services by the required payment date.*

*Payment shall be deemed to have been made when offset proceedings have been instituted, as authorized under the Virginia Debt Collection Act (§ [2.2-4800](#) et seq.) of the Code of Virginia.*

*B. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial deliveries or executions to the extent that such contract provides for separate payment for such partial delivery or execution.*

*§ 43. Defect or impropriety in the invoice or goods and/or services received. -*

*In instances where there is a defect or impropriety in an invoice or in the goods or services received, the Institution shall notify the supplier of the defect or impropriety, if the defect or impropriety would prevent payment by the payment date. The notice shall be sent within 15 days after receipt of the invoice or the goods or services.*

*§ 44. Date of postmark deemed to be date payment is made. -*

*In those cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made for purposes of these Rules.*

*§ 45. Payment clauses to be included in contracts. -*

*Any contract awarded by the Institution shall include:*

*1. A payment clause that obligates the contractor to take one of the two following actions within seven days after receipt of amounts paid to the contractor by the Institution for work performed by the subcontractor under that contract:*

*a. Pay the subcontractor for the proportionate share of the total payment received from the Institution attributable to the work performed by the subcontractor under that contract;*  
*or*

*b. Notify the Institution and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.*

*2. A payment clause that requires (i) individual contractors to provide their social security numbers and (ii) proprietorships, partnerships, and corporations to provide their federal employer identification numbers.*

*3. An interest clause that obligates the contractor to pay interest to the subcontractor on all amounts owed by the contractor that remain unpaid after seven days following receipt by the contractor of payment from the Institution for work performed by the subcontractor under that contract, except for amounts withheld as allowed in subdivision 1.*

*4. An interest rate clause stating, "Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of 1% per month."*

*Any such contract awarded shall further require the contractor to include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject*

*to the same payment and interest requirements with respect to each lower-tier subcontractor.*

*A contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of the Institution. A contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.*

*§ 46. Interest penalty; exceptions. -*

*A. Interest shall accrue, at the rate determined pursuant to subsection B, on all amounts owed by the Institution to a vendor that remain unpaid after seven days following the payment date. However, nothing in this section shall affect any contract providing for a different rate of interest, or for the payment of interest in a different manner.*

*B. The rate of interest charged the Institution pursuant to subsection A shall be the base rate on corporate loans (prime rate) at large United States money center commercial banks as reported daily in the publication entitled *The Wall Street Journal*. Whenever a split prime rate is published, the lower of the two rates shall be used. However, in no event shall the rate of interest charged exceed the rate of interest established pursuant to [§ 58.1-1812](#) of the Code of Virginia.*

*C. Notwithstanding subsection A, no interest penalty shall be charged when payment is delayed because of disagreement between the Institution and a vendor regarding the quantity, quality or time of delivery of goods or services or the accuracy of any invoice received for the goods or services. The exception from the interest penalty provided by this subsection shall apply only to that portion of a delayed payment that is actually the subject of the disagreement and shall apply only for the duration of the disagreement.*

*D. This section shall not apply to § 26 pertaining to retainage on construction contracts, during the period of time prior to the date the final payment is due. Nothing contained herein shall prevent a contractor from receiving interest on such funds under an approved escrow agreement.*

*E. Notwithstanding subsection A, no interest penalty shall be paid to any debtor on any payment, or portion thereof, withheld pursuant to the Comptroller's Debt Setoff Program, as authorized by the Virginia Debt Collection Act ([§ 2.2-4800](#) et seq. of the Code of Virginia), commencing with the date the payment is withheld. If, as a result of an error, a payment or portion thereof is withheld, and it is determined that at the time of setoff no debt was owed to the Commonwealth, then interest shall accrue at the rate determined pursuant to subsection B on amounts withheld that remain unpaid after seven days following the payment date.*

*§ 47. Ineligibility. -*

*A. Any bidder, offeror or contractor refused permission to participate, or disqualified from participation, in public contracts to be issued by the Institution shall be notified in writing. Prior to the issuance of a written determination of disqualification or ineligibility, the Institution shall (i) notify the bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.*

*Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of disqualification or ineligibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received such rebuttal information.*

*If the evaluation reveals that the bidder, offeror or contractor should be allowed permission to participate in the public contract, the Institution shall cancel the proposed disqualification action. If the evaluation reveals that the bidder should be refused permission to participate, or disqualified from participation, in the public contract, the Institution shall so notify the bidder, offeror or contractor. The notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If, upon appeal, it is determined that the action taken was arbitrary or capricious, or not in accordance with the Constitution of Virginia, applicable state law or regulations, the sole relief shall be restoration of eligibility.*

*§ 48. Appeal of denial of withdrawal of bid. -*

*A. A decision denying withdrawal of bid under the provisions of § 23 of these Rules shall be final and conclusive unless the bidder appeals the decision within 10 days after receipt of the decision by invoking administrative procedures meeting the standards of § 55, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If no bid bond was posted, a bidder refused withdrawal of a bid under the provisions of § 23, prior to appealing, shall deliver to the Institution a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.*

*C. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, the sole relief shall be withdrawal of the bid.*

*§ 49. Determination of nonresponsibility. -*

*A. Following public opening and announcement of bids received on an Invitation to Bid, the Institution shall evaluate the bids in accordance with element 4 of the definition of "Competitive sealed bidding" in § 4 of these Rules. At the same time, the Institution shall determine whether the apparent low bidder is responsible. If the Institution so determines, then it may proceed with an award in accordance with element 5 of the definition of "Competitive sealed bidding" in § 4. If the Institution determines that the apparent low bidder is not responsible, it shall proceed as follows:*

*1. Prior to the issuance of a written determination of nonresponsibility, the Institution shall (i) notify the apparent low bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the apparent low bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.*

*2. Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of responsibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received the rebuttal information. At the same time, the Institution shall notify, with return receipt requested, the bidder in writing of its determination.*

*3. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*The provisions of this subsection shall not apply to procurements involving the pre-qualification of bidders and the rights of any potential bidders under such pre-qualification to appeal a decision that such bidders are not responsible.*

*B. If, upon appeal pursuant to § 54 or 55 of these Rules, it is determined that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and the award of the contract in question has not been made, the sole relief shall be a finding that the bidder*

*is a responsible bidder for the contract in question or directed award as provided in subsection A of § 54, or both.*

*If it is determined that the decision of the Institution was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and an award of the contract has been made, the relief shall be as set forth in subsection B of § 54 of these Rules.*

*C. A bidder contesting a determination that he is not a responsible bidder for a particular contract shall proceed under this section, and may not protest the award or proposed award under the provisions of § 50 of these Rules.*

*D. Nothing contained in this section shall be construed to require the Institution, when procuring by competitive negotiation, to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous.*

*§ 50. Protest of award or decision to award. -*

*A. Any bidder or offeror, who desires to protest the award or decision to award a contract shall submit the protest in writing to the Institution, or an official designated by the Institution, no later than 10 days after the award or the announcement of the decision to award, whichever occurs first. Public notice of the award or the announcement of the decision to award shall be given by the Institution in the manner prescribed in the terms or conditions of the Invitation to Bid or Request for Proposal. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit the protest in the same manner no later than 10 days after posting or publication of the notice of such contract as provided in § 5 of these Rules. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction that are subject to inspection under § 34 of these Rules, then the time within which the protest shall be submitted shall expire 10 days after those records are available for inspection by such bidder or offeror under § 34, or at such later time as provided in this section. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The Institution or designated official shall issue a decision in writing within 10 days stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within 10 days of receipt of the written decision by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54. Nothing in this subsection shall be construed to permit a bidder to*

*challenge the validity of the terms or conditions of the Invitation to Bid or Request for Proposal. The use of Alternative Dispute Resolution (ADR) shall constitute an administrative appeal procedure meeting the standards of § 55 of these Rules.*

*B. If prior to an award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The Institution shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided.*

*Where the award has been made but performance has not begun, the performance of the contract may be enjoined. Where the award has been made and performance has begun, the Institution may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.*

*C. Where the Institution, an official designated by it, or an appeals board determines, after a hearing held following reasonable notice to all bidders, that there is probable cause to believe that a decision to award was based on fraud or corruption or on an act in violation of these Rules, the Institution, designated official or appeals board may enjoin the award of the contract to a particular bidder.*

*§ 51. Effect of appeal upon contract. -*

*Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with these Rules shall not be affected by the fact that a protest or appeal has been filed.*

*§ 52. Stay of award during protest. -*

*An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest as provided in § 50 of these Rules, or the filing of a timely legal action as provided in § 54, no further action to award the contract shall be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.*

*§ 53. Contractual disputes. -*

*A. Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment. However, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and*

*acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.*

*B. The Institution shall include in its contracts a procedure for consideration of contractual claims. Such procedure, which may be contained in the contract or may be specifically incorporated into the contract by reference and made available to the contractor, shall establish a time limit for a final decision in writing by the Institution. If the Institution has established administrative procedures meeting the standards of § 55 of these Rules, such procedures shall be contained in the contract or specifically incorporated in the contract by reference and made available to the contractor. The Institution may require the submission of contractual claims pursuant to any contract to Alternative Dispute Resolution (ADR) as an administrative procedure.*

*C. A contractor may not invoke administrative procedures meeting the standards of § 55 of these Rules, if available, or institute legal action as provided in § 54, prior to receipt of the Institution's decision on the claim, unless the Institution fails to render such decision within the time specified in the contract.*

*D. The decision of the Institution shall be final and conclusive unless the contractor appeals within six months of the date of the final decision on the claim by the Institution by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*§ 54. Legal actions. -*

*A. A bidder or offeror, actual or prospective, who is refused permission or disqualified from participation in bidding or competitive negotiation, or who is determined not to be a responsible bidder or offeror for a particular contract, may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the petitioner establishes that the decision was not (i) an honest exercise of discretion, but rather was arbitrary or capricious; (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid; or (iii) in the case of denial of prequalification, based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. In the event the apparent low bidder, having been previously determined by the Institution to be not responsible in accordance with § 4, is found by the court to be a responsible bidder, the court may direct the Institution to award the contract to such bidder in accordance with the requirements of this section and the Invitation to Bid.*

*B. A bidder denied withdrawal of a bid under § 23 of these Rules may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the bidder establishes that the decision of the Institution was not (i) an honest exercise of*

*discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid.*

*C. A bidder, offeror or contractor, or a potential bidder or offeror on a contract negotiated on a sole source or emergency basis in the manner provided in § 5 of these Rules, whose protest of an award or decision to award under § 50 of these Rules is denied, may bring an action in the appropriate circuit court challenging a proposed award or the award of a contract, which shall be reversed only if the petitioner establishes that the proposed award or the award is not (i) an honest exercise of discretion, but rather is arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms and conditions of the Invitation to Bid or Request for Proposal.*

*D. If injunctive relief is granted, the court, upon request of the Institution, shall require the posting of reasonable security to protect the Institution.*

*E. A contractor may bring an action involving a contract dispute with the Institution in the appropriate circuit court. Notwithstanding any other provision of law, the Comptroller shall not be named as a defendant in any action brought pursuant to these Rules or § [33.1-387](#) of the Code of Virginia, except for disputes involving contracts of the Office of the Comptroller or the Department of Accounts.*

*F. A bidder, offeror or contractor need not utilize administrative procedures meeting the standards of § 55 of these Rules, if available, but if those procedures are invoked by the bidder, offeror or contractor, the procedures shall be exhausted prior to instituting legal action concerning the same procurement transaction unless the Institution agrees otherwise.*

*G. Nothing herein shall be construed to prevent the Institution from instituting legal action against a contractor.*

*§ 55. Administrative appeals procedure. -*

*A. The Institution may establish an administrative procedure for hearing (i) protests of a decision to award or an award, (ii) appeals from refusals to allow withdrawal of bids, (iii) appeals from disqualifications and determinations of nonresponsibility, and (iv) appeals from decisions on disputes arising during the performance of a contract, or (v) any of these. Such administrative procedure may include the use of Alternative Dispute Resolution (ADR) or shall provide for a hearing before a disinterested person or panel, the opportunity to present pertinent information and the issuance of a written decision containing findings of fact. The disinterested person or panel shall not be an employee of the governmental entity against whom the claim has been filed. The findings of fact shall*

*be final and conclusive and shall not be set aside unless the same are (a) fraudulent, arbitrary or capricious; (b) so grossly erroneous as to imply bad faith; or (c) in the case of denial of prequalification, the findings were not based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. No determination on an issue of law shall be final if appropriate legal action is instituted in a timely manner. The Institution may seek advice and input from the Alternative Dispute Resolution Council in establishing an Alternative Dispute Resolution (ADR) procedure.*

*B. Any party to the administrative procedure, including the Institution, shall be entitled to institute judicial review if such action is brought within 30 days of receipt of the written decision.*

*§ 56. Alternative dispute resolution. -*

*The Institution may enter into agreements to submit disputes arising from contracts entered into pursuant to these Rules to arbitration and utilize mediation and other alternative dispute resolution procedures. However, such procedures shall be nonbinding and subject to § [2.2-514](#) of the Code of Virginia, as applicable.*

*§ 57. Ethics in public contracting. -*

*The Institution and its governing body, officers and employees shall be governed by the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia.*

## EXHIBIT K

### MANAGEMENT AGREEMENT

### BETWEEN

THE COMMONWEALTH OF VIRGINIA

AND

THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA

AND

THE VIRGINIA INSTITUTE OF MARINE SCIENCE

PURSUANT TO

THE RESTRUCTURED HIGHER EDUCATION FINANCIAL AND ADMINISTRATIVE OPERATIONS ACT OF 2005

*POLICY GOVERNING  
HUMAN RESOURCES FOR  
PARTICIPATING COVERED EMPLOYEES  
AND OTHER COLLEGE EMPLOYEES*

*THE RECTOR AND VISITORS OF  
THE COLLEGE OF WILLIAM AND MARY IN VIRGINIA  
POLICY GOVERNING HUMAN RESOURCES FOR  
PARTICIPATING COVERED EMPLOYEES  
AND OTHER COLLEGE EMPLOYEES*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, establishes a process for the restructuring of institutions of higher education of the Commonwealth of Virginia and provides that upon becoming a Covered Institution, the College of William and Mary in Virginia shall have responsibility and accountability for human resources management for all College employees, defined in the Act as “Covered Employees,” who pursuant to subsection A of § [23-38.114](#) of the Act, “are state employees of” the College. Specifically, the Act provides that, as of the Effective Date of its initial Management Agreement with the Commonwealth, all Classified Employees shall continue to be covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and shall be subject to the policies and procedures prescribed by the Virginia Department of Human Resource Management, provided that they may subsequently elect to become Participating Covered Employees. All Participating Covered Employees shall: (i) be exempt from the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2; (ii) remain subject to the state grievance procedure for employees subject to the Virginia Personnel Act, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2, provided they were subject to the state grievance procedure prior to that Effective Date; (iii) participate in a compensation plan that is subject to the review and approval of the Board of Visitors; (iv) be hired pursuant to procedures that are based on merit and fitness; and (v)*

*may, subject to certain specified conditions, continue to participate in either state- or College-sponsored benefit plans as described by the Management Agreement.*

*The provisions of this Policy are adopted by the Board of Visitors to implement the Governing Law and constitute the human resources policies to be included in any human resources system adopted by the College for its employees.*

*This Policy is intended to cover the authority that may be granted to the College pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the College pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the College's Enabling Legislation, are not affected by this Policy.*

## *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Board of Visitors of the College of William and Mary and the Virginia Institute of Marine Science.*

*“Classified Employees” means employees who are covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and the policies and procedures established by the Virginia Department of Human Resource Management and who are not Participating Covered Employees.*

*“College” means the College of William and Mary in Virginia, formerly known as (State Agency 204) and the Virginia Institute of Marine Science, formerly known as (State Agency 268).*

*“College employee” means a Covered Employee.*

*“College Human Resources System” means the human resources system for College employees as provided for herein.*

*“Covered Employee” means any person who is employed by the College on either a salaried or nonsalaried (wage) basis.*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Employee” means Covered Employee unless the context clearly indicates otherwise.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the College.*

*“Effective Date” means the effective date of the initial Management Agreement between the College and the Commonwealth.*

*“Governing Law” means the Act and the College’s Enabling Legislation.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) of the Act between the College and the Commonwealth.*

*“Participating Covered Employee” means (i) all salaried nonfaculty College employees who were employed as of the day prior to the Effective Date of the College’s initial Management Agreement with the Commonwealth, and who elect pursuant to § [23-38.115](#) of the Act, to participate in and be governed by such human resources program or programs, plans, policies, and procedures established by the College, (ii) all salaried nonfaculty College employees who are employed by the College on or after the Effective Date of the initial Management Agreement between the College and the Commonwealth, (iii) all nonsalaried nonfaculty College employees without regard to when they were hired, (iv) all faculty College employees without regard to when they were hired.*

*“Systems” means collectively the College Human Resources System that is in effect from time to time.*

### *III. SCOPE AND PURPOSE OF COLLEGE HUMAN RESOURCES POLICIES.*

*The College has had human resources system autonomy through decentralization for its employees for some time. For example, general faculty at the College are expressly exempt from the Virginia Personnel Act. The College has had decentralization in most human resources functions and activities since the late 1980s and early 1990s, including, but not limited to, the running of payrolls; the administration of hiring, classification, and promotion practices.*

*The Act extends and reinforces the human resources autonomy previously granted to the College. This Policy therefore is adopted by the Board of Visitors to enable the College to develop, adopt, and have in place by or after the Effective Date of its initial Management Agreement with the Commonwealth, a human resources system or systems for all College employees. On that Effective Date, and until changed by the College or unless otherwise specified in this Policy, the systems for College employees shall be the same systems applicable to those employees in effect immediately prior to that Effective Date.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College's usual delegation policies and procedures.*

#### *V. COLLEGE OF WILLIAM AND MARY HUMAN RESOURCES SYSTEMS.*

##### *A. Adoption and Implementation of College Human Resources Systems.*

*The President is hereby authorized to adopt and implement human resources systems for employees of the College that are consistent with the Governing Law, other applicable provisions of law, these College human resources policies for College employees, and any other human resources policies adopted by the Department of Human Resource Management or the Board of Visitors for College personnel, unless College employees are exempted from those other human resources policies by law or policy.*

*The College Human Resources Systems shall include a delegation of personnel authority to appropriate College officials responsible for overseeing and implementing the College Human Resources Systems, including a grant of authority to such officials to engage in further delegation of authority as the President or his designee deems appropriate.*

*The College commits to regularly engage employees in appropriate discussions and to receive employee input as the new College Human Resources Systems are developed. The College will regularly communicate the details of new proposals to all employees who are eligible to participate in the College Human Resources System through written communication, open meetings, and website postings as appropriate, so that employees will have full information that will help them evaluate the merits of the new human resource system compared to the then-current State human resource system.*

*Effective on the Effective Date of its initial Management Agreement with the Commonwealth, and until amended as described below, the College's human resources systems shall consist of the following:*

- 1. The current "College of William and Mary Faculty Handbook," as it is posted on the Provost's website, <http://www.wm.edu/provost/index.php>, and periodically amended; and*

2. The current human resources system for Classified Employees in the College as posted on the Virginia Department of Human Resource Management website at <http://www.dhrm.state.va.us/hrpolicy/policy.html>; and

3. The human resources system for Participating Covered Employees, which shall include nonsalaried (wage) employees, as posted on the College Human Resources website, <http://www.wm.edu/hr.html> and periodically amended.

All the systems describe above, except the system described in paragraph 3, may be amended by the President, consistent with these human resources policies. The system described in paragraph 3 may be amended only by the State.

*B. Training in and Compliance with Applicable Provisions of Law and Board of Visitors' Human Resources Policies.*

The President, or designee, shall take all necessary and reasonable steps to assure (i) that the College officials who develop, implement and administer the College Human Resources Systems authorized by Governing Law and these human resources policies are knowledgeable regarding the requirements of the Governing Law, other applicable provisions of law, these College human resources policies, and other applicable Board of Visitors' human resources policies affecting College employees, and (ii) that compliance with such laws and human resources policies is achieved.

#### *VI. HUMAN RESOURCES POLICIES.*

The College Human Resources Systems adopted by the College pursuant to Governing Law and this Policy, as set forth in Section V above, shall embody the following human resources policies and principles:

*A. Election by College Salaried Nonfaculty Employees.*

Upon the adoption by the College of a College Human Resources System, each salaried nonfaculty College employee who was in the employment of the College, as of the day prior to the Effective Date of its initial Management Agreement with the Commonwealth shall be permitted to elect to participate in and be governed by either (i) the State human resources program set forth in Chapters 28 (§ [2.2-2800](#) et seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and administered by the Department of Human Resource Management, or (ii) the College Human Resources System, as appropriate. A salaried nonfaculty College employee who elects to continue to be governed by the State human resources program described above shall continue to be governed by all State human resources and benefit plans, programs, policies and procedures that apply to and govern State employees. A salaried nonfaculty College employee who elects to participate in and be governed by the College Human Resources System, by that election, shall be deemed to have elected to be eligible to

*participate in and to be governed by the College human resources program, authorized alternative insurance, and severance plans, programs, policies and procedures that are or may be adopted by the College as part of that College Human Resources System. The College shall provide each of its salaried nonfaculty College employees who was in the employment of the College as of the day prior to the Effective Date of the College's initial Management Agreement with the Commonwealth at least 90 days after the date on which the College Human Resources System becomes effective for that College employee's classification of employees to make the election required by the prior paragraph. If such a salaried nonfaculty College employee does not make an election by the end of that specified election period, that College employee shall be deemed not to have elected to participate in the College Human Resources System. If such a salaried nonfaculty College employee elects to participate in the College Human Resources System, that election shall be irrevocable. At least every two years, the College shall offer to salaried nonfaculty College employees who have elected to continue to participate in the state human resources program set forth in Chapters 28 (§ 22.-2800 et seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, an opportunity to elect to participate in the College Human Resources System, provided that, each time prior to offering such opportunity to such salaried nonfaculty College employees, and at least once every two years after the effective date of the College Human Resources System, the College shall make available to each of its salaried nonfaculty College employees a comparison of its human resources program for that classification of salaried nonfaculty College employee with the State human resources program for comparable State employees, including but not limited to a comparability assessment of compensation and benefits. A copy of the human resources program comparison shall be provided to the Department of Human Resource Management.*

*B. Classification and Compensation.*

*General. The Systems shall include classification and compensation plans that are fair and reasonable, and are based on the availability of College financial resources. The plans adopted by the College Participating Covered Employees shall be independent of, and need not be based on, the classification and compensation plans of the Commonwealth, do not require the approval of any State agency or officer, and shall be subject to the review and approval by the Board of Visitors as set forth in paragraph 3 below. The College shall provide information on its classification and compensation plans to all College employees. The plans applicable to Participating Covered Employees may or may not include changes in classification or compensation announced by the Commonwealth depending on such factors as the availability of necessary financial*

*resources to fund any such changes, and subject to the review and approval by the Board of Visitors of any major changes in the College's compensation plans.*

*Classification Plan. The Systems shall include one or more classification plans for College employees that classify positions according to job responsibilities and qualifications. On the Effective Date of the College's initial Management Agreement with the Commonwealth, and until changed by the College, the classification plans shall be the same plans that are in effect for each group of employees immediately prior to that Effective Date.*

*Compensation Plan. The Systems shall include one or more compensation plans for each College employee classification or group. On the Effective Date of the College's initial Management Agreement with the Commonwealth, and until changed by the Department of Human Resource Management, the compensation plan for Classified Employees in the College shall be the compensation plan in effect immediately prior to that Effective Date, known as the Commonwealth's Classified Compensation Plan. On that Effective Date, and until changed by the College, the compensation plan or plans for all Participating Covered Employees shall be the compensation plan or plans in effect immediately prior to that Effective Date. The College may adopt one or more compensation plans for Participating Covered Employees that are non-graded plan(s) based on internal and external market data and other relevant factors to be determined annually. Any major change in compensation plans for Participating Covered Employees shall be reviewed and approved by the Board of Visitors before that change becomes effective. Any change recommended in the compensation plans may take into account the prevailing rates in the labor market for the jobs in question, or for similar positions, the relative value of jobs, the competency and skills of the individual employee, internal equity, and the availability of necessary financial resources to fund the proposed change. The compensation payable to College employees shall be authorized and approved only by designated College officers delegated such authority by the College, and shall be consistent with the approved compensation plan for the relevant position or classification. Further approval by any other State Agency, governmental body or officer is not required for setting, adjusting or approving the compensation payable to individual Participating Covered Employees.*

*Wages. The Systems shall include policies and procedures for the authorization, computation and payment of wages, where appropriate, for such premium pays as overtime, shift differential, on call, and call back, and for the payment of hourly employees.*

*Payment of Compensation.* The Systems shall include policies and procedures for paying compensation to employees, including the establishment of one or more payday schedules.

*Work Schedule and Workweek.* The Systems shall include policies and procedures for the establishment of, and modifications to, work schedules and workweeks for all College employees, including alternative work schedules and sites, and telecommuting policies and procedures.

*Other Classification and Compensation Policies and Procedures.* The Systems may include any other reasonable classification and compensation policies and procedures the President deems appropriate.

*C. Benefits.*

The Systems shall provide fringe benefits to all benefits eligible employees, including retirement benefits, health care insurance, life, disability, and accidental death and dismemberment insurance. The benefits provided shall include a basic plan of benefits for each benefits eligible employee, and may include an optional benefits plan for benefits eligible employees, including additional insurance coverage, long-term care, tax deferred annuities, flexible reimbursement accounts, employee assistance programs, employee intramural and recreational passes, and other wellness programs. As provided in § [23-38.119](#) B and C of the Act, the College may require Participating Covered Employees to pay all or a portion of the cost of group life, disability and accidental death and dismemberment insurance, which may be collected through a payroll deduction program. Participating Covered Employees shall not be required to present evidence of insurability for basic group life insurance coverage. The Board of Visitors may elect to provide benefits through Virginia Retirement System group insurance programs under the terms of and to the extent allowed by § [23-38.119](#) B and D of the Act or any other provision of law.

Notwithstanding the above, pursuant to subsection A of § [23-38.114](#) of the Act, and unless and until that section is amended, the state retirement system, state health insurance program, and state workers' compensation coverage program as they may be amended from time to time, shall continue to apply to and govern all eligible College employees.

The Systems may provide different benefits plans for reasonably different groups or classifications of employees, and may provide benefits to part-time employees. On the Effective Date of the College's initial Management Agreement with the Commonwealth, and until changed by the appropriate governing authority, the benefits plans provided by the College to Classified Employees and Participating Covered Employees shall be the

*benefits plans provided to that group or classification as of the date immediately prior to that Effective Date. On or after that Effective Date, alternative College group life, accidental death and dismemberment, and short- and long-term disability plans may be provided to eligible Participating Covered Employees, or at the election of the Board of Visitors and subject to the execution of participation agreements as provided in subsections B and C of § [23-38.119](#) of the Act, they may be provided by the appropriate State programs, but no contributions to the state programs by the College shall be required for Participating Covered Employees who do not participate in the programs. Subject to the provisions of the Act, any new plans, programs and material changes permitted under current law in College employee benefit plans, other than Classified Employee benefit plans, shall be approved by the Board of Visitors, including the authority to increase the Cash Match Contribution rate up to the limit permitted by the Code of Virginia based on available resources, and the authority to implement cafeteria-style benefits for College employees other than Classified Employees. Insurance and all proceeds therefrom provided pursuant to § [23-38.119](#) of the Act shall be exempt from legal process and may be subject to voluntary assignment as provided in subsection A of § [23-38.119](#).*

*D. Employee Relations.*

- 1. General. The Systems shall contain provisions that protect the rights and privileges of College employees consistent with sound management principles and fair employment practice law.*
- 2. Employee Safety and Health. The Systems shall contain provisions that promote workplace safety compliance with applicable law and regulations.*
- 3. Employee Work Environment. The Systems shall promote a work environment that is conducive to the performance of job duties, and free from intimidation or coercion in violation of State or federal law, including sexual harassment or other discrimination.*
- 4. Employee Recognition. The Systems may provide for the use of leave awards and bonuses specific to policies and procedures for awarding, honoring, or otherwise recognizing College employees, including but not limited to those who have performed particularly meritorious service for the College, have been employed by the College for specified periods of time, or have retired from the College after lengthy service.*
- 5. Counseling Services. The Systems shall provide counseling services through the State's Employee Assistance Program or a College Employee Assistance Program to any eligible College employee experiencing job-related difficulties and seeking counseling for those difficulties, and shall establish the circumstances under which the time necessary to participate in such counseling may be granted.*

6. *Unemployment Compensation.* The Systems shall ensure that College employees receive the full unemployment compensation benefits to which they are legally entitled, and that the College's liability is limited to legitimate claims for such benefits.

7. *Workers' Compensation.* The Systems shall ensure that College employees have workers' compensation benefits to which they are legally entitled pursuant to the State Employees Workers' Compensation Program administered by the Department of Human Resource Management.

8. *Performance Planning and Evaluation.* The Systems shall include one or more performance planning and evaluation processes for College employees that (i) establish and communicate the College's performance expectations, (ii) help develop productive working relationships, (iii) allow employees to present their views concerning their performance, (iv) identify areas for training or professional development, (v) establish the process by which evaluations shall be conducted, (vi) clarify how superlative or inadequate performance shall be addressed, and (vii) ensure that all College employees are provided relevant information on the evaluation process. The Systems may include separate performance and evaluation processes for reasonably distinguishable groups of College employees. On the Effective Date of the College's initial Management Agreement with the Commonwealth, the existing merit-based performance management system for faculty shall continue, until amended by the College. On or after that Effective Date, College nonfaculty salaried Participating Covered Employees may be subject to a variable merit-based performance management system.

9. *Standards of Conduct and Performance.* In order to protect the well-being and rights of all employees and to ensure safe, efficient College operations and compliance with the law, the Systems shall establish rules of personal conduct and standards of acceptable work performance for College salaried nonfaculty employees and policies for corrective discipline. In general, the policies for corrective discipline shall serve to (i) establish a uniform and objective process for correcting or disciplining unacceptable conduct or work performance, (ii) distinguish between less serious and more serious actions of misconduct and provide corrective action accordingly, and (iii) limit corrective action to employee conduct occurring only when employees are at work or are otherwise representing the College in an official or work-related capacity, unless otherwise specifically provided by the policies of the Systems or other applicable law. The Systems may provide for a probationary period for new and re-employed College salaried nonfaculty employees, during which period the policies for corrective discipline shall not be applicable and the employee may not use the grievance procedure set forth in the next paragraph. The Systems may include separate rules of personal conduct and standards

*of acceptable work performance and policies for corrective discipline for reasonably distinguishable groups of College employees.*

*10. Grievance Procedure. As provided in the Governing Law, employees shall be encouraged to resolve employment-related problems and complaints informally, and shall be permitted to discuss their concerns freely and without fear of retaliation with immediate supervisors and management. In the event that such problems cannot be resolved informally, all salaried nonfaculty College employees, regardless of their date of hire, shall have access, as provided in subsection A of § [23-38.114](#) and in § [23-38.117](#) of the Act, to the State Grievance Procedure, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2 of the Code of Virginia, to the extent it was applicable to their classification of employees prior to the Effective Date of the College's initial Management Agreement with the Commonwealth. On that Effective Date, and until changed by the College, the faculty grievance procedures in effect immediately prior to the Effective Date shall continue.*

*11. Discrimination Complaints. If a Classified Employee believes discrimination has occurred, the Classified Employee may file a complaint with the Department of Human Resource Management Office of Equal Employment Services. All Covered Employees and applicants for employment after the Effective Date of the College's initial Management Agreement with the Commonwealth shall file a complaint with the appropriate College office or with the appropriate federal agencies.*

*12. Layoff Policy. The Systems shall include one or more layoff policies for salaried College employees who lose their jobs for reasons other than their job performance or conduct, such as a reduction in force or reorganization at the College. These College layoff policies shall govern such issues as (i) whether there is a need to effect a layoff, (ii) actions to be taken prior to a layoff, (iii) notice to employees affected by a layoff, (iv) placement options within the College or its respective major divisions and within other parts of the College, (v) the preferential employment rights, if any, of various College employees, (vi) the effect of layoff on leave and service, and (vii) the policy for recalling employees. In accordance with the terms of the Act, College employees who: (i) were employed prior to the Effective Date of the College's initial Management Agreement with the Commonwealth, (ii) would otherwise be eligible for severance benefits under the Workforce Transition Act, (iii) were covered by the Virginia Personnel Act prior to that Effective Date, and (iv) are separated because of a reduction in force shall have the same preferential hiring rights with State agencies and other executive branch institutions as Classified Employees have under § [2.2-3201](#) of the Code of Virginia. Conversely, the College shall recognize the hiring preference conferred by § [2.2-3201](#) on*

*State employees who were hired by a State agency or executive branch institution before the Effective Date of the College's initial Management Agreement with the Commonwealth and who were separated after that date by that State agency or executive branch institution because of a reduction in workforce. If the College has adopted a classification system pursuant to § [23-38.116](#) of the Act that differs from the classification system administered by the Department of Human Resource Management, the College shall classify the separated employee according to its classification system and shall place the separated employee appropriately. The College may include separate policies for reasonably distinguishable groups of College employees. On or after the Effective Date of the College's initial Management Agreement with the Commonwealth, all employees from other State agencies and executive branch institutions who are placed by the College under the provisions of the State Layoff Policy shall be Participating Covered Employees.*

*13. Severance Benefits. In accordance with the terms of the Act, the College shall adopt severance policies for salaried Participating Covered Employees who are involuntarily separated for reasons unrelated to performance or conduct. The terms and conditions of such policies shall be determined by the Board of Visitors. Classified Employees who otherwise would be eligible and were employed prior to the Effective Date of the College's initial Management Agreement with the Commonwealth shall be covered by the Workforce Transition Act, Chapter 32 (§ [2.2-3200](#) et seq.) of Title 2.2 of the Code of Virginia. The College and the Board of the Virginia Retirement System may negotiate a formula according to which cash severance benefits may be converted to years of age or creditable service for Participating Covered Employees who participate in the Virginia Retirement System. An employee's becoming, on the Effective Date, a Covered Employee shall not constitute a severance or reduction in force to which severance or Workforce Transition Act policies would apply.*

*14. Use of Alcohol and Other Drugs. The Systems shall include policies and procedures that (i) establish and maintain a work environment at the College that is free from the adverse effect of alcohol and other drugs, (ii) are consistent with the federal Drug-Free Workplace Act of 1988 and with the College of William and Mary Alcohol and Other Drugs Policy, (iii) describe the range of authorized disciplinary action, including termination where appropriate, for violations of such policies and procedures, and the process to be followed in taking such disciplinary action, (iv) provide College employees access to assistance and treatment for problems involving alcohol and other drugs, (v) provide for the circumstances under which employees are required to report certain violations of the policies and procedures to their supervisor, and the College is required to*

*report those violations to a federal contracting or granting agency, (vi) describe the circumstances under which personnel records of actions taken under the College's alcohol and other drugs policy shall not be kept confidential, and (vii) provide notice to College employees of the scope and content of the College alcohol and other drugs policy. As part of this alcohol and other drugs policy, and in compliance with the federal Omnibus Transportation Employee Testing Act of 1991, the Systems may provide for pre-employment, reasonable suspicion, random, post-accident, return-to-duty and follow-up alcohol and other drug testing for College positions that are particularly safety sensitive, such as those requiring a Commercial Driver's License.*

*15. Background Checks. The Systems shall include a process for conducting background checks, which may include but is not limited to reference checks, educational/professional credentialing checks, and conviction and driver's records checks on applicants for full-time or part-time positions at the College, and for addressing situations where employees do not disclose a conviction on their application or otherwise falsify their application with regard to information concerning their education/professional credential and/or prior convictions.*

*16. Other Employee Relations Policies and Procedures. The Systems shall include any other reasonable employee relations policies or procedures that the President deems appropriate, which may include, but are not limited to, policies or procedures relating to orientation programs for new or re-employed College employees, an employee suggestion program, the responsibility of College employees for property placed in their charge, work breaks, inclement weather and emergencies, and employment outside the College.*

*E. Leave and Release Time.*

*The Systems shall include policies and procedures regarding leave for eligible employees. The Systems shall provide reasonable paid leave for purposes such as holidays, vacation, or other personal uses. The Systems may provide for release time for such matters as the donation of blood, participation in an employee assistance program and other appropriate employment-related matters. On or after the Effective Date of its initial Management Agreement with the Commonwealth, and until a new program is adopted by the appropriate authority, the College shall continue to provide leave and release time to Participating Covered Employees in accordance with the leave and release time policies and procedures applicable to each classification of employees prior to that Effective Date. On or after that Effective Date, the College may provide an alternative leave and release time system for salaried nonfaculty Participating Covered Employees.*

*F. Equal Employment Opportunity, Nondiscrimination, Employment, and Separation.*

*1. Equal Employment Opportunity and Nondiscrimination. The Systems shall contain policies and procedures to ensure that all aspects of human resources management, including the employment of College employees, meet all requirements of federal and state law, and of the relevant policies of the Board of Visitors, with regard to equal employment opportunity and nondiscrimination.*

*Employment. The Systems shall include policies and procedures for the recruitment, selection and hiring of College employees that are based on merit and fitness, including where appropriate a requirement for job posting, interviews, pre-employment testing, pre-employment drug testing, reference checks and conviction record checks. On and after the Effective Date of its initial Management Agreement with the Commonwealth, the College shall post all salaried nonfaculty position vacancies through the College's job posting system, the Commonwealth's job posting system, and other external media as appropriate. The Systems shall establish designated veterans' re-employment rights in accordance with applicable law.*

*In order to encourage employees to attain the highest level positions for which they are qualified, and to compensate employees for accepting positions of increased value and responsibility, the Systems shall include policies and procedures governing the promotion of employees, including the effect of promotion on an employee's compensation. On or after the Effective Date of the College's initial Management Agreement with the Commonwealth, all employees hired from other state agencies shall be Participating Covered Employees. College Classified Employees who change jobs within the College through a competitive employment process - i.e., promotion or transfer - shall have the choice of remaining a Classified Employee or becoming a Participating Covered Employee. If a Classified Employee elects to become a Participating Covered Employee, that decision shall be irrevocable.*

*Notice of Separation. The Systems shall include policies and procedures requiring reasonable notice, where appropriate, of a decision either by the employee or by the College to separate the employee from the College in accordance with policies governing performance, conduct, or layoff.*

*G. Information Systems.*

*The College shall provide an electronic file transfer of information on all salaried College employees and shall continue to provide the Employee Position Reports to meet the human resources reporting requirements specified by law or by request of the Governor or the General Assembly, unless the College is specifically exempted from those requirements. The College shall conduct assessments to demonstrate its accountability*

*for human resources practices that comply with laws and regulations. The Department of Human Resource Management and the College have entered into a Memorandum of Understanding, attached hereto as Attachment 2, which may be amended from time to time by agreement of the parties, regarding the specific data and reporting requirements. The College shall be accountable for ensuring the timeliness and integrity of the data transmitted to the Department of Human Resources Management.*

**VII. CONTINUED APPLICABILITY OF OTHER PROVISIONS OF THE CODE OF VIRGINIA AND OTHER BOARD OF VISITORS' POLICIES AFFECTING COLLEGE PERSONNEL.**

*On and after the Effective Date of its initial Management Agreement with the Commonwealth, College employees shall be subject to the terms and conditions of the Act and the Management Agreement between the Commonwealth and the College. Classified Employees shall continue to be subject to the human resources policies and exceptions to those policies adopted or approved by the Department of Human Resource Management.*

*In addition, all College employees also shall remain subject to any other human resources policies adopted by the Board of Visitors applicable to College personnel unless College employees or a subset thereof are specifically exempted from those other human resources policies either by those other policies or by this Policy.*

**ATTACHMENT 2**

*Memorandum of Understanding*

*Between The College of William and Mary and the*

*Department of Human Resources Management Regarding*

*The Reporting of Human Resources Management Data*

*This Memorandum of Understanding, which may be amended from time to time by the agreement of all parties, is an attachment to the Policy Governing Human Resources for Participating Covered Employees and Other College Employees pursuant to the Restructured Higher Education Financial and Administrative Operations Act of 2005, and is hereby entered into between the College of William and Mary and the Department of Human Resource Management (DHRM).*

*I. This document outlines the provisions for information management pertaining to human resources data, consistent with the objectives to enable DHRM to meet the*

*Commonwealth's reporting requirements, to ensure compliance with relevant federal and state laws and regulations, and to do so through efficient and cost-effective methods.*

*1. In lieu of data entry into the state's Personnel Management Information System (PMIS), data will be transmitted through an electronic file transfer to update DHRM's warehouse.*

*a. The College will provide a flat file of designated personnel data. For "Classified Employees," the data provided will match DHRM's data values for the designated fields. For salaried "Participating Covered Employees," the data provided will include the University's data values for the designated fields. The College will provide a data dictionary to DHRM. The file of designated data will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.*

*b. The College will provide a second flat file of salaried personnel actions for "Classified Employees" and salaried "Participating Covered Employees," such as promotions, separations, and salary adjustments. The file of relevant personnel actions and designated data to be provided for each action will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.*

*2. DHRM will accept the federal Affirmative Action Plan (AAP), including the adverse impact analyses of employment and compensation actions that are part of the AAP, as demonstration of the College's compliance with relevant federal and state employment laws and regulations.*

*3. The College may key data into the Benefits Enrollment System or provide a batch file, or employees may use Employee Direct (employee self-service).*

*4. Other reports to be provided by the College include the following:*

*a. Monthly Employment Position Report.*

*b. Annual report on salaried, wage, and contract employees.*

*The undersigned hereby agree to the provisions contained in the MOU.*

*APPROVALS:*

*The College of William and Mary:*

*EXHIBIT L*

*MANAGEMENT AGREEMENT*

*BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*THE COLLEGE OF WILLIAM AND MARY*

*PURSUANT TO*

*THE RESTRUCTURED HIGHER EDUCATION*

*FINANCIAL AND ADMINISTRATIVE OPERATIONS*

*ACT OF 2005*

*POLICY GOVERNING*

*FINANCIAL OPERATIONS AND MANAGEMENT*

*THE RECTOR AND BOARD OF VISITORS*

*OF THE COLLEGE OF WILLIAM AND MARY*

*POLICY GOVERNING FINANCIAL OPERATIONS AND MANAGEMENT*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, establishes by law a process for granting additional authority to institutions of higher education for financial operations and management, subject to the adoption of policies by their governing boards and the approval of management agreements to be negotiated with the Commonwealth.*

*The following provisions of this Policy constitute the adopted Board of Visitors policies regarding the College of William and Mary's financial operations and management. This Policy is intended to cover the authority that may be granted to the College pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the College pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the College's Enabling Legislation, are not affected by this Policy.*

## *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*"Board of Visitors" or "Board" means the Rector and Board of Visitors of the College of William and Mary and the Virginia Institute of Marine Science.*

*"College" means the College of William and Mary (State Agency 204) and the Virginia Institute of Marine Science (State Agency 268).*

*"Covered Institution" means, on or after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*"Enabling Legislation" means those chapters, other than Chapter 4.10, of title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the College.*

*"Effective Date" means the effective date of the initial Management Agreement between the College and the Commonwealth.*

*"Management Agreement" means the agreement required by subsection D of § [23-38.88](#) of the Act between the College and the Commonwealth of Virginia.*

*"State Tax Supported Debt" means bonds, notes or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 20, 2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

## *III. SCOPE OF POLICY.*

*This Policy applies to the College's responsibility for management, investment and stewardship of all its financial resources, including but not limited to, general, non-general and private funds. This responsibility includes maintaining an independent uniform*

*system of accounting, financial reporting, and internal controls adequate to protect and account for the College's financial resources.*

*The Virginia Institute of Marine Science (the Institute) shall receive the benefits of this Policy as it is implemented by the College on behalf of the Institute, but the Institute shall not receive any additional independent financial operations and management authority as a result of this Management Agreement beyond the independent financial operations and management authority that it had prior to the Effective Date of the College's initial Management Agreement with the Commonwealth or that it may be granted by law in the future.*

#### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the College shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the College, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the College's usual delegation policies and procedures.*

#### *V. FINANCIAL MANAGEMENT AND REPORTING SYSTEM.*

*The President, or designee, shall continue to be authorized by the Board to maintain existing and implement new policies governing the management of College financial resources. These policies shall continue to (i) ensure compliance with Generally Accepted Accounting Principles, (ii) ensure consistency with the current accounting principles employed by the Commonwealth, including the use of fund accounting principles, with regard to the establishment of the underlying accounting records of the College and the allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific types of fund sources, (iii) provide adequate risk management and internal controls to protect and safeguard all financial resources, including moneys transferred to the College pursuant to a general fund appropriation, and ensure compliance with the requirements of the Appropriation Act.*

*The financial management system shall continue to include a financial reporting system to satisfy both the requirements for inclusion into the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's Directives, and*

*the College's separately audited financial statements. To ensure observance of limitations and restrictions placed on the use of the resources available to the College, the accounting and bookkeeping system of the College shall continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards Board.*

*In addition, the financial management system shall continue to provide financial reporting for the President, or designee, and the Board of Visitors to enable them to provide adequate oversight of the financial operations of the College. Upon the Effective Date of the initial Management Agreement between the College and the Commonwealth, except for the recordation of daily revenue deposits of State funds as specified in Section VII below, the College shall not be required to record its financial transactions in of the Commonwealth's Accounting and Reporting System ("CARS"), including the current monthly interfacing with CARS , or be a part of any subsequent Commonwealth financial systems that replace CARS or are in addition to CARS, but shall have its own financial reporting system. The College's financial reporting system shall provide (i) summary monthly reports for State agencies including, but not limited to, the Department of Accounts, the Department of Planning and Budget, the Joint Legislative Audit and Review Commission, the Auditor of Public Accounts, and the State Council of Higher Education for Virginia, and for the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations at a sufficient level of detail, on such schedule, and using such format that is compatible with the Commonwealth's accounting system, as may be requested by the requesting State agency, and (ii) such other special reports as may be requested from time to time.*

#### **VI. FINANCIAL MANAGEMENT POLICIES.**

*The President, or designee, shall create and implement any and all financial management policies necessary to establish a financial management system with adequate risk management and internal control processes and procedures for the effective protection and management of all College financial resources. Such policies will not address the underlying accounting principles and policies employed by the Commonwealth and the College, but rather will focus on the internal operations of the College's financial management. These policies shall include, but need not be limited to, the development of a tailored set of finance and accounting practices that seek to support the College's specific business and administrative operating environment in order to improve the efficiency and effectiveness of its business and administrative functions. In general, the system of independent financial management policies shall be guided by the general principles contained in the Commonwealth's Accounting Policies and*

*Procedures such as establishing strong risk management and internal accounting controls to ensure College financial resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of College programs.*

*Upon the Effective Date of its initial Management Agreement with the Commonwealth, the College shall continue to follow the Commonwealth's accounting policies until such time as specific alternate policies can be developed, approved and implemented. Such alternate policies shall include applicable accountability measures and shall be submitted to the State Comptroller for review and comment before they are implemented by the College.*

#### **VII. FINANCIAL RESOURCE RETENTION AND MANAGEMENT.**

*Under § [23-38.104](#)(A)(i) of the Act, subject to applicable accountability measures and audits, the College shall have the power and authority to manage all monies received by it. All State general funds to be allocated to the College shall remain subject to the appropriations process.*

*Pursuant to subsection C of § [23-9.6:1.01](#) of the Code of Virginia, the State Council of Higher Education for Virginia (SCHEV) annually shall assess and certify to the Governor and General Assembly the degree to which each public institution of higher education of the Commonwealth has met the financial and administrative management and educational-related performance benchmarks called for by that subsection and approved as part of the Appropriation Act then in effect for the State goals and objectives set forth in subdivisions B 1 through B 11 of § [23-38.88](#) of the Act. Pursuant to § [2.2-5005](#) of the Code of Virginia, beginning with the fiscal year that immediately follows the first full fiscal year for which the financial and administrative management and educational-related performance benchmarks described in § [23-9.6:1.01](#) are effective, as provided in a general Appropriation Act, and for all fiscal years thereafter, each public institution of higher education of the Commonwealth that (i) has been certified during the fiscal year by SCHEV as having met such institutional performance benchmarks and (ii) meets the conditions prescribed in subsection B of § [23-38.88](#), shall receive certain financial incentives, including interest on the tuition and fees and other non-general fund Education and General Revenues deposited into the State Treasury by the public institution of higher education.*

*Consistent with the prior paragraph, beginning with the fiscal year following the first fiscal year for which it has received such certification from SCHEV, the College is authorized to hold and invest tuition, Educational and General (E&G) fees, research and*

*sponsored program funds, auxiliary enterprise funds, and all other non-general fund revenues subject to the following requirements:*

*i) The College shall deposit such funds in the State Treasury pursuant to the State process in place at the time of such deposit;*

*ii) Such non-general funds deposited in the State Treasury shall be disbursed as provided in Section IX below;*

*iii) The College shall remit to the State Comptroller quarterly and the State Comptroller shall hold in escrow all interest earned on the College's tuition and fees and other non-general fund Educational and General Revenues. Upon receipt of the required State Council of Higher Education for Virginia certification that the College has met such institutional performance benchmarks and the conditions prescribed in subsection B of § [23-38.88](#), the Governor shall include in the next budget bill a non-general fund appropriation, payable no later than July 1 of the immediately following fiscal year, equivalent to the amount deposited in the escrow account as the financial incentive provided in subdivision 1 of § [2.2-5005](#), after which time the College may expend the funds for purposes related to its mission. If public institutions of higher education of the Commonwealth are permitted, or the College in particular is permitted, by the Appropriation Act or other law to retain or be paid the interest the Commonwealth would have earned on sponsored programs and research funds, then this paragraph shall not apply to such interest on such funds, and such interest shall not be held in escrow.*

*iv) If in any given year the College does not receive the certification from the State Council of Higher Education for Virginia that it has met for that year the institutional benchmarks called for by subsection C of § [23-9.6:1.01](#) and approved in the then-current Appropriation Act, the Comptroller shall transfer to the general fund the balance in the escrow account as of June 30 of that year.*

*v) Beginning on the effective date of its initial Management Agreement with the College until the beginning of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the College shall continue to deposit tuition and all other non-general funds with the State Treasurer by the same process that it would have been required to use if it had not entered into a Management Agreement with the Commonwealth.*

*vi) On the first business day of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the College may draw down all cash balances held by the State Treasurer on behalf of the College related to tuition, E&G fees, research and sponsored programs, auxiliary enterprises, and all other non-general fund revenues.*

*vii) The Commonwealth shall retain all funds related to general fund appropriations, but shall pay these funds to the College as specified in Section IX below.*

*The College also shall have sum sufficient appropriation authority for all non-general funds as approved by the Governor and the General Assembly in the Commonwealth's biennial appropriations process, and shall report to the Department of Planning and Budget (i) its estimate of the non-general fund revenues for the sum sufficient appropriation to be included in the biennial Budget Bill for each of the two years in the next biennium by November 1 of each odd numbered year and the estimate to be included in the Budget Bill for the first and second year of the then-current biennium by November 1 of each even numbered year, and (ii) report its actual non-general fund revenues for each fiscal year to the Department of Planning and Budget by July 31 of the subsequent fiscal year.*

*The Board of Visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate commitment provided to need-based grant aid for middle- and lower-income undergraduate Virginians. Except as provided otherwise in the Appropriation Act then in effect, it is the intent of the Commonwealth and the College that the College shall be exempt from the revenue restrictions in the general provisions of the Appropriation Act related to non-general funds. In addition, unless prohibited by the Appropriation Act then in effect, it is the intent of the Commonwealth and the College that the College shall be entitled to retain non-general fund savings generated from changes in Commonwealth rates and charges, including but not limited to health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates, rather than reverting such savings back to the Commonwealth. This financial resource policy assists the College by providing the framework for retaining and managing non-general funds, for the receipt of general funds, and for the use and stewardship of all these funds.*

*The President, or designee, shall continue to provide oversight of the College's cash management system which is the framework for the retention of non-general funds. The Internal Audit Department of the College shall periodically audit the College's cash management system in accordance with appropriate risk assessment models and make reports to the Audit Committee of the Board of Visitors. Additional oversight shall continue to be provided through the annual audit and assessment of internal controls performed by the Auditor of Public Accounts.*

*For the receipt of general and non-general funds, the College shall conform to the Security for Public Deposits Act, Chapter 44 (§ [2.2-4400](#) et seq.) of Title 2.2 of the Code of Virginia, as it currently exists and from time to time may be amended.*

*VIII. ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.*

*The President, or designee, shall continue to be authorized to create and implement any and all Accounts Receivable Management and Collection policies as part of a system for the management of College financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act, Chapter 48 (§ [2.2-4800](#) et seq.) of the Code of Virginia, such that the College shall take all appropriate and cost effective actions to aggressively collect accounts receivable in a timely manner.*

*These shall include, but not be limited to, establishing the criteria for granting credit to College customers; establishing the nature and timing of collection procedures within the above general principles; and the independent authority to select and contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and all collection activities for all College accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the College shall continue to utilize the Commonwealth's Debt Set Off Collection programs and procedures, shall develop procedures acceptable to the Tax Commissioner and the State Comptroller to implement such programs, and shall provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt Collection Act.*

*IX. DISBURSEMENT MANAGEMENT.*

*The President, or designee, shall continue to be authorized to create and implement any and all disbursement policies as part of a system for the management of College financial resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from whatever source derived, in the execution of the College's operations. These policies also shall continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or services relative to the College's mission, including travel-related disbursements. Further, the College's disbursement policy shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and electronic payments. Since the College no longer will interface to the CARS system or any replacement for the CARS system for disbursements, the College shall establish its own mechanisms for electronic payments to vendors through Electronic Data Interchange (EDI) or similar process and payments to the Commonwealth's Debt Set Off Collection Programs.*

*Beginning with the fiscal year after the first fiscal year for which it first receives the required certification from SCHEV, the College may draw down its general fund appropriations (subject to available cash) and tuition and E&G fees and other non-general fund revenues from the State Treasury. Such funds shall be available to the College for disbursement as provided in the then-current rules of the Automated Clearing House (ACH) Network. The draw down of funds may be initiated in accordance with the following schedule:*

- i) The College may draw down one-twenty-fourth (1/24) of its annual general fund appropriation for Educational and General programs on the first and fifteenth days of each month, and up to 50% of its annual general fund appropriation for Student Financial Assistance on or after September 1 of each year with the remaining 50% to be drawn on or after February 1 of each year in order to meet student obligations;*
- ii) The College may draw down the sum of all tuition and E&G fees and all other non-general revenues deposited to the State Treasury each day on the same business day they were deposited; and*
- iii) The College anticipates that expenditures could exceed available revenues from time to time during the year if the above disbursement schedule is used. When the College projects a cost deficit in activities supported by general fund appropriations, the College may make a request to the State Comptroller for an early draw on its appropriated general funds deposited in the State Treasury, in a form and within a timeframe agreeable to the parties, in order to cover expenditures.*

*These disbursement policies shall authorize the President, or designee, to independently select, engage, and contract for such consultants, accountants, and financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The policies also shall continue to include the ability to locally manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those programs, provided that the College shall submit the credit card and cost recovery aspects of its financial and operations policies to the State Comptroller for review and comment prior to implementing those aspects of those policies. The disbursement policies shall ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll disbursements. The College shall continue to provide summary quarterly prompt payment reports to the Department of Accounts in*

*accordance with the reporting procedures established pursuant to the Prompt Payment Act.*

*The College's disbursement policies shall be guided by the principles of the Commonwealth's policies as included in the Commonwealth's Accounting Policy and Procedures Manual. Upon the Effective Date of its initial Management Agreement with the Commonwealth, the College shall continue to follow the Commonwealth's disbursement policies until such time as specific alternative policies can be developed, approved and implemented. Such alternate policies shall be submitted to the State Comptroller for review and comment prior to their implementation by the College.*

#### *X. DEBT MANAGEMENT.*

*The President, or designee, shall continue to be authorized to create and implement any and all debt management policies as part of a system for the management of College financial resources.*

*Pursuant to § [23-38.108](#)(B) of the Act, the College shall have the authority to issue bonds, notes, or other obligations that do not constitute State Tax Supported Debt, as determined by the Treasury Board, and that are consistent with debt capacity and management policies and guidelines established by its Board of Visitors, without obtaining the consent of any legislative body, elected official, commission, board, bureau, or agency of the Commonwealth or of any political subdivision, and without any proceedings or conditions other than those specifically required by Subchapter 3 of the Act; provided that, the College shall notify the Treasurer of Virginia of its intention to issue bonds pursuant to this Policy at the time it adopts the bond issuance planning schedule for those bonds. Any new or revised debt capacity and management policy shall be submitted to the Treasurer of Virginia for review and comment prior to its adoption by the College.*

*The College recognizes that there are numerous types of financing structures and funding sources available each with specific benefits, risks, and costs. All potential funding sources shall be reviewed by the President, or designee*

*within the context of the overall portfolio to ensure that any financial product or structure is consistent with the College's objectives. Regardless of the financing structure(s) utilized, the President, or designee, shall obtain sufficient documentation to gain a full understanding of the transaction, including (i) the identification of potential risks and benefits, and (ii) an analysis of the impact on College creditworthiness and debt capacity. All such debt or financial products issued pursuant to the provisions of §§ 23.38-107 and 23.38-108 of the Act,*

*shall be authorized by resolution of the Board of Visitors, providing that they do not constitute State Tax Supported Debt.*

*The College will establish guidelines relating to the total permissible amount of outstanding debt by monitoring College-wide ratios that measure debt compared to College balance-sheet resources and annual debt service burden. These measures will be monitored and reviewed regularly in light of the College's current strategic initiatives and expected debt requirements. The Board of Visitors shall periodically review and approve the College's debt capacity and debt management guidelines. Any change in the guidelines shall be submitted to the Treasurer of Virginia for review and comment prior to their adoption by the College.*

#### *XI. INVESTMENT POLICY.*

*It is the policy of the College to invest its operating and reserve funds solely in the interest of the College and in a manner that will provide the highest investment return with the maximum security while meeting daily cash flow demands and conforming to the Investment of Public Funds Act (§ [2.2-4500](#) et seq. of the Code of Virginia). Investments shall be made with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.*

*Endowment investments shall be invested and managed in accordance with the Uniform Management of Institutional Funds Act, §§ [55-268.1](#) through [55-268.10](#), and § [23-76.1](#) of the Code of Virginia.*

*The Board of Visitors shall periodically review and approve the investment guidelines governing the College's operating and reserve funds.*

#### *XII. INSURANCE AND RISK MANAGEMENT.*

*By July 1 of each odd-numbered year, the College shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any insurance or risk management program made available to the College through the Commonwealth's Division of Risk Management and in which the College is then participating, to enable the Commonwealth to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the College proceeds to withdraw from the insurance or risk management program, the College shall reimburse the Commonwealth for all such additional costs attributable to such withdrawal, as determined by the Commonwealth's actuaries. Such payment shall be made in a manner agreeable to both the College and the Commonwealth.*

3. That the following Chapter 3 shall hereafter be known as the "2006 Management Agreement Between the Commonwealth of Virginia and The University of Virginia:"

CHAPTER 3.

MANAGEMENT AGREEMENT

BY AND BETWEEN

THE COMMONWEALTH OF VIRGINIA

AND

THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA

*This MANAGEMENT AGREEMENT, executed this 15th day of November, 2005, by and between the Commonwealth of Virginia (hereafter, the Commonwealth) and the Rector and Visitors of the University of Virginia (hereafter, the University) provides as follows:*

RECITALS

*WHEREAS, the University has satisfied the conditions precedent set forth in subsections A and B of § [23-38.97](#) of the Code of Virginia, to become a public institution of higher education of the Commonwealth governed by Subchapter 3 (§ [23-38.91](#) et seq.) of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia (Subchapter 3 and the Act, respectively), as evidenced by:*

- 1. Board of Visitors Approval. The minutes of a meeting of the Board of Visitors of the University held on June 10, 2005, and the accompanying certification of the Secretary of the Board, indicate that an absolute two-thirds or more of the members voted to approve the resolution required by subdivision A 1 of § [23-38.97](#) of the Act;*
- 2. Written Application to the Governor. The University has submitted to the Governor a written Application, dated October 27, 2005, with copies to the Chairmen of the House Committee on Appropriations, the House Committee on Education, the Senate Committee on Finance, and the Senate Committee on Education and Health, expressing the sense of its Board of Visitors that the University is qualified to be, and should be, governed by Subchapter 3 of the Act, and substantiating that the University has fulfilled the requirements of paragraph 2 of subsection A of § [23-38.97](#) of the Act; and*
- 3. Finding by the Governor. In accordance with subsection B of § [23-38.97](#) of the Act, the Governor has found that the University has fulfilled the requirements of subdivision A*

2 of § [23-38.97](#), and therefore has authorized Cabinet Secretaries to enter into this Management Agreement on behalf of the Commonwealth with the University; and WHEREAS, the University is therefore authorized to enter into this Management Agreement as provided in subsection D of § [23-38.88](#) and Subchapter 3 of the Act.

AGREEMENT

NOW, THEREFORE, in accordance with the provisions of the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in consideration of the foregoing premises, the Commonwealth and the University do now agree as follows:

ARTICLE 1. DEFINITIONS.

As used in this Agreement, the following terms have the following meanings, unless the context requires otherwise:

“Academic Division” means that part of the University known as (State Agency 207).

“Act” means the Restructured Higher Education Administrative and Financial Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.

“Agreement” means “Management Agreement.”

“Board of Visitors” means the Rector and Board of Visitors of the University of Virginia.

“College” means that part of the University operated as the University of Virginia’s College at Wise (State Agency 246).

“Covered Employee” means any person who is employed by the University on either a salaried or wage basis.

“Covered Institution” means, on and after the effective date of its initial management agreement with the Commonwealth, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by and in accordance with the provisions of subsection D of § [23-38.88](#) and Subchapter 3 of the Act.

“Enabling legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), [51.1-126.3](#), and [51.1-1100](#) in the case of the University of Virginia Medical Center.

“Management Agreement” means this agreement between the Commonwealth of Virginia and the University as required by subsection D of § [23-38.88](#) and Subchapter 3 of the Act.

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center (State Agency 209), and related health care and health maintenance facilities.*

*“Parties” means the parties to this Management Agreement, the Commonwealth of Virginia and the University.*

*“Public institution of higher education” means those two-year and four-year institutions enumerated in § [23-14](#) of the Code of Virginia.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

## **ARTICLE 2. SCOPE OF MANAGEMENT AGREEMENT.**

### **SECTION 2.1. Enhanced Authority Granted and Accompanying Accountability.**

*Subchapter 3 of the Act, provides that, upon the execution of, and as of the effective date for, this Management Agreement, the University shall become a Covered Institution entitled to be granted by the Commonwealth and to exercise the powers and authority provided in Subchapter 3 of the Act, that are expressly contained in this Management Agreement. In general, subject to its management agreement with the Commonwealth, status as a Covered Institution governed by Subchapter 3 of the Act, and this Management Agreement is intended to replace (i) the post-General Assembly authorization prior-approval system of reviews, approvals, policies and procedures carried out and implemented by a variety of central State agencies with (ii) a post-audit system of reviews and accountability under which a Covered Institution is fully responsible and fully accountable for managing itself pursuant to Subchapter 3 of the Act and its management agreement with the Commonwealth.*

*SECTION 2.1.1. Assessments and Accountability. The University and its implementation of the enhanced authority granted by Subchapter 3 of the Act and this Management Agreement, and the Board of Visitors polices attached hereto as Exhibits M through R, shall be subject to the reviews, assessments, and audits (i) set forth in the Act that are to be conducted by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, or (ii) as may be conducted periodically by the Secretaries of Finance, Administration, Education, or Technology, or by some combination of these four Secretaries, or (iii) as otherwise may be required by law other than the Act.*

*SECTION 2.1.2. Express Grant of Powers and Authority. Subject to the specific conditions and limitations contained in Article 4 (Institutional Management), Article 5 (Capital Projects; Procurement; Property Generally), and Article 6 (Human Resources) of Subchapter 3 of the Act, the Commonwealth and the University agree that the*

*Commonwealth has expressly granted to the University by this Management Agreement all the powers and authority contained in certain policies adopted by the Board of Visitors of the University attached hereto as Exhibits M through R and governing (1) the undertaking and implementation of capital projects, and other acquisition and disposition of property (Exhibit M), (2) the leasing of property, including capital leases (Exhibit N), (3) information technology (Exhibit O), (4) the procurement of goods, services, including certain professional services, insurance, and construction (Exhibit P), (5) human resources (Exhibit Q), and (6) its system of financial management (Exhibit R), including, as provided in subsection B of § [23-38.104](#) of the Act, the sole authority to establish tuition, fees, room, board, and other charges consistent with sum sufficient appropriation authority for non-general funds as provided by the Governor and the General Assembly in the Commonwealth's biennial appropriations authorization. Subject to the specific conditions and limitations contained in Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act, in this Management Agreement, and in one or more of the Board of Visitors policies attached hereto as Exhibits M through R, the Commonwealth and the University agree that the Commonwealth has expressly granted to the University all the powers and authority permitted by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Management Agreement and the policies adopted by it and attached hereto as Exhibits M through R. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate the duties and responsibilities set forth in this Management Agreement to its officers, committees, and subcommittees, and, as set forth in the policies adopted by the Board and attached hereto as Exhibits M through R, to a person or persons within the University.*

*SECTION 2.1.3. Reimbursement by the University of Certain Costs. By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any health or other group insurance or risk management program made available to the University through any agency, body corporate, political subdivision, authority, or other entity of the Commonwealth, and in which the University is then participating, to enable the Commonwealth's actuaries to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the University proceeds to withdraw from such*

*health or other group insurance or risk management program, the University shall, pursuant to subdivision D 2 c of § [23-38.88](#), reimburse the Commonwealth for all such additional costs attributable to such withdrawal as determined by the Commonwealth's actuaries.*

*SECTION 2.1.4. Potential Impact on Virginia College Savings Plan. As required by subdivision D (2) (c) of § [23-38.88](#) of the Act, the University has given consideration to potential future impacts of tuition increases on the Virginia College Savings Plan (§ [23-38.75](#) of the Code of Virginia) and has discussed those potential impacts with the Executive Director and staff of that Plan and with parties in the Administration who participated in the development of this Management Agreement. The Executive Director of the Plan has provided to the University and the Commonwealth the Plan's assumptions underlying the contract pricing of the program.*

*SECTION 2.1.5. Justification for Deviations from the Virginia Public Procurement Act. Pursuant to § [23-38.110](#) of the Act, and subject to the provisions of this Management Agreement, the University may be exempt from the provisions of the Virginia Public Procurement Act (VPPA), Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2 of the Code of Virginia. Any procurement policies or rules that deviate from the VPPA must be uniform across all institutions governed by Subchapter 3 of the Act, and the Board of Visitors shall adopt and comply with procurement policies that are based upon competitive principles and seek competition to the maximum practical degree. The Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials and the Rules Governing Procurement of Goods, Services, Insurance, and Construction (the Procurement Rules) attached to that Policy as Attachment 1 constitute the policies and uniform deviations from the VPPA required by subsections A and B of § [23-38.110](#) of the Act.*

*Subsection D of § [23-38.110](#) of the Act, requires that the University identify the public, educational, and operational interests served by any procurement rule or rules that deviate from those in the VPPA. The adopted Board of Visitors policy on procurement and the Procurement Rules provide the University with the autonomy to administer its procurement process while fully adhering to the principle that competition should be sought to the maximum extent feasible. This autonomy will better position the University to support the requirements of its growing teaching, research and outreach missions. Greater autonomy in procurement will improve internal capacity to respond quickly to emergent material and service issues and, therefore, enable the University to be more efficient and effective in meeting the Commonwealth's goals for institutions of higher education. In some instances, costs will be reduced. Taken collectively, the University's procurement*

*policies and rules that differ from those required by the VPPA will enhance procurement “best practices” as they currently are being observed within the higher education community nationally. Further, these changes will provide efficiencies to both the University and public sector suppliers.*

*SECTION 2.1.6. Quantification of Cost Savings. Subsection C of § [23-38.104](#) of the Act, requires that a Covered Institution include in its management agreement with the Commonwealth the quantification of cost savings realized as a result of the additional operational flexibility provided pursuant to Subchapter 3 of the Act. Since this initial Management Agreement with the Commonwealth has not yet been implemented by the University, the parties agree that the University is not in a position to quantify any such cost savings at this time, although the University expects that there will be cost savings resulting from the additional authority granted to the University pursuant to Subchapter 3 of the Act, and that such cost savings will be part of the determinations made during the reviews, assessments, and audits to be conducted pursuant to Subchapter 3 of the Act by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, and as otherwise described in Section 2.1.1 above.*

*SECTION 2.1.7. Participation in State Programs. The Commonwealth intends that the University shall continue to fully participate in, and receive funding support from the many and varied programs established now or in the future by the Commonwealth to provide support for Virginia’s public institutions of higher education and for Virginians attending such institutions, including but not limited to: the state capital outlay and bond financing initiatives undertaken from time to time by the Commonwealth; the Higher Education Equipment Trust Fund established pursuant to (§ [23-30.24](#) et seq.) of the Code of Virginia; the Maintenance Reserve Fund as provided in the Appropriation Act; the Eminent Scholars program as provided in the Appropriation Act; the Commonwealth’s various student financial assistance programs; and other statewide programs or initiatives that exist, or may be established, in support of the Commonwealth’s higher education institutions, programs, or activities.*

*As a teaching hospital that is a part of the University as of the Effective Date, the Medical Center shall continue to be characterized as a state government-owned or operated and state-owned teaching hospital for purposes of payments under the State Plan for Medicaid Services adopted pursuant to (§ [32.1-325](#) et seq.). The University has committed to serve indigent and medically indigent patients through its adoption of the Guidelines for the Eligibility of Indigent and Medically Indigent Persons for Health Care Services at the State University Teaching Hospitals. Pursuant to subsection B of § [23-38.93](#) of the Act,*

*the Commonwealth, through the Department of Medical Assistance Services, shall, subject to the appropriation in the Appropriation Act in effect, continue to reimburse the full cost of the provision of care, treatment, health-related and educational services to indigent and medically indigent patients and continue to treat the Medical Center as a Type One Hospital for purposes of such reimbursement.*

*SECTION 2.1.8. Implied Authority. Pursuant to subdivision D 1 of § [23-38.88](#) of the Act, the only implied authority granted to the University by this Management Agreement is that implied authority that is actually necessary to carry out the expressed grant of financial or operational authority contained in this Agreement or in the policies adopted by the University's Board of Visitors and attached hereto as Exhibits M through R.*

*SECTION 2.1.9. Exercise of Authority. The University and the Commonwealth acknowledge and agree that the execution of this Management Agreement constitutes the conclusion of a process that, as of the effective date of this Agreement, confers upon the University the enhanced authority and operating flexibility described above, all of which is in furtherance of the purposes of Subchapter 3 of the Act. Therefore, without any further conditions or requirements, the University shall, on and after the effective date of this Management Agreement, be authorized to exercise the authority conferred upon it by this Management Agreement and the policies adopted by its Board of Visitors attached hereto as Exhibits M through R, and by Article 3 (Powers and Authority Generally) of Subchapter 3 of the Act except to the extent that the powers and authority contained in Article 3 of Subchapter 3 of the Act have been limited by this Management Agreement or the Board of Visitors policies attached hereto as Exhibits M through R.*

*The University and the Commonwealth also acknowledge and agree that, pursuant to subsection A of § [23-38.91](#) of the Act and consistent with the terms of this Management Agreement, the Board of Visitors of the University shall assume full responsibility for management of the University, subject to the requirements and conditions set forth in Subchapter 3 of the Act, the general requirements for this Management Agreement as provided in § [23-38.88](#) of the Act, and this Management Agreement. The Board of Visitors shall be fully accountable for (a) the management of the University as provided in the Act, (b) meeting the requirements of §§ [2.2-5004](#), [23-9.2:3.02](#), and [23-9.6:1.01](#) of the Code of Virginia, and (c) meeting such other provisions as are set forth in this Management Agreement.*

*SECTION 2.2. State Goals.*

*SECTION 2.2.1. Furthering State Goals. As required for all public institutions of higher education of the Commonwealth by subsection B of § [23-38.88](#) of the Code of Virginia, prior to August 1, 2005, the Board of Visitors of the University adopted the resolution*

*setting forth its commitment to the Governor and the General Assembly to meet the State goals specified in that subsection B. In addition to the above commitments, the University commits to furthering these State goals by:*

- 1. In addition to its six-year target of achieving \$337 million in external research by 2011-12, the University commits to match from institutional funds, other than general funds or tuition, on a dollar for dollar basis, any additional research funds provided by the State in the Appropriation Act above the amount provided from institutional funds for research in 2005-06.*
- 2. In a concerted effort to provide educational opportunities to Virginia students attending institutions in the Virginia Community College System (VCCS) and Richard Bland College, the University commits to work with Virginia Polytechnic Institute and State University (Virginia Tech) and the College of William and Mary in Virginia to establish a program under which these three institutions will increase significantly the number of such students transferring to their institutions. Specifically, pursuant to this program, the University, Virginia Tech and the College of William and Mary in Virginia collectively commit to enroll as transfer students from VCCS institutions and Richard Bland College (i) by the 2007-08 fiscal year, not less than approximately 300 new such transfer students each year over the number enrolled in 2004-05, for a total of approximately 900 such transfer students each year, and (ii) by the end of the decade, not less than approximately 650 new such transfer students each year over the number enrolled in 2004-05, for a total of approximately 1,250 such transfer students each year. The three institutions have agreed that they will mutually determine how to divide the responsibility for these additional transfer students equitably among themselves.*
- 3. As an institutional priority and obligation, the University commits to the Governor and General Assembly to work meaningfully and visibly with an economically distressed region or local area of the Commonwealth, not smaller in size than a city or county, which lags behind the Commonwealth in education, income, employment, and other factors. The University commits to establish a formal partnership with that area to develop jointly a specific action plan that builds on the University's programmatic strengths and uses the University's faculty, staff and, where appropriate, student expertise to stimulate economic development in the area to make the area more economically viable, and to improve student achievement and teacher and administrator skill sets in a school division in that area. The University shall submit the action plan to the Governor and General Assembly by no later than December 31, 2006, and shall report to the Governor and General Assembly by September 1 of each year on its progress in implementing the action plan during the prior fiscal year.*

*SECTION 2.2.2. Student Enrollment, Tuition, and Financial Aid. As required by § [23-9.2:3.02](#) of the Code of Virginia, the University, along with all other public institutions of higher education of the Commonwealth, has developed and submitted to the State Council of Higher Education for Virginia (SCHEV) by October 1, 2005, an institution-specific Six-Year Plan addressing the University's academic, financial, and enrollment plans for the six-year period of fiscal years 2006-07 through 2011-12. Subsection A of § [23-9.2:3.02](#) requires the University to update this Six-Year Plan by October 1 of each odd-numbered year. Subsection B of § [23-38.97](#) of the Act requires that a management agreement address, among other issues, such matters as the University's in-state undergraduate student enrollment, its financial aid requirements and capabilities, and its tuition policy for in-state undergraduate students. These matters are addressed below and in the University's Six-Year Plan submitted to SCHEV, and the parties therefore agree that the University's Six-Year Plan and the description below meet the requirement of subsection B of § [23-38.97](#) of the Act.*

*Subsection B of § [23-38.104](#) of the Act requires the Board of Visitors of the University to include in this Management Agreement the University's commitment to provide need-based grant aid for middle- and lower-income Virginia students in a manner that encourages student enrollment and progression without respect to potential increases in tuition and fees. The University's commitment in this regard is clear.*

*The Academic Division will continue to offer enrollment to in-state undergraduate students without regard to ability to pay and shall continue implementation of AccessUVA, a financial aid program designed to keep higher education affordable for all undergraduate students, including Virginians and non-Virginians, who qualify for admission, regardless of economic circumstance. In the fall 2005 AccessUVA was modified to provide expanded benefits for qualifying Virginia Community College System transfer students. The program shall be substantially as described in the remainder of this Section 2.2.2, as may be amended from time to time by the Board of Visitors of the University and reported to the Secretaries of Finance and Education and the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations.*

*The Academic Division currently offers financial aid packages to **meet 100% of demonstrated need to all qualified undergraduate students**. This goal was met in 2004-05.*

*The Academic Division will eliminate all need-based loans, replacing them with grants, in the financial-aid packages of low-income undergraduate students, beginning with the fall 2004 entering class. At this time low-income is defined as families with an income equivalent to 200% of the federal poverty line or less. This phase will be fully implemented by fall 2007. The University's goals for this component of the program include:*

1. Increase enrollment by low-income students.
2. Improve the socio-economic diversity at the University.
3. Enable low-income financial aid recipients to have an enhanced student experience.
4. Improve satisfaction in post graduate choices of low-income financial aid recipients.

Success in attaining these goals will be measured by five metrics, 1) applications from low-income students, 2) low-income applicants offered admissions, 3) low-income applicants who accepted offers, 4) yield of low-income students, and 5) percentage of low-income students in the student body. In 2005-06 applications from low-income students rose 13.1% from the previous year for a total of 875. The University offered admission to 357 applicants, 10% more than in the prior year. Almost 40% more of those low-income students to whom the University offered admission for the 2005-06 academic year accepted the offer, 233 compared to 133 last year, increasing the yield from 50% to over 64%. The trend in the percentage of low-income students in the student body has also improved over the last two years increasing from 4.29% in 2004-05 to 6.45% in 2005-06. The University expects to increase the numbers of low-income students enrolled from the current 830 to 1,033 by 2011-12 as outlined in the Six-Year Plan.

The Academic Division will cap the amount of need-based loans to any undergraduate student who qualifies for some form of financial aid to a maximum of 25% of the total in-state cost of attendance over four years and will meet the remaining need with grants, beginning with the fall 2005 first-year or VCCS transfer students. All students, regardless of state residency, will receive the in-state cap level. This phase will be fully implemented by fall 2008. This particular component of the program is targeted at middle-income students whose families earn between \$75,000 and \$149,999. The University's goals for this component of the program include:

1. Improve the socio-economic diversity at the University.
2. Enable financial aid recipients to have an enhanced student experience.
3. Improve satisfaction in post graduate choices.

Success will be measured in this area by three metrics, 1) applications from middle-income students, 2) participation of financial aid recipients in study abroad, internships, volunteer work, student activities, etc., and 3) post graduate choices and starting salaries. Seven percent or 219 more middle-income students applied to the University in 2005-06 than in 2004-05 and qualified for AccessUVa benefits.

The Academic Division will provide comprehensive counseling to prospective and current students and their families, assisting them in the financial aid application process and presenting them with financing options outside of need-based financial aid. This last component of the program has three main goals:

- 1. Improve the perception of the University as affordable.*
- 2. Increase the socio-economic diversity of the University.*
- 3. Improve student understanding of financial planning and debt management.*

*The University's financial aid educational programs are currently being designed. We expect to measure trends in the following ways in order to gage success: 1) usage figures of educational programs provided on financial planning and debt management, 2) percent of financial aid applicants participating in financial management programs, and 3) evaluation of effectiveness of the educational programs.*

*The Commonwealth and the University agree that this commitment meets the requirements of subsection B of § [23-38.104](#) of the Act.*

*SECTION 2.3. Authority Granted to The University of Virginia's College at Wise. The College shall receive the benefits of the additional financial and operational authority granted by this Management Agreement as it and the policies adopted by the Board of Visitors attached as Exhibits M through R are implemented by the University on behalf of the College, but the College shall not receive any additional independent financial or operational authority as a result of this Management Agreement or the attached Board of Visitors policies beyond the independent financial and operational authority that it had prior to the effective date of this Management Agreement or that it may be granted by law in the future.*

*SECTION 2.4. Other Law. As provided in subsection B of § [23-38.91](#) of the Act, the University shall be governed and administered in the manner provided not only in this Management Agreement, but also as provided in the Appropriation Act then in effect and the University's Enabling Legislation.*

*SECTION 2.4.1. The Appropriation Act. The Commonwealth and the University agree that, pursuant to the current terms of the Act and the terms of § 4-11.00 of the 2004-06 Appropriation Act, if there is a conflict between the provisions of the Appropriation Act and the provisions of Subchapter 3 of the Act, or this Management Agreement, or the Board of Visitors policies attached to this Management Agreement as Exhibits M through R, the provisions of the Appropriation Act shall control, and shall continue to control unless provided otherwise by law.*

*SECTION 2.4.2. The University's Enabling Legislation. As provided in subsection C of § [23-38.91](#) of the Act, in the event of a conflict between any provision of Subchapter 3 of this Act and the University's Enabling Legislation, the Enabling Legislation shall control, except as provided in subdivision A.1.b of § [23-38.112](#) of the Act, regarding § [23-77.1](#).*

*SECTION 2.4.3. Title 2.2 of the Code of Virginia. As provided in subsection B of § [23-38.92](#) of the Act, except as specifically made inapplicable under Subchapter 3 of the Act*

*and the express terms of this Management Agreement, the provisions of Title 2.2 relating generally to the operation, management, supervision, regulation, and control of public institutions of higher education shall be applicable to the University as provided by the express terms of this Management Agreement. As further provided in subsection C of § [23-38.92](#) of the Act, in the event of conflict between any provision of Title 2.2 and any provision of Subchapter 3 of the Act as expressed in this Management Agreement, the provisions of this Management Agreement shall control.*

*SECTION 2.4.4. Educational Policies of the Commonwealth. As provided in subsection A of § [23-38.93](#) of the Act, for purposes of §§ [2.2-5004](#), [23-1.01](#), [23-1.1](#), [23-2](#), [23-2.1](#), [23-2.1:1](#), [23-3](#), [23-4.2](#), [23-4.3](#), [23-4.4](#), [23-7.1:02](#), [23-7.4](#), [23-7.4:1](#), [23-7.4:2](#), [23-7.4:3](#), [23-7.5](#), [23-8.2:1](#), [23-9.1](#), [23-9.2](#), [23-9.2:3](#), [23-9.2:3.02](#), [23-9.2:3.1](#) through [23-9.2:5](#), [23-9.6:1.01](#), and Chapter 4.9 (§ [23-38.75](#) et seq.) of the Code of Virginia, the University shall remain a public institution of higher education of the Commonwealth following the effective date of this Management Agreement, and shall retain the authority granted and any obligations required by such provisions, unless and until provided otherwise by law other than the Act. In addition, the University shall retain the authority, and any obligations related to the exercise of such authority, that is granted to institutions of higher education pursuant to Chapter 1.1 (§ [23-9.3](#) et seq.), Chapter 3 (§ [23-14](#) et seq.), Chapter 3.2 (§ [23-30.23](#) et seq.), Chapter 3.3 (§ [23-30.39](#) et seq.), Chapter 4 (§ [23-31](#) et seq.), Chapter 4.01 (§ [23-38.10:2](#) et seq.), Chapter 4.1 (§ [23-38.11](#) et seq.), Chapter 4.4 (§ [23-38.45](#) et seq.), Chapter 4.4:1 (§ [23-38.53:1](#) et seq.), Chapter 4.4:2 (§ [23-38.53:4](#) et seq.), Chapter 4.4:3 (§ [23-38.53:11](#)), Chapter 4.4:4 (§ [23-38.53:12](#) et seq.), Chapter 4.5 (§ [23-38.54](#) et seq.), Chapter 4.7 (§ [23-38.70](#) et seq.), Chapter 4.8 (§ [23-38.72](#) et seq.), and Chapter 4.9 (§ [23-38.75](#) et seq.), unless and until provided otherwise by law other than the Act.*

*SECTION 2.4.5. Public Access to Information. As provided in § [23-38.95](#) of the Act, the University shall continue to be subject to § [2.2-4342](#) and to the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, but shall be entitled to conduct business pursuant to § [2.2-3709](#) and, in all cases, may conduct business as a “state public body” for purposes of subsection B of § [2.2-3708](#).*

*SECTION 2.4.6. Conflicts of Interests. As provided in § [23-38.96](#) of the Act, the provisions of the State and Local Government Conflict of Interests Act, Chapter 32 (§ [2.2-3100](#) et seq.) that are applicable to officers and employees of a state governmental agency shall continue to apply to the members of the Board of Visitors of the University and to its Covered Employees.*

*SECTION 2.4.7. Other Provisions of the Code of Virginia. Other than as specified above, any other powers and authorities granted to the University pursuant to any other sections of the Code of Virginia, including other provisions of the Act, are not affected by this Management Agreement or the Board policies attached hereto as Exhibits M through R.*

*ARTICLE 3. AMENDMENTS TO, AND RIGHT AND POWER TO VOID OR REVOKE, MANAGEMENT AGREEMENT.*

*SECTION 3.1. Amendments. Any change to or deviation from this Management Agreement or the Board of Visitors policies attached hereto as Exhibits M through R shall be reported to the Secretaries of Finance, Administration, Education, and Technology and to the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations and shall be posted on the University's website. The change or deviation shall become effective unless one of the above persons notifies the University in writing within 60 days that the change or deviation is substantial and material. Any substantial and material change or deviation shall require the execution by the parties of an amendment to this Management Agreement or a new Management Agreement pursuant to the provisions of subsection D of § [23-38.88](#) and may lead to the Governor declaring this Management Agreement to be void pursuant to subdivision D 4 of § [23-38.88](#) of the Act.*

*SECTION 3.2. Right and Power to Void, Revoke, or Reinstate Management Agreement.*

*SECTION 3.2.1. Governor. Pursuant to subdivision D 4 of § [23-38.88](#), and § [23-38.98](#), of the Act, if the Governor makes a written determination that the University is not in substantial compliance with the terms of this Management Agreement or with the requirements of the Act in general, (i) the Governor shall provide a copy of that written determination to the Rector of the Board of Visitors of the University and to the members of the General Assembly, and (ii) the University shall develop and implement a plan of corrective action, satisfactory to the Governor, for purposes of coming into substantial compliance with the terms of this Management Agreement and with the requirements of the Act, as soon as practicable, and shall provide a copy of such corrective action plan to the members of the General Assembly. If after a reasonable period of time after the corrective action plan has been implemented by the University, the Governor determines that the institution is not yet in substantial compliance with this Management Agreement or the requirements of the Act, the Governor may void this Management Agreement. Upon the Governor voiding this Management Agreement, the University shall no longer be allowed to exercise any restructured financial or operational authority pursuant to the provisions of Subchapter 3 of the Act unless and until the University has entered into a*

*subsequent management agreement with the Secretary or Secretaries designated by the Governor or the voided Management Agreement is reinstated by the General Assembly.*

*SECTION 3.2.2. General Assembly. As provided in subdivision D 4 of § [23-38.88](#) of the Act, the General Assembly may reinstate a Management Agreement declared void by the Governor. Pursuant to § [23-38.98](#) of the Act, the University's status as a Covered Institution governed by Subchapter 3 of the Act may be revoked by an act of the General Assembly (i) if the University fails to meet the requirements of Subchapter 3 of the Act, or (ii) if the University fails to meet the requirements of this Management Agreement.*

*ARTICLE 4. GENERAL PROVISIONS.*

*SECTION 4.1. No Third-Party Beneficiary Status. Nothing in this Agreement, express or implied, shall be construed as conferring any third-party beneficiary status on any person or entity.*

*SECTION 4.2. Sovereign Immunity. Pursuant to subsection E of § [23-38.88](#) of the Act, the University and the members of its Board of Visitors, officers, directors, employees, and agents shall be entitled to the same sovereign immunity to which they would be entitled if the University were not governed by the Act; provided that the Virginia Tort Claims Act, (§ [8.01-195.1](#) et seq.) of the Code of Virginia, and its limitations on recoveries shall remain applicable with respect to the University.*

*SECTION 4.3. Term of Agreement. This Management Agreement shall expire at midnight on June 30, 2010.*

*WHEREFORE, the foregoing Management Agreement has been executed as of this 15th day of November, 2005, and shall become effective on the effective date of legislation enacted into law providing for the terms of such Agreement.*

*THE RESTRUCTURED HIGHER EDUCATION*

FINANCIAL AND ADMINISTRATIVE OPERATIONS

ACT OF 2005

POLICY GOVERNING CAPITAL PROJECTS

THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA

POLICY GOVERNING CAPITAL PROJECTS

I. PREAMBLE.

*Chapters 995 and 933 of the 1996 Acts of Assembly (House Bill No. 884 and Senate Bill No. 389, respectively) delegated limited but significant autonomy to the University of Virginia to establish its own post-appropriation system for undertaking the implementation of non-general fund capital projects for the University of Virginia Medical Center. Similarly, § 4-5.08 of the 1996 Appropriation Act, delegated nearly identical limited autonomy to the University as a whole for non-general fund capital projects. Pursuant thereto, in 1996 the Board of Visitors adopted a Policy Statement Governing Exercise of Post-Appropriation Autonomy for Certain Non-General Fund Capital Projects (the Existing Policy Statement).*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, the University may be delegated the authority to establish its own system for undertaking the implementation of its capital projects. In general, status as a Covered Institution is designed to replace the post-authorization system of reviews, approvals, policies and procedures carried out by a variety of central State agencies, and also the traditional pre-authorization approval process for projects funded entirely with non-general funds and without any proceeds from State Tax Supported Debt. The University's system for carrying out its capital outlay process as a Covered Institution is to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy, together with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy, constitute the adopted Board of Visitors policies regarding the University's capital projects, whether funded by a state general fund appropriation, State Tax Supported Debt, or funding from other sources.*

*This Policy is intended to encompass and implement the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy. In particular, other powers and authorities granted to the Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy.*

## *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Academic Division” means that part of the University known as (State Agency 207).*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Visitors of the University of Virginia.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“Capital Professional Services” means professional engineering, architecture, land surveying and landscape architecture services related to capital projects.*

*“Capital project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction, improvements or renovations, and Capital Leases.*

*“College” means that part of the University operated as the University of Virginia’s College at Wise, also known as (State Agency 246).*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), [51.1-126.3](#), and [51.1-1100](#) in the case of the Medical Center.*

*“Existing Policy Statement” means the Policy Statement Governing Exercise of Post-Appropriation Autonomy for Certain Non-General Fund Capital Projects adopted by the Board of Visitors in 1996.*

*“Major Capital Project(s)” means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction of 5,000 square feet or greater or costing \$1 million or more, improvements or renovations of \$1 million or more, and Capital Leases.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center (State Agency 209), and related health care and health maintenance facilities.*

*“State Tax Supported Debt” means bonds, notes or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 20, 2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

### *III. SCOPE OF POLICY.*

*This Policy applies to the planning and budget development for capital projects, capital project authorization, and the implementation of capital projects, whether funded by a general fund appropriation of the General Assembly, proceeds from State Tax Supported Debt, or funding from other sources.*

*This Policy provides guidance for 1) the process for developing one or more capital project programs for the University, 2) authorization of new capital projects, 3) procurement of Capital Professional Services and construction services, 4) design reviews and code approvals for capital projects, 5) environmental impact requirements, 6) building demolitions, 7) building and land acquisitions, 8) building and land dispositions, 9) project management systems, and 10) reporting requirements.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University’s usual delegation policies and procedures.*

### *V. CAPITAL PROGRAM.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall adopt a system for developing one or more capital project programs that defines or define the capital needs of the University for a given period of time consistent with the University's published Master Plan. This process may or may not mirror the Commonwealth's requirements for capital plans. The Board of Visitors shall approve the program for Major Capital Projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt shall follow the Commonwealth's requirements for capital plans. The Board may approve amendments to the program for Major Capital Projects annually or more often if circumstances warrant.*

*It shall be University policy that each capital project program shall meet the University's mission and institutional objectives, and be appropriately authorized by the University. Moreover, it shall be University policy that each capital project shall be of a size and scope to provide for the defined program needs, designed in accordance with all applicable building codes and handicapped accessibility standards as well as the University's design guidelines and standards, and costed to reflect current costs and escalated to the mid-point of anticipated construction.*

#### **VI. AUTHORIZATION OF CAPITAL PROJECTS**

*The Board of Visitors shall authorize the initiation of each Major Capital Project by approving its size, scope, budget, and funding. The President, acting through the Executive Vice President and Chief Operating Officer, shall adopt procedures for approving the size, scope, budget and funding of all other capital projects. Major Capital Projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and those pre-appropriation approvals of the State's governmental agencies then applicable, and shall follow the State's process for capital budget requests. It shall be the policy of the University that the implementation of capital projects shall be carried out so that the capital project as completed is the capital project approved by the Board for Major Capital Projects and according to the procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer, for all other capital projects. The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure strict adherence to this requirement. Accordingly, the budget, size and scope of a capital project shall not be materially changed beyond the plans and justifications that were the basis for the capital project's approval, either before or during construction, unless approved in advance as described*

*above. Minor changes shall be permissible if they are determined by the President, acting through the Executive Vice President and Chief Operating Officer, to be justified. Major Capital Projects may be submitted for Board of Visitors authorization at any time but must include a statement of urgency if not part of the approved Major Capital Project program.*

**VII. PROCUREMENT OF CAPITAL PROFESSIONAL SERVICES AND CONSTRUCTION SERVICES.**

*It shall be the policy of the University that procurements shall result in the purchase of high quality services and construction at reasonable prices and shall be consistent with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the Board, and with the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy. Specifically, the University is committed to: Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*

*Conducting all procurements in a fair and impartial manner and avoiding any impropriety or the appearance of any impropriety prohibited by State law or University policy;*

*Making procurement rules clear in advance of any competition;*

*Providing access to the University's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;*

*Including in contracts of more than \$10,000 the contractor's agreement not to discriminate against employees or applicants because of race, religion, color, sex, national origin, age, disability or other basis prohibited by State law except where there is a bona fide occupational qualification reasonably necessary to the contractor's normal operations; and*

*Providing for a non-discriminatory procurement process, and including appropriate and lawful provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers.*

*The President, acting through the Executive Vice President and Chief Operating Officer, is authorized to develop implementing procedures for the procurement of Capital Professional Services and construction services at the University. The procedures shall implement this Policy and provide for:*

*A system of competitive negotiation for Capital Professional Services, including a procedure for expedited procurement of Capital Professional Services under \$50,000, pursuant to (i) subdivisions 1, 2, and 3 a of the defined term "competitive negotiation" in Rule 4 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction, and (ii) § 4-5.06 of the 2004-2006 Appropriation Act;*

*A prequalification procedure for contractors or products;*

*A procedure for special construction contracting methods, including but not limited to design-build and construction management contracts; and*

*A prompt payment procedure.*

*The University also may enter into cooperative arrangements with other private or public health or educational institutions, healthcare provider alliances, purchasing organizations or state agencies where, in the judgment of the University, the purposes of this Policy will be furthered.*

#### *VIII. DESIGN REVIEWS AND CODE APPROVALS.*

*The Board of Visitors shall review the design of all Major Capital Projects and shall provide final Major Capital Project authorization based on the size, scope and cost estimate provided with the design. Unless stipulated by the Board of Visitors at the design review, no further design reviews shall be required. For all capital projects other than Major Capital Projects, the President, acting through the Executive Vice President and Chief Operating Officer, shall adopt procedures for design review and project authorization based on the size, scope and cost estimate provided with the design. It shall be the University's policy that all capital projects shall be designed and constructed in accordance with applicable Virginia Uniform Statewide Building Code (VUSBC) standards and the applicable accessibility code.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall designate a Building Official responsible for building code compliance by either (i) hiring an individual to be the University Building Official, or (ii) continuing to use the services of the Department of General Services, Division of Engineering and Buildings, to perform the Building Official function. If option (i) is selected, the individual hired as the University Building Official shall be a full-time employee, a registered professional architect or engineer, and certified by the Department of Housing and Community Development to perform this Building Official function. The University Building Official shall issue building permits for each capital project required by the VUSBC to have a building permit, and shall determine the suitability for occupancy of, and shall issue certifications for building occupancy for, all capital projects requiring such certification. Prior to issuing any such certification, this individual shall ensure that the VUSBC and accessibility*

*requirements are met for that capital project and that such capital project has been inspected by the State Fire Marshal or his designee. When serving as the University Building Official, such individual shall organizationally report directly and exclusively to the Board of Visitors. If the University hires its own University Building Official, it shall fulfill the code review requirement by maintaining a review unit supported by resources and staff who are certified by the Department of Housing and Community Development in accordance with § [36-137](#) of the Code of Virginia, for such purpose and who shall review plans, specifications and documents for compliance with building codes and standards and perform required inspections of work in progress and the completed capital project. No individual licensed professional architect or engineer hired or contracted with to perform these functions shall also perform other building code-related design, construction, facilities-related project management or facilities management functions for the University on the same capital project.*

**IX. ENVIRONMENTAL IMPACT REPORTS.**

*It shall be the policy of the University to assess the environmental, historic preservation, and conservation impacts of all capital projects and to minimize and otherwise mitigate all adverse impacts to the extent practicable. The University shall develop a procedure for the preparation and approval of environmental impact reports for capital projects, in accordance with State environmental, historic preservation, and conservation requirements generally applicable to capital projects otherwise meeting the definition of Major Capital Projects but, pursuant to § [23-38.109](#) C 1 of the Act, with a cost of \$300,000 or more.*

**X. BUILDING DEMOLITIONS.**

*It shall be the policy of the University to consider the environmental and historical aspects of any proposed demolitions. The Board of Visitors shall be responsible for approving demolition requests. The University shall develop a procedure for the preparation and review of demolition requests, including any necessary reviews by the Department of Historic Resources and the Art and Architectural Review Board in accordance with State historic preservation requirements generally applicable to capital projects in the Commonwealth. Further, for any property that was acquired or constructed with funding from a general fund appropriation of the General Assembly or from proceeds from State Tax Supported Debt, general laws applicable to State owned property shall apply.*

**XI. BUILDING OR LAND ACQUISITIONS.**

*It is the policy of the University that capital projects involving building or land acquisition shall be subjected to thorough inquiry and due diligence prior to closing on the*

*acquisition of such real property. The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that the project management system implemented pursuant to Section XIII below provides for a review and analysis of all pertinent matters relating to the acquisition of buildings and land as any prudent purchaser would perform to the end that any building or land acquired by the University shall be suitable for its intended purpose, that the acquisition can be made without substantial risk of liability to the University and that the cost of the real property to be acquired, together with any contemplated development thereof, shall be such that compliance with the provisions of Section VI of this Policy is achieved. In addition, the President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that, where feasible and appropriate to do so, the following specific policies pertaining to the acquisition of buildings or land for capital projects are carried out.*

*A. Environmental and Land Use Considerations.*

*It is the policy of the University to reasonably cooperate with each locality affected by the acquisition. Such cooperation shall include but not be limited to furnishing any information that the locality may reasonably request and reviewing any requests by the locality with regard to any such acquisition. The University shall consider the zoning and comprehensive plan designation by the locality of the building or land and surrounding parcels, as well as any designation by State or federal agencies of historically or archeologically significant areas on the land. Nothing herein shall be construed as requiring the University to comply with local zoning laws and ordinances.*

*B. Infrastructure and Site Condition.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall ensure that, in the case of capital projects involving the acquisition of buildings or land, the project management systems implemented under Section XIII below provide for a review of the following matters prior to acquisition of the building or land: that any land can be developed for its intended purpose without extraordinary cost; that an environmental engineer has been engaged by the University to provide an assessment of any environmental conditions on the land; that there is adequate vehicular ingress and egress to serve the contemplated use of the building or land; that utilities and other services to the land are adequate or can reasonably be provided or have been provided in the case of building acquisitions; and that the condition and grade of the soils have been examined to determine if any conditions exist that would require extraordinary site work or foundation systems.*

*C. Title and Survey.*

*A survey shall be prepared for any real property acquired, and an examination of title to the real property shall be conducted by a licensed attorney or, in the alternative, a commitment for title insurance shall be procured from a title insurance company authorized to do business in the Commonwealth. Based upon the survey and title examination or report, the President, acting through the Executive Vice President and Chief Operating Officer, shall conclude, prior to acquisition of the real property, that title thereto will be conveyed to the University in fee simple, free and clear of all liens, encumbrances, covenants, restrictions, easements or other matters that may have a significant adverse effect upon the University's ability to own, occupy, convey or develop the real property.*

*D. Appraisal.*

*An appraisal shall be conducted of the real property to be acquired to determine its fair market value and the consistency of the fair market value with the price agreed upon by the University.*

*XII. BUILDING OR LAND DISPOSITIONS.*

*The Board of Visitors shall approve the disposition of any building or land. Disposition of land or buildings, the acquisition or construction of which was funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from State Tax Supported Debt, shall require both Board of Visitors approval and other approvals in accordance with general law applicable to State-owned property and with the University's Enabling Legislation.*

*XIII. PROJECT MANAGEMENT SYSTEMS.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall implement one or more systems for the management of capital projects for the University. The systems may include the delegation of project management authority to appropriate University officials, including a grant of authority to such officials to engage in further delegation of authority as the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate.*

*The project management systems for capital projects shall be designed to ensure that such projects comply with the provisions of this Policy and other Board of Visitors policies applicable to closely related subjects such as selection of architects or policies applicable to University buildings and grounds.*

*The project management systems may include one or more reporting systems applicable to capital projects whereby University officials responsible for the management of such projects provide appropriate and timely reports to the President, acting through the Executive Vice President and Chief Operating Officer, on the status of such projects during construction.*

*XIV. REPORTING REQUIREMENTS.*

*In addition to complying with any internal reporting systems contained in the University's project management systems, as described in Section XIII above, the University shall comply with State reporting requirements for those Major Capital Projects funded entirely or in part by a general fund appropriation by the General Assembly or State Tax Supported Debt. Additionally, if any capital project constructs improvements on land, or renovates property, that originally was acquired or constructed in whole or in part with a general fund appropriation for that purpose or proceeds from State Tax Supported Debt, and such improvements or renovations are undertaken entirely with funds not appropriated by the General Assembly and, if the cost of such improvements or renovations is reasonably expected to exceed two million dollars, the decision to undertake such improvements or renovations shall be communicated as required by § [23-38.109](#) C 3 of the Act. As a matter of routine, the President, acting through the Executive Vice President and Chief Operating Officer, shall report to the Department of General Services on the status of such capital projects at the initiation of the project, prior to the commencement of construction, and at the time of acceptance of any such capital project.*

*MANAGEMENT AGREEMENT*

*BETWEEN*

*THE COMMONWEALTH OF VIRGINIA*

*AND*

*THE UNIVERSITY OF VIRGINIA*

*PURSUANT TO*

*THE RESTRUCTURED HIGHER EDUCATION*

*FINANCIAL AND ADMINISTRATIVE OPERATIONS*

*ACT OF 2005*

*POLICY GOVERNING*

*LEASES OF REAL PROPERTY*

*THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA  
POLICY GOVERNING LEASES OF REAL PROPERTY*

*I. PREAMBLE.*

*In 1996 the Board of Visitors adopted a Policy Statement Governing Exercise of Autonomy in Leases of Property for certain leases entered into by the University, which was amended in 2003 as the Policy Statement Governing Exercise of Autonomy in Operating and Capital Leases of Property. The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that, upon becoming a Covered Institution, the University of Virginia may have the authority to establish its own system for the leasing of real property. The University's system for implementing this authority is to be governed by policies adopted by the Board of Visitors. The following provisions of this Policy constitute the adopted Board of Visitors policies regarding Leases of real property entered into by the University.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, as defined in § [23-38.89](#) of the Act, are not affected by this Policy. In particular, other powers and authorities granted to the University of Virginia Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy.*

*II. DEFINITIONS.*

*The following words and terms, when used in this Policy, shall have the following meaning unless the context clearly indicates otherwise:*

*“Academic Division” means that part of the University known as (State Agency 207).*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Board of Visitors” means the Rector and Visitors of the University of Virginia.*

*“Capital Lease” means a lease that is defined as such within Generally Accepted Accounting Principles pursuant to the pronouncement of the Financial Accounting Standards Board.*

*“College” means that part of the University operated as the University of Virginia's College at Wise, also known as (State Agency 246).*

*“Covered Institution” means a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by Subchapter 3 of the Act.*

*“Expense Lease” means an Operating Lease of real property under the control of another entity to the University.*

*“Income Lease” means an Operating Lease of real property under the control of the University to another entity.*

*“Lease” or “Leases” means any type of lease involving real property.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center, known as (State Agency 209), and related health care and health maintenance facilities.*

*“Operating Lease” means any lease involving real property, or improvements thereon, that is not a Capital Lease.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

### *III. SCOPE OF POLICY.*

*This Policy provides guidance for the implementation of all University Leases.*

### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University’s usual delegation policies and procedures.*

### *V. REQUIREMENTS FOR LEASES.*

#### *A. Factors to Be Considered When Entering into Leases.*

*All Leases shall be for a purpose consistent with the mission of the University. The decision to enter into a Lease shall be further based upon cost, demonstrated need, compliance with this Policy, consideration of all costs of occupancy, and a determination that the use of the property to be leased is necessary and is efficiently planned. Leases shall also conform to the space planning procedures that may be adopted by the President, acting through the Executive Vice President and Chief Operating Officer, to ensure that*

*the plan for the space to be leased is consistent with the purpose for which the space is intended.*

*B. Competition to Be Sought to Maximum Practicable Degree.*

*Competition shall be sought to the maximum practicable degree for all Leases. The President, acting through the Executive Vice President and Chief Operating Officer, is authorized to ensure that Leases are procured through competition to the maximum degree practicable and to determine when, under guidelines that may be developed and adopted by the President, acting through the Executive Vice President and Chief Operating Officer, it is impractical to procure Leases through competition.*

*C. Approval of Form of Lease Required.*

*The form of Leases entered into by the University shall be approved by the University's legal counsel.*

*D. Execution of Leases.*

*All Leases entered into by the University shall be executed only by those University officers or persons authorized by the President or the Executive Vice-President and Chief Operating Officer, or as may subsequently be authorized by the Board of Visitors, and subject to any such limits or conditions as may be prescribed in the delegation of authority. Subject to the University's Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the University, no other University approval shall be required for leases or leasing, nor state approval required except in the case of leases of real property as may be governed by general state law in accordance with §§ [23-38.109](#) and [23-38.112](#) of the Act.*

*E. Capital Leases.*

*The Board of Visitors shall authorize the initiation of Capital Leases pursuant to the authorization process included in the Policy Governing Capital Projects adopted by the Board as part of the Management Agreement between the Commonwealth and the University.*

*F. Compliance with Applicable Law.*

*All Leases of real property by the University shall be consistent with any requirements of law that are contained in the Act or are otherwise applicable.*

*G. Certification of Occupancy.*

*All real property covered by an Expense Lease or leased by the University under a Capital Lease shall be certified for occupancy by the appropriate public body or building official.*

PURSUANT TO

THE RESTRUCTURED HIGHER EDUCATION FINANCIAL AND ADMINISTRATIVE  
OPERATIONS ACT OF 2005

POLICY GOVERNING

INFORMATION TECHNOLOGY

THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA

POLICY GOVERNING INFORMATION TECHNOLOGY

I. PREAMBLE.

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides, inter alia, that public institutions of higher education in the Commonwealth of Virginia that have entered into a Management Agreement with the Commonwealth “may be exempt from the provisions governing the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et seq.) of Title 2.2., and the provisions governing the Information Technologies [sic] Investment Board, Article 20 of Chapter 24 (§ [2.2-2457](#) et seq.) of Title 2.2 of the Code of Virginia; provided, however, that the governing body of . . . [such] institution shall adopt, and . . . [such] institution shall comply with, policies” that govern the exempted provisions. See § [23-38.111](#) of the Code of Virginia. This Information Technology Policy shall become effective upon the effective date of a Management Agreement authorized by subsection D of § [23-38.88](#) and § [23-38.97](#) of the Act between the Commonwealth and the University that incorporates this Policy.*

*The Board of Visitors of the University of Virginia is authorized to adopt this Information Technology Policy pursuant to § [23-38.111](#) of the Code of Virginia.*

## *II. DEFINITIONS.*

*As used in this Information Technology Policy, the following terms have the following meanings, unless the context requires otherwise:*

*“Academic Division” means that part of the University known as (State Agency 207).*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Board of Visitors of the University of Virginia.*

*“College” means that part of the University operated as the University of Virginia’s College at Wise, also known as (State Agency 246).*

*“Information Technology” or “IT” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia as it currently exists and from time to time may be amended.*

*“Major information technology project” or “major IT project” shall have the same meaning as set forth in § [2.2-2006](#) of the Code of Virginia as it currently exists and from time to time may be amended.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center, known as (State Agency 209), and related health care and health maintenance facilities.*

*“Policy” means this Information Technology Policy adopted by the Board of Visitors.*

*“State Chief Information Officer” or “State CIO” means the Chief Information Officer of the Commonwealth of Virginia.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

## *III. SCOPE OF POLICY.*

*This Policy is intended to cover and implement the authority that may be granted to the University of Virginia pursuant to Subchapter 3 (§ [23-38.91](#) et seq.) of the Act. This Policy is not intended to affect any other powers and authorities granted to the University pursuant to the Appropriation Act and the Code of Virginia, including other provisions of the Act or the University’s enabling legislation as that term is defined in § [23-38.89](#) of the Act. In particular, other powers and authorities granted to the University of Virginia Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy.*

*This Policy shall govern the University’s information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the University. Upon the effective date of a Management Agreement between the Commonwealth and*

*the University, as authorized by subsection D of § [23-38.88](#) and § [23-38.111](#), therefore, the University shall be exempt from those provisions of the Code of Virginia, including those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ [2.2-2457](#) et seq.) (Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia, that otherwise would govern the University's information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits conducted within, by, or on behalf of the University; provided, however, that the University still shall be subject to those provisions of Chapter 20.1 (§ [2.2-2005](#) et seq.) (Virginia Information Technologies Agency) and of Article 20 (§ [2.2-2457](#) et seq.) (Information Technology Investment Board) of Chapter 24 of Title 2.2 of the Code of Virginia that are applicable to public institutions of higher education of the Commonwealth and that do not govern information technology strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, security, and audits within, by, or on behalf of the University.*

*The procurement of information technology and telecommunications goods and services, including automated data processing hardware and software, shall be governed by the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials approved by the Board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction that are incorporated in and attached to that Policy.*

#### **IV. GENERAL PROVISIONS.**

##### **A. Board of Visitors Accountability and Delegation of Authority.**

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

##### **B. Strategic Planning.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall be responsible for overall IT strategic planning at the University, which shall be linked to and in support of the University's overall strategic plan.*

*At least 45 days prior to each fiscal year, the President, acting through the Executive Vice President and Chief Operating Officer, shall make available the University's IT strategic plan covering the next fiscal year to the State CIO for his review and comment with regard to the consistency of the University's plan with the intent of the currently published overall five-year IT strategic plan for the Commonwealth developed by the State CIO pursuant to § [2.2-2007](#) of the Code of Virginia, and into which the University's plan is to be incorporated.*

*C. Expenditure Reporting and Budgeting.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall approve and be responsible for overall IT budgeting and investments at the University. The University's IT budget and investments shall be linked to and in support of the University's IT strategic plan, and shall be consistent with general University policies, the Board-approved annual operating budget, and other Board approvals for certain procurements.*

*By October 1 of each year, the President, acting through the Executive Vice President and Chief Operating Officer, shall make available to the State CIO and the Information Technology Investment Board a report on the previous fiscal year's IT expenditures.*

*The University shall be specifically exempt from:*

*Subdivision A 4 of § [2.2-2007](#) of the Code of Virginia (review by the State CIO of IT budget requests), as it currently exists and from time to time may be amended; §§ [2.2-2022](#) through [2.2-2024](#) of the Code of Virginia (Virginia Technology Infrastructure Fund), as they currently exist and from time to time may be amended; and Any other substantially similar provision of the Code of Virginia governing IT expenditure reporting and budgeting, as it currently exists and from time to time may be amended.*

*D. Project Management.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the project management policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project management as defined by leading IT consulting firms, leading software development firms, or a nationally-recognized project management association, appropriately tailored to the specific circumstances of the University. Copies of the Board's policies, standards, and guidelines shall be made available to the Information Technology Investment Board.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall oversee the management of all University IT projects. IT projects may include, but are not limited to, upgrades to network infrastructure, provision of technology to support research, database development, implementation of new applications, and development*

*of IT services for students, faculty, staff, and patients. Day-to-day management of projects shall be the responsibility of appointed project directors and shall be in accord with the project management policies, standards, and guidelines adopted by the Board, as amended and revised from time to time.*

*On a quarterly basis, the President, acting through the Executive Vice President and Chief Operating Officer, shall report to the Information Technology Investment Board on the budget, schedule, and overall status of the University's major IT projects. This requirement shall not apply to research projects, research initiatives, or instructional programs.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall be responsible for decisions to substantially alter a project's scope, budget, or schedule after initial approval.*

*The University shall be specifically exempt from:*

*§ [2.2-2008](#) of Title 2.2 of the Code of Virginia (additional duties of the State CIO relating to project management), as it currently exists and from time to time may be amended; §§ [2.2-2016](#) through [2.2-2021](#) of Title 2.2 of the Code of Virginia (Division of Project Management), as they currently exist and from time to time may be amended; and Any other substantially similar provision of the Code of Virginia governing IT project management, as it currently exists or from time to time may be amended.*

*The State CIO and the Information Technology Investment Board shall continue to have the authority regarding project suspension and termination as provided in § [2.2-2015](#) and in subdivision A 3 of § [2.2-2458](#), respectively, and the State CIO and the Information Technology Investment Board shall continue to provide the University with reasonable notice of, and a reasonable opportunity to correct, any identified problems before a project is terminated.*

*E. Infrastructure, Architecture, Ongoing Operations, and Security.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines related to IT infrastructure, architecture, ongoing operations, and security developed by the Commonwealth or those of nationally-recognized associations, appropriately tailored to the specific circumstances of the University. Copies of the policies shall be made available to the Information Technology Investment Board.*

*The President, acting through the executive Vice President and Chief Operating Officer, shall be responsible for implementing such policies, standards, and guidelines adopted by the Board, as amended and revised from time to time.*

*For purposes of implementing this Policy, the President shall appoint an existing University employee to serve as a liaison between the University and the State CIO.*

*F. Audits.*

*Pursuant to § [23-38.111](#) of the Act, the Board shall adopt the policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project auditing as defined by leading IT experts, including consulting firms, or a nationally-recognized project auditing association, appropriately tailored to the specific circumstances of the University, which provide for Independent Validation and Verification (IV&V) of the University's major IT projects. Copies of the policies, standards, and guidelines, as amended and revised from time to time, shall be made available to the Information Technology Investment Board.*

*Audits of IT strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, and security, shall also be the responsibility of the University's Internal Audit Department and the Auditor of Public Accounts.*

*INSURANCE, AND CONSTRUCTION AND*

*THE DISPOSITION OF SURPLUS MATERIALS*

*THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA*

*POLICY GOVERNING THE PROCUREMENT OF  
GOODS, SERVICES, INSURANCE AND CONSTRUCTION  
AND THE DISPOSITION OF SURPLUS MATERIALS*

*I. PREAMBLE.*

*A. Chapters 995 and 933 of the 1996 Acts of Assembly (House Bill No. 884 and Senate Bill No. 389, respectively) provided the University of Virginia with autonomy to conduct the procurement of goods and services, including professional services, and construction, on behalf of the University of Virginia Medical Center. Pursuant thereto, in 1996 the Board of Visitors adopted a Policy Statement Governing Exercise of Procurement Autonomy by the University on behalf of the Medical Center. Subchapter 3 of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, provides that the University of Virginia, upon becoming a Covered Institution, shall be authorized to establish its own system for the procurement of goods, services, insurance, and construction, and for the independent disposition of surplus materials by public or private transaction.*

*B. The Act provides that a Covered Institution shall comply with policies adopted by its Board of Visitors for the procurement of goods, services, insurance, and construction, and the disposition of surplus materials. The provisions of this Policy set forth below, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, constitute the adopted Board of Visitors policies required by the Act regarding procurement of goods, services, insurance, and construction, and the disposition of surplus materials by the University.*

*C. This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to any other sections of the Code of Virginia, including other provisions of the Act, the Appropriation Act, and the University's Enabling Legislation are not affected by this Policy. In particular, other powers and authorities granted to the Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy.*

*II. DEFINITIONS.*

*As used in this Policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Academic Division” means that part of the University known as (State Agency 207).*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Agreement” means “Management Agreement.”*

*“Board of Visitors” means the Rector and Visitors of the University of Virginia.*

*“College” means that part of the University operated as the University of Virginia’s College at Wise, also known as (State Agency 246).*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement with the Commonwealth, a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Effective Date” means the effective date of the Management Agreement.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the individual public institutions of higher education of the Commonwealth, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), [51.1-126.3](#), and [51.1-1100](#) in the case of the Medical Center.*

*“Existing Medical Center Policy Statement” means the Policy Statement Governing Exercise of Procurement Autonomy by the University on behalf of the Medical Center adopted in 1996 by the Board of Visitors for the Medical Center.*

*“Goods” means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) between the Commonwealth of Virginia and the University of Virginia.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center, known as (State Agency 209), and related health care and health maintenance facilities.*

*“Rules” means the “Rules Governing Procurement of Goods, Services, Insurance, and Construction” attached to this Policy as Attachment 1.*

*“Services” as used in this Policy means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies, and shall include both professional services, which include the practice of accounting, actuarial services, law, dentistry, medicine, optometry, and pharmacy, and nonprofessional services, which include any service not specifically identified as professional services.*

*“Surplus materials” means personal property including, but not limited to, materials, supplies, equipment and recyclable items, that are determined to be surplus by the University.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

### *III. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University’s usual delegation policies and procedures.*

### *IV. GENERAL PROVISIONS.*

#### *A. Adoption of This Policy and Continued Applicability of Other Board of Visitors’ Procurement Policies.*

*The Academic Division and the College, through its administrative relationship with the University, have had decentralization and pilot program autonomy in many procurement functions and activities since the Appropriation Act of 1994. Effective July 1, 1996, the University was granted autonomy to establish a procurement system for the Medical Center, and the Board of Visitors approved the Existing Medical Center Policy Statement. The Act extends and reinforces the autonomy previously granted to the University in Item 330 E of the 1994 Appropriation Act. This Policy therefore is adopted by the Board of Visitors to enable the University to develop a procurement system for the Academic Division and the College, as well as a surplus materials disposition system for the University as a whole, and to continue the existing procurement system and policies of the Medical Center. Any University electronic procurement system, other than the Medical Center’s electronic procurement system, shall integrate or interface with the Commonwealth’s electronic procurement system.*

*This Policy shall be effective on the Effective Date of the University’s initial Management Agreement with the Commonwealth. The implementing policies and procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer or his designee, to implement this Policy shall continue to be subject to any other policies adopted by the Board of Visitors affecting procurements at the University,*

*including policies regarding the nature and amounts of procurements that may be undertaken without the approval of the Board of Visitors, or of the President, acting through the Executive Vice President and Chief Operating Officer.*

*B. Scope and Purpose of University Procurement Policies.*

*This Policy shall apply to procurements of goods, services, insurance, and construction. It shall be the policy of the University that procurements conducted by the University result in the purchase of high quality goods and services at reasonable prices, and that the University be free, to the maximum extent permitted by law and this Policy, from constraining policies that hinder the ability of the University to do business in a competitive environment. This Policy, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, shall apply to all procurements undertaken by the University, regardless of the source of funds.*

*C. Collaboration, Communication, and Cooperation with the Commonwealth.*

*The University is committed to developing, maintaining, and sustaining collaboration, communication, and cooperation with the Commonwealth regarding the matters addressed in this Policy, particularly with the Offices of the Secretaries of Administration and Technology, the Department of General Services, and the Virginia Information Technologies Agency. Identifying business objectives and goals common to both the University and the Commonwealth and the mechanisms by which such objectives and goals may be jointly pursued and achieved are among the desired outcomes of such collaboration, communication, and cooperation.*

*D. Commitment to Statewide Contracts, Electronic Procurement, and SWAM Participation and Use.*

*The University is committed to maximizing its internal operational efficiencies, economies of scale among institutions of higher education, and the leveraged buying power of the Commonwealth as a whole.*

*Consistent with this commitment, the University:*

*i) May purchase from and participate in all statewide contracts for goods and services, including information technology goods and services, except that the University shall purchase from and participate in contracts for communications services and telecommunications facilities entered into by the Virginia Information Technologies Agency pursuant to [§ 2.2-2011](#) of the Code of Virginia, unless an exception is provided in the Appropriation Act or by other law, and provided that orders not placed through statewide contracts shall be processed directly or by integration or interface through the Commonwealth's electronic procurement system;*

- ii) Shall use directly or by integration or interface the Commonwealth's electronic procurement system and comply with the business plan for the Commonwealth's electronic procurement system, as modified by an agreement between the Commonwealth and the University, which agreement shall not be substantially different than the agreement attached to this Policy as Attachment 2; and*
- iii) Shall adopt a small, woman-owned, and minority-owned (SWAM) business program that is consistent with the Commonwealth's SWAM program.*

*E. Implementation.*

*To effect its implementation under the Act, and if the University remains in continued substantial compliance with the terms and conditions of this Management Agreement with the Commonwealth pursuant to § [23-38.88\(D\)\(4\)](#) and the requirements of Chapter 4.10 of the Act, the University's procurement of goods, services, insurance, and construction, and the disposition of surplus materials shall be exempt from the Virginia Public Procurement Act, Chapter 43 (§ [2.2-4300](#) et seq.) of Title 2.2, except § [2.2-4342](#) and §§ [2.2-4367](#) through [2.2-4377](#); the oversight of the Virginia Information Technologies Agency, Chapter 20.1 (§ [2.2-2005](#) et seq.) of Title 2.2, and the Information Technology Investment Board, Article 20 (§ [2.2-2457](#) et seq.) of Chapter 24 of Title 2.2; the state agency requirements regarding disposition of surplus materials and distribution of proceeds from the sale or recycling of surplus materials in §§ [2.2-1124](#) and [2.2-1125](#); the requirement to purchase from the Department for the Blind and Vision Impaired (VIB) (§ [2.2-1117](#)); and any other state statutes, rules, regulations or requirements relating to the procurement of goods, services, insurance, and construction, including but not limited to Article 3 (§ [2.2-1109](#) et seq.) of Chapter 11 of Title 2.2, regarding the duties, responsibilities and authority of the Division of Purchases and Supply of the Virginia Department of General Services, and Article 4 (§ [2.2-1129](#) et seq.) of Chapter 11 of Title 2.2 of the Code of Virginia, regarding the review and the oversight by the Division of Engineering and Buildings of the Virginia Department of General Services of contracts for the construction of University capital projects and construction-related professional services (§ [2.2-1132](#)).*

*V. UNIVERSITY PROCUREMENT POLICIES.*

*A. General Competitive Principles.*

*In connection with University procurements and the processes leading to award of contracts for goods, services, insurance, and construction, the University is committed to: Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract and the likely extent of competition;*

*Conducting all procurements in an open, fair and impartial manner and avoiding any impropriety or the appearance of any impropriety;*

*Making procurement rules clear in advance of any competition;*

*Providing access to the University's business to all qualified vendors, firms and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;*

*Ensuring that specifications for purchases are fairly drawn so as not to favor unduly a particular vendor; and*

*Providing for the free exchange of information between the University, vendors, firms or contractors concerning the goods or services sought and offered while preserving the confidentiality of proprietary information.*

*B. Access to Records.*

*Procurement records shall be available to citizens or to interested persons, firms or corporations in accordance with the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ [2.2-3700](#) et seq.) of Title 2.2 of the Code of Virginia, except those records exempt from disclosure pursuant to § [2.2-3705.1](#) (7), [2.2-3705.1](#) (12), or [2.2-3705.4](#) (4), or other applicable exemptions of the Virginia Freedom of Information Act, and § [2.2-4342](#) of the Virginia Public Procurement Act.*

*C. Cooperative Procurements and Alliances.*

*In circumstances where the University determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the University that meet its business goals and objectives, the University is authorized to participate in cooperative procurements with other public or private organizations or entities, including other educational institutions, public-private partnerships, public bodies, charitable organizations, health care provider alliances and purchasing organizations, so long as the resulting contracts are procured competitively pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1 and the purposes of this Policy will be furthered. In the event the University engages in a cooperative contract with a private organization or public-private partnership and the contract was not competitively procured pursuant to subsections A through J of § 5 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this Policy as Attachment 1, use of the contract by other state agencies, institutions and public bodies shall be prohibited. Notwithstanding all of the above, use of cooperative contracts shall conform to the business*

*requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. By October 1 of each year, the President, acting through the Executive Vice President and Chief Operating Officer, shall make available to the Secretaries of Administration and Technology, the Joint Legislative Audit and Review Commission, and the Auditor of Public Accounts a list of all cooperative contracts and alliances entered into or used during the prior fiscal year.*

*D. Training; Ethics in Contracting.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall take all necessary and reasonable steps to assure (i) that all University officials responsible for and engaged in procurements authorized by the Act and this Policy are knowledgeable regarding the requirements of the Act, this Policy, and the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) that only officials authorized by this Policy and any procedures adopted by the President, acting through the Executive Vice President and Chief Operating Officer, to implement this Policy are responsible for and engaged in such procurements, and (iii) that compliance with the Act and this Policy are achieved.*

*The University shall maintain an ongoing program to provide professional development opportunities to its buying staff and to provide methods training to internal staff who are engaged in placing decentralized small purchase transactions.*

*E. Ethics and University Procurements.*

*In implementing the authority conferred by this Policy, the personnel administering any procurement shall adhere to the following provisions of the Code of Virginia: the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, the State and Local Government Conflict of Interests Act, Chapter 31 (§ [2.2-3100](#) et seq.) of Title 2.2, and the Virginia Governmental Frauds Act, Article 1.1 (§ [18.2-498.1](#) et seq.) of Chapter 12 of Title 18.2.*

*VI. UNIVERSITY SURPLUS MATERIALS POLICY AND PROCEDURES.*

*The policy and procedures for disposal for surplus materials shall provide for the sale, environmentally-appropriate disposal, or recycling of surplus materials by the University and the retention of the resulting proceeds by the University.*

*VII. ADOPTION AND EFFECTIVE DATES OF RULES AND IMPLEMENTING POLICIES AND PROCEDURES.*

*The President, acting through the Executive Vice President and Chief Operating Officer or his designee, shall adopt one or more comprehensive sets of specific procurement*

*policies and procedures for the Academic Division and the College, which, in addition to the Rules, implement applicable provisions of law and this Policy. University procurements shall be carried out in accordance with this Policy, the Rules, and any implementing policies and procedures adopted by the University. The implementing policies and procedures (i) shall include the delegation of procurement authority by the Board to appropriate University officials who shall oversee University procurements of goods, services, insurance, and construction, including a grant of authority to such officials to engage in further delegation of authority as the President deems appropriate, and (ii) shall remain consistent with the competitive principles set forth in Part V above.*

*Any implementing policies and procedures adopted pursuant to Part VII A above and the Rules shall become effective on the Effective Date of the University's initial Management Agreement with the Commonwealth, and, as of their effective date, shall be applicable to all procurements undertaken by the University on behalf of the University for goods, services, insurance, and construction. This Policy, the Rules, and any implementing policies and procedures adopted by the University shall not affect existing contracts already in effect.*

*The Rules and University implementing policies and procedures for all University procurements of goods, services, insurance, and construction, and the disposition of surplus property shall be substantially consistent with the Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and their Vendors in their form as of the effective date of this Policy and as amended or changed in the future, and with University procedures specific to the Acquisition of Goods and Services. The Rules and University implementing policies and procedures shall implement a system of competitive negotiation, and competitive sealed bidding when appropriate, for goods, services, including professional services as defined in the Rules, insurance, and construction.*

#### **VIII. REQUIREMENTS FOR RULES AND IMPLEMENTING POLICIES AND PROCEDURES.**

##### **A. Protests, Appeals and Debarment.**

*The Rules and University implementing policies and procedures for procurements other than capital outlay shall include a process or processes for an administrative appeal by vendors, firms or contractors. Protests and appeals may challenge determinations of vendor, firm or contractor non-responsibility or ineligibility, or the award of contracts, provided that such protests and appeals are filed within the times specified by the Rules. Remedies available shall be limited to reversal of the action challenged or, where a contract already being performed is declared void, compensation for the cost of performance up to the time of such declaration. The Rules and University implementing policies and*

*procedures also may establish the basis and process for debarment of any vendor, firm or contractor.*

*B. Prompt Payment of Contractors and Subcontractors.*

*The Rules and University implementing policies and procedures shall include provisions related to prompt payment of outstanding invoices, which shall include payment of interest on properly-presented invoices outstanding more than seven (7) days beyond the payment date, at a rate no higher than the lowest prime rate charged by any commercial bank as published in the Wall Street Journal. The payment date shall be the later of thirty (30) days from the date of the receipt of goods or invoice, or the date established by the contract. All contracts also shall require prompt payment of subcontractors by the general contractor, upon receipt of payment by the University.*

*C. Types of Procurements.*

*The Rules and University implementing policies and procedures shall implement a system of competitive negotiation for professional services, as defined in the Rules, and shall implement purchasing procedures developed to maximize competition given the size and duration of the contract, and the needs of the University. Such policies and procedures may include special provisions for procurements such as emergency procurements, sole source procurements, brand name procurements, small purchases, procurements in which only one qualified vendor responds, and others.*

*D. Approval and Public Notice of Procurements.*

*The Rules and University implementing policies and procedures shall provide for approval of solicitation documents by an authorized individual and for reasonable public notice of procurements, given the size and nature of the need and the applicability of any Virginia Freedom of Information Act exemption.*

*E. Administration of Contracts.*

*The Rules and University implementing policies and procedures shall contain provisions related to the administration of contracts, including contract claims, modifications, extensions and assignments.*

*F. Non-Discrimination.*

*The Rules and University implementing policies and procedures shall provide for a non-discriminatory procurement process that prohibits discrimination because of race, religion, color, sex or national origin of the bidder or offeror in the solicitation and award of contracts; and shall include appropriate provisions to effectuate fair and reasonable consideration of women-owned, minority-owned and small businesses and to promote and encourage a diversity of suppliers.*

ATTACHMENT 1

*Rules Governing Procurement of Goods, Services, Insurance, and Construction  
by a Public Institution of Higher Education of the Commonwealth of Virginia  
Governed by Subchapter 3 of the  
Restructured Higher Education Financial and Administrative Operations Act,  
Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia*

*In accordance with the provisions of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, and in particular § [23-38.110](#) of the Act, the governing body of a public institution of higher education of the Commonwealth of Virginia that has entered into a Management Agreement with the Commonwealth pursuant to Subchapter 3 of the Act has adopted the following Rules Governing Procurement of Goods, Services, Insurance, and Construction to govern the procurement of goods, services, insurance, and construction by the Institution, excluding the University of Virginia Medical Center:*

*§ 1. Purpose. -*

*The purpose of these Rules is to enunciate the public policies pertaining to procurement of good, services, insurance, and construction by the Institution from nongovernmental sources, to include governmental procurement that may or may not result in monetary consideration for either party. These Rules shall apply whether the consideration is monetary or nonmonetary and regardless of whether the Institution, the contractor, or some third party is providing the consideration.*

*§ 2. Scope of Procurement Authority. -*

*Subject to these Rules, and the Institution's continued substantial compliance with the terms and conditions of its Management Agreement with the Commonwealth pursuant to § [23-38.88](#)(D)(4) and the requirements of Chapter 4.10 of the Act, the Institution shall have and shall be authorized to have and exercise all of the authority relating to procurement of goods, services, insurance, and construction, including but not limited to capital outlay-related procurement and information technology-related procurement, that Institutions are authorized to exercise pursuant to Subchapter 3 of the Restructuring Act.*

*§ 3. Competition is the Priority. -*

*To the end that the Institution shall obtain high quality goods and services at reasonable cost, that all procurement procedures be conducted in an open, fair and impartial manner*

*with avoidance of any impropriety or appearance of impropriety, that all qualified vendors have access to the Institution's business and that no offeror be arbitrarily or capriciously excluded, it is the intent of the governing body of the Institution that competition be sought to the maximum feasible degree, that procurement procedures involve openness and administrative efficiency, that individual public bodies enjoy broad flexibility in fashioning details of such competition, that the rules governing contract awards be made clear in advance of the competition, that specifications reflect the procurement needs of the purchasing body rather than being drawn to favor a particular vendor, and that the purchaser and vendor freely exchange information concerning what is sought to be procured and what is offered. The Institution may consider best value concepts when procuring goods and nonprofessional services, but not construction or professional services. Professional services will be procured using a qualification-based selection process. The criteria, factors, and basis for consideration of best value and the process for the consideration of best value shall be as stated in the procurement solicitation.*

*§ 4. Definitions. -*

*As used in these Rules:*

*"Affiliate" means an individual or business that controls, is controlled by, or is under common control with another individual or business. A person controls an entity if the person owns, directly or indirectly, more than 10% of the voting securities of the entity. For the purposes of this definition "voting security" means a security that (i) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (ii) is convertible into, or entitles the holder to receive, upon its exercise, a security that confers such a right to vote. A general partnership interest shall be deemed to be a voting security.*

*"Best value," as predetermined in the solicitation, means the overall combination of quality, price, and various elements of required services that in total are optimal relative to the Institution's needs.*

*"Business" means any type of corporation, partnership, limited liability company, association, or sole proprietorship operated for profit.*

*"Competitive negotiation" is a method of contractor selection that includes the following elements:*

- 1. Issuance of a written Request for Proposal indicating in general terms that which is sought to be procured, specifying the factors that will be used in evaluating the proposal and containing or incorporating by reference the other applicable contractual terms and conditions, including any unique capabilities or qualifications that will be required of the contractor.*

2. *Public notice of the Request for Proposal at least 10 days prior to the date set for receipt of proposals by publication in a newspaper or newspapers of general circulation in the area in which the contract is to be performed so as to provide reasonable notice to the maximum number of offerors that can be reasonably anticipated to submit proposals in response to the particular request. Public notice also shall be published on the Department of General Services' central electronic procurement website and may be published on other appropriate websites. In addition, proposals may be solicited directly from potential contractors.*

3. a. *Procurement of professional services. The procurement of professional services for capital projects shall be conducted using a qualification-based selection process. The Institution shall engage in individual discussions with two or more offerors deemed fully qualified, responsible and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. The offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. The Request for Proposal shall not, however, request that offerors furnish estimates of man-hours or cost for services. At the discussion stage, the Institution may discuss nonbinding estimates of total project costs, including, but not limited to, life-cycle costing, and where appropriate, nonbinding estimates of price for services. Proprietary information from competing offerors shall not be disclosed to the public or to competitors. At the conclusion of discussion, outlined in this subdivision, on the basis of evaluation factors published in the Request for Proposal and all information developed in the selection process to this point, the Institution shall select in the order of preference two or more offerors whose professional qualifications and proposed services are deemed most meritorious. Negotiations shall then be conducted, beginning with the offeror ranked first. If a contract satisfactory and advantageous to the Institution can be negotiated at a price considered fair and reasonable, the award shall be made to that offeror. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price. Should the Institution determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror.*

*A contract for architectural or professional engineering services relating to construction projects may be negotiated by the Institution, for multiple projects provided (i) the projects require similar experience and expertise, and (ii) the nature of the projects is clearly*

*identified in the Request for Proposal. Under such contract, (a) the fair and reasonable prices, as negotiated, shall be used in determining the cost of each project performed, (b) the sum of all projects performed in one contract term shall be as set in the Request for Proposal; and (c) the project fee of any single project shall not exceed the term limit as set in the Request for Proposal. Any unused amounts from any contract term may be carried forward. Competitive negotiations for such contracts may result in awards to more than one offeror provided the Request for Proposal stated the potential for a multi-vendor award.*

*Multiphase professional services contracts satisfactory and advantageous to the Institution for environmental, location, design and inspection work regarding construction of infrastructure projects may be negotiated and awarded based on qualifications at a fair and reasonable price for the first phase only, when completion of the earlier phases is necessary to provide information critical to the negotiation of a fair and reasonable price for succeeding phases. Prior to the procurement of any such contract, the Institution shall state the anticipated intended total scope of the project and determine in writing that the nature of the work is such that the best interests of such Institution require awarding the contract.*

*b. Procurement of other than professional services. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the Institution shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so provided in the Request for Proposal, awards may be made to more than one offeror. Should the Institution determine in writing and in its sole discretion that only one offeror has made the best proposal, a contract may be negotiated and awarded to that offeror. "Competitive sealed bidding" is a method of contractor selection, other than for professional services, which includes the following elements:*

*1. Issuance of a written Invitation to Bid containing or incorporating by reference the specifications and contractual terms and conditions applicable to the procurement. Unless the Institution has provided for prequalification of bidders, the Invitation to Bid shall include a statement of any requisite qualifications of potential contractors. When it is impractical to prepare initially a purchase description to support an award based on prices, an Invitation to Bid may be issued requesting the submission of unpriced offers to*

*be followed by an Invitation to Bid limited to those bidders whose offers have been qualified under the criteria set forth in the first solicitation.*

*2. Public notice of the Invitation to Bid at least 10 days prior to the date set for receipt of bids by publication on the Department of General Services' central electronic procurement website. Public notice also may be published in a newspaper of general circulation or on other appropriate websites, or both. In addition, bids may be solicited directly from potential contractors. Any additional solicitations shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*

*3. Public opening and announcement of all bids received.*

*4. Evaluation of bids based upon the requirements set forth in the invitation, which may include special qualifications of potential contractors, life-cycle costing, value analysis, and any other criteria such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose, which are helpful in determining acceptability.*

*5. Award to the lowest responsive and responsible bidder. When the terms and conditions of multiple awards are so provided in the Invitation to Bid, awards may be made to more than one bidder.*

*"Construction" means building, altering, repairing, improving or demolishing any structure, building or highway, and any draining, dredging, excavation, grading or similar work upon real property.*

*"Construction management contract" means a contract in which a party is retained by the owner to coordinate and administer contracts for construction services for the benefit of the owner, and may also include, if provided in the contract, the furnishing of construction services to the owner.*

*"Covered Institution" or "Institution" means, on and after the effective date of the initial management agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a management agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Restructuring Act.*

*"Design-build contract" means a contract between the Institution and another party in which the party contracting with the Institution agrees to both design and build the structure, roadway or other item specified in the contract.*

*"Goods" means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.*

*"Informality" means a minor defect or variation of a bid or proposal from the exact requirements of the Invitation to Bid, or the Request for Proposal, which does not affect the*

*price, quality, quantity or delivery schedule for the goods, services or construction being procured.*

*“Multiphase professional services contract” means a contract for the providing of professional services where the total scope of work of the second or subsequent phase of the contract cannot be specified without the results of the first or prior phase of the contract.*

*“Nonprofessional services” means any services not specifically identified as professional services in the definition of professional services and includes small construction projects valued not over \$1 million; provided that subdivision 3a of the definition of “competitive negotiation” in this section shall still apply to professional services for such small construction projects.*

*“Potential bidder or offeror” for the purposes of §§ 50 and 54 of these Rules means a person who, at the time the Institution negotiates and awards or proposes to award a contract, is engaged in the sale or lease of goods, or the sale of services, insurance or construction, of the type to be procured under the contract, and who at such time is eligible and qualified in all respects to perform that contract, and who would have been eligible and qualified to submit a bid or proposal had the contract been procured through competitive sealed bidding or competitive negotiation.*

*“Professional services” means work performed by an independent contractor within the scope of the practice of accounting, actuarial services, architecture, land surveying, landscape architecture, law, dentistry, medicine, optometry, pharmacy or professional engineering.*

*“Public body” means any legislative, executive or judicial body, agency, office, department, authority, post, commission, committee, institution, board or political subdivision created by law to exercise some sovereign power or to perform some governmental duty, and empowered by law to undertake the activities described in these Rules.*

*“Public contract” means an agreement between the Institution and a nongovernmental source that is enforceable in a court of law.*

*“Responsible bidder” or “offeror” means a person who has the capability, in all respects, to perform fully the contract requirements and the moral and business integrity and reliability that will assure good faith performance, and who has been prequalified, if required.*

*“Responsive bidder” means a person who has submitted a bid that conforms in all material respects to the Invitation to Bid.*

*“Restructuring Act” or “Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Rules” means these Rules Governing Procurement of Goods, Services, Insurance, and Construction adopted by the governing body of the Covered Institution.*

*“Reverse auctioning” means a procurement method wherein bidders are invited to bid on specified goods or nonprofessional services through real-time electronic bidding, with the award being made to the lowest responsive and responsible bidder. During the bidding process, bidders’ prices are revealed and bidders shall have the opportunity to modify their bid prices for the duration of the time period established for bid opening.*

*“Services” means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies.*

*“Sheltered workshop” means a work-oriented rehabilitative facility with a controlled working environment and individual goals that utilizes work experience and related services for assisting the handicapped person to progress toward normal living and a productive vocational status.*

*§ 5. Methods of procurement. -*

*A. All public contracts with nongovernmental contractors for the purchase or lease of goods, or for the purchase of services, insurance, or construction, shall be awarded after competitive sealed bidding, or competitive negotiation as provided in this section, unless otherwise authorized by law.*

*B. Professional services shall be procured by competitive negotiation. Qualification-based selection shall be used for design services.*

*C. Goods, services, or insurance may be procured by competitive negotiation.*

*D. Construction may be procured only by competitive sealed bidding, except that competitive negotiation may be used in the following instances upon a determination made in advance by the Institution and set forth in writing that competitive sealed bidding is either not practicable or not fiscally advantageous to the public, which writing shall document the basis for this determination:*

*1. By the Institution on a fixed price design-build basis or construction management basis under § 7;*

*2. By the Institution for the construction, alteration, repair, renovation or demolition of buildings; or*

*3. By the Institution for the construction of highways and any draining, dredging, excavation, grading or similar work upon real property.*

*E. Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. The writing shall document the basis for this determination. The Institution shall issue a written notice stating that only one source was determined to be practicably available, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first. Public notice shall also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and may be published on other appropriate websites.*

*F. In case of emergency, a contract may be awarded without competitive sealed bidding or competitive negotiation; however, such procurement shall be made with such competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file. The Institution shall issue a written notice stating that the contract is being awarded on an emergency basis, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first, or as soon thereafter as is practicable. Public notice may also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and other appropriate websites.*

*G. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for goods and services other than professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however, such small purchase procedures shall provide for competition wherever practicable.*

*H. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive negotiation for single or term contracts for professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however such small purchase procedures shall provide for competition wherever practicable.*

*I. Upon a determination made in advance by the Institution and set forth in writing that the purchase of goods, products or commodities from a public auction sale is in the best interests of the public, such items may be purchased at the auction, including online public auctions. The writing shall document the basis for this determination.*

*J. The purchase of goods or nonprofessional services, but not construction or professional services, may be made by reverse auctioning.*

*§ 6. Cooperative procurement. -*

*A. In circumstances where the Institution determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the Institution that meet its business goals and objectives, the Institution is authorized to participate in, sponsor, conduct, or administer a cooperative procurement arrangement on behalf of or in conjunction with public bodies, public or private health or educational institutions, other public or private organizations or entities, including public-private partnerships, charitable organizations, health care provider alliances or purchasing organizations or entities, or with public agencies or institutions or group purchasing organizations of the several states, territories of the United States, or the District of Columbia, for the purpose of combining requirements to effect cost savings or reduce administrative expense in any acquisition of goods and services, other than professional services. The Institution may purchase from any authority, department, agency, institution, city, county, town, or other political subdivision of the Commonwealth's contract even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies. In such instances, deviation from the procurement procedures set forth in these Rules and the administrative policies and procedures established to implement these Rules shall be permitted. Notwithstanding all of the above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. Nothing herein shall prohibit the payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.*

*B. In circumstances where statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to meet the Institution's business goals and objectives, and as authorized by the United States Congress and consistent with applicable federal regulations, and provided the terms of the contract permit such purchases:*

1. *The Institution may purchase goods and nonprofessional services, from a United States General Services Administration contract or a contract awarded by any other agency of the United States government; and*
2. *The Institution may purchase telecommunications and information technology goods and nonprofessional services from a United States General Services Administration contract or a contract awarded by any other agency of the United States government.*

*§ 7. Design-build or construction management contracts authorized. -*

*A. Notwithstanding any other provisions of law, the Institution may enter into contracts on a fixed price design-build basis or construction management basis in accordance with the provisions of this section.*

*B. Procurement of construction by the design-build or construction management method shall be a two-step competitive negotiation process. In the first step, offerors shall be requested to submit their qualifications. Based upon the information submitted and any other relevant information which the Commonwealth may obtain, no more than five offerors deemed most suitable for the project shall be selected by the Commonwealth and requested to submit proposals.*

*§ 8. Modification of the contract. -*

*A. A contract awarded by the Institution may include provisions for modification of the contract during performance, but no fixed-price contract may be increased by more than 25% of the amount of the contract or \$50,000, whichever is greater, without the advance written approval of the Institution's president or his designee. In no event may the amount of any contract, without adequate consideration, be increased for any purpose, including, but not limited to, relief of an offeror from the consequences of an error in its bid or offer.*

*B. The Institution may extend the term of an existing contract for services to allow completion of any work undertaken but not completed during the original term of the contract.*

*C. Nothing in this section shall prevent the Institution from placing greater restrictions on contract modifications.*

*§ 9. Discrimination prohibited; participation of small, women- and minority-owned business. -*

*A. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment. Whenever solicitations are made, the Institution shall include businesses selected from a list made available by the Department of Minority Business Enterprise.*

*B. The Institution shall establish programs consistent with this section to facilitate the participation of small businesses and businesses owned by women and minorities in procurement transactions. The programs established shall be in writing and shall include cooperation with the Department of Minority Business Enterprise, the United States Small Business Administration, and other public or private agencies. The Institution shall submit annual progress reports on minority business procurement to the Department of Minority Business Enterprise.*

*C. Whenever there exists (i) a rational basis for small business enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women- and minority-owned businesses, the Governor is by law authorized and encouraged to require the Institution to implement appropriate enhancement or remedial measures consistent with prevailing law.*

*D. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless it has made a written determination that employing ex-offenders on the specific contract is not in its best interest.*

*§ 10. Employment discrimination by contractor prohibited; required contract provisions. - The Institution shall include in every contract of more than \$10,000 the following provisions:*

*1. During the performance of this contract, the contractor agrees as follows:*

*a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.*

*b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.*

*c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.*

*2. The contractor will include the provisions of the foregoing paragraphs a, b and c in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*§ 11. Drug-free workplace to be maintained by contractor; required contract provisions. -*

*The Institution shall include in every contract over \$10,000 the following provisions: During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.*

*For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with these Rules, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.*

*§ 12. Use of brand names. -*

*Unless otherwise provided in the Invitation to Bid, the name of a certain brand, make or manufacturer shall not restrict bidders to the specific brand, make or manufacturer named and shall be deemed to convey the general style, type, character, and quality of the article desired. Any article that the Institution in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.*

*§ 13. Comments concerning specifications. -*

*The Institution shall establish procedures whereby comments concerning specifications or other provisions in Invitations to Bid or Requests for Proposal can be received and considered prior to the time set for receipt of bids or proposals or award of the contract.*

*§ 14. Prequalification generally; prequalification for construction. -*

*A. Prospective contractors may be prequalified for particular types of supplies, services, insurance or construction, and consideration of bids or proposals limited to prequalified contractors. Any prequalification procedure shall be established in writing and sufficiently in advance of its implementation to allow potential contractors a fair opportunity to complete the process.*

*B. Any prequalification of prospective contractors for construction by the Institution shall be pursuant to a prequalification process for construction projects adopted by the Institution. The process shall be consistent with the provisions of this section.*

*The application form used in such process shall set forth the criteria upon which the qualifications of prospective contractors will be evaluated. The application form shall request of prospective contractors only such information as is appropriate for an objective evaluation of all prospective contractors pursuant to such criteria. The form shall allow the prospective contractor seeking prequalification to request, by checking the appropriate box, that all information voluntarily submitted by the contractor pursuant to this subsection shall be considered a trade secret or proprietary information subject to the provisions of subsection D of § 34 of these Rules.*

*In all instances in which the Institution requires prequalification of potential contractors for construction projects, advance notice shall be given of the deadline for the submission of prequalification applications. The deadline for submission shall be sufficiently in advance of the date set for the submission of bids for such construction so as to allow the procedures set forth in this subsection to be accomplished.*

*At least 30 days prior to the date established for submission of bids or proposals under the procurement of the contract for which the prequalification applies, the Institution shall advise in writing each contractor who submitted an application whether that contractor has been prequalified. In the event that a contractor is denied prequalification, the written notification to the contractor shall state the reasons for the denial of prequalification and the factual basis of such reasons.*

*A decision by the Institution denying prequalification under the provisions of this subsection shall be final and conclusive unless the contractor appeals the decision as provided in § 54 of these Rules.*

*C. The Institution may deny prequalification to any contractor only if the Institution finds one of the following:*

- 1. The contractor does not have sufficient financial ability to perform the contract that would result from such procurement. If a bond is required to ensure performance of a contract, evidence that the contractor can acquire a surety bond from a corporation included on the United States Treasury list of acceptable surety corporations in the amount and type required by the Institution shall be sufficient to establish the financial ability of the contractor to perform the contract resulting from such procurement;*
- 2. The contractor does not have appropriate experience to perform the construction project in question;*
- 3. The contractor or any officer, director or owner thereof has had judgments entered against him within the past 10 years for the breach of contracts for governmental or non-governmental construction, including, but not limited to, design-build or construction management;*

4. *The contractor has been in substantial noncompliance with the terms and conditions of prior construction contracts with the Institution without good cause. If the Institution has not contracted with a contractor in any prior construction contracts, the Institution may deny prequalification if the contractor has been in substantial noncompliance with the terms and conditions of comparable construction contracts with another public body without good cause. The Institution may not utilize this provision to deny prequalification unless the facts underlying such substantial noncompliance were documented in writing in the prior construction project file and such information relating thereto given to the contractor at that time, with the opportunity to respond;*

5. *The contractor or any officer, director, owner, project manager, procurement manager or chief financial official thereof has been convicted within the past 10 years of a crime related to governmental or nongovernmental construction or contracting, including, but not limited to, a violation of (i) Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) the Virginia Governmental Frauds Act (§ [18.2-498.1](#) et seq.), (iii) Chapter 4.2 (§ [59.1-68.6](#) et seq.) of Title 59.1, or (iv) any substantially similar law of the United States or another state;*

6. *The contractor or any officer, director or owner thereof is currently debarred pursuant to an established debarment procedure from bidding or contracting by any public body, agency of another state or agency of the federal government; and*

7. *The contractor failed to provide to the Institution in a timely manner any information requested by the Institution relevant to subdivisions 1 through 6 of this subsection.*

§ 15. *Negotiation with lowest responsible bidder. -*

*Unless canceled or rejected, a responsive bid from the lowest responsible bidder shall be accepted as submitted, except that if the bid from the lowest responsible bidder exceeds available funds, the Institution may negotiate with the apparent low bidder to obtain a contract price within available funds. However, the negotiation may be undertaken only under conditions and procedures described in writing and approved by the Institution prior to issuance of the Invitation to Bid and summarized therein.*

§ 16. *Cancellation, rejection of bids; waiver of informalities. -*

A. *An Invitation to Bid, a Request for Proposal, any other solicitation, or any and all bids or proposals, may be canceled or rejected. The reasons for cancellation or rejection shall be made part of the contract file. The Institution shall not cancel or reject an Invitation to Bid, a Request for Proposal, any other solicitation, bid or proposal pursuant to this section solely to avoid awarding a contract to a particular responsive and responsible bidder or offeror.*

B. *The Institution may waive informalities in bids.*

*§ 17. Exclusion of insurance bids prohibited. -*

*Notwithstanding any other provision of law, no insurer licensed to transact the business of insurance in the Commonwealth or approved to issue surplus lines insurance in the Commonwealth shall be excluded from presenting an insurance bid proposal to the Institution in response to a request for proposal or an invitation to bid. Nothing in this section shall preclude the Institution from debaring a prospective insurer pursuant to § 18.*

*§ 18. Debarment. -*

*Prospective contractors may be debarred from contracting for particular types of supplies, services, insurance or construction, for specified periods of time. Any debarment procedure shall be established in writing by the Institution. Any debarment procedure may provide for debarment on the basis of a contractor's unsatisfactory performance for the Institution.*

*§ 19. Purchase programs for recycled goods; Institution responsibilities. -*

*A. The Institution may implement a purchase program for recycled goods and may coordinate its efforts so as to achieve the goals and objectives set forth in §§ [10.1-1425.6](#), [10.1-1425.7](#), and [10.1-1425.8](#) of the Code of Virginia, and §§ 20 and 22 of these Rules.*

*B. The Department of Environmental Quality, with advice from the Virginia Recycling Markets Development Council, shall advise the Institution concerning the designation of recycled goods.*

*§ 20. Preference for Virginia products with recycled content and for Virginia firms. -*

*A. In the case of a tie bid, preference shall be given to goods produced in Virginia, goods or services or construction provided by Virginia persons, firms or corporations; otherwise the tie shall be decided by lot.*

*B. Whenever any bidder is a resident of any other state and such state under its laws allows a resident contractor of that state a preference, a like preference may be allowed by the Institution to the lowest responsive and responsible bidder who is a resident of Virginia.*

*C. Notwithstanding the provisions of subsections A and B, in the case of a tie bid in instances where goods are being offered, and existing price preferences have already been taken into account, preference shall be given to the bidder whose goods contain the greatest amount of recycled content.*

*§ 21. Preference for Virginia coal used in the Institution. -*

*In determining the award of any contract for coal to be purchased for use in the Institution with state funds, the Institution shall procure using competitive sealed bidding and shall award to the lowest responsive and responsible bidder offering coal mined in Virginia so*

*long as its bid price is not more than 4% greater than the bid price of the low responsive and responsible bidder offering coal mined elsewhere.*

*§ 22. Preference for recycled paper and paper products used by the Institution. -*

*A. In determining the award of any contract for paper and paper products to be purchased for use by the Institution, it shall competitively procure recycled paper and paper products of a quality suitable for the purpose intended, so long as the price is not more than 10% greater than the price of the low responsive and responsible bidder or offeror offering a product that does not qualify under subsection B.*

*B. For purposes of this section, recycled paper and paper products means any paper or paper products meeting the EPA Recommended Content Standards as defined in 40 C.F.R. Part 247.*

*§ 23. Withdrawal of bid due to error. -*

*A. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.*

*One of the following procedures for withdrawal of a bid shall be selected by the Institution and stated in the advertisement for bids: (i) the bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice; or (ii) the bidder shall submit to the Institution or designated official his original work papers, documents and materials used in the preparation of the bid within one day after the date fixed for submission of bids. The work papers shall be delivered by the bidder in person or by registered mail at or prior to the time fixed for the opening of bids. In either*

*instance, the work papers, documents and materials may be considered as trade secrets or proprietary information subject to the conditions of subsection F of § 34 of these Rules. The bids shall be opened one day following the time fixed by the Institution for the submission of bids. Thereafter, the bidder shall have two hours after the opening of bids within which to claim in writing any mistake as defined herein and withdraw his bid. The contract shall not be awarded by the Institution until the two-hour period has elapsed. The mistake shall be proved only from the original work papers, documents and materials delivered as required herein.*

*B. The Institution may establish procedures for the withdrawal of bids for other than construction contracts.*

*C. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than 5%.*

*D. If a bid is withdrawn in accordance with this section, the lowest remaining bid shall be deemed to be the low bid.*

*E. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.*

*F. If the Institution denies the withdrawal of a bid under the provisions of this section, it shall notify the bidder in writing stating the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.*

*§ 24. Contract Pricing Arrangements. -*

*A. Public contracts may be awarded on a fixed price or cost reimbursement basis, or on any other basis that is not prohibited by these Rules.*

*B. Except in case of emergency affecting the public health, safety or welfare, no public contract shall be awarded on the basis of cost plus a percentage of cost.*

*C. A policy or contract of insurance or prepaid coverage having a premium computed on the basis of claims paid or incurred, plus the insurance carrier's administrative costs and retention stated in whole or part as a percentage of such claims, shall not be prohibited by this section.*

*§ 25. Workers' compensation requirements for construction contractors and subcontractors. -*

*A. No contractor shall perform any work on a construction project of the Institution unless he (i) has obtained, and continues to maintain for the duration of the work,*

*workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the Code of Virginia, and (ii) provides prior to the award of contract, on a form furnished by the Institution, evidence of such coverage.*

*B. The Department of General Services shall provide the form to the Institution. Failure of the Institution to provide the form prior to the award of contract shall waive the requirements of clause (ii) of subsection A.*

*C. No subcontractor shall perform any work on a construction project of the Institution unless he has obtained, and continues to maintain for the duration of such work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ [65.2-800](#) et seq.) of Title 65.2 of the Code of Virginia.*

*§ 26. Retainage on construction contracts. -*

*A. In any contract issued by the Institution for construction that provides for progress payments in installments based upon an estimated percentage of completion, the contractor shall be paid at least 95% of the earned sum when payment is due, with no more than 5% being retained to ensure faithful performance of the contract. All amounts withheld may be included in the final payment.*

*B. Any subcontract for a public project that provides for similar progress payments shall be subject to the provisions of this section.*

*§ 27. Public construction contract provisions barring damages for unreasonable delays declared void. -*

*A. Any provision contained in any public construction contract of the Institution that purports to waive, release, or extinguish the rights of a contractor to recover costs or damages for unreasonable delay in performing such contract, either on his behalf or on behalf of his subcontractor if and to the extent the delay is caused by acts or omissions of the Institution, its agents or employees and due to causes within their control shall be void and unenforceable as against public policy.*

*B. Subsection A shall not be construed to render void any provision of a public construction contract awarded by the Institution that:*

- 1. Allows the recovery of that portion of delay costs caused by the acts or omissions of the contractor, or its subcontractors, agents or employees;*
- 2. Requires notice of any delay by the party claiming the delay;*
- 3. Provides for liquidated damages for delay; or*
- 4. Provides for arbitration or any other procedure designed to settle contract disputes.*

*C. A contractor making a claim against the Institution for costs or damages due to the alleged delaying of the contractor in the performance of its work under any public construction contract of the Institution shall be liable to the Institution and shall pay it for a*

*percentage of all costs incurred by the Institution in investigating, analyzing, negotiating, litigating and arbitrating the claim, which percentage shall be equal to the percentage of the contractor's total delay claim that is determined through litigation or arbitration to be false or to have no basis in law or in fact.*

*D. If the Institution denies a contractor's claim for costs or damages due to the alleged delaying of the contractor in the performance of work under any public construction contract for the Institution, it shall be liable to and shall pay such contractor a percentage of all costs incurred by the contractor to investigate, analyze, negotiate, litigate and arbitrate the claim. The percentage paid by the Institution shall be equal to the percentage of the contractor's total delay claim for which the Institution's denial is determined through litigation or arbitration to have been made in bad faith.*

*§ 28. Bid bonds. -*

*A. Except in cases of emergency, all bids or proposals for construction contracts in excess of \$1 million shall be accompanied by a bid bond from a surety company selected by the bidder that is authorized to do business in Virginia, as a guarantee that if the contract is awarded to the bidder, he will enter into the contract for the work mentioned in the bid. The amount of the bid bond shall not exceed 5% of the amount bid.*

*B. No forfeiture under a bid bond shall exceed the lesser of (i) the difference between the bid for which the bond was written and the next low bid, or (ii) the face amount of the bid bond.*

*C. Nothing in this section shall preclude the Institution from requiring bid bonds to accompany bids or proposals for construction contracts anticipated to be less than \$1 million.*

*§ 29. Performance and payment bonds. -*

*A. Upon the award by the Institution of any (i) public construction contract exceeding \$1 million awarded to any prime contractor or (ii) public construction contract exceeding \$1 million awarded to any prime contractor requiring the performance of labor or the furnishing of materials for buildings, structures or other improvements to real property owned by the Institution, the contractor shall furnish to the Institution the following bonds:*

*1. Except for transportation-related projects, a performance bond in the sum of the contract amount conditioned upon the faithful performance of the contract in strict conformity with the plans, specifications and conditions of the contract. For transportation-related projects, such bond shall be in a form and amount satisfactory to the Institution.*

*2. A payment bond in the sum of the contract amount. The bond shall be for the protection of claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom the contract was awarded, or to any subcontractors, in*

*furtherance of the work provided for in the contract, and shall be conditioned upon the prompt payment for all materials furnished or labor supplied or performed in the furtherance of the work.*

*"Labor or materials" shall include public utility services and reasonable rentals of equipment, but only for periods when the equipment rented is actually used at the site.*

*B. Each of the bonds shall be executed by one or more surety companies selected by the contractor that are authorized to do business in Virginia.*

*C. The bonds shall be payable to the Commonwealth of Virginia naming also the Institution.*

*D. Each of the bonds shall be filed with the Institution, or a designated office or official thereof.*

*E. Nothing in this section shall preclude the Institution from requiring payment or performance bonds for construction contracts below \$1 million.*

*F. Nothing in this section shall preclude the contractor from requiring each subcontractor to furnish a payment bond with surety thereon in the sum of the full amount of the contract with such subcontractor conditioned upon the payment to all persons who have and fulfill contracts that are directly with the subcontractor for performing labor and furnishing materials in the prosecution of the work provided for in the subcontract.*

*§ 30. Alternative forms of security. -*

*A. In lieu of a bid, payment, or performance bond, a bidder may furnish a certified check or cash escrow in the face amount required for the bond.*

*B. If approved by the Institution's General Counsel or his equivalent, a bidder may furnish to the Institution a personal bond, property bond, or bank or savings institution's letter of credit on certain designated funds in the face amount required for the bid, payment or performance bond. Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the Institution equivalent to a corporate surety's bond.*

*§ 31. Bonds on other than construction contracts. -*

*The Institution may require bid, payment, or performance bonds for contracts for goods or services if provided in the Invitation to Bid or Request for Proposal.*

*§ 32. Action on performance bond. -*

*No action against the surety on a performance bond shall be brought by the Institution unless brought within one year after (i) completion of the contract, including the expiration of all warranties and guarantees, or (ii) discovery of the defect or breach of warranty that gave rise to the action.*

*§ 33. Actions on payment bonds; waiver of right to sue. -*

*A. Subject to the provisions of subsection B, any claimant who has performed labor or furnished material in accordance with the contract documents in furtherance of the work provided in any contract for which a payment bond has been given, and who has not been paid in full before the expiration of 90 days after the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, may bring an action on the payment bond to recover any amount due him for the labor or material. The obligee named in the bond need not be named a party to the action.*

*B. Any claimant who has a direct contractual relationship with any subcontractor but who has no contractual relationship, express or implied, with the contractor, may bring an action on the contractor's payment bond only if he has given written notice to the contractor within 180 days from the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, stating with substantial accuracy the amount claimed and the name of the person for whom the work was performed or to whom the material was furnished. Notice to the contractor shall be served by registered or certified mail, postage prepaid, in an envelope addressed to such contractor at any place where his office is regularly maintained for the transaction of business. Claims for sums withheld as retainages with respect to labor performed or materials furnished, shall not be subject to the time limitations stated in this subsection.*

*C. Any action on a payment bond shall be brought within one year after the day on which the person bringing such action last performed labor or last furnished or supplied materials.*

*D. Any waiver of the right to sue on the payment bond required by this section shall be void unless it is in writing, signed by the person whose right is waived, and executed after such person has performed labor or furnished material in accordance with the contract documents.*

*§ 34. Public inspection of certain records. -*

*A. Except as provided in this section, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.).*

*B. Cost estimates relating to a proposed procurement transaction prepared by or for the Institution shall not be open to public inspection.*

*C. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of all bids but prior to award, except in the event that the Institution decides not to accept any of the*

*bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract.*

*D. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award, except in the event that the Institution decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to public inspection only after award of the contract.*

*E. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.*

*F. Trade secrets or proprietary information submitted by a bidder, offeror or contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection B of § 14 shall not be subject to the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.); however, the bidder, offeror or contractor shall (i) invoke the protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary.*

*§ 35. Exemption for certain transactions. -*

*A. The provisions of these Rules shall not apply to:*

*1. The selection of services related to the management and investment of the Institution's endowment funds, endowment income, or gifts pursuant to § [23-76.1](#). However, selection of these services shall be governed by the Uniform Management of Institutional Funds Act (§ [55-268.1](#) et seq.) as required by § [23-76.1](#).*

*2. The purchase of items for resale at retail bookstores and similar retail outlets operated by the Institution. However, such purchase procedures shall provide for competition where practicable.*

*3. Procurement of any construction or planning and design services for construction by the Institution when (i) the planning, design or construction is \$50,000 or less or (ii) the Institution is obligated to conform to procurement procedures that are established by federal statutes or regulations, whether or not those federal procedures are in conformance with the provisions of these Rules.*

*4. The University of Virginia Medical Center.*

*5. The purchase of goods and services by the Institution when such purchases are made under a remedial plan established by the Governor pursuant to subsection C of § 9 of these Rules.*

*B. Where a procurement transaction involves the expenditure of federal assistance or contract funds, the receipt of which is conditioned upon compliance with mandatory*

*requirements in federal laws or regulations not in conformance with the provisions of these Rules, the Institution may comply with such federal requirements, notwithstanding the provisions of these Rules, only upon the written determination of the Institution's President or his designee that acceptance of the grant or contract funds under the applicable conditions is in the public interest. Such determination shall state the specific provision of these Rules in conflict with the conditions of the grant or contract.*

*§ 36. Permitted contracts with certain religious organizations; purpose; limitations. -*

*A. The Opportunity Reconciliation Act of 1996, P.L. 104-193, authorizes public bodies to enter into contracts with faith-based organizations for the purposes described in this section on the same basis as any other nongovernmental source without impairing the religious character of such organization, and without diminishing the religious freedom of the beneficiaries of assistance provided under this section.*

*B. For the purposes of this section, "faith-based organization" means a religious organization that is or applies to be a contractor to provide goods or services for programs funded by the block grant provided pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193.*

*C. The Institution, in procuring goods or services, or in making disbursements pursuant to this section, shall not (i) discriminate against a faith-based organization on the basis of the organization's religious character or (ii) impose conditions that (a) restrict the religious character of the faith-based organization, except as provided in subsection F, or (b) impair, diminish, or discourage the exercise of religious freedom by the recipients of such goods, services, or disbursements.*

*D. The Institution shall ensure that all invitations to bid, requests for proposals, contracts, and purchase orders prominently display a nondiscrimination statement indicating that it does not discriminate against faith-based organizations.*

*E. A faith-based organization contracting with the Institution (i) shall not discriminate against any recipient of goods, services, or disbursements made pursuant to a contract authorized by this section on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and (ii) shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the Institution. Nothing in clause (ii) shall be construed to supersede or otherwise override any other applicable state law.*

*F. Consistent with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, funds provided for expenditure pursuant to contracts with public bodies shall not be spent for sectarian worship, instruction, or proselytizing; however, this prohibition shall not apply to expenditures pursuant to contracts, if any, for the services of chaplains.*

*G. Nothing in this section shall be construed as barring or prohibiting a faith-based organization from any opportunity to make a bid or proposal or contract on the grounds that the faith-based organization has exercised the right, as expressed in 42 U.S.C. (§ 2000e-1 et seq.), to employ persons of a particular religion.*

*H. If an individual, who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization, objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the Institution shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.*

*The Institution shall provide to each individual who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization a notice in bold face type that states: "Neither the Institution's selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider or notify the appropriate person as indicated in this form."*

*§ 37. Exemptions from competition for certain transactions. -*

*The Institution may enter into contracts without competition, as that term is described in subsections A through J of § 5 (Methods of procurement) of these Rules, for:*

- 1. The purchase of goods or services that are produced or performed by or related to:*
  - a. Persons, or in schools or workshops, under the supervision of the Virginia Department for the Blind and Vision Impaired;*
  - b. Nonprofit sheltered workshops or other nonprofit organizations that offer transitional or supported employment services serving the handicapped;*
  - c. Private educational institutions; or*

- d. *Other public educational institutions.*
2. *Speakers and performing artists;*
3. *Memberships and Association dues;*
4. *Sponsored research grant sub-awards and contract sub-awards, not to include the purchase of goods or services by the Institution;*
5. *Group travel in foreign countries;*
6. *Conference facilities and services;*
7. *Participation in intercollegiate athletic tournaments and events including team travel and lodging, registration and tournament fees;*
8. *Royalties; or*
9. *The purchase of legal services, provided that the Office of the Attorney General has been consulted, or expert witnesses or other services associated with litigation or regulatory proceedings.*

§ 38. *Exemptions from competitive sealed bidding and competitive negotiation for certain transactions; limitations. -*

*The Institution may enter into contracts for insurance or electric utility service without competitive sealed bidding or competitive negotiation if purchased through an association of which the Institution is a member if the association was formed and is maintained for the purpose of promoting the interest and welfare of and developing close relationships with similar public bodies, provided such association has procured the insurance or electric utility services by use of competitive principles and provided that the Institution has made a determination in advance after reasonable notice to the public and set forth in writing that competitive sealed bidding and competitive negotiation are not fiscally advantageous to the public. The writing shall document the basis for this determination.*

§ 39. *Definitions. -*

*As used in §§ 39 through 46, unless the context requires a different meaning:*

*"Contractor" means the entity that has a direct contract with the Institution.*

*"Debtor" means any individual, business, or group having a delinquent debt or account with any state agency that obligation has not been satisfied or set aside by court order or discharged in bankruptcy.*

*"Payment date" means either (i) the date on which payment is due under the terms of a contract for provision of goods or services; or (ii) if such date has not been established by contract, (a) 30 days after receipt of a proper invoice by the Institution or its agent or (b) 30 days after receipt of the goods or services by the Institution.*

*"Subcontractor" means any entity that has a contract to supply labor or materials to the contractor to whom the contract was awarded or to any subcontractor in the performance of the work provided for in such contract.*

*§ 40. Exemptions. -*

*The provisions of §§ 39 through 46 shall not apply to the late payment provisions contained in any public utility tariffs prescribed by the State Corporation Commission.*

*§ 41. Retainage to remain valid. -*

*Notwithstanding the provisions of §§ 39 through 46, the provisions of § 26 relating to retainage shall remain valid.*

*§ 42. Prompt payment of bills by the Institution. -*

*A. The Institution shall promptly pay for the completely delivered goods or services by the required payment date.*

*Payment shall be deemed to have been made when offset proceedings have been instituted, as authorized under the Virginia Debt Collection Act (§ [2.2-4800](#) et seq.).*

*B. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial deliveries or executions to the extent that such contract provides for separate payment for such partial delivery or execution.*

*§ 43. Defect or impropriety in the invoice or goods and/or services received. -*

*In instances where there is a defect or impropriety in an invoice or in the goods or services received, the Institution shall notify the supplier of the defect or impropriety, if the defect or impropriety would prevent payment by the payment date. The notice shall be sent within 15 days after receipt of the invoice or the goods or services.*

*§ 44. Date of postmark deemed to be date payment is made. -*

*In those cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made for purposes of these Rules.*

*§ 45. Payment clauses to be included in contracts. -*

*Any contract awarded by the Institution shall include:*

*1. A payment clause that obligates the contractor to take one of the two following actions within seven days after receipt of amounts paid to the contractor by the Institution for work performed by the subcontractor under that contract:*

*a. Pay the subcontractor for the proportionate share of the total payment received from the Institution attributable to the work performed by the subcontractor under that contract;*  
*or*

*b. Notify the Institution and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.*

2. A payment clause that requires (i) individual contractors to provide their social security numbers and (ii) proprietorships, partnerships, and corporations to provide their federal employer identification numbers.
3. An interest clause that obligates the contractor to pay interest to the subcontractor on all amounts owed by the contractor that remain unpaid after seven days following receipt by the contractor of payment from the Institution for work performed by the subcontractor under that contract, except for amounts withheld as allowed in subdivision 1.
4. An interest rate clause stating, "Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of 1% per month."

Any such contract awarded shall further require the contractor to include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

A contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of the Institution. A contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.

§ 46. Interest penalty; exceptions. -

A. Interest shall accrue, at the rate determined pursuant to subsection B, on all amounts owed by the Institution to a vendor that remain unpaid after seven days following the payment date. However, nothing in this section shall affect any contract providing for a different rate of interest, or for the payment of interest in a different manner.

B. The rate of interest charged the Institution pursuant to subsection A shall be the base rate on corporate loans (prime rate) at large United States money center commercial banks as reported daily in the publication entitled *The Wall Street Journal*. Whenever a split prime rate is published, the lower of the two rates shall be used. However, in no event shall the rate of interest charged exceed the rate of interest established pursuant to § [58.1-1812](#) of the Code of Virginia.

C. Notwithstanding subsection A, no interest penalty shall be charged when payment is delayed because of disagreement between the Institution and a vendor regarding the quantity, quality or time of delivery of goods or services or the accuracy of any invoice received for the goods or services. The exception from the interest penalty provided by this subsection shall apply only to that portion of a delayed payment that is actually the subject of the disagreement and shall apply only for the duration of the disagreement.

*D. This section shall not apply to § 26 pertaining to retainage on construction contracts, during the period of time prior to the date the final payment is due. Nothing contained herein shall prevent a contractor from receiving interest on such funds under an approved escrow agreement.*

*E. Notwithstanding subsection A, no interest penalty shall be paid to any debtor on any payment, or portion thereof, withheld pursuant to the Comptroller's Debt Setoff Program, as authorized by the Virginia Debt Collection Act (§ [2.2-4800](#) et seq. of the Code of Virginia), commencing with the date the payment is withheld. If, as a result of an error, a payment or portion thereof is withheld, and it is determined that at the time of setoff no debt was owed to the Commonwealth, then interest shall accrue at the rate determined pursuant to subsection B on amounts withheld that remain unpaid after seven days following the payment date.*

*§ 47. Ineligibility. -*

*A. Any bidder, offeror or contractor refused permission to participate, or disqualified from participation, in public contracts to be issued by the Institution shall be notified in writing. Prior to the issuance of a written determination of disqualification or ineligibility, the Institution shall (i) notify the bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.*

*Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of disqualification or ineligibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received such rebuttal information.*

*If the evaluation reveals that the bidder, offeror or contractor should be allowed permission to participate in the public contract, the Institution shall cancel the proposed disqualification action. If the evaluation reveals that the bidder should be refused permission to participate, or disqualified from participation, in the public contract, the Institution shall so notify the bidder, offeror or contractor. The notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If, upon appeal, it is determined that the action taken was arbitrary or capricious, or not in accordance with the Constitution of Virginia, applicable state law or regulations, the sole relief shall be restoration of eligibility.*

*§ 48. Appeal of denial of withdrawal of bid. -*

*A. A decision denying withdrawal of bid under the provisions of § 23 of these Rules shall be final and conclusive unless the bidder appeals the decision within 10 days after receipt of the decision by invoking administrative procedures meeting the standards of § 55, if available, or in the alternative by instituting legal action as provided in § 54.*

*B. If no bid bond was posted, a bidder refused withdrawal of a bid under the provisions of § 23, prior to appealing, shall deliver to the Institution a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.*

*C. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, the sole relief shall be withdrawal of the bid.*

*§ 49. Determination of nonresponsibility. -*

*A. Following public opening and announcement of bids received on an Invitation to Bid, the Institution shall evaluate the bids in accordance with element 4 of the definition of "Competitive sealed bidding" in § 4 of these Rules. At the same time, the Institution shall determine whether the apparent low bidder is responsible. If the Institution so determines, then it may proceed with an award in accordance with element 5 of the definition of "Competitive sealed bidding" in § 4. If the Institution determines that the apparent low bidder is not responsible, it shall proceed as follows:*

*1. Prior to the issuance of a written determination of nonresponsibility, the Institution shall (i) notify the apparent low bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the apparent low bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.*

*2. Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of responsibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received the rebuttal information. At the same time, the Institution shall notify, with return receipt requested, the bidder in writing of its determination.*

3. *Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*The provisions of this subsection shall not apply to procurements involving the pre-qualification of bidders and the rights of any potential bidders under such pre-qualification to appeal a decision that such bidders are not responsible.*

*B. If, upon appeal pursuant to § 54 or 55 of these Rules, it is determined that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and the award of the contract in question has not been made, the sole relief shall be a finding that the bidder is a responsible bidder for the contract in question or directed award as provided in subsection A of § 54, or both.*

*If it is determined that the decision of the Institution was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and an award of the contract has been made, the relief shall be as set forth in subsection B of § 54 of these Rules.*

*C. A bidder contesting a determination that he is not a responsible bidder for a particular contract shall proceed under this section, and may not protest the award or proposed award under the provisions of § 50 of these Rules.*

*D. Nothing contained in this section shall be construed to require the Institution, when procuring by competitive negotiation, to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous.*

*§ 50. Protest of award or decision to award. -*

*A. Any bidder or offeror, who desires to protest the award or decision to award a contract shall submit the protest in writing to the Institution, or an official designated by the Institution, no later than 10 days after the award or the announcement of the decision to award, whichever occurs first. Public notice of the award or the announcement of the decision to award shall be given by the Institution in the manner prescribed in the terms or conditions of the Invitation to Bid or Request for Proposal. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit the protest in the same manner no later than 10 days after posting or publication of the notice of such contract as provided in § 5 of these Rules. However, if the protest of any actual or potential bidder*

*or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction that are subject to inspection under § 34 of these Rules, then the time within which the protest shall be submitted shall expire 10 days after those records are available for inspection by such bidder or offeror under § 34, or at such later time as provided in this section. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The Institution or designated official shall issue a decision in writing within 10 days stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within 10 days of receipt of the written decision by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54. Nothing in this subsection shall be construed to permit a bidder to challenge the validity of the terms or conditions of the Invitation to Bid or Request for Proposal. The use of Alternative Dispute Resolution (ADR) shall constitute an administrative appeal procedure meeting the standards of § 55 of these Rules.*

*B. If prior to an award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The Institution shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided.*

*Where the award has been made but performance has not begun, the performance of the contract may be enjoined. Where the award has been made and performance has begun, the Institution may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.*

*C. Where the Institution, an official designated by it, or an appeals board determines, after a hearing held following reasonable notice to all bidders, that there is probable cause to believe that a decision to award was based on fraud or corruption or on an act in violation of these Rules, the Institution, designated official or appeals board may enjoin the award of the contract to a particular bidder.*

*§ 51. Effect of appeal upon contract. -*

*Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with these Rules shall not be affected by the fact that a protest or appeal has been filed.*

*§ 52. Stay of award during protest. -*

*An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest as provided in § 50 of these Rules, or the filing of a timely legal action as provided in § 54, no further action to award the contract shall be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.*

*§ 53. Contractual disputes. -*

*A. Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment. However, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.*

*B. The Institution shall include in its contracts a procedure for consideration of contractual claims. Such procedure, which may be contained in the contract or may be specifically incorporated into the contract by reference and made available to the contractor, shall establish a time limit for a final decision in writing by the Institution. If the Institution has established administrative procedures meeting the standards of § 55 of these Rules, such procedures shall be contained in the contract or specifically incorporated in the contract by reference and made available to the contractor. The Institution may require the submission of contractual claims pursuant to any contract to Alternative Dispute Resolution (ADR) as an administrative procedure.*

*C. A contractor may not invoke administrative procedures meeting the standards of § 55 of these Rules, if available, or institute legal action as provided in § 54, prior to receipt of the Institution's decision on the claim, unless the Institution fails to render such decision within the time specified in the contract.*

*D. The decision of the Institution shall be final and conclusive unless the contractor appeals within six months of the date of the final decision on the claim by the Institution by invoking administrative procedures meeting the standards of § 55 of these Rules, if available, or in the alternative by instituting legal action as provided in § 54.*

*§ 54. Legal actions. -*

*A. A bidder or offeror, actual or prospective, who is refused permission or disqualified from participation in bidding or competitive negotiation, or who is determined not to be a responsible bidder or offeror for a particular contract, may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the petitioner establishes that the decision was not (i) an honest exercise of discretion, but rather was*

*arbitrary or capricious; (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid; or (iii) in the case of denial of prequalification, based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. In the event the apparent low bidder, having been previously determined by the Institution to be not responsible in accordance with § 4, is found by the court to be a responsible bidder, the court may direct the Institution to award the contract to such bidder in accordance with the requirements of this section and the Invitation to Bid.*

*B. A bidder denied withdrawal of a bid under § 23 of these Rules may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the bidder establishes that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid.*

*C. A bidder, offeror or contractor, or a potential bidder or offeror on a contract negotiated on a sole source or emergency basis in the manner provided in § 5 of these Rules, whose protest of an award or decision to award under § 50 of these Rules is denied, may bring an action in the appropriate circuit court challenging a proposed award or the award of a contract, which shall be reversed only if the petitioner establishes that the proposed award or the award is not (i) an honest exercise of discretion, but rather is arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms and conditions of the Invitation to Bid or Request for Proposal.*

*D. If injunctive relief is granted, the court, upon request of the Institution, shall require the posting of reasonable security to protect the Institution.*

*E. A contractor may bring an action involving a contract dispute with the Institution in the appropriate circuit court. Notwithstanding any other provision of law, the Comptroller shall not be named as a defendant in any action brought pursuant to these Rules or § [33.1-387](#) of the Code of Virginia, except for disputes involving contracts of the Office of the Comptroller or the Department of Accounts.*

*F. A bidder, offeror or contractor need not utilize administrative procedures meeting the standards of § 55 of these Rules, if available, but if those procedures are invoked by the bidder, offeror or contractor, the procedures shall be exhausted prior to instituting legal action concerning the same procurement transaction unless the Institution agrees otherwise.*

*G. Nothing herein shall be construed to prevent the Institution from instituting legal action against a contractor.*

*§ 55. Administrative appeals procedure. -*

*A. The Institution may establish an administrative procedure for hearing (i) protests of a decision to award or an award, (ii) appeals from refusals to allow withdrawal of bids, (iii) appeals from disqualifications and determinations of nonresponsibility, and (iv) appeals from decisions on disputes arising during the performance of a contract, or (v) any of these. Such administrative procedure may include the use of Alternative Dispute Resolution (ADR) or shall provide for a hearing before a disinterested person or panel, the opportunity to present pertinent information and the issuance of a written decision containing findings of fact. The disinterested person or panel shall not be an employee of the governmental entity against whom the claim has been filed. The findings of fact shall be final and conclusive and shall not be set aside unless the same are (a) fraudulent, arbitrary or capricious; (b) so grossly erroneous as to imply bad faith; or (c) in the case of denial of prequalification, the findings were not based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these Rules. No determination on an issue of law shall be final if appropriate legal action is instituted in a timely manner. The Institution may seek advice and input from the Alternative Dispute Resolution Council in establishing an Alternative Dispute Resolution (ADR) procedure.*

*B. Any party to the administrative procedure, including the Institution, shall be entitled to institute judicial review if such action is brought within 30 days of receipt of the written decision.*

*§ 56. Alternative dispute resolution. -*

*The Institution may enter into agreements to submit disputes arising from contracts entered into pursuant to these Rules to arbitration and utilize mediation and other alternative dispute resolution procedures. However, such procedures shall be nonbinding and subject to § [2.2-514](#) of the Code of Virginia, as applicable.*

*§ 57. Ethics in public contracting. -*

*The Institution and its governing body, officers and employees shall be governed by the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia.*

ATTACHMENT 2

Memorandum of Agreement

*The Commonwealth of Virginia and the University of Virginia*

*ERP/SciQuest Implementation with eVA*

*The Commonwealth of Virginia (CoVA) and the University of Virginia (University) agree to the following:*

*I. The University will use ERP/SciQuest integration as best fits its needs with its ERP system (Oracle).*

*II. Initially, all nonexempt orders produced by the ERP/SciQuest integration will be transmitted to eVA through an ERP-to-eVA interface that conforms to the existing eVA interface standard format. Longer term a more real-time option may be mutually agreed by the Department of General Services/Division of Purchasing and Supply (DGS/DPS) and the University and implemented between the ERP and eVA systems.*

*III. The University may request that eVA contract vendors provide a version of their contract catalog for loading into ERP/SciQuest. Should the vendor indicate a preference to only provide its catalog through eVA, then the University will access these catalogs as described in item B8 of the Metrics section of this document. In any event, the University shall be responsible for payment of all eVA transaction fees for nonexempt orders to unregistered vendors and exempt orders the University chooses to issue to unregistered and registered vendors through eVA.*

*IV. eVA will load all nonexempt University orders into the eVA Data Warehouse. For clarity, it is understood that exempt orders are purchase transactions specifically exempted, in writing by DPS, from mandatory processing through eVA.*

*V. In lieu of processing individual orders for requirements through eVA, a more efficient administrative approach is to establish a blanket or standing order. The University is authorized to use such an approach where it makes good business sense. The University will ensure vendors understand that eVA transaction fees will be invoiced at the time blanket or standing orders are issued, that the transaction fee will be based on the total order amount, and the vendor is required to pay the total transaction fee within 30 days of the invoice date regardless of the performance/delivery schedule specified in the order.*

*VI. eVA will deliver University nonexempt orders to vendors that are identified as accepting electronic orders (Fax, Email, EDI, cXML). The University or SciQuest will print/mail/deliver all other orders to vendors. Whereas the University maintains a University specific electronic vendor record that identifies vendors that do not agree to the eVA terms and conditions, including payment of the eVA order transaction fee, the University*

*may deviate from the policy/procedure set forth in Section 3 of the eVA Business Plan as follows:*

*A. For vendors that refuse to accept the eVA terms and conditions, the University will transmit the appropriate R02, S02, E02, or P02 Purchase Order Category and a Purchase Order Comment that includes the statement "Vendor refuses eVA terms and conditions." The University agrees that it will pay the eVA transaction fees for these orders.*

*For vendors that agree to accept the eVA terms and conditions, the University will transmit the appropriate R01, S01, E01, or P01 Purchase Order Category and a Purchase Order Comment that includes the statement "Vendor accepts eVA terms and conditions - University eVA Vendor Manager, e-mail address and phone number." The University agrees that, for these orders, it will resolve any vendor dispute related to payment of eVA transaction fees by working directly with the vendor whether such vendor contacts the university directly or the dispute is referred to the university by DGS/DPS or CGI-AMS. The University further agrees that:*

- 1. It will provide the DGS/DPS eVA Business Manager (or designee) email notification of the resolution agreed to by the University and the vendor within 10 business days, unless otherwise agreed on a case-by-case basis by the DGS/DPS eVA Business Manager (or designee);*
- 2. It will pay the eVA transaction fee unless it notifies the eVA Business Manager (or designee) within the specified time that the dispute has been resolved and the vendor agreed to pay the fee; and*
- 3. In the event the University does not provide resolution notification to the eVA Business Manager (or designee) within the specified timeframe, DGS/DPS will automatically execute a manual adjustment reversing disputed transaction fees from the vendor to the University and the University will pay the fee.*

*VII. The University will not require separate vendor registrations as a prerequisite for responding to University solicitations. The University will participate in an enterprise workgroup to determine the best means to capture W-9 information on behalf of the whole enterprise. The process for collecting W-9 information will be supported in eVA in such a way as to provide CoVA verified vendor information to entities. The University will have the option to receive a subset of vendor related data. Until an enterprise W-9 process is established, the University will be responsible for collection of W-9 information.*

*VIII. For major system changes, DGS/DPS will collaborate in advance (advance notice defined as at least six (6) months prior to change or as soon as any new plan is*

*proposed) with the University regarding any proposed replacement to the CoVA's electronic procurement system and on changes that may affect the technical changes described herein.*

*IX. Integration of the University's electronic procurement solution with the University's ERP is the responsibility of the University. The solution must provide for orders, change orders and cancellations.*

#### *Guidelines*

*1. The establishment of this agreement is intended to formulate the basis for a long-term solution for electronic procurement between the University and the CoVA.*

*2. Orders may be batched and transmitted to eVA as often as needed except between the hours of 8 p.m. and 4 a.m. eVA will transmit registered vendor orders it receives within 15 minutes or less.*

*3. Nonexempt orders to unregistered vendors are to be transmitted to eVA for loading to the Data Warehouse. The University shall be responsible for payment of all eVA transaction fees for nonexempt orders to unregistered vendors and exempt orders the University chooses to issue to unregistered and registered vendors through eVA. See eVA Business Plan Section 3 for specific processing requirements for unregistered vendor orders.*

*4. Change Orders are to be transmitted to eVA as replacement orders complying with the eVA standard format.*

*5. Cancellations are to be transmitted to eVA complying with the eVA standard format.*

*6. eVA Interface standard does not currently support PCard orders; however these orders may be processed via the interface as (a) confirming orders or (b) orders for PCards on file with the vendor.*

#### *Schedule*

*The University shall implement this agreement no later than December 2006.*

#### *Metrics*

*A. The University shall comply with the following Governor's eVA Management:*

##### *Objective*

*Ninety-five percent of all nonexempt orders to be processed by eVA. Includes nonexempt orders issued by end users (PCard & LPO) and the central purchasing office.*

*Nonexempt orders to unregistered vendors received into the eVA Data Warehouse are considered compliant orders. For clarity, it is understood that exempt orders are purchase transactions specifically exempted, in writing by DPS, from mandatory processing through eVA. All nonexempt orders not processed by eVA shall be reported on the eVA Dashboard and the corresponding non-use fee paid by the University.*

*B. The University shall meet the following management objectives for electronic procurement:*

- 1. Provide end users, including purchase-card users, access to an electronic system for buying;*
- 2. Conduct business with eVA registered vendors whenever possible;*
- 3. Place nonexempt orders, including change orders and cancellations, to eVA suppliers electronically using eVA;*
- 4. To the greatest extent possible, transmit real-time electronic purchase orders, regardless of dollar value, that include commodity codes, complete item descriptions, quantities, and unit prices;*

*5. To the greatest extent feasible, the University will transmit confirming orders to eVA within five (5) business days after placing the order. Commodity codes, complete item descriptions, quantities, and unit prices will be provided for all confirming orders.*

*DGS/DPS will provide periodic reports on the number and timeliness of confirming orders enabling the University and DGS/DPS to work together to monitor the usage of confirming orders with the objective of reducing their numbers to the extent possible. The University agrees that, for confirming orders, it will resolve any vendor dispute, including disputes related to payment of eVA transaction fees, by working directly with the vendor whether such vendor contacts the University directly or the dispute is referred to the University by DGS/DPS or CGI-AMS.*

*The University further agrees that:*

*a. It will provide the DGS/DPS eVA Business Manager (or designee) email notification of the resolution agreed to by the university and the vendor within 10 business days, unless otherwise agreed on a case-by-case basis by the DGS/DPS eVA Business Manager (or designee);*

*b. It will pay the eVA transaction fee unless it notifies the eVA Business Manager (or designee) within the specified time that the dispute has been resolved and the vendor agreed to pay the fee; and*

*c. In the event the University does not provide resolution notification to the eVA Business Manager (or designee) within the specified timeframe, DGS/DPS will automatically execute a manual adjustment reversing disputed transaction fees from the vendor to the University and the University will pay the fee.*

*6. Timely process electronic change orders and cancellations;*

*7. Post all solicitations and business opportunities greater than \$50,000 on the eVA website except as specifically exempted by DPS;*

8. To the extent technically feasible, make eVA catalogs, especially contract catalogs, available to end users using the ERP/SciQuest Integration system. The University will be responsible for the accuracy of contract catalog pricing loaded into the ERP/SciQuest;

9. Use eVA electronic vendor notification for procurement opportunities (per plans to post solicitations specified in item 7 above and the use of Quick Quote/Reverse Auctions specified in item 10 below);

10. Use eVA on-line bidding functions of Quick Quote and Reverse Auction for appropriate commodities, when such are identified;

11. Complete and certify the monthly eVA Dashboard Report; and

12. Timely remit any eVA transaction and non-use fees incurred by the institution.

C. The University shall be subject to eVA fees assessed per the eVA Business Plan. The University shall assure that payments to CGI-AMS are current.

#### EXHIBIT Q

#### MANAGEMENT AGREEMENT

BETWEEN

THE COMMONWEALTH OF VIRGINIA

AND

THE UNIVERSITY OF VIRGINIA

PURSUANT TO

THE RESTRUCTURED HIGHER EDUCATION FINANCIAL AND ADMINISTRATIVE OPERATIONS ACT OF 2005

POLICY GOVERNING

HUMAN RESOURCES FOR

PARTICIPATING COVERED EMPLOYEES

AND OTHER UNIVERSITY EMPLOYEE

THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA

*POLICY GOVERNING HUMAN RESOURCES FOR  
PARTICIPATING COVERED EMPLOYEES  
AND OTHER UNIVERSITY EMPLOYEES*

*I. PREAMBLE.*

*Chapters 995 and 933 of the 1996 Acts of Assembly (House Bill No. 884 and Senate Bill No. 389, respectively) grant the University of Virginia authority regarding the adoption of an alternative human resources system and alternative retirement, health care and other insurance plans for University of Virginia Medical Center employees. Further, the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 of Title 23 of the Code of Virginia, establishes a process for the restructuring of institutions of higher education of the Commonwealth of Virginia and provides that upon becoming a Covered Institution, the University shall have responsibility and accountability for human resources management for all University employees, defined in the Act as "Covered Employees," who pursuant to subsection A of § [23-38.114](#) of the Act "are state employees of" the University. Specifically, the Act provides that, as of the Effective Date of its initial Management Agreement with the Commonwealth, all Classified Employees shall continue to be covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and shall be subject to the policies and procedures prescribed by the Virginia Department of Human Resource Management, provided that they may subsequently elect to become Participating Covered Employees. All Participating Covered Employees shall: (i) be exempt from the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2; (ii) remain subject to the state grievance procedure for employees subject to the Virginia Personnel Act, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2, provided they were subject to the state grievance procedure prior to that Effective Date; (iii) participate in a compensation plan that is subject to the review and approval of the Board of Visitors; (iv) be hired pursuant to procedures that are based on merit and fitness; and (v) may, subject to certain specified conditions, continue to participate in either state- or University-sponsored benefit plans as described by the Management Agreement.*

*The provisions of this Policy are adopted by the Board of Visitors to implement the Governing Law and constitute the human resources policies to be included in any human resources system adopted by the University for its employees.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of*

*Virginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy. In particular, other powers and authorities granted to the University of Virginia Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy Statement.*

## *II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Academic Division” means that part of the University known as (State Agency 207).*

*“Academic Division Human Resources System” means the human resources system for Academic Division employees as provided for herein.*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Board of Visitors of the University of Virginia.*

*“Classified Employees” means employees who are covered by the Virginia Personnel Act, Chapter 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and the policies and procedures established by the Virginia Department of Human Resource Management and who are not Participating Covered Employees.*

*“College” means that part of the University operated as the University of Virginia’s College at Wise (State Agency 246).*

*“College Human Resources System” means the human resources system for College employees as provided for herein.*

*“Covered Employee” means any person who is employed by the University on either a salaried or nonsalaried (wage) basis.*

*“Covered Institution” means, on and after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Employee” means Covered Employee unless the context clearly indicates otherwise.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of Title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the University, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), [51.1-126.3](#), and [51.1-1100](#) in the case of the University of Virginia Medical Center.*

*“Effective Date” means the effective date of the initial Management Agreement between the University and the Commonwealth.*

*“Existing Medical Center Policy Statement” means the Policy Statement Governing the Exercise of Medical Center Personnel Autonomy adopted by the Board of Visitors in 1996.*

*“Governing Law” means the Act and the University’s Enabling Legislation.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) of the Act between the University and the Commonwealth.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center (State Agency 209), and related health care and health maintenance facilities.*

*“Medical Center Human Resources System” means the human resources system for Medical Center employees as provided for herein.*

*“Participating Covered Employee” means (i) all salaried nonfaculty University employees who were employed as of the day prior to the Effective Date of the University’s initial Management Agreement with the Commonwealth, and who elect pursuant to § [23-38.115](#) of the Act to participate in and be governed by such human resources program or programs, plans, policies, and procedures established by [the Participating Institution], (ii) all salaried nonfaculty University employees who are employed by the University on or after the Effective Date of the initial Management Agreement between the University and the Commonwealth, (iii) all nonsalaried nonfaculty University employees without regard to when they were hired, (iv) all faculty University employees without regard to when they were hired, and (v) all employees of the University of Virginia Medical Center without regard to when they were hired.*

*“Systems” mean collectively the Academic Division Human Resources System, the College Human Resources System, and the Medical Center Human Resources System that are in effect from time to time.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

*“University employee” means a Covered Employee.*

### **III. SCOPE AND PURPOSE OF UNIVERSITY HUMAN RESOURCES POLICIES.**

*The University has had human resources system autonomy through decentralization and codified autonomy for its employees for some time. For example, general faculty at the University are expressly exempt from the Virginia Personnel Act. The Academic Division and the College have had decentralization in most human resources functions and activities since the late 1980s and early 1990s, including, but not limited to, the running of payrolls; the administration of hiring, classification, and promotion practices; the administration of separate health insurance and retirement plans. Effective July 1, 1996, all*

*Medical Center employees were exempted from the Virginia Personnel Act and the policies and procedures of the Virginia Department of Human Resource Management (formerly the Department of Personnel and Training). The Board of Visitors approved the Existing Medical Center Policy Statement in 1996. A separate human resources system is in place for all Medical Center employees, which the Board of Visitors hereby continues, recognizing that the human resources needs of the Medical Center differ in certain respects from those of the Academic Division and the College.*

*The Act extends and reinforces the human resources autonomy previously granted to the University. This Policy therefore is adopted by the Board of Visitors to enable the University to develop, adopt, and have in place by or after the Effective Date of its initial Management Agreement with the Commonwealth, a human resources system or systems for all University employees in the Academic Division and the College, and to continue the existing human resources system for Medical Center employees. On that Effective Date, and until changed by the University or unless otherwise specified in this Policy, the systems for University employees shall be the same systems applicable to those employees in effect immediately prior to that Effective Date.*

#### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

#### *V. UNIVERSITY OF VIRGINIA HUMAN RESOURCES SYSTEMS.*

*A. Adoption and Implementation of Academic Division and College Human Resources Systems for the Academic Division and the College; Continuation of Medical Center Human Resources System for the Medical Center.*

*The President, acting through the Executive Vice President and Chief Operating Officer, in consultation with the Vice President and Provost, is hereby authorized to adopt and implement human resources systems for employees of the Academic Division and for employees of the College that implement and are consistent with the Governing Law, other applicable provisions of law, these University human resources policies for Academic Division and College employees, and any other human resources policies*

*adopted by the Department of Human Resource Management or the Board of Visitors for University personnel, unless Academic Division employees or College employees are exempted from those other human resources policies by law or policy. The University Academic Division and College Human Resources Systems shall include a delegation of personnel authority to appropriate University officials responsible for overseeing and implementing the Academic Division and College Human Resources Systems, including a grant of authority to such officials to engage in further delegation of authority as the President or his designee deems appropriate.*

*The University and the College commit to regularly engage employees in appropriate discussions and to receive employee input as the new Academic Division and College Human Resources Systems are developed. The University and the College will regularly communicate the details of new proposals to all employees who are eligible to participate in the new Academic Division Human Resources System or the College Human Resources System through written communication, open meetings, and website postings as appropriate, so that employees will have full information that will help them evaluate the merits of the new human resource system compared to the then-current State human resource system.*

*Effective on the Effective Date of its initial Management Agreement with the Commonwealth, and until amended as described below, the University's human resources systems shall consist of the following:*

- 1. The current human resources system for "Academic Division General Faculty" as posted on the Vice President and Provost's web, <http://www.virginia.edu/provost/index.html>, and periodically amended;*
- 2. The current human resources system for "College General Faculty" as included in the University of Virginia's College at Wise Faculty Handbook 2004-05, as periodically amended;*
- 3. The current human resources system for Classified Employees in the Academic Division and the College as posted on the Virginia Department of Human Resource Management website at <http://www.dhrm.state.va.us/hrpolicy/policy.html>, and the University's website at <http://www.hrs.virginia.edu/policies.html>, as periodically amended;*
- 4. The human resources system for Participating Covered Employees, which shall include nonsalaried (wage) employees, as posted on the University Human Resources website, [www.hrs.virginia.edu](http://www.hrs.virginia.edu), and periodically amended; and*
- 5. The current human resources system for Medical Center employees, which shall continue, including the policies and procedures set forth in the University of Virginia Medical Center Human Resources Policies and Procedures Manual, as such Manual may be*

*amended from time to time. The Medical Center Human Resources System is and shall continue to be consistent with Governing Law, other provisions of applicable law, and any other human resources policies adopted by the Board of Visitors for Medical Center employees. All current delegations of authority to University and Medical Center officials who oversee the Medical Center Human Resources System are hereby ratified and continue.*

*All the systems described above, except the system described in paragraph 3, may be amended by the President, acting through the Executive Vice President and Chief Operating Officer, consistent with these human resources policies. The system described in paragraph 3 may be amended only by the State.*

*B. Training in and Compliance with Applicable Provisions of Law and Board of Visitors' Human Resources Policies.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall take all necessary and reasonable steps to assure (i) that the University officials who develop, implement and administer the Academic Division and College Human Resources Systems and the Medical Center Human Resources System authorized by Governing Law and these human resources policies are knowledgeable regarding the requirements of the Governing Law, other applicable provisions of law, these University human resources policies, and other applicable Board of Visitors' human resources policies affecting University employees, and (ii) that compliance with such laws and human resources policies is achieved.*

#### *VI. HUMAN RESOURCES POLICIES.*

*The Academic Division and College Human Resources Systems adopted by the University pursuant to Governing Law and this Policy, as set forth in Section V above, as well as the Medical Center Human Resources System, shall embody the following human resources policies and principles:*

*A. Election by Academic Division and College Salaried Nonfaculty Employees.*

*Upon the adoption by the University of an Academic Division Human Resources System, or a College Human Resources System, or both, all salaried nonfaculty University employees who were in the employment of the Academic Division or the College, as appropriate, as of the day prior to the Effective Date of its initial Management Agreement with the Commonwealth, except employees of the Medical Center, shall be given written notice of their right to elect to participate in and be governed by either (i) the State human resources program set forth in Chapters 28 (§ [2.2-2800](#) et seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, and administered by the Department of Human Resource Management, or (ii) the Academic Division Human Resources System or the*

*College Human Resources System, as appropriate. A salaried nonfaculty University employee who elects to continue to be governed by the State human resources program described above shall continue to be governed by all State human resources and benefit plans, programs, policies and procedures that apply to and govern State employees. A salaried nonfaculty University employee who elects in writing to participate in and be governed by the Academic Division Human Resources System or the College Human Resources System, as appropriate, also, by that election, shall be deemed to have elected to be eligible to participate in and to be governed by the human resources, authorized alternative insurance, and severance plans, programs, policies and procedures that are or may be adopted by the University as part of that Academic Division Human Resources System or College Human Resources System, as appropriate.*

*Each such salaried nonfaculty University employee shall be given at least 90 days to make the election required by the prior paragraph. Such 90-day period shall begin to run on the date on which the Academic Division Human Resources System or the College Human Resources System, as appropriate, becomes effective for that University employee's classification of employees. If such a salaried nonfaculty University employee does not make an election by the end of that specified election period, that University employee shall be deemed not to have elected to participate in the Academic Division Human Resources System or the College Human Resources System, as appropriate. If such a salaried nonfaculty University employee elects to participate in the Academic Division Human Resources System or the College Human Resources System, as appropriate, that election shall be irrevocable. At least every two years, the University shall offer to salaried nonfaculty University employees who have elected to continue to participate in the state human resources program set forth in Chapters 28 (§ 22.-2800 et seq.) and 29 (§ [2.2-2900](#) et seq.) of Title 2.2 of the Code of Virginia, an opportunity to elect to participate in the Academic Division Human Resources System or the College Human Resources System, as appropriate; provided that, each time prior to offering such opportunity to such salaried nonfaculty University employees, and at least once every two years after the effective date of the Academic Division Human Resources System or the College Human Resources System, or both, as appropriate, the University shall make available to each of its salaried nonfaculty University employees a comparison of its human resources program for that classification of salaried nonfaculty University employee with the State human resources program for comparable State employees, including but not limited to a comparability assessment of compensation and benefits. A copy of the human resources program comparison shall be provided to the Department of Human Resource Management.*

*B. Classification and Compensation.*

*General. The Systems shall include classification and compensation plans that are fair and reasonable, and are based on the availability of University financial resources. The plans adopted by the University for its faculty, Medical Center employees, and other Participating Covered Employees shall be independent of, and need not be based on, the classification and compensation plans of the Commonwealth, do not require the approval of any State agency or officer, and shall be subject to the review and approval by the Board of Visitors as set forth in paragraph 3 below. The University shall provide information on its classification and compensation plans to all University employees.*

*The plans applicable to Participating Covered Employees and Medical Center employees may or may not include changes in classification or compensation announced by the Commonwealth depending on such factors as the availability of necessary financial resources to fund any such changes, and subject to the review and approval by the Board of Visitors of any major changes in the University's compensation plans.*

*Classification Plan. The Systems shall include one or more classification plans for University employees that classify positions according to job responsibilities and qualifications. On the Effective Date of the University's initial Management Agreement with the Commonwealth, and until changed by the University, the classification plans shall be the same plans that are in effect for each group of employees immediately prior to that Effective Date.*

*Compensation Plan. The Systems shall include one or more compensation plans for each University employee classification or group. On the Effective Date of the University's initial Management Agreement with the Commonwealth, and until changed by the Department of Human Resource Management, the compensation plan for Classified Employees in the Academic Division and College shall be the compensation plan in effect immediately prior to that Effective Date, known as the Commonwealth's Classified Compensation Plan. On that Effective Date, and until changed by the University, the compensation plan or plans for all Participating Covered Employees shall be the compensation plan or plans in effect immediately prior to that Effective Date. The University may adopt one or more compensation plans for Participating Covered Employees that are non-graded plan(s) based on internal and external market data and other relevant factors to be determined annually. On that Effective Date, and until changed by the University, the compensation plan for Medical Center employees in effect immediately prior to that Effective Date shall continue as the compensation plan for Medical Center employees. Any major change in compensation plans for Participating Covered Employees or Medical Center employees shall be reviewed and approved by the Board*

*of Visitors before that change becomes effective. Any change recommended in the compensation plans may take into account the prevailing rates in the labor market for the jobs in question, or for similar positions, the relative value of jobs, the competency and skills of the individual employee, internal equity, and the availability of necessary financial resources to fund the proposed change. The compensation payable to University employees shall be authorized and approved only by designated University officers delegated such authority by the University, and shall be consistent with the approved compensation plan for the relevant position or classification. Further approval by any other State Agency, governmental body or officer is not required for setting, adjusting or approving the compensation payable to individual Participating Covered Employees.*

*Wages. The Systems shall include policies and procedures for the authorization, computation and payment of wages, where appropriate, for such premium pays as overtime, shift differential, on call, and call back, and for the payment of hourly employees.*

*Payment of Compensation. The Systems shall include policies and procedures for paying compensation to employees, including the establishment of one or more payday schedules.*

*Work Schedule and Workweek. The Systems shall include policies and procedures for the establishment of, and modifications to, work schedules and workweeks for all University employees, including alternative work schedules and sites, and telecommuting policies and procedures.*

*Other Classification and Compensation Policies and Procedures. The Systems may include any other reasonable classification and compensation policies and procedures the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate.*

#### *C. Benefits.*

*The Systems shall provide fringe benefits to all benefits eligible employees, including retirement benefits, health care insurance, and life, disability, and accidental death and dismemberment insurance. The benefits provided shall include a basic plan of benefits for each benefits eligible employee, and may include an optional benefits plan for benefits eligible employees, including additional insurance coverage, long-term care, tax deferred annuities, flexible reimbursement accounts, employee assistance programs, employee intramural and recreational passes, and other wellness programs. As provided in subsections B and C of § [23-38.119](#) of the Act, the University may require Participating Covered Employees to pay all or a portion of the cost of group life, disability and accidental death and dismemberment insurance, which may be collected through a payroll deduction program. Participating Covered Employees shall not be required to*

*present evidence of insurability for basic group life insurance coverage. The Board of Visitors may elect to provide benefits through Virginia Retirement System group insurance programs under the terms of and to the extent allowed by subsections B and D of § [23-38.119](#) of the Act or any other provision of law.*

*Notwithstanding the above, pursuant to subsection A of § [23-38.114](#) of the Act, and unless and until that section is amended, the state retirement system, state health insurance program, and state workers' compensation coverage program as they may be amended from time to time, shall continue to apply to and govern all eligible University employees. If, however, the University has been or is permitted by law other than the Act to establish an alternative health insurance plan or an alternative faculty or Medical Center retirement plan or plans, such alternative health insurance or faculty or Medical Center retirement plan or plans shall apply to and govern the University employees included in such plan or plans. The University shall be responsible for managing its non-Medicare eligible retiree health insurance. Subject to the Act, the University may offer an alternative health insurance plan for Medicare-eligible retirees.*

*The Systems may provide different benefits plans for reasonably different groups or classifications of employees, and may provide benefits to part-time employees. On the Effective Date of the University's initial Management Agreement with the Commonwealth, and until changed by the appropriate governing authority, the benefits plans provided by the University to Classified Employees and Participating Covered Employees shall be the benefits plans provided to that group or classification as of the date immediately prior to that Effective Date. On or after that Effective Date, alternative University group life, accidental death and dismemberment, and short- and long-term disability plans may be provided to eligible Participating Covered Employees, or at the election of the Board of Visitors and subject to the execution of participation agreements as provided in subsections B and C of § [23-38.119](#) of the Act, they may be provided by the appropriate State programs, but no contributions to the State programs by the University shall be required for Participating Covered Employees who do not participate in the programs. Subject to the provisions of the Act, any new plans, programs and material changes permitted under current law in University employee benefits plans, other than Classified Employee benefits plans, shall be approved by the Board of Visitors, including the authority to increase the Cash Match Contribution rate up to the limit permitted by the Code of Virginia based on available resources, and the authority to implement cafeteria-style benefits for University employees other than Classified Employees.*

*Insurance and all proceeds therefrom provided pursuant to § [23-38.119](#) of the Act shall be exempt from legal process and may be subject to assignment as provided in subsection A of § [23-38.119](#).*

*D. Employee Relations.*

*1. General. The Systems shall contain provisions that protect the rights and privileges of University employees consistent with sound management principles and fair employment practice law.*

*2. Employee Safety and Health. The Systems shall contain provisions that promote workplace safety compliance with applicable law and regulations.*

*3. Employee Work Environment. The Systems shall promote a work environment that is conducive to the performance of job duties, and free from intimidation or coercion in violation of State or federal law, including sexual harassment or other discrimination.*

*4. Employee Recognition. The Systems may provide for the use of leave awards and bonuses specific to policies and procedures for awarding, honoring, or otherwise recognizing University employees, including but not limited to those who have performed particularly meritorious service for the University, have been employed by the University for specified periods of time, or have retired from the University after lengthy service.*

*5. Counseling Services. The Systems shall provide counseling services through the State's Employee Assistance Program or a University Employee Assistance Program to any eligible University employee experiencing job-related difficulties and seeking counseling for those difficulties, and shall establish the circumstances under which the time necessary to participate in such counseling may be granted.*

*6. Unemployment Compensation. The Systems shall ensure that University employees receive the full unemployment compensation benefits to which they are legally entitled, and that the University's liability is limited to legitimate claims for such benefits.*

*7. Workers' Compensation. The Systems shall ensure that University employees have workers' compensation benefits to which they are legally entitled pursuant to the State Employees' Workers Compensation Program administered by the Department of Human Resource Management.*

*8. Performance Planning and Evaluation. The Systems shall include one or more performance planning and evaluation processes for University employees that (i) establish and communicate the University's performance expectations, (ii) help develop productive working relationships, (iii) allow employees to present their views concerning their performance, (iv) identify areas for training or professional development, (v) establish the process by which evaluations shall be conducted, (vi) clarify how superlative or inadequate performance shall be addressed, and (vii) ensure that all University*

*employees are provided relevant information on the evaluation process. The Systems may include separate performance and evaluation processes for reasonably distinguishable groups of University employees. On the Effective Date of the University's initial Management Agreement with the Commonwealth, the existing merit-based performance management system for faculty and Medical Center employees shall continue, until amended by the University. On or after that Effective Date, Academic Division and College nonfaculty salaried Participating Covered Employees may be subject to a variable merit-based performance management system.*

*9. Standards of Conduct and Performance. In order to protect the well-being and rights of all employees and to ensure safe, efficient University operations and compliance with the law, the Systems shall establish rules of personal conduct and standards of acceptable work performance for University salaried nonfaculty employees and policies for corrective discipline. In general, the policies for corrective discipline shall serve to (i) establish a uniform and objective process for correcting or disciplining unacceptable conduct or work performance, (ii) distinguish between less serious and more serious actions of misconduct and provide corrective action accordingly, and (iii) limit corrective action to employee conduct occurring only when employees are at work or are otherwise representing the University in an official or work-related capacity, unless otherwise specifically provided by the policies of the Systems or other applicable law. The Systems may provide for a probationary period for new and re-employed University salaried nonfaculty employees, during which period the policies for corrective discipline shall not be applicable and the employee may not use the grievance procedure set forth in the next paragraph. The Systems may include separate rules of personal conduct and standards of acceptable work performance and policies for corrective discipline for reasonably distinguishable groups of University employees.*

*10. Grievance Procedure. As provided in the Governing Law, employees shall be encouraged to resolve employment-related problems and complaints informally, and shall be permitted to discuss their concerns freely and without fear of retaliation with immediate supervisors and management. In the event that such problems cannot be resolved informally, all salaried nonfaculty University employees, regardless of their date of hire, shall have access, as provided in subsection A of § [23-38.114](#) and in § [23-38.117](#) of the Act, to the State Grievance Procedure, Chapter 30 (§ [2.2-3000](#) et seq.) of Title 2.2 of the Code of Virginia, to the extent it was applicable to their classification of employees prior to the Effective Date of the University's initial Management Agreement with the Commonwealth. On that Effective Date, and until changed by the University, the*

*faculty grievance procedures in effect immediately prior to the Effective Date shall continue.*

*11. Discrimination Complaints. If a Classified Employee believes discrimination has occurred, the Classified Employee may file a complaint with the Department of Human Resource Management Office of Equal Employment Services, with the appropriate University office, or with the appropriate federal agencies. All Participating Covered Employees and applicants for employment after the Effective Date of the University's initial Management Agreement with the Commonwealth shall file a complaint with the appropriate University office or with the appropriate federal agencies.*

*12. Layoff Policy. The Systems shall include one or more layoff policies for salaried University employees who lose their jobs for reasons other than their job performance or conduct, such as a reduction in force or reorganization at the University. These University layoff policies shall govern such issues as (i) whether there is a need to effect a layoff, (ii) actions to be taken prior to a layoff, (iii) notice to employees affected by a layoff, (iv) placement options within the University or its respective major divisions and within other parts of the University, (v) the preferential employment rights, if any, of various University employees, (vi) the effect of layoff on leave and service, and (vii) the policy for recalling employees. In accordance with the terms of the Act, University employees who: (i) were employed prior to the Effective Date of the University's initial Management Agreement with the Commonwealth, (ii) would otherwise be eligible for severance benefits under the Workforce Transition Act, (iii) were covered by the Virginia Personnel Act prior to that Effective Date, and (iv) are separated because of a reduction in force shall have the same preferential hiring rights with State agencies and other executive branch institutions as Classified Employees have under § [2.2-3201](#) of the Code of Virginia. Conversely, the University shall recognize the hiring preference conferred by § [2.2-3201](#) on State employees who were hired by a State agency or executive branch institution before the Effective Date of the University's initial Management Agreement with the Commonwealth and who were separated after that date by that State agency or executive branch institution because of a reduction in workforce. If the University has adopted a classification system pursuant to § [23-38.116](#) of the Act that differs from the classification system administered by the Department of Human Resource Management, the University shall classify the separated employee according to its classification system and shall place the separated employee appropriately. The University may include separate policies for reasonably distinguishable groups of University employees. On or after the Effective Date of the University's initial Management Agreement with the Commonwealth, all employees from other State agencies and executive branch institutions*

*who are placed by the University under the provisions of the State Layoff Policy shall be Participating Covered Employees.*

*13. Severance Benefits. In accordance with the terms of the Act, the University shall adopt severance policies for salaried Participating Covered Employees who are involuntarily separated for reasons unrelated to performance or conduct. The terms and conditions of such policies shall be determined by the Board of Visitors. Classified Employees who otherwise would be eligible and were employed prior to the Effective Date of the University's initial Management Agreement with the Commonwealth shall be covered by the Workforce Transition Act, Chapter 32 (§ [2.2-3200](#) et seq.) of Title 2.2 of the Code of Virginia. The University and the Board of the Virginia Retirement System may negotiate a formula according to which cash severance benefits may be converted to years of age or creditable service for Participating Covered Employees who participate in the Virginia Retirement System. An employee becoming, on such Effective Date, a Covered Employee shall not constitute a severance or reduction in force to which severance or Workforce Transition Act policies apply.*

*14. Use of Alcohol and Other Drugs. The Systems shall include policies and procedures that (i) establish and maintain a work environment at the University that is free from the adverse effect of alcohol and other drugs, (ii) are consistent with the federal Drug-Free Workplace Act of 1988 and with the University of Virginia Alcohol and Other Drugs Policy, (iii) describe the range of authorized disciplinary action, including termination where appropriate, for violations of such policies and procedures, and the process to be followed in taking such disciplinary action, (iv) provide University employees access to assistance and treatment for problems involving alcohol and other drugs, (v) provide for the circumstances under which employees are required to report certain violations of the policies and procedures to their supervisor, and the University is required to report those violations to a federal contracting or granting agency, (vi) describe the circumstances under which personnel records of actions taken under the University's alcohol and other drugs policy shall not be kept confidential, and (vii) provide notice to University employees of the scope and content of the University alcohol and other drugs policy. As part of this alcohol and other drugs policy, and in compliance with the federal Omnibus Transportation Employee Testing Act of 1991, the Systems may provide for pre-employment, reasonable suspicion, random, post-accident, return-to-duty and follow-up alcohol and other drug testing for University positions that are particularly safety sensitive, such as those requiring a Commercial Driver's License or the provision of patient care.*

*15. Background Checks. The Systems shall include a process for conducting background checks, which may include but is not limited to reference checks, educational/*

*professional credentialing checks, and conviction and driver's records checks on applicants for full-time or part-time positions at the University, and for addressing situations where employees do not disclose a conviction on their application or otherwise falsify their application with regard to information concerning their education/professional credential and/or prior convictions.*

*16. Other Employee Relations Policies and Procedures. The Systems shall include any other reasonable employee relations policies or procedures that the President, acting through the Executive Vice President and Chief Operating Officer, deems appropriate, which may include, but are not limited to, policies or procedures relating to orientation programs for new or re-employed University employees, an employee suggestion program, the responsibility of University employees for property placed in their charge, work breaks, inclement weather and emergencies, and employment outside the University.*

*E. Leave and Release Time.*

*The Systems shall include policies and procedures regarding leave for eligible employees. The Systems shall provide reasonable paid leave for purposes such as holidays, vacation, or other personal uses. The Systems may provide for release time for such matters as the donation of blood, participation in an employee assistance program and other appropriate employment-related matters. On or after the Effective Date of its initial Management Agreement with the Commonwealth, and until a new program is adopted by the appropriate authority, the University shall continue to provide leave and release time to Participating Covered Employees in accordance with the leave and release time policies and procedures applicable to each classification of employees prior to that Effective Date. On or after that Effective Date, the University may provide an alternative leave and release time system for salaried nonfaculty Participating Covered Employees.*

*F. Equal Employment Opportunity, Nondiscrimination, Employment, and Separation.*

*1. Equal Employment Opportunity and Nondiscrimination. The Systems shall contain policies and procedures to ensure that all aspects of human resources management, including the employment of University employees, meet all requirements of federal and state law, and of the relevant policies of the Board of Visitors, with regard to equal employment opportunity and nondiscrimination.*

*2. Employment. The Systems shall include policies and procedures for the recruitment, selection and hiring of University employees that are based on merit and fitness, including where appropriate a requirement for job posting, interviews, pre-employment testing, pre-employment drug testing, reference checks and conviction record checks. On and after the Effective Date of its initial Management Agreement with the Commonwealth, the*

*University shall post all salaried nonfaculty position vacancies through the University's job posting system, the Commonwealth's job posting system, and other external media as appropriate. The Systems shall establish designated veterans' re-employment rights in accordance with applicable law.*

*In order to encourage employees to attain the highest level positions for which they are qualified, and to compensate employees for accepting positions of increased value and responsibility, the Systems shall include policies and procedures governing the promotion of employees, including the effect of promotion on an employee's compensation. On or after the Effective Date of the University's initial Management Agreement with the Commonwealth, all employees hired from other state agencies shall be Participating Covered Employees. University Academic Division and College Classified Employees who change jobs within the Academic Division or the College through a competitive employment process - i.e., promotion or transfer - shall have the choice of remaining a Classified Employee or becoming a Participating Covered Employee. If a Classified Employee elects to become a Participating Covered Employee, that decision shall be irrevocable.*

*3. Notice of Separation. The Systems shall include policies and procedures requiring reasonable notice, where appropriate, of a decision either by the employee or by the University to separate the employee from the University in accordance with policies governing performance, conduct, or layoff.*

#### *G. Information Systems.*

*The University shall provide an electronic file transfer of information on all salaried University employees and shall continue to provide the Employee Position Reports to meet the human resources reporting requirements specified by law or by request of the Governor or the General Assembly, unless the University is specifically exempted from those requirements. The University shall conduct assessments to demonstrate its accountability for human resources practices that comply with laws and regulations. The Department of Human Resource Management and the University have entered into a Memorandum of Understanding, attached hereto as Attachment 3, which may be amended from time to time by agreement of the parties, regarding the specific data and reporting requirements. The University shall be accountable for ensuring the timeliness and integrity of the data transmitted to the Department of Human Resources Management.*

*VII. CONTINUED APPLICABILITY OF OTHER PROVISIONS OF THE CODE OF VIRGINIA AND OTHER BOARD OF VISITORS' POLICIES AFFECTING UNIVERSITY PERSONNEL.*

*On and after the Effective Date of its initial Management Agreement with the Commonwealth, University employees shall be subject to the terms and conditions of the Act and the Management Agreement between the Commonwealth and the University. Classified Employees shall continue to be subject to the human resources policies and exceptions to those policies adopted or approved by the Department of Human Resource Management.*

*In addition, all University employees also shall remain subject to any other human resources policies adopted by the Board of Visitors applicable to University personnel unless University employees or a subset thereof are specifically exempted from those other human resources policies either by those other policies or by this Policy.*

### ATTACHMENT 3

#### *Memorandum of Understanding*

*Between the University of Virginia and the*

*Department of Human Resources Management Regarding*

*The Reporting of Human Resources Management Data*

*This Memorandum of Understanding, which may be amended from time to time by the agreement of all parties, is an attachment to the Policy Governing Human Resources for Participating Covered Employees and Other University Employees pursuant to the Restructured Higher Education Financial and Administrative Operations Act of 2005, and is hereby entered into between the University of Virginia and the Department of Human Resource Management (DHRM).*

*This document outlines the provisions for information management pertaining to human resources data, consistent with the objectives to enable DHRM to meet the Commonwealth's reporting requirements, to ensure compliance with relevant federal and state laws and regulations, and to do so through efficient and cost-effective methods. In lieu of data entry into the state's Personnel Management Information System (PMIS), data will be transmitted through an electronic file transfer to update DHRM's warehouse. The University will provide a flat file of designated personnel data. For "Classified Employees," the data provided will match DHRM's data values for the designated fields. For salaried "Participating Covered Employees," the data provided will include the University's data values for the designated fields. The University will provide a data dic-*

tionary to DHRM. The file of designated data will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM. The University will provide a second flat file of salaried personnel actions for "Classified Employees" and salaried "Participating Covered Employees," such as promotions, separations, and salary adjustments. The file of relevant personnel actions and designated data to be provided for each action will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.

DHRM will accept the federal Affirmative Action Plan (AAP), including the adverse impact analyses of employment and compensation actions that are part of the AAP, as demonstration of the University's compliance with relevant federal and state employment laws and regulations.

The University may key data into the Benefits Enrollment System or provide a batch file, or employees may use Employee Direct (employee self-service). For the self-administered health plans provided by the University of Virginia Academic Division (State Agency 207) and Medical Center (State Agency 209), this section is not relevant.

Other reports to be provided by the University include the following:

Monthly Employee Position Report.

Annual report on salaried, wage, and contract employees.

The undersigned hereby agree to the provisions contained in the MOU.

Director, Department of Human Resources Management

EXHIBIT R

MANAGEMENT AGREEMENT

BETWEEN

*THE COMMONWEALTH OF VIRGINIA  
AND  
THE UNIVERSITY OF VIRGINIA  
PURSUANT TO  
THE RESTRUCTURED HIGHER EDUCATION  
FINANCIAL AND ADMINISTRATIVE OPERATIONS  
ACT OF 2005*

*POLICY GOVERNING  
FINANCIAL OPERATIONS AND MANAGEMENT*

*THE RECTOR AND VISITORS OF THE UNIVERSITY OF VIRGINIA  
POLICY GOVERNING FINANCIAL OPERATIONS AND MANAGEMENT*

*I. PREAMBLE.*

*The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia, establishes by law a process for granting additional authority to institutions of higher education for financial operations and management, subject to the adoption of policies by their governing boards and the approval of management agreements to be negotiated with the Commonwealth.*

*The following provisions of this Policy constitute the adopted Board of Visitors policies regarding the University of Virginia's financial operations and management.*

*This Policy is intended to cover the authority that may be granted to the University pursuant to Subchapter 3 of the Act. Any other powers and authorities granted to the University pursuant to the Appropriation Act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's Enabling Legislation, are not affected by this Policy. In particular, other powers and authorities granted to the Medical Center by law, to the extent they exceed those granted to the University pursuant to Subchapter 3 of the Act, are not affected by this Policy Statement.*

*II. DEFINITIONS.*

*As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:*

*“Academic Division” means that part of the University known as (State Agency 207).*

*“Act” means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10 (§ [23-38.88](#) et seq.) of Title 23 of the Code of Virginia.*

*“Board of Visitors” or “Board” means the Rector and Board of Visitors of the University of Virginia.*

*“College” means that part of the University operated as the University of Virginia’s College at Wise, also known as (State Agency 246).*

*“Covered Institution” means, on or after the Effective Date of its initial Management Agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a Management Agreement with the Commonwealth to be governed by the provisions of Subchapter 3 of the Act.*

*“Enabling Legislation” means those chapters, other than Chapter 4.10, of title 23 of the Code of Virginia, as amended, creating, continuing, or otherwise setting forth the powers, purposes, and missions of the University, and as provided in §§ [2.2-2817.2](#), [2.2-2905](#), [51.1-126.3](#), and [51.1-1100](#) in the case of the University of Virginia Medical Center.*

*“Effective Date” means the effective date of the initial Management Agreement between the University and the Commonwealth.*

*“Management Agreement” means the agreement required by subsection D of § [23-38.88](#) of the Act between the University and the Commonwealth of Virginia.*

*“Medical Center” means that part of the University consisting of the University of Virginia Medical Center, known as (State Agency 209), and related health care and health maintenance facilities.*

*“State Tax Supported Debt” means bonds, notes or other obligations issued under Article X, Section 9(a), 9(b), or 9(c), or 9(d), if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 20, 2004 Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.*

*“University” means the University of Virginia, consisting of the Academic Division, the College, and the Medical Center.*

### *III. SCOPE OF POLICY.*

*This Policy applies to the University’s responsibility for management, investment and stewardship of all its financial resources, including but not limited to, general, non-general and private funds. This responsibility includes maintaining an independent uniform*

*system of accounting, financial reporting, and internal controls adequate to protect and account for the University's financial resources.*

*The University of Virginia's College at Wise shall receive the benefits of this Policy as it is implemented by the University on behalf of the College at Wise, but the College at Wise shall not receive any additional independent financial operations and management authority as a result of this Management Agreement beyond the independent financial operations and management authority that it had prior to the Effective Date of the University's initial Management Agreement with the Commonwealth or that it may be granted by law in the future.*

#### *IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.*

*The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.*

#### *V. FINANCIAL MANAGEMENT AND REPORTING SYSTEM.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized by the Board to maintain existing and implement new policies governing the management of University financial resources. These policies shall continue to (i) ensure compliance with Generally Accepted Accounting Principles, (ii) ensure consistency with the current accounting principles employed by the Commonwealth, including the use of fund accounting principles, with regard to the establishment of the underlying accounting records of the University and the allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific types of fund sources, (iii) provide adequate risk management and internal controls to protect and safeguard all financial resources, including moneys transferred to the University pursuant to a general fund appropriation, and ensure compliance with the requirements of the Appropriation Act.*

*The financial management system shall continue to include a financial reporting system to satisfy both the requirements for inclusion into the Commonwealth's Comprehensive*

*Annual Financial Report, as specified in the related State Comptroller's Directives, and the University's separately audited financial statements. To ensure observance of limitations and restrictions placed on the use of the resources available to the University, the accounting and bookkeeping system of the University shall continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards Board.*

*In addition, the financial management system shall continue to provide financial reporting for the President, acting through the Executive Vice President and Chief Operating Officer, and the Board of Visitors to enable them to provide adequate oversight of the financial operations of the University. Upon the Effective Date of the initial Management Agreement between the University and the Commonwealth, except for the recordation of daily revenue deposits of State funds as specified in Section VII below, the University shall not be required to record its financial transactions in the Commonwealth's Accounting and Reporting System (CARS), including the current monthly interfacing with CARS, or to record its financial transactions in any subsequent Commonwealth financial systems that replace CARS or are in addition to CARS, but shall have its own financial reporting system. The University's financial reporting system shall provide (i) summary monthly reports for State agencies including, but not limited to, the Department of Accounts, the Department of Planning and Budget, the Joint Legislative Audit and Review Commission, the Department of Medical Assistance Services, the Auditor of Public Accounts, and the State Council of Higher Education for Virginia, and for the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations at a sufficient level of detail, on such schedule, and using such format that is compatible with the Commonwealth's accounting system, as may be requested by the requesting State agency, and (ii) such other special reports as may be requested from time to time.*

#### **VI. FINANCIAL MANAGEMENT POLICIES.**

*The President, acting through the Executive Vice President and Chief Operating Officer, shall create and implement any and all financial management policies necessary to establish a financial management system with adequate risk management and internal control processes and procedures for the effective protection and management of all University financial resources. Such policies will not address the underlying accounting principles and policies employed by the Commonwealth and the University, but rather will focus on the internal operations of the University's financial management. These policies shall include, but need not be limited to, the development of a tailored set of finance and accounting practices that seek to support the University's specific business*

*and administrative operating environment in order to improve the efficiency and effectiveness of its business and administrative functions. In general, the system of independent financial management policies shall be guided by the general principles contained in the Commonwealth's Accounting Policies and Procedures such as establishing strong risk management and internal accounting controls to ensure University financial resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of University programs.*

*Upon the Effective Date of its initial Management Agreement with the Commonwealth, the University shall continue to follow the Commonwealth's accounting policies until such time as specific alternate policies can be developed, approved and implemented. Such alternate policies shall include applicable accountability measures and shall be submitted to the State Comptroller for review and comment before they are implemented by the University.*

#### **VII. FINANCIAL RESOURCE RETENTION AND MANAGEMENT.**

*Under § [23-38.104](#)(A)(i) of the Act, subject to applicable accountability measures and audits, the University shall have the power and authority to manage all monies received by it. All State general funds to be allocated to the University shall remain subject to the appropriations process.*

*Pursuant to subsection C of § [23-9.6:1.01](#) of the Code of Virginia, the State Council of Higher Education for Virginia (SCHEV) annually shall assess and certify to the Governor and General Assembly the degree to which each public institution of higher education of the Commonwealth has met the financial and administrative management and educational-related performance benchmarks called for by that subsection and approved as part of the Appropriation Act then in effect for the State goals and objectives set forth in subdivisions B 1 through B 11 of § [23-38.88](#) of the Act. Pursuant to § [2.2-5005](#) of the Code of Virginia, beginning with the fiscal year that immediately follows the first full fiscal year for which the financial and administrative management and educational-related performance benchmarks described in § [23-9.6:1.01](#) are effective, as provided in a general Appropriation Act, and for all fiscal years thereafter, each public institution of higher education of the Commonwealth that (i) has been certified during the fiscal year by SCHEV as having met such institutional performance benchmarks and (ii) meets the conditions prescribed in subsection B of § [23-38.88](#) shall receive certain financial incentives, including interest on the tuition and fees and other non-general fund Educational and General Revenues deposited into the State Treasury by the public institution of higher education.*

*Consistent with the prior paragraph, beginning with the fiscal year following the first fiscal year for which it has received such certification from SCHEV, the University is authorized to hold and invest tuition, Educational and General (E&G) fees, research and sponsored program funds, auxiliary enterprise funds, and all other non-general fund revenues subject to the following requirements:*

*i) The University shall deposit such funds in the State Treasury pursuant to the State process in place at the time of such deposit.*

*ii) Such non-general funds deposited in the State Treasury shall be disbursed as provided in Section IX below.*

*iii) The University shall remit to the State Comptroller quarterly and the State Comptroller shall hold in escrow all interest earned on the University's tuition and fees and other non-general fund Educational and General Revenues. Upon receipt of the required State Council of Higher Education for Virginia certification that the University has met such institutional performance benchmarks and the conditions prescribed in subsection B of § [23-38.88](#), the Governor shall include in the next budget bill a non-general fund appropriation, payable no later than July 1 of the immediately following fiscal year, equivalent to the amount deposited in the escrow account as the financial incentive provided in subdivision 1 of § [2.2-5005](#), after which time the University may expend the funds for purposes related to its mission. If public institutions of higher education of the Commonwealth are permitted, or the University in particular is permitted, by the Appropriation Act or other law to retain or be paid the interest the Commonwealth would have earned on sponsored programs and research funds, then this paragraph shall not apply to such interest on such funds, and such interest shall not be held in escrow.*

*iv) If in any given year the University does not receive the certification from the State Council of Higher Education for Virginia that it has met for that year the institutional benchmarks called for by subsection C of § [23-9.6:1.01](#) and approved in the then-current Appropriation Act, the Comptroller shall transfer to the general fund the balance in the escrow account as of June 30 of that year.*

*v) Beginning on the effective date of its initial Management Agreement with the University until the beginning of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the University shall continue to deposit tuition and all other non-general funds with the State Treasurer by the same process that it would have been required to use if it had not entered into a Management Agreement with the Commonwealth.*

*vi) On the first business day of the first fiscal year following the fiscal year for which it has received the required certification from SCHEV, the University may draw down all*

*cash balances held by the State Treasurer on behalf of the University related to tuition, E&G fees, research and sponsored programs, auxiliary enterprises, and all other non-general fund revenues.*

*vii) The Commonwealth shall retain all funds related to general fund appropriations, but shall pay these funds to the University as specified in Section IX below.*

*The University also shall have sum sufficient appropriation authority for all non-general funds as approved by the Governor and the General Assembly in the Commonwealth's biennial appropriations process, and shall report to the Department of Planning and Budget (i) its estimate of the non-general fund revenues for the sum sufficient appropriation to be included in the biennial Budget Bill for each of the two years in the next biennium by November 1 of each odd numbered year and the estimate to be included in the Budget Bill for the first and second year of the then-current biennium by November 1 of each even numbered year, and (ii) report its actual non-general fund revenues for each fiscal year to the Department of Planning and Budget by July 31 of the subsequent fiscal year.*

*The Board of Visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate commitment provided to need-based grant aid for middle- and lower-income undergraduate Virginians. Except as provided otherwise in the Appropriation Act then in effect, it is the intent of the Commonwealth and the University that the University shall be exempt from the revenue restrictions in the general provisions of the Appropriation Act related to non-general funds. In addition, unless prohibited by the Appropriation Act then in effect, it is the intent of the Commonwealth and the University that the University shall be entitled to retain non-general fund savings generated from changes in Commonwealth rates and charges, including but not limited to health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates, rather than reverting such savings back to the Commonwealth. This financial resource policy assists the University by providing the framework for retaining and managing non-general funds, for the receipt of general funds, and for the use and stewardship of all these funds.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to provide oversight of the University's cash management system which is the framework for the retention of non-general funds. The Internal Audit Department of the University shall periodically audit the University's cash management system in accordance with appropriate risk assessment models and make reports to the Audit and Compliance Committee of the Board of Visitors. Additional oversight shall continue to*

*be provided through the annual audit and assessment of internal controls performed by the Auditor of Public Accounts.*

*For the receipt of general and non-general funds, the University shall conform to the Security for Public Deposits Act, Chapter 44 (§ [2.2-4400](#) et seq.) of Title 2.2 of the Code of Virginia as it currently exists and from time to time may be amended.*

#### *VIII. ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.*

*The President, through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all Accounts Receivable Management and Collection policies as part of a system for the management of University financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act, Chapter 48 (§ [2.2-4800](#) et seq.) of the Code of Virginia, such that the University shall take all appropriate and cost effective actions to aggressively collect accounts receivable in a timely manner.*

*These shall include, but not be limited to, establishing the criteria for granting credit to University customers; establishing the nature and timing of collection procedures within the above general principles; and the independent authority to select and contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and all collection activities for all University accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the University shall continue to utilize the Commonwealth's Debt Set-Off Collection Programs, shall develop procedures acceptable to the Tax Commissioner and the State Comptroller to implement such Programs, and shall provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt Collection Act.*

#### *IX. DISBURSEMENT MANAGEMENT.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all disbursement policies as part of a system for the management of University financial resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from whatever source derived, in the execution of the University's operations. These policies also shall continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or services relative to the University's mission, including travel-related disbursements. Further, the University's disbursement policy*

*shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and electronic payments. Since the University no longer will interface to the CARS system or any replacement for the CARS system for disbursements, the University shall establish its own mechanisms for electronic payments to vendors through Electronic Data Interchange (EDI) or similar process and payments to the Commonwealth's Debt Set-Off Collection Programs.*

*Beginning with the fiscal year after the first fiscal year for which it first receives the required certification from SCHEV, the University may draw down its general fund appropriations (subject to available cash) and tuition and E&G fees and other non-general fund revenues from the State Treasury. Such funds shall be available to the University for disbursement as provided in the then-current rules of the Automated Clearing House (ACH) Network. The draw down of funds may be initiated in accordance with the following schedule:*

- i) The University may draw down one-twenty-fourth (1/24) of its annual general fund appropriation for Educational and General programs on the first and fifteenth days of each month, and up to 50% of its annual general fund appropriation for Student Financial Assistance on or after September 1 of each year with the remaining 50% to be drawn on or after February 1 of each year in order to meet student obligations;*
- ii) The University may draw down the sum of all tuition and E&G fees and all other non-general revenues deposited to the State Treasury each day on the same business day they were deposited; and*
- iii) The University anticipates that expenditures could exceed available revenues from time to time during the year if the above disbursement schedule is used. When the University projects a cash deficit is likely in activities supported by general fund appropriations, the University may make a request to the State Comptroller for an early draw on its appropriated general funds deposited in the State Treasury, in a form and within a timeframe agreeable to the parties, in order to cover expenditures.*

*These disbursement policies shall authorize the President, acting through the Executive Vice President and Chief Operating Officer, to independently select, engage, and contract for such consultants, accountants, and financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The policies also shall continue to include the ability to locally manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those programs, provided that the University shall submit the credit card and cost recovery*

*aspects of its financial and operations policies to the State Comptroller for review and comment prior to implementing those aspects of those policies. The disbursement policies shall ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll disbursements. The University shall continue to provide summary quarterly prompt payment reports to the Department of Accounts in accordance with the reporting procedures established pursuant to the Prompt Payment Act.*

*The University's disbursement policies shall be guided by the principles of the Commonwealth's policies as included in the Commonwealth's Accounting Policy and Procedures Manual. Upon the Effective Date of its initial Management Agreement with the Commonwealth, the University shall continue to follow the Commonwealth's disbursement policies until such time as specific alternative policies can be developed, approved and implemented. Such alternate policies shall be submitted to the State Comptroller for review and comment prior to their implementation by the University.*

#### *X. DEBT MANAGEMENT.*

*The President, acting through the Executive Vice President and Chief Operating Officer, shall continue to be authorized to create and implement any and all debt management policies as part of a system for the management of University financial resources.*

*Pursuant to § [23-38.108\(B\)](#) of the Act, the University shall have the authority to issue bonds, notes, or other obligations that do not constitute State Tax Supported Debt, as determined by the Treasury Board, and that are consistent with debt capacity and management policies and guidelines established by its Board of Visitors, without obtaining the consent of any legislative body, elected official, commission, board, bureau, or agency of the Commonwealth or of any political subdivision, and without any proceedings or conditions other than those specifically required by Subchapter 3 of the Act; provided that, the University shall notify the Treasurer of Virginia of its intention to issue bonds pursuant to this Policy at the time it adopts the bond issuance planning schedule for those bonds. Any new or revised debt capacity and management policy shall be submitted to the Treasurer of Virginia for review and comment prior to its adoption by the University.*

*The University recognizes that there are numerous types of financing structures and funding sources available each with specific benefits, risks, and costs. All potential funding sources shall be reviewed by the President, acting through the Executive Vice President and Chief Operating Officer, within the context of the overall portfolio to ensure that any financial product or structure is consistent with the University's objectives. Regardless of the financing structure(s) utilized, the President, acting through the Executive Vice*

*President and Chief Operating Officer, shall obtain sufficient documentation to gain a full understanding of the transaction, including (i) the identification of potential risks and benefits, and (ii) an analysis of the impact on University creditworthiness and debt capacity. All such debt or financial products issued pursuant to the provisions of §§ 23.38-107 and 23.38-108 of the Act shall be authorized by resolution of the Board, providing that they do not constitute State Tax Supported Debt.*

*The University currently has established guidelines relating to the total permissible amount of outstanding debt by monitoring University-wide ratios that measure debt compared to University balance-sheet resources and annual debt service burden. These measures are monitored and reviewed regularly in light of the University's current strategic initiatives and expected debt requirements. The Board of Visitors shall periodically review and approve the University's debt capacity and debt management guidelines. Any change in the current guidelines shall be submitted to the Treasurer of Virginia for review and comment prior to their adoption by the University.*

#### *XI. INVESTMENT POLICY.*

*It is the policy of the University to invest its operating and reserve funds solely in the interest of the University and in a manner that will provide the highest investment return with the maximum security while meeting daily cash flow demands and conforming to the Investment of Public Funds Act (§ [2.2-4500](#) et seq. of the Code of Virginia). Investments shall be made with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.*

*Endowment investments shall be invested and managed in accordance with the Uniform Management of Institutional Funds Act, §§ [55-268.1](#) through [55-268.10](#), and § [23-76.1](#) of the Code of Virginia.*

*The Board of Visitors shall periodically review and approve the investment guidelines governing the University's operating and reserve funds.*

#### *XII. INSURANCE AND RISK MANAGEMENT.*

*By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any insurance or risk management program made available to the University through the Commonwealth's Division of Risk Management and in which the University is then participating, to enable the Commonwealth to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the University*

*proceeds to withdraw from the insurance or risk management program, the University shall reimburse the Commonwealth for all such additional costs attributable to such withdrawal, as determined by the Commonwealth's actuaries. Such payment shall be made in a manner agreeable to both the University and the Commonwealth.*

4. That the provisions of the first, second, and third enactments of this Act shall supersede the terms of any management agreement between the Commonwealth and Virginia Polytechnic Institute and State University, The College of William and Mary in Virginia, and The University of Virginia, respectively, that was entered into prior to January 1, 2006. Any such management agreement entered into prior to January 1, 2006, shall be deemed incorporated into this Act.

5. That the provisions of the first, second, and third enactments of this Act shall expire at midnight on June 30, 2010. The expiration of such enactments shall automatically result in the expiration of the provisions of any management agreement between the Commonwealth and Virginia Polytechnic Institute and State University, The College of William and Mary in Virginia, and The University of Virginia, respectively, which was entered into prior to January 1, 2006, and incorporated into this Act.

## **Chapter 884 Elizabeth River; Governor to sell and convey subaqueous lands in City of Norfolk.**

An Act to authorize the Governor to convey any interest in subaqueous lands in the Elizabeth River in Norfolk to Moon of Norfolk, L.L.C., Harbor Point Investors, L.L.C., and to Front Street Investors, L.L.C..

[\[H 1533\]](#)

Approved April 19, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Governor is hereby authorized to sell and convey to Moon of Norfolk, L.L.C., and its successors and assigns, subject to such terms and conditions of the sale and conveyance, and the payment of fair market value considerations as are deemed proper by the Marine Resources Commission and in a form approved by the Attorney General, such rights, title, and interest as the Commonwealth may have in a piece or parcel of subaqueous land, belonging, lying, situate and being in the City of Norfolk, being*

*more particularly described as follows:*

*Commencing at the intersection of the Southern Line of Front Street and a line 30 feet from and parallel to the West Line of 2nd Street, thence from said point of commencement South 66 degrees 50 minutes 32 seconds East a distance of 145.00 feet to a point; thence South 22 degrees 29 minutes 28 seconds West a distance of 118.55 feet to the "point of beginning"; thence from said "point of beginning" the following courses and distances: South 76 degrees 36 minutes 34 seconds East a distance of 9.07 feet to a point; thence South 70 degrees 28 minutes 48 seconds East a distance of 160.19 feet to a point; thence South 70 degrees 22 minutes 56 seconds East a distance of 67.23 feet to a point; thence South 86 degrees 13 minutes 40 seconds East a distance of 56.91 feet to a point; thence South 22 degrees 29 minutes 28 seconds West a distance of 557.68 feet to a point; thence North 58 degrees 24 minutes 34 seconds West a distance of 293.68 feet to a point; thence North 22 degrees 29 minutes 28 seconds East a distance of 479.85 feet to the said "point of beginning," containing approximately 148,046 square feet or 3.40 acres.*

*§ 2. That the Governor is hereby authorized to sell and convey to Harbor Point Investors, L.L.C., and its successors and assigns, subject to such terms and conditions of the sale and conveyance, and the payment of fair market value considerations as are deemed proper by the Marine Resources Commission and in a form approved by the Attorney General, such rights, title, and interest as the Commonwealth may have in a piece or parcel of subaqueous land, belonging, lying, situate and being in the City of Norfolk, being more particularly described as follows:*

*Commencing at the intersection of the center line of Second Street with the southern right-of-way line of Front Street; thence from said point of commencement North 65 degrees 34 minutes 59 seconds West a distance of 211.73 feet to a point on the southern right-of-way line of Front Street; thence South 24 degrees 12 minutes 30 seconds West a distance of 100.00 feet to the said "point of beginning;" thence South 24 degrees 12 minutes 30 seconds West a distance of 136.06 feet to a point; thence North 64 degrees 26 minutes 00 seconds West a distance of 9.52 feet to a point; thence South 24 degrees 14 minutes 30 seconds West a distance of 311.05 feet to a point; thence North 57 degrees 09 minutes 34 seconds West a distance of 775.59 feet to a point; thence North 32 degrees 35 minutes 21 seconds East a distance of 21.00 feet to a point; thence South 57 degrees 18 minutes 00 seconds East a distance of 119.54 feet to a point; thence South 65 degrees 36 minutes 00 seconds East a distance of 31.50 feet to a point; thence North 24 degrees 14 minutes 30 seconds East a distance of 290.00 feet to a*

*point; thence South 65 degrees 36 minutes 00 seconds East a distance of 70.00 feet to a point; thence South 24 degrees 14 minutes 30 seconds West a distance of 290.00 feet to a point; thence South 65 degrees 36 minutes 00 seconds East a distance of 105.00 feet to a point; thence North 24 degrees 14 minutes 30 seconds East a distance of 270.00 feet to a point; thence South 65 degrees 36 minutes 00 seconds East a distance of 60.00 feet to a point; thence South 24 degrees 14 minutes 30 seconds West a distance of 105.00 feet to a point; thence South 88 degrees 19 minutes 36 seconds East a distance of 328.55 feet to a point; thence North 70 degrees 52 minutes 08 seconds East a distance of 68.96 feet to a point; thence South 49 degrees 50 minutes 46 seconds East a distance of 36.40 feet to the said "point of beginning," containing approximately 178,923.34 square feet or 4.11 acres.*

*§ 3. That the Governor is hereby authorized to sell and convey to Front Street Investors, L.L.C., and its successors and assigns, subject to such terms and conditions of the sale and conveyance, and the payment of fair market value considerations as are deemed proper by the Marine Resources Commission and in a form approved by the Attorney General, such rights, title, and interest as the Commonwealth may have in a piece or parcel of subaqueous land, belonging, lying, situate and being in the City of Norfolk, being more particularly described as follows:*

*Commencing at the intersection of the center line of Second Street with the southern right-of-way line of Front Street; thence from said point of commencement South 65 degrees 34 minutes 59 seconds East a distance of 145.00 feet to a point on the southern right-of-way line of Front Street; thence South 23 degrees 48 minutes 00 seconds West a distance of 118.00 feet to the said "point of beginning;" thence South 23 degrees 48 minutes 00 seconds West a distance of 461.92 feet to a point; thence North 57 degrees 09 minutes 00 seconds West a distance of 374.81 feet to a point; thence North 24 degrees 14 minutes 30 seconds East a distance of 289.08 feet to a point; thence South 64 degrees 26 minutes 00 seconds East a distance of 9.52 feet to a point; thence North 24 degrees 12 minutes 30 seconds East a distance of 136.06 feet to a point; thence South 53 degrees 09 minutes 46 seconds East a distance of 83.68 feet to a point; thence South 52 degrees 54 minutes 32 seconds East a distance of 100.37 feet to a point; thence South 72 degrees 37 minutes 44 seconds East a distance of 179.35 feet to the said "point of beginning," containing approximately 156,749.45 square feet or 3.60 acres.*

## **Chapter 904 No Child Left Behind Act; Board of Education develop plan to identify initiatives funded thereby.**

An Act to direct the Virginia Board of Education to develop a plan in relation to No Child Left Behind.

[\[S 410\]](#)

Approved April 19, 2006

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. No Child Left Behind; identification plan.*

*A. That the Virginia Board of Education shall develop a plan to identify initiatives or conditions that are currently being funded by the federal act known as No Child Left Behind, that are not an integral or necessary component of the Commonwealth's own Standards of Quality, Standards of Accreditation, or Standards of Learning as authorized by the Virginia General Assembly and the Board of Education. Included in this plan will be information on the consequences (including any potential loss of Federal funding) if the Commonwealth elected to not comply with the identified components.*

*B. Upon the development of the plan required by subsection A, the Office of the Attorney General of Virginia shall provide the Board and the General Assembly an estimate of the costs for providing legal services in the event that the elimination of any initiatives or conditions results in withholding of Title I funds.*

*C. The Board of Education shall report its plan to the Senate Committee on Education and Health, the House Committee on Education, the Senate Committee on Finance, and the House Committee on Appropriations by October 1, 2006.*

## **Chapter 934 Interstate Route 81 Corridor; diversion of truck traffic.**

An Act to determine conditions necessary to divert truck freight from Interstate Route 81.

[\[H 1581\]](#)

Approved May 18, 2006

Whereas, the General Assembly has determined that the transportation of freight and passengers by rail frequently provides a less expensive, safer, and more environmentally friendly and fuel efficient alternative to the construction of additional highway capacity; and

Whereas, the General Assembly has established the Interstate Route 81 Corridor Multistate Transportation Planning Initiative, potentially involving 13 states; and

Whereas, the Commonwealth of Virginia's previously commissioned studies to evaluate the feasibility of diverting freight in the Interstate Route 81 Corridor to rail have been restricted to improvements inside the borders of Virginia only; and

Whereas, Interstate Route 81 has been found to be overutilized by commercial truck traffic, more than half of which consists of long-haul through-trucks beginning and ending their trips outside of Virginia; and

Whereas, a higher-speed dual-track railway would enable the diversion of a significant portion of the through-truck traffic from interstate highways to rail; and

Whereas, the 600-mile Interstate Route 81 Corridor between Knoxville, Tennessee, and Harrisburg, Pennsylvania, may be a suitable market in which to deploy a modern, higher-speed intermodal concept using "roll on/roll off" technology in the United States; and

Whereas, if deemed feasible, such a rail operation has the potential to divert a higher percentage of truck-borne freight from Interstate Route 81 in Virginia than conventional intermodal rail concepts considered in earlier studies, and with the potential for adding other services such as passenger rail in the future; and

Whereas, there is a pressing public need to provide a mechanism for making improvements to the Commonwealth's rail infrastructure that are clearly in the public interest; now, therefore,

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Commonwealth of Virginia, through the Secretary of Transportation and the Rail Advisory Board, shall cause to have completed a comprehensive feasibility plan to define the conditions that would be necessary to divert the maximum amount feasible of the long-haul, through-truck freight traffic to intermodal rail in the Interstate Route 81 Corridor.*

*Such a plan shall be completed as quickly as reasonably possible and the finished plan provided to the Governor, members of the General Assembly, and the public. The plan may be developed as part of a statewide multimodal freight study or other study*

*conducted by the Rail Advisory Board, the Intermodal Office or the Virginia Department of Transportation. It shall include, but not be limited to, evaluation of the following with the objective of maximizing diversion potential to rail and minimizing future Interstate Route 81 highway capacity construction needs:*

*A. Operating Characteristics.*

- 1. Utilize existing VDOT or Norfolk Southern Shenandoah line right-of-way wherever possible;*
- 2. Extend at least 500 miles, creating or expanding logical termini in Tennessee and Pennsylvania or New York with at least one intermediate terminal in Virginia;*
- 3. Utilize suitable "roll on/roll off" and other efficient rail technologies and service concepts;*
- 4. Achieve truck-competitive transit times and reliability between terminals;*
- 5. Consider alternative ownership, management, and service operational options and requirements; and*
- 6. Consider the option of a new rail right-of-way from Front Royal to Culpeper to expedite more efficient use of the Norfolk Southern Piedmont line.*

*B. Financial Evaluation.*

- 1. Capital cost of upgrading and construction for rail line as determined in subsection A as well as cost of terminals, rolling stock, and other equipment or infrastructure;*
- 2. Operating cost for the level of rail service needed to achieve truck-competitive speed and reliability;*
- 3. Include comparative return on investment analyses between the rail option(s) found to be most effective in meeting the performance criterion of 60% diversion rate for through-state freight to rail;*
- 4. Evaluate project financing alternatives, including funds available through SAFETEA-LU, the Federal Railroad Administration's \$35 billion "Railroad Rehabilitation and Improvement Financing" loan program, public and private sector bond financing, and public-private partnership capital investment;*
- 5. Include truck direct and indirect cost savings from using rail compared to over-the-road driving;*
- 6. Include analysis of a full range of future fuel price scenarios, in determining potential diversion rates to rail, and the capability to meet debt service and operate profitably; and*
- 7. Estimate the construction schedule for completing track upgrades and grade crossing separation, including but not limited to, the rail corridor from Front Royal to Manassas.*

# Uncodified Acts of Assembly - 2007

## **Chapter 2 Nursing facility or extended care services; extends sunset provision therefor.**

An Act to amend and reenact Chapter 912 of the Acts of Assembly of 2000, as amended by Chapters 85 and 91 of the Acts of Assembly of 2004, relating to amendment of certain certificate of public need.

[\[H 1630\]](#)

Approved February 6, 2007

Be it enacted by the General Assembly of Virginia:

1. That Chapter 912 of the Acts of Assembly of 2000, as amended by Chapters 85 and 91 of the Acts of Assembly of 2004, is amended and reenacted as follows:

§ 1. Amendment of certain certificate of need authorized.

Notwithstanding the provisions of subdivision 6 of § [32.1-102.3:2](#) as in effect on June 30, 1996, the Commissioner of Health may accept and approve a request to amend the conditions of a certificate of public need issued to a continuing care provider registered with the State Corporation Commission pursuant to Chapter 49 (§ [38.2-4900](#) et seq.) of Title 38.2 for an increase in beds in which nursing facility or extended care services are provided to allow such continuing care provider to continue, until July 1, ~~2008~~ 2013, to admit patients, other than contract holders, with whom the facility has an agreement with the individual responsible for the patient for private payment of the costs upon the following conditions being met: (i) the continuing care community is established for the care of retired military personnel and their spouses, widows or widowers and (ii) the facility's contract holder occupancy rate is less than 85 percent.

## **Chapter 3 Old Dominion University; certain undergraduate classes offered at Va. Beach Higher Ed. Center.**

An Act to authorize the board of visitors of Old Dominion University to offer graduate, and lower and upper level undergraduate courses of study at the Virginia Beach Higher Education Center.

[\[H 3018\]](#)

Approved February 16, 2007

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the rector and the board of visitors of Old Dominion University, in their sole discretion, are hereby authorized to also offer at the Virginia Beach Higher Education Center such graduate and lower and upper level undergraduate courses of study leading to advanced and baccalaureate degrees as are offered at its Norfolk campus. The discretion afforded by the foregoing shall be guided by demand for such courses of study in the Virginia Beach area and resulting relief of pressure on the Norfolk campus classroom supply.*

2. That an emergency exists and this act is in force from its passage.

3. That the provisions of this act shall expire on July 1, 2007.

## **Chapter 6 Health care data reporting; repeals sunset provisions.**

An Act to repeal the fifth enactment of Chapter 902 of the Acts of Assembly of 1996, as amended by the first enactment of Chapter 691 and the second enactment of Chapter 764 of the Acts of Assembly of 1999, and the first enactment of Chapter 331 of the Acts of Assembly of 2002, relating to health care data reporting.

[\[S 1112\]](#)

Approved February 19, 2007

Be it enacted by the General Assembly of Virginia:

1. That the fifth enactment of Chapter 902 of the Acts of Assembly of 1996, as amended by the first enactment of Chapter 691 and the second enactment of Chapter 764 of the Acts of Assembly of 1999, and the first enactment of Chapter 331 of the Acts of Assembly of 2002, is repealed.

## **Chapter 21 Health care data reporting; repeals sunset provisions.**

An Act to repeal the fifth enactment of Chapter 902 of the Acts of Assembly of 1996, as amended by the first enactment of Chapter 691 and the second enactment of Chapter 764 of the Acts of Assembly of 1999, and the first enactment of Chapter 331 of the Acts of Assembly of 2002, relating to health care data reporting.

[\[H 2367\]](#)

Approved February 19, 2007

Be it enacted by the General Assembly of Virginia:

1. That the fifth enactment of Chapter 902 of the Acts of Assembly of 1996, as amended by the first enactment of Chapter 691 and the second enactment of Chapter 764 of the Acts of Assembly of 1999, and the first enactment of Chapter 331 of the Acts of Assembly of 2002, is repealed.

## **Chapter 50 Natural gas pipeline; Marine Resources Commission to grant easements and rights-of-way.**

An Act to authorize the Marine Resources Commission to grant easements and rights-of-way across and in the beds of the Hampton Roads Harbor (Lower James River) and Elizabeth River Reach, including a portion of the Baylor Survey, to Virginia Natural Gas, Inc. for a natural gas pipeline.

[\[H 3005\]](#)

Approved February 19, 2007

Whereas, notwithstanding a General Assembly grant of authority to the Marine Resources Commission (MRC) to convey the easements in the Commonwealth's bottomlands, Virginia Natural Gas, Inc. will be required to file a joint permit application with MRC, and MRC will determine through this application process whether, and under what conditions, to approve the encroachment on the Commonwealth's bottomlands so as to protect natural resources; and

Whereas, Virginia Natural Gas, Inc. currently serves approximately 260,000 customers in the Hampton Roads region through a gas distribution system that is divided into two

noncontiguous pipeline systems, one serving the communities north of Hampton Roads, including the Cities of Hampton, Newport News, Poquoson, and Williamsburg and the Counties of Charles City, Hanover, James City, New Kent, and York (the Northern Pipeline); and one serving communities south of Hampton Roads, including the Cities of Chesapeake, Norfolk, Suffolk, and Virginia Beach (the Southern Pipeline), and there is no connection between these two systems; and

Whereas, the Southern Pipeline has access to only one interstate pipeline and a large majority of the Southern area is supplied through only one gate station; and

Whereas, Virginia Natural Gas, Inc. has been offered the opportunity to receive a substantial quantity of additional natural gas into the Northern Pipeline; and

Whereas, population and customer demand for natural gas has grown significantly over the last 30 years and will continue to grow in the areas served in Hampton Roads; and

Whereas, the availability of additional supply to both the Northern and Southern distribution areas will support future growth at a more favorable price for all Hampton Roads customers; and

Whereas, to improve reliability, ensure sufficient gas supplies for the future, and allow Virginia Natural Gas, Inc. to function as an integrated utility, it is necessary to construct a pipeline that will connect the Northern Pipeline to the Southern Pipeline; and

Whereas, the Virginia State Corporation Commission found the construction of such a pipeline to be in the public interest, and ordered Virginia Natural Gas, Inc. to construct a pipeline, the Hampton Roads Crossing, from its Northern system that will cross the James River/Hampton Roads Channel and tie into the Southern distribution system in Norfolk; and

Whereas, although it is an ordinary or normal service extension in the usual course of business, it will be necessary to place the Hampton Roads Crossing natural gas pipeline in the bed of Hampton Roads Harbor and the Elizabeth River because it is not possible to construct an overhead natural gas line crossing at these important locations due to the danger such an overhead line poses to Hampton Roads Harbor and Elizabeth River Channel ship traffic and to U.S. Norfolk Naval Air Station air traffic; and

Whereas, a submarine crossing at this location will cross within the Baylor Survey Ground Numbers 1 and 3, therefore necessitating an act of the General Assembly; now, therefore,

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That the Marine Resources Commission (MRC) is hereby authorized to grant and*

*convey to Virginia Natural Gas, Inc., its successors, and assigns, upon such terms and conditions as the MRC, with the approval of the Governor and the Attorney General, shall deem proper, two permanent easements and rights-of-way and a temporary right-of-way of a reasonable width as needed for the purpose of installing, constructing, maintaining, repairing, and operating a submarine natural gas transmission line system in and across the bed of the James River/Hampton Roads Harbor and the Elizabeth River Reach, including a portion of the Baylor Survey, the boundaries of such easements being described as follows:*

*Virginia Natural Gas Baylor Easement "A":*

*Beginning at a point in Hampton Roads Harbor generally located near the northwestern corner of Craney Island Disposal Area, City of Portsmouth, on the southern line of the Baylor Ground designated "Public Ground No. 1" as shown on a map compiled by the Marine Resources Commission as having a coordinate value of North 3,504,038.571 East 12,100,845.956 (coordinate values are based on Virginia State Plane Coordination System, South Zone, NAD 1983/1994 HARN, and expressed in U.S. Survey feet); thence from said point of beginning running N04°37'18"W a distance of 577.81 feet to a point in the northern boundary of said "Public Ground No. 1," thence turning and running along the aforementioned northern boundary line N76°00'38"E a distance of 101.35 feet to a point; thence turning and running, leaving the northern boundary line of "Public Ground No. 1," S04°37'18"E a distance of 602.39 feet to a point in the southern boundary line of "Public Ground No. 1"; thence turning and running along the southern boundary line of "Public Ground No. 1" S89°59'58"W a distance of 100.33 feet to a point, the point of beginning of Easement "A," such easement being 100 feet wide through a portion of the Baylor Ground designated "Public Ground No. 1."*

*Virginia Natural Gas Baylor Easement "B":*

*Beginning at a point in the Elizabeth River generally located near the eastern side of Craney Island Fuel Supply Depot, City of Portsmouth, on the western line of the Baylor Ground designated "Public Ground No. 3" as shown on a map compiled by the Marine Resources Commission as having a coordinate value of North 3,490,484.800 East 12,115,840.924 (coordinate values are based on Virginia State Plane Coordination System, South Zone, NAD 1983/1994 HARN, and expressed in U.S. Survey feet); thence from said point of beginning running S46°55'43"E a distance of 3,902.74 feet to a point in the eastern boundary of "Public Ground No. 3," generally located near Lamberts Point Terminals, City of Norfolk; thence turning and running along the eastern boundary line of "Public Ground No. 3" S20°08'18"W a distance of 108.57 feet to a point; thence turning*

*and running, leaving the aforementioned eastern boundary line of "Public Ground No. 3," N46°55'43"W a distance of 3,827.89 feet to a point in the western boundary line of the Baylor Ground designated "Public Ground No. 3"; thence turning and running along the western boundary line N06°26'47"W a distance of 154.02 feet to a point, the point of beginning of Easement "B," such easement being 100 feet wide through a portion of the Baylor Ground designated "Public Ground No. 3."*

*Virginia Natural Gas Baylor Easement "C":*

*Beginning at a point in the Elizabeth River generally located near the eastern side of Craney Island Fuel Supply Depot, City of Portsmouth on the western line of the Baylor Ground designated "Public Ground No. 3." as shown on map compiled by Marine Resources Commission having a coordinate value of North 3,491,259.652, East 12,115,753.359 (coordinate values are based on Virginia State Plane Coordinate System, South Zone, NAD 1983/1994 HARN, and expressed in U.S. Survey feet); thence from said point of beginning running S69°05'52"E a distance of 3,943.73 feet to a point in the eastern boundary of "Public Ground No. 3," generally located near the southern portion of Old Dominion University, City of Norfolk; thence turning and running along the eastern boundary line of "Public Ground No. 3" S20°08'21"W a distance of 100.01 feet to a point; thence turning and running, leaving the aforementioned eastern boundary line of "Public Ground No. 3," N69°05'52"W, 3,893.34 feet to a point in the western boundary line of the Baylor Ground designated "Public Ground No. 3"; thence turning and running along the western boundary line N06°26'52"W a distance of 112.59 feet to a point, the point of beginning of Easement "C". The above described easement being 100 feet wide through a portion of Baylor Ground designated "Public Ground No. 3."*

*§ 2. None of the property described in § 1 that lies within the Baylor Survey shall be considered part of the natural oyster beds, rocks, and shoals in the waters of the Commonwealth.*

*§ 3. The instrument granting and conveying the easements and rights-of-way from the Commonwealth to Virginia Natural Gas, Inc. shall be in a form approved by the Attorney General.*

*§ 4. The Hampton Roads Crossing Pipeline is an ordinary or normal service extension in the usual course of business.*

*2. That an emergency exists and this act is in force from its passage.*

## **Chapter 66 War Memorial; State Treasurer to advance loan for construction of wing.**

An Act to authorize the State Treasurer to advance a no-interest, short-term treasury loan for an educational wing for the Virginia War Memorial.

[\[H 2240\]](#)

Approved February 19, 2007

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. That upon certification by the Secretary of Administration that \$2 million in private funds have been raised, are available, and will be used to support construction of an educational wing for the Virginia War Memorial, the State Treasurer shall advance a loan of \$3.5 million to the Department of General Services for the state share of the construction in the form of a short-term treasury loan, with no interest.*

## **Chapter 96 State Firefighter's Association; created.**

An Act to establish the Virginia State Firefighter's Association as a body corporate and politic, to amend and reenact [§ 9.1-202](#) of the Code of Virginia, and to repeal Chapter 343 of the Acts of Assembly of 1896, relating to the Virginia State Firefighter's Association.

[\[S 1090\]](#)

Approved March 8, 2007

Whereas, in Chapter 343 of the Acts of Assembly of 1896, the Virginia State Firemen's Association was created as a body corporate and politic;

Whereas, the Virginia State Firemen's Association has continued in operation since time but has changed its name to the Virginia State Firefighter's Association; and

Whereas, the Virginia State Firefighter's Association shall continue to operate as a body corporate and politic; now, therefore,

Be it enacted by the General Assembly of Virginia:

1.

*§ 1. Virginia State Firefighter's Association; purposes.*

*The Virginia State Firefighter's Association, created originally under the name and style of the Virginia State Firemen's Association as a body corporate and politic, is hereby affirmed under the name and style of the Virginia State Firefighter's Association. The Association shall continue its status as a body corporate and politic and as such shall have, and is hereby vested with, all of the politic and corporate powers as set forth in this chapter. The Association is established for the purposes of promoting the best interests of firefighters of Virginia, engaging in legislative advocacy to benefit both volunteer and career firefighters and emergency medical service providers and provide for their welfare and safety, supporting volunteer and career fire companies and rescue squads to carry out their mission to protect life and property, disseminating information for the promotion of awareness and education regarding fire safety, assisting fire companies in regard to fire-fighting apparatus and equipment, coordinating with localities in assistance to volunteer and career fire companies and rescue squads in their provision of fire protection services, and providing leadership for the benefit of all fire and rescue companies throughout the Commonwealth of Virginia.*

*§ 2. Membership; governance; officers and committees.*

*The Association shall be governed by a constitution and bylaws that shall provide that any fire and rescue company may become a member in the Association. The Association may provide for the division of its members into districts or other geographic areas in order to provide an efficient means for the organization of the members for its purposes. The constitution and bylaws shall describe the holding of meetings by the members and the voting rights of the members of the Association, including the election and respective terms of a president, vice-presidents, a secretary and a treasurer, together with any other such officers as may be described from time to time by the constitution and bylaws of the Association. Any additional officers may be elected or appointed by the Association, as may be desired by such members from time to time or otherwise described in the constitution and bylaws. The officers elected or otherwise appointed by the members of the Association collectively shall comprise the Board of Directors of the Association. The constitution and bylaws shall provide for an Executive Committee to be comprised of the Board of Directors and a representative from each of the districts or other geographic area divisions represented by the members of the Association, and prescribe the duties and authorities thereof. In addition, the constitution and bylaws may describe, among other things, the establishment or appointment of any other committees of the Association as may be desired by the members from time to time, and prescribe the duties and authorities thereof, in order to carry out the purposes of the Association and to conduct its affairs in furtherance of such purposes.*

*§ 3. Powers generally.*

*The Association is hereby granted all powers necessary or appropriate to carry out its corporate purposes described herein, including, without limitation, the following:*

- 1. To adopt and from time to time amend and repeal the constitution and bylaws, not inconsistent with this chapter, to provide for the governance of the Association and to carry out the powers and purposes as described in this chapter;*
- 2. To have an official seal and to alter the same at pleasure;*
- 3. To maintain offices within the Commonwealth;*
- 4. To borrow money and to accept, hold, and administer contributions, grants and other moneys or property transferred, given, or bequeathed to the Association, absolutely or in trust, for the purposes of the Association, and to determine how to expend or donate such moneys or otherwise distribute such moneys or property, and to authorize the use as determined on terms established by the Board, provided all such acts shall be in furtherance of the purposes of the Association;*
- 5. To engage in any activities to protect life and property and to promote fire safety and education in the Commonwealth;*
- 6. To make and execute contracts and all other instruments and agreements necessary or convenient for the exercise of its powers and functions;*
- 7. To sue and be sued and to prosecute and defend, at law or in equity, in any court having jurisdiction of the subject matter of the parties;*
- 8. To enter into contracts;*
- 9. To acquire property, whether by purchase, lease or otherwise, and to lease, sell or otherwise transfer property;*
- 10. To appoint and prescribe the duties of the officers, agents, employees, advisors, and consultants of the Association as may be necessary to carry out its functions, and to fix and pay such compensation to them for their services as the Association may determine;*
- 11. To receive and accept aid, grants, contributions and cooperation of any kind from any source for the purposes of this chapter subject to conditions, acceptable to the Association, upon which aid, grants, contributions and cooperation may be made;*
- 12. To select representatives to serve on the Virginia Fire Services Board established under [§ 9.1-202](#) (or any successor), and any other fire protection and fire safety board, commission, panel, committee, or other entity whose purposes are consistent with or in furtherance of the purposes of the Association; and*
- 13. To do any lawful act necessary or appropriate to carry out the powers herein granted or reasonably implied and to exercise all powers described herein to achieve the goals and purposes of the Association.*

*§ 4. Public purpose; exemption from taxation.*

*It is to be understood that the exercise of the powers of the Association granted by this chapter shall be in all respects for the benefits of the citizens of the Commonwealth in the promotion of fire safety and fire protection services for their safety, health, welfare, knowledge, convenience and prosperity. The exercise of powers by the Association as described in this chapter is hereby deemed an essential governmental function. Accordingly, the property of the Association and its income and operations shall be exempt from taxation or assessments upon any property acquired or used by the Association under the provisions and guidelines of this chapter.*

*§ 5. Liberal construction.*

*It is the intent hereby for the provisions of this chapter to be liberally construed in order for the Association to carry out its mission in furtherance of the goals and purposes herein described.*

2. That § [9.1-202](#) of the Code of Virginia is amended and reenacted as follows:

§ [9.1-202](#). Virginia Fire Services Board; membership; terms; compensation.

A. The Virginia Fire Services Board (the Board) is established as a policy board within the meaning of § [2.2-2100](#) in the executive branch of state government. The Board shall consist of 15 members to be appointed by the Governor as follows: a representative of the insurance industry; two members of the general public with no connection to the fire services, one of whom shall be a representative of those industries affected by SARA Title III and OSHA training requirements; and one member each from the Virginia Fire Chief's Association, the Virginia Firemen's *State Firefighter's* Association, the Virginia Association of Professional Firefighters, the Virginia Fire Service Council, the Virginia Fire Prevention Association, the State Chapter of the International Association of Arson Investigators, the Virginia Municipal League, and the Virginia Association of Counties, and a member of the Virginia Chapter of the International Society of Fire Service Instructors who is a faculty member who teaches fire science at a public institution of higher education. Of these appointees, at least one shall be a volunteer firefighter. The State Fire Marshal, the State Forester and a member of the Board of Housing and Community Development, appointed by the chairman of that Board shall also serve as members of the Board.

Each of the organizations represented shall submit names for the Governor's consideration in making these appointments.

B. Members of the Board appointed by the Governor shall serve for terms of four years. An appointment to fill a vacancy shall be for the unexpired term. No appointee shall serve more than two successive four-year terms but neither shall any person serve

beyond the time he holds the office or organizational membership by reason of which he was initially eligible for appointment.

C. The Board annually shall elect its chairman and vice-chairman from among its membership and shall adopt rules of procedure.

D. Members of the Board shall receive such compensation for the performance of their duties as provided in § [2.2-2813](#). All members shall be reimbursed for all reasonable and necessary expenses incurred in the performance of their duties as provided in § [2.2-2825](#). Funding for the compensation and costs of expenses of the members shall be provided from the Fire Programs Fund established pursuant to § [38.2-401](#).

3. That Chapter 343 of the Acts of Assembly of 1896 is repealed.

## **Chapter 202 Subdivision plats; local planning commission, etc to forward to appropriate state agency for review.**

An Act to amend and reenact §§ [15.2-2259](#), [15.2-2260](#), and [15.2-2269](#) of the Code of Virginia, relating to authority to review subdivision plats.

[\[H 2544\]](#)

Approved March 9, 2007

Be it enacted by the General Assembly of Virginia:

1. That §§ [15.2-2259](#), [15.2-2260](#), and [15.2-2269](#) of the Code of Virginia are amended and reenacted as follows:

§ [15.2-2259](#). Local planning commission to act on proposed plat.

A. The local planning commission or other agent shall act on any proposed plat within 60 days after it has been officially submitted for approval by either approving or disapproving the plat in writing, and giving with the latter specific reasons therefor. The Commission or agent shall thoroughly review the plat and shall make a good faith effort to identify all deficiencies, if any, with the initial submission. *However, if approval of a feature or features of the plat by a state agency or public authority authorized by state law is necessary, the commission or agent shall forward the plat to the appropriate state agency or agencies for review within 10 business days of receipt of such plat. The state agency shall respond in accord with the requirements set forth in § [15.2-2222.1](#), which shall extend the time for action by the local planning commission or other agent, as set forth in subsection B.* Specific reasons for disapproval shall be contained either in a

separate document or on the plat itself. The reasons for disapproval shall identify deficiencies in the plat that cause the disapproval by reference to specific duly adopted ordinances, regulations, or policies and shall identify modifications or corrections as will permit approval of the plat. The local planning commission or other agent shall act on any proposed plat that it has previously disapproved within 45 days after the plat has been modified, corrected and resubmitted for approval.

*B. Any state agency or public authority authorized by state law making a review of a plat forwarded to it under this article, including, without limitation, the Virginia Department of Transportation and authorities authorized by Chapter 51 (§ [15.2-5100](#) et seq.), shall complete its review within 45 days of receipt of the plat upon first submission and within 45 days for any proposed plat that has previously been disapproved, provided, however, that the time periods set forth in § [15.2-2222.1](#) shall apply to plats triggering the applicability of said section. The Virginia Department of Transportation and authorities authorized by Chapter 51 (§ [15.2-5100](#) et seq.) shall allow use of public rights-of-way dedicated for public street purposes for placement of utilities by permit when practical and shall not unreasonably deny plat approval. If a state agency or public authority authorized by state law does not approve the plat, it shall comply with the requirements, and be subject to the restrictions, set forth in subsection A, with the exception of the time period therein specified. Upon receipt of the approvals from all state agencies and other agencies, the local agent shall act upon a plat within 35 days.*

*C. If the commission or other agent fails to approve or disapprove the plat within 60 days after it has been officially submitted for approval, or within 45 days after it has been officially resubmitted after a previous disapproval or within 35 days of receipt of any agency response pursuant to subsection B, the subdivider, after 10-days' written notice to the commission, or agent, may petition the circuit court for the locality in which the land involved, or the major part thereof, is located, to decide whether the plat should or should not be approved. The court shall give the petition priority on the civil docket, hear the matter expeditiously in accordance with the procedures prescribed in Article 2 (§ [8.01-644](#) et seq.) of Chapter 25 of Title 8.01 and make and enter an order with respect thereto as it deems proper, which may include directing approval of the plat.*

*⊖D. If a commission or other agent disapproves a plat and the subdivider contends that the disapproval was not properly based on the ordinance applicable thereto, or was arbitrary or capricious, he may appeal to the circuit court having jurisdiction of such land and the court shall hear and determine the case as soon as may be, provided that his appeal is filed with the circuit court within 60 days of the written disapproval by the commission or other agent.*

§ [15.2-2260](#). Localities may provide for submission of preliminary subdivision plats; how long valid.

A. Nothing in this article shall be deemed to prohibit the local governing body from providing in its ordinance for the submission of preliminary subdivision plats for tentative approval. The local planning commission, or an agent designated by the commission or by the governing body to review preliminary subdivision plats shall complete action on the preliminary plats within ~~sixty~~ 60 days of submission. However, if approval of a feature or features of the preliminary plat by a state agency *or public authority authorized by state law* is necessary, the commission or agent shall forward the preliminary plat to the appropriate state agency or agencies for review within 10 business days of receipt of such preliminary plat.

B. Any state agency *or public authority authorized by state law* making a review of a *preliminary* plat forwarded to it under this section, including, without limitation, the Virginia Department of Transportation *and authorities authorized by Chapter 51* (§ [15.2-5100](#) *et seq.*), shall complete its review within ~~forty-five~~ 45 days of receipt of the preliminary plat *upon first submission and within 45 days for any proposed plat that has previously been disapproved, provided, however, that the time period set forth in § [15.2-2222.1](#) shall apply to plats triggering the applicability of said section.* The Virginia Department of Transportation *and authorities authorized by Chapter 51* (§ [15.2-5100](#) *et seq.*) shall allow use of ~~its~~ public rights-of-way *for public street purposes* for placement of utilities by permit when practical and shall not unreasonably deny plat approval. If a state agency *or public authority authorized by state law* does not approve the plat, it shall comply with the requirements, and be subject to the restrictions, set forth in § [15.2-2259](#) A with the exception of the time period therein specified. Upon receipt of the approvals from all state agencies, the local agent shall act upon a preliminary plat within ~~thirty-five~~ 35 days.

C. If a commission has the responsibility of review of preliminary plats and conducts a public hearing, it shall act on the plat within forty-five days after receiving approval from all state agencies. If the local agent or commission does not approve the preliminary plat, the local agent or commission shall set forth in writing the reasons for such denial and shall state what corrections or modifications will permit approval by such agent or commission. However, no commission or agent shall be required to approve a preliminary subdivision plat in less than sixty days from the date of its original submission to the commission or agent, and all actions on preliminary subdivision plats shall be completed by the agent or commission and, if necessary, state agencies, within a total of ninety days of submission to the local agent or commission.

D. If the commission or other agent fails to approve or disapprove the preliminary plat within ninety days after it has been officially submitted for approval, the subdivider after ten days' written notice to the commission, or agent, may petition the circuit court for the locality in which the land involved, or the major part thereof, is located to enter an order with respect thereto as it deems proper, which may include directing approval of the plat.

E. If a commission or other agent disapproves a preliminary plat and the subdivider contends that the disapproval was not properly based on the ordinance applicable thereto, or was arbitrary or capricious, he may appeal to the circuit court having jurisdiction of such land and the court shall hear and determine the case as soon as may be, provided that his appeal is filed with the circuit court within sixty days of the written disapproval by the commission or other agent.

F. Once a preliminary subdivision plat is approved, it shall be valid for a period of five years, provided the subdivider (i) submits a final subdivision plat for all or a portion of the property within one year of such approval or such longer period as may be prescribed by local ordinance, and (ii) thereafter diligently pursues approval of the final subdivision plat. "Diligent pursuit of approval" means that the subdivider has incurred extensive obligations or substantial expenses relating to the submitted final subdivision plat or modifications thereto. However, no sooner than three years following such preliminary subdivision plat approval, and upon ninety days' written notice by certified mail to the subdivider, the commission or other agent may revoke such approval upon a specific finding of facts that the subdivider has not diligently pursued approval of the final subdivision plat.

§ [15.2-2269](#). Plans and specifications for utility fixtures and systems to be submitted for approval.

A. If the owners of any such subdivision desire to construct in, on, ~~or~~ under, *or adjacent to* any streets or alleys located in such subdivision any gas, water, sewer or electric light or power works, pipes, wires, fixtures or systems, they shall present plans or specifications therefor to the governing body of the locality in which the subdivision is located or its authorized agent, for approval. If the subdivision is located beyond the corporate limits of a municipality but within the limits set forth in § [15.2-2248](#), such plans and specifications shall be presented for approval to the governing body of such municipality, or its authorized agent, if the county has not adopted a subdivision ordinance. The governing body, or agent, shall have ~~thirty~~ 45 days in which to approve or disapprove the same. In event of the failure of any governing body, or its agent, to act within such period, such plans and specifications may be submitted, after ten days' notice to the locality, to the circuit court for such locality for its approval or disapproval, and its

approval thereof shall, for all purposes of this article be treated and considered as approval by the locality or its authorized agent.

*B. Any state agency or public authority authorized by state law making a review of any plat forwarded to it under this article, including, without limitation, the Virginia Department of Transportation and authorities authorized by Chapter 51 (§ [15.2-5100](#) et seq.), shall complete its review within 45 days of receipt of the plans, provided, however, that the time periods set forth in § [15.2-2222.1](#) shall apply to plats triggering the applicability of said section. The Virginia Department of Transportation and authorities authorized by Chapter 51 (§ [15.2-5100](#) et seq.) shall allow use of public rights-of-way dedicated for public street purposes for placement of utilities by permit when practical and shall not unreasonably deny plan approval. If a state agency or public authority by state law does not approve the plan, it shall comply with the requirements, and be subject to the restrictions, set forth in subsection A of § [15.2-2259](#), with respect to the exception of the time period therein specified. Upon receipt of the approvals from all state agencies, the local agent shall act upon a preliminary plat within 35 days.*

## **Chapter 378 Washington Metropolitan Area Transit Commission; change in membership.**

An Act to amend and reenact § 2.1 of Chapter 890 of the Acts of Assembly of 1988, relating to the composition of the Washington Metropolitan Area Transit Commission.

[\[S 1099\]](#)

Approved March 15, 2007

Be it enacted by the General Assembly of Virginia:

1. That § 2.1 of Chapter 890 of the Acts of Assembly of 1988 is amended and reenacted as follows:

§ 2.1. Washington Metropolitan Area Transit Regulation Compact.-Whereas, the Commonwealth of Virginia (Chapter 627, 1958 Acts of Assembly), the State of Maryland (Chapter 613, Acts of General Assembly, 1959), and the Commissioners of the District of Columbia (resolution of the Board of Commissioners, December 22, 1960) entered into and executed the Washington Metropolitan Area Transit Regulation Compact on December 22, 1960; and

Whereas, the Congress of the United States has, by joint resolution approved October 9, 1962 (Public Law 87-767,. 76 Stat. 764), given its consent to the State of Maryland, and the Commonwealth of Virginia to effectuate certain clarifying amendments to the Compact, and has authorized and directed the Commissioners of the District of Columbia to effectuate the amendments on behalf of the United States for the District of Columbia; and

Whereas, the Commonwealth of Virginia (Chapter 67, 1.962 Acts of Assembly), the State of Maryland (Chapter 114, Acts of General Assembly, 1962), and the Commissioners of the District of Columbia (resolution of the Board of Commissioners adopted on March 19, 1.963) have adopted those clarifying amendments to the Compact;

Now, therefore, the State of Maryland, the Commonwealth of Virginia and the District of Columbia, hereafter referred to as the signatories, covenant and agree as follows:

#### TITLE I.

#### GENERAL COMPACT PROVISIONS.

##### Article I.

There is created the Washington Metropolitan Area Transit District, referred to as the Metropolitan District, which shall include: the District of Columbia; the cities of Alexandria and Falls Church of the Commonwealth of Virginia; Arlington County and Fairfax County of the Commonwealth of Virginia, the political subdivisions located within those counties, and that portion of Loudoun County, Virginia, occupied by the Washington Dulles International Airport; Montgomery County and Prince George's County of the State of Maryland, and the political subdivisions located within those counties; and all other cities now or hereafter existing in Maryland or Virginia within the geographic area bounded by the outer boundaries of the combined area of those counties, cities, and airports.

##### Article II.

1. The signatories hereby create the "Washington Metropolitan Area Transit Commission," hereafter called the "Commission," which shall be an instrumentality of the District of Columbia, the Commonwealth of Virginia, and the State of Maryland, and shall have the powers and duties set forth in the Compact and those additional powers and additional powers and duties conferred upon it by subsequent action of the signatories.
2. The Commission shall have jurisdiction coextensive with the Metropolitan District for the regulation of passenger transportation within the Metropolitan District on a coordin-

ated basis, without regard to political boundaries within the Metropolitan District, as set forth in this Compact.

Article III.

1. (A) The Commission shall be composed of three members, one member appointed by the Governor of Virginia from the ~~State Corporation Commission~~ *Department of Motor Vehicles* of the Commonwealth of Virginia, one member appointed by the Governor of Maryland from the Maryland Public Service Commission, and one member appointed by the Mayor of the District of Columbia from the Public Service Commission of the District of Columbia.

(B) A member appointed shall serve for a term coincident with the term of that member on the agency of the signatory, and a member may be removed or suspended from office as the law of the appointing signatory provides.

(C) Vacancies shall be filled for an unexpired term in the same manner as an original appointment.

2. A person in the employment of or holding an official relation to a person or company subject to the jurisdiction of the Commission or having an interest of any nature in a person or company or affiliate or associate thereof, may not hold the office of commissioner or serve as an employee of the Commission or have any power or duty or receive any compensation in relation to the Commission.

3. (A) The Commission shall select a chairman from among its members.

(B) The chairman shall be responsible for the Commission's work and shall have all powers to discharge that duty.

4. A signatory may pay the Commissioner from its jurisdiction the salary or expenses, if any, that it considers appropriate.

5. (A) The Commission may employ engineering, technical, legal, clerical, and other personnel on a regular, part-time, or consulting basis to assist in the discharge of its functions.

(B) The Commission is not bound by any statute or regulation of a signatory in the employment or discharge of an officer or employee of the Commission, except that contained in this Compact.

6. The Commission shall establish its office at a location to be determined by the Commission within the Metropolitan District and shall publish rules and regulations governing the conduct of its operations.

Article IV.

1. (A) The signatories shall bear the expenses of the Commission in the manner set forth here.

(B) The Commission shall submit to the Governor of Virginia, the Governor of Maryland, and the Mayor of the District of Columbia, when requested, a budget of its requirements for the period required by the laws of the signatories for presentation to the legislature.

(C) The Commission shall allocate its expenses among the signatories in the proportion that the population of each signatory within the Metropolitan District bears to the total population of the Metropolitan District.

(D) (I) The Commission shall base its allocation on the latest available population statistics of the Bureau of the Census; or

(II) If current population data are not available, the Commission may, upon the request of a signatory, employ estimates of population prepared in a manner approved by the Commission and by the signatory making the request.

(E) The Governors of the two states and the Mayor of the District of Columbia shall approve the allocation made by the Commission.

2. (A) The signatories shall appropriate their proportion of the budget for the expenses of the Commission and shall pay that appropriation to the Commission.

(B) The budget of the Commission and the appropriations of the signatories may not include a sum for the payment of salaries or expenses of the Commissioners.

(C) The provisions of § 2.1-30 of the Code of Virginia do not apply to any official or employee of the Commonwealth of Virginia acting or performing services under this Act.

3. (A) If the Commission requests and a signatory makes available personnel, services, or material which the Commission would otherwise have to employ or purchase, the Commission shall:

(I) determine an amount; and

(II) reduce the expenses allocable to a signatory.

(B) If any services in kind are rendered, the Commission shall return to the signatory an amount equivalent to the savings to the Commission represented by the contribution in kind.

4. (A) The Commission shall have the power to establish fees under regulations, including but not limited to filing fees and annual fees.

(B) The Commission shall return to the signatories fees established by it in proportion to the share of the Commission's expenses borne by each signatory in the fiscal year during which the fees were collected.

5. (A) The Commission shall keep accurate books of account, showing in full its receipts and disbursements.

(B) The books of account shall be open for inspection by representatives of the respective signatories at any reasonable time.)

Article V.

1. An action by the Commission may not be effective unless a majority of the members concur.
2. An order entered by the Commission under the provisions of Title II of this Act which affect operations or matters solely intrastate or solely within the District of Columbia may not be effective unless the Commissioner from the affected signatory concurs.
3. Two members of the Commission are a quorum.
4. The Commission may delegate by regulation the tasks that it considers appropriate.

Article VI.

This Compact does not amend, alter, or affect the power of the signatories and their political subdivisions to levy and collect taxes on the property or income of any person or company subject to this Act or upon any material, equipment, or supplies purchased by that person or company or to levy, assess, and collect franchise or other similar taxes, or fees for the licensing of vehicles and their operation.

Article VII.

This amended Compact shall become effective ninety days after the signatories adopt it.

Article VIII.

1. (A) This Compact may be amended from time to time without the prior consent or approval of the Congress of the United States and any amendment shall be effective unless, within one year, the Congress disapproves that amendment.  
(B) An amendment may not be effective unless adopted by each of the signatories.
2. (A) A signatory may withdraw from the Compact upon written notice to the other signatories.  
(B) In the event of a withdrawal, the Compact shall be terminated at the end of the Commission's next full fiscal year following the notice.
3. Upon the termination of this Compact, the jurisdiction over the matters and persons covered by this Act shall revert to the signatories and the federal government, as their interests may appear, and the applicable laws of the signatories and the federal government shall be reactivated without further legislation.

Article IX.

Each of the signatories pledges to each of the other signatories faithful cooperation in the regulation of passenger transportation within the Metropolitan District and agrees to

enact any necessary legislation to achieve the objectives of the Compact for the mutual benefit of the citizens living in the Metropolitan District.

Article X.

1. If a provision of this Act or its application to any person or circumstance is held invalid in a court of competent jurisdiction, the invalidity does not affect other provisions or any other application of this Act which can be given effect without the invalid provision or application, and for this purpose the provisions of this Act are declared severable.

2. In accordance with the ordinary rules for construction of interstate compacts, this Act shall be liberally construed to effectuate its purposes.

TITLE II.

COMPACT REGULATORY PROVISIONS.

Article XI.

1. This Act shall apply to the transportation for hire by any carrier of persons between any points in the Metropolitan District, including but not limited to:

(A) As to interstate and foreign commerce, transportation performed over a regular route between a point in the Metropolitan District and a point outside the Metropolitan District if:

(I) The majority of passengers transported over that regular route are transported between points within the Metropolitan District; and

(II) That regular route is authorized by a certificate of public convenience and necessity issued by the Interstate Commerce Commission; and

(B) The rates, charges, regulations, and minimum insurance requirements for taxicabs and other vehicles that perform a bona fide taxicab service, where the taxicab or other vehicle:

(I) has a seating capacity of nine persons or less, including the driver; and

(II) provides transportation from one signatory to another within the Metropolitan District.

2. Solely for the purposes of this section and Section 18 of this Article:

(A) The Metropolitan District shall include that portion of Anne Arundel County, Maryland, occupied by the Baltimore-Washington International Airport; and

(B) Jurisdiction of the Commission shall apply to taxicab rates, charges, regulations, and minimum insurance requirements for interstate transportation between the Baltimore-Washington International Airport and other points in the Metropolitan District, unless conducted by a taxicab licensed by the state of Maryland or a political subdivision of the state of Maryland, or operated under a contract with the state of Maryland.

3. Excluded from the application of this Act are:

- (A) Transportation by water, air, or rail;
- (B) Transportation performed by the federal government, the signatories to this Compact, or any political subdivision of the signatories;
- (C) Transportation performed by the Washington Metropolitan Area Transit Authority;
- (D) Transportation by a motor vehicle employed solely in transporting teachers and school children through grade 12 to or from public or private schools;
- (E) Transportation performed over a regular route between a point in the Metropolitan District and a point outside the Metropolitan District, including transportation between those points on the regular route that are within the Metropolitan District, if:
  - (I) the majority of passengers transported over the regular route are not transported between points in the Metropolitan District; and
  - (II) the regular route is authorized by a certificate of public convenience and necessity issued by the Interstate Commerce Commission;
- (F) Matters other than rates, charges, regulations, and minimum insurance requirements relating to vehicles and operations described in sections 1(B) and 2 of this article;
- (G) Transportation solely within the Commonwealth of Virginia and the activities of persons performing that transportation; and
- (H) The exercise of any power or the discharge of any duty conferred or imposed upon the State Corporation Commission of the Commonwealth of Virginia by the Virginia Constitution.

Definitions.

4. In this Act the following words have the meanings indicated.

- (A) "Carrier" means a person who engages in the transportation of passengers by motor vehicle or other form or means of conveyance for hire.
- (B) "Motor vehicle" means an automobile, bus, or other vehicle propelled or drawn by mechanical or electrical power on the public streets or highways of the Metropolitan District and used for the transportation of passengers.
- (C) "Person" means an individual, firm, copartnership, corporation, company, association or joint stock association, and includes a trustee, receiver, assignee, or personal representative of them.
- (D) "Taxicab" means a motor vehicle for hire (other than a vehicle operated under a certificate of Authority issued by the Commission) having a seating capacity of nine persons or less, including the driver, used to accept or solicit passengers along the public streets for transportation.

General Duties of Carriers.

5. Each authorized carrier shall:

- (A) Provide safe and adequate transportation service, equipment, and facilities; and
- (B) Observe and enforce Commission regulations established under this Act.

Certificates of Authority.

6. (A) A person may not engage in transportation subject to this Act unless there is in force a "certificate of Authority" issued by the Commission authorizing the person to engage in that transportation.

(B) On the effective date of this Act a person engaged in transportation subject to this Act under an existing "certificate of Public Convenience and Necessity" or order issued by the Commission shall be issued a new "certificate of Authority" within 120 days after the effective date of this amendment.

(C) (I) Pending issuance of the new certificate of Authority, the continuance of operations shall be permitted under an existing certificate or order issued by the Commission which will continue in effect on the effective date of this Act.

(II) The operations described in paragraph (I) of this subsection shall be performed according to the rates, regulations, and practices of the certificate holder on file with the Commission on the effective date of this Act.

7. (A) When an application is made under this section for a certificate of Authority, the Commission shall issue a certificate to any qualified applicant, authorizing all or any part of the transportation covered by the application, if it finds that:

(I) The applicant is fit, willing, and able to perform that transportation properly, conform to the provisions of this Act, and conform to the rules, regulations and requirements of the Commission; and

(II) That the transportation is consistent with the public interest.

(B) If the Commission finds that the requirements of subsection (A) of this section have not been met, the application shall be denied by the Commission.

(C) The Commission shall act upon applications under this Act as soon as possible.

(D) The Commission may attach to the issuance of a certificate and to the exercise of the rights granted under it any term, condition, or limitation that is consistent with the public interest.

(E) A term, condition, or limitation imposed by the Commission may not restrict the right of a carrier to add to equipment and facilities over the routes or within the territory specified in the certificate, as business development and public demand may require.

(F) A person applying for or holding a certificate of Authority shall comply with Commission regulations regarding maintenance of a surety bond, insurance policy, self-insurance qualification, or other security or agreement in an amount that the Commission may require to pay any final judgment against a carrier for bodily injury or death of a person,

or for loss or damage to property of another, resulting from the operation, maintenance, or use of a motor vehicle or other equipment in performing transportation subject to this Act.

(G) A certificate of Authority is not valid unless the holder is in compliance with the insurance requirements of the Commission.

8. Application to the Commission for a certificate under this Act shall be:

(A) Made in writing;

(B) Verified; and

(C) In the form and with the information that the Commission regulations require.

9. (A) A certificate of Authority issued by the Commission shall specify the route over which a regularly scheduled commuter service or other regular-route service will operate.

(B) A certificate issued by the Commission authorizing irregular-route service shall be coextensive with the Metropolitan District.

(C) A carrier subject to this Act may not provide any passenger transportation for hire on an individual fare paying basis in competition with an existing, scheduled, regular-route, passenger transportation service performed by, or under a contract with, the federal government, a signatory to the Compact, a political subdivision of a signatory, or the Washington Metropolitan Area Transit Authority, notwithstanding any "Certificate of Authority."

(D) A certificate for the transportation of passengers may include authority to transport newspapers, passenger baggage, express, or mail in the same vehicle, or to transport passenger baggage in a separate vehicle.

10. (A) Certificates shall be effective from the date specified on them and shall remain in effect until amended, suspended, or terminated.

(B) Upon application by the holder of a certificate, the Commission may suspend, amend, or terminate the Certificate of Authority.

(C) Upon complaint or the Commission's own initiative, the Commission, after notice and hearing, may suspend or revoke all or part of any Certificate of Authority for willful failure to comply with:

(I) A provision of this Act;

(II) An order, rule, or regulation of the Commission; or

(III) A term, condition, or limitation of the certificate.

(D) The Commission may direct that a carrier cease an operation conducted under a certificate if the Commission finds the operation, after notice and hearing, to be inconsistent with the public interest.

11. (A) A person may not transfer a Certificate of Authority unless the Commission approves the transfer as consistent with the public interest.

(B) A person other than the person to whom an operating authority is issued by the Commission may not lease, rent, or otherwise use that operating authority.

12. (A) A carrier may not abandon any scheduled commuter service operated under a Certificate of Authority issued to the carrier under this Act, unless the Commission authorizes the carrier to do so by a Commission order.

(B) Upon application by a carrier, the Commission shall issue an order, after notice and hearing, if it finds that abandonment of the route is consistent with the public interest.

(C) The Commission, by regulation or otherwise, may authorize the temporary suspension of a route if it is consistent with the public interest.

(D) As long as the carrier has an opportunity to earn a reasonable return in all its operations, the fact that a carrier is operating a service at a loss will not, of itself, determine the question of whether abandonment of service is consistent with the public interest.

13. (A) When the Commission finds that there is an immediate need for service that is not available, the Commission may grant temporary authority for that service without a hearing or other proceeding up to a maximum of 180 consecutive days, unless suspended or revoked for good cause.

(B) A grant of temporary authority does not create any presumption that permanent authority will be granted at a later date.

#### Rates and Tariffs.

14. (A) Each carrier shall file with the Commission, publish, and keep available for public inspection tariffs showing:

(I) Fixed-rates and fixed-fares for transportation subject to this Act; and

(II) Practices and regulations, including those affecting rates and fares, required by the Commission.

(B) Each effective tariff shall:

(I) Remain in effect for at least 60 days from its effective date, unless the Commission orders otherwise; and

(II) Be published and kept available for public inspection in the form and manner prescribed by the Commission.

(C) A carrier may not charge a rate or fare for transportation subject to this Act other than the applicable rate or fare specified in a tariff filed by the carrier under this Act and in effect at the time.

15. (A) A carrier proposing to change a rate, fare, regulation, or practice specified in an effective tariff shall file a tariff showing the change in the form and manner, and with the information, justification, notice, and supporting material prescribed by the Commission.

(B) Each tariff filed under subsection (A) of this section shall state a date on which the tariff shall take effect, which shall be at least seven calendar days after the date on which the tariff is filed, unless the Commission orders an earlier effective date or rejects the tariff.

(C) (I) A tariff filed for approval with the Commission may be refused acceptance for filing if it is not consistent with this Act and Commission regulations; and

(II) A tariff refused for filing shall be void.

16. (A) The Commission may hold a hearing upon complaint or upon the Commission's own initiative after reasonable notice to determine whether a rate, fare, regulation, or practice relating to a tariff is unjust, unreasonable, unduly discriminatory, or unduly preferential between classes of riders or between locations within the Metropolitan District.

(B) Within 120 days of the hearing, the Commission shall pass an order prescribing the lawful rate, fare, regulation, or practice, or affirming the tariff.

Through Routes, Joint Fares.

17. With the approval of the Commission, any carrier subject to this Act may establish through routes and joint fares with any other lawfully authorized carrier.

Taxicab Fares.

18. (A) the Commission shall prescribe reasonable rates for transportation by taxicab, only when:

(I) The trip is between a point in the jurisdiction of one signatory and a point in the jurisdiction of another signatory; and

(II) Both points are within the Metropolitan District.

(B) The fare or charge for taxicab transportation may be calculated on a mileage basis, a zone basis, or on any other basis approved by the Commission.

(C) The Commission may not require the installation of a taximeter in any taxicab when a taximeter is not permitted or required by the jurisdiction licensing and otherwise regulating the operation and service of the taxicab.

(D) A person licensed by a signatory to own or operate a taxicab shall comply with Commission regulations regarding maintenance of a surety bond, insurance policy, self-insurance qualification, or other security or agreement in an amount that the Commission may require to pay a final judgment for bodily injury or death of a person, or for loss or damage to property of another, resulting from the operation, maintenance, or use of a taxicab in performing transportation subject to this Act.

Article XII.

Accounts, Records, and Reports.

1. (A) The Commission may prescribe that any carrier subject to this Act:

(I) Submit special reports and annual or other periodic reports;

(II) Make reports in a form and manner required by the Commission;

(III) Provide a detailed answer to any question about which the Commission requires information;

(IV) Submit reports and answers under oath; and

(V) Keep accounts, records, and memoranda of its activity, including movement of traffic and receipt and expenditure of money in a form and for a period required by the Commission.

(B) The Commission shall have access at all times to the accounts, records, memoranda, lands, buildings, and equipment of any carrier for inspection purposes.

(C) This section shall apply to any person controlling, controlled by, or under common control with a carrier subject to this Act, whether or not that person otherwise is subject to this Act.

(D) A carrier that has its principal office outside of the Metropolitan District J operates both inside and outside of the Metropolitan District may keep all accounts, records, and memoranda at its principal office, but the carrier shall produce those materials before the Commission when directed by the Commission.

(E) This section does not relieve a carrier from recordkeeping or reporting obligations imposed by a state or federal agency or regulatory commission for transportation service rendered outside the Metropolitan District.

Issuance of Securities.

2. This Act does not impair any authority of the federal government and the signatories to regulate the issuance of securities by a carrier.

Consolidations, Mergers, and Acquisition of Control.

3. (A) A carrier or any person controlling, controlled by, or under common control with a carrier shall obtain Commission approval to:

(I) Consolidate or merge any part of the ownership, management, or operation of its property or franchise with a carrier that operates in the Metropolitan District;

(II) Purchase, lease, or contract to operate a substantial part of the property or franchise of another carrier that operates in the Metropolitan District; or

(III) Acquire control of another carrier that operates in the Metropolitan District through ownership of its stock or other means.

(B) Application for Commission approval of a transaction under this section shall be made in the form and with the information that the regulations of the Commission require.

(C) If the Commission finds, after notice and hearing, that the proposed transaction is consistent with the public interest, the Commission shall pass an order authorizing the transaction.

(D) Pending determination of an application filed under this section, the Commission may grant "temporary approval" without a hearing or other proceeding up to a maximum of 180 consecutive days if the Commission determines that grant to be consistent with the public interest.

#### Article XIII.

#### Investigations by the Commission and Complaints.

1. (A) A person may file a written complaint with the Commission regarding anything done or omitted by a person in violation of a provision of this Act, or in violation of a requirement established under it.

(B) (I) If the respondent does not satisfy the complaint and the facts suggest that there are reasonable grounds for an investigation, the Commission shall investigate the matter.

(II) If the Commission determines that a complaint does not state facts which warrant action, the Commission may dismiss the complaint without hearing.

(III) The Commission shall notify a respondent that a complaint has been filed at least ten days before a hearing is set on the complaint.

(C) The Commission may investigate on its own motion a fact, condition, practice, or matter to;

(I) Determine whether a person has violated or will violate a provision of this Act or a rule, regulation, or order;

(II) Enforce the provisions of this Act or prescribe or enforce rules or regulations under it; or

(III) Obtain information to recommend further legislation.

(D) If, after hearing, the Commission finds that a respondent has violated a provision of this Act or any requirement established under it, the Commission shall;

(I) Issue an order to compel the respondent to comply with this Act; and

(II) Effect other just and reasonable relief.

(E) For the purpose of an investigation or other proceeding under this Act, the Commission may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of books, papers, correspondence,

memoranda, contracts, agreements, or other records or evidence which the Commission considers relevant to the inquiry.

Hearings; Rules of Procedure.

2. (A) Hearings under this Act shall be held before the Commission, and records shall be kept.

(B) Rules of practice and procedure adopted by the Commission shall govern all hearings, investigations, and proceedings under this Act, but the Commission may apply the technical rules of evidence when appropriate.

Administrative powers of Commission; Rules, Regulations, and Orders.

3. (A) The Commission shall perform any act, and prescribe, issue, make, amend, or rescind any order, rule, or regulation that it finds necessary to carry out the provisions of this Act.

(B) The rules and regulations of the Commission shall prescribe the form of any statement, declaration, application, or report filed with the Commission, the information it shall contain, and the time of filing.

(C) The rules and regulations of the Commission shall be effective thirty days after publication in the manner which the Commission shall prescribe, unless a different date is specified.

(D) Orders of the Commission shall be effective on the date and in the manner which the Commission shall prescribe.

(E) For the purposes of its rules and regulations, the Commission may classify persons and matters within its jurisdiction and prescribe different requirements for them.

(F) Commission rules and regulations shall be available for public inspection during reasonable business hours.

Reconsideration of Orders.

4. (A) A party to a proceeding affected by a final order or decision of the Commission may file within thirty days of its publication a written application requesting Commission reconsideration of the matter involved, and stating specifically the errors claimed as grounds for the reconsideration.

(B) The Commission shall grant or deny the application within thirty days after it has been filed.

(C) If the Commission does not grant or deny the application by order within thirty days, the application shall be deemed denied.

(D) If the application is granted, the Commission shall rescind, modify, or affirm its order or decision with or without a hearing, after giving notice to all parties.

(E) Filing an application for reconsideration may not act as a stay upon the execution of a Commission order or decision, or any part of it unless the Commission orders otherwise.

(F) An appeal may not be taken from an order or decision of the Commission until an application for reconsideration has been filed and determined.

(G) Only an error specified as a ground for reconsideration may be used as a ground for judicial review.

Judicial Review.

5. (A) Any party to a proceeding under this Act may obtain a review of the Commission's order in the United States Court of Appeals for the Fourth Circuit, or in the United States Court of Appeals for the District of Columbia Circuit, by filing within sixty days after Commission determination of an application for reconsideration, a written petition praying that the order of the Commission be modified or set aside.

(B) A copy of the petition shall be delivered to the office of the Commission and the Commission shall certify and file with the court a transcript of the record upon which the Commission order was entered.

(C) The court shall have exclusive jurisdiction to affirm, modify, remand for reconsideration, or set aside the Commission's order.

(D) The court's judgment shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in Title 28 U.S.C. §§ 1254 and 2350.

(E) The commencement of proceedings under subsection (A) of this section may not operate as a stay of the Commission's order unless specifically ordered by the court.

(F) The Commission and its members, officers, agents, employees, or representatives are not liable to suit or action or for any judgment or decree for damages, loss, or injury resulting from action taken under the Act, nor required in any case arising or any appeal taken under this Act to make a deposit, pay costs, or pay for service to the clerks of a court or to the marshal of the United States or give a supersedeas bond or security for damages.

Enforcement of Act; Penalty for Violations.

6. (A) Whenever the Commission determines that a person is engaged or will engage in an act or practice which violates a provision of this Act or a rule, regulation, or order under it, the Commission may bring an action in the United States District Court in the district in which the person resides or conducts business or in which the violation occurred to enjoin the act or practice and to enforce compliance with this Act or a rule, regulation, or order under it.

(B) If the court makes a determination under subsection (A) of this section, that a person has violated or will violate this Act or a rule, regulation, or order under the Act, the court shall grant a permanent or temporary injunction or decree or restraining order without bond.

(C) Upon application of the Commission, the United States District Court for the district in which the person resides or conducts business, or in which the violation occurred, shall have jurisdiction to issue an order directing that person to comply with the provisions of this Act or a rule, regulation, or order of the Commission under it, and to effect other just and reasonable relief.

(D) The Commission may employ attorneys necessary for:

(I) The conduct of its work;

(II) Representation of the public interest in Commission investigations, cases or proceedings on the Commission's own initiative or upon complaint; or

(III) Representation of the Commission in any court case.

(E) The expenses of employing an attorney shall be paid out of the funds of the Commission, unless otherwise directed by the court.

(F) (I) A person who knowingly and willfully violates a provision of this Act, or a rule, regulation, requirement, or order issued under it, or a term or condition of a certificate shall be subject to a civil forfeiture of not more than \$1,000 for the first violation and not more than \$5,000 for any subsequent violation.

(II) Each day of the violation shall constitute a separate violation.

(III) Civil forfeitures shall be paid to the Commission with interest as assessed by the court.

(IV) The Commission shall pay to each signatory a share of the civil forfeitures and interest equal to the proportional share of the Commission's expenses borne by each signatory in the fiscal year during which the civil forfeiture is collected by the Commission.

Article XIV.

Expenses of Investigations and Other Proceedings.

1. (A) A carrier shall bear all expenses of an investigation or other proceeding conducted by the Commission concerning the carrier, and all litigation expenses, including appeals, arising from an investigation or other proceeding.

(B) When the Commission initiates an investigation or other proceeding, the Commission may require the carrier to pay to the Commission a sum estimated to cover the expenses that will be incurred under this section.

(C) Money paid by the carrier shall be deposited in the name and to the credit of the Commission, in any bank or other depository located in the Metropolitan District designated

by the Commission, and the Commission may disburse that money to defray expenses of the investigation, proceeding, or litigation in question.

(D) The Commission shall return to the carrier any unexpended balance remaining after payment of expenses.

Applicability of Other Laws.

2. (A) The applicability of each law, rule, regulation, or order of a signatory relating to transportation subject to this Act shall be suspended on the effective date of this Act.

(B) The provisions of subsection (A) of this section do not apply to a law of a signatory relating to inspection of equipment and facilities.

(C) During the existence of the Compact, the jurisdiction of the Interstate Commerce Commission is suspended to the extent it is in conflict with the provisions of this Act.

Existing Rules, Regulations, Orders, and Decisions.

3. All Commission rules, regulations, orders, or decisions that are in force on the effective date of this Act shall remain in effect and be enforceable under this Act, unless otherwise provided by the Commission.

Pending Actions or Proceedings.

4. A suit, action, or other judicial proceeding commenced prior to the effective date of this Act by or against the Commission is not affected by the enactment of this Act and shall be prosecuted and determined under the law applicable at the time the proceeding was commenced.

Annual Report of the Commission.

5. The Commission shall make an annual report for each fiscal year ending June 30, to the Governor of Virginia and the Governor of Maryland, and to the Mayor of the District of Columbia as soon as practicable after June 30, but no later than the first day of January of each year, which may contain, in addition to a report of the work performed under this Act, other information and recommendations concerning passenger transportation within the Metropolitan District as the Commission considers advisable.

## **Chapter 433 Higher Educational Institutions Bond Act of 2007; created.**

An Act to authorize the issuance of bonds, in an amount up to \$103,550,000 plus financing costs, pursuant to Article X, Section 9(c) of the Constitution of Virginia, for paying costs of acquiring, constructing and equipping revenue-producing capital projects at institutions of higher learning of the Commonwealth; to authorize the Treasury Board, by and with the consent of the Governor, to fix the details of such bonds, to provide for the sale
