

LCOH MYCHART PAYMENTS DURING ECHECK-IN

Patients can now pay their copay or an outstanding balance during eCheck-in

To give patients more control over when they pay for their video visit, the Payment step is now optional during eCheck-in. All steps during eCheck-in for video visits are required except for the Payment step which can be bypassed if patients want to pay copays and outstanding balances later.

ECHECK-IN FOR AN UPCOMING VIDEO VISIT

Visit Instructions

Video visits can occur on a smart phones, tablets or computers with a working camera and internet connection using your My UC Health account. If you have documents that are required to be signed related to financials, treatment consent, release of information, or HIPAA, you will be prompted to sign these through your My UC Health account in eCheck-In prior to your video visit.

- We ask that you please view the steps outlined in our [patient video](#) or [step-by-step guide](#). This includes complete information and instructions on how you attend your video visit. Please view this information at least 24 hours before your scheduled video visit. [Learn more](#). For technical issues please call the My UC Health help desk at 513-585-5353.
- Video visits are available on the MyChart app on a smart phone or tablet with a working camera and internet connection. Download the MyChart app to access your My UC Health account.
- If you do not wish to use the MyChart app, video visits are available through compatible web browsers on a smart phone, tablet or computer with a working camera and internet connection. Compatible third-party web browsers are: Google Chrome, Apple Safari, Microsoft Edge and Mozilla Firefox.
- 24 hours before your scheduled video visit appointment log into your My UC Health/MyChart account to complete eCheck-In.
