How to Form a Unit

The American Legion Post must vote in favor of organizing an Auxiliary Unit. After the Post votes to organize the Unit, the Post Commander or Adjutant notifies the Department President or the Department Secretary. The Department Secretary will send a New Unit Kit that includes information needed to form the Unit to the Post officer. She will notify the Department Representative (District/County President or Unit Development & Revitalization Committee member) so she can work with the Post in organizing the Unit.

When the time and place of the informational and organizational meetings have been determined, a letter under the signature of the Commander and Adjutant should be mailed to all Post members, and a letter to Auxiliary members in the community who belong to the Department Headquarters Unit. Each letter should include the purpose, date, time and place of the two meetings and extend an invitation to become a charter member of the new Unit. (See appendix for sample letters). The Post is encouraged to publicize the meetings in the local media.

The Post Commander and Adjutant should attend these meetings to assist with the organization of the Unit. Other Post members are welcome to attend. The Commander and Adjutant must sign the charter application. The Adjutant, or other Post officer, needs to sign the membership applications to verify proper eligibility.

The Department Auxiliary representative (District/County President or Unit Development and revitalization Committee member) should chair this meeting. The following should be discussed:

Along with the charter, the Unit will receive a copy of the charter application bearing the endorsement of National and Department officers, form SS-4, instructions for form SS-4, and tax information for units.

(SAMPLE LETTER TO LEGIONNAIRE CONCERNING FORMING A NEW UNIT)

Date

Dear Legionnaire,

Time and again it has been demonstrated that the most successful Posts are the ones who work cooperatively with their Auxiliary Units. Our Post is very interested in forming an Auxiliary Unit as we realize the positive effect a Unit can have on a Post. We hope to build a family organization of Legion and Auxiliary members volunteering together to enable us to do more for our veterans, our youth and the community.

Do you have family, relatives, friends and even co-workers who enjoy volunteering? Would they enjoy helping the Auxiliary in the betterment of our veterans, youth and our community? Are they eligible for membership in the American Legion Auxiliary? If so, will you please share this information in this letter with them?

People eligible for membership are the spouse, daughter, mother, granddaughter, sister and grandmother of a Legionnaire or a deceased veteran having served during the eligibility dates. Women who of their own right are eligible for membership in The American Legion are eligible to join the American Legion Auxiliary.

There will be an informal meeting of interested individuals and Post members on (insert **date**) at (insert **location**) at (insert **time**).

Auxiliary representatives from the District/county will be present at this meeting to provide information on programs and activities, dues, possible meeting date, officers etc. They will also be there to answer any questions you may have.

Having a strong Unit to work closely with our Post will strengthen our commitment to this community.

Post Commander

Post Adjutant

It is recommended this letter be written on Post stationery.
