28. Comments

Merrimac Neighborhood Park features top-notch and accessible tennis courts, an accessible basketball court, a playground and a multi-use field. M-NCPPC acquired this 10-acre park in 1971. This project will renovate the aging playground facility and provide new equipment and safety surfacing, along with accessibility, SWM, and drainage improvements.

Our current budget does not allow us to make comprehensive renovations such as these as quickly as they are needed, and this renovation project would greatly enhance the value of this park to the community it serves. With financial assistance from the State, this vital community park will receive the upgraded renovations it deserves.
