Shared care: For two recipients sharing services, payment is one and one-half times the payment for serving one recipient. For three recipients sharing services, payment must not exceed two times the payment for serving one recipient. This paragraph applies only to situations in which all recipients were present and received shared services on the date for which the service is billed.

PCA Choice option: Payment is the same as that paid for personal care assistant services.

Enhanced payment for services provided to persons with complex needs: Effective for services provided on or after July 1, 2019, the Department will increase the payment rates above by 7.5 percent for personal care assistant services provided to a recipient whose assessment indicates the need for at least 12 hours of personal care services per day. Effective for services provided on or after January 1, 2022, this enhanced payment applies to rates for personal care assistant services provided to a recipient whose assessment indicates the need for at least 10 hours of personal care services per day.

In order for providers to receive the increased payment rate, the personal care assistant providing services must have completed training approved by the Commissioner. This increase does not apply to supervision of a personal care assistant.
