A. The City of North Bend (hereafter "North Bend") is a municipal corporation organized under the laws of the State of Washington.

B. The City of Issaquah (hereafter "Issaquah") is a municipal corporation organized under the laws of the State of Washington.

C. North Bend desires to have public defender and conflict public defender services performed by Issaquah as set forth in the Agreement below.

D. The Interlocal Cooperation Act, Chapter 39.34 RCW, authorizes municipal corporations to contract with one another to perform any act that each is independently authorized to perform.

E. The parties enter this Agreement in consideration of the mutual covenants and promises set forth in this Agreement, the mutual benefits to be derived by each, and in the exercise of authority granted by the Interlocal Cooperation Act, Chapter 39.34 RCW.

AGREEMENT

1. Purpose of Agreement. The purpose of this Agreement is to contract for the provision of certain public defender and conflict public defender services by Issaquah to North Bend, through the use of contracted public defenders, to the maximum extent permitted by law, for the defense of North Bend's indigent clients; to set forth fees to be paid by North Bend for such services; and to specify the responsibilities of Issaquah and North Bend respectively for such public defender and conflict public defender services.

2. Public Defender and Conflict Public Defender Services Provided By Issaquah. The public defender and conflict public defender contracted by Issaquah to perform said services for North Bend shall provide indigent defense services in accordance with the standards adopted by North Bend, as the same exists or is hereafter amended.

3. Compensation and Other Costs. North Bend shall pay Issaquah a fee of three hundred dollars (\$300.00) per new case and five hundred dollars (\$500.00) per new appeal for public defender services. In addition, North Bend shall pay Issaquah a fee of three hundred dollars (\$300.00) per new case for conflict public defender services. A "case" is defined as the filing of a document with the court naming a person as the defendant or respondent. All charges relating to a common incident shall be

considered a single case. These fees shall be paid regardless of whether the cases are later dismissed without a full adjudication. The parties anticipate assignment of from 220 to 270 cases annually.

3.1 Payments in Addition to the Base Compensation. North Bend shall pay for the following case expenses when reasonably incurred and approved by the Municipal Court from funds available for that purpose:

- i. **Discovery.** Discovery shall be provided in accordance with law and court rule by the City Prosecutor. For post-conviction relief cases, discovery includes the cost to obtain a copy of the defense, prosecuting attorney making this charge or court files pertaining to the underlying case.
- ii. **Preauthorized Non-Routine Expenses.** Non-routine case expenses requested by the Public Defender and preauthorized by order of the Municipal Court. Unless the services are performed by the Public Defender's staff, non-routine expenses include, but are not limited to:
 - a. Medical and psychiatric evaluations;
 - b. Expert witness fees and expenses;
 - c. Interpreters for languages not commonly spoken in the City or interpreters for services other than attorney/client communication;
 - d. Polygraph, forensic and other scientific tests;
 - e. Computerized legal research;
 - f. Investigation expenses; and
 - g. Any other non-routine expenses the Municipal Court finds necessary and proper for the investigation, preparation, and presentation of a case. In the event that a particular non-routine expense is not authorized by Court Rule, the Public Defender may file a request for authorization with North Bend. Such requests shall not be unreasonably refused.
- iii. **Lay Witness Fees.** Lay witness fees and mileage incurred in bringing defense witnesses to court to the extent required by

law, but not including salary or expenses of law enforcement officers required to accompany incarcerated witnesses;

- iv. Copying Direct Appeal Transcripts for RALJ Appeals. The cost of preparing the appellate transcript as well as the cost, if it exceeds \$25, of making copies of direct appeal transcripts for representation in post-conviction relief cases. Attorney is limited to no more than two copies;
- v. Records. Medical, mental health, school, birth, DMV, and other similar records, and 911 and emergency communication recordings and logs, when the cost of an individual item does not exceed \$75; and
- vi. Process Service. The cost for the service of a subpoena as long as the rate per location does not exceed the guideline amount as shown in the payment policy.

4. Payment of Compensation. Issaquah shall bill North Bend monthly for amounts due under this Agreement. North Bend shall pay the amount due within 45 days of receipt. However, if North Bend has a good faith dispute with the amount of the invoice, North Bend shall pay the non-disputed amount within the time frame set forth in this section.

5. Adjustment of Filing Fees. Filing fees payable hereunder shall be subject to adjustment as follows:

5.1 Adjustment for Additional Duties. In the event that Issaquah's duties under this Agreement are enlarged or increased due to local, state, or federal mandates, or new requirements from North Bend including a significant unanticipated increase in the number of cases assigned, or an increase in rates by the contracted public defenders, Issaquah may increase the filing fees or add a supplemental monthly fee to North Bend to cover the costs to North Bend for the change. Issaquah shall notify North Bend of the effective date of the fee changes, which may be immediately. A "significant unanticipated increase" is an increase of ten percent (10%) in case filings over the maximum anticipated number of annual case filings referenced in Section 3. If the case filings from North Bend increase by ten percent (10%) for any calendar quarter, the parties will meet and confer regarding the reasons for the increase. If the rate of unanticipated filings continues, Issaquah may proceed with the notification provided above. Either party may request mediation as to the amount of this fee change. North Bend shall timely pay the new fees from their effective date even if mediation is requested. Any such adjustments shall not be retroactive.

5.2 Termination. In the event of a rate adjustment under subparagraph 5.1, North Bend, at its option, may terminate this agreement upon provision of thirty (30) days written notice. North Bend shall remain obligated to pay for all costs or other charges incurred with respect to cases assigned prior to the termination date. In the event of early termination of this Agreement, the parties will work cooperatively to ensure the orderly transition of cases from the contracted prosecutor to the new prosecutor.

6. Factors Considered. In entering into this Agreement for public defender and conflict public defender services, North Bend and Issaquah have considered, pursuant to RCW 39.34.180, the anticipated costs of services, anticipated and potential revenues to fund the services, and fee recoupment.

7. North Bend Ordinances, Rules, and Regulations. In executing this Agreement, Issaquah does not assume liability or responsibility for or in any way release North Bend from any liability or responsibility which arises in whole or in part from the existence or effect of North Bend ordinances, rules, or regulations, policies or procedures. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any North Bend ordinance, rule, or regulation is at issue, North Bend shall defend the same at its sole expense and if judgment is entered or damages are awarded against North Bend, Issaquah, or both, North Bend shall satisfy the same, including all chargeable costs and attorneys' fees.

8. Indemnity. The parties shall each indemnify the other as follows:

8.1 Issaquah Indemnity. Issaquah shall protect, indemnify, and save harmless North Bend, its officers, elected officials, agents, volunteers, and employees from any and all costs, claims, judgments, or awards of damages (including costs and all attorney fees), arising out of or in any way resulting from the negligent acts, errors or omissions of Issaquah, its officers, employees, and agents in performing this Agreement.

8.2 North Bend Indemnity. North Bend shall protect, defend, indemnify, and save harmless Issaquah, its officers, employees, and agents from any and all costs, claims, judgments, or awards of damages, arising out of or in any way resulting from the negligent acts, errors, or omissions of North Bend, its officers, employees, or agents in performing this Agreement.

8.3 Survival of Indemnities. The provisions of this Section shall survive the expiration or termination of this Agreement. No obligation shall exist to indemnify for injuries caused by or resulting from events occurring after the last day of public defender and conflict public defender services under this Agreement.

9. Actions Contesting Agreement. Each party shall appear and defend any action or legal proceeding brought to determine or contest: (i) the validity of this Agreement and/or (ii) the legal authority of North Bend and/or Issaquah to undertake the activities contemplated by this Agreement. If both parties to this Agreement are not named as parties to the action, the party named shall give the other party prompt notice of the action and such party shall move to intervene. Each party shall bear any costs and expenses taxed by the court against it separately, provided any costs and expenses assessed by a court against both parties jointly shall be shared equally.

10. Financing. There shall be no financing of any joint or cooperative undertaking pursuant to this Agreement. There shall be no budget maintained for any joint or cooperative undertaking pursuant to this Agreement.

11. Property. This Agreement does not provide for the acquisition, holding, or disposal of real or personal property.

12. Joint Administrative Board. No separate legal or administrative entity is created by this Agreement. 13. Dispute Resolution. It is the parties' intent to resolve any disputes relating to the interpretation or application of this Agreement informally through discussions at staff level. If a dispute arises from or relates to this Agreement or the breach thereof and if the dispute cannot be resolved through direct discussions, the parties agree to endeavor first to settle the dispute in an amicable manner by mediation administered by a mediator under the American Arbitration Association's Rules before resorting to arbitration. The mediator may be selected by agreement of the parties or through the American Arbitration Association. Following mediation, any unresolved controversy or claim arising from or relating to this Agreement or breach thereof shall be settled through binding arbitration which shall be conducted under the American Arbitration Association's Arbitration Rules. The arbitrator may be selected by agreement of the parties or through the American Arbitration Association. All fees and expenses for mediation or arbitration shall be borne by the parties equally. However, each party shall bear the expense of its own counsel, experts, witnesses, and preparation and presentation of evidence.
