**AN ORDINANCE** concerning annexation; annexing two parcels of property located at 2210 S. 38<sup>th</sup> Ave, Yakima WA, to the City of Yakima by means of the municipal purpose annexation process; maintaining the current Light Industrial (M-1) and Suburban Residential (SR) zoning of the area; adopting zoning regulations for the annexation area; and establishing an effective date of October 18, 2015.

**WHEREAS**, Cleat City LLC, and Darlene Bohannon are the owners of real property consisting of approximately 118.71 acres (Parcel Numbers: 18133434001 & 18133433001) legally described in Exhibit A, which is immediately adjacent to and southeast of the existing City limits located at the intersection of S. 38<sup>th</sup> Ave., and the easterly extension of Occidental Rd.; and

**WHEREAS**, it is the intent of the property owners, and City of Yakima that this property, as described in Exhibit A, will be used for municipal purposes for the establishment of a park; and

**WHEREAS**, the above stated property owners have given their written consent for the annexation by signing City of Yakima Petition No. 15.02; and

**WHEREAS**, the Revised Code of Washington provides for the annexation of territory outside of its limits for any municipal purpose, by majority vote of the Council if the territory is owned by the City, or all of the owners of the real property in the territory give their written consent to the annexation (RCW 35.13.180); and

**WHEREAS**, the property described in Exhibit A to be annexed is within the City of Yakima's Urban Growth Area as established by Yakima County and included in the Comprehensive Plan of the City of Yakima; and

**WHEREAS**, the City of Yakima's Comprehensive Plan, adopted in December 12, 2006, established a land use map designation for this property as Industrial and Low Density Residential, along with pertinent goals and policies, to guide the development of the annexation area over the next twenty years; and

**WHEREAS**, the Light Industrial (M-1) and Suburban Residential (SR) zoning districts of the property described in Exhibit A are consistent with the City of Yakima's Comprehensive Land Use Plan designations as Industrial and Low Density Residential, which zoning is shown on the map attached hereto as Exhibit "C"; and

**WHEREAS**, although review of property being annexed for municipal purposes which is contiguous to a city is not necessarily subject to review by the Boundary Review Board pursuant to RCW 35.13.180, 35.22.570, 35.22.195 and RCW 36.93.090, the City of Yakima did not forgo the Boundary Review Board process and submitted a Washington State Boundary Review Board for Yakima County Notice of Intention to Commence Annexation application on July 16, 2015 (Yakima County File Number: BRB 2015-00003; City of Yakima Municipal Purpose Soccer Park Annexation); and

**WHEREAS**, On August 31, 2015, the 45-day Boundary Review Board review period for the Municipal Purpose Annexation lapsed; and

**WHEREAS**, RCW 35.13.280 requires the City to grant Yakima Waste Systems, Inc., as the current WUTC-authorized provider of garbage and refuse collection and disposal service within the annexation area, a franchise to continue such service to residential properties within the annexation area for a term of not less than seven years after annexation becomes effective. because the City does not provide or contract for such service. The City understands that collection and disposal services to all commercial accounts within the City is now subject to and shall remain under the authority of the WUTC and that, pursuant to state law, Yakima Waste Systems, Inc., shall, under its WUTC authority, continue to provide garbage and refuse collection and disposal services to all commercial accounts within the City, including such accounts in the annexation area; and

**WHEREAS**, RCW 35.13.280 requires the City to provide specific notice to the WUTC regarding the City's intent, pursuant to RCW 81.77.020, and subject to the provisions of RCW 35.13.280, to provide residential refuse collection and disposal service to the annexation area; and

**WHEREAS**, pursuant to due and legal notice, the City Council held a public hearing on said annexation on September 15, 2015, and, as a result thereof, finds:

1. The annexation area described in Exhibit A should be annexed to the City of Yakima.
2. The subject property should retain its current zoning pursuant to the Yakima Urban Area Zoning Map and that such zoning and classification is in accord with the Yakima Urban Area Comprehensive Plan, the General Plan of the City of Yakima.
3. If applicable, the owners of the real property within the annexation area should be required to assume existing indebtedness of the City of Yakima.
4. The needs of the City and community do require the hereinafter set forth zoning classification, and the highest and best use for said property is as hereinafter determined.
