4. These members have been working for over a year analyzing data, considering public comment and using their collective knowledge of their community to create a districting plan that is in the best interest of the entire city, And;
5. On October 19, 2020 the commission adopted a Districting Plan known as Map A-9 (majority vote) to be brought forward to council for final approval on October 28, 2020;
6. During the 2021 election cycle, the community will vote for Council Members that reside in their district for the first time in Everett history;
