

FINAL BILL STATUS REPORT
SIXTIETH LEGISLATIVE ASSEMBLY

WEDNESDAY, JANUARY 3, 2007
THROUGH
WEDNESDAY, APRIL 25, 2007

LEGISLATIVE COUNCIL
STATE CAPITOL
BISMARCK, NORTH DAKOTA 58505

PREFACE

This is the final version of the computerized Bill Status and Subject Index used during the 2007 Legislative Assembly.

The 60th Legislative Assembly met in regular session from Wednesday, January 3, 2007, through Wednesday, April 25, 2007.

This book is not a substitute for the House and Senate journals and should not be considered a legal or official source for legislative action. It is simply an aid in discovering legislative action on bills and resolutions. The information in this report describes measures at various stages of the legislative process. The titles of bills in the Action Report are of measures as voted on in the house of origin. The Century Code Sections Affected Report identifies sections as introduced. The Subject Index entries refer to the measures as introduced.

There were 1,048 bills and resolutions introduced in the 2007 Legislative Assembly and 654 passed. Out of the total 1,048 bills and resolutions, there were 941 bills, 105 concurrent resolutions, and two memorial resolutions.

There were 941 bills introduced in the 2007 Legislative Assembly, 522 in the House and 419 in the Senate. Of these, 575 bills passed: 311 House bills and 264 Senate bills. Seventeen of the 941 introduced bills were withdrawn before being voted upon. Forty-four of the House concurrent resolutions and 33 of the Senate concurrent resolutions passed both houses. Both memorial resolutions (one House and one Senate) passed.

Of the 575 bills presented for his consideration, the Governor signed 573 bills into law. He vetoed two bills. One was an item veto that did not affect the entire bill. Thus, 574 of the 575 bills will, or have, become law.

The "HJ" and "SJ" references in this report are to the pages in the House and Senate journals where a particular action can be found.
