

New Leaf Paper Printing & Publishing Products

We are excited to offer a complete line of coated and uncoated print and publishing papers. With inkjet, offset, and cover stocks available in a range of basis weights and recycled content, you can find the perfect paper to meet your needs AND your budget.

New Leaf Paper embeds our social and environmental values into every product line and relationship. For every order placed for our printing and publishing products, New Leaf Paper will donate a tree through **One Tree Planted**, our national partner.
