## Postmaster General Congressional Letter Outlining Next Steps in Network Transformation

To further clarify the implementation plans of the Postal Service Mail Processing Facility Reviews, and continued activity on Regional Processing and Distribution Centers, Sorting and Delivery Centers, and Local Processing Centers, Postmaster General Louis DeJoy transmitted a letter yesterday addressed to Senator Gary Peters, Chairman, Homeland Security and Governmental Affairs Committee. The letter outlines the paused implementation status of the Mail Processing Facility Reviews, as well as the ongoing 2024 activities that will continue to advance and are part of the nearly \$15.3 billion in committed self-funded investments. The letter can be found here: <https://about.usps.com/newsroom/global/pdf/0520-pmg-dejoy-to-chairman-peters.pdf>.
