Free Access to Chronicle Diabetes

Chronicle is designed to meet the requirements of the Health Insurance Portability and Accountability Act (HIPAA) and satisfies all of the ADA requirements for documenting participant information. Learn more at diabetes.org/chronicle

If you are planning to apply for Recognition or are in the process of applying, you can still use Chronicle at no cost. Please contact ERP@diabetes.org for more information.

Chronicle Provides the Ability to:

- Document and track the complete A-J participant DSMES cycle
- Track educator hours and patient statistics
- Generate Letters to patients and providers
- Generate reports for the purpose of advertising program outcomes and use for QI projects
- Import data required for ERP Applications and Annual Status Reports

Referrals from local ADA offices, ADA Center for Information National Call Center and through the diabetes.org website

diabetes.org/findaprogram

Find a diabetes education program near you

Regardless of where you are in your journey with diabetes, we are here to help. Find educators near you that can help to manage your diabetes.

Center for Information

Representatives at the Center for Information (1-800-DIABETES) are your personal guides to information on diabetes, as well as American Diabetes Association programs and events. Over the last year, more than 150,000 people contacted us with questions and concerns, or to seek support or direction regarding diabetes and its management.

Additional Benefits of ADA Education Recognition

- Traditional Programs may add unlimited number of expansion sites with no additional fee
- Free DSME and MNT Reimbursement Guide
- Recognition Application processed in under 30 business days
- Ability to speak with an ERP Staff member Monday through Friday between the hours of 8:30AM to 5:00PM EST.
- Access to editable and customizable 10th Edition NSDMES Standard templates from the ERP website and the Quality Coordinator Guide. Upon request from only programs applying or already recognized.
