TEXAS A&M UNIVERSITY COMMENCEMENT

Program

College of Engineering

Thursday, March 11, 2021, 5 p.m.
Kyle Field

Procession of Stage Party

The National Anthem

Invocation

Introductions and Special Remarks

Roll Call of Graduates

Faculty Marshals

Mace Bearer

Dr. Blanca Lupiani, Associate Provost and Dean of Faculties

Stage Party

Ms. Venesa A. Heidick, Registrar

Mr. Chris Reed, Executive Director of Admissions

Announcers

Ms. Nora Cargo, Director, Scholarships & Financial Aid

Mr. Mike Fitch, Transcript Analyst, Office of Admissions

Mr. Steve Fullhart, Manager, Brazos Valley Economic Development Corporation

Judge Rick Hill, Brazos County Justice of the Peace Precinct 3

*The Texas A&M University System
Board of Regents*

- Ms. Elaine Mendoza, Chairman San Antonio
- Mr. Tim Leach, Vice Chairman Midland
- Mr. Phil Adams Bryan/College Station
- Mr. Robert L. Albritton Fort Worth
- Mr. Jay C. Graham Houston
- Mr. Michael A. "Mike" Hernandez III Fort Worth
- Mr. Bill Mahomes, Jr. Dallas
- Mr. Michael J. Plank Houston
- Mr. Cliff Thomas Victoria
- Mr. Cahlen Cheatham (Student Regent) Stephenville

Chancellor

Mr. John Sharp Placedo

Texas A&M University Administrative Officers

- President (interim) Dr. John L. Junkins
- Provost and Executive Vice President (interim) Dr. Mark H. Weichold
- Dean, College of Agriculture and Life Sciences Dr. Patrick J. Stover
- Dean, College of Architecture Dr. Jorge A. Vanegas
- Dean, Mays Business School (acting) Dr. Duane Ireland
- Dean, College of Dentistry Dr. Lawrence E. Wolinsky
- Dean, College of Education and Human Development Dr. Joyce M. Alexander
- Dean, College of Engineering Dr. M. Katherine Banks
- Dean, College of Geosciences Dr. Debbie Thomas

Dean, Bush School of Government and
Public Service General Mark A. Welsh III (Ret.)
Dean, School of Law Mr. Robert B. Ahdieh
Dean, College of Liberal Arts Dr. Pamela R. Matthews
Dean, College of Medicine Dr. Amy L. Waer
Dean, College of Nursing Dr. Nancy L. Fahrenwald
Dean, Irma Lerma Rangel College of Pharmacy Dr. Indra K. Reddy
Dean, School of Public Health Dr. Shawn G. Gibbs
Dean, College of Science Dr. Valen E. Johnson
Dean, College of Veterinary Medicine and
Biomedical Sciences Dr. John R. August
Dean, Texas A&M University Libraries Mr. David H. Carlson
Dean and Chief Operating Officer,
Texas A&M University at Qatar Dr. César O. Malavé
Executive Vice President for Finance and
Operations and Chief Financial Officer Dr. Jerry R. Strawser
Senior Vice President, Texas A&M University
Health Science Center Mr. Gregory W. Hartman
Senior Vice President and Chief Marketing and
Communications Officer Ms. Amy B. Smith
Vice Provost for Faculty Affairs and
Interdisciplinary Initiatives (interim) Dr. Patrick Louchouart
Vice Provost for Academic Affairs and
Strategic Initiatives. Dr. Michael T. Stephenson
Vice President and
Associate Provost for Diversity (interim) Dr. Annie S. McGowan
Vice President for Brand Development Mr. Shane Hinkley
Vice President for Economic Development and
Dean, School of Innovation. Dr. Andrew P. Morriss
Vice President for Enrollment and
Academic Services Mr. Joseph P. Pettibon II
Vice President for Government Relations Mr. Michael G. O'Quinn
Vice President for Human Resources and
Organizational Effectiveness Dr. Jeffrey A. Risinger
Vice President for Information Technology and
Chief Information Officer Ms. M. Dee Childs
Vice President for Research Dr. Mark A. Barteau
Vice President for Student Affairs Dr. Daniel J. Pugh, Sr.
Vice President and Chief Operating Officer,
Texas A&M University at Galveston. Colonel Michael E. Fossum (Ret.)
Chief Compliance Officer Mr. Kevin P. McGinnis
Commandant of the
Corps of Cadets Brigadier General Joe E. Ramirez, Jr. (Ret.)
Associate Provost and Dean of Faculties Dr. Blanca Lupiani
Associate Provost and Dean of Graduate and
Professional School Dr. Karen L. Butler-Purry
Associate Provost for Undergraduate Studies. Dr. Ann L. Kenimer
Associate Provost for Academic Affairs
and Student Success. Dr. Timothy P. Scott

☪

Candidates for Master's and Baccalaureate Degrees

College of Engineering

Presented by Dr. M. Katherine Banks, Dean

Master of Engineering

Engineering

Joshua Todd Hein

Ze Liu

Graham Reagan Maxwell

Syed Dawood Shah

Macalah Lynn Thomas

Karan Tiwari

Yunjia Wang

Systems Engineering

Muhammad Ihtesham Adil

Dakshinya Deepak Nadiminti

Master of Science

Energy

Andrea Patricia Ayala

Mateo Jose Bahamonde

Berrezueta

Mary Catherine Cordes

Steffen Gilmer

Ashlyn Michelle Hieber

Mohammad Nahidul Karim

Naseem S. Masoud

Blair Beck McCall

Sarah Jessica Michaels

Interdisciplinary Engineering

Adithyaa Karthikeyan

Zhuo Zhang

Bachelor of Science

Architectural Engineering

Cole Daren Farmer

Interdisciplinary Engineering

Miqdaad Bhuriwala

Libby Xianna Fears

Trevin James Grams

Daniel Wallace Hartman

Connor Ramsey Thomas

Department of Aerospace Engineering

Master of Engineering

Aerospace Engineering

Mark Vincent Baldauf	Sai Shailesh Pammi
Varishth Torul Baluckram	Eduardo Perez
Blaze A. Belobrajdic	Jason R. Redfern
Priyankar Garai	Keval Sheetalkumar Shah
Kyle Douglas Hollen	Farhan Shakil Ahmed Siddiqui
Rylan Michael Hunter	Sualeh Khurshid
Jianyi Liu	Ismael G. Vilchis
Samuel Alexander McConnell III	

Master of Science

Aerospace Engineering

Allen Miller Davis	Madalyn Kate Mikkelsen
Daniel Wallace Hartman	Caleb Hamilton Peck
Alexandra Julianna Heinimann	Michael Daniel Polewski
Daniel Thomas Heston	Farid Saemi
Heather Emily Kostak	Hannah Rose Stroud
Andrew Leaton	Daniel Varnum-Lowry
Edward James Leber	Gregory Samuel Wilson
Michayal Thomas Mathew	

Bachelor of Science

Aerospace Engineering

Hunter Austin Adams	Keaton Craig Dodd
Jacob Kyle Adams	Connor Davis Doyel
Hamza Akber	Colton Alexander Duncan
Kathryn Jeanette Alvarenga	River Ryan Dwight
Raphael A. Banoub	Grant Earl Erickson
Mitchell Keith Bascom	Jacob Emory Evans
Nikita K. Beebe	John Peter Fitzsimons, Jr.
Tyler James Bittner	Patrick Grey Gilbert
Austin James Bradshaw	Armando Antonio
MaKenzie LaVelle Breeze	Gonzalez-Feuchter, Jr.
Tanner Nicholas Burns	Benjamin J. Gorr
Michael Cao	Jamie Amanda Griffin
Aaron Angelo Capetillo	Cristian Tomas Gutierrez
Lorenzo Casero	Stephen Paul Halbert
William Spector Cates	Troy Christopher Hankins
Mahendar R. Chellaram	Morgan Lyn Harmon
Jacob Haynes Collins	James-Cameron Markell Harris
Matthew Michael Collins	Joshua Preston Havard
Charles Stewart Conrad	Siri Emma Hill
Sebastian Jeremy Cook	Aron Jang
Aaron Sterling Daniel	Kaki Jafar Kaki
Arunava Das	Jackson Parker Kassing

Nathaniel Mark Kaufman
 Zachary Ashton Kellas
 Imran Khan
 Christopher James Kinnally
 Jared Daniel Kizer
 Peter Nicholas Kline
 Frisco Reese Koelling
 Katherine Sarai Lainez
 Brandon Merl Lansdell
 Hannah Claire Lehman
 Carter Keith Long
 Kevin Paul Maddox, Jr.
 John Hugo Malanga, Jr.
 Luis Ernesto Martinez
 Takeshi Matsuyuki
 Joshua Ryan McElrath
 Michael Thomas McGrath
 James Connor McLean
 Garrett Austin Meeks
 Diego Morales
 Krista Lynn Mullen
 Samuel Thomas Murley
 Theunis Moolman Myburg
 Victoria Marie Nagorski
 Kush Rajiv Naik
 Anton Abram Oelmann
 Christian James Orozco

Paul Alan Parkinson
 Jay Mahesh Patel
 Holly Paige Patterson
 Nicholas Todd Phillips
 Gabriel Mariz Pirmez
 Jennifer Michele Pless
 Zachary Morgan Powell
 Ramsay Allen Ramsey, Jr.
 Nicholas Sean Reynolds
 Julian M. Robles
 Oluwatobiloba Ayomide
 Sam-Olowu
 Zachary John Schermerhorn
 Jacob Adam Schrass
 Jillian Virginia Sears
 Benjamin Cade Simpson
 Wade Martin Smonko
 Daniel Phillip Springer
 Braden Clint Tate
 Matthew Luigi Ternullo
 Jacobo Alexander Villegas
 Tate McKnight Walker
 Joel D. White
 Chase Brantley Wiley
 David Dailin Wu
 David Walter Yorn
 Shamer Zahir

Department of Biological and Agricultural Engineering

Master of Engineering

Biological and Agricultural Engineering

Daniel William Enyard
 Zikun Guo

Thaddeus Jon Nadelson

Master of Science

Biological and Agricultural Engineering

Uriel Cholula Rivera
 Catelyn Evans
 Achla Om Prakash Jha

Mark David Waters, Jr.
 Tianyan Zheng

Bachelor of Science

Biological and Agricultural Engineering

Ariana Haydee Arredondo
 Tatiana Anabelle Baig
 Claire Alexandra Barber
 Paul Caleb Byorth
 Ana Lida Chen Reyes

Kalin Christopher Clark
 Claire M. Coon

Honors Fellows

Students graduating with Honors Fellows must have completed at least 30 hours of Honors course credit, including 9 hours in the University Core Curriculum and 12 hours in 300-400 level courses. Additionally, all Honors Fellows have completed a capstone project. Honors Fellows are required to remain active with the Honors Student Council and make an annual update to their ePortfolios. Students must maintain at least a 3.5 cumulative Grade Point Average with at least a 3.25 Grade Point Average in Honors coursework.

Latin Honors

Students graduating with Latin honors distinctions have enrolled in and successfully completed a minimum of 60 undergraduate semester hours required for the baccalaureate degree. The category of Latin honors attained is determined by grade point average of all college hours attempted, excluding transfer hours. The categories are as follows:

Cum Laude: A student may be graduated *Cum Laude* with a Grade Point Average of 3.50 to 3.699.

Magna Cum Laude: A student may be graduated *Magna Cum Laude* with a Grade Point Average of 3.70 to 3.899.

Summa Cum Laude: A student may be graduated *Summa Cum Laude* with a Grade Point Average of 3.90 or above.

Honors Stoles

Texas A&M undergraduates who complete the requirements for any of the distinctions listed above or for college- and departmental-level honors programs are awarded a gold satin stole to wear with their commencement robes. The university presents the stoles to honors graduates in recognition of their accomplishments.

Undergraduate Research Scholars

The Undergraduate Research Scholars program provides motivated undergraduates the opportunity to engage in quality, in-depth research experiences. Over two semesters Scholars work with faculty mentors to produce a formal undergraduate research thesis and a public presentation of their research results.

Academic Regalia

Academic institutions throughout the world have created a wide variety of customs including distinctive dress, color and ceremony to indicate the accomplishments of scholars. English traditions originating at Oxford and Cambridge led to the development of American academic regalia. By the twentieth century, institutions of higher learning in the United States had adopted a well-defined code of academic costume, which now includes the identification of the different academic degrees by distinctive gowns, hoods and colors. For instance, the baccalaureate gown is worn closed and is identified by long, pleated front panels and long, pointed sleeves. The master's gown has very long sleeves, closed at the bottom, and the arms of the wearer are placed through an opening in the front of the sleeves. Doctoral gowns are distinguished by velvet panels around the neck and down the front of the gown. Three horizontal black velvet bars also mark the doctorate. In America, the hood is the most colorful feature of academic regalia. The bachelor's hood, when worn, is comparatively short; the master's, a bit longer; and the doctor's, at four feet, reaches far down the wearer's back. The outside of the hood is black and is bordered with a two-, three- or five-inch band of velvet in the color representing the degree received, and the hood is lined with the colors of the granting institution. For instance, the Master of Arts hood from Texas A&M has a white border, for the discipline color of Arts, Letters and Humanities, with a maroon and white lining; the Master of Science hood has a golden yellow border, for Science, with a maroon and white lining; and the Doctor of Philosophy hood has a border in the blue of Philosophy with a maroon and white lining. Among the other discipline colors are Agriculture—maize, Architecture—violet, Business—olive green, Education—light blue, Engineering—orange and Veterinary Medicine—gray. These colors represent the degree earned, not the academic major. The Ph.D. in Engineering, for example, would normally wear the dark blue of Philosophy on the hood and gown instead of the orange of Engineering. Official guests of the University and members of the Board of Regents wear the doctor's gown with the blue of Philosophy on the front and hood.

Ceremonial Mace

The University mace, a gift of the Class of 1990, leads the academic procession at commencement and on other special ceremonial occasions. Historically, the use of a mace dates back to the Middle Ages and was carried before or placed near a magistrate or other dignitary as an ensign of authority. This mace is made of sterling silver, walnut and oak and depicts various University symbols. It was designed by Rodney Hill, Texas A&M architecture professor who also carved the staff. Silversmith Lane Coulter '78, of Santa Fe, prepared the silver head of the mace and Lars Stanley '74, of Austin, designed and manufactured the stand.

Gonfalons

The gonfalon, a flag that hangs from a crosspiece or frame, originated in the medieval republics of Italy as an ensign of state or office. Gonfalons have been adopted in many universities around the world as college or institutional insignias. The gonfalons displayed represent the colleges of Texas A&M University. The colors of the University, maroon and white, are joined together in a pattern common to all of the flags. The top portion is the designated color for each unit. The white field serves as a background for the symbol of each.

College of Agriculture and Life Sciences. On a ground of white appears an emerging sun of yellow and russet rays. Yellow, the discipline color of science, russet, the discipline color of natural resources, and the center orange, color of engineering, combine to illustrate the intellectual interest in human and biological systems and structures. The interweaving ring encompasses the dawn making a full circle of life.

College of Architecture. The hexagonal symbol is composed of three colors that represent the solid foundation of the college. Our Aggie core values (maroon) connect limitless possibilities and opportunities in learning, scholarship, and engagement for the college (blue) with the energy of creativity, innovation, and design to address them (yellow). The striped ribbon represents the drivers of the college's vision of quality of life, place, and human endeavors which is intertwined with a solid ribbon that represents where this vision is applied: the natural, built, and virtual environments. The six segments defined by the alternating striped and solid ribbon represent the six disciplinary domains of the college: urban planning, architecture, landscape architecture, land and property development, construction science, and visualization.

Mays Business School. The golden knot symbolizes unity and coordination of the disciplines of business administration. Surrounding the golden knot, a field of purple represents the rank of authority. The foundation of lozenges under the triangle illustrates the flow of order.

College of Dentistry. The color lilac has been associated with dentistry since the 1800s, symbolizing compassion and inspiration. Upon it, rests the Greek Omicron, O, representing the first letter in “odont,” meaning tooth, along with an interlaced Delta representing the letter D for Dentistry. The inner-most component of the emblem depicts healing, as signified with a serpent intertwined around the ancient cauterizing rod of the Greek god of healing, Asclepius. Included in the emblem, are 32 leaves and 20 berries representing both the primary and secondary teeth.

College of Education and Human Development. The flourishing flame blazoned with gold, light blue and royal purple signifies the burning zeal of the three missions of education--teaching, research and service. The hands hold the spiritual, social and intellectual flame of education.

College of Engineering. As the triangles collaborate alongside each other, projecting a diamond shape, they depict the strong relationship between the diverse engineering disciplines. The use of mathematics, science and technology provide the foundation of solving today’s challenging ideas between and within each engineering department. The center illustrates a circuit board to express the continuing growth in technology and engineering today, resulting in new industries and opportunities. The cohesive elements of this design work together as a whole symbolizing communication, interaction, teamwork, and balance in Engineering as the green, blue and navy color palette represents energy, loyalty, wisdom, professionalism and ambition.

College of Geosciences. The white field reveals a yellow sun representing our surrounding atmosphere. The mountain peaks and the horizontal band of golden land represent the lithosphere. The banded waves of white signify the hydrosphere. The atmosphere, lithosphere and hydrosphere form the total environment for life in our world.

Bush School of Government and Public Service. The star symbolizes pride and heritage in our great state of Texas. The two lines on either side of the star represent our connection with the past, and with the future, in an effort to build on experiences from history, while contributing and presenting new opportunities to future generations.

College of Liberal Arts. The golden torch symbolizes the various disciplines lighting the path to our goal, “Knowledge for Life.” The circle of blue, the traditional color of knowledge, represents the college’s unending, unbroken commitment to scholarship, learning, and responsible citizenship.

School of Law. With its emphasis on peace, the olive leaves embody one of the most important tenets of the successful practice of law. Rounding inward, the leaves also echo that most meaningful symbol of the Aggie Ring - a unifying and unending circle of camaraderie and fellowship. The Lady Justice symbolizes the attributes our graduates have mastered as they enter their legal careers. Through the principles of strength (sword), fairness (scale), and objectivity (blindfold), Aggie Lawyers are prepared to represent our University honorably. With a nod to Texas A&M’s Core Values, the six stars acknowledge the attributes of Respect, Leadership, Loyalty, Excellence, Selfless Service, and Integrity, characteristics that define each one of our graduates.

College of Medicine. The white field provides a background for the Aesculapian staff and serpent, long used as the symbol of the healing arts. The green color is the same displayed on the hoods and robes worn for the degree of Doctor of Medicine.

College of Nursing. The stars on the College of Nursing gonfalon represent caring, innovation and empowerment, while the cross symbolizes the origins of nursing. The candle honors the founder of nursing, Florence Nightingale. Apricot is the color of nursing.

School of Public Health. The anchor and caduceus are adapted from the national Public Health Service, which evolved from the Marine Hospital Service to the Public Health and Marine Hospital Service, and finally became the U.S. Public Health Service. The star represents the linkage of the School of Public Health with the Texas A&M Health Science Center and the State of Texas. The salmon color is the color of the public health hoods.

College of Science. This symbol’s segments represent the five departments of the College of Science--Biology, Chemistry, Mathematics, Physics and Astronomy, and Statistics. The interweaving of each depicts their close relationship to each other. The inner quilting represents the intellectual search in science and its continuing growth.

College of Veterinary Medicine and Biomedical Sciences. Resting upon a ground of purity, a white snake stands for the science and the art of prevention, cure or alleviation of disease and injury to animals. It is found entwined around a herald’s green staff--the symbol of service. The golden radiant triangle atop the Aesculapius illustrates the breadth of veterinary medical science.

“The Spirit of Aggieland”

By Mimms-Dunn

Some may boast of prowess’ bold,
Of the school they think so grand,
But there’s a spirit can ne’er be told,
It’s the spirit of Aggieland.

Chorus

We are the Aggies—the Aggies are we,
True to each other as Aggies can be.
We’ve got to fight, boys,
We’ve got to fight!
We’ve got to fight for Maroon and White.
After they’ve boosted all the rest,
They will come and join the best,
For we are the Aggies—the Aggies so true,
We’re from Texas A M U.

CONGRATULATIONS NEW GRADUATES!

WELCOME TO THE ASSOCIATION OF FORMER STUDENTS!

Today, as a proud graduate of Texas A&M University, graduates will turn their Aggie Rings so that the Class year faces away from the body symbolizing a readiness to face the world.

Being an Aggie lasts a lifetime! It is a life-long experience that is supported by the Aggie Network. By staying involved with Texas A&M through The Association of Former Students, together, we will continue the work of passing back the core values, traditions and experiences that make Texas A&M unique.

As you begin your new journey, we ask that when you're ready, you consider helping to pass it back to future generations. Join the Century Club at a 50% discount and proudly showcase your very own Century Club Member decal.

The Association of Former Students is **HERE** for Aggies during their days as students and former students, **THERE** for Aggies as they take their way around the world and **EVERYWHERE** that the Aggie Network needs us to be.
