Corps of Cadets (interim) Colonel Byron F. Stebbins (Ret.)

*Candidates for Commissions in
The Armed Forces of the United States*

Colonel Byron F. Stebbins (Ret.)—Interim Commandant

United States Army

Colonel Blakeslee Connors—Professor of Military Science

Second Lieutenants, U.S. Army

Ashwin Akki
John C. Beadle
Max Alexander Cheshire
Connor Patrick Fortier

Ian David Johnson
Tyson A. Johnson
David A. Lorenz
Jacob Evan Mazow

Kaywin M. McCall
Asa Jacob Muthig
Tyler James Smalley
Nash Christian Trueblood

United States Navy

Colonel Michael Reilly—Professor of Naval Science

Ensigns, U.S. Navy

Graham Trevor Davies

Ryan Blake Heger

United States Marine Corps

Colonel Michael Reilly—Professor of Naval Science

Second Lieutenants, U.S. Marine Corps

Alek Jeremy Babineaux

Julian Caesarius Brown

United States Air Force

Colonel Kevin Parker—Professor of Aerospace Studies

Second Lieutenants, U.S. Air Force

Daniel Oliver Gill
Ollie T. Hastings
Henry Woodward Johnson

Lorraine Margaret King
John P. Leshikar
Sergio Dali Rios

Nathan D. Royer
Austen Michael Siegler
Matthew K. Swalhah

United States Space Force

Colonel Kevin Parker—Professor of Aerospace Studies

Second Lieutenants, U.S. Space Force

Michael Robert Dean Galiga

Candidates for Master's and Baccalaureate Degrees

College of Agriculture and Life Sciences

Presented by Dr. Jeffrey W. Savell, Dean

Department of Agricultural Economics

Master of Science

Agricultural Economics

Harlea Anne Hoelscher
Colton Roy Russell

Allison E. Wilton

Bachelor of Science

Agribusiness

Logan Tyler Heidaker
Micah D. Popelka
Andrea N. Streger

William Bradley Sutter
Allana Jean Webb

Agricultural Economics

Shem Akyea
Carson Hawk Becker
Ryan Matthew Brashier
Garrison Mckinnly Brown
Luke Easton Caddenhead
Sydney Stewart Francois
Ulyses Marcelo
Gamarras Zambrano
Parker McMillan Gonzalez
Karsen Paige Graves

John Nevitt Harrell
Colton James Henderson
Benjamin Koury Langford
Michael Eugene Lavengco II
Kenner Brady Mangold
Reid A. Potter
James Hutson Story
Nicolas Samuel Thompson
Mackenzie Leigh Wallace
Nathan Alexander Williams

Department of Agricultural Leadership, Education, and Communications

Master of Agriculture

Agricultural Development

Kaytlyn Cierra Livingston
Lisa Michelle Marinelarena

Audra Wilburn Richburg

Master of Science

Agricultural Leadership, Education, and Communications

Garrett Scott Brogan	Meikah Helene Dado
Bethany Ann Busa	John Mark Palmer III
McKenna Leigh Bush	Sonora L. Schueneman
Ana C. Casas	Iris Tsing
Amber Vonona Chambers	

Bachelor of Science

Agricultural Communications and Journalism

Danielle Antonia Bonner	Layne G. Myers
Addison Anice Coburn	Arthur Alexander Webb
Jayton Michael De La Zerda	Jacoby Zane West
Jordan Emily Maldonado	Jenna Ivana Woolf

Agricultural Leadership and Development

Bronson Graves Baker	Madison Claire Stanfield
Kendall Kapri Battarbee	Tyler Joseph Strobel
Parker Keith Geistweidt	Anzleigh R. Thomas
Juan Ignacio Gumucio Granier	Morgan Rene White
Dylan Lee Harris	Teran Davis Willberg

University Studies

Immanuela Ejirooghene Aliu	Amber Leigh Garcia
Hailey Renee Badillo	Brittany Nicole Green
Caleb Matthew Chapman	Andres David Puig
Nikolas Constantinou	Tierra Alexis Robinson-Jones
Paul Dewayne Ellard	Taylor Michael Smith
Brandon Jacob Fleming	

Department of Animal Science

Master of Agriculture

Animal Science

Adrian Glen Austin	Dawson Ray Dittrich
--------------------	---------------------

Master of Science

Animal Science

Kylie M. Burriss	Lauren Wesolowski
Ayleen Annette Gonzalez	

Bachelor of Science

Animal Science

Jessica Kaitlin Allen	Brandie Nicole Lenamon
John C. Beadle	Kaden Brice Malm
David Luther Brown	Riya Ravi Nigudkar
Richard Michael Brown	Katherine Anne Nissen
Christopher Ben Childress	Presley Noel Pence
Darianne Sue Curran	Haley Alexis Pool
Alyssa C. Dearing	Mariana Ramirez
Madison Elizabeth Garza	Janelle Jolynn Saldana
Callie E. Gray	Jessi L. Schroeder
Emmalyn Grace Gutierrez	Sierra Renee Sebesta
Charles Yerger Harrell	Lorena Beatriz
Elizabeth G. Hill	Simmonds Bohorquez
Hannah Marie Jean	Brooke E. Turley
Riley M. Johnson	Madeline B. Williams
Kason C. Klump	

Department of Biochemistry and Biophysics

Bachelor of Science

Biochemistry

Nicole S. Aliezer	Rebecca Lynn Sechrist
Sean T. Pagel	

Department of Biological and Agricultural Engineering

Bachelor of Science

Agricultural Systems Management

Jinkyong Choung	Zachary R. Stovall
-----------------	--------------------

Department of Ecology and Conservation Biology

Master of Science

Ecology and Conservation Biology

Kayla Kristine Ellis	James Vincent West
----------------------	--------------------

Bachelor of Science

Forestry

Wesley Eugene Fitzgerald

Renewable Natural Resources

Benjamin Alexander Thompson

Spatial Sciences

Andrew C. Stoffels

Department of Entomology

Master of Science

Entomology

Pius A. Bradicich

Charlotte G. Rhodes

Bachelor of Science

Entomology

Omar Idrees Khan
Laura O. Marmolejo

Raul Francisco Segura, Jr.

Forensic and Investigative Sciences

Matthew E. Ankele

Honors Recognition

Honors Fellows and Undergraduate Research Scholars are given medallions in recognition of their accomplishments. Graduates receiving Latin Honors will have the honor designation noted on their transcripts and diplomas and are acknowledged at commencement by wearing gold, satin honor stoles. The university presents these to graduates to wear with their commencement robes.

Honors Eligibility

Honors Fellows. Students graduating with Honors Fellows must have completed at least 30 hours of Honors course credit and completed a capstone project. Students must maintain at least a 3.5 cumulative Grade Point Average with at least a 3.25 Grade Point Average in Honors coursework.

Latin Honors. Students who have completed a minimum of 60 undergraduate semester hours at Texas A&M University are eligible to receive Latin Honors if their Grade Point Average is:

3.500 to 3.699 - *Cum Laude*

3.700 to 3.899 - *Magna Cum Laude*

3.900 or above - *Summa Cum Laude*

Undergraduate Research Scholars. This program provides undergraduates the opportunity to work with faculty mentors over the course of two semesters to produce a formal undergraduate research thesis and a public presentation of their research results.

Academic Regalia

Academic institutions throughout the world have created a wide variety of customs including distinctive dress, color and ceremony to indicate the accomplishments of scholars. English traditions originating at Oxford and Cambridge led to the development of American academic regalia. By the twentieth century, institutions of higher learning in the United States had adopted a well-defined code of academic costume, which now includes the identification of the different academic degrees by distinctive gowns, hoods and colors. For instance, the baccalaureate gown is worn closed and is identified by long, pleated front panels and long, pointed sleeves. The master's gown has very long sleeves, closed at the bottom, and the arms of the wearer are placed through an opening in the front of the sleeves. Doctoral gowns are distinguished by velvet panels around the neck and down the front of the gown. Three horizontal black velvet bars also mark the doctorate. In America, the hood is the most colorful feature of academic regalia. The bachelor's hood, when worn, is comparatively short; the master's, a bit longer; and the doctor's, at four feet, reaches far down the wearer's back. The outside of the hood is black and is bordered with a two-, three- or five-inch band of velvet in the color representing the degree received, and the hood is lined with the colors of the granting institution. For instance, the Master of Arts hood from Texas A&M has a white border, for the discipline color of Arts, Letters and Humanities, with a maroon and white lining; the Master of Science hood has a golden yellow border, for Science, with a maroon and white lining; and the Doctor of Philosophy hood has a border in the blue of Philosophy with a maroon and white lining. Among the other discipline colors are Agriculture—maize, Architecture—violet, Business—olive green, Education—light blue, Engineering—orange and Veterinary Medicine—gray. These colors represent the degree earned, not the academic major. The Ph.D. in Engineering, for example, would normally wear the dark blue of Philosophy on the hood and gown instead of the orange of Engineering. Official guests of the University and members of the Board of Regents wear the doctor's gown with the blue of Philosophy on the front and hood.

Ceremonial Mace

The University mace, a gift of the Class of 1990, leads the academic procession at commencement and on other special ceremonial occasions. Historically, the use of a mace dates back to the Middle Ages and was carried before or placed near a magistrate or other dignitary as an ensign of authority. This mace is made of sterling silver, walnut and oak and depicts various University symbols. It was designed by Rodney Hill, Texas A&M architecture professor who also carved the staff. Silversmith Lane Coulter '78, of Santa Fe, prepared the silver head of the mace and Lars Stanley '74, of Austin, designed and manufactured the stand.

Gonfalons

The gonfalon, a flag that hangs from a crosspiece or frame, originated in the medieval republics of Italy as an ensign of state or office. Gonfalons have been adopted in many universities around the world as college or institutional insignias. The gonfalons displayed represent the colleges of Texas A&M University. The colors of the University, maroon and white, are joined together in a pattern common to all of the flags. The top portion is the designated color for each unit. The white field serves as a background for the symbol of each.

College of Agriculture and Life Sciences. On a ground of white appears an emerging sun of yellow and russet rays. Yellow, the discipline color of science, russet, the discipline color of natural resources, and the center orange, color of engineering, combine to illustrate the intellectual interest in human and biological systems and structures. The interweaving ring encompasses the dawn making a full circle of life.

College of Architecture. The hexagonal symbol is composed of three colors that represent the solid foundation of the college. Our Aggie core values (maroon) connect limitless possibilities and opportunities in learning, scholarship, and engagement for the college (blue) with the energy of creativity, innovation, and design to address them (yellow). The striped ribbon represents the drivers of the college's vision of quality of life, place, and human endeavors which is intertwined with a solid ribbon that represents where this vision is applied: the natural, built, and virtual environments. The six segments defined by the alternating striped and solid ribbon represent the six disciplinary domains of the college: urban planning, architecture, landscape architecture, land and property development, construction science, and visualization.

Mays Business School. The golden knot symbolizes unity and coordination of the disciplines of business administration. Surrounding the golden knot, a field of purple represents the rank of authority. The foundation of lozenges under the triangle illustrates the flow of order.

College of Dentistry. The color lilac has been associated with dentistry since the 1800s, symbolizing compassion and inspiration. Upon it, rests the Greek Omicron, O, representing the first letter in "odont," meaning tooth, along with an interlaced Delta representing the letter D for Dentistry. The inner-most component of the emblem depicts healing, as signified with a serpent intertwined around the ancient cauterizing rod of the Greek god of healing, Asclepius. Included in the emblem, are 32 leaves and 20 berries representing both the primary and secondary teeth.

College of Education and Human Development. The flourishing flame blazoned with gold, light blue and royal purple signifies the burning zeal of the three missions of education--teaching, research and service. The hands hold the spiritual, social and intellectual flame of education.

College of Engineering. As the triangles collaborate alongside each other, projecting a diamond shape, they depict the strong relationship between the diverse engineering disciplines. The use of mathematics, science and technology provide the foundation of solving today's challenging ideas between and within each engineering department. The center illustrates a circuit board to express the continuing growth in technology and engineering today, resulting in new industries and opportunities. The cohesive elements of this design work together as a whole symbolizing communication, interaction, teamwork, and balance in Engineering as the green, blue and navy color palette represents energy, loyalty, wisdom, professionalism and ambition.

College of Geosciences. The white field reveals a yellow sun representing our surrounding atmosphere. The mountain peaks and the horizontal band of golden land represent the lithosphere. The banded waves of white signify the hydrosphere. The atmosphere, lithosphere and hydrosphere form the total environment for life in our world.

Bush School of Government and Public Service. The star symbolizes pride and heritage in our great state of Texas. The two lines on either side of the star represent our connection with the past, and with the future, in an effort to build on experiences from history, while contributing and presenting new opportunities to future generations.

School of Law. A widely accepted symbol of peace, the olive leaves highlight one of the most critical contributions of law and legal order to human development. Curving inwards, they also bring to mind the Aggie Ring – and the circle of fellowship and community it represents. Lady Justice symbolizes the values our graduates bring to bear in their careers: a spirit of objectivity (blindfold), an unwavering commitment to fairness (scales), and the strength necessary to pursue it (sword). The six stars, finally, represent Texas A&M's Core Values – Leadership, Respect, Loyalty, Excellence, Selfless Service, and Integrity – essential requirements of not only members of the legal profession, but all those who study the law and seek to advance justice, fairness, and the Rule of Law.

College of Liberal Arts. The golden torch symbolizes the various disciplines lighting the path to our goal, "Knowledge for Life." The circle of blue, the traditional color of knowledge, represents the college's unending, unbroken commitment to scholarship, learning, and responsible citizenship.

College of Medicine. The white field provides a background for the Aesculapian staff and serpent, long used as the symbol of the healing arts. The green color is the same displayed on the hoods and robes worn for the degree of Doctor of Medicine.

College of Nursing. The stars on the College of Nursing gonfalon represent caring, innovation and empowerment, while the cross symbolizes the origins of nursing. The candle honors the founder of nursing, Florence Nightingale. Apricot is the color of nursing.

Irma Lerma Rangel College of Pharmacy. The mortar and pestle on the College of Pharmacy gonfalon symbolize the tools of traditional pharmacy. The Rx is from the Latin, "Take thou."

School of Public Health. The anchor and caduceus are adapted from the national Public Health Service, which evolved from the Marine Hospital Service to the Public Health and Marine Hospital Service, and finally became the U.S. Public Health Service. The star represents the linkage of the School of Public Health with the Texas A&M Health Science Center and the State of Texas. The salmon color is the color of the public health hoods.

College of Science. This symbol's segments represent the five departments of the College of Science--Biology, Chemistry, Mathematics, Physics and Astronomy, and Statistics. The interweaving of each depicts their close relationship to each other. The inner quilting represents the intellectual search in science and its continuing growth.

College of Veterinary Medicine and Biomedical Sciences. Resting upon a ground of purity, a white snake stands for the science and the art of prevention, cure or alleviation of disease and injury to animals. It is found entwined around a herald's green staff--the symbol of service. The golden radiant triangle atop the Aesculapius illustrates the breadth of veterinary medical science.

“The Spirit of Aggieland”

By Mimms-Dunn

Some may boast of prowess’ bold,
Of the school they think so grand,
But there’s a spirit can ne’er be told,
It’s the spirit of Aggieland.

Chorus

We are the Aggies—the Aggies are we,
True to each other as Aggies can be.
We’ve got to fight, boys,
We’ve got to fight!
We’ve got to fight for Maroon and White.
After they’ve boosted all the rest,
They will come and join the best,
For we are the Aggies—the Aggies so true,
We’re from Texas A M U.

CONGRATULATIONS NEW GRADUATES!

WELCOME TO THE ASSOCIATION OF FORMER STUDENTS!

Today, as a proud graduate of Texas A&M University, you will turn your Aggie Ring so that the Class year faces away from the body symbolizing a readiness to face the world.

Being an Aggie is a lifelong experience that is supported by the Aggie Network. By staying involved with Texas A&M through The Association of Former Students, together, we will continue the work of passing back the core values, traditions and experiences that make Texas A&M unique.

As you begin your new journey, we ask that when you're ready, you consider helping to pass it back to future generations. Join the Century Club at a 50% discount and proudly showcase your very own Century Club member decal.

The Association
OF FORMER STUDENTS®

TEXAS A&M UNIVERSITY®

The Association of Former Students is **HERE** for Aggies during their days as students and former students, **THERE** for Aggies as they make their way around the world and **EVERYWHERE** that the Aggie Network needs us to be.

This program is accurate with respect to the degree awarded and conferred based on available information at the time of print production. Neither a name listed herein nor participation in the ceremony guarantees the awarding of a degree. The Office of the Registrar retains each student's permanent academic record, which indicates these official designations.

This program will be available for download on the graduation website the week after ceremonies have been held at <https://graduation.tamu.edu/Home/Ceremonial-Symbols-History/Program-Archives>.
