**Indigenous  
Resilience Center**

RELATIONSHIP • RESPECT • RECIPROCITY • RESPONSIBILITY

The Indigenous Resilience Center (IRes) works and partners with Native Nations to advance tribal efforts to respond to environmental challenges and create community-driven solutions.

**Mission**  
Centering Indigenous ways of knowing into co-designed environmental solutions and training the next generation of community leaders.

**Vision**  
We see a world in which Indigenous communities are thriving and adaptable to meet environmental and societal challenges.
