TRIBAL ENROLLMENT:

Enrolled member of Hopi Tribe # 1603-332

EDUCATION

- | | |
|-------------|--|
| Ph.D. 2019 | School of Natural Resources and the Environment, College of Agriculture, Life & Environmental Sciences, University of Arizona, Tucson, AZ. |
| M.P.P. 2003 | School of Public Policy, Pepperdine University, Malibu, CA. |
| B.S. 1999 | College of Agriculture & Life Sciences, Cornell University, Ithaca, NY |

PROFESSIONAL APPOINTMENTS

- | | |
|-----------------|---|
| 2022 to Present | Assistant Specialist-Indigenous Resiliency, University of Arizona School of Natural Resources and the Environment |
| 2019 to 2022 | Program Officer, Native American Agriculture Fund |
| 2016-2019 | Graduate Research Associate, Laura-Lopez Hoffman Lab, University of Arizona |
| 2003-2005 | District Conservationist, USDA/NRCS |
| 1999-2001 | Special Projects Program Associate, First Nations Development Institute |
| 1997 | Research Assistant, Soils, Crops & Atmospheric Sciences Department, Cornell University |
| 1995 | Housing Commissioner, Hopi Tribe |

CURRENT AWARDS

2023	Arizona Partnership for Climate Smart Food	Co-PI	10% Effort	United States Department of Agriculture (NRCS)	\$4.7 million
2023	Climate Resilience Through Indigenous Co-Design at the Food, Energy and Water Nexus	Co-PI	10% Effort	Waverly Street Foundation	\$2 million
2023	Revitalization of American Indian Food Systems: Enhancing Indigenous Climate-Smart Seed Biodiversity, Native Food Ways Preservation, and Indigenous Data Governance.	PI	11% Effort	Rockefeller Foundation	\$500K
2023	The Revitalization of Indigenous Crops in the Southwest	PI	25% Effort	Foundation for Food and Agriculture Research	\$450K

PENDING PROPOSALS

Southwest Climate Adaptation Science Center	Key Personnel	United States Geological Survey
One Health Grant	Co-PI	University of Arizona Health Sciences
Cultivating Water Resilience with Indigenous Peoples in Arid Lands	Co-PI	Southwest Climate Adaption Science Center

Indigenous Agriculture: Helping Our Communities PI Haury Program and Vitalyst Health Foundation

EDITORIAL and BOARD ROLES

- 2023 to Present Natural Resource Users Law and Policy Center American Indian Focus
- 2023 to Present President-Fred Aptvi Foundation
- 2023 to Present Regenerate America Science Advisory Board Member
- 2020 to Present Editorial Board Member for the Journal of Agriculture, Food Systems, and Community Development.

POSTER PRESENTATIONS

- 2023 **Johnson, M.K., et al.** December 11, 2023, Fifth Climate Assessment: Chapter 16-Tribes and Indigenous Peoples, *AGU Annual Meeting 2023: Wide Open Science*, San Francisco, CA.
- 2023 **Johnson, M.K.**, August 2, 2023, Natural Resource Issues of American Indian Tribes: Building A Bridge of Equity and Inclusion., *2023 Arizona Cooperative Extension Conference*, Tucson, AZ.
- 2016 **Johnson, M.K.**, October 2016, A Manual to Preserve Hopi Agriculture Conservation Techniques for an Era of Climate Change., *Fall Poster Contest: Institute of the Environment*, Tucson, AZ.
- 2016 **Johnson, M.K.**, The Anomaly of Hopi Agriculture: Does Climate Change Really Matter? Poster. September 2016, *UA Arid Lands Poster Session: Cross-disciplinary Symposium on Arid Environments Research*, Tucson, AZ.

TEACHING

- 2011 Graduate Teaching Assistant: Natural Resource Management in Native Communities. Undergraduate and Graduate Course. University of Arizona
- 2009 Graduate Teaching Assistant: Study American Indian Literature. Undergraduate and Graduate Course. University of Arizona

COMMUNITY SERVICE and OUTREACH

- 2023 Worked with Hopi Tribe on various aspects of the new community water pipeline and the Village of Old Oraibi on agriculture interests.
- 2023 Guest Lecture, Hopi Farming. 5th Grade Class, Manzanita Elementary School, November 8th, Tucson, AZ.
- 2023 Incorporated tribal colleges in meeting concerning a National Science Foundation Cultural Transformation in the Geoscience Community grant by attending a workshop on the matter in November.
- 2023 Hosted a site visit to a group from the Environmental Defense Fund, Australia and New Zealand to learn about Hopi Culture and Agriculture at my farm on Hopi in July.
- 2023 I have had various meetings with Meridian Institute about providing guidance on USDA Natural Resource Conservation service program to incorporate policy and implementation for American Indian Tribes.
- 2023 Had several meetings to develop plans for tribal participation in the University Corporation for Atmospheric Research (UCAR) in agriculture including crop modeling.

- 2023 Hosted sited visit and learning opportunity at my Hopi house to Hopi children involved in summer youth programs in June.
- 2023 Worked with Tucson Village Farm to incorporate more Indigenous participation in their activities including building them a corn roasting pit.
- 2023 Hosted Native Food, Energy, and Water Systems (FEWS) faculty, staff, and participants at my farm on Hopi to learn about Hopi culture and farming in July.
- 2023 Consulted with the Executive Director from the Watershed Conservation Resource Center on plans to incorporate tribes into their potential development sites.
- 2023 Consulted with Colorado League of Women Voters on the use of herbicides for areas surrounding Boulder Colorado in February.
- 2022 Meetings with White House Office and Technology Policy on incorporating Indigenous Traditional Ecological Knowledge into Federal Agencies, Tucson, AZ.
- 2021 Tribal Advisor Board Member for Natural Resource Conservation Districts
- 2018 Advocate: Talked to Member of Congress about issues concerning American Indian Farmers and Ranchers on behalf of the National Young Farmers Coalition, Washington, D.C.
- 2017 Advisor Committee Board Member: Engaging Native Boys in Education, Tribal Lifeways and Environmental Stewardship Project, Tucson, AZ
- 2017 Advocate: Native American High School Students, University of Arizona, Department of Optics, Tucson, AZ
- 2016 Advisor: Native American College Bound Students, University of Arizona, Department of Optics, Tucson, AZ
- 2016 Advocate: Native American High School Student, University of Arizona, Outreach Discussion, Tucson, AZ
- 2016 Advocate: Native American Undergraduate Students and Teachers, University of Arizona, Academic Research Discussion, Tucson, AZ
- 2014-2017 Advisor: Hopi Work Session-Students Sedona Verde Valley School, Kykotsmovi, AZ

WORKSHOPS & TRAINING

- 2023 Hosted University of Arizona's CIELO staff and students on Hopi traditional agriculture and house building techniques from June 5th to 8th on the Hopi Reservation.
- 2023 Co-Hosted Workshop with Coconino County Extension Agent at a planting site at Arcosanti, AZ on April 1st.
- 2023 Put together a workshop on related to Hopi agriculture for plots at the Campus Agriculture Center on April 6th in Tucson, AZ.

SEARCH COMMITTEES & ADVISORY BOARDS

- 2023-Present School of Natural Resources and the Environment Assistant Specialist Search Committee
- 2023-Present Review Committee for All RII Institutes and Centers
- 2023- Present University of Arizona Cooperative Extension Strategic Planning Committee
- 2023-Present Regenerate America Science Advisory Board
- 2022-Present Native American Food Sovereignty Alliance Advisory Board

PROFESSIONAL ORGANIZATIONS & AFFILIATIONS

- 2023-Present Arid Land Resource Sciences Affiliate
- 2023-Present American Indian Studies Affiliate
- 2022-Present Indigenous Resilience Center Affiliate
- 2022-Present University of Arizona Cooperative Extension Affiliate
- 2020-Present Designated Campus Colleague- University of Arizona School of Law
- 2019-2022 American Geophysical Union
- 2018-2022 U.S. Indigenous Food Sovereignty Network
- 2005-2022 American Indian Science and Engineering Society (AISES)

2005-2022 Soil, Water, & Conservation Society (SWCS)

2013-2022 Advancing Hispanic/ Chicanos & Native Americans in Science (SACNAS)
