Also, I will be in Austin tomorrow I can come directly to your office and have these issued after if that's an option. I need these by Friday.

Thank you for the information! I have created the 35 subpoenas. Our office now asks that you review them before they are sent before the Judge. Due to the volume, I will be sending them in three batches to ensure they all go through to you!

If there are any corrections that need to be made, please let me know! They are named by subpoenaed party and the number after the name corresponds to your forms.

Thank you so much! The first 12 for Earthlink, Google, Hotmail and Yahoo are attached.

Good Morning Mr. Cammack,

Attached you will find our subpoena request form. If you already have a form created with the information in the form attached, go ahead and just send yours! You do not need to use our form, this is just a helpful go-by. As long as I have your contact information, the subpoenaed parties information, and the description of requested material, I can make it work. Once I receive the requests, I will create the subpoenas, send them back to you for a final review, and then send them to the ADA and Judge for signature!

All of this can be done through email!

Thank you so much,
