Patriot,

The establishment has always had it out for me...

In 2022, George P. Bush (an establishment puppet) tried to challenge me.

But he lost badly because Texas has had ENOUGH of the establishment — millions of Americans voted and decided to throw the establishment out of Texas.

Now they're trying their dirty tricks again.

[They're coming after me again, in a SHAM of an impeachment. We can't sit by and watch this happen.](#)

Apparently, fighting a radical transgender agenda, defending liberty, and protecting TEXANS from the outrageous abuse of Washington, D.C., is criminal since there's no other reason I should be charged.

[Friend, I only have a few days to seek your support — I need your help.](#)

Will you stand with me against the establishment and the deep-state RINOs?
