Jeff,

I wanted to make you aware of the below. As you are aware, Josh Godbey has been involved in the intervention of the dispute with the Mitte Foundation. We have raised grave concerns about wrongdoing, provided clear evidence, and I have not received any response to my emails to Josh Godbey. As you will see in the email chain below, these emails started a month ago and continue to be ignored.

Josh Godbey is aware of the facts of wrongdoing and self-dealing by Ray Chester, Stephen Lemmon, Greg Milligan, and the Mitte Foundation Board of Directors and has allowed it to continue despite being shown the irrefutable evidence. This is alarming.

Please let me know when you are available to discuss. I am raising this to you so you are aware of wrongdoing at this Foundation which falls under the supervision of the Financial Litigation and Charitable Trusts Division of the Office of the Attorney General. Thanks for your immediate attention to this matter.

Best,  
Nate
