Subject: RE: Clawback issue

Well you know, I'm very skeptical. But, I'm available to talk right now, and if I think their contentions merit it, I can bring in bankruptcy counsel.

Ray,

Confirmed with Sheena that their bankruptcy counsel is available all evening to work this issue. Your bankruptcy specialist should be a part of that conversation. You can either let us know so that we can set it up or contact Sheena directly. We need to be sure this issue is covered, if possible, tonight.

In order for her to have the appropriate bankruptcy folks on her side address them, she asked if you could send an email briefly laying out the issues your bankruptcy folks are seeing and she'll get y'all a response. Feel free to send to us or copy us on anything y'all send. We've also raised the issue to the mediator, and they're aware. Thanks so much.
