Murtaza,

See my previous email with deposition information regarding Jeff Mateer. I've decided to add this to my report, to bring this thing home at the end. Can you do me a favor and read this section, and see if you can make it better? Regardless of our decision on how/if we will use this report, I'd like to have it in final form by Tuesday, and do not want to make any edits to this initial report, UNLESS they are fact corrections or we discover new material facts.

Thanks!
Brent
