Declaring a Minor

You can apply for a minor at any time by using the Major/Minor tool under Academic Links on MyTritonLink.

- Log on to Tritonlink
- Click "Advising and Grades"
- Click "Major and Minor"
- Next to "Declared Minor," click on "ADD"

In order to apply for the minor, students must list all courses they plan to apply towards the minor.

When listing courses on the application, only list course numbers and titles for courses you have completed or are currently enrolled in. Students may list courses not yet completed by using the following template:

Lower-division Courses

Subject Code: SOCI	Course No: LD	Title: Sociology Elective	Institution: UCSD	Units: 4.00
--------------------	---------------	---------------------------	-------------------	-------------

Upper-division Courses

Subject Code: SOCI	Course No: UD	Title: Sociology Elective	Institution: UCSD	Units: 4.00
--------------------	---------------	---------------------------	-------------------	-------------

Eligible Courses for Minor

All four unit courses provided by the Department of Sociology may be applied towards the minor (with the exception of SOCI 199). Two upper division sociology courses may overlap with a student’s major and minor. However, courses taken at UC San Diego outside of the Sociology Department may not be applied towards the minor. Unless colleges specify specific courses to be taken, the student may choose any two lower-division sociology courses (SOC 1, 2, 10, 20, 30, 40, 50, 60, or 70) and any upper-division courses (SOC 100 to 190) following one of the 3 distributions above.

Special Considerations

- Maximum of two sociology courses from a community college
- Maximum of one sociology course from study abroad (petition required)
- Maximum of two upper division sociology courses may overlap with student’s major
- SOCI 199 is not accepted towards the minor
