 WISCONSIN
 SPACE GRANT
 CONSORTIUM

2022-2023
 Announcement of Opportunity
**RESEARCH
 INFRASTRUCTURE
 PROGRAM**

APPLICATIONS OPEN: Oct. 26, 2022
SUBMISSION DEADLINE: Dec. 12, 2022
AWARD ANNOUNCEMENTS: Feb. 24, 2023

PURPOSE:

The Wisconsin Space Grant Consortium (WSGC) Research Infrastructure Program provides support to faculty and research staff from the WSGC universities and colleges who seek to initiate or continue a research program, as well as from the WSGC industrial affiliates to establish a space-related research program. The awards support a variety of activities related to developing space science, aerospace, and space-related research infrastructure.

CATEGORIES:

Awards will be made in the following categories:

1. Faculty Research SEED Grants and/or Faculty Proposal Writing
2. Research Initiatives (e.g. seminars, workshops, and/or travel to NASA Centers)
3. Multi-Institutional Collaboration (2-yr and 4-yr campuses)

AWARDS:

Multi-Institutional Awards: Up to \$15,000

Major Awards: Up to \$10,000

Minor Awards: Up to \$5,000

**Based on availability of funds.*
