

NIH PRINCIPAL INVESTIGATOR ASSURANCE CERTIFICATION FORM

This form is designed to comply with the requirements of National Institutes of Health Notice NOT-OD-06-054, which requires that the applicant organization secure and retain a written assurance from the Project Directors (PDs) or Principal Investigator (PIs) prior to submitting an application, progress report, and/or prior approval request. NIH also requires that when there are multiple PIs, this assurance must be retained for all named PIs.

At UC Berkeley, PIs typically make this assurance in Phoebe at the proposal stage, and this form is not required when submitting an application. However, PDs and PIs are required to read, sign, and submit this form to the Sponsored Projects Office with all NIH Just-in-Time (JIT) documents, annual/interim/final progress reports (RPPRs) that are not SNAP eligible, and prior approval requests. NIH requires unique signatures. (Multiple copies of this form may be submitted with the application if necessary or more convenient.)
