MORTUARY FEATURE DOCUMENTATION FORM

Site Name: _____	Site No.: _____
Feature No.: _____	Burial ID: _____
Company/Organization: _____	Project No.: _____
ASM Permit No.: _____	ASM BDA No.: _____
Recorder(s): _____	Date: _____

Locus/Area: _____ **Unit No.:** _____

Datum ID: _____ **Datum elevation (masl):** _____

Samples: pollen flot/macrobot ¹⁴C other: _____ **Photos:** Y / N

Screen: none 1/16" 1/8" 1/4" other: _____ **Plan map:** ____ **Profile:** ____

Dimensions: length: _____ width: _____ diam.: _____ depth: _____

Describe location and stratigraphy: (distance and relationship to surface and other features, intrusive, describe fill matrix, color, texture, inclusions, disturbances, etc.)

Feature description: (describe excavation methods and sequence, feature construction, body position, articulations, associated objects, body axis/cranial orientation, etc.)

Interment type:	Inhumation	Primary	Single	Commingled: Y / N
	Cremation	Secondary	Multiple	MNI: _____
Body position:	Flexed	Semi-flexed	Extended	Other _____

Site No.: _____

Feature No.: _____

Osteological Data: (elements present or absent, condition, deformation, head-to-heel and in situ measurements)

Age: _____	Indications: _____
Sex: _____	Indications: _____

Associated objects: (PD/FS should match how objects are designated on bags and sketch map)
