REQUEST TO REGISTER A FOREIGN ORDER FOR GUARDIANSHIP OF A MINOR
IN ARIZONA

You must check each box in order to use this form.

I want to register an out-of-state court order concerning guardianship of minor children, as provided for under the Uniform Child Custody Jurisdiction and Enforcement Act, or UCCJEA (A.R.S. §§ 25-1001-1067).

I understand that: (Read carefully and sign below to indicate you understand the following.)

- A registered order may be enforced as if issued by an Arizona Court.
- A registered order may not be changed by Arizona unless it has jurisdiction to do so.
- If one of the parties still lives in the state from which the order was issued and has never moved from that state, Arizona may not have power to change the order.

- Payment of the filing fee for this registration request does not guarantee that Arizona has jurisdiction or will give you what you are asking for even if Arizona does have jurisdiction.
- The other parties to the case will be served notice of my request to register the order in Arizona, and will have the opportunity to request a hearing to disagree as to:
 - whether the state that issued the order had jurisdiction to do so,
 - whether proper notice was given before the order was issued,
 - whether the order to be registered is a valid order (whether it has been vacated, stayed, suspended, or modified by a court with proper jurisdiction),
 - whether Arizona can or should assume jurisdiction.

Enclosures: (REQUIRED)

I have enclosed two copies, including at least one court-stamped, certified copy of the order to be registered, or if multiple orders are involved, of all orders.

- The enclosed information includes the name and address of the person seeking registration and any parent or person acting as a parent who has been awarded legal decision-making (legal custody), parenting time or non-parent visitation in the out-of-state order sought to be registered pursuant to A.R.S. § 25-1055 (A)(3).

I also enclosed an Affidavit to Register a Foreign Order, form JGFO12f, and an Affidavit Regarding Minor Children to Register Foreign Order, form JGFO13f, containing all other information required under A.R.S. § 25-1039.

Respectfully,
