2023 *Market Regulation Handbook* Examination Standards Summary

Chapter 20—General Examination Standards

Chapter 20—Operations/Management Standards	
The operations and management review includes, but is not limited to, the following standards addressing various aspects of a regulated entity's operations.	
Standard Number	**Text of Standard**
1	The regulated entity has an up-to-date, valid internal or external audit program.
2	The regulated entity has appropriate controls, safeguards and procedures for protecting the integrity of computer information.
3	The regulated entity has antifraud initiatives in place that are reasonably calculated to detect, prosecute and prevent fraudulent insurance acts.
4	The regulated entity has a valid disaster recovery plan.
5	Contracts between the regulated entity and entities assuming a business function or acting on behalf of the regulated entity, such as, but not limited to, managing general agents (MGAs), general agents (GAs), third-party administrators (TPAs) and management agreements, must comply with applicable licensing requirements, statutes, rules and regulations.
6	The regulated entity is adequately monitoring the activities of any entity that contractually assumes a business function or is acting on behalf of the regulated entity.
7	Records are adequate, accessible, consistent and orderly, and comply with state record retention requirements.
8	The regulated entity is licensed for the lines of business that are being written.
9	The regulated entity cooperates on a timely basis with examiners performing the examinations.
10	The regulated entity has procedures for the collection, use and disclosure of information gathered in connection with insurance transactions so as to minimize any improper intrusion into the privacy of applicants and policyholders.
11	The regulated entity has developed and implemented written policies, standards and procedures for the management of insurance information.
12	The regulated entity has policies and procedures to protect the privacy of nonpublic personal information relating to its customers, former customers and consumers that are not customers.
13	The regulated entity provides privacy notices to its customers and, if applicable, to its consumers who are not customers regarding treatment of nonpublic personal financial information.
14	If the regulated entity discloses information subject to an opt-out right, the regulated entity has policies and procedures in place so that nonpublic personal financial information will not be disclosed when a consumer who is not a customer has opted out, and the regulated entity provides opt-out notices to its customers and other affected consumers.
15	The regulated entity's collection, use and disclosure of nonpublic personal financial information are in compliance with applicable statutes, rules and regulations.
16	In states promulgating the health information provisions of the *Privacy of Consumer Financial and Health Information Model Regulation* (#672) or providing equivalent protection through other substantially similar laws under the jurisdiction of the insurance department, the regulated entity has policies and procedures in place so that nonpublic personal health information will not be disclosed, except as permitted by law, unless a customer or a consumer who is not a customer has authorized the disclosure.

Chapter 20—Policyholder Service Standards	
The policyholder service review includes, but is not limited to, the following standards related to the adequacy and level of policyholder service provided by the regulated entity.	
Standard Number	**Text of Standard**
1	Premium notices and billing notices are sent out with an adequate amount of advance notice.
2	Policy issuance and insured-requested cancellations are timely.
3	All correspondence directed to the regulated entity is answered in a timely and responsive manner by the appropriate department.
4	Whenever the regulated entity transfers the obligation of its contracts to another regulated entity pursuant to an assumption reinsurance agreement, the regulated entity has gained prior approval of the insurance department, and the regulated entity has sent the required notices to affected policyholders.
5	Policy transactions are processed accurately and completely.
6	Reasonable attempts to locate missing policyholders or beneficiaries are made.
7	Unearned premiums are correctly calculated and returned to the appropriate party in a timely manner and in accordance with applicable statutes, rules and regulations.

Chapter 20—Underwriting and Rating Standards	
The underwriting and rating review includes, but is not limited to, the following standards addressing various aspects of the regulated entity's underwriting activities.	
Standard Number	**Text of Standard**
1	The rates charged for the policy coverage are in accordance with filed rates (if applicable) or the regulated entity's rating plan.
2	All mandated disclosures are documented and in accordance with applicable statutes, rules and regulations.
3	The regulated entity does not permit illegal rebating, commission-cutting or inducements.
4	The regulated entity's underwriting practices are not unfairly discriminatory. The regulated entity adheres to applicable statutes, rules and regulations and regulated entity guidelines in the selection of risks.
5	All forms, including policies, contracts, riders, amendments, endorsement forms, and certificates are filed with the insurance department, if applicable.
6	Policies, contracts, riders, amendments and endorsements are issued or renewed accurately, timely and completely.
7	Rejections and declinations are not unfairly discriminatory.
8	Cancellation/nonrenewal, discontinuance and declination notices comply with policy and contract provisions, state laws and the regulated entity's guidelines.
9	Rescissions are not made for non-material misrepresentation.

Chapter 20—Claims Standards	
The claims review includes, but is not limited to, the following standards addressing various aspects of the regulated entity's claim handling practices.	
Standard Number	**Text of Standard**
1	The initial contact by the regulated entity with the claimant is within the required time frame.
2	Timely investigations are conducted.

Chapter 24B—Conducting the Mental Health Parity and Addiction Equity Act (MHPAEA) Related Examination

Chapter 24B—Mental Health and Substance Use Disorder Parity Compliance Standards	
Standard Number	**Text of Standard**
1	The health carrier shall define all covered services as mental health or substance use disorder benefits or as medical or surgical benefits. Mental health benefits or substance use disorder benefits must be defined to mean items or services for the treatment of a mental health condition or substance use disorder, as defined by the terms of the health plan and applicable state and federal law. Any definition of a condition or disorder as being or as not being a mental health condition or substance use disorder must be consistent with generally recognized independent standards of current medical practice or state guidelines. (45 CFR § 146.136(a)).
2	The health carrier must apply the same standards to medical/surgical benefits and to mental health or substance use disorder benefits in determining the classification in which a particular benefit belongs (or applicable sub-classification) (45 CFR § 146.136(c)(2)(ii)(A)).
3	The health carrier shall not apply any financial requirement on mental health or substance use disorder benefits in any classification (or applicable sub-classification) that is more restrictive than the predominant financial requirement of that type applied to substantially all medical/surgical benefits in the same classification (or applicable sub-classification) (45 CFR § 146.136(c)(2)(i)).
4	The health carrier shall not apply any quantitative treatment limitation (QTL) on mental health or substance use disorder benefits in any classification (or applicable sub-classification) that is more restrictive than the predominant QTL of that type applied to substantially all medical/surgical benefits in the same classification (or applicable sub-classification) (45 CFR § 146.136(c)(2)(i)).

© 2023 National Association of Insurance Commissioners

5	The health carrier shall apply non-quantitative treatment limitations (NQTLs) to mental health or substance use disorder benefits within a classification of benefits (or applicable sub-classification) so that any processes, strategies, evidentiary standards, or other factors used to apply a limitation, 1) as written and 2) in operation, are comparable to the processes, strategies, evidentiary standards, or other factors used to apply the limitation to medical/surgical benefits within the classification (or applicable sub-classification) (45 CFR § 146.136(c)(i)). The health carrier shall perform and document comparative analyses of the design and application of NQTLs in accordance with 42 U.S.C. § 300gg-26(a)(8)(A).
6	The health carrier shall ensure that it complies with all availability of plan information and related disclosure obligations regarding: 1) criteria for medical necessity determinations; 2) reasons for denial of services; 3) information relevant to medical/surgical, mental health and substance use disorder benefits; 4) rules regarding claims and appeals, including the right of claimants to free reasonable access to and copies of documents, records and other information including information on medical necessity criteria for both medical/surgical benefits and mental health and substance use disorder benefits, as well as the processes, strategies, evidentiary standards and other factors used to apply an NQTL with respect to medical/surgical benefits and mental health or substance use disorder benefits under the plan, including any analyses performed by the carrier as to how the NQTL complies with the Mental Health Parity and Addiction Equity Act (MHPAEA).
7	The health carrier as the entity is responsible for parity compliance. The health carrier shall ensure that management of mental health and substance use disorder benefits coverage, as a whole, complies with the applicable provisions of the Mental Health Parity and Addiction Equity Act (MHPAEA), including any vendor relationships. The carrier shall provide or require sufficient information in terms of plan structure and benefits to or from any vendor to ensure that the mental health and substance use disorder benefits are coordinated with the medical/surgical benefits for purposes of compliance with the requirements of MHPAEA.
