

Court Services Mission Statement & Strategies

Court Services Department - Mission Statement

Our mission is to serve the citizens of the State of South Dakota by preventing crime and repairing the harm caused by crime. We promote and provide public safety by supervising offenders, working closely with victims and our community partners. We utilize research based intervention strategies and services to reduce recidivism, promote accountability, & provide opportunities for sustainable positive change for the offenders and the families we serve.

Guiding Principles to Carry Out Mission Statement

- Our employees are our most valuable resource for accomplishing our Mission.
- Community protection can best be achieved by a role that balances supervision and supportive case management.

Vision

- To maintain probation as a cost-effective alternative to a Department of Corrections placement.
- To develop community based programming that will reduce recidivism of offenders by incorporating research based practices through competency development and elimination of antisocial attitudes, values, and beliefs.
- To maintain a validated nationally recognized offender classification system to address offender needs and community safety.
- To assist victims of crime through restitution collection, community service, and mediation.

Values – To reach our Vision and accomplish our Mission, the Department will be guided by the following principles:

- Professionalism
- Reliability
- Honesty
- Excellence
- Collaboration/Partnerships
