INTRODUCTION

- Precepting advanced practice students during the provision of direct clinical supervision of patient care as a nurse practitioner is consistent with the demonstration of continuing competence and ongoing professional development.
- Formal Inter-Professional Education (IPE) programs organized in collaboration with nursing, physician assistant, medicine, dentistry, or pharmacy Program Faculty and clinical sites are recognized by AANPCB.
- National organizations (e.g., the National Academy of Medicine, formerly called the Institute of Medicine) have identified teambased care as a critical component of healthcare improvement. Joint accreditation activities of interprofessional collaboration help to promote healthcare delivery and outcomes improvement.

CRITERIA FOR CLAIMING PRECEPTORSHIP CLINICAL PRACTICE HOURS

- A maximum of 120 Preceptorship Clinical Practice Hours within the 5-year period of certification may be claimed for a maximum of 25 non-pharmacology CE credits.
- Complete preceptor site information for each practice site is required.
- Faculty Coordinator contact information is required.
- AANPCB reserves the right to request additional supporting documentation for validation of preceptorship.

APPLICATION

- Submission of a complete Preceptorship Form is required.
- Complete as many forms as necessary to account for preceptorship sites and students.
- Upload completed Preceptorship Forms as an individual CE to My Continuing Education in your My AANPCB account online. Enter "Preceptor" under the Program Name and the "School" under Sponsor.
- Copies may also be emailed or faxed as a PDF.
- Incomplete forms will not be processed.

CONVERSION OF PRECEPTOR HOURSE INTO CE CREDITS

- Convert the number of hours precepted to CE credits using the Conversion Table.
- The number of Preceptorship Clinical Practice Hours that may be claimed within the 5-year period of certification is limited to a maximum of 120 hours for a maximum of 25 non-pharmacology CE credits.
- Record the total number of non-pharmacology credits on the CE Log of the renewal application (not to exceed 25).
- Calculation of 120 clinical hours is based on precepting 8 hours per week for one semester (i.e., 15 weeks x 8 hours/week = 120 hours).
