WHERE
DO
YOUR TAX
DOLLARS
GO
?

In Atlantic City, our tax dollars are hard at work turning dreams into reality and building a brighter future. Together, we can achieve great things and ensure that every day is a GREAT DAY for our community.

Roads and Bridges: Improving roads and bridges will not only enhance safety and reduce travel times but also improve our residents' overall quality of life.

New Buildings: Atlantic City is expanding and bringing new opportunities. We're constructing state-of-the-art facilities to serve as hubs for community services, education, and business, fostering an environment where everyone can thrive.

Parks & Playgrounds: Our green spaces are the heart of our community, and we're dedicated to enhancing them for everyone's enjoyment. New parks and playgrounds are being developed, providing safe, vibrant areas for families to gather, play, and create lasting memories.

Facilities & Boardwalk: The iconic Atlantic City Boardwalk and our public facilities receive much-needed upgrades. These improvements will preserve our city's rich history while ensuring that our public spaces remain inviting and accessible for residents and visitors alike.

Resilience: In the face of climate change and environmental challenges, we prioritize projects that bolster our city's resilience. From stormwater management systems to coastal protection initiatives, these projects will safeguard our community for generations to come.

With each project, we are investing in Atlantic City's future, creating a thriving, resilient, and vibrant community. Your tax dollars and your support and involvement are the foundation upon which we build our shared success, proving that together, we can achieve great things.

YOUR TAX DOLLARS AT WORK
