PART I: RESPONSIBILITIES

Professional Responsibility

While the Supreme Court of Alabama retains ultimate authority to regulate the legal profession, the Alabama State Bar's Office of General Counsel serves as the court's arm to investigate and prosecute claims that a lawyer has violated the Rules of Professional Conduct. Read the Alabama Rules of Professional Conduct [here](#).

Annual Invoice

- Annual renewal notices are sent out every September by email.
- Occupational License fee is \$300.
- Special Membership Dues are \$150.
- Both types of membership are subject to the mandatory \$25 Client Security Fund assessment (see page 9).
- Payments are due October 31.
- Late payments on Occupational Licenses are subject to a late fee of \$45.
- Failure to pay results in an administrative suspension, removing you from the role of attorneys in good standing.
- Anyone admitted after October 1 is not assessed the licensing fees until the beginning of the next licensing year.

Types of Membership

Occupational License

Required if in the active private practice of law in Alabama

Special Membership

For those who wish to remain in good standing but are not engaged in the active private practice of law in Alabama

Electing to become voluntarily inactive means you are no longer a member in good standing. As the administrative process stands right now, the only thing you would need to do to reactivate your license would be to pay the appropriate fees at that time.

Address Change

You are required to keep Membership Services informed of your current address, telephone number, and email address. All address changes must be submitted via your member dashboard on our website. After you log in, select the "Update My Profile" prompt.

Identification Numbers

Upon your admission, you are issued **two DIFFERENT** identification numbers.

Alabama State Bar Identification Number

Members of the Alabama State Bar are automatically assigned a state bar identification number (bar ID). This number is used when reporting MCLE credit and paying license fees. Members may request their bar ID by emailing ms@alabar.org or by contacting the Attorney Licensing Office at (334) 269-1515.

Court Identification Code

You are also assigned a six-digit court identification code by the Administrative Office of Courts (AOC) that is to be used to track civil case filings, as well as other cases handled by each attorney. This number may be obtained by calling AOC at 1-866-954-9411 (option 1 and then option 3).

AlaFile

For questions regarding AlaFile, please contact the Administration Office of Courts at 1-866-954-9411 (option 1 and then option 3).

Copies of Admission Records and Bar Exam Scores

All requests for copies of scores on the bar exam must be directed to the National Conference of Bar Examiners (NCBE). If you need a copy of your Character & Fitness Questionnaire (application), please log into your original admissions portal. You will find a downloadable PDF link on your homepage.

Mandatory Continuing Legal Education

As a member of the bar, you are subject to Alabama's Mandatory Continuing Legal Education (MCLE) Rules and Regulations. The full text of these rules and regulations may be found [here](#).

A. You are exempt through December 31 of the year of your admission. Attorneys are exempt from the annual MCLE requirement for the balance of the calendar year in which they were admitted.

B. Thereafter, an attorney must earn at least 12 MCLE hours (including one hour of ethics) annually. Beginning in January of the year following your admission, for any calendar year or portion in which you hold an occupational license, you must earn a minimum of 12 hours of approved MCLE credits annually (including one hour of ethics). A list of approved seminars may be found [here](#).

C. You must complete the Mandatory Professionalism Course within one year of admission. Alabama MCLE Rule 9 also requires new admittees to complete the three-hour Alabama Mandatory Professionalism Course within one year of admission to the bar. This seminar is administered by the University of Alabama (CLEAlabama) in even numbered years and Cumberland School of Law in odd numbered years. To register, contact CLEAlabama (1-800-627-6514) or Cumberland (1-800-888-7454).

D. You may be eligible to claim an exemption from these requirements under MCLE Regulation 2.7. Alabama MCLE Regulation 2.7 provides that any attorney who resides and maintains a principal office for the practice of law in another state that requires mandatory continuing legal education and who can demonstrate compliance with the MCLE requirements of his or her principal state of practice is exempt from these rules. If you believe you are eligible to claim this exemption, visit [here](#).

Client Security Fund Mandatory Annual Assessment

The Client Security Fund was established by the Alabama State Bar to provide a remedy for clients who have lost money or other property, as a result of the dishonest conduct of practicing attorneys, by providing some reimbursement to clients whose money or property has been wrongfully taken by attorneys licensed to practice law in Alabama. The Alabama State Bar is authorized by Rule VIII of the Client Security Fund Rules to impose an annual fee of \$25 on each lawyer admitted in Alabama in order to support the Client Security Fund. Failure to pay this fee by the due date may result in summary suspension of an attorney's license to practice law. The full text of the Client Security Fund Rules can be found [here](#).

IOLTA Account Certification

Alabama has a mandatory Interest on Lawyer Trust Accounts (IOLTA) program. An IOLTA account is a client trust account that pays interest to either the Alabama Law Foundation or the Alabama Civil Justice Foundation. Financial institutions remit the interest earned on lawyer trust accounts to your designated foundation which awards grants of these funds for law-related charitable purposes. Lawyers who hold any funds they receive on behalf of clients in separate client trust accounts must hold those funds in IOLTA accounts. Any bar member who purchases an occupational license is also required to annually certify that they either have an IOLTA account or are exempt from having an IOLTA account; if they have an IOLTA account, they must designate whether the interest earned on those funds is to be paid to the Alabama Law Foundation or the Alabama Civil Justice Foundation. IOLTA certification is done online and does not require a fee. Failure to certify your IOLTA account may result in summary suspension of your license to practice law. Read more about IOLTA accounts [here](#).

PART III: PROFESSIONAL OPPORTUNITIES

Lawyer Referral Service

There are thousands of Alabamians of moderate means who have no idea how to find a lawyer and appear to underutilize attorneys. The Alabama State Bar Lawyer Referral Service is an ideal way to assist paying clients to locate a competent attorney who charges a reasonable fee to complete a legal task efficiently and in a timely manner.

The fee for membership is \$100 per year and includes up to 10 practice areas. Additional practice areas are available for \$5 each per year. Individuals joining the service on April 1 or later will be charged \$50 for the remainder of the fiscal year and will need to renew in September to remain in the service after September 30th. Charges will not be further prorated for those who join at other times of the year.

Percentage Fee

To support the promotional activities of the service, LRS members agree to remit a percentage fee in large cases. The percentage fee is 5 percent of any fee between \$1,000 and \$6,000 received as a result of a referral from the service. For example, if a case generates a \$6,000 fee, the attorney would remit \$250 (5 percent of \$5,000). No remittance is required on fees of less than \$1,000 or on any portion of the fee over \$6,000. We regularly collect referral fees. Referral fees go back into the program to be used for promotion and program improvements.

Specialty Certification

An increasing number of lawyers are choosing to be recognized as having special knowledge and experience by becoming certified specialists in certain fields of law. Certifying organizations require lawyers to demonstrate special training, experience, and knowledge to ensure that recognition as a certified specialist is meaningful and reliable. Specialty certification programs available to lawyers are growing both in numbers and variety. Contact the American Bar Association for details regarding their certifying agencies.

Volunteer Lawyers Program

The VLP offers you a simple, well-organized mechanism for fulfilling your professional responsibility to make legal counsel available to citizens. Equally important, our volunteer attorneys gain excellent client and courtroom experience since they are fully in charge of their pro bono cases. Cases accepted by volunteer attorneys are covered by the program's malpractice insurance.

Each year, thousands of Alabama lawyers donate their professional skills, time, and expertise to assist low-income families and individuals who cannot afford to hire a lawyer and would otherwise be unable to receive access to civil legal assistance. This pro bono work is critical for families living in poverty and highly fulfilling for the attorneys who provide the service.

Currently, Alabama has five Volunteer Lawyer Programs (VLPs):

[Alabama State Bar Volunteer Lawyers Program](#)

[Volunteer Lawyers Birmingham](#)

[Madison County Volunteer Lawyers Program](#)

[Montgomery Volunteer Lawyers Program](#)

[South Alabama Volunteer Lawyers Program](#)

We rely on the generosity and expertise of approximately 3,650 volunteer attorneys to fulfill our mission. By contributing even a small amount of your expertise, you could solve the life-shattering legal problems that confront many of the low-income persons living in our state. As we welcome you to the practice of law in Alabama, we hope that you will consider becoming a member of this community of service.

Please consider joining today with many of your peers who have already volunteered their services through these important programs.
