### Addendum 1

**Invitation to Bid 24-07-211736**

**Addendum 1 MOA Electron Drive RR Crossing Replacement**

Addendum number 1 has been issued for questions/clarification.

**Offers will be received until 3:00 pm local time on March 07, 2024.**

**At which time bids will be publicly opened.**

---

**Question 1:** Is the railroad going to require the contractor to surface through the switches? There is two of them within the 300 foot range and neither one of them are in very good shape and will require extra preparation and work.

**Answer 1:** No surfacing through the switches

A site map is attached. The crossings are located in the GREEN circle. It is a little hard to see at this scale, but there are two crossings at that location. **"Electron Drive Site Map"**

---

All other terms and conditions remain unchanged.

If there are any questions regarding this addendum please let me know.

Thank you,
