### Addendum 3

**RFP # 24-31-211856**

Passenger Car WiFi Equipment

Addendum number 2 has been issued for an extension of time and answer additional questions.

**The Closing Date for this ITB has changed.**

**Proposals will be received until June 13, 2024 @ 3:00 PM Local time.**

**The deadline for questions is June 7, 2024.**

---

### Questions:

1. Only Wi-Fi 5. Please specify throughput requirement? Typically, PIS/PA applications do not need high throughput, approximately less than 30Mbps.? **Minimum required throughput is 1.8 Gbit/s. Wi-Fi 6 or better is preferred for future growth.**
2. Is there currently a router or some type of radio that this equipment (switch and access points) will be integrated in with? **There is 3rd party Point of Sale equipment that uses a Cradlepoint model# S5A843A LTE router.**

Please acknowledge receipt of this and all addendums in your firm's Service Bid Form (Form 395-0129).

All other terms and conditions remain unchanged.

Respectfully,

*Candice Graham*
