BID INFORMATION, CONDITIONS & INSTRUCTIONS:

Closing date changed to October 8th, 2020.

BID INFORMATION, CONDITIONS & INSTRUCTIONS:

Pre-Bid Conference and /Site Visit: A pre-bid conference will be held on September 28, 2020 at 10:00 a.m. We will meet at the ARRC Portage Depot / Information center and we will then proceed to the site via ARRC hi-rail vehicles. While near ARRC tracks, PPE is required (safety-toe shoes, hi-vis vests & hard-hats). You will not be allowed to proceed to the site without it. Please contact me if you are not listed on the attached list and plan on attending.

A bidder's failure to attend the pre-bid conference will in no way relieve the bidder of the responsibility of performing the work in strict compliance with the true intent and meaning of the terms, conditions and specifications of this ITB.

Clarification:

Due to the current Covid requirements affecting the workplace emailed bids will be accepted for this solicitation. Please send the required documents only to: Goemerg@akrr.com by the closing date specified above. There will not be a public bid opening done in person at the headquarters. A conference call line will be used to read the results. It will be the vendor's responsibility to ensure the emailed bid is received and the results will be immediately posted online after the opening.

All other terms and conditions remain unchanged.
If there are any questions regarding this addendum please let me know.
