This survey will take approximately seven minutes to complete.

Who should take the survey?

This survey is intended for grantee staff who are involved in the criminal history check process for organizations required to comply with the [National Service Criminal History Check requirements](#). This survey is **not** intended for sub-grantees. More than one person from the same organization can take the survey. We encourage you to identify one or two staff in your organization who are closely involved in your criminal history check process, either directly or through oversight, to take the survey. **This survey is anonymous.** We are not requesting your name or the name of your organization in the survey.

The deadline to complete the survey is Friday, Sept. 29. Thank you in advance for providing your feedback.
