

**Request for Extension for Filing the
2021 BE-15 Annual Survey of Foreign Direct Investment in the United States**

Due date – A completed report, or Claim for Exemption, covering a reporting company's fiscal year ending in calendar year 2021 is due no later than May 31, 2022 (or by June 30 for reporting companies that use BEA's eFile system).

Extensions – For the efficient processing of the survey and timely dissemination of the results, it is important that your report be filed by the due date. Nevertheless, reasonable requests for extension of the filing deadline will be granted.

Please note – Extension requests must be received by the due date of May 31, 2022. Once the request has been reviewed, a response will be provided by secure message through the eFile system.
